6. A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.

7. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through ballot paper.
8. The results of the electronic voting shall be declared after the AGM. The results along with the Scrutinizer's Report shall also be placed on the website of the Company.
9. In case of joint holders attending the meeting, only such joint holder, who is higher in the order of names, will be entitled to vote at the meeting.
10. Register of Directors and Key Managerial Personnel and their Shareholding maintained under section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which Directors are interested under section 189 of the Companies Act, 2013 will be available for inspection at the Annual General Meeting.
11. Members are requested to note that as per section 205A of the Companies Act, 1956, dividends not encashed /claimed within seven years from the date of declaration will be transferred to the Investor Education and Protection Fund (IEPF). After transfer of the said amount to IEPF, no claims in this respect shall lie against IEPF or the Company.
12. The Ministry of Corporate Affairs has notified provisions relating to unpaid / unclaimed dividend under Sections 124 and 125 of Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these Rules, dividends which are not encashed / claimed by the shareholder for a period of seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF) Authority. The new IEPF Rules mandate the companies to transfer the shares of shareholders whose dividends remain unpaid / unclaimed for a period of seven consecutive years to the demat account of IEPF Authority. Hence, the Company urges all the shareholders to encash / claim their respective dividend during the prescribed period. The shareholders whose dividend/ shares as transferred to the IEPF Authority can now claim their shares from the Authority by following the Refund Procedure on the website of IEPF Authority <http://iepf.gov.in/IEPFA/refund.html>.
13. Members are requested to contact M/s. Purva Sharegistry (India) Private Limited / Secretarial Department of the Company for en-cashing the unclaimed dividends standing to the credit of their account.
14. The Securities and Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in

DEMAT form are, therefore, requested to submit PAN details to the Depository Participants with whom they are maintaining their DEMAT accounts. Members holding shares in physical form can submit their PAN details to **M/s. Purva Shareregistry (India) Private Limited /** Secretarial Department of the Company.

15. For convenience of the members and proper conduct of the meeting, entry to the meeting venue will be regulated by Attendance Slip, which is enclosed with this Annual Report. Members are requested to sign at the place provided on the Attendance Slip and hand it over at the Registration Counter at the venue.
16. Members desiring any information relating to the accounts are requested to write to the Company well in advance so as to enable the management to keep the information ready.
17. The Chairman of the meeting shall, at the AGM, at the end of discussion on the resolutions on which voting is to be held, allow voting with the assistance of the scrutinizer, by use of "e-voting" or "Ballot Paper" or "Polling Paper" for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.
18. The Scrutinizer shall after the conclusion of the voting at the AGM first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman of the meeting or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
19. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.empowerindia.in and on the website of NSDL immediately after the declaration of result by the Chairman of the meeting or a person authorized by him in writing. The results shall also be immediately forwarded to the Stock Exchanges.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments:

Empower addresses three sectors under a single shelter:

- Information Technology
- Entertainment
- Finance
- Agricultural Infrastructure Development

Information Technology

India is the world's largest sourcing destination for the information technology (IT) industry, accounting for approximately 67 per cent of the US\$ 124-130 billion market. The industry employs about 10 million workforces. More importantly, the industry has led the economic transformation of the country and altered the perception of India in the global economy. India's cost competitiveness in providing IT services, which is approximately 3-4 times cheaper than the US, continues to be the mainstay of its Unique Selling Proposition (USP) in the global sourcing market. However, India is also gaining prominence in terms of intellectual capital with several global IT firms setting up their innovation centres in India.

The Indian IT sector is expected to grow at a rate of 12-14 per cent for FY2016-17 in constant currency terms. The sector is also expected triple its current annual revenue to reach US\$ 350 billion by FY 2025.

- *As per National Association of Software and Services Companies (NASSCOM)*

Total spending on IT by banking and security firms in India is expected to grow 8.6 per cent year-on-year to US\$ 7.8 billion by 2017!!

The public cloud services market in India is slated to grow 35.9 per cent to reach US\$ 1.3 billion according to IT consultancy, Gartner. Increased penetration of internet (including in rural areas) and rapid emergence of e-commerce are the main drivers for continued growth of data centre co-location and hosting market in India.

Post the government's announcement of demonetization of specific currency denominations, digital payment platforms such as Paytm, MobiKwik, Oxigen witnessed a sharp spike in user transactions, app downloads and merchant enquiries, thereby indicating a greater demand towards digital payments by consumers.

Entertainment

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenues.

The industry has been largely driven by increasing digitisation and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people.

The Indian media & entertainment sector is expected to grow at a Compound Annual Growth Rate (CAGR) of 14.3 per cent to touch Rs. 2.26 trillion (US\$ 33.9 billion) by 2020, while revenues from advertising is expected to grow at 15.9 per cent to Rs 99,400 crore (US\$ 14.91 billion).

The Ministry of Information and Broadcasting (I&B) is working towards promoting ease of doing business, which will ensure less regulation and facilitate India to become the hub of media and entertainment industry.

Recently, the Indian and Canadian governments have signed an audio-visual co-production deal that would help producers from both countries to explore their technical, creative, artistic, financial and marketing resources for co-productions and, subsequently, lead to exchange of culture and art amongst them.

Finance

Macroeconomic Developments in India

The domestic environment is stable and positive, and India has over 30 million stock market investors. The formalization of the economy catalysed by demonetization and implementation of the goods and services tax means that investible financial savings will increase across income groups. This creates an opportunity to raise significant capital from domestic investors.

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market.

Agricultural Infrastructure Development

India needs over \$1.5 trillion in the next decade to build infrastructure, and has thus far been looking abroad. With some creative policy thinking, a part of the solution might be found at home, especially for areas like crop storage and irrigation where several regions still lag behind.

Crop storage facilities will provide farmers flexibility on when to sell, rather than being forced to sell for fear of the produce being spoiled.

This is the type of infrastructure that is also harder to finance through conventional mechanisms or with foreign capital, and where the role of government is critical.

Agriculture, along with fisheries and forestry, is one of the largest contributors to the Indian Gross Domestic Product (GDP). The GDP of agriculture and allied sectors in India was recorded at \$244.74 Bn in FY '16.

- At 157.35 Mn hectares, India holds the second-largest agricultural land in the world.
- There has been an increased focus on investments in agricultural infrastructures such as irrigation facilities, warehousing, and cold storage.
- New schemes such as Paramparagat Krishi Vikas Yojana, Pradhanmantri Gram Sinchai Yojana, and Sansad Adarsh Gram Yojana have been introduced to improve farmers' fortunes and other facilities which could boost agriculture in India.

As a part of the Business model and in sync with the Consultancy, Empower generates its revenues mainly through dealing in IT products. This makes us a one stop shop for the clients wherein they get complete IT solutions for their business requirements. Empower provides these specialized services to small and medium enterprises and makes IT systems as an invaluable asset to the clients. This is done by educating the clients of the benefits of adopting new technology and helps them simplify their business processes. Empower also help its clients

by replacing the obsolete systems and adopt state of the art technology giving them a competitive edge in the market.

IT peripherals Sales: India is one of the fastest-growing IT systems and hardware market in Asia-Pacific region. Most of the prominent global manufacturers have a strong presence in the India Market. BFSI (Banking, Financial Services and Insurance), Telecom, ITeS (Information Technology enabled Services), manufacturing services, Small and Medium Enterprises (SME's) and households are the key drivers of the IT systems and hardware market in India. With significant IT adoption plans on the anvil, the IT systems and hardware market is expected to expand rapidly in the ensuing years.

Empower's IT Hardware offerings include personal storage devices, printers, servers, Personal Computers (PCs), data processing equipments and peripherals such monitors, keyboards, disk drives, plotters, SMPS, modems, networking products and add-on cards.

Empower services are expanded over various locations with major activities carried out in Mumbai.

2. Media and Entertainment Digital venture – Empower Bollywood

Empower, recognizing the potential of this internet revolution and changing consumer taste, ventured into the glamour industry through Empower Bollywood. This business is carried on through a newly incorporated subsidiary "Empower Bollywood Private Limited".

Empower Bollywood is an integrated online marketplace, which is determined to take consumer interaction experience in the media and entertainment industry to its zenith potential. The pioneer project aims to bring production houses, performers, service providers and general consumers to a common platform. Empower Bollywood would address the needs of performers/talent, production houses, service providers and general consumers by letting them interconnect through a common platform.

Within nine months of its launch we had approximately 2200 Producers (Individual and Production houses), 1600 Service Providers and 6600 Talent seekers registered with us. We are committed to making this initiative a grand success and are already setting new techniques and programs in this area.

Empower TV: Empower TV is a YouTube channel launched by Empower Bollywood and is currently used as a platform to showcase the talent of the artists registered on Empower Bollywood. It is a bridge that connects the aspiring artists and the industry. The artist can showcase his/her talent which can be viewed by everyone across the globe. The artist does not have to spend anything to distribute his/her work to the professional community in the industry.

The video links are displayed on the profile of the artist of Empower Bollywood thereby making it very easy for an artist to project his/her work.

The production house can view the work of an artist at their convenience to filter the suitable candidates for their next project without really spending a lot of time and money for conducting an audition.

The general viewer gets to know and enjoy the work of the upcoming artists even before they become stars. The viewers can enjoy the content which is not generally available on any television channel/website.

Empower TV endeavors to transform the life of all the aspiring artists just as Indian Premier League (IPL) did for the unknown yet extremely talented and upcoming cricketers.

3. Trading Digital venture – Empower TradEx

Empower TradEx Private Limited was incorporated to build and operate an e- commerce portal to facilitate online exchange of Goods and Services between businesses and consumers.

At Empower Trade Exchange (ETX) we are determined to change the way INDIA does business. We innovate to provide a common platform to all its business associates (either being a registered manufacturer or registered Service provider or a registered end chain consumer,) which can contract with each other (through our exchange portal) to trade or exchange goods or services among themselves.

Empower Trade exchange is not any person to whom you can directly go and get your product exchange. We are an organization which provides a platform to its business associates like you, that contract with each other (through our exchange portal) to trade or exchange goods or services among themselves.

Unlike one-on-one product swap, business associates of exchanges are not obligated to swap or purchase directly from the buyer/seller from whom he has brought or sold goods/services too.

The business associate is liberated to buy

- Whatever he wants
- When he wants
- Whatever quantity he wants.

Empower Trade Exchange (ETX), is on the path of becoming India's full service trade organization, convinced to bring membership of over 16,000 members by this year end.

4. Investment in High Growth oriented Companies/Industries:

With its strategy of growing manifold and developing a base for future breakthrough, Empower has evaluated various sectors to invest some of its capital in a way to optimize its resources and gain results' benefits in the long run, thereby generating value creation for its stakeholders.

Being a profit making Company, Empower has invested its funds in stocks and Mutual Funds besides subscribing to the Share Capital of its subsidiaries.

Empower has invested in a wide portfolio of listed and unlisted companies. Our investments are targeted at, but not limited to: infrastructure, property-related, diversified industrials, transport, energy, services, manufacturing, agri-infra, real estate, IT and other allied industries, telecommunications and financial services-related industries.

5. Agri Infrastructure Services:

Fascinated by the scope in the field of agricultural infrastructure management and in order to tap various developments in the same field, Empower forayed into Agri-infrastructure business including the activities related to but not limited to establishment of food parks and poly houses, floriculture, generic farming, food production, etc., by making investments in the Equity Shares of a Special Purpose Vehicle(hereinafter referred to as "SPV") incorporated under the Mega Food Park Scheme, the guidelines of which are framed by the Ministry of Food processing of India; under the name and style of "Jharkhand Mega Food Park Private Limited".

This remarkable breakthrough was made to not only strengthen Empower's presence in the market but also cement its relationship with the stakeholders, as this will lead to long term value creation for their holding in the Company.

SPV was built to:

- Provide State of The Art Infrastructure with world class technology for food processing
- Establish a sustainable raw material supply chain for the cluster
- Build a pool of resources for food processing & enhance employment in the sector
- Provide world class Quality Assurance Facilities for high quality produce
- Provide access to global & domestic markets through forward linkages
- Provide access to global & domestic markets through forward linkages

6. Financial Performance:

The Board of Directors hereby state that during the financial year ended on 31st March, 2017, Total Consolidated Revenue for the fiscal year 2016-17 was Rs. 90.36 Cr and Earnings before

depreciation and tax stood at Rs. 0.25 Cr. Profit after tax and extraordinary item stood at Rs. 0.04 Cr.

7. Risks and Concerns:

1. New Technology Risks:

Digital has become mainstream during the year, with the industry increasingly investing in digitized solutions to drive future growth opportunities. Technologies in cloud, big data, analytics, mobility, social media and the Internet of Things(IoT) have become the order of the day. Indian companies are keeping track of these trends and gearing up to change their products and services to accommodate these areas where clients are looking for more innovations to enhance delivery. The year also witnessed hyper growth in technology start-up and product landscape and as per Nasscom, India is already ranked as the fourth largest start-up hub in the world. The company keeps itself up graded with the latest technologies solutions and assimilates changes to be successful in anticipating or responding to technological advances on timely basis.

2. Competition Related Risks:

India has established itself as the major off shoring destination for global IT companies. US \$1 trillion opportunity is offered by the emerging technologies, Social, Mobility, Analytics and Clouds (SMAC) collectively. However, the paradigm has changed as the Indian IT industry is facing stiff competition from the outsourcing companies 38 based in different parts of the world — China, Taiwan, Philippines, Eastern Europe and Latin America. There are tremendous emphasis on productivity, value additions, quality, customer experience, and effective communications, meeting the datelines, domain knowledge and agility. The recent layoffs in some large companies in fact are symptoms of these profound changes. IT companies are facing tremendous pressure on cost, productivity and ROI. Thus the Indian ITeS sector needs to make extra endeavor to remain competitive in terms of cost efficiency measures and scalability of various high end services to handle competition. We compete with other technology service providers in response to requests for proposals and in certain services there is increased competition resulting in pressures in pricing. The company's capability to offer innovative and value added solutions and services by integrating its diverse domain knowledge enables it to move ahead in an environment of increasing competition.

3. Financial Risks:

The happenings and financial developments in the large markets that we operate in have very significant impact on our business conditions, but these are the things which are beyond our control but what is within our control is to make sure that we are not vulnerable to major event risks of this nature and therefore we conduct a business in a manner that we take these risks

into account and we mitigate these risks by appropriate hedging strategies. The risk policy of the Board covers some of this large macro level risk and the remedial measures taken by the company to face and mitigate some of these risks.

8. Internal Control and Systems and their adequacy:

The Company has put in place adequate systems of internal control commensurate with its size and the nature of its business. These systems provide a reasonable assurance in respect of financial and operational information, compliance with both applicable statutes & corporate policies and safeguarding of the assets of the company.

The company has a rigorous business planning system to set targets and parameters for operations which are reviewed against actual performance to ensure timely initiation or corrective action if required.

9. Industrial Relations and Human Resources Development:

The Company enjoys cordial and harmonious industrial relations. Training programs and various initiatives are being taken to create an environment to enhance individual and team performance.

10. Cautionary Statement:

The statement in the report of the Board of Directors and Management Discussion and Analysis Report describing Company's projections, estimates, exceptions or prediction may be forward looking statement within the meaning of applicable Securities Laws and Regulations. Actual Results could differ materially from those expressed or implied since the Company's operations are influenced by many external and internal factors beyond the control of the Company.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS,
EMPOWER INDIA LIMITED**

Report on the Standalone Financial Statements

1. We have audited the accompanying (standalone) financial statements of EMPOWER INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these (standalone) financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (standalone) financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid (standalone) financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit/loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016 (the Order) issued by the Central Government in terms of Section 143(11) of the Act, we enclose in the "Annexure A" a statement on matters specified in paragraph 3 & 4 of the said order.
10. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - A) The Company has disclosed pending litigations in its Company Auditors Report. However there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure has been made As per AS-29.
 - B) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - C) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31/03/2017.
 - D) The Company has provided requisite disclosures in its Standalone Financial Statement as to holdings as well as dealings in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016 and these are in accordance with the books of accounts maintained by the Company.

Annexure B to Independent Auditor's Report

Referred to in paragraph 10(f) of the Independent's Auditor's Report of even date to the members of Empower India Limited on the standalone financial statements for the year ended 31st March, 2017.

Report on the Internal Financial Controls under Clause (i) of sub – section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Empower India Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all materials respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that,
 - (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure A to Independent Auditor's Report

Referred to in paragraph 10(f) of the Independent's Auditor's Report of even date to the members of Empower India Limited on the consolidated financial statements for the year ended 31st March, 2017.

Report on the Internal Financial Controls under Clause (i) of sub – section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31st March, 2017, we have audited the internal financial controls over financial reporting of Empower India Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries companies as of 31st March, 2017.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its Subsidiaries Companies are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Group's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the standards on auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all materials respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the reports of the other auditors in respect of entities audited by them, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that,
 - (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
 - (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiaries companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India, as it appears from our examination of the books and records of the Holding Company and reports of the other auditors in respect of the other auditors in respect of entities audited by them.

STATEMENT OF CONSOLIDATION SIGNIFICANT ACCOUNTING POLICIES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

1. Accounting Convention

1.1 Financial statements are prepared in accordance with generally accepted accounting principles including accounting standards in India under historical cost convention except so far as they relate to revaluation of certain land and buildings.

1.2 All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Revised Schedule III to the companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the company has determined its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities.

1.3 Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of the financial statements, disclosure of contingent liabilities and reported amounts of revenues and expenses for the year.
