34. MANAGEMENT DISCUSSION AND ANALYSIS:

Industry Structure

The Indian textile and apparel Industry has been a significant contributor to the Indian economy and continues to play a pivotal role in India's growth story through its contribution to industrial output, employment generation and export earnings. The textile Industry contributes 14% to the industrial production while its share in Indian exports stands at a significant 12%. The Indian textile Industry contributes 5% to India's GDP. India is one of the few countries with a complete and integrated textile value chain having production at each level of textile manufacturing with an overall annual growth of 8.9%. The textile Industry is labour intensive and is one of the largest employers. The Indian textiles Industry, currently estimated at around 110 billion dollars approx is expected to reach us\$ 114 billion by 2021. The Industry is the second largest employer after agriculture, providing direct employment to over 45 million and 60 million people indirectly.

Strength and Opportunities

- Ambition of the Government of India to make India a hub for textiles will create an opportunity for your company to perform better in the coming years also various initiatives provided by the Government will help to boost the textile Industry;
- Make in India campaign;
- Large overseas and domestic market: Increase in consumption pattern of polyester across the country and even globally will give a boost to the polyester yarn market also the use of polyester yarn as a affordable substitute of much other manmade and natural fibres has led to the increase in consumption of polyester yarn world over;
- Abundant raw material availability;
- Low cost skilled labour;
- Promising export potential.

Weakness and Threats

- Fragmented Industry;
- Cost competitiveness and low margins: Due to severe recessionary trends which are continuing in the developed countries, unit realisation of products may continue to be under pressure;
- Technological obsolescence in weaving and spinning sector;
- Competition in the domestic as well as world markets specially from China;
- Problems of power yet prevail: Severe power shortage in some of the states will remain a big threat for the utilisation of the plant and equipments due to shortage of power, the utilisation may drop severely and hence volatility in yarn prices may continue;
- Increase in Labour wage rate on an average by 10-15%.
- Shortage of skilled labour;
- Increasing input costs i.e. power, finance and logistics;
- Volatile government policies.

Management Perception of Risks and Concerns

- In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the company are imperative. The main risks include strategic risk, operational risk, financial risk and compliances and legal risk. The fast technology obsolescence, high cost of manufacturing and taxation are the major risk/ concerns of the business;
- Fluctuations in foreign exchange adversely impacted exports and long term export orders cannot be booked in view of the uncertainty in exchange rates also the fluctuation in exchange rates makes it difficult to purchase machinery from abroad due to uncertainty of the future;
- Adequate availability of raw material at the right prices is crucial for the company. Disruption in the supply or violent changes in the cost structure would affect the profitability of the company;
- Government's periodical announcements for liberalised tariff concessions offered to least developed countries like Bangladesh, Nepal, Bhutan and other countries under South Asian Free Trade Area (SAFTA) is also an area concern.

However, the future for the textile Industry looks promising, buoyed by strong domestic consumption as well as export demand. Free trade with Asian countries and proposed agreements with EUCountries will also help to boost exports. Also the west has started taken India seriously as a potential supplier of polyester yarn apart from china. Rising government focus and favorable policies to support the Industry has led to growth in the Industry.

Internal Control and Management Systems:

Your company has an adequate internal control system. There is a system of continuous internal audit which aims at ensuring effectiveness and efficiency of systems and operations. Your company has the benefit of internal control systems which have been developed over the years and which has ensured that all transactions are satisfactorily recorded and reported and all assets are protected against loss from unauthorised use or otherwise. The process of Internal control and systems, statutory compliance, risk analysis and its management and information technology are taken together to provide a meaningful support to the management process also continuous efforts are being made to strengthen the system.

Acknowledgement

Your Directors place on record their sincere gratitude for the assistance, guidance and co-operation the Company has received from all stake holders. The Board further places on record its appreciation for the dedicated services rendered by the employees of the Company.

BLUE CHIP TEX INDUSTRIES LTD.

INDEPENDENT AUDITORS' REPORT

To the Members of BLUE CHIP TEX INDUSTRIES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **BLUE CHIP TEX INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

31st ANNUAL REPORT 2015-16

BLUE CHIP TEX INDUSTRIES LTD.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS`S REPORT ON THE FINANCIAL STATEMENTS OF BLUE CHIP TEX INDUSTRIES LIMITED.

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub section 3 of Section 143 of the Companies act, 2013 (“the ACT”).

We have audited the internal financial controls over financial reporting of **BLUE CHIP TEX INDUSTRIES LIMITED** (“the Company”) as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting

31st ANNUAL REPORT 2015-16

principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control states in the Guidance Note.

SIGNIFICANT ACCOUNTING POLICIES

a) Basis for preparation of accounts:

The Financial Statements have been prepared on accrual basis and on historical cost convention in accordance with the generally accepted accounting principles in India, the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013.

b) Use of Estimates:

The preparation of financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reported period. Differences between the actual results and estimates are recognised in the period in which the results are known/materialised.

c) Fixed Assets:

Fixed Assets are stated at cost of acquisition or construction less accumulated depreciation and accumulated impairment losses, if any. All costs including cost of financing till commencement of commercial production are capitalised.

d) Depreciation:

Depreciation on furniture is provided on written down value basis and on all other assets on straight-line. The Company has provided depreciation on fixed assets as per the revised useful life as specified in Schedule II of the Companies Act 2013, except for Texturizing Machines and Compressors wherein based on the certification obtained from the Chartered Engineer, the useful life is taken as 25 Years instead of 15 years prescribed by Schedule II.

e) Investments:

Investments classified as Long-Term Investments are stated at cost.

f) Inventories:

Items of Inventories are valued as under:

- I. Packing Material and Oil :
At cost, on First-in-first-out (FIFO) basis or net realisable value, whichever is lower.
- II. Raw Materials:
At cost, on FIFO basis or net realisable value, whichever is lower.
- III. Finished Goods (manufactured):
At cost which includes cost of raw materials determined on FIFO basis plus appropriate share of overhead expenses or net realisable value, whichever is lower.
- IV. The stock of stores and spares is charged to revenue in the year of purchase and no adjustment is made for such stocks, if any, at the year end.

g) Employee Benefits :

Short term Employee Benefits are recognised as an expense at the undiscounted amount in the Profit and Loss Account of the year in which related service is rendered. Unfunded Post employment and other long term employee benefits are recognised as expense in the Profit and Loss Account for the

BLUE CHIP TEX INDUSTRIES LTD.

year in which the Employees have rendered services. The expense is recognised at the present value of the amount payable determined using actuarial valuation techniques.

h) Income taxes:

Income taxes are accounted for in accordance with Accounting Standard 22 on "Accounting for Taxes on Income", (AS 22) issued by The Institute of Chartered Accountants of India. Tax expense comprises both current and deferred tax. Current tax is measured at the amount expected to be paid to / recovered from the tax authorities using the applicable tax rates. Deferred tax assets and liabilities are recognized for future tax consequences attributable to timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured at relevant enacted or substantially enacted tax rates. At each Balance sheet date, the company reassesses unrealised deferred tax assets, to the extent they become reasonably certain or virtually certain of realization, as the case may be.

i) Revenue Recognition:

- Revenue on sale of products is recognised when the products are despatched to the customers, all significant contractual obligations have been satisfied and the collection of the resulting receivable is reasonably expected. The sales are stated net of returns.
- Revenue from sale of power produced on generation of electrical energy is accounted when electricity is delivered at the metering point in terms of power purchase agreement with the customer.
- Revenue in respect of insurance or other claims, quantity discount on purchase, interest etc. is recognised only when it is reasonably certain that the ultimate collection will be made.
- Interest Income is recognised on time proportion basis taking into account the amount outstanding and the interest rate applicable.

j) Provisions, Contingent liabilities and Contingent assets:

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised, but are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the financial statements.

k) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to profit and loss account in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

l) Borrowing costs:

Borrowing costs directly attributable to the acquisition and construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective assets up to the date when such assets are ready for their intended use. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.
