**A. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:**

- (i) The voting period begins on Tuesday, 27<sup>th</sup> September, 2022 (9:00 a.m.) and ends on Thursday, 29<sup>th</sup> September, 2022 (5:00 p.m.). During this period shareholder's of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off

date (record date) of 23<sup>rd</sup> September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

## MANAGEMENT DISCUSSION AND ANALYSIS

### I. OVERVIEW

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during the financial year 2021-22. This report should be read in conjunction with the Company's financial statements, the schedules, notes thereto and other information included elsewhere in the Annual Report.

### II. Industry Structure and Developments

(Source: World Steel Association: 2022 world steel in figures)

#### • World Steel Scenario

Global steel sector has over the years saw a significant growth pattern, together with several challenges and shortcomings which are on the verge of becoming the strength of the industry in the near future.

- The **world crude steel production** has increased to around 1951 Million Tonnes (MT) in the year 2021 as per the data provided by World Steel Association, China being the top-most steel producing nation.
- The **world apparent steel use per capita** has decreased to around 232.8 kilograms for the CY 2021 as compared to 229.0 kilograms in the CY 2020.

Due to special emphasis on productivity and quality improvement global steel demand in 2021 increased to 6.1% as compared to 5.3% in 2020.

#### Indian Steel Scenario

The global economy enters 2022 in a weaker position than previously expected. As the new Omicron COVID-19 variant spreads, countries have reimposed mobility restrictions. Rising energy prices and supply disruptions have resulted in higher and more broad-based inflation than anticipated, notably in the United States and many emerging market and developing economies. Further, the ongoing retrenchment of China's real estate sector and slower-than-expected recovery of private consumption and the ongoing tension between Russia and Ukraine have limited the growth prospects.

India's steel industry has also suffered the production loss due to lockdown in the first half of CY 2020 and recovered gradually by recovery in domestic demand.

- As per the World Steel Association India gained second **position** among the **major steel producing countries** with a crude steel production of **100.3 MT** in the CY 2020 and based on the growth patterns in the industry over the years, it is expected to become the first largest producer of crude steel soon.
- The **apparent steel use per capita** has decreased to 64.52 kilograms for the CY 2020 as compared to 75.1 kilograms per the data provided by World Steel Association.

- The steel sector contributes to over 2% of the Country's GDP.

### III. Opportunities and Threats

#### • Opportunities

(Source: Ministry of Steel: Make in India)

- During the period January to December 2021, India was the 2nd largest producer of Crude Steel in the world.
- In line with Government's announcement of various schemes like Housing for all, Jal Shakti and the resulting investments they will drive into roads, railways and other infrastructure will be major drivers for the growth of the steel sector in India.
- Government's focus on strengthening the domestic manufacturing base under the flagship "Atmanirbhar Bharat" programme. The Production Linked Incentive scheme for Specialty Steel has been introduced to boost the manufacturing sector in industries like automobile & auto components, consumer durables, solar equipment, telecom, etc. These are expected to boost steel consumption.
- Government has announced an investment of over Rs. 1 trillion in infrastructure over the next 5 years. This would be a key growth driver not only for steel industry but will also be a multiplier of growth across the sectors, boosting steel demand from sectors such as transportation, real estate and infrastructure.

#### • Threats

- Demand-Supply imbalance.
- Political, legal and regulatory risks.
- Financial Risks.
- Depletion of high quality raw materials required for production of steel.
- Environmental concerns.
- Dumping of excess inventory in other countries by countries producing steel in abundance.

### IV. Outlook - Steel Sector

(Source: World steel SRO April, 2021)

The Short-Range Outlook ('SRO') by worldsteel had forecasted that steel demand will grow by 4.5% in 2021 and reach 1,855.4 MnT. It is expected that in 2022, the steel demand will see a further increase of 2.2% to 1,896.4 MnT. Strong manufacturing activity bolstered by pent-up demand will remain as a significant contributor. The developed economies have outperformed the expectations by a larger margin than the developing economies, reflecting the positive benefit of higher vaccination rates and government support measures. In the emerging economies, especially in Asia, the recovery momentum was interrupted by the resurgence of pandemic.

**V. Risks and Concerns**

The business environment in which the Company operates faces a variety of risks which may affect its operations, financial results. Many of risks are driven by the factors which are beyond the control of the Company.

Broadly, the risks are classified as under:

In respect of materials lying with third parties these have been confirmed by them. In our opinion the frequency of the verification is reasonable. In our opinion, the discrepancies noticed on verification between the physical stocks and book records were not material, having regard to the size of the operations of the Company.
- (iii) As explained to us, the Company has not granted any loans, secured or unsecured, to Companies, firms, Limited Liability Partnerships or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013.
- (iv) According to the records of the Company examined by us, the Company has not given any loans, investments, guarantees and security under section 185 and 186.
- (v) The Company has not accepted any deposits during the year and does not have any unclaimed deposits as at March 31, 2022 and therefore, the provisions of the clause 3(v) of the Order are not applicable to the company.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been specified under sub-section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) In our opinion the company is regular in depositing undisputed statutory dues with the appropriate authorities.
- (b) In respect of undisputed income-tax, wealth tax, sales tax, custom duty and excise duty, there were no amounts outstanding as on 31st March, 2022 which have remained unpaid for more than six months from the date on which they became payable.
- (viii) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution, bank, Government or any dues to debenture holders as at balance sheet date.
- (ix) According to the records of the company examined by us and the information and explanation given to us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments).
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.
- (xi) According to the records of the Company examined by us, no managerial remuneration has been paid or provided by the Company.
- (xii) The Company is not a Nidhi company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- (xiii) According to the records of the Company examined by us and the information and explanation given to us, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the financial statement as required by applicable accounting standards.
- (xiv) According to the records of the Company examined by us, the Company has not made any preferential allotment or private allotment of shares or fully or partly convertibles debenture during the year.

- (xv) According to the records of the Company examined by us and the information and explanation given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.
- (xvi) According to the records of the Company examined by us the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act.1934.

## **Annexure - B to the Independent Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Viksit Engineering Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**VIKSIT ENGINEERING LIMITED****ACCOUNTING POLICIES AND NOTES ON ACCOUNTS FORMING PARTS  
OF THE BALANCE SHEET AS AT AND STATEMENT OF PROFIT AND  
LOSS FOR THE YEAR ENDED 31.03.2022****SIGNIFICANT ACCOUNTING POLICIES:****A. Accounting Convention**

The financial statements have been prepared in accordance with Generally Accepted Accounting Principles in India ('GAAP') under the historical cost convention on the accrual basis of accounting. GAAP comprises mandatory accounting standards as specified in the Companies (Accounting Standards) Rules, 2006, the provisions of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India ('SEBI') and other pronouncements of the Institute of Chartered Accountants of India ('ICAI'), to the extent applicable. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in an accounting policy hitherto in use. The financial statements are prepared and presented in Indian Rupees unless otherwise stated.

**B. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles require the management to make estimates and assumptions that affect the reported amounts of Assets and Liabilities and disclosure of Contingent Liabilities at the date of the financial statements and the result of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Significant estimates used by the management in the preparation of these financial statements include estimates of the economic useful life of Fixed Assets and provisions for bad and doubtful debts. Any revision to accounting estimates is recognized prospectively.

**C. Fixed Assets:****I. Tangible Assets:**

Fixed Assets are stated at cost of acquisition and subsequent improvements thereto, inclusive of taxes, freight and other incidental expenses related to acquisition, improvements and installation, except in case of revaluation of Fixed Assets where they are stated at revalued amount, as contained in AS-10. . Borrowing costs directly attributable to acquisition of those fixed assets, which necessarily take a substantial period of time to get ready for their intended use, are capitalized.

## II. Intangible Assets:

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

### D. Impairment

At each Balance Sheet date, the management reviews the carrying amounts of each case generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset.

An impairment loss is charged as expense in the statement of Profit and Loss in the year in which an asset is identified as impaired. Reversal of impairment loss is recognized as income in the statement of profit and loss.

### E. Depreciation & Amortisation:

Depreciation on Fixed Assets is provided under the Written down Value Method Effective 1<sup>st</sup> April 2015, the Company depreciates its fixed assets over the useful life in the manner prescribed in schedule II of the Act, as against the earlier practice of depreciating at the rates prescribed in schedule XIV of the companies Act 1956.

### F. Investments

Investments wherever readily realizable and intended to be held not more than one year from the date of such investments are made, are qualified as current investments. Current investments are carried at lower of cost and quoted/fair value, computed category- wise.

Long term investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is other than temporary.

### G. Inventories

Inventories are valued at cost or net realizable value whichever is lower. Cost of inventories is computed on the First-In-First-Out (FIFO) basis.

### H. Sales

Sales are exclusive of sales tax.

### I. Revenue Recognition

Revenue is recognised only when risks and rewards incidental to ownership are transferred to the customer, it can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods,

services, service tax, excise duty and sales during trial run period, adjusted for discounts (net).

Dividend income is recognized when the right to receive payment is established. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

#### **J. Taxes on Income**

Provision for tax for the year comprises current Income Tax and Deferred Tax and is provided as per the Income Tax Act, 1961.

Deferred tax resulting from timing differences between the book and the tax profits is accounted for, at the current rate of tax, to the extent that the timing differences are expected to crystallize. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in the future; however where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets/ liabilities are reviewed as at each balance sheet date.

Minimum Alternate Tax ('MAT') paid in accordance with the Indian Income Tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the balance sheet if there is convincing evidence that the Company will pay normal tax after the tax holiday period and the resultant assets can be measured reliably.

#### **K. Provisions, Contingent Liabilities and Contingent Assets:**

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

#### **L. Contingent Liabilities**

Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence or one or more uncertain future events, not wholly within the control of the company, or where any present obligation cannot be measured in terms of future outflow resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent Assets are not recognized in the financial statements.

#### **M. Cash Flow Statement:**

The Cash Flow Statement is prepared by the "indirect method" set out in Accounting Standard 3 on "Cash Flow Statements" and presents the cash flows by operating, investing and financing activities of the Company.

**N. Earnings Per Equity Share:**

The earnings considered in ascertaining the companies earning per equity share comprise net profit after tax. The number of equity shares used in computing basic earnings per equity share is the weighted average number of shares outstanding during the year.

The number of equity shares used in computing diluted earnings per share comprises the weighted average number. of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

**NOTES ON ACCOUNTS:****16. Segment**
