ANNEXURE TO THE NOTICE

THE STATEMENT SETTING OUT MATERIAL FACTS IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 3

The Board of Directors resolution passed at the meeting held on 12.02.2016 and subsequently on 21.05.2019, approved the payment of professional fees of Rs. 36.00 lacs p.a. on a quarterly basis to Mr. S. C. Saran for the services and expertise provided by him including the following:

- Designing guidance and manufacturing know how; both for propeller shafts and related products to help the Company diversify its product offering
- Contacts overseas to help grow exports
- Knowledge of aftermarket in India to help the Company expand its presence in the aftermarket

The necessary approval for the same was also taken from the Shareholders at the Annual General Meeting held on 05.08.2019.

It is now desired to make the payment of professional fees on a monthly basis. The other terms of the transaction remain unchanged as approved earlier.

In terms of the provisions of section 188 of the Companies Act, 2013, any transaction/s of availing of services from a related party would require the prior approval of shareholders by way of an Ordinary Resolution, which exceeds the thresholds provided in rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014. Accordingly, the Ordinary Resolution for partial modification of the resolution passed at the AGM held on 05.08.2019, is being proposed for the approval of the members under Section 188 of the Companies Act, 2013 read with rules made thereunder at item No. 3 for approval of the shareholders.

The particulars of the contracts/transactions, pursuant to para 3 of Explanation (1) to Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 are as aforesaid.

The memorandum of terms and conditions of the transactions to be entered/entered into with Mr. S. C. Saran available for inspection.

The related parties shall abstain from voting on this resolution.

Mr. S. C. Saran and Ms. Devaki Saran, relative of Mr. S. C. Saran are interested in the resolution at item No. 3.

None of the other Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in this resolution set out at Item No. 3.

The Board of Directors recommend the passing of ordinary resolution set forth in the Notice for the approval of members.

Surplus Carried Forward	275.39	274.33

OPERATIONS/STATE OF COMPANY'S AFFAIRS

Profit before tax was Rs. 13.16 lakhs as compared to profit Rs. 170.48 lakhs in the prior year. This reduction in profit was on account of a 16% decrease in sales because of economic slow down and Covid-19 pandemic.

The Company was very adversely affected by the slowdown in the automotive sector. This particularly impacted the performance in the second quarter. Demand appeared to rebound from December 2019 onwards; however the overall sales in the last quarter decreased compared to the third quarter because of the abrupt lockdown in March. The Company was unable to dispatch material that was nearly ready for shipment and certain export customers requested the Company to hold shipments as they were operating with less manpower. Manufacturing expenses had been incurred.

The Company has taken several measures to diversify across all customer segments and hence it was able to earn a marginal profit in the face of all these adversities.

The Company's cost reduction initiatives boosted the bottom line. The Company had started a Companywide cost reduction initiative and savings continued across all departments. Additionally supplier rationalization and value engineering efforts also helped to bolster the bottom line.

TRANSFER TO GENERAL RESERVES

There was no transfer made to any Reserve during the year.

DIVIDEND

The Board of Directors have not recommended any dividend on the Equity shares of the Company for the financial year 2019-2020 because of insufficient profit.

OUTLOOK

The outlook for the current year appears bleak as the Company lost nearly 1.5 months of production on account of the nationwide lockdown. The Covid-19 pandemic is an unprecedented situation that has affected every country and caused huge disruptions in the global economy. Every country is forecast to experience a severe recession in FY 20-21.

Even after the Company restarted production in May, customers in other locations remained closed for some time. Localised lockdowns also worsened the situation and caused supply chain disruptions.

The situation remains highly uncertain with cases on the rise nation-wide.

Demand is expected to remain weak in certain sectors especially commercial vehicles for the entire financial year.

The Company is working to expand its product offering and target new customers to combat the reduced demand for its existing product portfolio.

The company is continuing its value engineering and continuous improvement efforts to reduce manufacturing costs in an attempt to improve margins. The company had also undertaken a huge cost reduction initiative to reduce costs across the board. Most costs have been reduced to the bare minimum; however this initiative continues. The Covid-19 pandemic has increased certain expenses due to all the hygiene and sanitization requirements.

Despite the challenging scenario, Management is continuing its efforts to grow sales and capitalize on the opportunities that arise because of the Covid-19 pandemic.

FORM No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

(Pursuant to Section 204 (1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,

The Members,

HINDUSTAN HARDY LIMITED

(Formerly Hindustan Hardy Spicer Limited)

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Hindustan Hardy Limited** (Formerly Hindustan Hardy Spicer Limited) (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information to the extent provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by The Ministry of Corporate Affairs warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March, 2020, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

ANNEXURE III

A. Conservation of energy, technology absorption, foreign exchange earnings and outgo: [Rule 9.10(3)]

1. Conservation of energy:

- (i) Steps taken / impact on conservation of energy, with special reference to the following:
- Effective utilization of heat treatment furnaces to minimize turning the furnaces on and off and ensure full loads
 - TPM (Total Productive Maintenance) initiative to repair old machines and reduce oil and other leakages.
 - Installation of meters to monitor electricity consumption on a daily basis. Separate meters have been installed for the heat treatment department and machine shop. Management is analyzing what causes spikes in electricity consumption and taking appropriate action.
 - Camera installed to measure Power Factor reading and ensure company receives maximum Power Factor Incentive
 - Installation of a separate lower capacity compressor in the heat treatment department. The heat treatment department frequently runs in all three shifts. Previously the company only had only one higher capacity compressor which was run used even only the heat treatment department was operational. This has led to considerable energy savings.
 - Installation of LED lightbulbs in place of CFL lightbulbs both of the shop floor and the office. This is an ongoing process as fused lightbulbs are being replaced by LED powered ones.
 - High horse power motors on old machines are being replaced by Variable Frequency Drive motors on an ongoing basis.
 - Paperless initiative to reduce printing and conserve paper.
 - Skylights in the factory ceiling eliminate the need for lighting during the day as far as possible.
- (ii) Steps taken by the company for utilizing alternate sources of energy including waste generated
- Installation of Solar Powered LED Street-light fixtures.

- Installation of 400 LPD Solar Hot water System at Canteen.
 - Installation of a composter and wormiculture for canteen waste.
 - Evaluation of installing solar panels is also being carried out.
- (iii) Capital investment on energy conservation equipment Rs. NIL

2. Technology :

- (i) Our technology had been imported from our Collaborators, Spicer Gelenkwellenbau GmbH, Germany in 1984. Since then upgradation has continued in consultation with various Agencies as well as with inhouse expertise.

3. Foreign exchange earnings and Outgo

The Foreign Exchange earnings and outgo are as under	(Rs. in Lakh)

AS PER SCHEDULE V OF SEBI LODR : ANNUAL REPORT**[See Regulation 34(3) and 53(f)]****MANAGEMENT DISCUSSION AND ANALYSIS****a. *Industry structure and developments.***

- Sales are primarily to 4 customer segments – domestic OEMs, export customers, industrial customers and aftermarket. In FY 19-20, the Company's largest market segment was Domestic OEMs, followed by Export, Aftermarket and industrial customers.
- The Company serves 4 sectors – commercial vehicle, agricultural, off-highway and construction equipment and industrial.

b. *Opportunities and Threats.*

- The Indian propeller shaft market is dominated by 4 major players who all jostle for market share amongst the major commercial vehicle manufacturers, the differentiating factor being price competitiveness. As a result margins, are shrinking.
- The domestic after-sale market is also crowded by a number of low cost suppliers supplying unbranded generic components at low prices. The Company was a late entrant to the after sales market and is yet to achieve the brand recognition that can command a significant price premium. However sales and marketing efforts are paying off and gradually the brand is being recognised as a quality product.
- In the export market, Indian manufacturers have a cost advantage compared to their European and American counterparts. However quality standards are very stringent and monetary penalties for rejections or product failures is very high. Export to the US and Europe has significant potential; however the political scenario remains uncertain. The animosity towards China created by the Covid-19 pandemic could create opportunities for Indian manufacturers
- Several Indian companies are now taking steps to indigenize components that were previously imported from China which provides an attractive opportunity for Indian manufacturers.

c. *Segment-wise or product-wise performance.*

- The company operates in a single segment.
- Total revenue from operations in FY 19-20 was Rs. 3938.35 Lakh as compared to 4664.72 Lakh in FY 18-19. Sales decreased due to economic slow down and Covid-19 pandemic.

Key Financial Ratios			
	FY 2019 -20	FY 2018 -19	Increase / Decrease
			(in % terms)
Debtors Turnover Ratio (Times)	3.78	4.17	(9.35)
Debtors Collection Period (Days)	97	88	10.22
Inventory Turnover (Times)	4.00	5.29	(24.39)
Interest Coverage Ratio (Times)	1.43	5.80	(75.34)
Current Ratio (Times)	1.12	1.10	1.82
Debt Equity Ratio (Times)	0.43	0.58	(25.86)
Operating Profit Margin (%)	1.11%	4.42%	(74.89)
Net Profit Margin (%)	0.08%	0.84%	(90.48)
Return on Net Worth (%)	0.38%	4.52%	(91.59)

- Debtors collection period increased as no payments were received in the last 10 days of March following the lockdown. Many customers release payments on a monthly basis at the end of the month which were not received in March.
- Inventory turnover ratio was affected as the unexpected lockdown meant goods could not be dispatched at year end which increased inventory levels.
- Profitability ratios were affected by the decrease in profit.

d. Outlook

- The outlook for the current year appears bleak as the Company lost nearly 1.5 months of production on account of the nationwide lockdown. The Covid-19 pandemic is an unprecedented situation that has affected every country and caused huge disruptions in the global economy. Every country is forecast to experience a severe recession in FY 20-21.
- Even after the Company restarted production in May, customers in other locations remained closed for some time. Localised lockdowns also worsened the situation and caused supply chain disruptions.
- The situation remains highly uncertain with cases on the rise nation-wide.
- Demand is expected to remain weak in certain sectors especially commercial vehicles for the entire financial year.
- The Company is working to expand its product offering and target new customers to combat the reduced demand for its existing product portfolio.
- Despite the challenging scenario, Management is continuing its efforts to grow sales and capitalize on the opportunities that arise because of the Covid-19 pandemic.

e. *Risks and concerns.*

- The Covid-19 pandemic poses a huge threat as the duration and the extent of its impact remains uncertain. There remains the threat of a second-wave especially in the Western countries but the extent of this will be seen in the upcoming months.
- Cases in India continue to rise and therefore government policy remains uncertain.
- Increasing competition and rising costs are also putting downward pressure on margins. The Company is trying to counter this by focusing on operational efficiencies.

f. *Internal control systems and their adequacy.*

- The adequacy of control systems is reviewed on a monthly basis by the management and assessed quarterly by the internal auditor and the Board.
- The internal control systems in place are more than adequate.

g. *Discussion on financial performance with respect to operational performance.*

- The Company's cost reduction initiatives have yielded results as the Company was profitable despite the very adverse conditions created by the automotive slowdown and the abrupt lockdown in March.
- Efforts to further improve efficiency continue at all levels and across all departments.

h. *Material developments in Human Resources / Industrial Relations front, including number of people employed.*

- Total number of employees decreased to 189 from 206 at the end of the prior financial year.

INDEPENDENT AUDITOR'S REPORT

To the Members of

HINDUSTAN HARDY LIMITED.

(Formerly Known as Hindustan Hardy Spicer Limited)

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **Hindustan Hardy Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent Auditor's of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period.

We have determined that there are no audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with

relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that :
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Hindustan Hardy Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the Act).

We have audited the Internal Financial Controls over Financial Reporting of **HINDUSTAN HARDY LIMITED** (“the Company”) as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and timely preparation of reliable financial information as required under the Companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the company’s internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operate effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on

the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls, over financial reporting includes those policies and procedures that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding the prevention and timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to the future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations provided to us, the Company has in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over the financial reporting were operating effectively on 31st March, 2020, based on the internal financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note of Audit of Internal Controls over Financial reporting issued by the ICAI.

Notes to Financial Statements for the year ended March 31, 2020

Note No. 1 – General Information and Significant Accounting Policies :

1. Corporate Information:

Hindustan Hardy Limited is a Public Limited Company listed on the Bombay Stock Exchange. It was incorporated on October 16, 1982 under the Companies Act, 1956. It is engaged in the business of designing and manufacturing of Propeller Shafts and other accessories required for automotive, industrial, agricultural and other applications. The registered office of the Company is located at Nashik, Maharashtra, India.

The manufacturing facilities of the Company were closed on March 22, 2020 following lockdown due to COVID-19. The Company has since obtained required permissions and restored its manufacturing facilities partially in the second week of May 2020 in line with the terms and guidelines issued by the Ministry of Home Affairs. Based on immediate assessment and on the basis of available information of the impact of COVID-19 on the operations of the Company and ongoing discussions with customers, vendors and related service providers, the Company is hopeful of serving customer orders, obtaining regular supply of raw materials and logistics services after resumption of operations. In assessing the recoverability of trade receivables, the Company has considered subsequent recoveries, past trends, credit risk profile of customers, macroeconomic forecasts and internal and external information available up to the date of issuance of these financial results. In assessing recoverability of inventories, the Company has considered the latest selling prices, customer orders on hand and margins. Based on the above assessment, the Company is of the view that the carrying amounts of trade receivables, inventories are expected to be realizable. The impact of COVID-19 may be different from the estimates as at the date of approval of these standalone financial results and the Company will continue to closely monitor the developments.

2. Basis of Preparation:

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rule, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 the relevant provisions of the Companies Act, 2013 ('the Act').

The financial statements have been prepared on a historical cost basis, except for Defined Benefit Plans – which are measured as per actuarial valuation.

3. Significant Accounting Policies:

- (a) **Property, plant and equipment; Capital work-in-progress & Intangible assets:**
 - (i) Property, plant and equipment & intangible assets are stated at their original cost of acquisition / installation (net of Cenvat, VAT, GST credit wherever applicable) net of accumulated depreciation, amortization and impairment losses – if any.

Subsequent expenditures are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost to the item can be measured reliably. All repairs and maintenance expenses on assets are charged to profit or loss during the reporting period in which they are incurred.

- (ii) Property, plant and equipment or intangible assets not ready for the intended use on the date of balance sheet are disclosed as "Capital Work -in-Progress". Advances given towards acquisition/construction of fixed assets outstanding at each Balance sheet date are shown under "Capital Work-in-Progress".
- (iii) An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognized.
- (iv) The residual values, useful lives and methods of depreciation of property, plant & equipment and intangible assets are reviewed in each financial year and adjusted prospectively, if appropriate.

(b) Depreciation:

- (i) Tangible Assets:
 - I. Depreciation on assets is provided on straight line method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.
 - II. Depreciation on additions to Property, plant & equipment and intangible assets is provided on a pro-rata basis from the date of acquisition or installation, and in the case of a new project, from the date of commencement of commercial production.
 - III. Depreciation on assets sold, discarded, demolished or scrapped is provided up to the date on which the said asset is sold, discarded, demolished or scrapped.
- (ii) Intangible Assets:
 - I. Intangible assets with finite lives are amortized on straight line method over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.
 - II. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Transition to Ind AS:

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Property, plant and equipment and Intangible assets recognized as at 1st April 2016 measured as per the previous IGAAP and use that carrying value as the deemed cost of respective assets.

Impairment of non-financial assets:

The carrying amounts of other non-financial assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss, if any is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. A previously recognised impairment loss if any, is increased or reversed depending on the changes in circumstances, however the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation/amortization if there was no impairment.

(c) Inventories:**(i) Raw Material / Components :**

Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out (FIFO) basis.

(ii) Stores & Spare parts are valued at Cost.**(iii) Finished goods and Work in Progress :**

Lower of cost and net realizable value. Cost is determined on absorption basis and include material, labour and production overheads. Material cost for the purpose of valuation is ascertained on First in First out (FIFO) basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Cost includes all charges in bringing the goods to the point of sale. Work-in-progress and finished goods include appropriate proportion of overheads.

(d) Financial Instruments:

The presentation of financial instruments is as per applicable Ind AS.

(e) Provisions and Contingencies:

A provision is recognised for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate of the amount required to settle the obligation at the Balance Sheet date. A contingent liability is not recognized – but is only disclosed, unless the possibility of an outflow of resources is remote.

(f) Foreign Currency Conversion:

The Company's financial statements are presented in Indian National Rupee (INR) which is also its functional currency.

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of transaction or at the rates that closely approximate the rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or expenses in the year in which they arise.

(g) Revenue recognition:

- (i) Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.
- (ii) The specific recognition criteria described below must also be met before revenue is recognised.

(iii) Sale of goods:

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer which generally coincides with the delivery of goods to customers. Accordingly, domestic sales are accounted on dispatch of products to customers and Exports are accounted on the basis of date of bill of lading / delivery terms.

GST is collected on behalf of the Government and no economic benefit flows to the entity and does not result in an increase in equity, consequently revenue is presented net of GST.

Revenue disclosed are net of GST, discounts and sales returns, as applicable.

(iv) Rendering of services:

Revenue from services is recognized (net of GST, as applicable) pro-rata over the period of the contract as and when services are rendered.

(v) Duty Drawback / MEIS – Export Incentives:

The export incentives are accounted for on realization basis as there is uncertainty about the actual amount to be realized after due compliances of all the conditions.

(vi) Interest income:

Interest income is recognized on a time proportion basis that reflects the effective yield on the asset.

(h) Retirement and other employee benefits:

(i) Defined Contribution Plan :

Employee benefits in the form of contribution to Provident Fund managed by Government Authorities, Employees State Insurance Corporation and Labour Welfare Fund are considered as defined contribution plan and the same is charged to the Statement of Profit and Loss for the year in which the employee renders the related service.

(ii) Defined Benefit Plan :

Retirement benefit in the form of Gratuity, is considered as defined benefit obligation and is provided for on the basis of actuarial valuation as at the date of Balance Sheet. Re-measurement, comprising of Actuarial gain / loss, if any, is immediately recognised in Other Comprehensive Income (OCI) under retained earnings. The same is not reclassified to Statement of Profit and Loss. Prior year comparisons are treated accordingly.

The company has taken a Group Gratuity-cum-Life Assurance Scheme Policy from Life Insurance Corporation of India for future payment of gratuity to retiring employees. The balance lying with LIC of India in this policy is compared with the liability as calculated in actuarial valuation report. Any shortfall in the same is recognized as liability and any surplus is shown as asset.

Provision for Leave Encasement is made on actual basis on the assumption that the same would be payable at the end of the accounting period – if all the employees were to terminate their services.

The company also contributes certain percentage of salary for all eligible employees in managerial cadre towards Superannuation Fund managed by approved trust / Life Insurance Corporation of India.

(i) Borrowing Costs:

Borrowing cost directly attributable to acquisition and construction of assets that necessarily takes substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of such assets up to the date when such assets are ready for intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(j) Taxation:

Tax expense comprises of current income tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period.

Current income tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred income tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are

generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets / liabilities are reviewed at each Balance Sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

(k) Leases:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee :

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(l) Segment Reporting:

Operating segment is reported in a manner consistent with the internal reporting provided to chief operating decision makers.

The board of directors of the company has appointed Management team which has been identified as being the chief operating decision maker, consists of Chief Executive Officer (CEO) / Chief Operating Officer (COO), Chief Finance Officer (CFO), Production Manager, Sales & Marketing Manager and Design Manager. They assess the financial performance and position of the Company and make strategic decisions.

(m) Earnings Per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period from continuing operations attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period from continuing operations attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period - adjusted for the effects of all dilutive potential equity shares.

(n) Classification of Current/Non-Current Assets and Liabilities:

All assets and liabilities are presented as Current or Non-Current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Company has ascertained its operating cycle as 12 months for the purpose of Current / Non-current classification of assets and liabilities.

(o) Significant estimates and assumptions:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(p) Classification of Legal matters and Tax litigations:

The litigations and claims to which the Company is exposed are assessed by management with assistance and support of external specialized lawyers. Disclosures related to such provisions, as well as contingent liabilities, also require judgment and estimations if any.

All estimates mentioned above are further detailed in the corresponding disclosures.
