INDEPENDENT AUDITOR'S REPORT

To the Members of GAJRA BEVEL GEARS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **GAJRA BEVEL GEARS LIMITED** ("the Company"), which comprises the Balance Sheet as at March 31, 2020, the statement of Profit & Loss (including Other Comprehensive Income), the statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2020, the loss and total comprehensive income, changes in equity and its cash flows of the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements as per the ICAI's Code of Ethics and the provisions of the Companies Act, 2013, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on the Matter

- ***Company has accumulated losses which has eroded the entire new worth of the Company and made the Company financially sick. Based on the audited financial statements as on 30.09.2008, the Company had filed a reference under section 15(1) of the SIC (SP) Act, 1985 with the BIFR and same is registered as case no. 27/2009 on 30.07.2009. The BIFR wide its order issued during the hearing held on 06.01.2010 declared the Company as SICK INDUSTRIAL COMPANY in terms of section 3(1)(o) of Sick Industrial Companies (Special Provisions) Act, 1985. During the course of pendency of reference with BIFR, the management of Company has settled the loan accounts of State Bank of India, IFCI, IDBI, MPSIDC and MPAVN as well as made full and final payments as per the terms of OTS. OTS with Madhya Pradesh Financial Corporation's term loan is still in process.***

- ***By notification no. 50 388(E) dated 25.11.2016, the SICA Repeal Act, 2003 has been notified w.e.f. 01.12.2016 and as per section 252 read with schedule VIII of the Insolvency and Bankruptcy Code, 2016. The reference filed with the BIFR/ABIFR is abated and the Company may file a fresh reference before NCLT within 180 days from the date i.e., 31.05.2017, but the Company has still not filed any reference.***

- ***Company's fixed assets other than leasehold land & building, have been depreciated to their full value prior to the applicability of the Companies Act, 2013. Management is of the view that these assets do not hold any recoverable / salvage value, hence there is no need to write back the depreciation and recognize assets at their salvage value, as required under the Companies Act, 2013.***

- ***As stated in Note 8 of the financial statements, Company's debtors are classified under doubtful, as they are pending for a long time and are covered under the provisions of the Limitation Act, 1963. In our opinion 100% provision against the recovery of the same needs to be made in financial statements. However, as per information & explanation given to us by the management, since chances of recovery of such claims can not be denied, no such provision has been made in the financial statements.***

- ***Event occurring after the reporting period:***

  A Corporate debtor of the Company, M/s. Abhimanyu Agro Private Limited has initiated proceedings against the Company under Insolvency & Bankruptcy Code, 2016, whereby the application has been accepted by the Adjudicating Authority. The Company is under the Corporate Insolvency Resolution Process ('CIRP') under the provisions of the Insolvency & Bankruptcy Code, 2016 ('the Code') vide order dated 12.06.2020 passed by the National Company Law Tribunal ('NCLT') & Mr. Navin Khandelwal, having Insolvency Professional Registration No. IBBI/IPA-001/IP-P00703/2017-18/11301 has been appointed as Interim Resolution Professional.

Material Uncertainty Related to Going Concern

We draw attention to Note No. 23 in the financial statements, which indicates that the Company has ceased its commercial operation & production since 31st October 2006. In addition to this, it was declared as Sick Industrial Company in terms of section 3(1)(o) of Sick Industrial Companies (Special Provisions) Act, 1985 on 06.01.2010. This indicates that material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. We have determined that in addition to the matter reported in 'Material Uncertainty Related to Going Concern' para, there are no key audit matters to communicate in our report.

Information other than the Financial Statements & Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including annexures to Board's Report, and other information included in Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

Pursuant to events occurring after reporting period, the Company is under the CIRP under the provisions of the Insolvency & Bankruptcy Code, 2016 ('the Code') vide order dated 12.06.2020 passed by the NCLT. The powers of the Board of Directors stand suspended as per Section 17 of the Code and such powers are being exercised by the Interim Resolution Professional appointed by the NCLT by the said order under the provisions of the Code. As per section 20 of the Code, the management & operations of the Company are being managed by the Interim Resolution Professional after the date of commencement of the CIRP. However, during the reporting period, the board was active and functioning.

The management is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The management is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal & Regulatory Requirements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance With generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
