4.	Frequency of qualification	Whether appeared first time: NO, it is appearing since 31-03-2008.
5.	Draw attention to relevant notes in the annual financial statements and management response to the qualification in the directors report:	Audit Report is on page 14 and reply of the Management in Directors report is on page 6 and Note No.26 is on page 25.
6.	Additional comments from the board/audit committee chair:	The matter relates to recovery of old outstanding dues of the Company outstanding since 1999 from Public sector Oil Companies and are being contested by the Company in arbitration proceedings and also before Supreme Court of India. The arbitrator in respect of decision on the same matter in other Companies had given favourable decision but latter on decision of the arbitrator stayed by Higher Courts. However based on the legal advice in the matter the Audit Committee and the Board of the Company formed an opinion that 40 % of the amount which is under litigation is good for recovery and based upon such best judgement, no provision in accounts was made for the amounts of Rs. 1,29,82,571/- for the said reason. The Statutory Auditors are in disagreement with the opinion of the Company and hence they have qualified the Audit Report. In their view the amount of outstanding is quite old and hence were of the opinion that it should be provided for in the books of the accounts of the Company.
