Dear Sir/Madam,

Sub: Corrigendum to the Annual Report 2020-21

With reference to the captioned subject and further to our letter dated 27th August, 2021 pertaining to submission of 48th Annual Report for the FY 2020-21, we enclose the Corrigendum which forms an integral part of the Annual Report for the information of the members.

Inadvertently due to oversight, there are some alignment issue/s appearing at Page 68 of the Balance Sheet under the head Current Liabilities. On account of the alignment error/s, the figures are not appearing in the same line for the year ended 31st March, 2021 and 31st March, 2020. Accordingly, for ease of reference of members, we are reproducing the rectified contents as below:

| Current liabilities | Notes | As at 31 March 2021 | As at 31 March 2020 |
|--|-------|------------------------|------------------------|
| Financial liabilities | | | |
| (i) Borrowings | 22 | 742.58 | 1,790.20 |
| (ii) Trade payables | 23 | | |
| Total outstanding dues of micro enterprises and small enterprises | | 150.86 | 3.46 |
| Total outstanding dues of creditors other than micro enterprises and small enterprises | | 2,727.95 | 1,321.68 |
| (iii) Other financial liabilities | 24 | 307.61 | 196.40 |
| Other current liabilities | 21 | 695.01 | 498.31 |
| Provisions | 20 | 154.94 | 89.51 |
| Current tax liabilities (net) | 25 | 55.05 | 12.77 |
| Total current liabilities | | 4,834.00 | 3,912.33 |

Members may please note that the total current liabilities as published in the Annual Report for the year ended 31st March 2021 and 2020 remain unchanged. Further, there are no other corrections to the Annual Report except the above. Accordingly, the Corrigendum has been emailed to members who have registered their email with the Depositories / Registrar and Share Transfer Agent and is simultaneously also being published in Free Press Journal in English and Nav Shakti in Marathi Newspaper/s. This communication is also available on the Company's website at www.uniabex.com

You are requested to take the above information on your records.

Thanking you,

Yours faithfully,
For Uni Abex Alloy Products Ltd.

NOTES:

1. In view of the ongoing COVID-19 pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020, Circular No. 22/2020 dated June 15, 2020, Circular No. 33/2020 dated September 28, 2020, Circular No.39/2020 dated December 31, 2020 and Circular No. 02/2021 dated January 13, 2021("MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/279 dated May 12, 2020 and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 ("SEBI Circulars"). The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM only through VC/OAVM.
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
3. Institutional / Corporate Members (i.e. other than individuals / HUF, NRI, etc.) are required to send a certified scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Company at companysecretary@uniabex.com by email through its registered email address.
4. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
5. In line with the aforesaid Ministry of Corporate Affairs (MCA) SEBI Circulars, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Further, the Notice calling the AGM has been uploaded on the website of the Company at www.uniabex.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com
6. Members may please note that since the AGM of the Company will be held through VC / OAVM, the Route Map is not annexed in this Notice.
7. In pursuance of Regulation 42 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Company has notified closure of Register of Members and Share Transfer Books from Tuesday, 14th September,

2021 to Tuesday, 21st September, 2021 (both days inclusive) for determining the names of Members eligible for the purpose of Annual General Meeting & Dividend.

8. Members holding shares in electronic form may note that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrar and Transfer Agents, Computech Sharecap Limited ("Computech") cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant by the Members.
9. The MCA had notified provisions relating to unpaid / unclaimed dividend under Sections 124 and 125 of Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these Rules, dividends which are not encashed / claimed by the shareholder for a period of seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF) Authority. The IEPF Rules mandate the companies to transfer the shares of shareholders whose dividends remain unpaid / unclaimed for a period of seven consecutive years to the demat account of IEPF Authority. Hence, the Company urges all the shareholders to encash / claim their respective dividend during the prescribed period. The details of the unpaid / unclaimed amounts lying with the Company are available on the website of the Company at www.uniabex.com and on MCA's website. The Member(s) whose dividend / shares are transferred to the IEPF Authority can now claim their shares from the Authority by following the Refund Procedure as detailed on the website of IEPF Authority <http://iepf.gov.in/IEPF/refund.html>. The Company will transfer the unclaimed Dividend for FY 2013-14 to the IEPF by 19.09.2021. The Company requests the Members who have not claimed the dividend for the said year to encash the same before the due date. Further, pursuant to Rule 5(8) of the IEPF Rules, 2016, the Company has uploaded details of unpaid and unclaimed amount lying with the Company as on September 28, 2020 (date of last Annual General Meeting) on its website www.uniabex.com.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form should submit their PAN to the Company / Computech.
11. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The nomination form can be obtained from Computech.
12. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to Computech, for consolidation into a single folio.

 - A. Change in their residential status on return to India for permanent settlement.
 - B. Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
14. Members who have not registered their e-mail addresses so far are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.
15. Any change of particulars including address, Bank mandate and nomination for shares held in Demat form, should be notified only to the respective Depository Participants where the Member has opened his/her Demat account. The Company or its share transfer agent will not act on any direct request from these Members for change of such details. However requests for any change in particulars in respect of shares held in physical form should be sent to Computech.
16. RBI vide its Circular No. DPSS. (CO). EPPD. No.191.04.01.01/2009-2010 dated July 29, 2009 has instructed banks to move to the NECS platform from October 1, 2009.

Consequently you are requested to provide your new account number allocated to you. After implementation of Core Banking System by your Bank NECS credit to your old account may either be rejected or returned.

Please provide to the Share Registrar and Transfer Agents new Bank Account particulars along with a copy of the cheque duly cancelled by quoting your reference folio number in case of shares held by

you in physical form. In case the shares are in Dematerialised form, you may kindly provide the same to your Depository Participant, so that your future dividend payments can correctly be credited to your new account.

17. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agent i.e. Computech. The equity shares of the Company are compulsorily traded in demat form. Members desirous of trading in the shares of the Company are requested to get their shares dematerialized.
18. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company / Registrar and Transfer Agent (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to helpdesk@computechsharecap.com. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to helpdesk@computechsharecap.com. The aforesaid declarations and documents are emailed to shareholders to their registered email address available with the Depository Participant / RTA.

19. The Company has listed its shares at BSE Limited, Mumbai, Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai-400 001.

The Annual Listing Fees for the Exchange has been paid for the financial year 2021-2022.

20. Members desiring any information as regards Accounts are requested to write to the Company, at least seven days before the date of the meeting so as to enable the Management to keep the information ready.
21. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM

will be provided by CDSL.

The Members can join the AGM in the VC/OAVM mode 30 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The Company has appointed Mr. Prasen Naithani, Practicing Company Secretary or failing him Mr. Jagdish Rana, Practicing Company Secretary as the Scrutinizer for conducting the e-voting process in a fair and transparent manner. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

- i) The remote e-voting period will commence on Saturday, 18th September, 2021 (9:00 a.m.) and will end on Monday, 20th September, 2021 (5:00 p.m.). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Tuesday, 14th September, 2021, may cast their vote by remote e-voting. The remote e-voting module will be disabled by CDSL for voting thereafter.
- ii) The voting rights of Members shall be in proportion of their holding in the paid-up equity share capital of the Company as on the cut-off date i.e. Tuesday, 14th September, 2021.
- iii) Only those Members whose names are recorded in the Register of Members of the Company or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date shall be entitled to vote. If a person was a Member on the date of the Book Closure as aforesaid but has ceased to be a Member on the cut-off date, he/she shall not be entitled to vote. Such person should treat this notice for information purpose only.
- iv) The Scrutinizer shall after the conclusion of voting at the Annual General Meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting and shall make, not later than forty eight hours from the conclusion of the Annual General Meeting, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- v) The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company, www.uniabex.com and on the website of CDSL e-Voting immediately after the declaration of result by the Chairman or a person authorized by him in writing and communicated to BSE Limited.
- vi) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- vii) Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
- viii) The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January, 13, 2021.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Saturday, 18th September, 2021 at 9:00 a.m. and ends on Monday, 20th September, 2021 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Tuesday, 14th September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

DIVIDEND / RESERVES

Your Directors recommend a dividend of ₹10/- per Equity share of nominal value of ₹10 each (i.e. 100%) for the year ended 31st March, 2021 as against ₹5.00/- (i.e. 50%) paid for the previous year. The total outgo towards dividend on equity shares amounts to ₹197.50 Lakhs. Your Directors have decided not to transfer any amount to the Reserves for the year under review.

OPERATIONS

Due to lockdown, operations in first quarter of fiscal were severely impacted. Company's manufacturing operations started partially from mid-April and continued until June with just around 50% workforce as per the government guidelines. From July onwards operations picked up momentum and second half could see the improvement in sale of the company.

However, Company was able to secure most of the tenders from refineries which had got deferred during the previous fiscal thus strengthening the order book by end of first half.

For the entire year, steady orders from PSUs, supported by significant growth in order flow from other non-OEM segments, Company was able to grow its order book by 63% over the previous fiscal.

Your Company like many other businesses had to ensure that its profitability and working capital are well managed particularly when nobody knew how the pandemic is going to pan out both from business sustainability and human life protection perspective. Management of your company came up with plans and actions to first sustain and then grow the business in these tough pandemic times.

Owing to the traction provided by strong and consistent order flow during the year company achieved highest ever sales turnover in this year at ₹105.02 Crs. With focused operational management cost optimisation initiatives, working capital management initiatives and various process improvements your company managed to counter the impact of inflation as well as uncertainty due to pandemic

PBIDT for the year under review is ₹ 21.57 Crs as against ₹20.18 Crs of the previous year. Your Company reported a profit after tax of ₹10.63 Crs in the current fiscal as against ₹5.47 Crs during the last year.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company's internal control system has been designed keeping in mind the size and nature of operations to ensure strict compliance with applicable legislation. Your Company has in place adequate controls on resource utilization, and provision of accurate and speedy financial statements. The Company ensures compliance with policies and procedures and other statutory and legal obligations on an ongoing basis. Your Company's Internal Financial Controls on its entire processes have been vetted by the Statutory Auditors. Internal control is supplemented by effective and independent internal audit. The Board ensures that timely measures are taken in case of any deviation from budgeting. Management regularly reviews the findings of the Internal Auditors and ensures effective implementation of suggestions/observations of the Internal Auditors. In addition, the Audit Committee of the Board regularly addresses significant issues raised by the Internal and the Statutory Auditors.

The management information system (MIS) forms an integral part of the company's control mechanism. This enables the Company to strictly adhere to all applicable procedures, laws, rules and statutes.

PROSPECTS

Second wave of pandemic and consequent slowdown in various sectors of industry is having an impact on the order flow in the current year. However, prospects of growth in agriculture and associated sectors of industry, on expected normal monsoons, appears to be a bright spot in the economy. This will offer opportunities for company's business in related segments.

This, coupled with healthy order book at beginning of fiscal, places the company's business on a sound footing. However, prediction of an impending third wave and its consequential effects make your Directors sound a note of cautious optimism about the prospects in the current fiscal.

Company's management under the guidance of Directors are taking various measures and strategic approaches to ensure that we tide over the current uncertain times and strengthen the business.

QUALITY MANAGEMENT

The Company has set high benchmarks on quality and on on-time delivery, providing a competitive edge in current business scenario. The Company's operations continued to be certified to ISO 9001:2015.

ENVIRONMENT, HEALTH AND SAFETY

As a part of its commitment toward environment, the Company has developed an Environmental Management System along with work practices to ensure high level of safety, health and environment standards. The Company and all its offices and factory have been fully compliant with the Central Government and the State Government

directives on lockdown to combat Covid-19. The Company's operations continue to be certified to ISO 14001:2015 and OHSAS 18001:2007.

HUMAN RESOURCE MANAGEMENT

The Company has a diverse employee base with unique creative skills, technical knowledge and functional proficiency. The experienced and talented pool of employees plays key roles in enhancing business efficiency, devising strategies, setting-up systems and evolving business. Nurturing people is a key organisational goal and leadership mandate. HR policies nurture a work culture that leads to employee satisfaction, unflagging motivation and high retention rate. Relations between employees and the management continue to remain cordial.

MATERIAL DEVELOPMENTS ON HUMAN RESOURCES INCLUDING NUMBER OF PEOPLE EMPLOYED

As on 31st March 2021, the total numbers of permanent employees on the payrolls of the Company at all the locations was 98.

PARTICULARS OF EMPLOYEES AND RELATED DISCLOSURES

The information required pursuant to Section 197(12) read with Rule 5 of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, forms part of this report. In terms of Section 136 of the Act, the Report and Accounts are being sent to the Members and others entitled thereto, excluding the information on employees' particulars which is available for inspection by the Members up to the date of the ensuing Annual General Meeting. If any Member is interested in obtaining a copy thereof, such Member may email to the Company in this regard.

MATERIAL CHANGES AFFECTING THE FINANCIAL POSITION:

The worldwide pandemic Covid-19 started impacting India towards the end of February, 2020 and its severity increased alarmingly, endangering the life of people. To mitigate the impact of the pandemic and minimize loss of human lives, the Central Government enforced national lockdown of people in their homes which resulted in shutdown of all manufacturing and commercial operations and activities barring those most essential to life operations and services. The initial lockdown of over five weeks was extended from time to time as the situation warranted. The lockdown was selectively and gradually relaxed but not totally lifted nationwide. The pandemic has crippled economies worldwide and there is no knowing when these would be up on their feet and running.

APPRECIATION:

Your Directors place on record their appreciation of the continued support and cooperation extended to the Company by the Central and State Government agencies, and by our Shareholders, Customers, Suppliers, Bankers, Employees at all levels, Employee's Union and other Business Associates.

Your Directors take this opportunity to place on record, on their behalf as well as on behalf of the stakeholders, their appreciation and gratitude to the Central and State Governments, Municipal Corporations, Medical fraternities, Police and Security forces, Cleaning and Sanitation staff and all agencies and their employees for their yeomen efforts in battling Covid-19 even at the risk of their own lives.

CAUTIONARY NOTE:

Certain statements in the Director's Report and Management & Discussion Analysis section may be forward looking and are stated as required by applicable laws and regulations. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors submit for your consideration the Management Discussion and Analysis Report on the working of the Company for the financial year ended 31st March 2021.

Last fiscal was a watershed year of this century which impacted not only lives of people, economy, and all aspects of commerce but also the way businesses are run and managed. Pandemic, while on the one hand affected the economic activities, on the other hand it also opened new ways to carry out business. Digital medium of conducting business picked up momentum be it conducting review of operations, meeting customers, participating in E Tendering process or facilitating plant tours for customer etc. For everything digital platforms were used extensively.

Your company adopted the new way of managing business quickly and deployed it very effectively. IT infrastructure was put in place and teams were enabled to carry out their activities without much of disruption to the business. To ensure safety of its employees Work From Home model, popular in the software industry, was used effectively and most of those employees who were not directly connected to the plant operations were mandated to use it thus minimizing the risk of infection to them.

Your Company like many other businesses had to ensure that its profitability and working capital are well managed particularly when nobody knew how the pandemic is going to pan out both from business sustainability and human life protection perspective. Management of your Company came up with plans and actions to first sustain and then grow the business in these tough pandemic times.

The first quarter did get affected due to lockdown though effect on your Company could be minimized as the plant started operations by mid-April albeit at a scaled down level.

Despite the pandemic and loss of some part of first quarter, your company was successful in growing its business from ₹102.43 Crs. in FY 2019-20 to ₹105.02 Crs. in FY 2020-21. Non-OEM segments were the main drivers of growth in sale over previous fiscal. Groundwork done in the last couple of years with focus on large government tenders helped your company to expand the order book significantly through the year by winning most of the tenders of our interest. OEM segment also showed a decent growth in order book despite the looming pandemic in Europe for most part of 2021.

THREATS AND OPPORTUNITIES

Second wave of Pandemic has brought with it, again, a disruption in the consumption cycle which will affect the recovery of economy. This will have an impact on various sectors of industry such as FMCG, Automotive, White Goods, Infrastructure development, construction etc. negatively impacting the Steel & Iron industry which can impact some of the business opportunities for your company. Prediction of a third wave and its likely impact on economy, though not known now, may also turn out to be another dampener. However, management team of your Company is putting plans in place to withstand all these challenges as much as possible.

As per a McKinsey report a transition towards normalcy is mostly likely in Europe, which is our main export market, during the late second or third quarter of 2021. It may have some unfavorable impact in the order booking from the segment in first half of FY 2021/22 before it turns for normalcy.

The good news is that IMD has predicted a normal monsoon which will help agriculture and associated industries like fertilizer and food processing with possible opportunities for your Company's business in the related segments.

Management has been assiduously working on a well calibrated strategy of increasing its share of wallet of OEM customers with a right product offering, closely tracking large tenders and aggressively bidding for the same with

optimum use of digital platforms to organize online customer engagement like virtual audits, inspections and plant tours which will keep up the momentum.

OUTLOOK

The pandemic is far from over and countries are still grappling with the evolving health emergencies. Though under such a scenario, it would not be prudent to make any definitive forecast or commitment on the Company's outlook for F.Y.2021-22, suffice to say that all efforts are being deployed by the Company to buck the trend and grow its business and as of now we have opened the FY 2021-22 with a strong order book.

RISK & CONCERNS

Your Company's Board of Directors have put in place adequate risk assessment and risk mitigation measures. The Executive Management has an appropriate framework that generates confidence of foreseeing and mitigating the risks, which every manufacturing company faces in the form of fluctuations in the supply and pricing of fuel, energy, essential raw material, any of our business segment demand fluctuations etc. However, no measures are adequate when confronted by unforeseen situations like the present Pandemic.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Standard Operating Procedures (SOP's) covering business operations have been established with inbuilt system of internal checks and balances duly supported by a robust ERP software. The SOPs are continuously modified and augmented as and when necessary. These procedures ensure that the transactions are properly authorized, validated and reported and that the assets of the Company are safe guarded. Additionally, the Company has laid down policies, which are well-documented. The Internal Auditors conduct audit of all aspects of business to assess the effectiveness of existing internal control systems. The recommendations of the Internal Auditors are implemented. The Statutory Auditors also verify the adequacy of the internal financial controls as well as compliances with the applicable laws and statutory regulations.

The Audit Committee of the Board with an Independent Director as its Chairman meets quarterly with the Management, Internal Auditors and Statutory Auditors to review the internal audit reports and to address the exceptions, if any.

FINANCIAL PERFORMANCE AND KEY FINANCIAL RATIOS

The Company's total income for the F.Y. 2020-21 (Gross Sales and Other Incomes) was ₹106.12 Crores as against that of ₹103.76 Crores for the F.Y. 2019-20. The PBITD and PAT for the F.Y. 2020-21 were ₹21.57 Crores and ₹10.63 Crores as compared to ₹20.18 Crores and ₹5.47 Crores respectively for the preceding F.Y 2019-20.

The key performance and financial ratios for the years 2020-21 and 2019-20 and variations in percentage between the two years are as under:

The significant performance and financial ratios for the year 2020-21 include Net Working Capital to Sales of 27.90%, Inventory to Sales of 30.10%, Receivables to Sales of 24.20% as compared to that of the previous year's 33%, 30% and 17%. Receivables to Sales increased primarily on account of increase in receivables due to higher sales at the year end than that in previous year.

Debtors' Turnover was 4.98, Inventory Turnover was 1.94, Interest Coverage was 11.59, Current Ratio was 1.59, Debt Equity was 0.17 as compared to that of the previous year's 5.33, 1.63, 6.13, 1.36 and 0.42. Interest coverage ratio increased primarily on account of better working capital management. Further, Debt Equity ratio improved due to increased net profit margin and prudent working capital management. Operating Profit Margin was 20.30% and Net Profit Margin was 10% as against previous year's 20% and 5%. Net Profit Margin improved during the year on account of Deferred Tax Asset charged off in the last year.

HUMAN RESOURCES:

Well educated, qualified and experienced personnel are the strength of the Company. The HRD policies place emphasis on providing training and upgrading skills not only for keeping pace with the growth and development of the Company but also for providing opportunities of value addition to its personnel. Appropriate training programs, workshops and seminars are conducted and all efforts are made to provide an ambient and healthy work culture. In line with future roadmap of the Company necessary plans are in place to augment its Human Capital. We have inducted new COO in our business in Q4 FY20-21 who brings in vast manufacturing excellence experience with major multinational organization, this induction will further enhance our competence in best practices of manufacturing.

As at 31st March 2021, the total number of employees on the roll of the Company stood at 98.

CAUTIONARY STATEMENT

Some statements in this Report are forward looking statements and are based on the optimism that the massive efforts of the Central Government, State Government and determination of the people of the Country would soon overcome the battle against Covid-19, and that the Country's and global economy both move once again towards sustainable growth. The Company's performance is based on these caveats and it is therefore cautioned that the actual results may differ from those set out or implied herein.

CORPORATE GOVERNANCE REPORT

The Directors present the Company's Report on Corporate Governance pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended for the year ended 31st March, 2021.

Company's philosophy on Corporate Governance

Good Corporate Governance practices enable a Company to attract financial and human capital and leverage these resources to maximise long-term shareholder value, while preserving the interests of multiple stakeholders, including the society at large. The Neterwala Group has laid strong foundation for making Corporate Governance a way of life by constituting a Board with a balanced mix of professionals of eminence and integrity from within and outside the business, forming a core group of top executives, inducting competent professionals across the organisation and putting in place appropriate system and processes.

The Company produces static, centrifugal castings and assemblies in heat and corrosion resistant alloys. Manufacturing quality alloy products is its prime focus. As a leader in alloy steel castings for decaners and reformer tubes, the Company has made a significant contribution to various industries in the last four decades.

A Report on compliance with the principles of Corporate Governance as prescribed by the Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI Regulations") is given below:

11. Share Transfer System

Shares in physical forms are processed by the Registrars and Share Transfer Agents within 7-15 days from the date of receipt. If the documents are complete in all respects they are forwarded to the Company for approval of the Stakeholders Relationship Committee. The Committee approves the same within 7 days of receipt from the registrars and returns to the Registrars for onward transmission to the concerned shareholder/s.

94.09 % of total Equity Capital is held in dematerialized form with NSDL and CDSL as on 31st March, 2021

12. Transfer of Unclaimed dividend / Shares to Investor Education Protection Fund

Section 124 and Section 125 of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('the Rules') mandates that companies transfer dividend that has remained unclaimed for a period of seven years from unpaid dividend account to Investor Education and Protection Fund (IEPF). Further, the Rules mandate the transfer of shares with respect to the dividend, which has not been paid or claimed for seven consecutive years or more to IEPF. Accordingly, the dividend for the years mentioned as follows will be transferred to the IEPF on the respective dates if the dividend remains unclaimed for seven years, and the corresponding shares will also be transferred to IEPF if dividend is unclaimed for seven consecutive years. The shareholders are requested to claim the unclaimed dividend amount immediately in order to avoid the transfer of shares to IEPF.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF UNI-ABEX ALLOY PRODUCTS LIMITED

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Uni-Abex Alloy Products Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2021, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matter described below to be the key audit matters to be communicated in our report.

| Key audit matter | How our audit addressed the key audit matter |
|---|---|
| <p>Valuation of inventory</p> <p>Refer note 3(o) to the accompanying financial statements for accounting policy for valuation of inventory balance and refer note 13 for the closing inventory balance as at 31 March 2021, which comprises of ₹2,208.82 lakhs of raw materials inventories, ₹749.11 lakhs of work-in-progress inventories, ₹76.61 lakhs of finished goods inventories and ₹63.72 lakhs of stores and spares inventories.</p> <p>The raw material inventory includes inventory relating to 'Turnings' which is produced as a by-product in the process of production of 'Decanters' and consumed again in the production cycle to produce billets and chips. Further, the production process of alloy products involves mixing of different types of purchased metals such as nickel, ferroalloy, chromium and billets.</p> <p>The valuation of work-in-progress and finished goods is a complex exercise. The valuation process involves estimation in determination of:</p> <ul style="list-style-type: none"> • Alloy rate based on product mix, • Overhead absorption rates, • Determination of yield, and • Determination of value of by-products <p>Accordingly, valuation of year-end inventory balances, which is significant with respect to the total assets held by the Company, and which involves complex computations, estimates and significant management judgements, is considered to be one of the area which requires significant auditor's attention and therefore determined to be a key audit matter for the current year audit.</p> | <p>Our audit procedures included, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Obtained an understanding of management process for inventory valuation; • Evaluated design effectiveness and tested the design effectiveness of controls over inventory valuation process; • Tested key inputs used in the valuation process from source documents/general ledger accounts; • Tested reconciliation of opening inventories, purchase/production, sales and year-end inventories to validate the yield during the year and to identify any abnormal production loss; • Compared key estimates, including those involved in computation of alloy rates and overhead absorption, to prior years and enquired reasons for any significant variations; • On a sample basis, recomputed the value of inventories and the value of self-generated raw materials items using the management's model of valuation, ensuring consistency from previous year; • Inspected management physical verification records for identification of obsolete or damaged inventories and also conducted physical verification of inventory as at 31 March 2021; • Tested arithmetical accuracy of valuation calculations; and • Assessed the appropriateness and adequacy of the related disclosures in the financial statements in accordance with the requirements of applicable accounting standards. |

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

7. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions

of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. Further to our comments in Annexure I, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report dated 27 May 2021 as per Annexure II expressed unmodified opinion; and
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company, as detailed in note 44 to the financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2021;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2021;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021; and
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these financial statements. Hence, reporting under this clause is not applicable.

ANNEXURE I TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO MEMBERS OF UNI-ABEX ALLOY PRODUCTS LTD., ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021.

Annexure I

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (b) All property, plant and equipment have not been physically verified by the management during the year, however, there is a regular program of verification once in three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (which are included under the head 'Property, plant and equipment') are held in the name of the Company.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and stocks lying with third parties. For stocks lying with third parties at the year-end, written confirmations have been obtained by the management. No material discrepancies were noticed on the aforesaid verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Section 186 in respect of investments. Further, in our opinion, the Company has not entered into any transaction covered under Section 185 and Section 186 of the Act in respect of loans, guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii)(a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

Statement of Disputed Dues

| Name of the statute | Nature of dues | Amount (₹ in lakhs) | Amount paid under Protest (₹ in lakhs) | Period to which the amount relates | Forum where dispute is pending | Remarks, if any |

- (viii) The Company has not defaulted in repayment of loans or borrowings to any bank or financial institution or government during the year. The Company did not have any outstanding debentures during the year.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion, the term loan were applied for the purposes for which the loans were obtained, though idle/surplus funds which were not required for immediate utilisation have been invested in liquid investments, payable on demand.
- (x) In our opinion, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) Managerial remuneration has been paid and provided by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO MEMBERS OF UNI ABEX ALLOY PRODUCTS LTD., ON THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31 MARCH 2021

Annexure II

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Uni-Abex Alloy Products Limited ('the Company') as at and for the year ended 31 March 2021, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to

permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2021

1. Corporate information

Uni-Abex Alloy Products Limited (the 'Company') is a company domiciled in India, incorporated under the Companies Act, 2013. The Company is listed on the Bombay Stock Exchange (BSE). The Company produces static, centrifugal castings and assemblies in heat and corrosion resistant alloys and is a leader in alloy steel castings for decanters and reformer tubes. The Company has its registered office at Liberty Building, Sir Vithaldas Thackersey Marg, Mumbai and its plant at Thane and has set up Greenfield project at Dharwad which is operational since November, 2013.

2. Basis of preparation

The financial statements prepared by the management of the Company comprises of the balance sheet as at 31 March 2021, the statement of profit and loss, the statement of cash flows for the year then ended, the statement of changes in equity as at 31 March 2021, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "financial statements")

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The balance sheet, the statement of profit and loss and the statement of changes in equity are prepared and presented in the format prescribed in the division II of schedule III to the Act. The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The financial statements have been prepared on a going concern basis under the historical cost basis except for the following –

- Certain financial assets and liabilities have been measured at fair value (refer accounting policy regarding financial instruments); and
- Defined benefit plans – measured using actuarial valuation.

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below. These were used throughout all periods presented in the financial statements.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Based on the nature of business carried out by the Company, the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as not exceeding twelve months. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities respectively.

Use of critical estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make estimates, assumptions and exercise judgement in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amounts of income and expenses during the year.

The management believes that these estimates are prudent and reasonable and are based upon the management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialised.

Below is an overview of the areas that involved a high degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

- **Useful lives of property, plant and equipment**

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation/amortisation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end.

- **Recoverability of deferred tax assets**

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. Significant judgement is involved in determining whether there will be sufficient taxable profits in the future to recover deferred tax assets.

- **Defined benefit obligation**

The cost of post-employment benefits is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long-term nature of these plans such estimates are subject to significant uncertainty. The assumptions used are disclosed in Note 37 to these financial statements.

- **Fair value measurements**

Management applies valuation techniques to determine the fair value of financial instruments, investment property and certain property, plant and equipment where active market quotes are not available. This involves developing estimates and assumptions consistent with how market participants would price the instrument.

- **Impairment of assets**

In assessing impairment, management estimates the recoverable amounts of each asset (in case of non-financial assets) based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future cash flows and the determination of a suitable discount rate.

- **Income tax** – Significant judgments are involved in determining the provision for income tax, including the amount expected to be paid or recovered in connection with uncertain tax positions.

- **Provisions** – Provisions are recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding defined benefit plan and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

3. Summary of significant accounting policies

c. Revenue recognition

a. Sale of products

The Company manufactures and sells a range of alloy products. Revenue is recognised when control of the products is transferred, being when the products are delivered to the customer, and there is no unfulfilled obligation that could affect the customer's acceptance of the products.

Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence

and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract, the acceptance provisions have lapsed, or the Company has objective evidence that all criteria for acceptance have been satisfied.

Amounts disclosed as revenue are net of returns, trade allowances, rebates and discounts, goods and service tax and other applicable taxes, which are collected on behalf of the government or on behalf of third parties.

A receivable is recognised when the products are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

The Company does not expect to have any contracts where the period between the transfer of the promised products or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

ii. Interest and Dividend

Interest income is recognised on an accrual basis using the effective interest method. Dividends are recognised at the time the right to receive the payment is established.

iii. Export benefits/incentives

Export benefits / incentives are accounted on accrual basis in accordance with various government schemes in respect thereof and are shown under "Other operating revenue".

iv. Other income

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

b. Leases

The Company as lessee

The Company's leased assets primarily consist of leases for building. The Company assesses whether a contract contains lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset;
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset (ROU) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a lease term of twelve months or less (short-term leases) and low value leases.

For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liabilities adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

The lease liabilities is initially measured at the present value of the fixed lease payments including variable lease payments that depend on an index or a rate. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate of the Company.

Lease liabilities and ROU asset have been separately presented in the balance sheet and lease payments have been classified as financing cash flows.

The Company as lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

For operating leases, rental income is recognised on a straight-line basis over the term of the relevant lease.

c. Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income ('OCI') or directly in equity.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act. Current income-tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the balance sheet date. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in the OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in the OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off such amounts.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during specified period.

d. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Recognition, initial measurement and derecognition

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities.

The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows under an eligible transaction.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

ii. Classification

For the purpose of subsequent measurement, financial assets are classified into the following categories upon initial recognition:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)

- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)
- Equity instruments measured at fair value profit or loss (FVTPL)

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

1. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
2. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (the "EIR") method. The EIR is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.

Debt instruments at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

1. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
2. The asset's contractual cash flows represent SPPI.

The Company does not have any debt instruments classified in FVTOCI category.

Debt instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

The Company does not have any debt instruments classified in FVTPL category.

Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL with all changes recognised in the statement of profit and loss.

For all other equity instruments, the Company may make an irrevocable election to present in the OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividends and impairment loss, are recognised in OCI. There is no recycling of the amounts from the OCI to the statement of profit and loss, even on sale of the investment. However, the Company may transfer the cumulative gain or loss within categories of equity.

Currently, all investments in equity shares are classified as FVTPL. There are no equity instruments classified as FVTOCI.

iii. Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the EIR of the instrument. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL impairment loss allowance (or reversal) recognised during the year is recognised as income/ expense in the statement of profit and loss.

iv. Classification and subsequent measurement of financial liabilities

All financial liabilities are recognised initially at its fair value, adjusted by directly attributable transaction costs.

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. The Company does not have any financial liabilities classified at fair value through statement of profit or loss.

Financial liabilities measured at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

e. Equity shares

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

f. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts and cash credits as they are considered an integral part of the Company's cash management.

g. Property, plant and equipment (including capital work-in-progress)

Property, plant and equipment are stated at cost less accumulated depreciation/amortisation and accumulated impairment losses, if any. The cost of property, plant and equipment includes interest on borrowings attributable to acquisition of qualifying assets up to the date the asset is ready for its intended use. Further cost also includes inward freight and expenses incidental to acquisition and installation, net of tax credits up to the point the asset is ready for its intended use. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Property, plant and equipment acquired but not ready for use or assets under construction are classified under capital work in progress and are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets, and are recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

h. Intangible assets

Intangible assets include computer software which is stated at cost less accumulated amortisation.

Amortisation method, useful life and residual value are reviewed periodically and, when necessary, revised.

Gains or losses arising on the disposal of intangible assets are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

i. Depreciation

Depreciation is provided on property, plant and equipment on pro rata basis for the period of use, on the written down value method (WDV) as per the useful life of the assets prescribed under Schedule II to the Companies Act, 2013, which is in line with the management's estimate of useful life, except for moulds. Cost of moulds are capitalised and amortised over the period of 36 months which is the estimated useful life of the mould.

Freehold land is not depreciated. Depreciation on assets under construction commences only when the assets are ready for their intended use.

Depreciation method, useful life and residual value are reviewed periodically and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use.

j. Investment property

Investment property are those that are held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company in a period exceeding 1 year and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Investment property are depreciated using the WDV method over their estimated useful lives, based on the rates prescribed under Schedule II to the Companies Act, 2013.

k. Impairment of non-financial assets

The carrying amount of the non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal /external factors. An impairment loss is recognised whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Impairment loss is recognised in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there were no impairment.

l. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

m. Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

n. Employee benefits

• Defined contribution plans

Provident fund benefit is a defined contribution plan under which the Company pays fixed contributions into funds established under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution.

• Defined benefit plans

Gratuity is a post-employment benefit defined under The Payment of Gratuity Act, 1972 and is in the nature of a defined benefit plan. The employees are covered under the gratuity cum life assurance scheme with the Life Insurance Corporation of India ('LIC'). The defined benefit/obligation is calculated at or near the reporting date by an independent actuary using the projected unit credit method. The liability recognised in the financial statements in respect of gratuity is the present value of the defined benefit obligation at the reporting date, together with adjustments for unrecognised actuarial gains or losses and past service costs.

Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding

amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in measurement of net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit and loss in subsequent periods.

- **Other long-term employee benefits**

Liability in respect of compensated absences is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

- **Short-term employee benefits**

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

o. Inventories

Raw material

Valuation of raw material is done on first-in first-out basis, however the valuation of "Turnings, Chips, foundry return and Billets" (internal generated scrap) is done based on alloy rate derived using management model for valuation.

Cost of inventory in raw material comprises cost of purchase and other costs incurred in bringing the inventories to their present condition and location. Trade discount, rebates and other similar items are deducted in determining the cost of purchase. Costs are assigned to individual items of inventory on the basis of first-in first-out basis.

Work-in-progress ("WIP") and Finished goods ("FG")

Inventories of Work-in-progress ("WIP") and Finished goods ("FG") are valued at the lower of cost or net realisable value.

Stores and spares

Stores and spares are stated at cost and are charged to the statement of profit and loss, when consumed.

p. Provisions, contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimate of the amount required to settle the obligation at the date of the balance sheet. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognised in the financial statements. However, it is disclosed only when an inflow of economic benefits is probable.

q. Foreign currency transactions and translations

Functional and Presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss. All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

r. Earnings per share

Basic earnings per share are computed by dividing net profit after tax (excluding other comprehensive income) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share after considering the income tax effect of all finance costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share.

s. Operating segments

An operating segment is a component of a Company that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relates to transactions with any of the Company's other components, for which discrete financial information is available, and such information is regularly reviewed by the Company's Chief Operating Decision Maker (CODM) to make key decision on operations of the segments and assess its performance.

t. Rounding off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(b) Estimation of fair value

The fair value of investment property have been determined by an independent valuer, who has professional experience as well as adequate expertise of the location and category of the investment property. The value is determined based on the rate prescribed by government authorities for commercial property. The resultant fair value estimates for investment property is included in level 2.

37 Employee benefits

A. Defined contribution plan - Provident fund

The Company makes contribution towards provident fund to a defined contribution retirement benefit plan for qualifying employees. The Company's contribution to the Employees Provident Fund is deposited with the Regional Provident Fund Commissioner. Under the Scheme, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit scheme to fund the benefits.

The Company recognised ₹16.90 lakhs (31 March 2020 - ₹14.39 lakhs) for provident fund contribution in the statement of profit and loss. The contribution payable to the plan by the Company is at the rate specified in rules to the scheme.

B. Defined benefit plan for gratuity and compensated absences

The Company's employees are covered under the group gratuity cum life insurance scheme with the Life Insurance Corporation of India (LIC). Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The assets recognised in the balance sheet in respect of gratuity is the fair value of plan assets less present value of the defined benefit / obligation at the balance sheet date, together with the adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit / obligation are calculated at or near the balance sheet date by an independent actuary using the projected unit credit method.

The Company has a defined benefit gratuity plan. Every employee who has completed continuous services of five years or more gets a gratuity on death or resignation or retirement at 15 days salary (last drawn salary) for each completed year of service.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and the amount recognised in the balance sheet for the defined benefit plan.

The financial statement are sensitive to the actuarial assumptions. The changes to the Defined Benefit Obligations for increase and decrease of 1% from assumed salary escalation, withdrawal and discount rates are given below. The following table summarises the effects of changes in these actuarial assumptions on the defined benefit liability as at 31 March 2021 and 31 March 2020.

| | (₹ in Lakhs) | | | |
|--|---------------------|-------------------|---------------------|-------------------|

| Particulars | Increase by 1% | Decrease by 1% | Increase by 1% | Decrease by 1% |
| Discount rate | | | | |
| (Decrease) / Increase in the defined benefit liability | (71.62) | 87.17 | (57.16) | 70.11 |
| Salary escalation rate | | | | |
| Increase/ (decrease) in the defined benefit liability | 87.67 | (71.07) | 70.52 | (56.72) |
| Withdrawal Rates | | | | |
| (Decrease) / Increase in the defined benefit liability | (79.92) | 77.30 | (64.09) | 61.86 |

The present value of the defined benefit obligation calculated with the same method (projected unit credit) as the defined benefit obligation recognised in the balance sheet. The sensitivity analysis is based on a change in one assumption while not changing any other assumptions. This analysis may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another since some of the assumptions may be co-related.

(ii) Fair value hierarchy and methods of valuation

(a) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the balance sheet are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs)..

| Equity Shares | 1.25 | - | - | 1.25 |
| Total | 1.25 | - | - | 1.25 |

Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- The use of quoted market prices for investments in equity shares
- The fair values for instruments at amortised cost are based on discounted cash flows using a discount rate determined based on market interest rate for an equivalent instrument.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and cash equivalents, trade receivables, trade payables, other financial assets/ liabilities, short term loans from banks approximate their carrying amounts largely due to short term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying values. The fair values for security deposits is calculated based on cash flows discounted using a current lending rate, however the change in current rate does not have any significant impact on fair values as at the current year end.

40 Financial risk management

Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements:

| Risk | Exposure arising from | Management |
|-----------------------------|---|---|
| Credit risk | Cash and cash equivalents, other bank balance, trade receivables, other financial assets measured at amortised cost | Bank deposits, diversification of asset base, credit limits and collateral. |
| Liquidity risk | Borrowings, trade payable and other financial liabilities | Availability of committed credit lines and borrowing facilities |
| Market risk - interest rate | Borrowings at variable rates | Borrowings taken at floating rates |
| Market risk - price | Investment in equity securities | Portfolio diversification |

The Company's risk management is carried out under policies approved by the Board of Directors. The Board of Directors provide written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, market risk, credit risk and investment of excess liquidity.

A Credit risk

Credit risk is the risk that a customer or counter party to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks and financial institutions, security deposits, loan given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets at at the reporting date.

The Company continuously monitors defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into the credit risk controls. Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used to assess credit worthiness of such parties.

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. Trade receivables consist of large number of customers in various geographical areas. The Company has very limited history of customer default, and considers credit quality of trade receivables that are not past due or impaired to be good.

The credit risk for cash and cash equivalents, bank deposits, investment and loans is considered negligible, since the counterparties are reputable organisations with high quality external credit ratings.

B Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

C Market risk - foreign exchange

The Company is exposed to foreign exchange risk arising from foreign currency transactions, with respect to transactions in US Dollar, GBP and Euro. The risk primarily relates to fluctuations in trade payables and trade receivables denominated in US Dollar, GBP and Euro against the functional currency of the Company.

In respect of the foreign currency transactions, the company does not hedge the exposures since the management believes that the same is insignificant in nature.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2021

Foreign currency risk exposure:

The Company's exposure to foreign currency risk at the end of the reporting period expressed are as follows:

(₹ in Lakhs)

| EUR | 3.67% | 24.49 | (24.49) | 3.44% | 21.49 | (21.49) |

D Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimise the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company, interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

E Price risk

Exposure

The Company's exposure to price risk arises from investments in equity shares held by the Company and classified in the balance sheet as fair value through profit or loss. To manage its price risk arising from investments, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

Sensitivity:

The table below summarises the impact of increases/decreases of the index on the Company's profit after tax for the period. The analysis is based on the assumption that the price of the instrument has increased by 2% or decreased by 2% with all other variables held constant.

41 Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

The management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in the economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

42 Leases

The Company has taken office premises on operating lease for the period 4 years and 6 months with an option to renew the lease by mutual consent on mutually agreeable terms.

Effective 1 April 2019, the Company adopted Ind As 116 "Leases" using the modified retrospective method and applied the standard to lease contracts on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application.

The adoption of the new standard Ind AS 116, resulted in recognition of 'Right of Use' (ROU) asset of ₹71.93 lakhs (carrying amount as at 31 March 2021 - ₹45.10 lakhs and 31 March 2020 - ₹60.77 lakhs) and a lease liability of ₹68.55 lakhs (carrying amount as at 31 March 2021 - ₹49.64 lakhs and 31 March 2020 - ₹61.80 lakhs). Ind AS 116 will result in an increase in cash in flows from operating activities and an increase in cash out flows from financing activities on account of lease payments.

The weighted average incremental borrowing rate applied to lease liabilities is 9.95%.
