G. M. BREWERIES LIMITED

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF G. M. BREWERIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of G.M.BREWERIES LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2017.

(A) INDUSTRY STRUCTURE AND DEVELOPMENT

G.M.Breweries Limited (GMBL) is engaged in the manufacture of alcoholic liquor. Though the company has got the facility to blend and bottle both Indian made foreign liquor and country liquor, the concentration has been mainly on country liquor during this year also due to competitive market conditions in the IMFL segment. The Company has been making steady progress in the business of country liquor during the past five years.

G. M. BREWERIES LIMITED

Even though not much official statistics are available about the production of country liquor by various manufacturers, the data gathered from The State Excise Department shows that the company contributes about 25 to 30 % of the total Excise duty for country liquor in the whole of Maharashtra.

(B) OPPORTUNITIES, THREATS AND CONCERNS.

The Company's products have been enjoying consistently good brand image and loyalty from the consumers for the past several years and the company enjoys virtual monopoly in country liquor in the districts of Mumbai, Thane and Palghar. It is the single largest manufacturer of country liquor in the State of Maharashtra. The company has capacity to process 13.76 crore bulk litres of country liquor per annum out of which only about 46.56 % has been utilized last year. The company is taking all possible steps to utilize the surplus capacity by extending its business to interior districts of Maharashtra taking advantage of its brand image.

Even though stringent steps have been taken by the various Government agencies, the parallel duty evaded market which eats into Company's market share as well as Government's revenue continues to be the main threat to the Company. The company continues to make representations at various levels of the Government to take effective steps to curb the illicit market in the interest of the industry, revenue of the state as well as the public health.

The Company has been facing difficulty also due to very high levels of taxation and frequent changes in laws. In fact the exorbitant rate of taxation is one of the factors, which breeds duty evasion. The high level of fluctuations in the prices of its main raw material namely Rectified Spirit and as well as acute shortage in the availability of Spirit are the constraints faced by the Company during the past several years. In the recent past company also faces the problem of exercise of concurrent and parallel jurisdiction by more than one government agency like the State Excise

Department, Legal Metrology Department and Food and Drugs Administration Department (FDA) which are conflicting in nature.

To overcome the problem of shortage, wide price fluctuation and heavy breakages in glass bottles, the Company has started marketing all sizes of country liquor in PET bottles which has gained wide acceptance from the consumers. However, during the last year the company faced the problem of sudden spurt in the prices of PET bottles due to increase in petroleum prices in the international market and fluctuation in exchange rates. During the year under review about 55.98% of the company's total sale consisted of PET bottles.

The government of Maharashtra through a notification has banned use of PET bottles for filling alcoholic liquor with effect from April 01, 2016. Various trade bodies of the industry have filed writ petitions in the Hon. Bombay High Court challenging the legality of the notification. The Hon. Bombay High Court has admitted the writ petitions and granted interim stay in the matter. As Company's all bottling lines have been designed to handle both glass and PET bottles final outcome in the matter will not have any impact on the manufacturing operations of the company.

The Hon. Supreme Court of India has banned all liquor outlets within distance of 500 meters on both sides of the notified highways with effect from April 01, 2017. As a result of the order many liquor outlets (including country liquor) may be forced to close down and this in turn may affect the general business outlook of the company in the next financial year.

As a part of its endeavour to conserve nation's precious natural resources, by minimizing the use of power generated from conventional sources, the company has installed and commissioned a solar power plant of 500KWp capacity with net metering facility during the previous year. Apart from tax benefits this will result in substantial reduction in the cost of power consumed. However, the actual reduction in

cost could be arrived at only after the plant functions in optimal capacity for a whole financial year.

(C) OUT LOOK

Barring the aforesaid deterrents, the company does not foresee any major threats to its growth and market share in the coming years. The existing capacity should take care of the company's requirement at least for the next Five years and the Company does not foresee any technological obsolescence for its products.

(D) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has engaged the services of an independent Chartered Accountant to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorised, recorded and reported. Exercises for safeguarding assets and protection against unauthorised use are undertaken from time to time. The company has also installed an extensive CCTV Surveillance system to cover the entire factory premises. All these measures are continuously reviewed by the management and as and when necessary improvements are effected.

(E) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance during the year under reference has been commendable under the given circumstances. Even though the company could marginally achieve growth in terms of sales, the profitability dropped by almost 25% mainly due to very high price levels of Raw materials and packing materials throughout the year.

(F) CORPORATE SOCIAL RESPONSIBILITY.

The company has fully complied with the mandatory norms prescribed for contributions towards corporate social responsibility.

(G) MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED.

As on March 31, 2017 the company had 159 permanent employees at its manufacturing plants and administrative office.

The company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them.

The company has provided rent free accommodation to all its staff & workers adjacent to the factory premises of the company. The company enjoyed excellent relationship with workers and staff during the last year.

2. Notes on Accounts forming part of accounts

1. Clarification regarding note pertaining to "Transport Fee Liability" mentioned in earlier years.

The Company had, along with other manufacturers of Country Liquor and IMFL in the State of Maharashtra, filed a Writ Petition in the Hon'ble Bombay High Court challenging the applicability of "Transport Fee" under Bombay Rectified Spirit (Transport in Bond) Rules 1951.

G. M. BREWERIES LIMITED

The Hon'ble Bombay high Court by its Order and Judgment dated 6th May, 2011 had allowed the Writ Petitions and set aside the levy of Transport Fee under the said Rules. The Hon'ble Bombay High Court has also directed the Government of Maharashtra to Refund the "Transport Fee" Deposited pursuant to the Interim Order. The Government is yet to Refund the deposit of "Transport Fee" made by the Company.

The State of Maharashtra has also filed a Special Leave Petition in the Hon'ble Supreme Court of India against the said Order of the Bombay High Court which is pending for admission.

2. MVAT / Income Tax

Under the MVAT Act in force from 1/4/2005 there is no procedure for assessment. The Company is filing monthly MVAT returns on regular basis and all dues have been paid as per the returns. The MVAT department of Government of Maharashtra has completed Audit of the company's transactions up to the financial year 2012-13. The Company has also filed the audit report as required under the MVAT Act up to the financial year 2015-16.

During the audit process for the financial year 2011-12 the MVAT department has raised a demand of Rs.8,24,42,800/- due to levy of tax on an inflated turnover arrived at on a presumptive basis. Legal experts have opined that the action of the MVAT department is devoid of authority and jurisdiction and the demand is certain to be quashed by the appellate authority. The company has filed an appeal challenging the demand notice and the demand has been stayed in toto. However, whatever liability that may arise out of the final outcome of the appeal will be met by the company out of its reserves.

For the year 2012-13 the audit process has been conducted by the MVAT department as in the earlier years and there has been no additional demand raised under the audit process.
