**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE
STANDALONE Ind AS FINANCIAL STATEMENTS OF RAJASTHAN PETRO SYNTHETICS LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of

Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **RAJASTHAN PETRO SYNTHETICS Limited** (“the Company”) as of March 31st, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to Obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

The financial statements up to the year ended March 31, 2017 were prepared in accordance with Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act ('Previous GAAP'). These are Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016.

Exemptions and Exceptions availed

Ind-AS 101 first time adoption of Indian Accounting Standards allows first time adopters certain exemption & exceptions from the retrospective application of certain requirements under Ind-AS effective April 1, 2016.

Exemption

Property, Plant & Equipment

Ind-AS 101 permits a first time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in financial statement as at date on transition to Ind-AS, measured as the previous GAAP and use that as its deemed cost as at date of transition. Accordingly Company has elected to measure all of its Property, Plant and Equipment at their previous GAAP carrying value.

Investment in Subsidiaries

Investment in subsidiaries needs to be accounted into the books either at cost or at value determined in accordance with Ind AS 109. Accordingly Company has elected to measure Investment in Subsidiaries at their previous GAAP carrying value.

Exception

i) Estimates

An entity's estimates in accordance with Ind-AS at the date of transition to Ind-AS shall be consistent with estimate made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

(ii) Classification and Measurement of financial assets

Ind-AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind-AS.

(B) Basis of measurement

The financial statements are prepared on historical Cost basis except for certain financial assets and liabilities that are measured at fair value. The accounting policies not specifically referred to otherwise, are consistent and in consonance with generally accepted accounting principles. All income and expenditure are being accounted for an accrual basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell assets or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

(C) Use of Estimates

In preparing Company's financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in the period in which the same is determined.

1.5 Investments

Long term investments are stated at cost, unless the loss is other than temporary in nature.

Current tax expense is based on the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at the Balance Sheet date and takes into consideration various deductions and exemptions to which the Company is entitled to as well as the reliance placed by the Company on the legal advices received by it. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

1.7 Retirement benefits

Gratuity and leave encashment are accounted for on cash basis.

1.8 Recent accounting pronouncement issued but not yet effective up to the date of Issuance of financial statements.

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Rules, 2015, notifying IndAS 115, 'Revenue from Contracts with Customers' This Ind-AS is in accordance with the IFRS 15.
