- i. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and pursuant to the provisions under Secretarial Standards on General Meetings (SS-2), the Company is pleased to provide to its Members facility to exercise their right to vote on resolutions proposed to be considered at the 33rd Annual General Meeting by electronic means and the business may be transacted through e-voting services arranged by Central Depository Services (India) Limited. Members may cast their votes using an electronic voting system from a place other than the venue of the 33rd Annual General Meeting ("remote E-voting").
- ii. The facility for voting through electronic voting system or polling paper shall be made available at the 33rd Annual General Meeting and the Members attending the 33rd Annual General Meeting who have not cast their vote by remote e-voting shall be able to exercise their right to vote at the 33rd Annual General Meeting.
- iii. A Member can opt for only one mode of voting i.e. either in person or through proxy at the meeting or through remote e-voting. If a Member casts votes by all the modes, then the vote casted through remote e-voting shall prevail and the vote casted through other means shall be treated as invalid.
- iv. Members who have cast their vote by remote e-voting can also attend the 33rd Annual General Meeting but shall not be entitled to cast their vote again.
- v. The remote E-voting period commences on Friday, 7th September, 2018 (9.00 a.m. IST) and ends on Monday, 10th September, 2018 (5.00 p.m. IST). During this period, Members of the Company, holding shares either in physical form or dematerialized form, as on the cut-off date i.e., Tuesday, 4th September, 2018, may cast their vote by remote E-voting. The remote E-voting module shall be disabled by Central Depository Services (India) Limited for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
- vi. The Company has appointed Shilpa Mishra of M/s. KDT & Associates (Membership Number: A30141, Certificate of Practice Number: 15443), Practising Company Secretary, to act as a Scrutiniser to scrutinise remote e-voting process and voting at the 33rd Annual General Meeting in a fair and transparent manner and she has communicated her willingness to be appointed and will be available for the same purpose.
- vii. The Consolidated Results of remote e-voting and voting at the 33rd Annual General Meeting shall be declared within 48 hours after the conclusion of the 33rd Annual General Meeting of the Company. The results declared along with the Scrutiniser's Report shall be placed on the Company's website **www.jaysynth.com** and on the website of Central Depository Services (India) Limited **www.evotingindia.com** and the same shall also be communicated to BSE Limited where the shares of the Company are listed.
- viii. Any person, who acquires shares of the Company and becomes Member of the Company after dispatch of the Notice of 33rd Annual General Meeting alongwith Annual Report as on the Cut-off Date i.e. Friday, 3rd August, 2018 but before e-voting cut - off date i.e., Tuesday, 4th September, 2018 may obtain the login ID and password by sending a request at **helpdesk.evoting@cdslindia.com** or at **rnt.helpdesk@linkintime.co.in**

However, if he/she is already registered with CDSL for remote e-Voting then he/she can use his/her existing User ID and password for casting vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" option available on **www.evotingindia.com** or contact CDSL at the **Toll Free No.: 1800-200-5533**.

- ix. The results shall also be displayed on the Notice Board of the Company at the Registered Office of the Company.

A. The instructions for shareholders voting electronically are as under:

- i. The voting period begins on Friday, 7th September, 2018 (9.00 a.m. IST) and ends on Monday, 10th September, 2018 (5.00 p.m. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Tuesday, 4th September, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. The shareholders should log on to the e-voting website **www.evotingindia.com**.

2. DIVIDEND

Your Directors are pleased to recommend a dividend of ₹ 0.15 paise i.e 15% per equity share of the Company having face value of ₹ 1/- each for the financial year 2017-18, subject to the approval of the Members at the 33rd Annual General Meeting.

Dividend together with tax thereon for the financial year ended 31st March, 2018, will lead to cash outflow of ₹15,71,384/- (₹13,03,455/- as dividend and ₹2,67,929/- will be paid as Dividend Distribution Tax). The dividend will be paid to those Members whose names are furnished by National Securities Depository Limited and Central Depository Services (India) Limited as beneficial owners as on record date i.e., Tuesday, 4th September, 2018 and to those Members who hold shares in physical form and whose names appear on the Register of Members of the Company on that date.

Your Company had declared dividend for the financial years 2013-14, 2014-15, 2015-16 and 2016-17 which is less than 7 (Seven) years, hence no amounts were required to be transferred to Investor Education and Protection Fund as on date. Further your Company has filed information relating to unclaimed and unpaid dividend in erstwhile Form 5 INV and Form IEPF – 2 providing status of unpaid and unclaimed dividend. Detailed list of unpaid and unclaimed dividend can also be accessed on the website of the Company and weblink of the same is <http://jaysynth.com/UnclaimedDividenDetails.html>

3. NATIONAL ELECTRONIC CLEARING SYSTEM FOR DIVIDEND

To avoid risk of loss/interruption of dividend warrants in postal transit and / or fraudulent encashment, Members are requested to avail of the National Electronic Clearing System facility for encashing dividend directly to their respective bank account. This also ensures faster and safer credit of dividend. Members holding shares in dematerialized form may note that the Bank Account Mandate registered against their respective Depository Participants will be used by the Company for payment of Dividend. Members who wish to change their Bank Account Mandate may advise their Depository Participants about such change. The Company or Registrar and Transfer Agent cannot act on any direct request from such Members for change/deletion of such Bank particulars.

Members holding shares in physical form are requested to send their National Electronic Clearing System (NECS) Mandate Form in the format available at the Company's website at www.jaysynth.com duly filled and thereafter send it to the Registrar and Transfer Agent of the Company i.e., Link Intime India Private Limited. In order to provide protection against fraudulent encashment of dividend warrants, Members holding shares in physical form are requested to intimate the Company under the signature of the sole/first joint holder, the following information which will be used by the Company for dividend payments:

- i. Name of Sole / First joint holder and Folio No.
- ii. Particulars of Bank account viz:
 - Name of the Bank.
 - Name of the Branch.
 - Bank account number allotted by the Bank.
 - Nine digits MICR code of the Bank.

ANNEXURE – VII**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****ECONOMY**

The global recovery that started in late 2016 gathered pace during 2017. The global economy is estimated to have grown at 3.7% in 2017 as per International Monetary Fund ('IMF'). Domestically, the financial year under review has been marked by some major reforms. The transformational Goods and Services Tax (GST) was launched in 1st July, 2017. As expected for a policy change of such large scale, scope, and complexity, the transition did encounter challenges of policy, law, and adequate information technology systems, which, in particular, affected the informal sector. Expeditious responses followed to rationalize and reduce rates, and simplify compliance burdens. However, the lingering impact of demonetization and the transient adverse effects of the rollout of Goods and Services Tax (GST) dragged economic growth in first half of the financial year. As per the second advanced estimate of the Central Statistical Organization (CSO), the Indian economy is projected to have grown at 6.6% in financial year 2017-18. The long-term growth prospects of the Indian economy are positive due to its young population, healthy savings and investment rates, pragmatic Government policies and integration into the global economy. India continues to be one of the top economies of the world with future outlook of growth rate of more than 7.5%.

INDUSTRY REVIEW

The Indian industrial production was lower, at around 2%, which was not good news for the manufacturing sector. Several industries within the manufacturing sector witnessed negative growth. The chemical industry also was no exception and growth was adversely impacted during the financial year. The outlook for the financial year 2018 - 19, continues to be challenging as availability of inputs and rise in the crude oil prices can pose challenges for the industry. Dyes and Pigment group constitute one of the major components of chemical industry having vital role in the growing Indian economy. The Company operates into single segment with products comprising from Dyes, Pigments and Inks group, which are coloring materials having its customer base in several industries such as Textile, Paints, Coatings, Plastic, Paper etc. Ink products generally derive their color value from dyes or pigments contained in them.

DYES, PIGMENTS AND INKS

Dyes predominately find application in textiles with almost 80% of its production being used by textile sector. The other end applications involves paper, adhesives, art supplies, food and beverages, ceramics, construction, cosmetics, glass, paints, plastics and soap. The textile industry is witnessing growth due to several factors such as growing population, increasing disposable income, and changing consumer trends. Textile industry is expected to provide a positive growth trajectory and product demand in future. The Textile Dyes market is projected to grow from USD 7.34 billion in 2017 to USD 9.82 billion by 2022, with CAGR of 6.00%. The growing demand for textile dyes for various fiber types, such as cotton, polyester, and viscose, is expected to fuel the growth of the textile dyes market. On the other hand, stringent environmental regulations are expected to restrain the growth of the textile dyes market. The consumption growth is projected to increase in regions such as Asia Pacific and Central & South America.

Pigment products are used in paints & coatings, automotive finishes, printing inks, polyester textiles and plastics like PVC, rubber and synthetic polymers and nylons, paper. The main user industries, namely, Paint and Coatings and Textile, will continue to grow because of increase in discretionary spending. The global Pigments market is expected to grow at CAGR of 4.1%. As the future of the Pigments industry depends on the end-user industry, the constantly growing paint and coatings and plastics industry have been the main drivers of its growth. The major product groups of Organic Pigments are Azo Pigments, Phthalocyanine Pigments and Quinacridone Pigments. The Company mainly deals into Phthalocyanine pigment products and during financial year 2017-18 the volume growth of 11.69% was achieved. The Pigments industry is facing challenges on changing environmental regulations, increase cost of raw materials. Tightened environmental regulation, particularly in Asia Pacific Region, which accounts for 40% of the total business, led to consolidations throughout the supply chain. Also, the regulations have had an adverse effect on the availability of raw material for the industry.

Growing digital printing sector will fuel the demand for Ink products. However, due to adverse effects of the rollout of GST which impacted the textile sector most, the Ink products volume was impacted. Countries such as India and China being major producers of dyes are likely to provide positive scope for printing inks application across the Asia Pacific. Textiles are expected to witness a significant growth owing to rapid growth in the emerging economies.

BUSINESS OVERVIEW

During financial year 2017 -18, the Company could not achieve growth in sales revenue and there was marginal decline of 1.31% from ₹ 1,16,75,43,441/- in financial year 2016 -17 to ₹ 1,15,22,54,290/- in financial year 2017-18. Earnings before Interest, Tax, Depreciation and Amortisation (excluding other income) for the financial year was significantly lower at ₹4,26,94,479/- as compared to ₹6,11,95,988 /- during the previous financial year, down by 30.23%. There was downturn in financial performance on account of decrease in sales volume of Dyes and Ink products and constant sales revenue overall. Another main reason for severe impact on profits was reduction in gross margin due to increase in raw material input costs which could not be passed on to the customers.

NET SALES BY GEOGRAPHY

Export sales revenue with an increase of 7.23% aggregated to ₹ 75, 84, 59, 002 /- during financial year 2017 - 18 as compared to ₹ 70,73,03,981/- for financial year 2016 - 17. As against this domestic sales revenues decreased by 21.33 % to ₹ 40,59,77,165 during financial Year 2017 - 18 as compared to ₹ 51,60,80,705 for financial year 2016 - 17.

OUTLOOK AND STRATEGY

The long-term growth prospects of the Indian economy being positive, the textile industry is also expected to grow in view of growing population, increasing disposable income, and changing consumer trends. The growing demand for textile dyes for various fiber types, such as cotton, polyester, and viscose, is expected to fuel the growth of the textile dyes market. Constantly, growing paint and coatings and plastics industry will be main drivers for growth pigment products market. It is expected that growing digital printing sector will boost the demand for Ink products. Market for Inks used for digital printing will also have exponential growth with significant growth expected in Textile sector. Constantly changing fashion trend is also expected to drive textiles industry, thereby propelling the market growth. Other than phthalocyanine pigments, the Company is intending to add more product range of pigments to customers in existing and new markets. In case of Ink products for digital printing, the Company will make efforts to enter into arrangement with printer manufacturers.

RISKS, CONCERNS AND THREATS

Stringent environmental regulations may hamper the growth of the dyes & pigment market. Most of the advanced countries are imposing new and more stringent ecological norms which can restricts the exporter’s capability to grow, as complying with ecological norms is too expensive. Also the regulations are having an adverse effect on the availability of raw material and intermediate input products for the industry. Exchange-rate fluctuations, increase in prices of crude oil and down-stream petrochemicals, trade war between US and China, etc are all concern areas which your Company may face from time to time. High cost of spares for digital printers and limitation in printing results are restricting the expected growth of Digital Textile Printing.

INTERNAL CONTROL SYSTEM

The Company has a proper and adequate system of Internal Control commensurate with the size and nature of its operations to ensure that all assets are safeguarded against unauthorized use or disposal, ensuring true and fair reporting and compliance with all applicable regulatory laws and company policies. Internal Audit Reports are reviewed by the Audit Committee of the Board.

HUMAN RESOURCES

Industrial Relations remain cordial during the financial year 2017 - 18. The Company acknowledges the importance of the workforce believes that growth of the Company largely depends on the contribution made by the employees. It always lays an emphasis on creating an environment which is favorable for the employees and motivates performance, customer focus and innovation Company’s strategies are based, inter alia, on processes of continuous learning and improvement. The Company had 123 employees as on 31st March, 2018 as against 126 employees as on 31st March, 2017.

Independent Auditor's Report

TO THE MEMBERS OF

JAYSYNTH DYESTUFF (INDIA) LIMITED

1. Report on the Standalone Financial Statements

1.1 We have audited the accompanying standalone financial statements of **JAYSYNTH DYESTUFF (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Standalone Financial Statements.

2.1 The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

2.2 This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

3.1 Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the order issued under Section 143 (11) of the Act.

3.2 We conducted our audit of the Standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone financial statements are free from material misstatement.

3.3 An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone financial statements.

3.4 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

4. Opinion

ANNEXURE-B TO INDEPENDENT AUDITOR'S REPORT

Report of Even Date on The Standalone Financial Statements Of Jaysynth Dyestuff (India) Limited.

1. Report on the Internal Financial Controls over Financial Reporting under Clause (l) of Sub-Section 3 of Section 143 of The Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of JAYSYNTH DYESTUFF (INDIA) LIMITED ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

2. Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by Institute of Chartered accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

4. Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March, 2018

NOTE : 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

I. GENERAL INFORMATION

The Company was established in 1985 and is engaged in manufacturing of dyes, pigment and ink. The manufacturing facilities are located at Taloja and Patalganga, Maharashtra. The Company is listed on Bombay Stock Exchange.

II. BASIS OF PREPARATION

A. Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements, unless otherwise stated.

The Company has adopted all the applicable Indian Accounting Standards ('Ind AS') in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standards. The Company has transitioned from its previous IGAAP as defined in Ind AS 101 with the necessary disclosures relating to reconciliation of Shareholders equity under previous IGAAP and Ind AS and of the net profit as previous IGAAP and Total Comprehensive Income under Ind AS.

B. Historical Cost convention

The financial statements have been prepared on a historical cost basis considering the applicable provisions of Companies Act, 2013 except the following material items that have been measured at fair value as required by relevant Ind As.

- certain financial assets and liabilities that are measured at fair value
- defined benefit plans - plan assets measured at fair value
- Any other item as specifically stated in accounting policy.

C. Current AND Non-current Classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

III. USE OF ESTIMATES AND JUDGMENTS

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

IV. PROPERTY, PLANT AND EQUIPMENTS

For transition to Ind AS, the Company has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognized as of 1st April, 2016 (transition date) measured as per the Previous IGAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

All items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Spares parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amounts of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal.

A. Depreciation methods, estimated useful lives and residual value

Useful life considered for calculation of depreciation for various assets class are as follows -

ASSET CLASS	ESTIMATED USEFUL LIFE
Plant & Machinery	15 years
Electrical Installation	15 Years
Equipment	15 Years
Computer	6 Years
Equipment – Print Head	3 Years
Furniture & Fixture	10 Years
Vehicle	8 Years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

V. INVESTMENT PROPERTIES

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment property recognized as at 1st April, 2016 measured as per IGAAP as the deemed cost of investment property.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

VI. INTANGIBLE ASSETS

For transition to Ind AS, the Company has elected to continue with the carrying value of intangible assets recognized as of 1st April, 2016 (transition date) measured as per the previous IGAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets.

An item of Intangible asset is derecognized on disposal or when no future economical benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

VII. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

VIII. INVENTORIES

Inventories are valued after providing for obsolescence as follows:

- (1) Stock of Raw materials, packing materials and stores & fuel are valued at lower of cost or net realizable value. Cost Formulae used is first in first out.
- (2) Semi-Finished Goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost and related overheads. Cost Formulae used is weighted average method.
- (3) Stock of manufactured and traded finished goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, related overheads and excise duty paid/payable. Excise duty on manufactured finished goods forming part of the inventory is included in cost of finished goods. Goods In transit are stated at cost.
- (4) Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

IX. INVESTMENTS AND OTHER FINANCIAL ASSETS

A. Classification -

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortized cost.

The classification depends on the Company’s business model for managing the financial assets and the contractual terms of the cash flows.

B. Measurement

At initial recognition, the Company measures a financial asset at its fair value . Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

C. Income Recognition of Dividends

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

D. Derivative financial instruments and hedge accounting

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

X. REVENUE RECOGNITION

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognised when substantial risk and rewards of ownership are transferred to customer, in case of domestic customer, generally sales take place when goods are dispatched or delivery is handed over to transporter, in case of export customers, generally sales take place when goods are shipped onboard based on bill of lading

Sales Return-The Company recognises provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

A. Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of goods have passed to the buyer which generally coincides with delivery. Sales for the year include sale value of goods, excise duty and other recoveries, such as insurance, transport and packing charges excluding VAT/CST/GST.

Export Incentives under the “Duty Entitlement Pass Book Scheme”, “Duty Drawback Scheme”, etc. are accounted for as and when admitted by the appropriate authorities / in the year of export.

XI. EMPLOYEE BENEFITS

A. Short term obligation

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees’ services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Post-employment obligations

The Company provides the following post-employment benefits:

(a) Defined Benefits Plans

The cost of providing defined benefit plans such as gratuity is determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measuring each unit separately to build up the final obligation.

The net interest cost is calculated by applying the discount rate to the net balance of define benefit obligation and the fair value of plan asset. This cost is included in employee benefit expenses in the statement of Profit and Loss except those included in the cost of asset as permitted.

Re-measurements comprising of actuarial gain and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on the plan asset (excluding net interest define above) are recognized in Other Comprehensive Income (OCI) except those included in cost of asset as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlement) is recognizes in the Statement of Profit and Loss except those included in cost of asset as permitted in the period in which they occur.

(b) Defined Contribution Plans

Payments to defined contribution retirement benefit plans, viz. Provident Fund and National Pension Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

XII. FOREIGN CURRENCY TRANSLATION

A. Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

B. Transactions and Balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in Other Comprehensive Income.

XIII. PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

XIV. INCOME TAX

Income Tax expenses represent the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current Tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the Current year is determine on the basis of the estimated taxable income and tax credit computed in accordance with the provisions of the relevant tax laws and based on expected outcome of assessment/apples.

Deferred tax is recognized on the temporary differences between the carrying amounts of the assets and liabilities in the balance sheet and corresponding tax bases use in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profit will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilizes. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from initial reorganization of assets and liabilities in the transaction that effect neither taxable profit nor accounting profit.

Deferred tax asset and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

XV. FAIR VALUE MEASUREMENT

The company measures financial instruments such as derivatives and equity instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumptions that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

XVI. EARNING PER SHARE

The basic and diluted earnings per share is computed by dividing the net profit after taxes attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

XVII. STATEMENT OF CASH FLOW AND CASH AND CASH EQUIVALENTS

Statement of cash flow is prepared in accordance with the indirect method prescribed in the relevant Ind AS. For the purpose of presentation in the Statement of the Cash Flow, Cash and Cash Equivalents includes cash on hand, cheques and drafts on hand, deposit held with banks, other short term, highly liquid investments with the original maturities of three month or less.

XVIII. PROPOSED DIVIDEND

The Dividend recommended by the Board of Directors is 15% on equity share which is pending for approval at the 33rd Annual General Meeting.

Note: 34 First- time Adoption of Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS.

The Company has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs with effect from 1st April, 2016, with a transition date of 1st April, 2016. Ind AS 101-First-time Adoption of Indian Accounting Standards requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements which is for the year ended 31st March, 2017 for the company, be applied retrospectively and consistently for all financial years presented. Consequently, in preparing these Ind AS financial statements, the Company has availed certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below. The resulting difference in the carrying values of the assets and liabilities as at the transition date between the Ind AS and Previous GAAP have been recognized directly in equity (retained earnings or another appropriate category of equity).

Set out below are the Ind AS 101 optional exemptions availed as applicable and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

I. Optional Exemptions availed

A. Deemed Cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the Financial Statements as at the date of transition to Ind AS, measured under IGAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 'Intangible assets' and Investment properties covered by Ind AS 40 'Investment properties'. Accordingly, the Company has elected to measure all of its property, plant and equipment, intangible assets and investment properties under IGAAP carrying value.

B. Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVTPL on the basis of the facts and circumstances at the date of transition to Ind AS. The Company has elected to apply this exemption for its investment in Equity shares of companies other than long term foreign currency monetary items.

II. Applicable Mandatory Exceptions

A. Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies). Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Investment in equity instruments carried at FVPL or FVOCI;
- Impairment of financial assets based on expected credit loss model.

B. Classification and measurement of financial assets

As required under Ind AS 101 the company has assessed the classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

III. Transition to Ind AS – Reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS as required under Ind AS 101:

The following explains the material adjustments made while transition from previous accounting standards to IND AS:

A. Fair Valuation of Investments

Under the previous IGAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and reliability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under IND AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings Rs. 20,14,700 i.e. (14,75,200+5,39,000) as at 31st March, 2017. (Rs. 14,75,200 as at 1st April, 2016).

B. Investment property

Under IGAAP, there was no requirement to present investment property separately, and the same was included under non-current assets and measured at cost less provision for diminution other than temporary. Under Ind AS, investment property is required to be presented separately on the face of the Balance Sheet. Accordingly, the carrying value of investment property under IGAAP has been reclassified to a separate line item on the face of the Balance Sheet.

C. Tangible Asset

Spare parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. Under Ind AS these spares are to be considered under tangible asset due to which the increase in tangible asset by Rs. 9,42,375 and addition to depreciation is Rs. 223,224 due to which net increase in tangible asset for the year 31st March, 2017 is Rs. 7,19,151.

D. Security deposits

Under the previous IGAAP, interest free security deposits are recorded at their transaction value. Under IND AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued the security deposits under IND AS. Difference between fair value of security deposits and the carrying value (transaction value) as per Previous IGAAP has been recognised as prepaid rent. Consequently, the amount of security deposits and prepaid rent has not having any impact for the year ended 31st March, 2017 as that is the last year out of 3 years agreement of security deposit after year end the agreement is renew for further 3 years. (Rs. 48,304 as at 1st April, 2016). The prepaid rent increased by Rs. 44,436 as at 1st April, 2016. Total equity decreased by Rs. 3,879 as at 1st April, 2016. The profit for the year and total equity as at 31st March, 2017 increased by Rs. 3,879 (net).

E. Remeasurements of post-employment benefit obligation

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit and loss. Under the previous IGAAP, these remeasurements were forming part of the profit and loss for the year. As a result of this change, the profit for the year ended 31st March, 2017 increase by Rs. 13,84,424. There is no impact on the total equity as at 31st March, 2017.

F. Retained earnings

Retained earnings as at 1st April, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

G. Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous IGAAP.

H. Deferred Tax

Deferred Tax on aforesaid IND AS adjustments.

I. Current Tax

Tax component on Actuarial Gains and losses which is transferred to Other Comprehensive Income under IND AS and Tax Component on which was debited to security premium account under previous IGAAP. As required under the Ind AS, the same has been debited to Profit and Loss.

J. The Ind AS adjustments are either non cash adjustments or are regrouping among the cash flows from operating, investing and financing activities. Consequently, Ind AS adoption has no impact on the net cash flow for the year ended 31st March, 2017 as compared with the previous IGAAP.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

NOTE : 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

I. GENERAL INFORMATION

Jaysynth Dyestuff (India) Limited is a public company limited by shares, incorporated and domicile in India. The Company was established in 1985 and is engaged in manufacturing of dyes, pigment and ink. Its registered office located at 301, Sumer Kendra, Pandurang Budhkar Marg, Worli, Mumbai 400 018. The manufacturing facilities are located at Taloja and Patalganga, Maharashtra. The Company is listed on Bombay Stock Exchange.

Jaysynth Dyestuff (India) Limited ('the Holding Company') and its Subsidiary (together constitute 'the Group').

II. BASIS OF PREPARATION

A. Compliance with Ind AS

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the consolidated financial statements, unless otherwise stated.

The Company has adopted all the applicable Indian Accounting Standards ('Ind AS') in accordance with Ind AS 101 – First Time Adoption of Indian Accounting Standards. The Company has transitioned from its previous IGAAP as defined in Ind AS 101 with the necessary disclosures relating to reconciliation of Shareholders equity under previous IGAAP and Ind AS and of the net profit as previous IGAAP and Total Comprehensive Income under Ind AS.

The Group combines the Financial Statements of the parent and its subsidiary companies line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting Policies of subsidiary companies have been changed where necessary to ensure consistency with the policies adopted by the Group.

B. Historical Cost convention

The consolidated financial statements have been prepared on a historical cost basis considering the applicable provisions of Companies Act, 2013 except the following material items that have been measured at fair value as required by relevant Ind As.

- certain financial assets and liabilities that are measured at fair value
- defined benefit plans - plan assets measured at fair value
- Any other item as specifically stated in accounting policy.

C. Current AND Non-current Classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

III. USE OF ESTIMATES AND JUDGMENTS

The estimates and judgments used in the preparation of the consolidated financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

IV. PROPERTY, PLANT AND EQUIPMENTS

For transition to Ind AS, the Company has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognized as of 1st April, 2016 (transition date) measured as per the Previous IGAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

All items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Spares parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. The carrying amounts of those spare parts that are replaced are derecognized when no future economic benefits are expected from their use or upon disposal.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

A. Depreciation methods, estimated useful lives and residual value

Useful life considered for calculation of depreciation for various assets class are as follows-

ASSET CLASS	ESTIMATED USEFUL LIFE
Plant & Machinery	15 years
Electrical Installation	15 Years
Equipment	15 Years
Computer	6 Years
Equipment – Print Head	3 Years
Furniture & Fixture	10 Years
Vehicle	8 Years

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

V. INVESTMENT PROPERTIES

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment property recognized as at 1st April, 2016 measured as per IGAAP as the deemed cost of investment property.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

VI. INTANGIBLE ASSETS

For transition to Ind AS, the Company has elected to continue with the carrying value of intangible assets recognized as of 1st April, 2016 (transition date) measured as per the previous IGAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets.

An item of Intangible asset is derecognized on disposal or when no future economical benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

VII. CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, bank overdraft, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

VIII. INVENTORIES

Inventories are valued after providing for obsolescence as follows:

- (1) Stock of Raw materials, packing materials and stores & fuel are valued at lower of cost or net realizable value. Cost Formulae used is first in first out.
- (2) Semi-Finished Goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost and related overheads. Cost Formulae used is weighted average method.
- (3) Stock of manufactured and traded finished goods are valued at lower of cost or net realizable value. Cost for the purpose includes material cost, related overheads and excise duty paid/payable. Excise duty on manufactured finished goods forming part of the inventory is included in cost of finished goods. Goods In transit are stated at cost.
- (4) Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the company.

IX. INVESTMENTS AND OTHER FINANCIAL ASSETS

A. Classification-

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

B. Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

C. Income Recognition of Dividends

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

D. Derivative financial instruments and hedge accounting

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise.

X. REVENUE RECOGNITION

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognised when substantial risk and rewards of ownership are transferred to customer, in case of domestic customer, generally sales take place when goods are dispatched or delivery is handed over to transporter, in case of export customers, generally sales take place when goods are shipped onboard based on bill of lading

Sales Return-The Company recognises provision for sales return, based on the historical results, measured on net basis of the margin of the sale.

A. Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of goods have passed to the buyer which generally coincides with delivery. Sales for the year include sale value of goods, excise duty and other recoveries, such as insurance, transport and packing charges excluding VAT/CST/GST.

Export Incentives under the "Duty Entitlement Pass Book Scheme", "Duty Drawback Scheme", etc. are accounted for as and when admitted by the appropriate authorities / in the year of export.

XI. EMPLOYEE BENEFITS

A. Short term obligation

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

B. Post-employment obligations

The Company provides the following post-employment benefits:

(a) Defined Benefits Plans

The cost of providing defined benefit plans such as gratuity is determined on the basis of present value of defined benefits obligation which is computed using the projected unit credit method with independent actuarial valuation made at the end of each annual reporting period, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measuring each unit separately to build up the final obligation.

The net interest cost is calculated by applying the discount rate to the net balance of define benefit obligation and the fair value of plan asset. This cost is included in employee benefit expenses in the statement of Profit and Loss except those included in the cost of asset as permitted.

Re-measurements comprising of actuarial gain and losses arising from experience adjustments and change in actuarial assumptions, the effect of change in assets ceiling (if applicable) and the return on the plan asset (excluding net interest define above) are recognized in Other Comprehensive Income (OCI) except those included in cost of asset as permitted in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlement) is recognizes in the Statement of Profit and Loss except those included in cost of asset as permitted in the period in which they occur.

(b) Defined Contribution Plans

Payments to defined contribution retirement benefit plans, viz. Provident Fund and National Pension Fund for eligible employees are recognized as an expense when employees have rendered the service entitling them to the contribution.

XII. FOREIGN CURRENCY TRANSLATION

A. Functional and presentation currency

The consolidated financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

B. Transactions and Balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in Other Comprehensive Income.

XIII. PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

XIV. INCOME TAX

Income Tax expenses represent the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

Current Tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the Current year is determined on the basis of the estimated taxable income and tax credit computed in accordance with the provisions of the relevant tax laws and based on expected outcome of assessment/apples.

Deferred tax is recognized on the temporary differences between the carrying amounts of the assets and liabilities in the balance sheet and corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profit will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from initial reorganization of assets and liabilities in the transaction that effect neither taxable profit nor accounting profit.

Deferred tax asset and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rate (and tax laws) that have been enacted or substantively enacted by the balance sheet date.

Minimum Alternate Tax credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

XV. FAIR VALUE MEASUREMENT

The company measures financial instruments such as derivatives and equity instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumptions that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

XVI. EARNING PER SHARE

The basic and diluted earnings per share is computed by dividing the net profit after taxes attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

XVII. STATEMENT OF CASH FLOW AND CASH AND CASH EQUIVALENTS

Statement of cash flow is prepared in accordance with the indirect method prescribed in the relevant Ind AS. For the purpose of presentation in the Statement of the Cash Flow, Cash and Cash Equivalents includes cash on hand, cheques and drafts on hand, deposit held with banks, other short term, highly liquid investments with the original maturities of three month or less.

XVIII. PROPOSED DIVIDEND

The Dividend recommended by the Board of Directors is 15% on equity share which is pending for approval at the 33rd Annual General Meeting.

Note : 34 First- time Adoption of Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS.

The Company has adopted Indian Accounting Standards (Ind AS) notified by the Ministry of Corporate Affairs with effect from 1st April, 2016, with a transition date of 1st April, 2016. Ind AS 101-First-time Adoption of Indian Accounting Standards requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements which is for the year ended 31st March, 2017 for the company, be applied retrospectively and consistently for all financial years presented. Consequently, in preparing these Ind AS financial statements, the Company has availed certain exemptions and complied with the mandatory exceptions provided in Ind AS 101, as explained below. The resulting difference in the carrying values of the assets and liabilities as at the transition date between the Ind AS and Previous IGAAP have been recognized directly in equity (retained earnings or another appropriate category of equity).

Set out below are the Ind AS 101 optional exemptions availed as applicable and mandatory exceptions applied in the transition from previous IGAAP to Ind AS.

I. Optional Exemptions availed

A. Deemed Cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the Financial Statements as at the date of transition to Ind AS, measured under IGAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 'Intangible assets' and Investment properties covered by Ind AS 40 'Investment properties'. Accordingly, the Company has elected to measure all of its property, plant and equipment, intangible assets and investment properties under IGAAP carrying value.

B. Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVTPL on the basis of the facts and circumstances at the date of transition to Ind AS. The Company has elected to apply this exemption for its investment in Equity shares of companies other than long term foreign currency monetary items.

II. Applicable Mandatory Exceptions

A. Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous IGAAP (after adjustments to reflect any difference in accounting policies). Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous IGAAP. The company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous IGAAP:

- Investment in equity instruments carried at FVPL or FVOCI;
- Impairment of financial assets based on expected credit loss model.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

B. Classification and measurement of financial assets

As required under Ind AS 101 the company has assessed the classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

III. Transition to Ind AS – Reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous IGAAP to Ind AS as required under Ind AS 101:

I. Reconciliation of Balance Sheet as at 1st April, 2016

The following explains the material adjustments made while transition from previous accounting standards to IND AS:**A. Fair Valuation of Investments**

Under the previous IGAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and reliability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under IND AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings Rs. 20,14,700 i.e. (14,75,200+5,39,000) as at 31st March, 2017. (Rs. 14,75,200 as at 1st April, 2016).

B. Investment property

Under IGAAP, there was no requirement to present investment property separately, and the same was included under non-current assets and measured at cost less provision for diminution other than temporary. Under Ind AS, investment property is required to be presented separately on the face of the Balance Sheet. Accordingly, the carrying value of investment property under IGAAP has been reclassified to a separate line item on the face of the Balance Sheet.

C. Tangible Asset

Spares parts procured along with the Plant and Equipment or subsequently individually which meets the recognition criteria of PPE are capitalized and added to the carrying amount of such items. Under Ind AS these spares are to be considered under tangible asset due to which the increase in tangible asset by Rs. 9,42,375 and addition to depreciation is Rs. 223,224 due to which net increase in tangible asset for the year 31st March, 2017 is Rs. 7,19,151

D. Security deposits

Under the previous IGAAP, interest free security deposits are recorded at their transaction value. Under IND AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued the security deposits under IND AS. Difference between fair value of security deposits and the carrying value (transaction value) as per Previous IGAAP has been recognised as prepaid rent. Consequently, the amount of security deposits and prepaid rent has not having any impact for the year ended 31st March, 2017 as that is the last year out of 3 years agreement of security deposit after year end the agreement is renew for further 3 years. (Rs. 48,304 as at 1st April, 2016). The prepaid rent increased by Rs. 44,436 as at 1st April, 2016. Total equity decreased by Rs. 3,879 as at 1st April, 2016. The profit for the year and total equity as at 31st March, 2017 increased by Rs. 3,879 (net).

E. Remeasurements of post-employment benefit obligation

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit and loss. Under the previous IGAAP, these remeasurements were forming part of the profit and loss for the year. As a result of this change, the profit for the year ended 31st March, 2017 increase by Rs. 13,84,424. There is no impact on the total equity as at 31st March, 2017.

F. Retained earnings

Retained earnings as at 1st April, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

G. Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under previous IGAAP.

H. Deferred Tax

Deferred Tax on aforesaid IND AS adjustments.

I. Current Tax

Tax component on Actuarial Gains and losses which is transferred to Other Comprehensive Income under IND AS and Tax Component on which was debited to security premium account under previous IGAAPs required under the Ind AS, the same has been debited to Profit and Loss.

J. The Ind AS adjustments are either non cash adjustments or are regrouping among the cash flows from operating, investing and financing activities. Consequently, Ind AS adoption has no impact on the net cash flow for the year ended 31st March, 2017 as compared with the previous IGAAP.
