NOTES:

1. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.

A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in aggregate not more than 10% (ten percent) of the total share capital of the Company carrying voting rights. In case a proxy is proposed to be appointed by a Member holding more than 10% (ten percent) of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other Member.

The instrument of Proxy in order to be effective should be deposited at the Registered Office of the Company, duly completed, signed and stamped not less than 48 (Forty Eight) hours before the time for holding the Annual General Meeting ("**AGM**"). Proxies submitted on the behalf of limited Companies, societies, etc. must be supported by appropriate resolution/authority, as applicable, issued by the Member organisation. Proxy in the prescribed Form No. MGT-11 is enclosed herewith.

2. Pursuant to Section 113 of the Companies Act, 2013 ("**the Act**") and Rules framed thereunder, the Corporate Members intending to send their authorised representatives to attend the AGM are requested to send to the Company, a certified copy of the Board Resolution or Power of Attorney, if any, authorising their representative(s) to attend and vote, on their behalf, at the AGM.
3. The Statement pursuant to Section 102 of the Act, relating to the Special Business to be transacted at the AGM is annexed thereto.
4. Information as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Listing Regulations**") and the Secretarial Standard on General Meetings ("**SS-2**") issued by the Institute of Company Secretaries of India ("**ICSI**"), in respect of the Director seeking appointment/re-appointment at the AGM is annexed hereto as Annexure – I and forms part of the notice.

5. All resolutions would be voted through electronic means or by Polling Papers at the Meeting by the Members who have not exercised their vote through electronic means.
6. Pursuant to the provisions of Section 91 of the Act, the Registrar of Members and Share Transfer Books of the Company will remain closed from Monday, September 09, 2019 to Monday, September 16, 2019 (both days inclusive).
7. The Register of Directors, Key Managerial Personnel(s) and their shareholding maintained under Section 170 of the Act along with other Statutory Registers as required under the provisions of Act, will be available for inspection by the Members at the AGM.
8. Members are requested to send all communications to our Registrar and Share Transfer Agent (R & T Agent) viz. TSR Darashaw Limited, 6-1, haji Moosa Patrawala Estate, 20, Dr. E, Moses Road, Mahalaxmi (West), Mumbai-400011, Maharashtra.
9. Members/Proxies are requested to bring the Attendance Slips duly filled in and copy of the Annual Report to the Meeting.
10. Under Section 124 of the Act, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company has not yet declared dividend.
11. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participants and holdings should be verified.
12. SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the R & T Agent.
13. Members can avail themselves the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Act. Members desiring to avail themselves of this facility may send their nominations in the prescribed Form No. SH-13 duly filled in to the Company's R & T Agent. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
14. Electronic copy of the Annual Report for 2018-19 and Notice of AGM *inter-alia* indicating the process and manner of e-voting along with Proxy Form and Attendance Slip is being sent to all the Members, who's e-mail addresses are registered with the Company/Depository Participant(s) for communication purposes unless any Member has requested for a hard copy of the same. For Members who have not registered their Email address, physical copies of the Annual Report for 2018-19 and Notice of AGM of the Company *inter-alia* indicating the process and manner of e-voting along with Proxy Form and Attendance Slip is being sent in the permitted mode. Further, copies of the Annual Report will not be distributed at the AGM and Members are requested to bring their copies to the Meeting.
15. Members who have not registered their e-mail ID so far are requested to register the same for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company in electronic form.
16. Members may also note that, the Notice of the AGM and the Annual Report for 2018-19 will also be available on the Company's website www.galaxycloudkitchens.in for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during normal business hours on (09.00 A.M. to 05.00 P.M.) on all working days upto and including the date of the AGM of the Company. Even after registering for e-communication, Members are entitled to receive such communication in physical form, upon making a request for the same, by post, free of cost. For any communication, the Members may also send requests to the Company's investor relations e-mail id: investors@galaxycloudkitchens.in.
17. Voting through electronic means:
 - I. In compliance with provisions of Section 108 of the Act and Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended from time to time and Regulation 44 of the Listing Regulations and Secretarial Standard on General Meetings ("SS-2") issued by the ICSI as amended from time to time, the Company is pleased to provide its Members the facility to exercise their rights to vote on the resolutions proposed to be considered at the AGM by electronic means and business may be transacted through e-voting Services. The facility of casting the votes by the Members using an electronic voting system from a place other than venue of the AGM ("Remote e-voting") will be provided by National Securities Depository Limited ("NSDL").
 - i. The notice of AGM shall be placed on the website of the Company www.galaxycloudkitchens.in and on the website of NSDL at www.evoting.nsdl.com.
 - ii. The facility for voting through Polling Paper shall be made available at the AGM.
 - iii. Members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through Polling Paper.
 - iv. The Members who have casted their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

- v. The remote e-voting period commences on Friday, September 13, 2019 (09:00 A.M.) and ends on Sunday, September 15, 2019 (05:00 P.M.). During this period Member of the Company, holding shares either in physical form or in dematerialised form, as on the cut-off date of September 9, 2019, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
- vi. The instructions for remote e-voting are as under:

Company's Philosophy on Code of Corporate Governance

Corporate Governance indicates transparency, accountability and reliability of any organisation.

One of the core missions of your organisation is to achieve excellence in all spheres, be it profitability, growth in market share, superior quality of products and services to the satisfaction of the stakeholders through an efficient and effective code of governance.

We aim at providing fairness, clarity and transparency in all our dealings and increasing the value of all stakeholders of the Company.

Your Company, in line with the above, taken various initiatives to further strengthen the corporate governance practices and adopted various codes / policies, pursuant to the Companies Act, 2013 ("**the Act**"), and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ("**Listing Regulations**").

During the financial year under review, the Company has complied with all the applicable provisions of the Listing Regulations.

- **Audits and internal checks**

The Company's accounts are audited by M/s. S A R A & Associates, Chartered Accountants, Mumbai. With respect to Internal Audit, an external firm acting as independent internal auditor reviews internal controls and operating systems and procedures. With respect to Legal Compliances, the Company conducts its business with high standards of legal, statutory and regulatory compliances.

- **Role of the Company Secretary in overall governance process**

The Company Secretary plays a key role in ensuring that the Board (including Committees thereof) procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the Directors and Senior Management for effective decision-making at the meetings. The Company Secretary is primarily responsible to assist and advise the Board in the conduct of affairs of the Company, to ensure compliance with applicable statutory requirements and Secretarial Standards, to provide guidance to Directors and to facilitate convening of meetings. She interfaces between the management and regulatory authorities for governance matters.

- **Observance of Secretarial Standards issued by the Institute of Company Secretaries of India**

The risk management framework adopted by the Company is discussed in detail in the Management Discussion and Analysis forming part of this Annual Report.

Chairman of the Board

Mr. Rajneesh Agarwal, Non-Executive and Independent Director is the Chairman of the Board.

Responsibilities of the Chairman

Chairman is responsible for fostering and promoting the integrity of the Board while nurturing a culture where the Board works harmoniously for the long – term benefit of the Company and all its stakeholders. The Chairman is primarily responsible for ensuring the Board provides effective governance to the Company. In doing so, the Chairman presides over meetings of the Board and of the shareholders of the Company.

The Chairman actively works with the Nomination, Remuneration and Compensation Committee to plan the Board and Board committee's composition, induct Directors to the Board, participate in the Board effectiveness evaluation process and meet with individual Directors to provide constructive feedback and advice.

Independent Directors

The Act and the Listing Regulations defines an "Independent Director" as a person who is not a promoter or employee or one of the Key Managerial personnel (KMP) of the Company and its subsidiaries. They also state that the person should not have pecuniary relationship or transactions with the Company or its subsidiary, during the two immediate preceding financial years or during the current financial year apart from receiving remuneration as an Independent Director.

The Board includes Directors with independent standing in their respective fields / profession and who can effectively contribute to the Company's business and policy decisions. Their appointment as Independent Directors on the Board is considered by the Nomination, Remuneration and Compensation Committee.

Selection of new Directors

The Board is responsible for selection of new Directors. The Board delegates the screening and selection process to the Nomination, Remuneration and Compensation Committee which consist majority of Independent Directors. The Committee, based on defined criteria, makes recommendations to the Board on the induction of new Directors.

The Nomination, Remuneration and Compensation committee, works with the entire board to determine the appropriate characteristic's skills and experience required for the board as a whole and for individual members. Members are expected to possess the required qualifications, integrity, expertise and experience for the position. They should also possess deep expertise and insights in sectors / areas relevant to the Company, and ability to contribute to the Company's growth.

Tenure of Directorships

The Board constantly evaluates the contribution of the members and periodically shares updates with the shareholders about re-appointments consistent with applicable statutes. The current law in India mandates the retirement of twothird of the non-independent directors (who are liable to retire by rotation) every year and qualifies the retiring members

for reappointment. Independent Director hold office for a maximum term of five consecutive years on the Board of the Company and shall be eligible for re-appointment for a further term of 5 years on passing of a special resolution by the Company.

Based on the disclosures received from all the independent Directors and also in the opinion of the Board, the independent Directors fulfill the conditions specified in Act and Listing Regulations and are independent of the Management.

Board Meeting

Scheduling and selection of agenda items for Board Meetings

The dates of Board Meetings for the next fiscal are decided in advance and published in the Annual Report as part of shareholder information. The Company Secretary draft the agenda for each meeting, along with explanatory notes, in consultation with CFO & MD and distribute these in advance to the Directors. Every Board member can suggest the inclusion of additional items in the agenda. The Board meets at least once a quarter to review the quarterly results and other items on the agenda and also on the occasion of AGM. However with the Board being represented by independent Directors from various parts of the world, it may not be possible for each one of them to be physically present at all the meetings. Hence, we provide video/teleconferencing facilities to enable their participation. The board members are expected to rigorously prepare for, attend and participate in Board and applicable committee meetings. Each member is expected to ensure their current and planned future commitments do not materially interfere with their responsibilities with us.

Availability of information to Board members

The Board has unrestricted access to all Company – related information, including that of our employees. At Board meetings, representatives who can provide additional insights into the items being discussed are invited. Regular updates provided to the Board include:

- Annual operating plans and budgets including capital budgets and any updates;

MANAGEMENT DISCUSSION AND ANALYSIS

- a) Industry structure and developments.
- b) Segment-wise or product-wise performance.
- c) Opportunities and Threats.
- d) Outlook
- e) Risks and concerns.
- f) Internal control systems and their adequacy.
- g) Material developments in Human Resources / Industrial Relations front, including number of people employed
- h) Discussion on financial performance with respect to operational performance.

a) Industry structure and developments.

India has been among the fastest-growing economies in the world over the past few years, lifting millions out of poverty. The authorities have initiated important structural reforms to spur India's catch up with more advanced economies and to improve living standards for all. The main reforms include the inflation-targeting monetary policy framework, the Insolvency and Bankruptcy Code (IBC), the goods and services tax (GST), and steps to liberalize FDI flows and improve the business climate. With Gross Domestic Product (GDP), India's growth is expected to pick up to 7.3% this fiscal year, amid more expansionary policy stance, and India remains global leader of fastest growing large economy. growth averaging 7.3 percent between 2014-15 and 2017-18, India can be rated as among the best performing economies in the world on this parameter. the broad story of India's GDP growth to be significantly higher than most economies of the world does not alter.

Food Service Industry

India, the fastest growing economy in the world, is known for its rich and diverse culture and is a home to people from different religions and languages living together. India is expected to become the fifth largest consumer market in the world by 2025, according to a paper prepared by the Confederation of Indian Industry (CII) and Grant Thornton.

Food and beverages is the biggest of the consumption categories. The F&B sector is supported by the vast agriculture sector: India is the biggest producer of pulses, and the second biggest producer of rice, wheat, sugarcane, and fruits and vegetables.

The higher income levels of consumers give them higher disposal incomes. Lifestyles have changed, and more families are eating out and trying out different cuisines. Working couples are increasingly purchasing convenience foods.

Consumers have become more discerning and those in urban areas particularly trust branded foods for their promise of quality.

A section of consumers has become extremely health conscious. This segment is moving towards protein-rich foods and fruits and vegetables from carbohydrate-rich or fat-laden items. Quality-conscious customers have taken the bottled water market to \$50 million.

The F&B industry would do well to adopt global standards of quality and safety to earn more consumer trust. The need of the hour is the introduction of Total Quality Management principles.

Of the nearly \$400 billion overall Indian food and beverages industry, the food processing sector accounts for about \$130 billion. It makes up 10 percent of the agriculture GDP and 12 percent of the manufacturing GDP.

The food processing sector has various sectors including consumer foods (snacks, beverages, etc.), dairy, meat and poultry, fish, grains and cereals, and fruits and vegetables. Fruits and vegetables and meat and poultry take the lion's share of about 40 percent of the total household consumption.

Technology, mainly IT, has helped the industry evolve from just preserving and packaging food to manufacturing foodstuff according to consumer demand. However, it is yet to take full advantage of technology to reduce wastage. The other main problems are lack of credit; lack of clarity in government policies and in food safety laws; and shortage of employable manpower.

The number of fine dining, casual dining, and quick service restaurants is growing in cities. Younger professionals are their biggest customers. Home delivery and takeaways are also gaining popularity.

The challenges are real-estate prices; lack of availability of personnel with knowledge of basic service etiquette; electricity and water supply; sourcing of raw foodstuff; and the number of licences needed.

The Indian Brand Equity Foundation (IBEF) quotes figures from the Department of Industrial Policies and Promotion to say that the food processing sector received foreign investments of \$6.4 billion from April 2000 to June 2015. The CII believes that the food sector has the potential to receive investments worth \$33 billion before 2025.

Savory snacks

Among the varied snacking options, the savory snacks gained momentum in recent years due to increased penetration of packaged snacks in this category, reflecting the quickly changing snacking patterns of Indian consumers from homemade traditional snacks to a better quality branded packaged snacks. Savory snacks are the most convenient food as they are portable and quick to consume. Apart from daily consumption, savory snacks are increasingly consumed by the Indians when they are travelling, in between meals, having a get together or during special occasions. These savory snacks market in India could be divided into: Ethnic/Traditional snacks, Non-veg snacks, Nuts and seeds, Popcorn, Potato chips, processed (extruded) snacks. According to a new RNCOS report titled “**Indian Snacks Market Forecast to 2023**”, The Indian savory snacks market is growing at healthy double digit CAGR over the past five years. The savory snacks market grew at a CAGR of 29.04% during the period 2010-15. It is expected that savory snack would continue to grow at a CAGR of 33.59% by 2020. The rise in urban population, increasing per capita income, busier lifestyles, higher disposable income, convenience & hygiene factors have led to a high demand for ready and packed savory snacks. Ethnic and traditional snacks grabbed the largest value share in the market.

b) Segment-wise or product-wise performance

The savory snacks market in India grew at a very promising CAGR of 29.04% during the period 2010-15. The market value of this high-growth segment was at INR 92,686.8 million in 2010 and more than tripled to INR 331,577.7 million by 2015. It is expected that savory snack would continue to grow at a CAGR of 33.59% and is expected to reach INR 1,410,936.0 million by 2020. Ethnic and traditional snacks is the largest category in the Indian savory snacks market.

Bakery

Bakery products are food items which generally include biscuits, cakes, pastries, flat-bread, tortilla, chapati, bun, croissant, etc. These products are rapidly gaining popularity owing to their pleasant taste and health-benefits as they are made from a variety of grains such as rye, maize, wheat, and oats among others. The other ingredients used for baking include water, eggs, baking soda and powder, nuts, and additives. As bakery products provide both convenience and affordability to the consumers, their consumption level has witnessed a rise in the past few years. According to the latest report by IMARC Group, titled “**Indian Bakery Market: Industry Trends, Share, Size, Growth, Opportunity and Forecast 2019-2024**”, the Indian bakery market reached a value of US\$ 7.22 Billion in 2018.

As breads and biscuits are fast-moving consumer goods (FMCG), they are consumed on a daily basis by the consumers which increases the sales of these products in India. In addition to this, growth in the fast-food chains further stimulates the demand for breads as they are used in sandwiches, burgers, soups, snacks, etc. Moreover, introduction of value-added bakery products is giving an impetus to the market growth. Apart from this, busy lifestyles, changing eating habits and western influence has reflected

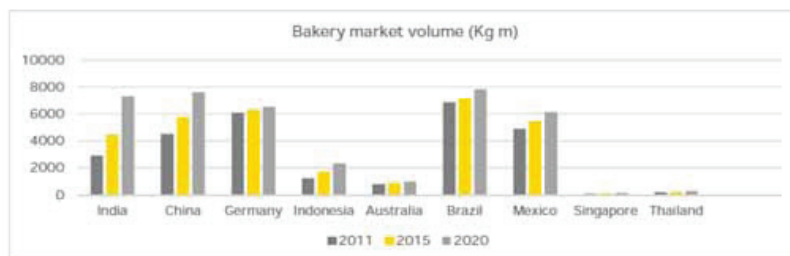

in a strong demand for bakery products in India. Looking forward, the market value is projected to exceed US\$ 12 Billion by 2024, expanding at a CAGR of 9.3% during 2019-2024.

Market Summary:

- Based on product type, the market has been segmented in breads and rolls, cakes and pastries, rusks and biscuits. Currently, biscuits dominate the Indian bakery market, holding the largest share.
- On the basis of distribution channel, convenience stores represent the largest segment, followed by supermarkets and hypermarkets, independent retailers and artisanal bakeries.

c) Opportunities and Threats

Source: GlobalData - Bakery market: Market snapshot (September 2017)

Inflation and Cost Pressures: To counter the rising prices the Company is looking at further leveraging the economies of scale available by opening centralised kitchen facilities in key locations.

Legal Compliance: Being in food industry, the Company is required to obtain various license related to food safety in addition to normal manufacturing licenses and need to ensure product quality. The Company ensures the same with help of state of art quality labs at all its centralised kitchen facilities.

Market: As the Company has tie-ups with various B2B customers like, Café Coffee Day, Easy Day, Heritage, Big Bazaar etc. and further negotiations are going on with many other companies, the marketing support would not be a concern at present. However, the Company would require to continue its effort to penetrate in market and establish its products through better quality and prompt service of the orders, about which the management is confident.

d) Out look

Considering the huge cost involved in operation and maintenance, the Company consolidated its operations to sectors that are profits making in terms of location and formats. This has reduced the operational cost significantly. The Company propose to focus more on such formats and locations to strengthen the financials and may take up additional business activities in line with the objects of the Company.

The Company wish to set a target to show a performance which should be better than the industry. For this purpose the management has already geared up to reduce the cost at each possible processing level and at the same time introduce such products which would find good market and also at the same time generate better margin for the business.

e) Risk and Concerns

The state of external environment, including factors like interest rates, inflation, and growth in economic activity and job creation and consumer sentiment continues to be the biggest source of threat as well as opportunity for the Company. Any slowdown in the economic activity in the country, significant job losses or high rates of inflation can severely impact the consumption and therefore growth of the Company. Other external factors, including a steep rise in interest rates or drastic changes in the policy or regulatory environment can pose financial challenge for the Company. However, the continued steps taken by the Company has reduced its reliance on the debt funds while improving its debt maturity profile. Reduction in the cost of finance had also reduced stress on its cash flow, thereby improving business efficiency and helped in reducing overall operating cost.

The set controls and defined responsibilities at each level of management require evaluation of the various existing risks and new expected risks at an early stage and immediate action plan to mitigate such risks. Further the authorities given at each management level ensures implementation and execution of such action plan with minimised risk. Further, use of information technology for implementation as well as regular review and evaluation of such risks and risk mitigation action plan by management ensures minimisation of such risks.

f) Internal Control Systems and their Adequacy

At GCKL, internal control systems and procedure are adequately commensurate with the size and structure of the business. The operating and business control procedures have been planned and implemented in a manner that ensures efficient use of resources, as well as compliance with procedures and regulatory requirements.

The Company has engaged a firm of Internal Auditors to carry out audits extensively throughout the year with the objective of testing the adequacy and effectiveness of internal controls and recommending improvements.

The Audit Committee hold discussions with auditors periodically about internal control systems, the scope of audit including the observations and reviews of the quarterly, half yearly and annual financial statements before submission to the Board. The Audit Committee ensures compliance of internal control systems.

g) Human Resources/Industrial Relation Font:

The industrial relations across different locations of the Company were cordial during the year. The Company has, over the last few months, built the team necessary to be able to build and execute the vision that has been articulated in the preceding paragraphs. The total number of employees of the Company as on March 31, 2019 stood at 368.

h) Financial performance with respect to operational performance

Sales: The Company achieved total revenue of ₹ 7241.03 lakh during the financial year ended March 31, 2019 in comparison to ₹ 4254.25 lakh in previous twelve months.

Profit/Loss after Tax: The Company recorded loss of ₹ 1954.01 lakhs for financial year ended March 31, 2019 in comparison of loss of ₹ 1221.98 lakh in previous financial year.

Interest: Interest & Financial charges outflow has decreased from ₹ 200.87 lakh incurred in previous twelve months of 2016-17 to ₹ 16.39 lakh for financial year ended March 31, 2019. The decrease in interest and financial charges is due to repayment of certain debt funds.

Dividend: The Board of Directors has not recommended any dividend for year under review.

Equity Share Capital: The equity share capital of the Company has been increased from ₹ 252.29 lakh to ₹ 385.82 lakh due to issue of equity shares on preferential basis during the financial year under review.

Compulsorily Convertible Debentures: 3800000 Compulsorily Convertible Debentures (CCDs) having face value of ₹ 30 per debenture, aggregating to ₹ 11.40 crore were allotted on 12th February, 2019 pursuant to the preferential issue. The CCDs would be convertible within a period of eighteen months from the date of allotment in one or more tranches.

Earnings Per Share (EPS): The Company's Basic EPS has improved marginally from ₹ (6.70) in previous financial year to ₹ (6.69) per share for the current financial year ended March 31, 2019.

Cautionary Statement:

Statements in the Management Discussion and Analysis describing the Company's objectives, expectations or predictions may be forward - looking within the meaning of applicable securities, laws and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include domestic and global environment; supplies and demand conditions affecting prices of final product and service, input availability and prices, changes in government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

Independent Auditor's Report

Annual Report 2018-2019

To,
The Members of
Galaxy Cloud Kitchens Limited
(Formerly known as Galaxy Entertainment Corporation Limited)
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Galaxy Cloud Kitchens Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statement under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statement and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statement our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statement or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statement that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report Annual Report 2018-2019

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statement, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report Annual Report 2018-2019

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraphs 3 and 4 of the order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive loss, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statement comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the director is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls refer to our separate report in "Annexure B";

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statement
- (ii) The Company did not have any long-term contracts including derivative contracts hence the question of making a provision for any resulting material foreseeable losses does not arise; and;
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure B to Independent Auditor's Report _____ Annual Report 2018-2019

The Annexure referred to in paragraph 1(A)(f) under "Report on Other Legal and Regulatory Requirements" section of our report of even date,

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Galaxy Cloud Kitchens Limited** (Formerly known as 'Galaxy Entertainment Corporation Limited') ("the Company") as of 31st March, 2019 in conjunction with our audit of the financial statement of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ICAI (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure B to Independent Auditor's Report _____ Annual Report 2018-2019

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

on Financial Statements for the year ended March 31, 2019

1) Company Overview

Galaxy Cloud Kitchens Limited (formerly knowns as Galaxy Entertainment Corporation Limited) ('the Company') is a public Company domiciled in India and incorporated under the provisions of Companies Act, 1956 on August 13, 1981. The Company is engaged in manufacturing of food products (Viz bakery, desserts, confectionery, meals, ready to eat food.) The Company has manufacturing facilities at five location and sells primarily in India.

The Company has its registered office at Mumbai, Maharashtra, India. The Company has its primary listing on BSE Limited.

The financial statements were authorised for issue in accordance with a resolution of the Board of Directors on May 24, 2019.

2) Significant Accounting Policies

(a) Basis of preparation of financial statements.

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency'). All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousand as per the requirement of Schedule III to the Act, unless otherwise stated.

(b) Use of estimates and judgments

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(c) Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the property, plant and equipment will flow to the company and the cost of the property, plant and equipment can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit or Loss during the reporting period in which they are incurred. Assets classified as held for sale are reported at the lower of the carrying value or the fair value less cost to sell.

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives. The estimated useful lives of assets are as follows:

Asset Class	Useful Life
Plant & Machinery	15 Years
Furniture & Fixtures	10 Years
Computer	3 Years
Improvement to Licensed Premises	10 Years

on Financial Statements for the year ended March 31, 2019

The useful lives have been determined as specified by Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss, if any.

(d) Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on straight line basis from the date they are available for use.

(e) Impairment of non-financial assets

An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the assets is increased to its revised recoverable amount, provided that this amount doesn't exceed the carrying amount that would have been determined, had no impairment loss being recognized for the asset in prior years.

(f) Investments and other financial assets

(i) Classification

The company classifies its financial assets in the following measurement categories:

- (a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- (b) Those measured at amortized cost.

The classification depends on the company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

(ii) Measurement

At initial recognition, the company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt Instruments:

A subsequent measurement of debt instruments depends on the Company's business model for managing the assets and the cash flow characteristics of the asset. The company classify its debts instruments in to following categories:

Amortised Cost: Assets that are held for collection of contractual cash flows represents solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income: Assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flow present solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/ (losses).

Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Statements of Profit and Loss.

Equity Instrument:

The Company measures all equity investment at fair value except investment in subsidiaries, joint ventures and associates which are measured at cost less impairment if any. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

(iii) Impairment of financial asset: The Company assesses on a forward looking basis the expected credit losses associated with its assets. The Impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) De-recognition of financial assets

A financial asset is derecognized only when

- (a) The company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

(g) Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a weighted average basis. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

(h) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

i. Sale of Goods

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, goods and services tax, etc.

ii. Sale of services:

Income from services rendered is recognized based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

iii. Interest income:

Interest income from debt instruments is recognized using the effective interest rate method.

iv. Dividends:

Dividends are recognized in profit or loss only when the right to receive payment is established

(i) Employee benefits

i. Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employee's service up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. An actuarial valuation is obtained at the end of the reporting period. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognized as an item of Other Comprehensive Income in the statement of profit and loss.

iii. **Post-employment obligations**

The company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity and
- (b) Defined contribution plans such as provident fund.

iv. **Gratuity obligations:**

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

v. **Defined contribution plans:**

Defined contribution plans such as provident fund etc are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

vi. **Termination benefits**

Termination benefits are recognized as and when incurred. However, the termination benefits which fall due for more than twelve months after the balance sheet date are discounted using the applicable discount rate.

(j) **Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(k) Foreign Currency Translation

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss. Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

(l) Lease – Operating

Leases in which a substantial portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and Loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, in which case the same are recognised as an expense in line with the contractual term.

(m) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(n) Non-current assets (or disposal groups) held for sale and discontinued operations

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognized for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognized.

Non-current assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

(o) Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

(p) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

(q) Provisions and Contingent Liabilities

Provisions are recognized when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events, but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

(r) Earnings per share

(i) Basic earnings per share

Basic earnings per share are calculated by dividing:

- a) the profit attributable to owners of the company
- b) by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- a) the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- b) the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(s) Recent accounting pronouncements:

On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules, 2019 which is applicable with effect from 1st April, 2019.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lease accounting model for lessee and requires the lessee to recognize right of use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value in nature. Currently, operating lease expenses are charged to the statement of profit and loss. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

As per Ind AS 116, the lessee needs to recognise depreciation on rights of use assets and finance costs on lease liabilities in the statement of profit and loss. The lease payments made by the lessee under the lease arrangement will be adjusted against the lease liabilities.

The Company is currently evaluating the impact on account of implementation of Ind AS 116 which might have significant impact on key profit & loss and balance sheet ratio i.e. Earnings before interest, tax, depreciation and amortisation (EBITDA), Asset coverage, debt equity, interest coverage, etc.

The Company has imported Capital Goods under the Export Promotion Capital Goods Scheme of the Government of India, at concessional rates of duty, on an undertaking to fulfill export obligation by October 2015 or such other dates as may be permitted by DGFT. The Company has discharged the liability of customs duty during the year.

Movements in provisions :

Provision for Custom Duty Payable

Opening Balance	65,336.37	65,336.37
Less : Paid during the Year	26,558.89	-
Less : Provision Reversed	38,777.48	-
Closing Balance	-	65,336.37

Leave entitlement

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Gratuity

Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972 or company scheme whichever is beneficial. The same is payable at the time of separation from the company or retirement, whichever is earlier. The benefits vest after five years of continuous service.

The amounts recognised in the balance sheet and the movements in the net defined benefit obligation over the year are as follows:

The fair value of financial instruments referred above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The categories used are as follows :

Level 1: This hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Valuation processes :

For level 2 financial instruments the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

38 (C) : Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values largely due to short term maturities of the instruments.

The fair values of other financial assets and borrowings other than bank borrowings were calculated based on cash flows discounted using a current lending rate. They are classified as level 2 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair value of the long-term borrowing from bank with floating-rate of interest is not impacted due to interest rate changes and will not be significantly different from their carrying amounts as there is no significant change in the under-lying credit risk of the company's borrowing (since the date of inception of the loans). Further, the company has no long-term Borrowings with fixed rate of interest.

Note 39 : Financial risk management

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk are reviewed regularly to reflect changes in market conditions and the Company's activities.

A. Market Risks

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk.

The company is not significantly exposed to foreign currency risk. Moreover, the company has no investments in equity shares thus the company is not exposed to price risk also.

Notes

Annual Report 2018-2019

on Financial Statements for the year ended March 31, 2019

(a) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, management of the Company performs a corporate interest rate risk.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 100 basis point increase or 20 basis point decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	(₹ in thousand)	
	As at March 31, 2019	As at March 31, 2018
Variable rate borrowings	11,279.07	33,007.70
Percentage of variable rate borrowings to total borrowings	100%	100%
Total Borrowings	11,279.07	33,007.70

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Interest rates – increase by 100 basis points*	112.79	330.08
Interest rates – decrease by 20 basis points*	22.56	66.02

*Holding all other variables constant

B. Credit Risks

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities primarily trade receivables and from its loans and advances and other financial instruments.

Trade receivables

Customer credit risk is managed by each business unit subject to the company's established policy, procedures and control relating to customer credit risk management.

The Company measures the expected credit loss of trade receivables and loan & advances customers wise based on historical trend. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Financial Assets are considered to be of good quality and there is no significant increase in credit risk

on Financial Statements for the year ended March 31, 2019

C. Liquidity Risk:

Liquidity risk is the risk that the company will face in meeting its obligations associated with its financial liabilities. The company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the company's credit rating and impair investor confidence.

The following table shows the maturity analysis of the company's financial liabilities based on contractually agreed undiscounted cash flows as at the balance sheet date:

Maturity patterns of liabilities:			(₹ in thousand)

D. Capital Management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders.

The capital structure of the Company is based on management's judgment of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company does not distribute dividends to the shareholders.

Note 40 : Segment information

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the chief finance officer of the Company. Operating segment have been identified on the basis of nature of products and other quantitative criteria specified in Ind AS - 108.

The Company has identified two reportable segments viz. Food & Beverages and Trading. Segments have been identified and reported taking into account nature of products and services, the differing risks and returns and the internal business reporting systems.

The accounting policies adopted for segment reporting are in line with the accounting policy of the Company with following additional policies for segment reporting:

- Revenue and Expenses have been identified to a segment on the basis of relationship to operating activities of the segment. Revenue and Expenses which relate to enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as "Unallocable".
- Segment Assets and Segment Liabilities represent Assets and Liabilities in respective segments. Common assets and liabilities which can not be allocated to any of the business segment are shown as unallocable assets / liabilities.
