The information on conservation of energy, technology absorption and other details stipulated under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Rules, 2014, is annexed herewith in "Annexure 2".

#### 6.2. Safety, Health and Environment:

Keeping in line with the core values of being a responsible corporate citizen, an Integrated Management System to ensure effective Occupational Health Management has been established by your Company.

- (a) **Safety :** We encourage a high level of awareness of safety issues among our employees and strive for continuous improvement. All incidents are analysed in safety committee meetings and corrective actions, wherever necessary, are taken immediately. Employees are trained in safe practices to be followed at workplace. Active participation is done in Mutual Aid scheme in the respective industrial areas. We are one of the leading members of Local and District Crisis Group and have earned reputation amongst society around and statutory authorities for prompt technical support during Disaster Management events.

External safety audit is carried out by outside agencies and the audit recommendations are being implemented.

Safety promotional activities such as celebration of national safety week, world environment day, fire service day, and participation in regional safety competition are done regularly.

The Company conducted Mock drill for onsite emergency scenario in presence of Observers from Directorate of Industrial Safety and Health and experts from other industries. The systematic mitigation actions were appreciated by the observers. To strengthen the Emergency Response, the company has conducted Truncated drills and Table top exercises and assessed performance of emergency responders. Daily tool box talks, safety talks to officers and contractors are done by the company staff.

The Company has a Disaster Management Plan within the Company and for surrounding industry, either in the form of providing risk information to the community or responding in case of any emergency, as a part of its social responsibility.

Online deviation reporting system has been installed with access to all employees including contract employees. The deviations recorded are promptly corrected by Area in-charge and closed. Employees are rewarded for good suggestions. This system encourages involvement of employees at all levels.

In addition to the above we have introduced an award for Safe employee and Safe contractor of the year in 2015/16. The awards were distributed accordingly and the practice will be continued.

Based on Operational Hazards, we have provided adequate levels of protections through scientific safety studies.

- (b) **Health :** Health of employees is of utmost importance. Periodic check up of all employees is done to monitor their health. Regular work area monitoring to check concentration of chemicals, noise level, and quality of ambient air is done. We also have well equipped Occupation Health Centers with a full time Doctor, appropriate staff and own AMBULANCE Vehicle at both manufacturing sites at Patalganga and Kurkumbh. We have team of employees trained as FIRST AIDERS who contribute their skills while on duty as well as away from duties to serve the society. Occupational Health and Safety issues are continuous focus points for your Company. Both sites are certified to OHSAS 18001:2007.

New employees undergo medical check up before they join duty. Training programs are arranged on lifestyle diseases by eminent doctors. Health camps (including blood donation camps) are arranged. Drivers are provided training on health issues. Occupational health Centres have been upgraded and modern equipments are provided. Health promotional activities, such as celebrating International Yoga day at all our sites and conducting Yoga training of all our employees and contractors were done.

(c) **Environment:**

In line with our IMS Policy, we give utmost importance to Environment protection and adherence to pollution control norms. Environmental Management System at Patalganga and Kurkumbh has been certified to ISO 14001:2004. We have successfully completed the surveillance audits that take place from time to time.

Environment protection and adherence to pollution control norms is of high concern for our company.

- i) Air Emissions – We monitor regularly emissions from various sources and are very particular about compliance with statutory requirement. Projects are undertaken for reduction of emissions.
- ii) Liquid Waste Treatment – We have integrated Effluent Treatment Plants and we maintain outlet standards within the prescribed limits. Continuous efforts are made by improving the internal processes to minimize the quantity of effluent generated and feasibility of recycling of treated effluent is being studied. The company has planned substantial investment for expanding as well as upgrading its effluent treatment capacity to meet long term requirements. Our Company is also a member of the CETP located at Patalganga and Kurkumbh. Pilot Plant trials of RO system were conducted to confirm the suitability of RO process for recovering water from treated effluent and recycle it for process use. The ETP has been up-graded and is performing satisfactorily.
- iii) Solid Waste Management – Solid wastes are either incinerated or disposed of to secured landfill. The manufacturing sites at Patalganga and Kurkumbh are members of the Authorized Common Hazardous Waste Transport, Storage & Disposal Facility namely; Mumbai Waste Management Limited, Taloja, and Maharashtra Enviro Power Limited, Ranjangaon respectively. We have a programme in place for waste management using reduction / recycle / reused / recovery techniques. These programmes are continuously reviewed for monitoring their progress and effectiveness.
- iv) Green belt – Tree plantation inside and outside the factory premises is given utmost importance. So far we have planted nearly 8320 trees in and around our plant sites.
- v) Non conventional Renewable Energy and Natural Resource conservation – We use Solar Water heaters at the staff colony. Measures like gravitational water supply, Sewage water gardening, Rain water harvesting, and number of GO GREEN activities are also undertaken at the staff colony.
- vi) Our 2MW Solar Power Project at Bhoom has been commissioned and is working satisfactorily
- vii) Possibility of contaminating the storm water due to heavy rains, has been eliminated by improving the effluent collection system. Transfer of effluent through pipelines has been implemented.
- viii) Turbo Ventilators have been installed in all warehouses to minimize exposures and maintain fresh air at the work place.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### ANNEXURE 1

#### INDUSTRY STRUCTURE AND DEVELOPMENT

We are global manufacturers and suppliers of amines, amine derivatives and other speciality chemicals. We have two manufacturing sites, one at Patalganga and the other at Kurkumbh. We have an R&D Centre located at Pune equipped with advanced equipments and analytical instruments. We have recently set up a Solar Plant at Bhoom, Dist. Osmanabad, Maharashtra State.

We have an excellent team of technical and commercial professionals with expertise in chemical manufacturing and marketing.

Our products have application in important industries like pharmaceuticals, agro-chemicals, water treatment chemicals, foundry chemicals, rubber chemicals, etc. We cater to both domestic and international market. We have competition both from local and international producers.

For more details please refer to our website.

#### PERFORMANCE

Total Income (net of taxes) amounted to ₹48455 Lakhs compared to ₹47822 Lakhs of the previous year.

#### OPPORTUNITIES AND THREATS

The Chemical Industry is critical for the economic development of our country, providing products and enabling technical solutions in virtually all sectors of the economy. Your Company has the advantage of having a product range of speciality chemicals, covering a broad spectrum of applications. The demand for our products is driven by a wide range of end use industries.

Your Company is ready to take the challenges of increased demand by continuously investing in upgradation and expansion of its manufacturing capacities. The in-house R&D Department has been developing quality products and is also striving for achieving cost efficiencies.

The industries in which our products have application, like pharmaceuticals, agrochemicals, rubber chemicals etc are growing at a reasonable pace. A lot of new drugs are going off patent and Indian pharmaceutical industry to whom our company supplies its products is suitably placed to take advantage of this situation and have good growth potential, especially because of its cost advantage compared to international players. We have a fair chance of improving our position as a reliable supplier of good quality chemicals to these industries. Our Core Competence in chemical handling and manufacturing supported by an able technical team, should provide a lot of opportunities and scope to the company to improve its performance. We enjoy leadership position in some of the products in domestic market, driven by strong in-house technology, diversified product portfolio and customer base.

The commodity nature of some of our products makes them susceptible to fluctuations in raw material prices and exchange rates. The company is vulnerable to alcohol price volatility. Domestic alcohol prices are dependent on the cyclicity of the sugar industry and Government policy for its use in oil sector. Other petroleum based raw materials are subject to international gas/crude oil price fluctuation.

Being a global player, we are also exposed to competition not only from domestic players but also large international players. Cheap imports especially from countries like China and Taiwan have posed problems, which are being addressed by consistency in quality of the products and improving production efficiencies.

#### FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The profit before tax amounted to ₹ 7248 Lakhs compared to ₹ 6691 Lakhs reported last year.

During the year, our gross domestic sales amounted to ₹ 52734 Lakhs compared to ₹ 52372 Lakhs of the previous year. Due to pressure on sales prices, increase in volume of some of the products did not result in increase in sales value. Exports increased from ₹ 8497 Lakhs (FOB) of the previous year to ₹ 9347 Lakhs (FOB) for the year 2015-16.

#### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company's internal control procedures which includes internal financial controls, ensure compliance with various policies, practices and statutes in keeping with the organization's pace of growth and increasing complexity of operations. Recently, we have set up a statutory compliance management system to ensure compliance with various applicable laws.

We have in place internal control systems in all spheres of activities commensurate with the size of the Company. The system is helping the Managers to advantageously assimilate information and make more knowledge-based and efficiency-driven decisions. The internal control is supplemented by effective internal audit being carried out by an external firm of chartered accountants. The Internal Auditor's team carries out extensive audits throughout the year across all locations and across all functional areas.

The Audit Committee of Directors regularly reviews the findings of the Internal Auditors and effective steps to implement the suggestions/observations of the Auditors are taken and monitored regularly.

Your Company also has laid down procedures and authority levels with suitable checks and balances encompassing the entire operations of the Company.

### WHISTLE BLOWER POLICY

The Company has a whistleblower policy to deal with instances of fraud and mismanagement, if any.

The details of the policy are explained in the Corporate Governance Report and also posted on the website of the Company.

### RISKS AND CONCERNS

The Company has a risk management policy, which from time to time, is reviewed by the Audit Committee of Directors as well as by the Board of Directors. The Policy is reviewed quarterly by assessing the threats and opportunities that will impact the objectives set for the Company as a whole. The Policy is designed to provide the categorization of risk into threat and its cause, impact, treatment and control measures. As part of the Risk Management policy, the relevant parameters for all manufacturing sites are analyzed to minimize risk associated with protection of environment, safety of operations and health of people at work and monitored regularly with reference to statutory regulations and guidelines defined by the Company. The Company fulfills its legal requirements concerning emission, waste water and waste disposal. Improving work place safety continued to be top priority at all manufacturing sites.

### HUMAN RESOURCES

The Company believes that its employees are the key to driving sustainable performance and developing competitive advantage. The HR policies and procedures of your Company are geared towards nurturing and development of Human Capital. Your Company has transparent processes for rewarding performance and retaining talent.

Skill Gap Analysis and other systems are also in place to identify the training interventions required. Employee relations at all locations continued to remain cordial. Your Directors wish to acknowledge the sincere and dedicated efforts of the employees of the company and would like to thank them for the same.

### OUTLOOK

For the year 2016-17, our focus will continue on sustainable growth by taking measures for increasing our market share of existing products and creating new business in untapped growth market segments in Export market.

There is sluggish demand in certain sectors. Sales prices are under pressure due to increased competition from global and domestic players, recession in Europe and fluctuating exchange rate. However, with the global growth of chemicals focused more on Asia, it is expected that there will be further growth in chemical industry.

During the year 2016-17, we expect the investments, which we made in our new product Acetonitrile, and also in debottlenecking capacities of other products, add to both our topline and bottomline.

We will continue with our efforts for improving our market share while re-looking at business strategies and models, wherever necessary. With our continuous efforts for improving efficiencies and margins, barring, unforeseen circumstances, we expect to achieve better results for the year 2016-17.

### CAUTIONARY STATEMENT

Statements made in the report, including those stated under the caption "Management Discussion and Analysis" describing the company's plans, projections and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results may differ materially from those either expressed or implied.

## ANNEXURE 2

(Section 134(3)(m) of The Companies Act, 2013 read with Rule 8(3) of The Companies Act, 2013)

### (A) ENERGY CONSERVATION:

Energy conservation continues to be an active focus area for your Company since it is not only a major cost in the manufacturing process but, more importantly, a significant part of your Company's corporate social responsibilities. Your Company has taken several initiatives at each plant level in order to conserve energy which is in line with our policy of conservation of natural resources.

Our company has taken various measures for conservation of energy. These include the following:

- a) (i) Improved steam condensate recovery by installing new design of traps and monitoring trap performance.
- (ii) Connecting all steam traps open to atmosphere into a closed system.
- (iii) Collecting the condensate and pumping into the boiler.
- (iv) Recovering the heat from high pressure condensate by generating low pressure steam and reusing in the process.
- b) (i) Reduction in consumption of steam, electricity and water by debottlenecking/installing additional equipment in various plants.
- (ii) Improvement in yields and planned increase in throughput in methyl amines, ethylamines and acetonitrile plants.
- c) Utilization of by-product steam.
- d) Installed instruments to measure oxygen content in the flue gas and improve the steam to fuel ratio.
- e) Schemes for optimum utilization of Turbine power have been implemented.
- f) Replacing conventional lighting with LED improved lighting to achieve reduction in power consumption.
- g) Replacing old air-conditioners with new ones with five star rating.
- h) Replacing motors of high rating by high efficiency motors and thereby improving energy efficiency.
- j) Monitoring cooling tower performance to increase cycles of concentration and thus saving water, reducing usage and reducing effluent generation.
- k) Installed VFD for boiler FD fans
- l) Recycling pump seal cooling water to cooling tower make up saving 14m<sup>3</sup>/day.
- m) We have firm plans to install solar water heaters in our colony and canteens for saving electricity. This is planned in 2016/17.

### (B) TECHNOLOGY ABSORPTION:

1. Specific areas in which R & D carried out by the company
  - a) Development of continuous process for aliphatic amines.
  - b) Development of batch processes for several new mixed amine derivatives.
  - c) Development of process for an ecofriendly solvent used for several applications.
  - d) Improvement in existing processes for commercialized product based on latest technology
2. Benefits derived as a result of the above R & D
  - a) Developed processes for four new products.
  - b) In order to add value addition to the waste stream, developed a new product using waste and commercialized it successfully.
  - c) As per the customer requirement two existing processes are modified and products are successfully delivered.
3. Future plans of action

as a percentage of Total turnover	1.15%

### (C) FOREIGN EXCHANGE EARNINGS & OUTGO

	2015-16	2014-15
Foreign Exchange earned	₹ 9372.98 Lakhs	₹ 8497.06 Lakhs
Foreign Exchange used	₹ 1314.41 Lakhs	₹ 1428.20 Lakhs

### ANNEXURE 3

#### ANNUAL REPORT ON CSR ACTIVITIES FORMING PART OF DIRECTORS' REPORT

1. A brief outline of the Company's CSR policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programmes.

CSR Policy is stated on the company's website: [www.alkylamines.com](http://www.alkylamines.com)

2. **Composition of the CSR Committee:**

Ms. Tarjani Vakil, Chairperson (Independent Director)

Mr. Yogesh M. Kothari (Chairman & Managing Director)

Mr. Kirat Patel (Executive Director)

3. **Average profit (as calculated for the purpose of CSR) of the Company for last three financial years:**

Average profit: ₹ 6173 Lakhs.

4. **Prescribed CSR expenditure (two per cent of the amount as in item 3 above):**

The Company is required to spend ₹ 123.46 Lakhs towards CSR.

5. **Details of CSR spent during the financial year:**

(a) **Total amount spent for the financial year: ₹ 88.20 Lakhs** (Previous year ₹ 35.94 Lakhs)

(b) **Amount unspent, if any: ₹ 35.26 Lakhs**

(c) **Manner in which the amount spent during the financial year is detailed below (Rs.in Lakhs)**

Sr. No.	Project Area/ Sector	Locations	Amount Outlay (Budget) Project or Programs wise	Amount spent on the project or programs	Cumulative expenditure upto reporting period	Amount spent: Direct or through implementing agency
1	Environment Sustainability & Rural Development	In the state of Maharashtra	26.00	24.12	24.12	Direct
2	Health/ Woman Empowerment		19.50	17.59	17.59	Both directly and through implementing agency
3	Education/Sports		46.86	44.29	44.29	
4	Others		2.50	2.20	2.20	
	Total		94.86	88.20	88.20	

#### REASON FOR SHORTFALL OF CSR SPEND

As against the sum of ₹ 123.46 Lakhs required to be spent, we have actually spent a sum of ₹ 88.20 Lakhs (as against ₹ 35.94 Lakhs of the previous year). Though funds have been allocated, in order to make payment, agencies still have to complete the milestones as planned and spend the money, including approval of Government authorities. Based upon the baseline study, further projects in the areas of health and Sanitation are being finalised.

#### RESPONSIBILITY STATEMENT OF THE CSR COMMITTEE:

All our projects are identified in a collective manner, in consultation with the community decision makers and the local beneficiaries. Gauging their basic needs and assessing our own mechanisms, we take recourse to the participatory rural appraisal mapping process. Subsequently, based on discussions with local authorities such as Village Panchayats, Tehsildars & the Police, projects are prioritized.

Arising from this, the focus areas that have emerged are those chosen to be included in the CSR plan for the year. All of our community projects are identified and monitored by the hierarchy of our Company:

- Our CSR Committee of Directors
- Subordinate HR/CSR and P&A staff
- Employee Volunteers
- 3rd party/NGO associates/agencies

All projects are assessed under the agreed strategy, and are monitored every quarter, measured against targets and budgets. Wherever necessary, mid-course corrections are employed and applied, to ensure that AACI's standard of excellence is met at all levels of making a positive impact on community.

The CSR Committee hereby declares that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

**12. OUTSTANDING GDR/ADR/WARRANTS OR ANY CONVERTIBLE INSTRUMENTS, CONVERSION DATE AND IMPACT ON EQUITY : NIL**
**13. COMMODITY PRICE RISK OR FOREIGN EXCHANGE RISK AND HEDGING ACTIVITIES:**

The commodity nature of some of company's products makes them susceptible to fluctuations in raw material prices and exchange rates. The company is vulnerable to alcohol price volatility. Domestic alcohol prices are dependent on the cyclicity of the sugar industry and Government policy for its use in oil sector. Other petroleum based raw materials are subject to international gas/crude oil price fluctuation.

**14. DISCLOSURE OF COMMODITY PRICE RISKS AND COMMODITY HEDGING ACTIVITIES:**

To address commodity price risks, we ensure that normally contracts for supply generally do not exceed the production cycle time of three months. In exports, we have linked prices to benchmark raw material prices in most cases of long term supply contracts.

As regards raw material and utilities, volatility in input prices are mitigated by ensuring that commitments match the production plans not exceeding four months, except for Ethyl Alcohol and Coal during the monsoon.

The Company has a comprehensive Risk Management Policy covering commodity price risks and foreign exchange risks.

**15. EQUITY SHARES IN THE SUSPENSE ACCOUNT**

## INDEPENDENT AUDITOR'S REPORT

To the Members of **Alkyl Amines Chemicals Limited**

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Alkyl Amines Chemicals Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account.

- d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

## **“ANNEXURE - A” TO THE INDEPENDENT AUDITOR’S REPORT**

Referred to in paragraph 1(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our Independent Auditors’ Report of even date to the members of the Company on the standalone financial statements for the year ended March 31, 2016.

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Alkyl Amines Chemicals Limited** (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

## “ANNEXURE - B” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 2 under the heading of “Report on Other Legal and Regulatory Requirements” of our Independent Auditors’ Report of even date to the members of the Company on the standalone financial statements for the year ended March 31, 2016.

### **Report on the Companies (Auditor’s Report) Order, 2016, issued in terms of Section 143(11) of the Companies Act, 2013 (“the Act”) of Alkyl Amines Chemicals Limited (“the Company”)**

- i. a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b. The fixed assets have been physically verified by the management according to a phased programme designed to cover all the fixed assets over a period of three years, which in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. Pursuant to the programme, a portion of the fixed assets have been physically verified by the management during the year, and no material discrepancies have been noticed on such verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties, as included in Note 11 on Fixed Assets to the financial statements, are held in the name of the Company, except that in case of two Leasehold Lands, namely, one situated at Kurkumbh taken on lease from Maharashtra Industrial Development Corporation, having Gross Block of ₹ 131.13 Lakhs (Net Block of ₹ 107.49 Lakhs), and the other situated at Dahej taken on lease from Gujarat Industrial Development Corporation, having Gross Block of ₹ 1,135.33 Lakhs (Net Block of ₹ 1114.17 Lakhs), for which Lease Deeds are yet to be executed.
- ii. Inventories, other than stocks-in-transit and stocks lying with third parties, have been physically verified by the management during the year and at year end. For stocks-in-transit at the year-end, the necessary documentary evidences have been obtained. In our opinion, the frequency of such verification is reasonable. In case of stocks lying with third parties, certificates confirming such stocks have been received in respect of stocks held as on March 31, 2016. In our opinion the frequency of such verification is reasonable and no material discrepancies were noticed on such physical verification.
- iii. The Company has not granted any loan, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3(iii) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to investments made. The Company has not given any loan or guarantee or provided any security in connection with a loan to any person or other body corporate and accordingly, the question of commenting on compliance with the provisions in respect thereof does not arise.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public. Accordingly, paragraph 3 (v) of the Order to comment on whether the Company has complied with the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder, is not applicable.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 as specified by the Central Government under Section 148 (1) of the Act in respect of the Company’s products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the said accounts and records with a view to determine whether they are accurate or complete.
- vii. a. According to the information and explanations given to us and on the basis of the books and records examined by us, the Company has been regular in depositing undisputed statutory dues including Provident Fund, Income Tax, Employees’ State Insurance, Sales-tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other statutory dues as applicable to it with the appropriate authorities and there are no arrears of outstanding statutory dues as at the last date of the financial year, for a period of more than six months from the date they become payable.
- b. According to the information and explanations given to us and on the basis of the books and records examined by us, given herein below are details of dues of Income-Tax, Sales-Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess as on March 31, 2016 which have not been deposited on account of disputes:

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

## 1 SIGNIFICANT ACCOUNTING POLICIES

### 1.1 BASIS OF PREPARATION:

These financial statements are prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention as also on accrual basis. These financial statements have been prepared to comply with the accounting standards prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 ('the Accounting Standards') and the relevant provisions of the Act (to the extent notified). In the light of Rule 4A of the Companies (Accounts) Rules 2014, the items contained in these financial statements are in accordance with the definitions and other requirements specified in the Accounting Standards.

### 1.2 USE OF ESTIMATES:

The preparation of the financial statements in conformity with the generally accepted accounting principles requires Management to make estimates and assumptions to be made that affect the reported amounts of revenues and expenses during the reporting period, the reported amounts of assets and liabilities and the disclosures relating to the contingent liabilities on the date of the financial statements. Examples of such estimates include useful lives of Fixed Assets, provision for doubtful debts/advances, deferred tax etc. Actual results could differ from those estimates. Such difference is recognised in the period/s in which the results are known/materialised.

### 1.3 FIXED ASSETS (TANGIBLE/INTANGIBLE):

- i. Land (Freehold) is carried at cost;
- ii. Land (Leasehold) is carried at cost less amortisation;
- iii. Other Fixed Assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any.
- iv. Cost for the aforesaid purposes comprises of its purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use, net of recoverable duties and interest on borrowings attributable to the acquisition of qualifying Fixed Assets upto the date on which the Asset is ready for its intended use, if any. It also includes exchange difference capitalised, if any, in terms of Para 46/46A of Accounting Standard 11 on "Effects of Changes in Foreign Exchange Rates".
- v. Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest and are disclosed as "Capital Work-in-Progress".
- vi. Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible Assets Under Development".

### 1.4 DEPRECIATION AND AMORTISATION:

- i. Depreciation on tangible Fixed Assets (other than those indicated below) is provided on the straight line method over the useful lives and residual values of assets as prescribed under Part C of Schedule II of Companies Act, 2013.
  - a. Where the cost of a part of the asset which is significant to total cost of the asset and useful life of the part is different from the useful life of the remaining asset, the Company has determined the useful life of the significant part separately ("Component Accounting") and accordingly, provided depreciation on such parts.
  - b. Depreciation on Plant and Machinery (including those identified under the Component Accounting) other than those not specifically covered under the classification 'Special Plant and Machinery used in manufacturing of Chemicals' is provided on the straight line method over the useful lives of 20 years as determined by the internal technical evaluation. The Management believes that the useful lives as determined best represent the period over which it expects to use these assets which is the same as the useful life of the Special Plant and Machinery. Hence, the useful lives for such Plant and Machinery are different from the useful lives as prescribed under Part C of Schedule II of Companies Act, 2013.  
Exchange Differences capitalised in terms of Para 46/46A of Accounting Standard 11 on "Effects of Changes in Foreign Exchange Rates" are depreciated over the balance life of the assets from the year in which such differences have been capitalised.
  - c. Leasehold land and Leasehold improvements are being amortised on the straight line method over the period of lease.
- ii. Intangible assets are amortised on the straight line method over their estimated useful life as follows:
  - a. Development of R & D Products/Processes (Internally generated) : 5 years.
  - b. Patents : 10 years.
  - c. REACH Registration : 5 years.
  - d. Computer Software : 10 years.
- iii. Depreciation for assets purchased/sold during the period is proportionately charged.

### 1.5 INVESTMENTS:

- i. Investments, which are long-term, are stated at cost. A provision for diminution, if any, is made to recognise a decline, other than temporary, in the value of investments.

- ii. Profit or loss on sale of long-term investments, if any, is calculated by considering the weighted average amount of the total holding of the investment.

#### 1.6 INVENTORIES:

- i. Raw materials, packing materials, stores and spares, furnace oil and fuel are valued at cost or net realisable value, whichever is lower. Cost comprises basic cost (net of CENVAT and VAT, if any) and other costs incurred in bringing them to their respective present location and condition.

Cost is determined on a Weighted Average basis.

- ii. Work-in-Progress and finished goods are valued at cost or net realisable value, whichever is lower.

Cost includes all direct costs and a proportion of other fixed manufacturing overheads based on normal operating capacity. Excise duty on finished goods awaiting clearance has been provided for and included in cost thereof.

Cost is determined on a Weighted Average basis.

#### 1.7 TAXATION:

- i. Current Tax: Provision for current tax is made on the estimated taxable income at the rate applicable to the relevant assessment year.
- ii. Deferred Tax : Deferred tax is recognised, subject to consideration of prudence, on timing differences between taxable and accounting income which originates in one period and are capable of reversal in one or more subsequent periods (adjusted for reversals expected during tax holiday period). The tax effect is calculated on accumulated timing differences at the year end based on tax rates and laws enacted or substantially enacted as of the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available to realise such deferred tax assets. In other situations, deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available to realise such deferred tax assets.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

#### 1.8 REVENUE RECOGNITION:

- i. **Sales of Manufactured Goods:**

Sales of goods in respect of domestic sales are recognised on despatch of goods to the customer. 'Sales' include packing charges, excise duty and are net of returns.

Sales of goods in respect of export sales are recognised as and when the shipment of goods takes place.

- ii. **Recognition of Export Benefits:**

Export Benefit Entitlements under the Duty Entitlement Pass Book Scheme and Duty drawback Scheme of the Government of India are recognised in the year in which the Export Sales are accounted for.

Advance License Benefits on Exports are accounted in the year of utilisation of license.

- iii. **Income from Certified Emission Reductions:**

Income from Certified Emission Reduction (CERs) in respect of the project registered with Executive Board established under the Kyoto Protocol to the United Nations Framework Convention on Climate Change (UNFCCC) is accounted on the basis of CERs generated from such project when the same are duly certified by UNFCCC.

#### 1.9 EMPLOYEE BENEFITS:

- i. **Defined Contribution Plan:**

Contribution as per the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 towards Provident Fund and Family Pension Fund are provided for as a specific contribution of the Employee costs to fund these benefits as specified under the law. Therefore, any excess payment made will be considered as an advance and shortfall, if any, will be adjusted.

- ii. **Defined Benefit Plan:**

**Gratuity-** In accordance with applicable Indian laws, the Company provides for gratuity, a defined benefit retirement plan ("Gratuity Plan") covering all employees. The Gratuity Plan provides a lumpsum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Company. Liability with regard to Gratuity Plan is accrued based on actuarial valuation at the Balance Sheet date carried out by an independent actuary. Actuarial gain or loss is recognized immediately in the statement of profit and loss as income or expense. The Company has an employee gratuity fund managed by Life Insurance Corporation of India ("LIC"), except for the Managing Director, for which also the necessary provision is made based on an actuarial valuation.

**Compensated Absences-** The Company provides for the encashment of leave with pay based on policy of the Company in this regard. The employees are entitled to accumulate such leave subject to certain limits, for the future encashment. The Company records an obligation for Leave Encashment in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated leave as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the Balance Sheet date on the basis of an independent actuarial valuation.

**1.10 RESEARCH AND DEVELOPMENT COSTS:**

- i. Revenue expenditure on research, if any, is charged in the Statement of Profit and Loss of the year in which it is incurred.
- ii. Development Expenditure :
  - a. incurred on development of new processes for products which, as per the Management, are completed and are expected to generate future economic benefits, are shown as internally generated intangible assets and is amortised in accordance with policies stated for Amortisation in Note No. 1.4.ii.
  - b. incurred on development of new processes for products which, as per the Management, are yet to be completed, are reflected as Intangibles Under Development;
  - c. other development expenses are charged to the Statement of Profit and Loss in the year in which it is incurred.

**1.11 FOREIGN CURRENCY TRANSACTIONS:**

- i. Transactions in foreign currencies are recorded, on initial recognition in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.
- ii. Monetary items which are denominated in foreign currency are translated at the exchange rates prevailing at the Balance Sheet date and profit/loss on translation thereon is credited/ charged to the Statement of Profit and Loss.
- iii. Exchange differences arising on settlement or restatement of foreign currency denominated liabilities relating to the acquisition of fixed asset have been recognised in the Statement of Profit and Loss. However, on the basis of the option available to the Company, exchange differences arising on Long-term Foreign Currency Monetary items at rates different from those at which they were initially recorded in so far as they relate to the acquisition of a depreciable capital asset, has been added or deducted from the cost of such assets (Refer Note 28).
- iv. In case of forward contracts, the exchange difference between the forward rate and the exchange rate at the date of transaction is recognised as income or expense over the life of the contract. Exchange differences on such a contract is recognised in the statement of Profit and Loss in the reporting period in which the exchange rate change.
- v. In case of forward contracts entered into for firm commitments or highly probable transactions and outstanding as at the Balance Sheet date, as required by the Announcement of the Institute of Chartered Accountants of India on positions of derivatives, keeping in view the principle of prudence as per Accounting Standard 1 on "Disclosure of Accounting Policies", are reflected by marking them to market and accordingly, the resulting mark to market losses are provided in the Statement of Profit and Loss.

**1.12 SEGMENT REPORTING POLICIES:****i. Identification of segments**

Primary Segment is identified based on the nature of products, the different risks and returns and the internal business reporting system. Secondary Segment is identified based on the geographical location of its customers.

**ii. Segment Policies**

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

**1.13 LEASE RENTALS:**

Lease rentals are accounted consistent with the payment schedule provided in the lease agreement.

**1.14 BORROWING COSTS:**

Borrowing costs, attributable to the acquisition/construction of qualifying assets, are capitalised, net of income, if any. Other borrowing costs are charged as an expense in the period in which the same are incurred. Borrowing costs comprise of interest and other cost incurred in connection with borrowing of funds.

**1.15 IMPAIRMENT OF ASSETS:**

If internal/external indications suggest that an asset of the Company may be impaired, the recoverable amount of asset/cash generating unit is determined on the date of Balance Sheet and if it is less than its carrying amount, the carrying amount of asset/cash generating unit is reduced to the said recoverable amount. Subsequently, if there is a change in the indication, since the last impairment was recognised, so that recoverable amount of an asset exceeds its carrying amount, an impairment recognised for an asset in prior accounting period is reversed. The recoverable amount is measured as the higher of the net selling price and value in use of such assets/cash generating unit, which is determined by the present value of the estimated future cash flows.

An impairment of intangible assets is conducted annually or more often if there is an indication of any decrease in value. The impairment loss, if any, is charged to the Statement of Profit and Loss.

**1.16 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**

- i. The Company recognises a Provision, when there is a present obligation as a result of a past event, the settlement of which is probable to result in an outflow of resources and a reliable estimate can be made of the amount of obligation.
- ii. Contingent Liability is disclosed by way of a note to the financial statements after careful evaluation by the management of the facts and legal aspects of the matters involved.
- iii. Contingent Assets are neither recognised nor disclosed.

11.3. Plant, Machinery and Equipments include ₹ 254.81 Lakhs (Previous Year ₹ 382.12 Lakhs) being value of machinery installed at third party premises of Job Contractor (including that of the Associate Company), duly confirmed by them.

11.4. Transfer from Capital Work-in-Progress and Intangible Assets Under Development represents capitalisation to Fixed Assets. It also includes write off of Capital Work-in-Progress of ₹ 6.07 Lakhs (Previous Year ₹ 7.60 Lakhs). 11.5. Other Adjustments under the Gross Block represent Borrowings Costs of ₹ 64.37 Lakhs (Previous Year ₹ 135.10 Lakhs) and Exchange Differences of ₹ 34.78 Lakhs (Previous Year ₹ 29.89 Lakhs) capitalised in terms of AS - 11. For related disclosures, refer Note 28 to the financial statements.

11.6. Effective from April 1, 2015, the Company has followed Component Accounting. Accordingly, in respect of those identified parts, the carrying amount, net of residual value as on April 1, 2015 is depreciated over the revised remaining useful lives of those parts. As a result, the charge for depreciation is higher by ₹ 26.92 Lakhs for the year ended March 31, 2016. In cases where the remaining useful life of those parts is completed as on April 1, 2015, the carrying amount of those parts after retaining residual value amounting to ₹ 99.36 Lakhs and deferred tax credit of ₹ 34.39 Lakhs thereon has been adjusted against the opening balance of General Reserve and the other effect thereof is shown as Adjustments under Depreciation and Amortisation.

11.7. For year ended March 31, 2015, Effective from April 1, 2014, the Company provided depreciation on its tangible Fixed Assets as per useful lives and residual values, as specified in Schedule II to the Companies Act, 2013 or based on internal technical evaluation, reassessed the remaining useful life of assets primarily consisting of Continuous process plants. Accordingly, in respect of the tangible Fixed Assets the carrying amount, net of residual value, as on April 1, 2014 was depreciated over the revised remaining useful lives of the assets. As a result, the charge for depreciation was lower by ₹ 73.05 Lakhs for the year ended March 31, 2015. In cases where the remaining useful life has been completed as on April 1, 2014, the carrying amount of assets (after retaining residual value) of ₹ 97.58 Lakhs and deferred tax credit of ₹ 50.25 Lakhs thereon was adjusted against the opening balance of General Reserve as on April 1, 2014.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **Alkyl Amines Chemicals Limited**

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Alkyl Amines Chemicals Limited** (hereinafter referred to as "the Holding Company") audits subsidiary (the Holding Company audits subsidiary together referred to as "the Group") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

### Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
  - b. In our opinion, proper books of account as required by law have been kept by the companies included in the Group, so far as it appears from the examination of those books.

- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant financial statements adopted and related working statements maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company, and our reports as the auditor of its subsidiary and its associate (as also of its subsidiary), none of the directors of the companies in the Group is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- g. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on our reports as the auditor of its subsidiary and its associate:
  - i. the consolidated financial statements disclose the impact, if any, of pending litigations on the consolidated financial position of the Group– Refer Note 28.1 to the consolidated financial statements;
  - ii. the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
  - iii. there has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the companies in the Group during the year ended March 31, 2016.

## ANNEXURE A

### TO THE INDEPENDENT AUDITORS' REPORT

**Referred to in paragraph 1(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our Independent Auditors’ Report of even date on the consolidated financial statements for the year ended March 31, 2016.**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Alkyl Amines Chemicals Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) and its associate, as of March 31, 2016 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Respective Board of Directors of the Holding Company and its subsidiary companies, its associate companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We have conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Holding Company, its subsidiary company and its associate company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

### 1. BASIS OF CONSOLIDATION

#### 1.1. BASIS OF PREPARATION

These consolidated financial statements ('CFS') are prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention as also on accrual basis, except for certain tangible assets which are being carried at revalued amounts. These consolidated financial statements have been prepared to comply with the accounting standards prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 ('the Accounting Standards') and the relevant provisions of the Act (to the extent notified). In the light of Rule 4A of the Companies (Accounts) Rules 2014, the items and terms contained in these consolidated financial statements are in accordance with the Accounting Standards as referred to herein.

#### 1.2. PRINCIPLES OF CONSOLIDATION

- a. The CFS relate to Alkyl Amines Chemicals Limited ("the Company"), its subsidiary Alkyl Speciality Chemicals Limited and its associate Diamines and Chemicals Limited including its subsidiary Diamines Speciality Chemicals Limited ("the Group"). The financial statements of the subsidiary company and associate used in consolidation are drawn/prepared for consolidation upto the same reporting date as the Company.

The consolidated statements are prepared on the following basis:

- i. The financial statements of subsidiary company have been combined on line to line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra group transactions and the unrealised profits/losses as per AS-21.
- ii. The difference between the cost of investments in subsidiary over the net assets at the time of acquisition of shares in the subsidiary is recognised in the CFS as Goodwill or Capital Reserve, as the case may be.
- iii. The investment in the associate company is accounted for using the Equity Method of accounting as laid down under Accounting Standard (AS) 23, "Accounting for Investment in Associates in Consolidated Financial Statements". The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the acquisition date. The group's investment in the associate company includes goodwill identified on acquisition. The unrealised profits/losses on transactions with the associate company are eliminated by reducing the carrying amount of investments.
- b. The CFS are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's standalone financial statements.

#### 1.3. USE OF ESTIMATES

The preparation of the financial statements in conformity with the generally accepted accounting principles requires Management to make estimates and assumptions to be made that affect the reported amounts of revenues and expenses during the reporting period, the reported amounts of assets and liabilities and the disclosures relating to the contingent liabilities on the date of the financial statements. Examples of such estimates include useful lives of Fixed Assets, provision for doubtful debts/advances, deferred tax etc. Actual results could differ from those estimates. Such difference is recognised in the period/s in which the results are known / materialised.

#### 1.4. FIXED ASSETS (TANGIBLE/INTANGIBLE):

- i. Land (Freehold) is carried at cost.
- ii. Land (Leasehold) is carried at cost less amortisation except Land which were revalued.
- iii. Other Fixed Assets are carried at cost less accumulated depreciation/amortisation and impairment losses, if any, except Buildings which were revalued.
- iv. Cost for the aforesaid purposes comprises of its purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use, net of recoverable duties and interest on borrowings attributable to the acquisition of qualifying Fixed Assets upto the date on which the Asset is ready for its intended use, if any. It also includes exchange difference capitalised, if any, in terms of Para 46/46A of Accounting Standard 11 on "Effects of Changes in Foreign Exchange Rates".
- v. Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest and are disclosed as "Capital Work-in-Progress".
- vi. Intangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as "Intangible Assets Under Development".

#### 1.5. DEPRECIATION AND AMORTISATION:

- i. Depreciation on tangible Fixed Assets (other than those indicated below) is provided on the straight line method over the useful lives and residual values of assets as prescribed under Part C of Schedule II of Companies Act, 2013.

- a. Where the cost of a part of the asset which is significant to total cost of the asset and useful life of the part is different from the useful life of the remaining asset, the Company has determined the useful life of the significant part separately ("Component Accounting") and accordingly, provided depreciation on such parts.
- b. Depreciation on Plant and Machinery (including those identified under the Component Accounting) other than those not specifically covered under the classification 'Special Plant and Machinery used in manufacturing of Chemicals' is provided on the straight line method over the useful lives of 20 years as determined by the internal technical evaluation. The Management believes that the useful lives as determined best represent the period over which it expects to use these assets which is the same as the useful life of the Special Plant and Machinery. Hence, the useful lives for such Plant and Machinery is different from the useful lives as prescribed under Part C of Schedule II of Companies Act, 2013.  
Exchange Differences capitalised in terms of Para 46/46A of Accounting Standard 11 on "Effects of Changes in Foreign Exchange Rates" are depreciated over the balance life of the assets from the year in which such differences have been capitalised.
- c. Leasehold land and Leasehold improvements are being amortised on the straight line method over the period of lease.
- d. Revalued amount of leasehold land is amortised over its remaining lease period of 72 years commencing from the year 2002-03.
- ii. Intangible assets are amortised on the straight line method over their estimated useful life as follows:
  - a. Development of R & D Products/Processes (Internally generated) : 5 years.
  - b. Patents : 10 years.
  - c. REACH Registration : 5 years.
  - d. Computer Software : 10 years.
- iii. Depreciation for assets purchased/sold during the period is proportionately charged.

#### 1.6. INVESTMENTS:

- i. Investments, which are long-term, are stated at cost. A provision for diminution, if any, is made to recognise a decline, other than temporary, in the value of investments.
- ii. Profit or loss on sale of long-term investments, if any, is calculated by considering the weighted average amount of the total holding of the investment.

#### 1.7. INVENTORIES:

- i. Raw materials, packing materials, stores and spares, furnace oil and fuel are valued at cost or net realisable value, whichever is lower. Cost comprises basic cost (net of CENVAT and VAT, if any) and other costs incurred in bringing them to their respective present location and condition.  
Cost is determined on a Weighted Average basis.
- ii. Work-in-Progress and finished goods are valued at cost or net realisable value, whichever is lower.  
Cost includes all direct costs and a proportion of other fixed manufacturing overheads based on normal operating capacity. Excise duty on finished goods awaiting clearance has been provided for and included in cost thereof.  
Cost is determined on a Weighted Average basis.

#### 1.8. TAXATION:

- i. Current Tax: Provision for current tax is made on the estimated taxable income at the rate applicable to the relevant assessment year.
- ii. Deferred Tax : Deferred tax is recognised, subject to consideration of prudence, on timing differences between taxable and accounting income which originates in one period and are capable of reversal in one or more subsequent periods (adjusted for reversals expected during tax holiday period). The tax effect is calculated on accumulated timing differences at the year end based on tax rates and laws enacted or substantially enacted as of the balance sheet date.  
  
In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only to the extent that there is virtual certainty that sufficient future taxable income will be available to realise such deferred tax assets. In other situations, deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available to realise such deferred tax assets.  
  
The Group offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

#### 1.9. REVENUE RECOGNITION:

- i. **Sales of Manufactured Goods:**  
Sales of goods in respect of domestic sales are recognised on despatch of goods to the customer. 'Sales' include packing charges, excise duty and are net of returns.

Sales of goods in respect of export sales are recognised as and when the shipment of goods takes place.

**ii. Recognition of Export Benefits:**

Export Benefit Entitlements under the Duty Entitlement Pass Book Scheme and Duty drawback Scheme of the Government of India are recognised in the year in which the Export Sales are accounted for.

Advance License Benefits on Exports are accounted in the year of utilisation of license.

**iii. Income from Certified Emission Reductions:**

Income from Certified Emission Reduction (CERs) in respect of the project registered with Executive Board established under the Kyoto Protocol to the United Nations Framework Convention on Climate Change (UNFCCC) is accounted on the basis of CERs generated from such project when the same are duly certified by UNFCCC.

**iv. Commission receivable on sales:**

**ii. Defined Benefit Plan:**

**Gratuity** - In accordance with applicable Indian laws, the Group provides for gratuity, a defined benefit retirement plan ("Gratuity Plan") covering all employees. The Gratuity Plan provides a lumpsum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Group. Liability with regard to Gratuity Plan is accrued based on actuarial valuation at the Balance Sheet date carried out by an independent actuary. Actuarial gain or loss is recognised immediately in the Statement of Profit and Loss as income or expense. The Group has an employee gratuity fund managed by Life Insurance Corporation of India ("LIC"), except for the Managing Director, for which also the necessary provision is made based on an actuarial valuation.

**Compensated Absences** - The Group provides for the encashment of leave with pay based on policy of the Group in this regard. The employees are entitled to accumulate such leave subject to certain limits, for the future encashment. The Group records an obligation for Leave Encashment in the period in which the employee renders the services that increases this entitlement. The Group measures the expected cost of compensated leave as the additional amount that the Group expects to pay as a result of the unused entitlement that has accumulated at the Balance Sheet date on the basis of an independent actuarial valuation.

**1.11.RESEARCH AND DEVELOPMENT COSTS:**

- i. Revenue expenditure on research, if any, is charged in the Statement of Profit and Loss of the year in which it is incurred.
- ii. Development Expenditure :
  - a. incurred on development of new processes for products which, as per the Management, are completed and are expected to generate future economic benefits, are shown as internally generated intangible assets and is amortised in accordance with policies stated for Amortisation in Note No. 1.5.ii.
  - b. incurred on development of new processes for products which, as per the Management, are yet to be completed, are reflected as Intangibles Under Development;
  - c. other development expenses are charged to the Statement of Profit and Loss in the year in which it is incurred.

**1.12. FOREIGN CURRENCY TRANSACTIONS:**

- i. Transactions in foreign currencies are recorded, on initial recognition in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.
- ii. Monetary items which are denominated in foreign currency are translated at the exchange rates prevailing at the Balance Sheet date and profit/loss on translation thereon is credited/ charged to the Statement of Profit and Loss.

- iii. Exchange differences arising on settlement or restatement of foreign currency denominated liabilities relating to the acquisition of fixed asset have been recognised in the available to the Group, exchange differences arising on Long-term Foreign Currency Monetary items at rates different from those at which they were initially recorded in so far as they relate to the acquisition of a depreciable capital asset, has been added or deducted from the cost of such assets (Refer Note 29).
- iv. In case of forward contracts, the exchange difference between the forward rate and the exchange rate at the date of transaction is recognised as income or expense over the life of the contract.
- v. As required by the Announcement of the Institute of Chartered Accountants of India on positions of derivatives, keeping in view the principle of prudence as per Accounting Standard 1 on "Disclosure of Accounting Policies", outstanding forward contracts at the Balance Sheet date are reflected by marking them to market and accordingly, the resulting mark to market losses are provided in the Statement of Profit and Loss.

#### 1.13. SEGMENT REPORTING POLICIES:

##### i. Identification of segments

Primary Segment is identified based on the nature of products, the different risks and returns and the internal business reporting system. Secondary Segment is identified based on the geographical location of its customers.

##### ii. Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

#### 1.14. LEASE RENTALS:

Lease rentals are accounted consistent with the payment schedule provided in the lease agreement.

#### 1.15. BORROWING COSTS:

Borrowing costs, attributable to the acquisition/construction of qualifying assets, are capitalised, net of income, if any. Other borrowing costs are charged as an expense in the period in which the same are incurred. Borrowing costs comprise of interest and other cost incurred in connection with borrowing of funds.

#### 1.16. IMPAIRMENT OF ASSETS:

If internal/external indications suggest that an asset of the Group may be impaired, the recoverable amount of asset/cash generating unit is determined on the date of Balance Sheet and if it is less than its carrying amount, the carrying amount of asset/cash generating unit is reduced to the said recoverable amount. Subsequently, if there is a change in the indication, since the last impairment was recognised, so that recoverable amount of an asset exceeds its carrying amount, an impairment recognised for an asset in prior accounting period is reversed. The recoverable amount is measured as the higher of the net selling price and value in use of such assets/cash generating unit, which is determined by the present value of the estimated future cash flows.

An impairment of intangible assets is conducted annually or more often if there is an indication of any decrease in value. The impairment loss, if any, is charged to the Statement of Profit and Loss.

#### 1.17. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

- 12.3. Plant, Machinery and Equipments include ₹ 254.81 Lakhs (Previous Year ₹ 382.12 Lakhs) being value of machinery installed at third party premises of Job Contractor (including that of the Associate Company), duly confirmed by them.
- 12.4. Transfer from Capital Work-in-Progress and Intangible Assets Under Development represents capitalisation to Fixed Assets. It also includes write off of Capital Work-in-Progress of ₹ 6.07 Lakhs (Previous Year ₹ 7.60 Lakhs).
- 12.5. Other Adjustments under the Gross Block represent Borrowings Costs of ₹ 64.37 Lakhs (Previous Year ₹ 135.10 Lakhs) and Exchange Differences of ₹ 34.78 Lakhs (Previous Year ₹ 29.89 Lakhs) capitalised in terms of AS - 11. For related disclosures, refer Note 28 to the financial statements.
- 12.6. Effective from April 1, 2015, the Company has followed Component Accounting. Accordingly, in respect of those identified parts, the carrying amount, net of residual value as on April 1, 2015 is depreciated over the revised remaining useful lives of those parts. As a result, the charge for depreciation is higher by ₹ 26.92 Lakhs for the year ended March 31, 2016. In cases where the remaining useful life of those parts is completed as on April 1, 2015, the carrying amount of those parts after retaining residual value amounting to ₹ 99.36 Lakhs and deferred tax credit of ₹ 34.39 Lakhs thereon has been adjusted against the opening balance of General Reserve and the other effect thereof is shown as Adjustments under Depreciation and Amortisation.
- 12.7. For year ended March 31, 2015: Effective from April 1, 2014, the Company provided depreciation on its tangible Fixed Assets as per useful lives and residual values, as specified in Schedule II to the Companies Act, 2013 or based on internal technical evaluation, reassessed the remaining useful life of assets primarily consisting of Continuous process plants. Accordingly, in respect of the tangible Fixed Assets the carrying amount, net of residual value, as on April 1, 2014 was depreciated over the revised remaining useful lives of the assets. As a result, the charge for depreciation was lower by ₹ 73.05 Lakhs for the year ended March 31, 2015. In cases where the remaining useful life has been completed as on April 1, 2014, the carrying amount of assets (after retaining residual value) of ₹ 97.58 Lakhs and deferred tax credit of ₹ 50.25 Lakhs thereon was adjusted against the opening balance of General Reserve as on April 1, 2014.

## 29. Fixed Assets :

In terms of Accounting Standard 11 on "The Effects of Changes in Foreign Exchange Rates" (AS – 11), on the basis of option available to the Company, the Company has capitalised exchange difference aggregating to ₹ 34.88 Lakhs (Previous Year ₹ 29.89 Lakhs) which arose on the settlement or restatement of foreign currency denominated long-term liabilities relating to the acquisition of Fixed Assets (to its Machinery and Machinery under installation - Capital Work-in-Progress). In terms of the clarification issued by the Ministry of Corporate Affairs by Circular No. 25/2012 of August 9, 2012, the Company has considered the entire amount of exchange differences for the purpose of capitalisation without bifurcating the same between borrowing costs in terms of Accounting Standard 16 on "Borrowing Costs" and exchange differences in terms of AS – 11.

Disclosures required for the above capitalisation of AS - 11:

Cumulative upto the year end	68.93	48.11
iii. Amount remaining to be amortised as at year end	316.31	302.25

30. The associate of the Company had created Revaluation Reserve consequent to Revaluation of Land and Buildings in the year 1996-97, against same Revaluation Reserve in earlier years, accumulated losses were adjusted. Subsequent thereto, in absence of any balance in the Revaluation Reserve, every year additional depreciation on the increased amount due to revaluation was charged to the Statement of Profit and Loss.

In terms of the Guidance Note on Treatment of Reserve created on Revaluation of Fixed Assets issued by The Institute of Chartered Accountants of India, accumulated losses and depreciation (including arrears of depreciation) cannot be set off against the Revaluation Reserve. Therefore, to be in-line with the Guidance Note, the Associate Company has decided to restore its Revaluation Reserve (as set off in earlier years) and accordingly as from April 01, 2010 after considering the effect of additional depreciation (had the same been adjusted against Revaluation Reserve) as also the amount that should not have been in the Revaluation Reserve in respect of the retirement or disposal of assets, the net amount of ₹ 336.47 Lakhs is restored as Revaluation Reserve by correspondingly transferring the equivalent amount from the General Reserve. To the extent of the share of the Company in the said Revaluation Reserve of the Associate is accordingly shown under Note 4.

31. The shares of the associate were acquired on March 14, 2001. The value of investment in the associate is valued at ₹ 996.97 Lakhs (₹ 989.41 Lakhs) as per AS - 23.
32. Capital Reserves include grant received by the subsidiary company from the erstwhile Co- promoter as per agreement dated June 17, 2003 to meet its obligations.
33. The Company has called for balance confirmations from Trade Receivables and Trade Payables. It has received a few of the confirmations which have been reconciled with the records of the Company. The other balances have been taken as per the records of the Company.
