The turnover of Speciality Chemicals during the current Financial Year was also lower at about Rs. 19 crores, as compared to the turnover of about Rs. 27 crores during the previous Financial Year ended 30th June, 2010 mainly due to the fact that the current Financial Year was for 9 months as compared to the previous Financial Year for 15 months.

AUDITORS' REPORT

The Members of

The Dharamsi Morarji Chemical Company Limited

Report on the Accounts for the nine months period ended March 31st, 2011, in compliance with section 227(2) of the Companies Act, 1956.

- 1) We have audited the attached Balance Sheet of The Dharamsi Morarji Chemical Company Limited, as at March 31, 2011 and also the Profit and Loss Account and the Cash Flow Statement for the nine months period ("the period") ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
- 2) We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
- 3) As required by the Companies (Auditor's Report) Order, 2003, as amended by the Companies (Auditor's Report) (Amendment) Order, 2004, issued by the Central Government of India in terms of sub-section (4-A) of section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
- 4) Further to our comments in the Annexure referred to in paragraph 3 above, we report that:
 - (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - (iii) The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (iv) In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt by this report comply with the accounting standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956.
 - (v) On the basis of written representations received from the directors as on March 31, 2011 and taken on record by the Board of Directors, we report that none of the directors of the Company are disqualified as on March 31, 2011 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956;
 - (vi) Attention is invited to Note No.22, regarding preparation of accounts on a 'Going Concern' basis despite continued losses and erosion of total net worth of the Company, in view of the management's perceptions and reasons detailed therein.
(vii) The Company had recognized net deferred tax asset in earlier years aggregating to Rs.2654.15 lacs till 31st March, 2009 considering unabsorbed loss up to 31st March, 2008 and unabsorbed depreciation up to 31st March, 2009. For the subsequent financial period, further net deferred tax asset has not been recognized in view of management's perceptions and reason detailed in Note No.16 (b). We are not in a position to opine on the net deferred tax asset recognized till date as regards its ultimate realization since the virtual certainty of the available sufficient future taxable income, as required by Accounting Standard 22 i.e. 'Accounting for taxes on income' notified pursuant to Companies (Accounting Standards) Rules, 2006, could not be substantiated.
Had the Company not recognized the said net deferred tax asset aggregating to Rs.2654.15 Lacs, the Accumulated Losses as at the end of the period would have been higher by Rs.2654.15 Lacs.
 - (viii) *During the period, consequent to the negotiated settlements with the secured/unsecured lenders of the Company, waived dues representing only the Principal amount of borrowings aggregating to Rs.3362.76 Lacs have been credited directly to the 'Capital Reserve' of the Company for the reasons detailed in Note No.14, instead of crediting the same to the Profit and Loss Account of the period, as per the treatment recommended by the Expert Advisory Committee of the Institute of Chartered Accountants of India, in respect of a similar case.*
Had this been credited to the Profit & Loss Account of the period, the Loss for the period would have been lower by Rs.3362.76 Lacs and accumulated losses as at the end of the period would have been lower by a like amount.
 - (ix) *Had the impact of matters stated at (vii) and (viii) been considered, Loss for the period ended 31st March, 2011 of Rs.479.53 Lacs would have been converted into Profit for the period ended 31st March, 2011 of Rs.2883.23 Lacs and accumulated losses as at 31st March, 2011 of Rs.9357.42 Lacs would have been Rs.8648.81 Lacs.*
 - (x) *Subject to Clause No.(vii) and (viii) above, in our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:*
 - a. in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2011;
 - b. in the case of the Profit and Loss Account, of the Loss for the period ended on that date; and
 - c. in the case of the Cash Flow Statement, of the cash flow for the period ended on that date.

SCHEDULE L

NOTES TO THE ACCOUNTS FOR THE PERIOD JULY 2010 TO MARCH 2011

1. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company follows the accrual basis of accounting.

Fixed Assets

Fixed Assets are stated at cost of acquisition or construction, including attributable interest & financial costs till such assets are ready for its intended use, less accumulated depreciation, impairment losses and specific grants received, if any.

Method of Depreciation

Depreciation on all Fixed Assets acquired upto 31.12.1981 is provided on Written Down Value method. Depreciation on all Fixed Assets acquired after 31.12.1981 is provided on Straight Line method.

From the year 1993-94, depreciation on all assets (except continuous process plant and machinery acquired between 01.01.1982 to 31.03.1993) has been provided at the rates specified in Schedule XIV to the Companies Act, 1956, as revised by the notification dated 16th December, 1993, issued by the Department of Company Affairs. In respect of continuous process plant and machinery acquired between 01.01.1982 to 31.03.1993, the specified period (during which the Plant and Machinery is to be depreciated) has been recalculated considering the depreciation already provided upto 31.03.1993 and depreciation from the year 1993-94 has been provided at the reworked rates, which are lower than Schedule XIV rates as per the option given in Guidance Note issued by the Institute of Chartered Accountants of India.

Depreciation on additions and deletions during the year is provided on pro-rata basis.

Cost of leasehold land is amortised over the period of lease.

Treatment of Expenditure during the Construction period

The expenditure incurred during the period of construction (including cost of trial runs, stores issued, expenses on labour allocated for such purpose) is debited to capital work-in-progress and on completion, the costs are allocated to the respective fixed assets. Interest on specific borrowings relating to acquisition / construction of qualifying fixed assets is capitalised upto the date of commissioning.

Valuation of Inventories

Inventories and stores are valued at lower of cost and net realisable value. Cost of Raw materials is computed on an annual weighted average basis. In respect of finished goods / work-in-progress, cost is determined by taking into consideration all direct costs and systematic allocation of related fixed & variable overheads.

Investments

Long-term investments are carried at costs. However provision for diminution in value is made to recognise a decline other than temporary in the value of investments. Current investments are stated at costs or fair value whichever is lower.

Sales

Gross Sales include Turnkey Project sales (based on % completion method), Processing Charges, Excise Duty, Sales Tax / Value Added Tax, Freight on sale of finished goods, Subsidy receivable / received from the Central Government on sale of Single Super Phosphate (SSP). Domestic sales are recognised on despatch of products and are stated net of returns. Export sales are accounted on the basis of dates of Bill of Lading.

Taxation

Income Tax expense comprises of Current Tax and Deferred Tax charge or credit.

i) Current Tax :

A provision is made for the Current Tax based on Tax Liability computed in accordance with relevant provisions & tax rates as per the Income Tax Act, 1961.

ii) Deferred Tax :

The Deferred Tax charge or credit is recognised using prevailing enacted or substantively enacted tax rates. Where there are unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Other deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future. Deferred tax assets / liabilities are reviewed as at each Balance Sheet date based on developments during the year and available case laws, to reassess realisation/liabilities.

Employees' Benefits

Contributions to the Company's Provident Fund, Family Pension Fund, Superannuation Fund and Gratuity Fund (based on actuarial valuation) are being charged to revenue.

The Company has the scheme which enables employees to encash the accumulated privilege leave (upto stipulated limits) on retirement. The 'Company's liability in respect of this leave encashment scheme is determined on the basis of actuarial valuation and the same is charged to Profit & Loss Account.

Foreign Currency Transactions

- (i) Monetary items of assets/liabilities denominated in foreign currency are translated at the exchange rate prevailing on the last day of the accounting year. In respect of items covered by forward exchange contracts, the premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or expense for the year. Foreign currency transactions are accounted at the rate prevailing on the date of transaction.

NINETIETH ANNUAL REPORT JULY, 2010 TO MARCH, 2011 (9 Months)

(ii) Non Monetary items of assets/liabilities which are carried in terms of historical cost determined in a foreign currency are reported using the exchange rate at the date of transaction.

(iii) Gain or Loss arising out of conversion is taken credit for or charged to the profit and loss account.

Provisions / Contingencies

Provision is recognised when the Company has a present obligation as a result of past event, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value & are determined based on best estimate of the expenditure required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. A contingent liability is disclosed unless the possibility of an outflow of resources embodying the economic benefit is remote.

Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its estimated recoverable amount. The recoverable amount is greater of the asset's net selling price and its value in use. In assessing the value in use, the estimated future cash flows are discounted to the present value using the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. Previously recognised impairment loss is further provided or reversed, depending on changes in circumstances, if any.

Lenders' Sacrifice Amortisation

The cost to the Company arising out of conversion of lenders' sacrifice (by way of reduction in the interest rates) is amortised equally over the period of repayment of term loans to the lenders.

The above information has been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the auditors.

- 13 (a) A contract was entered into in 1993 between the Company and General Fertiliser Co., (GFC) Homs, Syria for revamping of two streams of Sulphuric Acid Plant of GFC by the Company. The value of the contract was USD 12.8 million plus Syrian Pounds 72 million, equivalent to Rs.44.24 crores, considering the exchange rates prevailing in 1993. The Company has completed this project and has also given the required performance test runs on the two streams of the Sulphuric Acid plant. The Company has also received all payments from GFC, Syria except payment of certain invoices aggregating to USD 1.37 million (included in "Sundry Debtors") equivalent to Rs.620.01 lacs as on 31.03.2011. The Company has also made claims from GFC, Syria towards interest on delayed payments, bank charges for extension of the validity period of the Letter of Credit/bank Guarantees and other overheads.

The Company has not taken any credit for these claims in the books of accounts. As provided in the contract, the case was referred to the Arbitration Tribunal at Damascus, Syria. The Arbitration Tribunal has given its award, according to which GFC, Syria was required to make payment to the Company of the aforesaid unpaid dues aggregating to USD 1.37 million.

Further, the Arbitration Tribunal has accepted certain claims made by the Company as also by GFC, Syria. The Company as well as GFC, Syria have filed their respective appeals against the Arbitration award with the State Council at Damascus, Syria. The Company as well as GFC, Syria have made certain claims on each other, in their respective appeals as filed with the State Council. The State Council constituted a seven member Expert Committee in October 2002 to examine these claims and give its recommendations. The Report of this Expert Committee, containing its recommendations has been submitted to the State Council. The comments received from GFC, Syria and the Company (in response to the recommendations of the Expert Committee) have been forwarded by the State Council to the Expert Committee. Based on these comments, the Expert Committee has submitted its Report to the State Council recommending payment to the Company of the aforesaid invoices aggregating to USD 1.37 million (equivalent to Rs.620.01 lacs) and certain other claims of the Company.

On this basis, the Supreme Administrative Court of Syria has given its judgement according to which a net amount of about USD 0.90 Million (equivalent to Rs. 398.43 lacs) is payable by GFC to the Company as on 31.03.2011. The shortfall in receivable between the amount included in "Sundry Debtors" as on 31.03.2011 (i.e. Rs.620.01 lacs) and the net amount payable to the Company as on 31.03.2011 as per the judgement given by Supreme Administrative Court of Syria (i.e. Rs. 398.43 lacs), has already been provided in earlier Financial Year.
- (b) The Company has made a provision for Doubtful Debts and Advances aggregating to Rs.1898.22 lacs upto the period ended 31.03.2011 (Previous Year 1823.22 lacs). In the opinion of the Management of the Company, this provision is adequate to cover the Doubtful Debts & Advances as on 31.03.2011, including those in respect of dues from GFC, Syria (to the extent considered doubtful).
- (c) The Debtors as on 31.03.2011 are subject to confirmations from customers.
14. Consequent to the negotiated settlements with the Secured/Unsecured Lenders, an amount aggregating to Rs.3362.76 Lacs payable by the Company to these lenders has been waived by the said lenders. The Company has credited this amount of Rs. 3362.76 Lacs to 'Capital Reserve' during the period ended 31.03.2011, since it consists of principal amount of borrowings only (without any interest component). Those negotiated settlements do not involve any cash flows and hence are not included in the Cash Flow from "Financing Activities" as disclosed in the attached Cash Flow Statement for the period ended 31st March 2011.
15. Interest expense for the period ended 31st March 2011 and for the period ended 30th June 2010 is net off interest income of Rs.10.55 lacs and Rs.12.67 lacs, respectively. Tax deducted at source in respect of aforesaid interest income for the period ended 31st March 2011 is Rs. 1.55 lacs (Previous year Rs.1.01 lacs).
- 16 (a) No provision has been made in respect of current income tax since there is no taxable income during the period ended 31st March 2011 and for the period ended 30th June 2010.
- (b) The Company will start trading in various fertilisers and other agri inputs in association with a " Strategic Investor", after completing sale of fixed assets of the Company at its Ambarnath factory. This will result in significant additional turnover and profits. Consequently, there is virtual certainty of realisation in respect of "Deferred Tax Asset" mainly resulting from unabsorbed depreciation and carried forward losses. Accordingly, the Company had recognised "Deferred Tax Asset" amounting to Rs. 2148.17 Lacs, in the Financial Accounts for the

18 months ended 30th September 2007, considering unabsorbed depreciation and unabsorbed business losses upto 31.03.2007. The Company has recognised further "Deferred Tax Asset" amounting to Rs. 505.98 lacs in the Financial Accounts for the period of 18 months ended 31.03.2009, mainly resulting from Unabsorbed Depreciation upto 31.03.2009 and Unabsorbed Business Losses upto 31.03.2008. The Company will also recognise "Deferred Tax Asset" resulting from further "Unabsorbed Depreciation" and further "Unabsorbed Business Losses", after completing sale of fixed assets of the Company at its Ambarnath factory.

- (c) The break-up of the Deferred Tax Liability / (Deferred Tax asset) as on 31.03.2011 and 30.06.2010, recognised by the Company in the books of accounts, is as follows :

17. (a) The non-viable operations of the Company's fertiliser and chemical business at its Ambarnath factory had resulted in continued losses and delayed payment of wages and salaries to employees for last several months. With a view to reduce losses, the Management had submitted its Charter of Demands on the Company's recognised Union at Ambarnath, which has been rejected by the Union. The Management, therefore, has suspended the operations of its Ambarnath factory, with effect from 23rd January, 2009 and has issued a notice of "Lock Out" of the said factory with effect from 9th February, 2009. Consequently, the Company has not provided for the employees cost with effect from 9th February, 2009 (being not payable), in respect of those employees who are covered by "Lock Out".

The Company's recognised Union at Ambarnath requested the Industrial Court, Maharashtra, at Thane to grant various interim reliefs (including granting of stay on the effect, implementation, and operation of the afforsaid notice of "Lock Out"). This request of the Union was rejected by the Industrial Court, Maharashtra, at Thane.

Subsequently, the Company signed a Memorandum of Agreement dated 30th June 2010 with the Company's recognised Union at Ambarnath, under which a Voluntary Separation Scheme was introduced for the workmen at Ambarnath (including workmen of Head Office). Accordingly all workmen at the Company's Ambarnath factory (including workmen of Head Office) have since applied for Voluntary Separation from the services of the Company. The "Separation Compensation" (aggregating to Rs.707.01 lacs) payable to all these workmen has been provided in the books of account for the extended Financial Year ended 30/06/2010 and same has since been paid to these workmen in August, 2010 alongwith all other legal dues.

- (b) The Company has obtained the requisite approval of the shareholders under section 293(1)(a) of the Companies Act, 1956 for sale / transfer / disposal of its Land, Factory Buildings and Plant & Machinery at its Ambarnath factory. (Written Down Value of the Fixed Assets of the Company at its Ambarnath factory as on 31.03.2011 is Rs. 2380.12 lacs). Therefore, while reporting "Segment Results", in Note No. 18 to the accounts, depreciation of Ambarnath factory has been shown separately and remaining loss of Ambarnath factory has been included in "Others/Unallocated Expenditure". Also, Fixed Assets, Current Assets and Current Liabilities relating to the Ambarnath factory of the Company have been excluded for segment-wise reporting of "Capital Employed".
