Dear Shareholders

It is my privilege to present the 108th Annual Report of your company. We have had a year when market sentiments improved, but tangible change in the business environment remained elusive.

The results of the FY 2015-16 showed marginal rise in Revenues compared to the previous year. Income for the year is Rs.8207 lakhs as against Rs.7538 lakhs in the previous year. The year ended up in the Loss before Tax Rs.195 lakhs as against Profit before Tax Rs.104 lakhs in the previous year. The Board of Directors has recommended a dividend of 10% (Re. 1/- per share).

The FY 2015-16 began on high hopes of capital goods sector investments expected to kick start, but it did not materialize as expected. Your Company made all preparation to seize the opportunity but we may have to wait longer to reap the benefits of all improvements made.

With a hope of market pick up, we are sharpened our focus, strengthened our sales team and increased our reach and penetration. All this materialize in 15-20% annualized revenue growth in next 3-5 years. We have successfully implemented CRM and coming years should see benefits arising out of same. GST is expected to be rolled out in near future which will bring tremendous opportunities for the Material Handling Division.

In **Engineered Products Division**, where we mainly operate in Government Segments (Defense, Education, R&D Labs etc.) and Private Segments (Auto, Engineering, FMCG etc), the business sentiment continues to be mixed. During the year, we focused more on technical service business i.e. Instruments Calibration, Flow & Testing services. We expect to perform better in the coming years.

The **Material Handling Division** did slightly better over the previous year. Global competition, organized and un-organized players continue to exert heavy pressure on the prices. We have focused on implementation of lean manufacturing practices, making jigs and fixtures in fabrication for product quality improvements and production process improvements. We are now filling the gaps in product basket, improving reach and penetration with customers. We expect to do good growth in this Division.

Human Resources and Talent Management has always been the priority of your company. Training, system and process focus, better employee engagement and sharper accountability culture continue to be our thrust areas going forward. We are now also considering an ESOP scheme for our key employees, to align employee goals with the company's goals. We will be able to share details of this in our next letter.

I would like to thank all our employees, customers, vendors, business associates, Members of our Board, Shareholders and all the people associated with the company for their support and faith in Josts.

With best wishes

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF JOST'S ENGINEERING COMPANY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of JOST'S ENGINEERING COMPANY Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the Orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of

unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".
