Chairman's Message

Dear Shareholders,

I welcome you all to the 55th Annual General Meeting of your Company, **Mangal Credit and Fincorp Limited**. Last year witnessed interesting developments across the global economy. After a long spell of stagnation and de-growth, green shoots of economic upswing are appearing for the world economy. According to the International Monetary Fund, global economic activity led by emerging markets and developing economies should pick up pace in FY 2017 and FY 2018. Asian economies led by India are picking up speed as policy and consumption led tailwinds have given businesses a positive fillip. Indeed, India with a 7.1% growth rate in FY 2016-17 along with China's growth rate of 6.7% for 2016 and promising to continue the trend into FY 2017-18 will remain the epicenter of action. In India, a fundamental premise of optimism stemmed from its strong socio-economic reforms that were peppered with events that will reset our country's economic direction in a transformational manner. The Indian economy finished on satisfied note even after challenging world economy in the fiscal year 2016-2017.

In the face of challenges to domestic growth across countries, doubts on the very concept of globalization have surfaced. This has led to demand for reversing progress towards a barrier free world trade. The new world, however, has come a long way under globalisation and collaboration and have redefined the modern economy. Technology has dropped the barriers irreversibly and disruption through innovation is the norm which is rewriting the very rules of conducting business. Businesses which leverage innovation to deliver the best solution in the ever-changing global arena will triumph. In this backdrop, relentless pursuit of sustainable and inclusive growth and redistribution of wealth are of critical importance if the destination of a global village that the world embarked under globalisation is to be met. We at MCFL, will remain committed to promoting inclusiveness and sustainability in our business and play a positive role as a corporate citizen.

DEMONETISATION TO DIGITISATION

We have great pleasure to present before you the performance of your Company for the financial year 2016-17. The geographical expansion undertaken by the Company will help in improving in the coming years also.

During the year 2016-17, your Company reported consolidated revenue of ₹ 7921.56 lacs as compared to the previous year's

consolidated revenue of ₹ 14341.52 lacs. This resulted in a consolidated Profit of ₹ 401.89 lacs vis--vis a consolidated Profit of ₹ 140.80 Lac in FY 2015-16.

Economic Outlook

India is powering ahead as the world's fastest growing major economy and looking forward to minimize NPA,s (Non-performing Assets) of banking sectors and NBFC,s to improve the financial conditions of the Companies/Banks., the World Bank Economic Survey has pegged India's GDP growth at 7.6% in 2017-18 and 7.8% in 2018-19. Owing to a shift in consumer behaviour and expenditure pattern, India is expected to be the third largest consumer economy in the world by 2025, as its consumption is expected to triple to US\$ 4 trillion by 2025.

Your Company continues to view its markets, marketing, and investment plans through the broad lens of addressing the needs of new India that is emerging beyond the existing sectors.

Performance

A Strong performance of any organization is always enabled by the aspiration, will and efforts of its employees, Mangal Credit and Fincorp Limited and its employees are committed to building a bigger, bolder and smarter company which never loses sight of its customers. I am Happy to share that the initiatives during the year review demonstrated this bigger, bolder and smarter thinking which is based on strong customer insight.

Fiscal year 2016-17 was also challenging, but the company has successfully maintained its profit after tax 269.87 Lacs as compared to 109.72 Lacs in the previous year.

As a responsible company, Mangal group has substantially increased its community initiatives with various projects by involving its employees as well. The Company has also managed to declare a dividend of 0.25 (twenty five paise) per equity share 2.5% of ₹10/- each for the year ended March, 2017.

Looking Forward

The parliament took a decisive step towards a possible roll out of Goods and Services Tax (GST) on July 1, 2017 by passing the four related legislations on GST. The state governments will have to pass the GST law in their respective state assemblies. GST will be a single levy to replace multiple central and state taxes to make the country a seamless national market and is expected to boost india,s growth rate.

According to RBI, GVA growth is projected to strengthen to 7.4% in 2017-18. Inflation is expected to average 4.5% in the first half and 5 % in the second half of the FY 2017-18.

Mangal Group of Company looking forward to adopt innovative business model especially in the area of entertainment and infrastructure development through its subsidiaries or through its associate Companies. Your Company also laid down the foundation for a robust ecommerce plan to drive the sales of its products and solutions.

I began with a reference to our resilience. Recent challenges have helped us evolve into a more risk-focused and resilient organization and with the recent experiences in mind, we will continue to operate with caution and prudence.

I am indebted to all our stakeholders-the distinguished shareholders, employees, our lending banks and financial institutions, our foreign and domestic investors, the regulatory bodies, and the government-for their support and guidance.

MANGAL has put its best efforts towards expansion of business activities from the funds raised through preferential issue and also planning to utilize the maximum resources available with the Company to improve financial ratios of the Company.

Powered by the contributions and good wishes of all its stakeholders, MANGAL is well positioned to achieve its true potential in the years to come.

Corporate Governance:

I also express my thanks to all our Directors for their invaluable contribution through their guidance and encouragement, which have been critical for the success of the Company. Finally, I thank each and every shareholder, large and small, for your support and trust. I assure you that each one of us is committed to build a company that is high on corporate governance, is of great value for society and is a Company that you will be proud of.

With Best Wishes,

Sd/-

REPORT ON CORPORATE GOVERNANCE

INTRODUCTION:

Your Company has complied in all material respects with the requirements of the Corporate Governance Code as per Schedule V (c) of the SEBI (LODR) Regulation, 2015.

Corporate Governance is most often viewed as both the structure and the relationships which determine corporate direction and performance. The Board of Directors is typically central to Corporate Governance. Its relationship to the other primary participants, typically shareholders and management, is critical. Additional participants include employees, customers, suppliers, and creditors. The Corporate Governance framework also depends on the legal, regulatory, institutional and ethical environment of the community.

The Corporate Governance report is pursuant to Regulation 27 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and contains the details of Corporate Governance systems and practices at Mangal Credit & Fincorp Limited (MCFL).

1. Company's Philosophy

The Company's philosophy on corporate governance is to observe the highest level of ethics in all its dealings, to ensure efficient conduct of the company to achieve its goal in maximizing value for all its stakeholders. We are committed to doing things the right way which means taking business decisions and acting in a way that is ethical, in the interest of our stakeholders and is in compliance with applicable legislation. Our values reflect our continued commitment to ethical business practices across our operations. The Company's philosophy is based on the fair and transparent disclosure of issues related with the Company's business, financial performance and matters relating to stakeholders' interest.

We believe that Corporate Governance is the key element in improving efficiency, growth and investor's confidence.

2. Board of Director

There are Eight Directors on the Board all having expertise in financial services sector. As prescribed in the Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has an optimum combination of executive and non-executive directors with Five Independent Directors. MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW

The Management Discussion and Analysis Report (MDA) is an integrated part of Company's annual financial statements. The purpose of the MDA is to provide a narrative explanation, through the eyes of management, of how the Company has performed in the past, its financial condition, and its future prospects. This report contains a description of the year gone by and some of the key factors that influenced the business of the Company during the year, as well as a fair and unbiased overview of the Company's past, present, and future. There are forward looking statements mentioned in this report which may involve risks and uncertainties, including but not limited to the risk inherent to the Company's growth strategy, change in regulatory norms, economic conditions and other incidental factors. Actual results could differ materially from those expressed or implied.

GLOBAL ECONOMIC REVIEW

Global economic overview Global economic activity and trade picked up modestly from the later part of 2016. Global financial markets were influenced by three events, viz., the US election, expectations and materialisation of the policy rate hike by the Federal Reserve, and uncertainty surrounding the Brexit road map. The US economy bounced back strongly in Q3:2016, due to robust consumer spending and continuing improvement in the labour market. In the UK, economic growth gained momentum in second half of 2016, notwithstanding the uncertainties surrounding the negotiations relating to Brexit, as exports rose substantially following the weakening of the pound. In the Euro area, GDP growth accelerated in second half of 2016. The Japanese economy continued to recover at a modest pace even as the momentum weakened in second half of 2016. Economic activity in Emerging Markets continued to be divergent. In China, even though year on year GDP growth improved in Q4:2016, the quarter on quarter growth showed a sharp loss of momentum. Economic contraction has eased in Russia with the improvement in the mining and manufacturing sectors, rise in oil prices and policy initiatives.

Crude oil prices rose to a multiyear high in December 2016 after OPEC members agreed to cut production in end November 2016. Oil prices rose in April 2017 on account of strong demand and uncertainty over the conflict in Syria. Reduced OPEC volumes and stronger US output will result in a deeper discount for US crude and support greater exports from the US to Asia over the coming months.

INDIAN ECONOMIC OVERVIEW

The year was marked by major events namely demonetization of specified bank notes, conclusion of legislative assembly elections in five states, passage of Goods and Services Tax (GST) Bill by the Parliament. On November 8, 2016, the government announced the demonetization of ₹ 500 and ₹1,000 denomination notes, thereby rendering 86% of the cash in circulation as invalid. The decline in cash in circulation had led to increase in bank deposits with a resultant decline in interest rates on deposits, loans and government securities as well as a decline in real-estate prices, increase in savings, digitalization, income disclosure with a resultant increase in collections by tax and

other local authorities. The immediate effect of demonetization was on the daily wages/ earnings of the contract and unskilled labourers employed in highly labour intensive, unorganized sector, construction, transportation sectors etc. These sectors are more dependent on cash for working capital requirements. There was a temporary decline in demand due to shortage of cash. This had caused layoff of contract workers, disruption in production activities due to manpower loss, etc. The impact of demonetisation is dissipating with entry of replacement notes in circulation. Inflation in terms of the wholesale price index (WPI) was closely co-moving with consumer price index (CPI) inflation during October-December 2016, but it shot up in January and further in February to close to three percentage points above CPI inflation, driven by a sharp pick-up in international commodity prices. After moderating continuously over the last six months to a historic low, retail inflation measured by year-on-year changes in the CPI turned up in February to 3.7 per cent. The current account deficit for the first three quarters of the financial year narrowed to 0.7% of GDP. For the whole year it is likely to remain at less than 1 % of GDP. During April-December 2016, the Foreign Direct Investment (FDI) showed net capital inflows with manufacturing, communications and financial services being preferred sectors. Foreign Portfolio Investment (FPI) during November 2016 to January 2017 showed net outflows. FPI flows turned positive in February and March 2017. From February 2017 onwards, the rupee has appreciated due to equity portfolio inflows on policy announcements made in the Union Budget and easing of concerns about the speed of Fed policy rate hikes. Factors such as India's low current account deficit, the emphasis of monetary policy on the 4% inflation target, the transient impact of demonetisation on economic activity, and the commitment to fiscal prudence announced in the Union Budget provided stability to the exchange rate. The rupee gained further in March as FPI inflows, especially equity, were boosted by the outcome of State elections, which augur well for accelerating the pace of reforms. The level of foreign exchange reserves was US\$ 369.9 billion on March 31, 2017. As per the second advance estimates report dated 28th February 2017 of the Central Statistics Office (CSO), the growth in GDP during 2016-17 is estimated at 7.1% as compared with the growth rate of 7.9% in 2015-16. The sectors which are likely to register growth rate of over 7.0 percent are 'public administration, defence and other services', 'manufacturing' and 'trade, hotels, transport, communication and services related to broadcasting'. Agriculture, forestry and fishing gross value added (GVA) is now projected to grow 4.4% in FY17 against 4.1% estimated in January. Mining swung to a positive 1.3% growth for the full year against 1.8% contraction factored in earlier. Construction is pegged to grow 3.1%, manufacturing 7.7% and utilities 6.6%. Foodgrains production has touched an alltime high of 272 million tons, with record production of rice, wheat and pulses.

FINANCIAL SERVICES SECTOR

India's financial services sector is diversified, comprising of entities such as commercial banks, co-operatives, insurance companies, pension funds, mutual funds, non-banking financial companies and other various entities. As on December 31, 2016, the total managed retail credit (including off balance sheet book) of NBFCs stood at ₹ 5.6 trillion, growing year-on-year by about 17.5% in 9M FY 2017 (as against 19.5% in FY 2016 and 14.8% in FY 2015). The total NBFC retail credit including SME exposure stood at about ₹ 6.2 trillion as on December 31, 2016, growing year-on-year by about 19.0% in 9M FY 2017 (as against 21.2% in FY 2016 and 16.2% in FY 2015).

INDUSTRY STRUCTURE & DEVELOPMENT –

The Non-banking Finance Companies (NBFCs) sector has been growing steadily over the years. NBFCs have created a mark in the Indian financial system by providing the last-mile access and by developing capabilities to reach many un-touched micro segments. Further important point is that the sector has catered to these segments in an efficient and profitable manner, thus making it sustainable. By riding on niche competencies, wider reach and focussed product lines, NBFCs now contribute to a wider share of the total credit in the system. Reports by PWC and ICRA point to a healthy growth of about 15% in the NBFC sector over the past many years, and estimate such growth to continue based on the unique approach and distributed reach provided by these institutions.

Mangal Credit and Fincorp Limited with its 54 years of record has been able to run its business operations in a profitable manner and generate adequate funds to meet its financial obligations to banks and other credit grantors.

OPPORTUNITIES & OUTLOOK –

The economy is undergoing a paradigm shift as a result of a number of initiatives. In the financial space, the introduction of Aadhaar Card based identification and e-KYC, amongst others, will go a long way towards augmenting financial inclusion and enabling financiers to tap the vast segment of under-served individuals whose credit needs grow with their aspirations and income levels. With more consumers and entrepreneurs showing their true income on the books of accounts it will now be easier to evaluate creditworthiness. Further, we can be a perfect supplement in the new cashless payments ecosystem that the government has envisaged with the demonetisation drive. As things stand, the Company feels confident to grow its asset under management by 20-25% over the next three years. In terms of lines, lending appropriate amounts to unstructured needs is likely to receive greater focus in future. However, we are also confident Company has the necessary checks and controls to grow at a steady pace. The assets of the Company are well diversified and help the Company keep asset quality at a high standard.

Performance – During the year ended 31st March, 2017, the Income of the Company by way of interest and other income has stood at ₹ 82753241.00 as compared to ₹ 66445999.00 during the previous year. Net Profit after tax stood at ₹ 26987112.00 as compared to ₹ 10972004.00 during the previous year.

Risk & Concerns –

Interest rate volatility: Fluctuations in interest rates could adversely affect borrowing costs, interest income and net interest margins of companies in the financial sector. Being well funded with a strong capital base, MCFL is in a position to tide over such spells. Further, the Company ensures that it maintains an appropriate proportion of asset and liabilities at floating rate to avoid interest rate mismatches across buckets.

Competition: The financial services space in India is quite competitive. The Company is of the belief that from the country's point of view India needs an ever-growing number of players to address the large markets in the country. There is scope for sustained business growth despite competition.

Further, being a Company that is well capitalised accompanied with high governance standards, robust internal controls and advanced IT & Risk management systems, the Company is comfortable and confident on this count.

Changes in policies towards NBFC: There is a growing trend towards more stringent regulation in the NBFC sector. The Company is of the view that these changes are structurally beneficial for the financial services industry. Anticipating such regulations and implementing good governance norms before they are mandated has been a constant practice at MCFL. Accordingly, the Company feels confident on this count as well.

Operational Risk Management: Towards minimising operational risks, the Company has put in place a mechanism with system based ‘maker-checker’ processes for critical controls. Further, it has laid down detailed process manuals with Service Level Agreements (SLA) for data and document processing

MCFL’s conservative approach to portfolio management and its rigorous portfolio review mechanism has enabled it to get early stress signals of investment in various sector like Entertainment Industry, Capital Market Business, Real Estate sector, IT Sector, Logistics sector etc. MCFL ended the year with a net NPA of NIL % which is amongst the lowest in the industry.

Internal Control Systems & Adequacy – Effective internal controls are necessary for building up an efficient organization. Our Company has adequate internal control systems in place to ensure accuracy, transparency and accountability in its operations. A dedicated concurrent audit team functioning within the Company supported by an out sourced concurrent audit team confirms that the activities are in compliance with its policies and occurrences of deviations are reported to the Management. The Company has further strengthened its internal audit function by investing in domain specialists to increase effectiveness of controls. The audit committee of the Board of Directors reviews the internal audit reports and the adequacy and effectiveness of internal controls.

Fulfilment Of Rbi’s Norms And Standards-- The Company has taken necessary steps to comply with the RBI norms accordingly the company has reduced the holding of subsidiary Companies, which results in reduction in total assets size of the Company below 100 cr. and the Company is exempted from the various regular compliance as per RBI norms.

Asset Liability Management (ALM)-- MCFL has a total borrowing of ₹ 1762.06 Lacs as on 31 March 2017. The Company’s asset /liability committee (ALCO), set-up in line with the guidelines issued by the RBI, monitors asset/ liability mismatches to ensure that there are no imbalances or excessive concentrations on either side of the balance sheet. MCFL continued to raise shorter tenor borrowings in FY 2017 as well.

Financial & Operational Performance – Please refer to the Board’s Report for performance review.

Human Resources/Industrial Relations – The Company continues to lay emphasis on people, its most valuable resource. In an increasingly competitive market for human resources, it seriously focuses on attracting and retaining the right talent. It provides equal opportunity to employees to deliver results.

Cautionary Statements: The statements made in this report describe the Company's objectives and projections that may be forward looking statement within the meaning of applicable laws and regulations. The actual result might differ materially from those expressed or implied depending on the economic conditions, government policies and other incidental factors which are beyond the control of the Company. The Company is not under any obligation to publicly amend, modify or revise any forward looking statements on the basis of any subsequent developments, information or events.

FINANCIAL
STATEMENTS**

INDEPENDENT AUDITORS' REPORT

To the Members of Mangal Credit & Fincorp Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Mangal Credit & Fincorp Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2017;
- b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to the following matters in the Notes to the financial statements:

1. Note No 22.1 to the Financial Statements stating the fact of non-provision of liability of ₹ 49,41,750/- arising on Income Tax Assessment for the A.Y. 2008-09 to A.Y. 2013-14 consequent upon search & seizure operations in the case of company on 01/10/2013.
2. Note No 22.2 to the Financial Statements stating non provision of any liability that may arise in respect of show cause notice of SEBI for alleged delay in complaints under regulation 8(3) of SAST Regulation, 1997 in the years 2002, 2003, 2005 to 2011.

Our opinion is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditor's Report) Order, 2016', ("the order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of written representations received from the directors as on 31 March, 2017, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2017, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B", and

- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to our best of our information and according to the explanations given to us :
- i. The company has disclosed the impact of pending litigations on its financial position in its financial statements in Note 22 to the financial statements.
 - ii. We have not come across any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. An amount of ₹ 2,44,700/- due to be transferred to Investor Education and Protection Fund on or before 25/10/2016 has been so transferred on 22/04/2017.
 - iv. (Annexure A)

Annexure to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2017, we report that:

1. a. The Company has maintained proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - b. The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets.
 - c. According to the information and explanations given to us and on the basis of examination of the records of the company, the title deeds of immovable properties are held in the name of the Company.
2. The company is a NBFC Company, primarily engaged in rendering loans services. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the order is not applicable to the Company.
3. The Company has granted loan to 18 body corporates covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act').
 - a. In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the bodies corporate listed in the register maintained under Section 189 of the Act were not, prima facie, prejudicial to the interest of the Company.
 - b. In the case of the loans granted to the bodies corporate listed in the register maintained under section 189 of the Act, the borrowers have been regular in the payment of the principal and interest as stipulated.
 - c. There are no overdue amounts in respect of the loan granted to a body corporate listed in the register maintained under section 189 of the Act.
4. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
5. The Company has not accepted any deposits from the public.
6. The Central Government has not prescribed the maintenance of cost records under Section 148(1) Act, for any of the services rendered by the Company.
7. a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, cess and other material

statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance and duty of excise.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues were in arrears as at 31 March 2017 for a period of more than six months from the date they became payable.

- b. According to the information and explanations given to us, there are no material dues of duty of customs which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of income tax, sales tax, duty of excise, service tax and value added tax have not been deposited by the Company on account of disputes:

Name of the statute	Nature of dues	Amount (in ₹)	Period to which the amount relates	Forum where dispute is pending

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Mangal Credit & Fincorp Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures

that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

It's shares are listed on Bombay Stock Exchange (BSE) and Ahmedabad Stock Exchange (ASE).

Note 1: Significant Accounting Policies

i. Basis of preparation of accounts

The financial statements have been prepared and presented under the historical cost convention, on an accrual basis of accounting and in accordance with the generally accepted accounting principles and in compliance with the relevant provisions of the Companies Act, 2013. Further, the Company follows directions issued by the Reserve Bank of India ("RBI") as applicable.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 read with RBI Directions as aforesaid. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/ non-current classification of assets and liabilities.

ii. Use of Estimates

The presentation of Financial Statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, revenues and expenses on the date of financial statements and the reported amount of revenue and expenses during the reporting period. Difference between the actual results and estimates are recognized in the year in which results are known / materialized.

iii. Revenue Recognition

- i) Interest income from financing activities is recognized on an accrual basis except in the case of non-performing assets, where it is recognised on realisation, as per the prudential norms of the RBI.
- ii) Dividend from investments is accounted for as income when the Company's right to receive dividend is established.
- iii) Income from Interest on Fixed Deposits with Banks is recognized on accrual basis.
- iv) Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods are transferred to the customer and is stated net of sales tax and sales returns.

iv. Fixed Assets

a. Tangible Assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Subsequent expenditures related to an item of tangible assets are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

b. Intangible Assets

Intangible Assets are recognized only if it is probable that the future economic benefits that are attributable to assets will flow to the enterprise and the cost of the assets can be measured reliably. Intangible assets are recorded at cost and carried at cost less accumulated depreciation and accumulated impairment losses, if any.

NOTES FORMING PART OF FINANCIAL STATEMENT

v. Depreciation

Depreciation is provided on written down value Method, at the rates so calculated by useful life as specified in Schedule II of the Companies Act, 2013. Depreciation is provided on pro-rata basis on the assets acquired, sold or disposed off during the year.

vi. Investments

- a. Investments are classified into Long Term Investments and Current Investments.
- b. Investments which are by nature readily realisable and intended to be held for not more than one year from the date of acquisition are classified as Current Investments and Investments other than Current Investments are classified as Long Term Investments.
- c. Long Term Investments are accounted at cost and any decline in the carrying value other than temporary in nature is provided for.
- d. Current Investments are valued at lower of cost and market value. In case of mutual funds, the net asset value of the units declared by the Mutual Funds is considered as the market value.

vii. Inventories

Stock is valued at weighted average cost. Cost of inventory comprises of all cost of conversion and other cost incurred in bringing them to their respective present location and condition.

viii. Leased Assets

- i) Assets acquired under Leases where a significant portion of the risks and rewards of the ownership are retained by the lessor are classified as Operating Leases. The rentals and all the other expenses of assets under operating lease for the period are treated as revenue expenditure.
- ii) Assets given on operating leases are included in fixed assets. Lease income is recognized in the statement of profit and loss on straight line basis over the lease term. Operating costs of leased assets, including depreciation are recognized as an expense in the statement of profit and loss. Initial direct cost such as legal costs, brokerages etc. are charged to Statement of Profit and Loss as incurred.

ix. Impairment of Assets

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable amount. An impairment loss is charged to the statement of profit & loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in estimate of the recoverable amount.

x. Taxes on Income

- i) Current tax is determined based on the amount of tax payable in respect of taxable income for the year.
- ii) Deferred tax asset is recognized with regard to all deductible timing differences to the extent that it is probable that taxable profit will be available against which deductible timing differences could be utilized.
- iii) Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.
- iv) Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly,

NOTES FORMING PART OF FINANCIAL STATEMENT

MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

xi. Provisions, Contingent Liabilities and Contingent Assets

- i) A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- ii) Contingent liabilities are not recognized but disclosed in the financial statement when there is a:
 - Possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or
 - Present obligation that arises from past events where it is either not probable that an outflow of resources will be required to be settled or a reliable estimate of the amount cannot be made.
- iii) Contingent assets are neither recognized nor disclosed in the financial statements.
- iv) Provision on Standard assets is made @ 0.25% of standard loans in accordance with the directions issued by RBI for NBFC.
- v) Provision for non-performing assets is made in accordance with the directions issued by RBI for NBFC.

xii. Earnings Per Share

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. For the purpose of calculating Diluted earnings per share the net profit for the year attributable to equity shareholders and weighted average number of shares outstanding during the reporting year is adjusted for the effects of all dilutive potential equity shares. In considering whether potential equity shares are dilutive or anti-dilutive, each issue or series of potential equity shares is considered separately rather than in aggregate.

Note 25

Consequent to the search and seizure proceedings u/s 132 of the Income Tax Act, 1961, assessment of income for the assessment years 2012-13 and 2013-14 have taken place under section 143(3)/153A of the Income Tax Act, 1961. As a result a total demand of ₹ 40,75,600/- has arisen. Aggrieved by the orders so passed, the company has filed appeals before the Commissioner of Income Tax (Appeals) in the respective assessment years. Considering the nature of additions made and recent judicial pronouncements, there are good chances that the additions shall be deleted in the appellate proceedings and therefore no provision in this respect has been made in respect of outstanding demand.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To The Members of Mangal Credit & Fincorp Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **MANGAL CREDIT & FINCORP LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") its associates and jointly controlled entities, comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at 31st March, 2017, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements as of and for the year ended 31st March 2017 we have audited the internal financial control over financial reporting of Mangal Credit & Fincorp Ltd. (the holding company) and its subsidiary companies which are companies incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the holding company and its subsidiary companies, which are incorporated in India are responsible for establishing and maintaining Internal Financial Controls based on the Internal Controls over Financial Reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial control over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the business including adherence to company policy, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the holding company and its subsidiary companies incorporated in India, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

32.1 Claims against the Company not acknowledged as debts for the year ended March 31, 2017 included demand from the Indian income tax authorities for payment of tax ₹ 423.74 Lacs.

Demands included addition u/s 68 of the Income tax Act, 1961. The addition arose on account of contention of the Id. A.O. by way of treating unsecured loan from Praveen Kumar Jain Group as cash credit.

The matter is pending before Commissioner of Income Tax – Appeals-47, Mumbai. The company is contesting the demand and the Management including its tax advisors believes that its position will likely be upheld in the appellate process. The management believes that the ultimate outcome of these proceedings will not have any adverse effect on the Company's financial position and results of operations.

35. Employee Benefits:

“Provident Fund, Gratuity and Long Term Compensated Absences - disclosures as per Accounting Standard (AS) 15 (Revised) - Employee Benefits as notified by the Companies (Accounting Standards) Rules, 2006: Contributions are made to Government Provident Fund and Family Pension Fund and other statutory funds which cover all regular employees eligible under the respective acts. Both the employees and the Company make predetermined contributions to the Provident Fund. The contributions are normally based on a certain proportion of the employee’s salary. The Company has recognised an amount of ₹11,60,596/- (Previous year ₹ 12,54,381/-) towards employer contribution for the above mentioned funds. Provision for Unfunded Gratuity and Long Term Compensated Absences for all employees is based upon actuarial valuation carried out at the end of every financial year. Major drivers in actuarial assumptions, typically, are years of service and employee compensation. Commitments are actuarially determined using the ‘Projected Unit Credit’ method. Gains and losses on changes in actuarial assumptions are accounted for in the Profit and Loss account. Disclosures in respect of Gratuity and Compensated Absences:”

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT**Note 39**

Consequent to the search and seizure proceedings u/s 132 of the Income Tax Act, 1961, assessment of income for the assessment years 2012-13 and 2013-14 have taken place under section 143(3)/153A of the Income Tax Act, 1961. As a result a total demand of ₹ 40,75,600/- has arisen. Aggrieved by the orders so passed, the company has filed appeals before the Commissioner of Income Tax (Appeals) in the respective assessment years. Considering the nature of additions made and recent judicial pronouncements, there are good chances that the additions shall be deleted in the appellate proceedings and therefore no provision in this respect has been made in respect of outstanding demand.
