**22. Foreign Exchange Risk**

The Company is having adequate risk assessment and minimization system in place. The Company has foreign exchange risk as it deals in foreign currencies by importing and exporting of goods. The Company doesn't enter into 100% forward contract to hedge the exchange fluctuations. However, to mitigate these risks the company has a natural hedge against its imports and exports. Also on few occasions the Company enters into forward contracts as well.

**DIVIDEND  
DISTRIBUTION  
POLICY**

**I. PREAMBLE**

Pursuant to the provisions of Regulation 43A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended by Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016, [“Listing Regulations”] vide circular no. SEBI/LAD-NRO/GN/2016-17/008 dated 08th July, 2016, the Board of Directors of the Company have approved and adopted the Dividend Distribution Policy [“Policy”] of the Company.

Regulation 43A of the Listing Regulations makes it mandatory for the top five hundred listed entities based on their market capitalization calculated as on March 31 of every financial year to formulate Dividend Distribution Policy.

The Company being one of the top five hundred listed companies as per the market capitalization as on the last day of the immediately preceding financial year, i.e. 31st March, 2016, frames this Policy to comply with the requirements of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

**II. OBJECTIVE**

This Policy aims to ensure that the Company makes rationale decision with regard to the amount to be distributed to the shareholders as dividend after retaining sufficient funds for the Company’s growth, to meet its long-term objective and other purposes.

This Policy lays down various parameters which shall be considered by the Board of Directors of the Company before recommendation/ declaration of Dividend to its shareholders.

**III. DEFINITIONS**

- a. “Act” shall mean the Companies Act, 2013 including the Rules made thereunder, as amended from time to time.
- b. “Applicable laws” shall mean the Companies Act, 2013 and Rules made thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; as amended from time to time and such other act, rules or regulations which provides for the distribution of Dividend.
- c. “Board” or “Board of Directors” shall mean Board of Directors of the Company, as constituted from time to time.
- d. “Company” shall mean Responsive Industries Limited.
- e. “Dividend” shall mean Dividend as defined under Companies Act, 2013.
- f. “Financial year” shall mean the period starting from 1st day of April and ending on the 31st day of March every year.
- g. “Free reserves” shall mean the free reserves as defined under Section 2 (43) of the Act.

**IV. PARAMETERS GOVERNING THE DISTRIBUTION OF DIVIDEND**

**1. Factors for recommendation/ declaration of Dividend.**

**a. Internal factors (Financial Parameters)**

The Board shall consider the below mentioned financial parameters for the purpose of recommendation/declaration of dividend:

- i. Current year's net operating profit;
- ii. Capital expenditure and working capital requirements;
- iii. Financial commitments w.r.t. the outstanding borrowings and interest thereon;
- iv. Financial requirement for business expansion and/or diversification, acquisition etc. of new businesses;
- v. Provisioning for financial implications arising out of unforeseen events and/or contingencies;
- vi. Past dividend trend.

**b. External Factors**

The Board shall also consider the below mentioned external factors at the time of taking a decision w.r.t recommendation/declaration of dividend:

- i. Applicable laws and Regulations including taxation laws;
- ii. Economic conditions;
- iii. Prevalent market practices.

**2. Circumstances under which the shareholders of the Company may or may not expect dividend.**

The decision to recommend/declare the dividend by the Board of Directors shall primarily depend on the factors listed out at point no. 1 above. However, the shareholders of the Company may not expect dividend in the below mentioned circumstances:

- i. In the event of a growth opportunity where the Company may be required to allocate a significant amount of capital.
- ii. In the event of higher working capital requirement for business operations or otherwise.
- iii. In the event of inadequacy of cash flow available for distribution.
- iv. In the event of inadequacy or absence of profits.

**3. Manner of utilisation of Retained Earnings.**

The Board of Directors of the Company may recommend/declare dividend out of the profits of the Company or out of the profits for any previous year or years or out of free reserves available for distribution of dividend, after consideration of the factors as stated at point no. 1 above. The Company shall ensure compliance with the requirements in this respect as laid down under the provisions of Section 123 of the Act and other Applicable laws.

**4. Other factors to be considered with regard to various classes of shares.**

Presently, the issued share capital of the Company comprises of only one class of equity shares of Re. 1/- each which rank pari passu with respect to all their rights. In the event of the Company issuing any other class(es) of shares, it shall consider and specify the other parameters to be adopted w.r.t. such class(es) of shares.

**V. GENERAL**

- i. Pursuant to the provisions of Section 123 of the Act, Articles of Association of the Company and this Policy, the Board of Directors shall recommend the final dividend, which shall be declared by the Shareholders of the Company at the Annual General Meeting. The Board may also, from time to time, declare interim dividend which shall be subject to confirmation by the Shareholders at the Annual General Meeting.

## Annual Report 2019-20

- ii. The Company shall ensure compliance with the applicable laws w.r.t. payment of dividend to the shareholders. It shall ensure that the amount of the dividend, including interim dividend, is deposited by the Company in a Scheduled bank in a separate account within five days from the date of declaration of such dividend.

**A brief outline of the Company's CSR Policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programmes :**

Responsive Industries Limited believes that the true and full measure of growth, success and progress lies beyond balance sheets or conventional economic indices. It is best reflected in the difference that business and industry make to the lives of people. The Company believes in reaching out to underserved communities and intends to make a positive difference to society and contribute its share towards the social cause of betterment of communities and areas in which the Company operates. The Company also believes in the trusteeship concept. This entails transcending business interests and grappling with the "quality of life" challenges that underserved communities face, and working towards making a meaningful difference to them. At Responsive Industries Limited, our mantra is – We listen. We're responsive.

In this regard, the Company has made this policy which encompasses the Company's philosophy for delineating its responsibility as a corporate citizen and lays down the guidelines and mechanism for undertaking socially useful programmes for welfare & sustainable development of the community at large and is titled as the "CSR Policy" which is based as per the Companies (Corporate Social Responsibility Policy) Rules, 2014 initiated by the Central Government under the relevant provisions of Section 135 of the Companies Act, 2013 and Schedule VII of the said Act.

**Activities under CSR:**

The Company will carry out CSR activities as specified in Schedule VII to the Companies Act, 2013, including any amendments to it but will not be limited to the following:

- Eradicating hunger, poverty and mal-nutrition, promoting health care including preventive health care and sanitation including contribution to the Swachh Bharat Kosh set up by the Central Government for the promotion of sanitation and making available safe drinking water;
- Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects;

# Standalone Financial

**INDEPENDENT  
AUDITOR'S REPORT**

To the Members of Responsive Industries Limited  
Report on the Audit of the Standalone Financial Statements

**Opinion**

We have audited the standalone financial statements of Responsive Industries Limited ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

**Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report there on. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information and in doing so consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the

financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the

reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty.
- exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,

(e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

1. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

With respect to the matter to be included in the Auditors' Report under Section 197(16): In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

**ANNEXURE B TO THE  
AUDITORS' REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Responsive Industries Limited ('the Company') as of 31st March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial control over financial reporting issued by the Institute of Chartered Accountant of India.

## Significant accounting policies

### 1. Company Overview:

Responsive Industries Limited (“the Company”), was incorporated on 13th July, 1982, CIN L65100MH1982PLC027797. The Company is a Public Limited Company incorporated and domiciled in Mumbai, Maharashtra, India and is having its registered office at Village Betagaon, Mahagaon Road, Boisor East, Thane – 401 501. The Company has primary listing in Bombay Stock Exchange Limited (BSE) and National Stock Exchange of India Limited (NSE).

The Company is a major producer and supplier of various articles made out of Plastics / Polymers, which includes products like Vinyl flooring, Rigid PVC, Leather Cloth & Soft Sheeting’s.

### 2. Statement of Significant Accounting Policies:

#### 2.1 Basis of preparation of Standalone Ind AS Financial Statements:

The Standalone Ind AS financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“Act”) read with Companies (Indian Accounting Standards) Rules, 2015 as amended ; and the other relevant provisions of the Act and Rules thereunder.

The Standalone Ind AS financial statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

#### 2.2 Use of estimates:

The preparation of the Standalone Ind AS financial statements of the Company in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the Standalone Ind AS financial statements. These estimates are based upon management’s best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the Standalone Ind AS financial statements in the period in which the estimates are revised in any future periods affected.

#### 2.3 Fair Value Measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities. Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

#### 2.4 Revenue Recognition

Revenue is recognized when it is earned and no significant uncertainty exists as to its realization and when the revenue can be reliably measured. Revenue from sale of goods is recognized when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred to the customers and no effective ownership is retained.

Revenue from the sale of goods is net-off returns, taxes or duties collected on behalf of the government and applicable discounts and rebates. Interest income is recognized using Effective Interest Rate (EIR) method. Revenue in respect of export sales is recognized on the basis of dispatch of goods for exports. (i.e. on the date of Bill of Lading).

Dividend is recognized when right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reasonably. Other Income is accounted for on accrual basis, when certainty of receipt is established.

## **2.5 Inventories**

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Stores and Spares and Packing Materials, are valued at cost or net realizable value, whichever is lower. Materials-in-transit are valued at cost-to-date. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on FIFO basis. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

## **2.6 Property, Plant and Equipment (PPE):**

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company. Spare parts which meet the definition of Property, Plant and Equipment are capitalized as Property, Plant and Equipment. In other cases, the spare part is inventorised on procurement and charged to the Statement of Profit and Loss on consumption.

An item of property, plant and equipment and any significant part initially recognised separately as part of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

## **2.7 Capital Work in Progress**

Cost of assets not ready for use at the balance sheet date is disclosed under capital work-in-progress. Expenditure during construction period is included under Capital Work in Progress & the same is allocated to the respective PPE on the completion of its construction.

## **2.8 Intangible Assets**

Intangible assets acquired are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

### **2.9 Borrowing costs**

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

### **2.10 Depreciation**

Depreciation on Plant, Property and Equipment has been provided on the Straight - Line basis, over the estimated useful lives of assets. The Company provides pro-rata depreciation from the date of addition / up to the date of deletion made during the reporting period. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The cost and related accumulated depreciation are eliminated from the Standalone Ind AS financial statements upon sale or disposal of the asset and the resultant gains or losses are recognized in the statement of Profit and Loss.

The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act, except in case of Plant & Machinery which are depreciated over a useful lives of 20 years based on the technical assessment.

### **2.11 Impairment of Non - financial Assets:**

Non – financial assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is the higher of the assets or Cash Generating Units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

### **2.12 Government Subsidy**

Grants and subsidies from the Government are recognized if the following conditions are satisfied,

- There is reasonable assurance that the Company will comply with the conditions attached to it.
- Such benefits are earned and reasonable certainty exists of the collection.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

## 2.13 Taxes on Income

### a) Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

### b) Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred Tax asset and liability are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled based on rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

## 2.14 Financial Assets

### a) Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

### b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

#### - Debt instruments at Fair value through Other Comprehensive Income (FVTOCI)

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets

- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

### **- Debt instruments at Fair value through profit or loss (FVTPL)**

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

### **- Equity investments**

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI).

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

### **c) Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Company has transferred substantially all the risks and rewards of the asset, or

- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Accumulated gains or losses on equity instruments measured at FVTOCI are never reclassified to the Statement of Profit and Loss.

### **d) Impairment of financial assets**

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial asset measured at amortised cost

- Financial asset measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

## **2.15 Financial Liabilities**

### **a) Initial recognition and measurement**

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

### **b) Subsequent measurement**

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

#### **(i) Financial Liabilities at fair value through profit or loss (FVTPL)**

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

#### **(ii) Financial Liabilities measured at amortised cost**

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

### **c) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

## **2.16 Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

## **2.17 Employee Benefits**

### **a) Short- term employee benefit**

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

### **b) Post- employment obligations**

The Company operates the following post – employment schemes:

1. Defined benefit plans such as gratuity, and
2. Defined contribution plans such as provident fund.

**Gratuity Obligation:**

Provision for Gratuity is recorded on the basis of actuarial valuation certificate provided by the actuary using Projected Unit Credit Method. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss. When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

**Defined Contribution Plans**

Defined Contribution Plans such as Provident Fund, etc. are charged to the Statement of Profit and Loss as incurred.

**2.18 Foreign Currency Transactions:****a) Functional and Presentation Currency:**

The Standalone Ind AS financial statements are presented in Indian rupees which is the functional currency for the Company. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

**b) Monetary items:**

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items (except for long term monetary items taken prior to April 1, 2016) are recognised in Statement of Profit and Loss either as Profit or Loss on foreign currency transaction and translation or as borrowing costs to the extent regarded as an adjustment to borrowing costs.

The Company has elected to continue the policy adopted under previous GAAP for accounting the foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items outstanding as on 31st March, 2016 i.e. foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items relating to acquisition of depreciable assets are adjusted to the carrying cost of the assets and depreciated over the balance life of the asset and in other cases, if any, accumulated in "Foreign Currency Monetary Item Translation Difference Account" and amortised over the balance period of the asset or liability.

**c) Non – Monetary items:**

Non- monetary items that are measured in terms of historical cost in a

foreign currency are translated using the exchange rates at the dates of the initial transactions.

#### **2.19 Provisions, Contingent Liabilities and Capital Commitments**

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost. Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized in the Standalone Ind AS financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

#### **2.20 Earnings per Share**

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

#### **2.21 Classification of Assets and Liabilities as Current and Non-Current:**

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act

#### **2.22 Cash and Cash equivalents**

Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

#### **2.23 Cash Flows**

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

#### B. Measurement of fair values

Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

## Financial instruments measured at fair value

Type	Valuation Technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Non current financial assets and liabilities measured at amortised cost	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.	Not applicable	Not applicable

**C. Financial Risk Management****C.i. Risk management framework**

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the Company's operational and financial performance.

**C.ii. Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

**(a) Trade and other receivables from customers**

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

**(b) Cash and cash equivalents and Other Bank Balances**

The Company held cash and cash equivalents and other bank balances of Rs. 152.03 million at 31st March 2020 (P.Y. Rs. 135.14 million). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

**C.iii. Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

**C.iv. Market risk**

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

**C.iv.a Currency risk**

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

**Exposure to currency risk**

The currency profile of financial assets and financial liabilities as at March 31, 2020, March 31, 2019 are as below:  
(Rs in million)

31st March, 2020	USD
<b>Financial assets</b>	
Bank Balances other than Cash and Cash Equivalents	-
Trade receivables	14.76
<b>Net exposure for assets</b>	<b>14.76</b>
<b>Financial liabilities</b>	
Short Term Borrowings	16.72
Trade and other payables	2.18
<b>Net exposure for liabilities</b>	<b>18.90</b>
<b>Net exposure (Assets - Liabilities)</b>	<b>(4.14)</b>

(Rs in million)

31st March, 2019	USD
<b>Financial assets</b>	
Bank Balances other than Cash and Cash Equivalents	-
Trade receivables	10.54
<b>Net exposure for assets</b>	<b>10.54</b>
<b>Financial liabilities</b>	
Foreign Currency Borrowings (Including Current Maturities)	-
Short Term Borrowings	10.78
Trade and other payables	-
<b>Net exposure for liabilities</b>	<b>10.78</b>
<b>Net exposure (Assets - Liabilities)</b>	<b>(0.24)</b>

**Sensitivity analysis**

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

**Impact of movement on Profit or (loss) and Equity :**

(Rs in million)

Profit or (loss) and Equity		
Effect in INR (before tax)	Strengthening	Weakening
<b>For the year ended 31st March, 2020 1% movement</b>		
USD	(3.13)	3.13
	(3.13)	3.13
<b>For the year ended 31st March, 2019 1% movement</b>		
USD	(0.17)	0.17
	(0.17)	0.17

**C.iv.b Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

**Exposure to interest rate risk**

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

(Rs in million)

Particulars	31-Mar-20	31-Mar-19
Packing Credit Foreign Currency Loans	871.36	745.43
EBRD (Post Shipment) Loan	393.67	-
Cash Credit Loan	392.22	329.46
<b>Total of Variable Rate Financial Liabilities</b>	<b>1,657.25</b>	<b>1,074.88</b>

**Cash flow sensitivity analysis for variable-rate instruments**

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

(Rs in million)

Cash flow sensitivity (net)	Profit or loss	
	50 bp increase	50 bp decrease
<b>INR</b>		
<b>31st March 2020</b>		
Variable-rate loan instruments	(8.29)	8.29
<b>Cash flow sensitivity (net)</b>	<b>(8.29)</b>	<b>8.29</b>
<b>31st March 2019</b>		
Variable-rate loan instruments	(5.37)	5.37
<b>Cash flow sensitivity (net)</b>	<b>(5.37)</b>	<b>5.37</b>

**C.iv.c Other price risk**

The Company invests its surplus funds in various Equity and debt instruments . These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

# Consolidated Financial

**Report on the Audit  
of the Consolidated  
Financial Statements****To the Members of Responsive Industries Limited  
Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the Consolidated financial statements of Responsive Industries Limited (“herein referred to as the Holding Company”) and its subsidiaries (including step down subsidiaries) (Holding Company & its subsidiaries (including step down subsidiaries) together referred to as “the Group”), which comprise the consolidated balance sheet as at 31st March 2020, and the consolidated statement of Profit and Loss (including other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of other auditors on separate financial statements/consolidated financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (consolidated financial position) of the Group as at March 31, 2020, and its consolidated profit, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

**Information other than the Consolidated Financial Statements and Auditor’s Report thereon**

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor’s report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information and in doing so consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern

basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

(a) We did not audit the financial statements of one foreign subsidiary and three step down foreign subsidiaries included in the audited consolidated financial results, whose annual financial statements reflect total assets of Rs 3862.30 million as at 31 March 2020, net assets of Rs 3862.19 million as on that date, total revenue (including Other income) of Rs (0.05) million for the year ended on that date and net cash inflows of Rs. 139.62 million for the year ended on that date. These annual financial statements and other financial information have been audited by other auditors whose report has been furnished to us, and our opinion on the Statement to the extent they have been derived from such annual financial statements, is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we report, to the extent applicable:

a) We have sought and obtained all the information and explanations which to the

best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.

(b) In our opinion, proper books of account as required by law relating to the aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books and the reports of other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of aforesaid Consolidated Financial Statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,

(e) On the basis of the written representations received from the Directors of the Holding Company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

1. There were no pending litigations which would impact the consolidated financial position of the Group.
2. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company.

2. As required by Section 197(16) of the act, based on our audit and on consideration of the reports of the other auditors, on separate financials statements/consolidated financial statements of the subsidiaries, we report that the holding company and one subsidiary covered under the act paid remuneration to their respective directors during the year in accordance with the provisions of and the limited laid down under Section 197 read with Schedule V to the Act to the extent applicable.

**ANNEXURE A TO  
THE INDEPENDENT  
AUDITORS' REPORT**

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Responsive Industries Limited and its subsidiary companies (including step down subsidiary companies), collectively (the Group) as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of the Group, which are companies incorporated in India, as of that date.

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial control, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorizations of management and Directors

of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Group, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## SIGNIFICANT ACCOUNTING POLICIES

### 1. Statement of Significant Accounting Policies:

#### 1.1 Basis of preparation of Consolidated Financial Statements:

The Consolidated Ind AS Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Consolidated Ind AS Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

**The percentage of ownership interest of the Parent Company in the Subsidiary/ Step down Subsidiary Companies is as follows:**

Subsidiary / Step-down Subsidiary	March 31, 2020	March 31, 2019
Axiom Cordages Limited	58.18%	58.18%
Responsive Industries Limited (Hongkong)	100%	100%
Responsive Industries Limited (UAE)	100%	100%
Responsive Industries Limited (Singapore)	100%	NA
Axiom Cordages Limited (Hongkong)	58.18%	58.18%
Axiom Cordages Limited (UAE)	58.18%	58.18%

#### 1.2 Basis of Consolidation:

##### Subsidiary:

Subsidiaries include all the entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns through its involvement in the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are consolidated from the date on which Group attains control and are deconsolidated from the date that control ceases to exist.

**The Consolidated Ind AS Financial Statements have been prepared on the following basis.**

The Consolidated Ind AS Financial Statements of the Company and its Subsidiaries have been combined on a line-by-line basis by adding together the balances of items like Assets, Liabilities, Income and Expenditure after fully eliminating the intra-group balances and intra-group transactions resulting in unrealized profits or losses.

The Consolidated Ind AS Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

Non-Controlling interests in the net assets of the Subsidiary Companies that are consolidated consists of the amount of equity attributable to non-controlling shareholders at the date of acquisition and subsequent addition of their share of changes in equity.

Profit or loss and each component of OCI are attributed to the equity holders of the parent and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

### 1.3 Changes in the proportion held by non-controlling interests

Changes in the proportion of the equity held by non-controlling interests are accounted for as equity transactions. The carrying amount of the controlling interests and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

### 1.4 Use of estimates:

The preparation of the Consolidated Financial Statements of the Group in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the Consolidated Financial Statements. These estimates are based upon management's best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the Consolidated Financial Statements in the period in which the estimates are revised in any future periods affected.

### 1.5 Fair Value Measurement:

The Group measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Group uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

### 1.6 Revenue Recognition

Revenue is recognized when it is earned and no significant uncertainty exists as to its realization and when the revenue can be reliably measured. Revenue from sale of goods is recognized when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred to the customers and no effective ownership is retained.

Revenue from the sale of goods includes excise duty and are net-off returns, taxes or duties collected on behalf of the government and applicable trade discounts and rebates.

Interest income is recognized using Effective Interest Rate (EIR) method.

Revenue in respect of export sales is recognized on the basis of dispatch of goods for exports. (i.e. on the date of Bill of Lading).

Dividend is recognized when right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reasonably.

Other Income is accounted for on accrual basis, when certainty of receipt is established.

**1.7 Inventories**

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Stores and Spares and Packing Materials, are valued at cost or net realizable value, whichever is lower. Materials-in-transit are valued at cost-to-date. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on FIFO basis. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

**1.8 Property, Plant and Equipment (PPE):**

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

Spare parts which meet the definition of Property, Plant and Equipment are capitalized as Property, Plant and Equipment. In other cases, the spare part is inventorised on procurement and charged to the Statement of Profit and Loss on consumption.

An item of property, plant and equipment and any significant part initially recognised separately as part of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

**1.9 Capital Work in Progress**

Cost of assets not ready for use at the balance sheet date is disclosed under capital work-in-progress. Expenditure during construction period is included under Capital Work in Progress & the same is allocated to the respective PPE on the completion of its construction.

**1.10 Intangible Assets**

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible Assets are amortized on a systematic basis over its useful life on straight line basis and the amortization for each period will be recognized as an expense.

**1.11 Borrowing costs**

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange

differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

### **1.12 Depreciation**

Depreciation on Plant, Property and Equipment has been provided on the Straight - Line basis, over the estimated useful lives of assets. The Group provides pro-rata depreciation from the date of addition / upto the date of deletion made during the reporting period. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The cost and related accumulated depreciation are eliminated from the Consolidated Financial Statements upon sale or disposal of the asset and the resultant gains or losses are recognized in the statement of Profit and Loss.

The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act, except in case of Plant & Machinery which are depreciated over a useful lives of 20 years based on the technical assessment.

### **1.13 Impairment of Non - financial Assets:**

Non – financial assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. The recoverable amount is the higher of the assets or Cash Generating Units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

### **1.14 Government Subsidy**

Grants and subsidies from the Government are recognized if the following conditions are satisfied,

- There is reasonable assurance that the Group will comply with the conditions attached to it.

- Such benefits are earned and reasonable certainty exists of the collection.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

### **1.15 Taxes on Income**

#### **a) Current Tax**

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction

either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

**b) Deferred tax**

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred Tax asset and liability are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled based on rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

**1.16 Financial Assets**

**a) Initial recognition and measurement**

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

**b) Subsequent measurement**

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

**- Debt instruments at Fair value through Other Comprehensive Income (FVTOCI)**

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

**- Debt instruments at Fair value through profit or loss (FVTPL)**

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for

categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

### - **Equity investments**

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group decides to classify the same either as at FVTOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI).

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

### **c) Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's Balance Sheet) when.

The rights to receive cash flows from the asset have expired, or

The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Group has transferred substantially all the risks and rewards of the asset, or
- The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Accumulated gains or losses on equity instruments measured at FVTOCI are never reclassified to the Statement of Profit and Loss.

### **d) Impairment of financial assets**

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial asset measured at amortised cost
- Financial asset measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

### **1.17 Financial Liabilities**

#### **a) Initial recognition and measurement**

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

#### **b) Subsequent measurement**

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

#### **(i) Financial Liabilities at fair value through profit or loss (FVTPL)**

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

#### **(ii) Financial Liabilities measured at amortised cost**

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

#### **c) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### **1.18 Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

### **1.19 Employee Benefits**

#### **a) Short-term employee benefit**

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

#### **b) Post-employment obligations**

The Group operates the following post – employment schemes:

1. Defined benefit plans such as gratuity, and
2. Defined contribution plans such as provident fund.

#### **Gratuity Obligation:**

Provision for Gratuity is recorded on the basis of actuarial valuation certificate provided by the actuary using Projected Unit Credit Method.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods,

discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

### **Defined Contribution Plans**

Defined Contribution Plans such as Provident Fund, etc. are charged to the Statement of Profit and Loss as incurred.

## **1.20 Foreign Currency Transactions:**

### **Functional and Presentation Currency:**

The Consolidated Financial Statements are presented in Indian rupees which is the functional currency for the Group. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

### **a) Monetary items:**

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items (except for long term monetary items taken prior to April 1, 2016) are recognised in Statement of Profit and Loss either as Profit or Loss on foreign currency transaction and translation or as borrowing costs to the extent regarded as an adjustment to borrowing costs.

The Group has elected to continue the policy adopted under previous GAAP for accounting the foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items outstanding as of 31st March, 2016 ie. foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items relating to acquisition of depreciable assets are adjusted to the carrying cost of the assets and depreciated over the balance life of the asset and in other cases, if any, accumulated in "Foreign Currency Monetary Item Translation Difference Account" and amortised over the balance period of the asset or liability.

### **b) Non – Monetary items:**

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

## **1.21 Provisions, Contingent Liabilities and Capital Commitments**

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow

of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation

The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized in the Consolidated Financial Statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

### **1.22 Earnings per Share**

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

### **1.23 Classification of Assets and Liabilities as Current and Non-Current:**

All assets and liabilities are classified as current or non-current as per the Group's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act

### **1.24 Cash and Cash equivalents**

Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

### **1.25 Cash Flows**

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

**C. Financial Risk Management**

**C.i. Risk management framework**

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the Company's operational and financial performance.

**C.ii. Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

**(a) Trade and other receivables from customers**

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

**(b) Cash and cash equivalents and Other Bank Balances**

The Company held cash and cash equivalents and other bank balances of Rs. 487.29 million at 31st March 2020 (P.Y. Rs. 235.85 million). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

**Note 36 : Financial instruments – Fair values and risk management (continued)****C.iii. Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted. Maturity Analysis of Significant Financial Liabilities

## Notes to the consolidated financial statements for the year ended March 31, 2020

**C.iv. Market risk**

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

**C.iv.a Currency risk**

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

**Exposure to currency risk**

The currency profile of financial assets and financial liabilities as at March 31, 2020, March 31, 2019 are as below:

**Note 36 : Financial instruments – Fair values and risk management (continued)**

**C.iv.b Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

**Exposure to interest rate risk**

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

(Rs. In Million)

Particulars	As at 31-03-2020	As at 31-03-2019
Packing Credit Foreign Currency Loans	871.36	745.43
EBRD (Post Shipment) Loan	393.67	-
Cash Credit Loan	392.22	329.46
<b>Total of Variable Rate Financial Liabilities</b>	<b>1,657.25</b>	<b>1,074.89</b>

**Cash flow sensitivity analysis for variable-rate instruments**

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

(Rs. In Million)

<b>Cash flow sensitivity (net)</b>	<b>(8.29)</b>	<b>8.29</b>
<b>31st March 2019</b>		
Variable-rate loan instruments	(5.37)	5.37
<b>Cash flow sensitivity (net)</b>	<b>(5.37)</b>	<b>5.37</b>

**C.iv.c Other price risk**

The Company invests its surplus funds in various Equity and debt instruments . These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

### Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.
