## **INDEPENDENT AUDITOR’S REPORT**

To,

The Members of **KEMP & COMPANY LIMITED**

### **Report on the Audit of the financial statements**

#### **Opinion**

We have audited the accompanying financial statements of **KEMP & COMPANY LIMITED** (“the Company”), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flows for the year the ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

##### **A. Valuation of Unquoted Investments**

###### Description of Key Audit Matters

The Company’s has made investments in financial instruments amounting to Rs. 1,11,701 thousand as of March 31, 2019. Due to their unique structure and terms, the valuations of investments these unquoted are based on valuations. Therefore, there is measurement uncertainty involved in this valuation and is based on assumptions. As a result, the valuation of these investments was significant to our audit.

###### Description of Auditors Response

Our procedures included discussion with the management on the reasonableness of the assumptions and our procedures included:

- Reviewed the information supplies for valuation of unquoted investments.
- Reviewing the Valuation reports issued by the independent valuation professional for valuation of the unquoted investments.
- Reviewing the assumption made in the prior years and any significant change in assumption during the year.

### B. Valuation of Employee Benefits

#### Description of Key Audit Matters

The Company has recognised provision for Gratuity of ₹ 3,898 thousand and provision for Leave Encashment of ₹ 520 thousand as of March 31, 2019. The assumptions that underpin the valuation of the Gratuity and Leave Encashment are important and also based on subjective judgements. Management has obtained advice from actuarial specialists in order to calculate the amount of Gratuity and Leave Encashment to be recognised as uncertainty arises as a result of estimates made based on the Company's expectations about long-term trends and market conditions. As a result, the actual surplus or deficit realised by the Company may be significantly different to that recognised on the balance sheet since small changes to the assumptions used in the calculation materially affect the valuation.

#### Description of Auditors Response

Our procedures included discussion with the management on the control on the data and reasonableness of the assumptions

- We reviewed the scheme rules to ensure our understanding is current. We tested the input data used by the actuary to company records.
- We evaluated the key actuarial assumptions with the assistance of our specialists to determine if these were within an acceptable range.
- We compared with the actuarial gain/loss of earlier years to understand the impact of the variation in the assumptions.
- We read the disclosure in the financial statements in respect of employee benefits to consider whether these are consistent with the conclusions of our audit work and meet the disclosure requirements of the relevant accounting standards.

### **Management's Responsibility for the financial statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 26 to the financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company by the Company during the year ended March 31, 2019.
- (h) With respect to the matter to be included in the Auditor’s Report under section 197 (16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197 (16) which are required to be commented upon by us.

### **ANNEXURE A TO THE INDEPENDENT AUDITOR’S REPORT**

Referred to in paragraph 2 of ‘**Report on other Legal and Regulatory Requirements**’ in our Report of even date on the accounts of KEMP & COMPANY LIMITED for the year ended March 31, 2019

- i. (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The fixed assets of the Company physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and discrepancies noticed between the book records and the physical inventories were not material and have been properly dealt with in the accounts.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. During the year, the inventories have been physically verified by the management. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on physical verification of inventories as compared to the book records were not material and have been properly dealt with in the books of account.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 during the year. Accordingly, clause 3 (iii) of the Order is not applicable to the Company.

- iv. The Company has complied with provisions of Section 186 of the Companies Act, 2013 in respect of investments made and Section 185 of the Companies Act, 2013 is not applicable as there were no loans, securities and guarantees given during the year.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified and therefore clause 3(v) is not applicable.
- vi. The Central Government has not prescribed maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013, for any of the products of the company.
- vii. (a) The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of custom, duty of excise duty, value added tax, cess, Goods & Service Tax and any other material statutory dues applicable to it. According to the information and explanations given to us, no undisputed arrears of statutory dues were outstanding as at March 31, 2019 for a period of more than six months from the date they became payable.  
(b) According to the information and explanation given to us and the records of the Company examined by us, there are no dues of Sales Tax, Service Tax, Goods and Service Tax, Custom Duty, Income Tax, Excise Duty, Value Added Tax and Cess which have not been deposited on account of any dispute.
- viii. The Company has not taken any loan or borrowing from bank, government, financial institution and has not issued debentures during the year. Accordingly, clause 3 (viii) of the Order is not applicable to the Company.
- ix. The Company has not taken any term loans and does not raised moneys by way of Initial public offer/ further offer (including debt instruments) during the year. Accordingly, clause 3 (ix) of the Order is not applicable to the Company.
- x. Based upon the audit procedures and information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with schedule V to the Companies Act, 2013.
- xii. In our opinion and according to the information and explanations given to us, the nature of the activities of the company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3(xii) of the order is not applicable to the company.
- xiii. According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sec 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3 (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3 (xv) of the Order is not applicable to the Company.
- xvi. The company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi) of the Order is not applicable to the Company.

**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of KEMP & COMPANY LIMITED ("the Company") as of 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes forming Part of the financial statements for the year ended March 31, 2019

### 1 Company Overview

The Company ("Kemp & Company Ltd" "KCL") is an existing public limited company incorporated on 27/06/1982 under the provisions of the Indian Companies Act, 1956 and deemed to exist within the purview of the Companies Act, 2013, having its registered office at DGP House, 5th Floor, 88-C, Old Prabhadevi Road, Mumbai-400 025. The Company is having retail outlet of VIP luggage in Delhi and Calcutta and also property at Mumbai. The equity shares of the Company are listed on BSE Limited ("BSE"). The financial statements are presented in Indian Rupee (₹). These financial statements were approved for issue by the Board of Directors on 28th May, 2019.

### 2 Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### (A) Basis Of Preparation Of Financial Statement

##### i) Compliance with Ind AS

These financial statements Complies in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements were authorized for issue by the Company's Board of Directors on 28th May, 2019.

##### ii) Historical cost convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements are prepared under the historical cost convention, except in case of significant uncertainties and except for the following:

- (a) Certain financial assets and liabilities (Including Derivative Instruments) that are measured at fair value or amortised cost;
- (b) Defined benefit plans where plan assets are measured at fair value.
- (c) Investments are measured at fair value.

##### iii) Current and Non Current Classification.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

#### (B) Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

#### (C) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### (I) Financial Assets

##### (i) Classification

The Company classifies its financial assets in the following measurement categories:

- (a) at fair value (either through other comprehensive income, or through profit or loss); and
- (b) at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

**Notes forming Part of the financial statements for the year ended March 31, 2019**

- (a) For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.
- (b) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (c) For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

**(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not measured at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

**(a) Debt instruments**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

**Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

**(b) Equity instruments**

The Company subsequently measures all equity investments at fair value. Where the Company's management has selected to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income or other expenses, as applicable in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

**(iii) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses (ECL) associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime credit losses (ECL) to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

## Notes forming Part of the financial statements for the year ended March 31, 2019

The Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### **(iv) Derecognition of financial assets**

A financial asset is derecognised only when -

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

## **(II) Financial Liabilities**

### **(i) Measurement**

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

### **(ii) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### **(D) Financial guarantee contracts**

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortization, where appropriate.

### **(E) Segment Report**

- (i) The company identifies primary segment based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.
- (ii) The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

### **(F) Inventories Valuation**

Traded goods are valued at cost or realizable value whichever is lower. The cost is arrived on first in first out basis.

### **(G) Cash and cash equivalents**

Cash and cash equivalents includes cash in hand, deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**Notes forming Part of the financial statements for the year ended March 31, 2019**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial balance sheet and which are considered as integral part of company's cash management policy.

**(H) Income tax, deferred tax and dividend distribution tax**

The Income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax is recognised in the profit and loss except to the extent it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income respectively.

**(i) Current income tax**

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**(ii) Deferred tax**

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Company has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

Minimum Alternate Tax credit is recognised as an deferred tax asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

**(iii) Dividend distribution tax**

Dividend distribution tax paid on the dividends is recognised consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to statement of profit and loss if the dividend itself is charged to statement of profit and loss. If the dividend is recognised in equity, the presentation of dividend distribution tax is recognised in equity.

**(I) Property, plant and equipment**

- (i) Freehold land is carried at historical cost including expenditure that is directly attributable to the acquisition of the land.
- (ii) All other items of property, plant and equipment are stated at cost less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition of the items.

**Notes forming Part of the financial statements for the year ended March 31, 2019**

- (iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- (iv) Depreciation methods, estimated useful lives and residual value
  - (a) Fixed assets are stated at cost less accumulated depreciation.
  - (b) Depreciation is provided on a pro rata basis on the straight-line method over the estimated useful lives of the assets which is as prescribed under Schedule II to the Companies Act, 2013. The depreciation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.
- (v) Tangible assets which are not available for their intended use on reporting date are carried as capital work-in-progress.
- (vi) The residual values are not more than 5% of the original cost of the asset.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other expenses or other income as applicable.

**(J) Investment Property**

Property that is held for return purpose or Capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment property is measured at cost including related transaction cost and where applicable borrowing cost. Investment properties are depreciated at the same rate applicable for class of asset under Property, Plant and Equipment.

**(K) Intangible assets**

- (i) An intangible asset shall be recognised if, and only if: (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and (b) the cost of the asset can be measured reliably.
- (ii) Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include licence fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented for use. The same is amortised over a period of 3 years on straight-line method.

**(L) Leases**

**(i) As a lessee**

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

**(ii) As a lessor**

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

**(M) Revenue Recognition**

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount, Good and Service tax and amounts collected on behalf of third parties. The Company recognises revenue as under:

**Notes forming Part of the financial statements for the year ended March 31, 2019****(I) Sales**

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Group performs; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

**(II) Other Income****(i) Interest Income**

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

**(ii) Dividend Income**

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

**(iii) Income from Services:**

- (a) The amount of revenue can be measured reliably.
- (b) It is probable that future economic benefits associated with the transaction will flow to the Company.
- (c) The stage of completion of the transaction at the end of the reporting period can be measured reliably.
- (d) The cost incurred for transaction and the cost to complete the transaction can be measured reliably.

**(N) Employee Benefit****(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**(ii) Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

## Notes forming Part of the financial statements for the year ended March 31, 2019

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### **(iii) Post-employment obligations**

The company operates the following post-employment schemes:

#### **(a) Defined benefit gratuity plan:**

Gratuity and Leave encashment which are defined benefits are accrued based on actuarial valuation working provided by Independent actuary.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as per the report on independent actuary. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

#### **(b) Defined Contribution plan:**

Contribution payable to recognised provident fund which is defined contribution scheme is charged to Statement of Profit & Loss. The company has no further obligation to the plan beyond its contribution.

### **(O) Foreign currency translation**

#### **(i) Functional and presentation currency**

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

#### **(ii) Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

### **(P) Borrowing Cost**

- (i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.
- (ii) Borrowings are classified as current financial liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### **(Q) Earnings per share**

#### **(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

**Notes forming Part of the financial statements for the year ended March 31, 2019**

- the profit attributable to owners of the Company; and
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

**ii) Diluted earnings per share**

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**(R) Impairment of Assets**

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**(S) Provisions, contingent liabilities and contingent assets****(i) Provisions:**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

**(ii) Contingent liabilities:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

**(iii) Contingent Assets:** Contingent Assets are disclosed, where an inflow of economic benefits is probable.

**(T) Investments**

Equity investments are measured at fair value, with value changes recognised in Other Comprehensive Income, except for those mutual fund for which the Company has elected to present the fair value changes in the Statement of Profit and Loss.

**(U) Trade receivables**

Trade receivables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

**(V) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortised cost using effective interest rate method.

**(W) Operating Cycle**

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

**Notes forming Part of the financial statements for the year ended March 31, 2019****(X) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees thousand (upto two decimals), unless otherwise stated as per the requirement of Schedule III (Division II).

**(Y) Recent Indian Accounting Standards (Ind AS)**

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified following new and amendments to Ind AS which the Company has not applied as they are effective from April 1, 2019.

**(i) Ind AS - 116 : Leases**

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The Company will adopt Ind AS 116, effective annual reporting period beginning April 1, 2019. The Company will apply the standard to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application. Accordingly, the Company will not restate comparative information, instead, the cumulative effect of initially applying this standard will be recognised as an adjustment to the opening balance of retained earnings as on April 1, 2019. On that date, the Company will recognise a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognised at its carrying amount as if the standard had been applied since the commencement date, but discounted using lessee's incremental borrowing rate as at April 1, 2019. In accordance with the standard, the Company will elect not to apply the requirements of Ind AS 116 to short-term leases and leases for which underlying asset is of low value.

With effect from April 1, 2019, the Company will recognise new assets and liabilities for its operating lease of premises and other assets. The nature of expenses related to those leases will change from lease rent in previous periods to a) amortisation charge for right-to-use asset, and b) interest accrued on lease liability. The Company is in the process of finalising changes to systems and processes to meet the accounting and reporting requirements of the standard.

**(ii) Ind AS 109 : Prepayment features with negative compensation**

The amendments relate to the existing requirements in Ind AS 109 regarding termination rights in order to allow measurement at amortised cost even in case of negative compensation payments. The Company does not expect this amendment to have any impact on its financial statements.

**(iii) Ind AS 19 : Plan amendment, curtailment or settlement**

The amendment clarify that if a plan amendment, curtailment or settlement occurs, it is mandatory that the current service cost and the net interest for the period after the re-measurement are determined using the assumptions used for the re-measurement. In addition, amendments have been included to clarify the effect of plan amendment, curtailment or settlement on the requirements regarding the asset ceiling. The Company does not expect this amendment to have any significant impact on its financial statements.

**(iv) Ind AS 23 : Borrowing Costs**

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes the part of the funds that entity borrows generally when calculating the capitalisation rate on general borrowings. The Company does not expect any impact from this amendment.

#### (i) PF related matters

The Supreme Court in a recent judgement has held that provident fund contributions are payable on basic wage, dearness allowances and all other monthly allowances, which are ordinarily paid to all the employees in the establishment of the Board. There are numerous interpretative issues relating to the judgement and the matter remains sub judice. As a matter of caution, the Company is consulting in respect of the matter and will make provision on a prospective basis once there is a clarity. However, the impact will be immaterial.

# The management does not expect these demands/claims to succeed. Claims, where the possibility of outflow of resources embodying economic benefits is remote, have not been considered in contingent liability.

**Notes:**

- The Company has identified the following segments:
  - The Real Estate segment, which includes letting out of properties.
  - The Trading segment which includes retailing of plastic moulded suit cases, brief cases & vanity cases and other travel goods & accessories.

These segments have been identified considering the organizational structure, internal financial reporting system, and the risk- return profiles of the business.
- Segment results / assets & liabilities include the respective amounts identifiable to each of the segments and amounts allocated on a reasonable basis.
- All the Company's operations are conducted in India. The Commercial risks and returns involved on the basis of geographic segmentation are relatively insignificant. Accordingly, secondary segment disclosures based on geographic segments are not considered relevant.

**36 Capital Management**
**Risk Management**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company capital management is to maximise the shareholder value.

**37 Financial Risk Management**

The Company's activities expose it to credit risk and liquidity risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact thereof in the financial statements.

**Notes forming Part of the financial statements for the year ended March 31, 2019**

Sl. No.	Risk	Exposure arising from	Measurement	Management
1	Credit Risk	Cash and cash equivalents, trade receivables and financial assets measured at amortised cost.	Ageing analysis	Diversification of Bank deposit and credit limits
2	Liquidity Risk	Other Financial liabilities	Sensitivity analysis	Availability of committed credit lines and borrowing facilities

The Board provides guiding principles for overall risk management, as well as policies covering specific areas such as credit risk, liquidity risk, investment of surplus liquidity and other business risks effecting business operation. The company's risk management is carried out by the management as per guidelines and policies approved by the Board of Directors.

**(A) Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses the direct risk of default, risk of deterioration of creditworthiness as well as concentration risks. The Company is exposed to credit risk from its operating activities (primarily trade receivables), deposits with banks and loans given.

**(B) Liquidity Risk**

The Company's principal sources of liquidity are "cash and cash equivalents" and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

**(xii) Notes**

Gratuity is payable as per company's scheme as detailed in the report.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI).

All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are considered as advised by the company; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition & death in respective year for members as mentioned above for foreseeable future of next 10 years.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Para 139 (a) Characteristics of defined benefit plan:

The Company has a defined benefit gratuity plan in India (unfunded). The company's defined benefit gratuity plan is a final salary plan for employees. Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity.

Para 139 (b) Risks associated with defined benefit plan :

Gratuity is a defined benefit plan and company is exposed to the Following Risks:

Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Para 139 (c) Characteristics of defined benefit plans :

During the year, there were no plan amendments, curtailments and settlements.

Para 147 (a) :

Gratuity plan is unfunded.

**Notes forming Part of the financial statements for the year ended March 31, 2019**

(c) Leave encashment:

The Company has a policy on compensated absences which is applicable to its executives jointed upto a specified period and all workers. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid as a result of the unused entitlement that has accumulated at the Balance Sheet date.

**40** Balances of Trade Receivables, Trade Payables and Loans and Advances are subject to confirmation and consequential adjustment, if any.

**41 Fair Value measurement-**

The fair value of Financial instrument as of March 31, 2019 and March 31, 2018 were as follows-

₹ in Thousand				
Particulars	March 31,2019	Marach 31,2018	Fair value Hirarchy	Valuation Technique
Assets-				
Investment in Equity Instruments through OCI	1,649,906	1,104,599	Level-1	Quoted Market Price
Investment in Equity Instruments	111,702	103,705	Level-2	As per Valuation Certificate
<b>Total</b>	<b>1,761,608</b>	<b>1,208,304</b>		

The management assessed that Cash and Cash equivalents, loans, other balances with Banks, trade receivables, trade payables and other current liabilities/assets approximate their carrying amounts largely due to the short-term maturities of these instruments.

**42** The previous year figures have been regrouped/reclassified, wherever necessary to confirm to the current presentation as per the schedule III of Companies Act, 2013.
