MANAGEMENT DISCUSSION & ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian economy is estimated to have recorded a growth of 8.5% during 2010-11 following on the 7.3% growth achieved in the previous year, clearly emphasizing that India's high growth is sustainable in this phase of development.

The bicycle industry in India grew at a higher rate of 9% in 2010-11 on account of increasing individual incomes and higher aspiration levels of the middle income group. Growth in the "specials segment" (Sport Light Roadster, mountain terrain bike and children's bicycles) was higher than in the "standard segment."

India is the largest producer of bicycles next only to China. It Produces around 1.70 crore bicycles every year; with almost each day witnessing new designs, colours and features. Today, the Indian bicycle manufacturing and bicycle parts industry is widely recognized for its quality standards in the international market.

The Indian bicycle industry is currently in the midst of making endeavors for enhanced and increased bicycle exports since the scope for export of Indian manufactured bicycle in the International Market is significant. Exports out of India are largely to Africa and the less developed economies and negligible to western markets Export of bicycles and parts falls within the range of Rs. 800 crore in 2010-11.

M/S Atlas Cycles (Haryana) Limited is a Public Limited Company having presence in bicycles segment with a track record of more than 60 Years, having established brand both in Indian as well as International Market and ranks amongst the three largest cycle manufacturers in the world, with sales of over Rs.7600 million. The company is engaged in manufacturing of bicycles and its components and steel tubes with units at Sonapat, Sahibabad, Malanpur, Bawal and Rasoi.

Apart from rising input costs, cheap Chinese bicycles are also entering in domestic market.

2. OPPORTUNITY AND THREATS

The areas of strength are promoters having long track record, rich experience and strong financial soundness, Atlas Brand is well accepted both in Indian as well as International Market and ranks 3rd largest cycle manufacturer in the world. However, the areas of weaknesses: Rising input cost i.e. prices of sheets, strips, Tyres, Tubes and other related chemicals are governed by external forces including its trend in International Market. Product obsolescence vis-avis non-acceptance of model could adversely affect the revenue stream and profitability. Further these are the major areas under business risk, promoters risk, financial risk and so on. Further volatile steel prices and a new burden of 1% excise duty are a deterrent to the growth of the cycle industry.

3. PRODUCTWISE PERFORMANCE

The company has a recognized Research and Development centre recognized by the Government of India which is continuously working on development of new models and upgrading the present models. The company has introduced a number of new models in the market keeping in view the market trend and customer preference for fancy bicycles. Introduction of new models of fancy bicycle and E-bike has been continuously followed and the sale in this segment has gone up significantly. Further Atlas has widened its product range also.

4. OUT – LOOK

Bicycle Industry is getting more and more competitive and

to compete with the world leaders in producing high class bicycles and tapping export market the Indian bicycle industry needs to incorporate the latest Research and Development facilities and pay special attention to design development.

On the whole, the future of the bicycle industry is very challenging. With the globalization, the domestic market is open to goods and services from global companies because of low tariff. Thus the bicycle industry is facing very challenging time.

Protection is a thing of the past. Only those companies will survive which successfully structure and modernize technology to combat global competitiveness in terms of quality, cost and product development.

5. RISK AND CONCERNS

Small manufacturers in the unorganized sector have set up their units which certainly pose a threat to the organized sector. Cheap import from China supplying cheap and sub-standard products in the market is also threatening our bicycle industry. Steel Prices are changing on regular basis and there is a wide fluctuation in chemical industry and other metals including Nickels, Brass etc., which are governed by some external forces. Further as it is the product of necessity, it is not easy to increase the price on frequent intervals.

6. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

To achieve effectiveness and efficiency of operation, reliability of financial reporting and compliance with applicable laws, rules, and regulations and compliance of significant policies, the Company has a well defined system of internal control throughout the organization. The internal audit department regularly probes the deficiency in operation of internal control and suggest ways to rectify such deficiencies. To improve efficiency and internal control company has introduced Microsoft-Navision 2009, an Enterprise Resource Planning (ERP) system. Due to the total integration, there is a consistent flow of accurate and easy to access data within all the departments.

The company has adequate systems of internal control to provide reasonable assurance that assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded and reported properly.

7. FINANCIAL PERFORMANCE

The company achieved a turnover 765.19.crores during the year compared to Rs. 654.33 crores during the previous year. Income from other sources is 4.09 crores as compared to Rs. 6.03 crores in previous year. Profit after taxation, is Rs. 3.76 crores as compared to 3.81 crores in the previous year.

8. HUMAN RESOURCES & INDUSTRIAL RELATIONS

Regular training as per ISO requirement is being provided at all levels. Cordial relations in the industry are being maintained in all units.

Training at all levels has been a continuous process in the Company. The Company continues to strengthen its human resources. Cordial industrial relations were maintained at all the units. The total manpower strength during the year was approx. 1900 employees.

AUDITORS' REPORT

To the Members of **ATLAS CYCLES (SONEPAT) LIMITED**

- We have audited the attached Balance Sheet of M/S Atlas Cycles (Sonepat) Limited as at 31st March 2011 annexed thereto which we have signed under reference to this report. These Financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- As required by the Companies (Auditors' Report) Order, 2003 issued by the Central Government of India in terms of Section 227 (4A) of the Companies Act, 1956, and on the basis of such checks as we considered appropriate and according to the information and explanation given to us, we state that paragraphs 4 and 5 of the said order do not apply to the company.
- Further to our comments in the annexure referred to in paragraph 3 above, we report that:
 - We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books;
 - The balance sheet profit dealt with by this report is in agreement with the books of account.
 - In our opinion, the balance sheet, profit and loss account and cash flow statement dealt with by this report comply with the mandatory accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956;
 - On the basis of written presentations received from the directors and taken on record by the Board of Directors of the Company, none of the directors is disqualified as on 31st March, 2011, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956;
 - In our opinion and to the best of our information and according to the explanations given to us, the said account together with the notes thereon and attached thereto give in the prescribed manner the information required by the Act and give a true and fair view in conformity with the accounting principles generally accepted in India;
 - In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2011;

AUDITORS' REPORT

To the Members of **ATLAS CYCLES (SAHIBABAD) LIMITED**

- We have audited the attached Balance Sheet of M/S Atlas Cycles (Sahibabad) Limited as at 31st March 2011 annexed thereto which we have signed under reference to this report. These Financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- As required by the Companies (Auditors' Report) Order, 2003 issued by the Central Government of India in terms of Section 227 (4A) of the Companies Act, 1956, and on the basis of such checks as we considered appropriate and according to the information and explanation given to us, we state that paragraphs 4 and 5 of the said order do not apply to the company.
- Further to our comments in the annexure referred to in paragraph 3 above, we report that:
 - We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books;
 - The balance sheet profit dealt with by this report is in agreement with the books of account.
 - In our opinion, the balance sheet, profit and loss account and cash flow statement dealt with by this report comply with the mandatory accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956;
 - On the basis of written presentations received from the directors and taken on record by the Board of Directors of the Company, none of the directors is disqualified as on 31st March, 2011, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956;
 - In our opinion and to the best of our information and according to the explanations given to us, the said account together with the notes thereon and attached thereto give in the prescribed manner the information required by the Act and give a true and fair view in conformity with the accounting principles generally accepted in India;
 - In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2011;
