Total Tax Expenses / (Credit)	82	38
Profit /Loss for the period	244	839
Other Comprehensive income	(9)	1
Transferred to General Reserves	235	840

2. OPERATIONS

During the period under Report, the Company's sales and other income are Rs. 36,830/- lakhs and cash profit is Rs.1201/- lakhs as compared to last year's figures of Rs.55,202/- lakhs and cash profit of Rs.1,688/- lakhs respectively. After depreciation and amortisation, the profit for the year is Rs.326/- lakhs as compared to the previous year profit of Rs. 877/- lakhs respectively.

3. DIVIDEND

The Board of Directors of your Company proposes to retain the profits for use in the business expansion programs. Accordingly, no dividend is recommended by the Directors.

4. FIXED DEPOSITS

The details relating to Deposits, covered under Chapter V of the Act:

- Accepted during the year - Nil;
- There were 4 unpaid/unclaimed fixed deposits with the Company amounting to Rs.1.11 Lakh as at the end of the year;
- There is no default in repayment of deposits or payment of interest thereon during the year.

5. SUBSIDIARY COMPANY AND CONSOLIDATED FINANCIAL STATEMENTS

During the year under review, M/s. MFL Trading Private Limited continues to be the wholly owned subsidiary company of the Company.

In compliance with provisions of Section 129(3) of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has prepared consolidated financial statements as per the Accounting Standards on Consolidated Financial Statements issued by the Institute of Chartered Accountants of India. The audited consolidated financial statements along with the Auditors' Report thereon forms part of this Annual Report.

During the year, the Board of Directors (the Board) has reviewed the affairs of the Subsidiary. Further, a statement containing the salient features of the financial statements of subsidiary in the prescribed format AOC-1 is appended as "Annexure-1" to the Board's Report.

In accordance with Section 136 of the Companies Act, 2013, the audited financial statements, including the consolidated financial statements and related information of the Company and audited financial statements of its subsidiary, are available on the Company's website at www.milkfoodltd.com.

The Company has no material subsidiary company but in order to comply with the Listing Regulations, the Company has adopted a Policy on Material Subsidiary Companies and has uploaded on the Company's website at www.milkfoodltd.com.

6. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

During the period under review, the Company has not made any loan, guarantee or investment in terms of provisions of Section 186 of the Companies Act, 2013.

7. MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY

The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally. The lockdowns ordered by most of the State Government have resulted in slowdown in economic activities and also the business operations of the Company in terms of sales and production. The management has considered the after effects which have resulted from the pandemic on the generation of revenue, stocks, recoverability of trade receivables and carrying value of the assets. Based on the current indicators of future economic conditions and company engaged in dairy business (essential services), the management expects to generate sufficient revenue, recover the receivables and dispose of stocks. However, the situation with Covid-19 is still evolving and various preventive measures taken by the Government of India will help the industry/company to come out of its after effects.

The management is closely monitoring the situation regarding any material changes in future economic conditions.

There is no change in the nature of the Company's business during the year under review.

8. DIRECTORS

Mrs. Preeti Mathur, Non Executive Non Independent Director (DIN: 07951647) retires by rotation and, being eligible, offer herself for re-appointment as the Director of the Company. The Board recommends her re-appointment.

The Board in their meeting held on 20th July, 2020 appointed Mr. Harmesh Mohan Sood, Director (DIN: 07951620) as the Whole-time Director of the Company for a period of three years and the same was approved by the members in the Annual General Meeting held on 29th August, 2020. Further, the Board in their meeting held on 28th November, 2020, subject to the approval of the members of the Company, appointed Mr. Harmesh Mohan Sood, Whole-time Director (DIN: 07951620) as the Managing Director of the Company for a period of three years commencing from 28th November, 2020.

But due to some health issues, Mr. Sood has resigned from the post of Managing Director w.e.f. 30th June, 2021, but continuing as the Non Executive Non Independent Director of the Company.

The Board in their meeting held on 30th June, 2021 has appointed Mr. Sudhir Avasthi as the Additional Director of the Company in the category of Executive Director w.e.f. 1st July, 2021.

Further, the Board appointed Mr. Sudhir Avasthi as the Managing Director of the Company for a period of 5 (Five) years commencing from 1st July, 2021 to hold the office as such up to 30th June, 2026. The Board recommends his appointment.

Ms. Gita Bawa (DIN 00111003), Non Executive Independent Director, whose first term of appointment as the Independent Director expires on 29th May, 2021 and being eligible for re-appointment, has been re-appointed for the second term of 5 (five) consecutive years to hold office as such upto 29th May, 2026. The Board recommends her re-appointment as the Independent Director of the Company for the second term.

Appropriate resolutions for appointment/re-appointment of Directors seeking your approval are included in the Notice of AGM.

During the year under review, Mr. Lalit Kumar, Non Executive Non Independent Director, has resigned from the Directorship of the Company with effect from 20th January, 2021.

The Board places on record its sincere appreciation for the useful services rendered by Mr. Lalit Kumar during his tenure of services with the Company.

Mrs. Asha Gadi, Mr. Kewal Krishan Kohli and Mr. Anil Girotra continue to hold the office as the Non Executive Independent Directors of the Company.

The Board of Directors of the Company are of the opinion that all the Independent Directors of the Company possess relevant expertise and experience required to best serve the interest of the Company.

9. DECLARATION OF INDEPENDENCE

All the Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 read with Regulation 16(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Independent Directors have confirmed the compliances of relevant provisions of Rule 6 of the Companies (Appointments and Qualifications of Directors) Rules, 2014 as amended from time to time.

10. FORMAL LETTER OF APPOINTMENT TO INDEPENDENT DIRECTORS

The Company has issued the formal letter of appointment to all the independent directors in the manner as provided under the Companies Act, 2013 and the terms and conditions of their appointment have been disclosed on the website of the Company at www.milkfoodltd.com.

11. MEETINGS OF THE BOARD OF DIRECTORS

During the year under review, Fifteen (15) Board meetings and One (1) separate meeting of the Independent Directors were convened and held. The details of these meetings are given in the Corporate Governance Report. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

12. FAMILIARIZATION PROGRAMMES FOR INDEPENDENT DIRECTORS

The Company has a policy of conducting familiarization programmes for Independent Directors in order to familiarize them with the Company, their roles, rights, responsibilities in the Company and nature of the industry in which the Company operates etc. The details of such Policy have been given on the website of the Company at www.milkfoodltd.com.

13. COMMITTEES

As per the provisions of Section 177, 178 and 135 of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has constituted an Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee. The Composition of these Committees and details of their meetings are given in the Corporate Governance Report.

14. KEY MANAGERIAL PERSONNEL

The following are the Key Managerial Personnel of the Company:

- a) Mr. Harmesh Mohan Sood, Managing Director, resigned as the Managing Director w.e.f. 30th June, 2021.
- b) Mr. Sudhir Avasthi, Chief Executive Officer (CEO), resigned as CEO w.e.f. 30th June, 2021 and is appointed as the Managing Director of the Company w.e.f. 1st July, 2021.
- c) Mr. Sanjeev Kothiala, Chief Financial Officer.
- d) Mr. Rakesh Kumar Thakur, Company Secretary and Compliance Officer.

15. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(3) (c) read with Section 134 (5) of the Act, your Directors confirm that:

- (a) in the preparation of Annual Accounts for the year ended March 31, 2021, the applicable Accounting Standards have been followed along with proper explanation relating to material departures;
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the Directors have prepared the annual accounts of the Company on a going concern basis;
- (e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- (f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

16. CHANGE IN SHARE CAPITAL

There was no change in the Share Capital of the company during the financial year 2020-21.

17. AUDITORS

17.1 STATUTORY AUDITORS

The Members at the 44th Annual General Meeting (AGM) of the Company held on 26th September, 2017 had appointed M/s V. P. Jain & Associates, Chartered Accountants (ICAI Firm Registration Number 015260N), as the statutory Auditors of the Company to hold the office for a term of five years i.e. from the conclusion of the said AGM until the

conclusion of the 49th AGM to be held in the year 2022, subject to ratification of their appointment by the members of the Company at every subsequent AGM of the Company.

In accordance with the Companies Amendment Act, 2017, enforced on 7th May, 2018 by the Ministry of Corporate Affairs, the appointment of Statutory Auditors is not required to be ratified at every Annual General Meeting. In view of the same, the matter for ratification of appointment of Statutory Auditors of the Company, has not been included in the notice of the ensuing AGM.

The Statutory Auditors have confirmed that they are not disqualified from being continued as Statutory Auditors of the Company.

17.2 AUDITORS' REPORT

The Auditors' Report does not contain any qualifications/reservation or adverse remarks. Notes to accounts are self explanatory and form an integral part of Financial Statements.

17.3 SECRETARIAL AUDITORS

Pursuant to the provisions of Section 204 of the Companies Act, 2013 read with corresponding Rules framed thereunder, Ms. Kamlesh Gupta, Company Secretary has been appointed as the Secretarial Auditor of the Company to carry out the Secretarial Audit of secretarial and related record of the Company for the financial year ended on March 31, 2021.

A Secretarial Audit Report submitted by the Secretarial Auditor in Form No. MR-3 forms part of this report and is annexed herewith as "**Annexure-2**".

As per the remarks given by the Secretarial Auditor relating to the non compliance of Regulation 33 of SEBI (LODR) Regulations, 2015, **the Board's explanation and comments on the above are as follows:** Due to Covid 19 pandemic, the financial results for the quarter ended September, 2020 could not be submitted within the period prescribed under Regulation 33 of SEBI (LODR) Regulations, 2015. However, the results of the said quarter were submitted on 19th November, 2020. The Company also deposited the fine of Rs. 11800/- as imposed by the BSE.

A Secretarial Compliance Report for the financial year ended 31st March, 2021 on compliances of all applicable SEBI Regulations and circulars/ guidelines issued thereunder, was obtained from Ms. Kamlesh Gupta, Company Secretary, Secretarial Auditor and submitted to the stock exchange.

17.4 INTERNAL AUDITORS

M/s. Pardeep Sharma & Associates, Chartered Accountants, (Registration No. 029181N), Delhi have been appointed as internal auditors of the Company for the financial year 2020-21 to perform the functions of internal audit of the Company.

17.5 COST AUDITORS

On the recommendations of Audit Committee, M/s HMVN & Associates, Cost Accountants (Firm Registration No.000290) have been appointed as the Cost Auditors to audit the cost accounts of the Company relating to Milk Powder for the financial years 2021-22.

As required under the Companies Act, 2013, resolution seeking members' approval for the ratification of remuneration payable to the Cost Auditors forms part of the Notice convening the ensuing Annual General Meeting.

18. NOMINATION AND REMUNERATION POLICY

The Board on the recommendations of the Nomination & Remuneration Committee has framed a Policy for the selection and appointment of directors, key managerial personnel and also for determining the criteria of their remuneration. The Remuneration Policy has been stated in the Corporate Governance Report and is uploaded on the Company's website at http://www.milkfoodltd.com/img/downloads/Milkfood_Nomination_Remuneration_Policy.pdf

19. RISK MANAGEMENT POLICY

Pursuant to Section 134(3)(n) of the Companies Act, 2013, the Company has formulated a Risk Management Policy. The Company is aware of the risks associated with the business of the Company. It regularly analyses and takes corrective actions for managing / mitigating the risks.

At present, the Company has not identified any element of risks which may threaten the existence of the Company.

20. PERFORMANCE EVALUATION

In terms of the requirements of the Act and Listing Regulations, a separate exercise was carried out to evaluate the performance of all the individual Directors on the Board who were evaluated on parameters such as level of engagement, contribution and independence of judgment thereby safeguarding the interest of the Company. The performance evaluation of the Independent Directors was carried out by the entire Board (excluding the Directors being evaluated). The performance

evaluation of the Non Independent Directors was carried out by the Independent Directors. The Board also carried out annual performance evaluation of the working of its Committees. The Directors expressed their satisfaction with the evaluation process.

Some of the key criteria for the performance evaluation are as follows –

Performance evaluation of Directors:

1. Attendance at the Board/Committee meetings.
2. Contribution at the Board/Committee meetings.
3. Guidance/support to management outside Board/Committee meetings.

Performance evaluation of Board and Committees:

1. Degree of fulfillment of key responsibilities.
2. Board Structure and Composition.
3. Quality of relationship between Board and Management.
4. Efficacy of communication with external shareholders.
5. Effectiveness of Board process, information and functioning.

21. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company has in place an Anti Sexual Harassment Policy in line in accordance with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013. Internal Complaints Committee (ICC) has been set up to redress complaints received regarding sexual harassment. All employees (permanent, contractual, temporary, trainees) are covered under this policy. No complaint has been received during the year under review.

22. CORPORATE SOCIAL RESPONSIBILITY

The brief outline of the corporate social responsibility (CSR) policy of the Company and the initiatives undertaken by the Company on CSR activities during the year are set out in “**Annexure-3**” of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014. For other details regarding the CSR Committee, please refer to the Corporate Governance Report, which is a part of this report. The policy is available on http://www.milkfoodltd.com/img/downloads/Milkfood_Corporate_Social_Responsibility_Policy.pdf.

23. CORPORATE GOVERNANCE REPORT

A detailed Report on Corporate Governance forms an integral part of Annual Report and is set out as a separate section therein. A certificate from the Practicing Company Secretary, regarding the compliances with the conditions of corporate governance as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed to the Directors’ Report.

24. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In terms of provisions of Regulation 34 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, Management Discussion and Analysis Report have been given separately and forms part of this Report.

25. INFORMATION UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

(For the financial year ended 31st March, 2021)

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members
Milkfood Limited
P.O. Bahadurgarh
Distt. Patiala
Punjab

I have conducted the secretarial audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by M/s Milkfood Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021, complied with statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings – **Not applicable during the reporting period** as the Company has not received any foreign direct investment, Company has not made any overseas investments and there are no external commercial borrowings during the period under audit.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of shares and Takeover) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 - **Not applicable** as the Company has not issued any securities during the year under audit;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - **Not applicable** as the Company has not granted any Options to its employees during the year under audit;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - **Not applicable** as the Company has not issued any debt securities during the year under audit;
 - (f) The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client – **Not applicable** as the Company is not registered as a Registrar to an issue and Share Transfer Agent during the year under audit;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – **Not applicable** as the Company has not got delisted its equity shares from the Stock Exchange during the year under audit;
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **Not applicable** as the Company has not bought back any of its securities during the year under audit.
- (vi) Laws specifically applicable to the industry to which the Company belongs, as identified by the Management, that is to say:
 - (i) The Food Safety and Standards Act, 2006 and the Rules & Regulations made thereunder as amended from time to time.

For the compliances of Labour Laws & other Laws, as applicable to the Company, my examination and reporting is based on the documents, records and files as produced and shown to me and the information and explanations as provided to me, by the officers and management of the Company and to the best of my judgment and understanding of the applicability of the

different enactments upon the Company, in my opinion there are adequate systems and processes exist in the Company to monitor and ensure the compliance with other applicable laws and Labour Laws.

I have also examined the compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above except to the extent as mentioned below:

Non compliance of Regulation 33 of SEBI (LODR) Regulations, 2015:

Company could not submit the financial results for the quarter ended September, 2020 within the period prescribed under Regulation 33 of SEBI (LODR) Regulations, 2015. However, the Company submitted the results for that quarter on 19th November, 2020 with a penalty of Rs. 11800/- as levied by the BSE.

I further report that the Board of Directors of the Company is duly constituted as per the requirements of Listing Regulations and the Companies Act, 2013. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the applicable provisions of the Act.

Adequate notices are given to all Directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice.

The minutes of the Annual General Meeting, Board Meetings and Committee Meetings of the Board are duly signed by the Chairman. All the decisions of the Board meetings and Committee meetings are carried out unanimously as recorded in their respective minute books and no dissenting vote has been recorded in the minutes on any matter.

As per the records, the Company generally filed all the forms, returns, documents and resolutions as were required to be filed with the Registrar of Companies and other authorities and all the formalities relating to the same is in compliance with the Act.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure the compliances with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there are no other specific events/actions having a major bearing on the affairs of the Company in pursuance of the laws, rules, regulations, guidelines, standards etc. have taken place except the following:

The Board of Directors in its meeting held on 5th October, 2020, has approved the proposed scheme of Amalgamation between Triputi Infrastructure Private Limited (Transferor Company) with Milkfood Limited (Transferee Company).

For the purpose of amalgamation of Transferor Company into Transferee Company, based on the valuation report of Mr. Siddharth Gupta, Chartered Accountant and Registered Valuer dated September 29, 2020, being Registered Valuer appointed for the purpose of the scheme, the following share entitlement ratio is approved:

“69 equity shares of face value of Rs. 10 each to be issued against 1000 equity shares of face value of Rs. 10 each of Transferor Company.”

The Bombay Stock Exchange (BSE) Limited vide E-Letter No. DCS/AMAL/SV/R37/1964/2021-22 dated 28th May, 2021 has approved the said Scheme and now the Company is in the process of filing the application with Honourable NCLT, Chandigarh.

This report is to be read with my Letter of even date which is annexed as **Annexure-2-A** and form an integral part of this Report.

Annexure-4

Information under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014 and forming part of the Directors' Report for the year ended 31st March, 2021:-

1. CONSERVATION OF ENERGY

- I. Your Company has been making efforts to reduce energy consumption by focusing on improving the steam efficiency and capacity utilization, up-gradation of technology, modernization of plants/ training and motivation of employees towards energy conservation.
- II. The Company has installed steam turbine for generation of electricity and fuel efficient boiler. Implementation of refrigeration systems consuming low power has been completed.
- III. There is no capital investment on energy conservation equipments during the year.

Details pertaining to energy consumption as prescribed are given hereunder:

		Year ended 31.03.2021	Year ended 31.03.2020
A) Power and Fuel consumption			
1) Electricity			
a) Purchased			
Units		25,69,377	35,42,693
Total Value	(Rs.)	2,33,81,705	2,95,89,206
Rate/Unit	(Rs.)	9.10	8.35
b) Own Generation			
(i) Through Diesel Generator			
Units		52,519	94,734
Total Value	(Rs.)	14,73,581	24,82,200
Unit per litre of:			
Diesel Oil		2.57	2.51
Cost/Unit	(Rs.)	28.06	26.20
(ii) Through Steam Turbine			
Units		2,24,663	3,31,455
Total Value	(Rs.)	19,09,796	28,62,700
Unit per Kgs of:			
Steam		10,001	18,817
Cost/Unit	(Rs.)	1.36	0.15
2) Others/Internal Generation			
Rice Husk/Petroleum Coke/Charcoal			
Buggase/Fire Wood			
Quantity(MT)		6,708	1,45,602
Total Amount	(Rs.)	2,63,39,888	5,99,61,848
Avg. Rate	(Rs.)	3,927	4,118

The Company has two manufacturing plants at different locations and produces various products and uses different sources of energy in different combinations for the different products. It is, therefore, not feasible to arrive at the energy consumption per unit for each source of energy.

2. TECHNOLOGY ABSORPTION

The Company has not imported any technology for the various products being produced / marketed by it. Up-gradation of technology is a continuous process. There is ongoing work for the quality improvement, finding alternative packing materials, improvement in the various processes. No expenditure has been incurred on research & development during the year.

3. FOREIGN EXCHANGE EARNINGS AND OUTGO : NIL

COMPANY'S POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS, KMPs AND OTHER SENIOR EMPLOYEES:

The Nomination & Remuneration Committee has formulated a policy for selection and appointment of Directors, KMPs and senior employees and for the determination of their remuneration. The highlights of this policy are as follows:

1. Criteria of Selection of Non Executive Directors and Remuneration:

- a. The Non Executive Directors shall be of high integrity with relevant expertise and experience so as to have a diverse Board with Directors having expertise in the fields of manufacturing, marketing, finance, taxation, law, governance and general management.

- b. In case of appointment of Independent Directors, the Committee shall satisfy itself with regard to the independent nature of the Directors vis-à-vis the Company so as to enable the Board to discharge their functions and duties effectively.
- c. The Committee shall ensure that the candidate identified for appointment as a Director is not disqualified for appointment under Section 164 of the Companies Act, 2013.
- d. The Committee shall consider the following attributes / criteria, whilst recommending to the Board the candidature for the appointment as a Director:
 - i. Qualification, expertise and experience of the Directors in their respective fields;
 - ii. Personal, professional or business standing;
 - iii. Diversity of the Board.
- e. In case of re-appointment of Non Executive Directors, the Board shall take into consideration the performance evaluation of the Director and his engagement level.

Remuneration

The Non Executive Directors shall be entitled to receive remuneration by way of sitting fees for participation in the Board meetings/Committee meetings as may be approved by the Board of Directors within the overall limits as prescribed under the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

The Independent Directors of the Company shall not be entitled to participate in the Stock Option Scheme of the Company, if any, introduced by the Company.

2. Managing Director & Whole-time Director- criteria for selection/appointment and remuneration:

For the purpose of selection of Managing Director or Whole time Director, the Committee shall identify person of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration the recommendations, if any, received from any member of the Board.

The Committee will also ensure that the incumbent fulfills such other criteria with regard to age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

Remuneration:

- 1. At the time of appointment or re-appointment, the Managing Director or Whole time Director may be paid such remuneration as may be mutually agreed between the Company (which includes the Nomination & Remuneration Committee and the Board of Directors) and the Managing Director or Whole time Director within the overall limits prescribed under the Companies Act, 2013.
- 2. The remuneration shall be subject to the approval of the members of the Company in their general meeting.
- 3. In determining the remuneration, the Committee shall ensure/consider the following:
 - a. The relationship of remuneration and performance benchmarks is clear.
 - b. Responsibilities required to be shouldered by the Managing Director or Whole time Director, the industry benchmarks and the current trends.

3. Remuneration Policy for the Senior Management Employees:

In determining the remuneration of the Senior Management Employees (i.e. KMPs and senior officers just below the Board level other than the Managing Director and Whole time Director), the Committee shall ensure / consider the following:

- i. the relationship of remuneration and performance benchmark is clear;
- ii. the remuneration including annual increment is decided based on the criticality of the roles responsibilities, the Company's performance vis-à-vis the annual budget achievement, individuals' performance and current compensation trends in the market.

DETAILS OF REMUNERATION PAID TO DIRECTORS:

Management Discussion and Analysis:

INDUSTRY STRUCTURE, OUTLOOK AND DEVELOPMENT

India has been the leading producer and consumer of dairy products worldwide since 1998 with a sustained growth in the availability of milk and milk products. Dairy activities form an essential part of the rural Indian economy, serving as an important source of employment and income. Moreover, nearly all of the dairy produce in India is consumed domestically, with the majority of it being sold as fluid milk. On account of this, the Indian dairy industry holds tremendous potential for value-addition and overall development.

There are many opportunities and challenges in the Indian Dairy Industry. Dairy products are a major source of cheap and nutritious food to millions of people in India and the only acceptable source of animal protein for a large vegetarian segment of the Indian population. Dairying has been considered as one of the activities aimed at alleviating the poverty and unemployment, especially in the rural areas in the rain-fed and drought-prone regions.

The laws regulating the safety and quality of food are in existence since 1899. The number of legislations and quality standards has also increased substantially with the passage of time and growth of the industry. The food sector in India is governed by a multiplicity of laws under different Ministries. The "Food Safety and Standards Act, 2006", aims to integrate the food safety laws in the country in order to systematically and scientifically develop the food processing industry and shift from a regulatory regime to self-compliance.

Organized dairy sector is growing and investor interest in dairy industry is also quite high.

The main aim of the Indian dairy industry is to enhance milk production and upgrade milk processing system by using innovative technologies.

OPPORTUNITIES AND THREATS

Opportunities

- (i) With increased income levels, demand of milk products has gone up. This would mean higher consumption of conventional milk products as also introduction of new milk based products.
- (ii) Milk is a preferred source of protein by Indian populace. Milk and milk products are therefore likely to get preference from consumers who look for protein rich food.
- (iii) India is the largest producer of buffalo milk which is a preferred variety of milk for making certain type of cheese. It offers a good export opportunity for Indian cheese made of buffalo milk.

Threats

- (i) Milk prices are expected to increase due to lower supply of milk resulting into higher cost.
- (ii) Production of milk in India is very widely scattered in rural areas and at vast distances from the places of consumption i.e. urban areas.
- (iii) The trend of adulterated Ghee continues to plague the market which is a serious health risk for the consumers.
- (vi) With increase in education level of young farmers, there is a tendency among the young folk to prefer white collar jobs over conventional dairy farming profession.

GROWTH OUTLOOK

The Indian economy is the fastest growing major economy and is projected to grow faster in the coming years.

Rapid urbanization has led to a major increase in the demand for packaged/processed foods, favorably impacting the dairy industry in the country. In the era of digitization and increased access to actionable information, the Indian populace is becoming health and product quality conscious, which has led to the improved variety of food products available in the country. The increase in working population is leading to increased demand for convenient healthy and tasty products by the consumers.

Milk production as well as production of milk products by organized sector is expected to grow at a robust pace. Higher rate of growth is expected in value added dairy products. Western dairy products, which currently occupy a small space, are likely to grow on a faster clip. Packaged milk and products are likely to progressively replace loose milk and products.

EXPANSION PLANS

Company holds on to its long term vision of becoming a significant player in Dairy space.

RISKS & CONCERNS

With rise in education level of rural population, young generation of farmers is showing apathy for their ancestral profession. There is a tendency in them to prefer white collar jobs over dairy farming in its present form.

Government - both Central and State - have increased their focus on ensuring safe food products including milk products to the consumer. However, due to the lack of adequate testing equipments in Government labs, lot of fear and confusion has been created in the minds of industry as well as consumers.

SEGMENT WISE /PRODUCT WISE REPORTING

The Company is operating in the single segment and engaged in the manufacture and sales of dairy products i.e. pure ghee, skimmed milk powder, whole milk powder. Therefore, segment wise information has not been disclosed.

INTERNAL CONTROL SYSTEM

The Company has structured the internal control system. In view of the large size of the business and to enforce highest levels of transparency, the Company has appointed an independent firm of Chartered Accountants, M/s. Pardeep Sharma & Associates, to act as the internal auditor of the Company covering nearly all aspects related to the working of the Company. The Company has paid particular attention on proper maintenance of equipments to ensure that they are operated at the rated capacities. The Company has taken the effective steps for the reduction of cost and to improve the quality of the product.

The Company has in place adequate internal controls commensurate with the size and nature of its operations.

The integrated financial accounting system supported by inbuilt controls ensures reliable and timely financial and operational reporting.

The management has taken the stringent steps to give better milk products to the consumer.

FINANCIAL PERFORMANCE

Financial performance of the Company has been given separately in the Directors' Report.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

Employees are considered as key stakeholders in the progress of organization and various initiatives are being taken to upgrade their skills. It goes without saying that human resource is of primary importance to any productive activity.

Manpower in the form of labour, supervisors and management personnel are properly selected and deployed to have optimum output and to carry out operations smoothly. Company has laid high emphasis on suitable policies and strategies to up keep the high level of human motivation towards the plant operations. Company is aimed to establish the atmosphere that all human resource from labours to managers behaves in the context of the organizational objectives.

Industrial Relations remained cordial throughout the year under review.

KEY FINANCIAL RATIOS

In accordance with the SEBI (Listing Obligations and Disclosure Requirements 2018) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios.

S. No.	Particulars	2020-21	2019-20	% Change	Remarks
I	Debtors Turnover Ratio (Days)	53.89	22.18	142.97	Increase in debtors is on account of the impact of Covid-19.
II	Inventory Turnover Ratio (Days)	33.19	39.54	(16.06)	Reduction in stocks on account of lower demand.
III	Interest Coverage Ratio	2.05	1.38	48.55	Due to reduction in finance cost.
IV	Current Ratio	1.31	1.12	16.96	There is an improvement because of higher current assets.
V	Debt Equity Ratio	1.60	1.57	1.91	There is marginal increase in debts.
VI	Operating Profit Margin %	10.97	8.71	25.95	Reduction in bulk sales and overall turnover but increases in consumer pack sales where margins were better.
VII	Net Profit Margin %	0.64	1.52	(57.89)	Impact of Covid-19 on Margins.
VIII	Return on Net Worth	0.02	0.07	(71.43)	Reduction in Net Worth is on account of lower sales and margins because of the impact of Covid-19.

DISCLAIMER STATEMENT

Statements made in the Report describing the current industry structure, development are based on certain assumptions and expectations. The Company cannot guarantee that these assumptions and expectations are accurate.

CERTIFICATE ON THE COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE

To

The Members of Milkfood Limited

I have examined the compliance of conditions of Corporate Governance by M/s Milkfood Limited for the year ended March 31, 2021, as per the relevant applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

The compliance of conditions of corporate governance is the responsibility of the Management. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliances of the conditions of Corporate Governance. It is neither an audit nor any expression of opinion on the financial statements of the Company.

On the basis of my review and according to the information and explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations, as applicable.

I further state that such compliance is neither an assurance as to the future viability of the Company nor as to the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF MILKFOOD LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Milkfood Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Emphasis of matter:

Attention is drawn to the Note no 4 regarding biological asset, Note no 6(i) & (ii) regarding trade receivable, Note no 7(i) regarding security deposit, Note no 7(ii) regarding Loans to employee, Note no 8(iii) regarding Advance to Suppliers and insurance claim receivable, Note no 9(i) regarding non-moving stock, Note no 13(iii) regarding GST amount voluntarily deposited under protest, Note no 17(i) regarding classification of security deposit received, Note no. 39 regarding Covid -19 pandemic effect Our opinion is not qualified in respect of these matters.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India(ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

The Key Audit Matter	How the matter was addressed in our audit
<p>The company operates in various states within India, exposing it to a variety of different Central and State Laws, regulations and interpretations thereof. In this regulatory environment, there is an inherent risk of litigation and claims.</p> <p>Consequently, provisions and contingent liability disclosures may arise from direct and indirect tax proceeding, legal proceedings including regulatory and other government/ department proceedings, as well as investigations by authorities and commercial claims.</p> <p>At March 31, 2021, the Company’s contingent liabilities for legal matters were Rs. 78 Lakhs (refer Note to the standalone</p>	<p>Our procedures included:</p> <p>Reviewing the outstanding litigations against the Company for consistency with the previous years. Enquire and obtain explanations for movement during the year.</p> <p>Discussing the status of significant known actual and potential litigations with the Company’s in-house officials and other senior management personnel who have knowledge of these matters and assessing their responses.</p> <p>Reading the latest correspondence between the Company and the various tax/legal authorities and review of</p>

<p>financial statement) and provision for legal matters aggregated Nil. This represents tax of Rs.71 Lakhs levied u/s 47 of Rajasthan Sales Tax Act. 1994. The tax has been levied on account of non-deposit of sale tax by the consignment agent of the company. Department is of the view that liability of principal and agent is joint and several. The remaining Rs 7 lacs represent the claim against the company that have not been acknowledged as debt.</p> <p>GST Receivable</p> <p>The Company has partially deposited the amount of Rs 16.27 crores voluntarily under protest towards GST in respect of verification conducted by the department regarding input tax credit of four dealers. As per information given by the company it has not received any show cause notice. Further it has been informed that company is legally advised of its success as it has made the payment through banking channels.</p> <p>Management applies significant judgment in estimating the likelihood of the future outcome in each case when considering whether, and how much, to provide or in determining the required disclosure for the potential exposure of each matter. This is due to the highly complex nature and magnitude of the legal matters involved along with the fact that resolution of tax and legal proceedings may span over multiple years, and may involve protracted negotiation or litigation.</p> <p>These estimates could change substantially overtime as new facts emerge as each legal case progresses.</p> <p>Given the inherent complexity and magnitude of potential exposures across the country and the judgment necessary to estimate the amount of provisions required or to determine required disclosures, this is a key audit matter.</p>	<p>correspondence with/legal opinions obtained by the management, from external legal advisors, where applicable, for significant matters and considering the same in evaluating the appropriateness of the Company's provisions or disclosures on such matters.</p> <p>Examining the Company's legal expenses and reading the minutes of the board meetings, in order to ensure that all cases have been identified. With respect to tax matters, involving our tax specialists, and discussing with the Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws.</p> <p>Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures.</p> <p>For those matters where management concluded that no provisions should be recorded, considered the adequacy and completeness of the Company's disclosures.</p> <p>We have verified the challans and relied upon the assertions of the management.</p>
--	--

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue

as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraph 3 and 4 of the order.
2. With respect to matter to be included in the Auditor's report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the Company has paid/provided the managerial remuneration to its whole time/Managing Director in accordance with the provisions of the Companies Act subject to approval by special resolution by the shareholder for the year ended March 31, 2021. As required by Section 143 (3) of the

Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the statement of cash flow dealt with by this Report are in agreement with the books of account;
- (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) on the basis of the written representations received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “**Annexure B**”; and
- (g) with respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. there were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure - A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the **Milkfood Limited** ("the company") on the standalone financial statements for the year ended 31 March 2021, we report that:

- (i) In respect of fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a programme of verification of fixed assets to cover all the items in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the said programme, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company. Original copy of title deeds have not been produced as the same are deposited as security with banks under loan agreement as confirmed by the management.
- (ii) Physical verification of the inventory has been conducted by the management at the end of the year and no material discrepancies were noticed.
- (iii) As per information and explanations given to us, Company has not granted any loans to parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Thus, paragraph 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans and made any investment within the meaning of section 185 & 186 of the Act. Thus, paragraph 3(iv) of the Order is not applicable to the Company.
- (v) According to the information and explanation given to us, the company has not accepted any deposits during the year. It is also confirmed by the company that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- (vi) According to the information and explanations given to us and on the basis of our review of the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 we are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.
- (vii) In respect of statutory dues:
 - (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has generally been regular in depositing undisputed statutory dues, including provident Fund, Employees State insurance, income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of the aforesaid statutory dues in arrears as at 31.03.2021 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise or value added tax, which have not been deposited as at 31.03.2021 on account of any dispute.
- (viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank, Government during the year.
- (ix) In our opinion and according to the information and explanation given to us, the moneys raised by way of term loans during the year have been applied by the company for the purposes for which they were obtained.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided managerial remuneration subject to special resolution passed by the shareholders, the approval mandated by the provisions of section 197 read with Schedule V to the Act. It has been informed that the required approval will be obtained in the ensuing AGM of the company.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company and as certified by the management, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Milkfood Limited** ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding

the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE 1. CORPORATE INFORMATION & SIGNIFICANT ACCOUNTING POLICIES

1. CORPORATE INFORMATION

Milkfood Limited (“the Company”) is a public limited company domiciled in India and incorporated under the provisions of the Indian Companies Act. The registered office of the Company is located at P.O. Bahadurgarh-147021 Distt. Patiala (Punjab), India. Its shares are listed on Bombay Stock Exchange (BSE). The Company is primarily engaged in the manufacture and sale of dairy products. The company has two manufacturing locations, one in the state of Punjab at Patiala and one in the state of Uttar Pradesh at Moradabad.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation and compliance with Ind AS

- (i) The Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards as notified under Section 133 of the Companies Act, 2013 read together with Rule 4A of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.
- (ii) These financial statements were approved for issue by the Board of Directors on June 30, 2021.
- (iii) Transactions in currencies other than the Company’s functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the relevant dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of that date. Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Non- monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

2.2 Current versus non-current classification

All assets and Liabilities have been classified as current or non current considering the operating cycle of 12 months.

Deferred tax assets and liabilities are classified as non –current assets and liabilities respectively.

2.3 Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using deemed cost convention and on an accrual method of accounting, except for defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

2.4 Fair value measurement

Fair value is the price that would be received to sell an assets or paid to transfer a liabilities in an orderly transaction between market participants at the measurement date. Fair value for measurement and / or disclosed in these financial statement is determined on such a basis.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, which are described as follows ; level I - III

Level I input

Level I input are quoted price in active market for identical assets or liabilities that the entity can access at the measurement date, A quoted market in an active market provided the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available , with limited exception . If an entity hold a position in a single assets or liabilities and the assets or liabilities is traded in an active market, the fair value of assets or liabilities held by the entity, even if the market normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level II input

Level II input are input other than quoted market prices included within level I that are observable for the assets or liabilities either directly or indirectly.

Level II inputs include:

- quoted price for similarly assets or liabilities in active market.
- quoted price for identical or similar assets or liabilities in market that are not active.
- input other than quoted prices that are observable for the assets or liabilities , for example –interest rate and yield curve observable at commonly quoted interval.
- implied volatilis.

- credit spreads.
- input that are derived principally from or corroborated market data correlation or other means ('market corroborated inputs').

Level III input

Level III inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.5 Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakh.

2.6 Property, Plant and Equipment

(i) Property, plant and equipment

The Company had applied Ind AS 16 with retrospective effect for all of its property, plant and equipment as at the transition date, viz., 1 April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

When an item of property, plant and equipment is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit & Loss.

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Cost includes financing cost relating to borrowed funds attributable to construction.

(iii) Depreciation

The Company depreciates property, plant and equipment over the useful life as prescribed in schedule II of the Companies Act 2013 on the straight-line method from the date the assets are ready for intended use as described in para (ii) above. Assets in the course of construction and freehold land are not depreciated.

The estimated useful lives of assets are as follows:

- Buildings 30-60 years
- Plant and equipments 20 years*
- Furniture and fixtures 8 -10 years

- Vehicles 6 - 10 years (Instead of 8 – 10 years as prescribed under schedule II)
- Office equipments 3 - 6 years
(Including computer software)

*The management has reassessed the remaining useful life of Plant & Machinery with effect from 1st April 2014 in respect of Plant & Machinery, the company is consistently following the policy of charging depreciation over 20 years, notwithstanding certification by the Govt. approved valuer (Chartered Engineer) of the useful life of Plant & Machinery of more than 35 years. This is in pursuance of proviso to sub clause (c) of clause 3 of schedule II of the Companies Act 2013.

Similarly for addition of Plant & Machinery during the year company has estimated the useful life of 20 years (15 years specified in Schedule II) based upon the certificate of suppliers / manufacturers of Plant & Machinery obtained in earlier years.

2.7 Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates

2.8 Impairment of Assets

At the end of each reporting period, the Company assesses whether there is any indication that an assets or a group of assets (cash generating unit) may be impaired. If any such indication exists, the recoverable amount of the asset or cash generating unit is estimated in order to determine the extent of impairment loss (if any). If it is not possible to estimate the recoverable amount of an individual asset, the entity should determine the recoverable amount of the Cash Generated Unit (CGU) to which the asset belongs.

It is not possible to estimate the recoverable amount of the individual asset if:

- The asset's Value in use (VIU) cannot be estimated to be close to its fair value less cost to sell (FLVCS).
- The asset does not generate cash inflows that are largely independent of those from other assets.

Recoverable amount is the higher of fair value less cost of disposal and value in use. In assessing the value in use, the estimated future cash flow are discounted at their present value using the pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the assets for which the estimates of future cash flow have not been adjusted.

If the recoverable amount of an assets (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the assets (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit & Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss recognized immediately in the statement of Profit & Loss.

2.9 Cash and Cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

(i) Initial recognition and measurement:

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the statement of profit and Loss.

(ii) **Subsequent measurement of financial assets:**

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(iii) **Derecognition of financial assets :**

The Company derecognises a financial asset when and only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and loss on disposal of that financial asset.

(iv) **Impairment of financial assets:**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

(v) **Subsequent measurement of financial liabilities:**

All the financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through profit and loss. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

(vi) **Derecognition of financial liabilities**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such on exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.11 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.12 Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value. Costs comprises as follow:

- (i) Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

- (ii) Finished goods and work in progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.
- (iii) Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.
- (iv) Obsolete inventories are identified and written down to net realisable value. Slow moving and defective inventories are identified and provided to net realisable value. Inventories (including whey powder - by product) are valued on lower of cost or net realizable value. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.

2.13 Retirement Benefits

Company follows IND AS-19 as detailed below:-

- (a) Short-term benefits are recognized as expense at the undiscounted amount in the Statement of Profit & Loss of the year in which the related service is rendered.
- (b) Company provides bonus to eligible employees as per Bonus Act 2016 and accordingly liability is provided on actual cost at the end of the year.
- (c) Provident Fund:

The eligible employees of the company are entitled to receive benefits under the Provident Fund, a defined contribution plan in which both employees and the company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner and the Central Provident Fund under the State Pension Scheme.

- (d) The Company has an obligation towards gratuity a defined benefit retirement plan covering all employees. The plan provides for a lumpsum payment to employees at retirement/determination of service on the basis of 15 days terminal salary for each completed year of service subject to maximum amount of Rs. 20 Lacs.

Company's liability towards gratuity and compensated absences is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income (OCI) in the period in which they occur. Remeasurement recognized in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset.

Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

2.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable taking in to account contractually defined terms of payment excluding others taxes or duties collected on behalf of the government. Specific recognition criteria described below must also be met before revenue is recognized.

- (a) Export sales are recognized on the basis of date of bill of lading.
- (b) Export entitlements i.e. duty free scrip and duty draw back are accounted for on the basis of export of goods on FOB value determined for custom purpose.
- (c) Conversion charges are recognized on completion of jobs.
- (d) Interest Income is recorded on time proportion basis using the effective rate of Interest (EIR).
- (e) Carbon Credits are recognized on realization basis.

2.15 Manufacturing policy

The main raw material of the company is milk, which is used to produce Pure Ghee and various types of Milk

Powders. For the last few years, the company has changed its policy to produce Pure Ghee and Milk Powders which conforms to the quality standards adopted by the company consistent with its brand image. Quantities of Pure Ghee and Milk Powders are purchased and processed in the plant to give effect to the manufacturing policy and produce a product of high quality on consistent basis. Company has utilized its facilities for conversion of Milk to Ghee / Butter & Milk Powder on job works basis.

2.16 Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales/ value added taxes paid on acquisition of assets or on incurring expenses.

Expenses and assets are recognised net of the amount of sales/ value added taxes paid, except:

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

2.17 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.18 Foreign Currency Transactions

Foreign Currency Transactions involving export sales are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the customs rate on the date of dispatch of goods. The difference between the rates recorded and the rates on the date of actual realization is transferred to difference in exchange fluctuation account. At the year end, the balances are converted at the year end rate and difference if any between the book balance and converted amount are transferred to the exchange fluctuation account. The premium or discount arising at the inception of a forward exchange contract is amortized as expenses / income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward contract is recognized as income / expenses for the period. Non-monetary items that are measured in historical cost in a foreign currency are not retranslated.

2.19 Earning per shares

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.20 Segment Reporting

The company is operating under a single segment i.e., “Dairy Products- comprising Ghee, Milk Powder, Casein, Whey powder and Dairy whitener” and therefore there are no reportable segments as per IND AS-108 “Segment Reporting” issued under section 133 of Companies Act 2013 read with rules 4A of Companies (Indian Accounting Standards) rules 2015.

2.21 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 “Statement of Cash Flows”, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.22 Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone Ind AS financial statements.

2.23 Leases

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

2.24 Use of estimates and judgments

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which is known/materialised.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (i) Property, Plant and Equipments –
- (ii) Intangible assets -
- (iii) Taxes on income -
- (iv) Retirement and other employee benefits -

MILKFOOD LIMITED

(B) Capital work in progress:

As at 31 March, 2021	156
As at 31 March, 2020	163

(C) Right of use

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Balance as at beginning of the year	-	-
Recognised on account of adoption of IND AS 116 (Leases) in respect of building.	166	279
Additions	41	-
Deletion (on account of vacancy)	27	-
Depreciation	114	113
Balance as at end of the year	66	166

Footnotes:

- (i) For details of Property, plant and equipment charged as security of borrowings. Refer Note 16.
- (ii) Estimated amount of capital contracts remaining to be executed is Rs. 15 Lakhs (PY Rs. 56 Lakhs).
- (iii) * includes office equipment.
- (iv) Wages of Rs.21 Lakhs related to Capex have been capitalized in Plant & Machinery and Building at Moradabad Plant.
- (v) During the year Rs 41 lacs has been added on account of new and Rs 27 lacs has been deleted on account of vacating the old lease premises.
- (vi) Refer Note 39.

Note 4 Biological assets

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Trees & Plantation	239	230
Total	239	230

Footnotes:

Trees and plants are considered biological Assets as per Ind AS 41. Expenditure amounting to Rs 9 lakhs incurred during the year are capitalised, company has obtained the certificate of Agricultural Scientist regarding the fact that the trees have attained sufficient growth for sale and its net realisable value is not less than the carrying amount. The management is of the view that revenue will be generated from the next financial year.

Note 5. Financial assets - Investment

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Investment in equity shares - unquoted			
(a) MFL Trading Pvt. Ltd - 10000 equity shares of 10 each (wholly owned subsidiary company)		1	1
(b) National saving certificates / Deposits	(i)	2	2
Total		3	3

Footnotes:

(i) Pledged with government authorities towards fulfillment of statutory obligations.

Note 6. Trade receivable

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Trade receivables			
Unsecured, considered good	(i)	5,420	3,304
Doubtful		28	28
		5,448	3,332
Less: Allowance for expected credit loss		28	28
		5,420	3,304
Net Trade receivables			
Unsecured, considered good	(i)	5,420	3,304
Doubtful		-	-
		5,420	3,304
Current		5,327	3,286
Non-current	(ii)	93	18

Footnotes:

- (i) In view of insignificant amount of bad debts and timely recovery in earlier years, allowance for expected credit loss is made on the simplified approach of provision based in earlier years.
- (ii) Includes dues from Canteen Stores Department of Rs 17 Lacs outstanding for more than two year that management hopes to recover in the next Financial Year and Rs 76 Lacs outstanding for more than 1 year regarding which the Management is of the view that this amount is good for recovery as the relevant party is under the process of take over by a large Industrial Group.
- (iii) No trade receivables are due from directors and other officers of the company either severally or jointly with any other person, or from firms or private companies in which any director is a partner, a director or a member.

Note 7. Deposits, loan & advances

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Security deposits Unsecured, considered good	(i)	89	92
(b) Loans and advances to employees Unsecured, considered good	(ii)	25	14
Total		114	106

Footnotes:

- (i) Includes Rs 71 Lakhs with Govt departments and are shown at carrying amount. In respect of security deposits with non Govt. departments of Rs 18 Lakhs given to various parties, Rs 17 lacs pertains to Ispace Developers Private Limited which the management considers good for recovery.
- (ii) Includes Rs 11 lacs outstanding for more than 1 year which the management hopes to recover in the next Financial year.

Note 8. Other non current assets

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Prepaid expenses		10	14
(b) Capital Advances		4	21
(c) Deposit with sales tax and other Authorities	(i)	72	84
(d) MAT credit receivable	(ii)	853	837
(e) Others receivable	(iii)	138	136
Total		1,077	1,092

Footnotes:

- (i) Deposits with Sales Tax Authorities amounting to Rs. 71 Lakhs represent the amount deposited as a pre-condition for preferring appeal. Management, based upon the legal advice, is of the view that appeals will be decided in favour of company and hence are recoverable.
- (ii) MAT credit of Rs. 47 Lakhs (PY: NIL) pertaining to earlier years has been written off during the year and MAT Credit of Rs 63 lacs (PY Rs 213 lacs) has been recognised during the year.
- (iii) Includes amount of Rs. 114 Lakhs (P.Y. Rs. 114 Lakhs) advance to supplier recoverable from earlier years. The same will be received/adjusted in the financial year 2021-22, The management is of the view that amount is good for recovery and hence no provision is made. It also includes Rs.17 Lakhs (P.Y. Rs. 16 Lakhs) from Ispace Developers Private Limited. No interest is charged as the property of Ispace Developers Private Ltd is kept as security with the bank.

Note 9. Inventories

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Raw materials		-	32
(b) Work-in-progress		699	599
(c) Finished goods		2,111	4,679
(d) Stores and spares		288	355
(e) Packing materials	(i)	183	192
Total		3,281	5,857

Footnotes:

- (i) Includes non moving / slow moving stock of packing material and general store items of Rs 18 Lakhs (P.Y. Rs.10 Lakhs) net of provision of Rs 5 lacs. Management is of the view that the same will be utilised / disposed off in the financial year 2021-22. Adjustment if any shall be made in the subsequent year.
- (ii) For details of inventories provided as security for borrowings. Refer Note 19.
- (iii) The mode of valuation of inventories has been described in Note 2.12.

Note 10. Loan

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Loan to employees / others (Unsecured, considered good)	(i)	16	33
Total		16	33

Footnotes:

- (i) Loan to employees/others are considered good for recovery within 12 months of reporting date as certified by the management.

Note 11. Cash and cash equivalents

Footnote:

- (i) No amounts have been written off / provided for or written back during the year in respect of amounts receivable from or payable to related parties.
- (ii) Related parties have been identified by the management.
- (iii) Rent (lease liability including interest) is certified by the the management as per prevelant market rates and for business purposes of the company.
- (iv) Figures in bracket relates to the previous year.

Note 34. Contingent liabilities

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Claims against the company not acknowledged as debts*		
Sales tax	71	71
(b) Penalty under Khaad Suraksha and manak Adhinium 2006	2	-
(c) Others	5	-

Footnote

- (i) *The company is contesting these demands and the management, based on advise of its advisors, believes that its position will likely be upheld in the appellate process. No expense has been accrued in the standalone financial statements for these demands raised. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operations. The company does not expect any reimbursements in respect of the above contingent liabilities.
- (ii) In addition, the company is subject to legal proceedings and claims, which have arisen in the ordinary course of business. The company's management reasonably does not expect that these legal actions, when ultimately concluded and determined, will have material effect on the company's results of operations or financial condition.

Note 35. Employee benefits

(A) Defined contribution plans

The company has recognised the following amounts in the statement of profit and loss:

Particulars	For the Year ended 31 March, 2021 (Rs. in Lakhs)	For the Year ended 31 March, 2020 (Rs. in Lakhs)
Employers' contribution to providend fund and family pension fund	105	101

(B) Defined benefit plans

The company operates on one defined benefit plan i.e., gratuity for its employees including Key managerial personnel except Mr Karamjit Singh Jaiswal , Ms Roshini Sanah Jaiswal , Mr. Deepankar Barat , Mr. Amarbaljeet Singh & Mr. H M Sood . Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service subject to maximum of Rs. 20 lakhs.

Particulars	For the Year ended 31 March, 2021 (Rs. in Lakhs)	For the Year ended 31 March, 2020 (Rs. in Lakhs)
(a) Expense recognised in the statement of profit and loss:		
Under profit and loss section		
Current service cost	27	26
Net interest cost	18	19
Past service cost	-	-
	45	45
Under other comprehensive income section		
Acturial (gains)/losses		
Due to experience adjustments	13	(11)
Due to change in assumption	(1)	9
	12	(2)
(b) Net liabilities recognised in the balance sheet		
Present value of obligation	309	293
Fair value of plant assets	-	
Funded status (deficit)	309	293
Net liabilities recognised in the balance sheet accounted for as below:		
Provision non current (refer note 18 A)	158	184
Provision current (refer note 18 B)	151	109

Particulars	For the Year ended 31 March, 2021 (Rs. in Lakhs)	For the Year ended 31 March, 2020 (Rs. in Lakhs)
(c) Present value of defined benefit obligation		
Present value of obligation at the beginning of year	293	258
Current cost	27	26
Interest cost	18	19
Remeasurement due to		
Acturial loss/(gain) arising on account of experience changes	13	(11)
Acturial loss/(gain) arising from change in financial assumptions	(1)	9
Past service cost	-	-
Benefits paid	(42)	(9)
Present value of defined obligation at the end of the year	309	293
(d) The principal assumptions used in determining defined benefit obligations:		
Discount rate	6.65%	7.60%
Salary increase rate	3.5% to 5%	3.5% to 5%
Attrition rate	5%	5%
Mortality Table	IAL 2012-14 Ultimate	IAL 2012-14 Ultimate

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(e) Sensitivity analysis:

	For the year ended 31 March, 2021	
	1% increase	1% decrease
Discount rate	(9)	10
Salary increase rate	10	(9)
Employee attrition rate	1	(1)

	For the year ended 31 March, 2020	
	1% increase	1% decrease
Discount rate	(10)	(11)
Salary increase rate	11	10
Employee turnover	1	1

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable change in key assumptions occurring at the end of the reporting period.

Note: 36. Financial risk management objectives and policies

The company's principal financial liabilities comprise borrowings, Security Deposits Received trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include , trade and other receivables, cash and cash equivalents and security deposits that are out of regular business operations.

The company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument that will fluctuate be-cause of changes in market prices. Market risk comprises three types of risk i.e. interest rate risk, currency risk and other price risk, such as commodity risk. Financial instruments affected by market risk include borrowings, trade payables.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the company's borrowings with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings affected. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Rs. in Lakhs)

	31 March, 2021		31 March, 2020	
	1% increase	1% decrease	1% increase	1% decrease
Impact on profit before tax	(77)	77	(64)	64

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. There does not seem to be any significant risk as transaction in foreign currency are very few.

As there is no significant foreign currency risk, sensitivity analysis showing impact on profit is not calculated.

iii. Commodity price risk

The Prices of the raw material keep fluctuating frequently and the company passes the same to the customers through appropriate adjustment to selling prices.

(b) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments if a counterparty default on its obligations. The company's exposure to credit risk arises majorly from trade and other receivables. Other financial assets like security deposits and bank deposits are mostly with government authorities and nationalised banks and hence, the company does not expect any credit risk with respect to these financial assets. In majority of cases of Trade receivables are collected in time. However, the collection period from the trade receivables during the year has extended due to COVID 19 Pandemic. Expected Credit Loss is too low considering the past record and management does not foresee any significant change in the same due to COVID 19 Pandemic.

(c) Liquidity risk

The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank borrowings and security from vendors. The table below summarises the maturity profile of the company's financial liabilities:

(Rs. in Lakhs)

	Maturities			Total
	Upto 1 year	1-2 years	2-4 years	
31-Mar-21				
Non-current borrowings	-	1,045	532	1,577
Current borrowings*	4,666	-	-	4,666
Trade payables	2,798	-	-	2,798
Other financial liabilities**	1,260	7,316	-	8,576
Total	8,724	8,361	532	17,617
31-Mar-20				
Non-current borrowings	-	951	212	1,163
Current borrowings*	4,888	-	-	4,888
Trade payables	3,144	-	-	3,144
Other financial liabilities**	1,615	6,170	-	7,785
Total	9,647	7,121	212	16,980

* Current borrowings represent working capital loan (Cash credit).

** Includes security deposit & lease liabilities taken from supplier and consignment agent which is payable on demand but beyond 12 months from the reporting date as certified by the management and confirmed by the suppliers and consignees.

Note: 37. Capital management

For the purpose of the company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders. The primary objective of the company's capital management is to ensure that it maintains a good credit rating and capital ratios in order to support its business and maximise shareholder value. The company monitors capital using a gearing ratio, which is net debt divided by total capital. The company includes within net debt, all non-current and current borrowings reduced by cash and cash equivalents and other bank balances.

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Non-current borrowings	1,577	1,162
Current maturities of non-current borrowings	1,044	1,356
Current borrowings	4,666	4,888
Less: Cash and cash equivalents	92	258
Net debt	7,195	7,148
Equity share capital	489	489
Other equity	11,415	11,180
Total capital	11,904	11,669
Gearing ratio	60%	61%

In order to achieve this overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing borrowings that define capital structure requirements. The breaches in meeting the financial covenants would permit the bank to immediately call borrowings. There have been no breaches in the financial covenants of any interest-bearing borrowings in the current year.

No significant changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2021 and March 31, 2020.

Note 38. Fair value

Fair value measurement:

- (i) All the financial assets and financial liabilities of the company are carried at amortised cost.
- (ii) The management assessed that the carrying values of trade and other receivables, deposit, cash and short term deposits, other assets, borrowings, trade and other payables reasonably approximate their fair values because these instruments have short-term maturities.
- (iii) It is view of the management that fair value impact of long term security deposits/loan paid or payable would not be material.

Note 39.

The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally . The lockdowns ordered by most of the State Government have resulted in slow down in economic activities and also the business operations of the Company in terms of sales and production. The total turnover of the company has fallen by Rs 18350 Lacs resulting in decline in the Profits before tax by Rs 551Lacs. The management has considered the effects that has resulted from the pandemic on the generation of revenue, stocks, recoverability of Trade Receivables and carrying value of the assets . Based on the current indicators of future economic conditions and company engaged in dairy business (essential services), the management expects to generate sufficient revenue, recover the receivables and dispose of stocks. However, the situation with Covid 19 is still evolving and various preventive measures taken by the Government of India will help the industry to come out of its after effects. The management is closely monitoring the situation regarding any material changes in future economic conditions. Given the uncertainties, the final impact on Company's ability to recover assets in future may differ from that estimated as at the date of approval of these financial results. The Production Capacity of one plant remained under utilized due to lower demand of Bulk Pack - Ghee on account of Covid 19 pandemic. Management is of the view that this is the temporary phase and the plant will be substantially utilized for generating revenue when the demand of Bulk Pack - Ghee increases in the subsequent financial year as the pandemic situation improves.

Note 40.

Previous year figures have been reclassified/regrouped wherever necessary to make them comparable with those of current year.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF MILKFOOD LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Milkfood Limited** (hereinafter referred to as the “Holding Company”), and its subsidiary (Holding Company and its subsidiary together referred to as “the Group”) which comprise the consolidated balance sheet as at March 31, 2021, the consolidated statement of profit and loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditor on separate financial statement of such subsidiary as was audited by the other auditor, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Emphasis of matter:

Attention is drawn to the Note no 4 regarding biological asset, Note no 6(i) & (ii) regarding trade receivable, Note no 7(i) regarding security deposit, Note no 7(ii) regarding Loans to employee, Note no 8(iii) regarding Advance to Suppliers and insurance claim receivable, Note no 9(i) regarding non-moving stock, Note no 13(iii) regarding GST amount voluntarily deposited under protest, Note no 17(i) regarding classification of security deposit received, note no. 39 regarding covid -19 pandemic effect Our opinion is not qualified in respect of these matters.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

The Key Audit Matter	How the matter was addressed in our audit
<p>The Group operates in various states within India, exposing it to a variety of different Central and State Laws, regulations and interpretations thereof. In this regulatory environment, there is an inherent risk of litigation and claims.</p> <p>Consequently, provisions and contingent liability disclosures may arise from direct and indirect tax proceeding, legal proceedings including regulatory and other government/ department proceedings, as well as investigations by authorities and commercial claims.</p>	<p>Our procedures included:</p> <p>Reviewing the outstanding litigations against the Group for consistency with the previous years. Enquire and obtain explanations for movement during the year.</p> <p>Discussing the status of significant known actual and potential litigations with the Group’s in-house officials and other senior management personnel who have knowledge of these matters and assessing their responses.</p>

<p>At March 31, 2021, the Group's contingent liabilities for legal matters were Rs. 78 Lakhs (refer Note to the consolidated financial statement) and provision for legal matters aggregated Nil. This represent tax of Rs.71 Lakhs levied by u/s 47 of Rajasthan Sales Tax Act. 1994. The tax has been levied on account of non-deposit of sale tax by the consignment agent of the holding company. Department is of the view that liability of principal and agent is joint and several. The remaining Rs 7 lacs represent the claim against the company that have not been acknowledged as debt.</p> <p>GST Receivable</p> <p>The Company has partially deposited the amount of Rs 16.27 crores voluntarily under protest towards GST in respect of verification conducted by the department regarding input tax credit of four dealers. As per information given by the company it has not received any show cause notice. Further it has been informed that company is legally advised of its success as it has made the payment through banking channels.</p> <p>Management applies significant judgment in estimating the likelihood of the future outcome in each case when considering whether, and how much, to provide or in determining the required disclosure for the potential exposure of each matter. This is due to the highly complex nature and magnitude of the legal matters involved along with the fact that resolution of tax and legal proceedings may span over multiple years, and may involve protracted negotiation or litigation.</p> <p>These estimates could change substantially overtime as new facts emerge as each legal case progresses.</p> <p>Given the inherent complexity and magnitude of potential exposures across the Group and the judgment necessary to estimate the amount of provisions required or to determine required disclosures, this is a key audit matter.</p>	<p>Reading the latest correspondence between the Group and the various tax/legal authorities and review of correspondence with / legal opinions obtained by the management, from external legal advisors, where applicable, for significant matters and considering the same in evaluating the appropriateness of the Group's provisions or disclosures on such matters.</p> <p>Examining the Group's legal expenses and reading the minutes of the board meetings, in order to ensure that all cases have been identified.</p> <p>With respect to tax matters, involving our tax specialists, and discussing with the Group's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws.</p> <p>Assessing the decisions and rationale for provisions held or for decisions not to record provisions or make disclosures.</p> <p>For those matters where management concluded that no provisions should be recorded, considered the adequacy and completeness of the Group's disclosures.</p> <p>We have verified the challans and relied upon the assertions of the management</p>
--	--

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the audit report of other auditor, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act

with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated total comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding and subsidiary Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Group is responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of a wholly own subsidiary, whose financial statements reflect total assets of Rs. Nil as at March 31, 2021, total revenues of Rs. Nil and net Losses amounting to Rs. 26,930 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Holding Company's management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the audit reports of other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Holding Company's Management.

Report on Other Legal and Regulatory Requirements

1. With respect to matter to be included in the Auditor,s report under section 197(16) of the Act:
In our opinion and according to the information and explanations given to us, and based on the reports of the statutory auditors of subsidiary company, the Group has not paid/provided any managerial remuneration to its directors for the year ended March 31, 2021. Therefore provision of section 197 (16) are not applicable.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of such subsidiary as audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid consolidated financial statement.
 - (b) in our opinion proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books;
 - (c) the consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this Report are in agreement with the books of account;
 - (d) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) on the basis of the written representations received from the directors of the Holding Company taken on record by the Board of Directors of the holding Company and the report of the statutory auditor of its subsidiary incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiary, as noted in 'Other Matters' paragraph:
 - i. the Group has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. the Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. there were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In conjunction with our audit of the consolidated financial statements of the **Milkfood Limited** (hereinafter referred to as "Holding Company") as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of the Holding Company and its Subsidiary Company (Holding Company and its subsidiary together referred to as "the Group") incorporated in India under the Companies Act, 2013, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and the other auditor of the subsidiary incorporated in India in terms of their report referred in other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, based on consideration of reports of other auditors as referred in other matters paragraph, the Holding Company and its a subsidiary incorporated in India have, in all material respects, an adequate internal financial controls system over

financial reporting and such internal financial controls were operating effectively as at 31 March 2021, based on the internal financial control over financial reporting criteria established by such companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Other aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial control over financial reporting in so far as it relates to a subsidiary company, which is company incorporated in India, is based on corresponding reports of the auditor of such company.

NOTE 1 . CORPORATE INFORMATION & SIGNIFICANT ACCOUNTING POLICIES

1. CORPORATE INFORMATION

Milkfood Limited (“the Company”) is a public limited company domiciled in India and incorporated under the provisions of the Indian Companies Act. The registered office of the Company is located at P.O. Bahadurgarh-147021 Distt. Patiala (Punjab), India. Its shares are listed on Bombay Stock Exchange (BSE). The Company is primarily engaged in the manufacture and sale of dairy products. The company has two manufacturing locations, one in the state of Punjab at Patiala and the other in the state of Uttar Pradesh at Moradabad. The company has one subsidiary which are domiciled in India and incorporated under the provisions of the Indian Companies Act. The company and its subsidiary together referred as “the Group”. The activities of subsidiary company are not significant. The expression company used in succeeding paragraph means Milkfood Limited (Holding Company).

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation and compliance with Ind AS

- (i) The Company prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards as notified under Section 133 of the Companies Act, 2013 read together with Rule 4A of the Companies (Accounts) Rules, 2014, as amended, to the extent applicable, and the presentation requirements of the Companies Act, 2013.
- (ii) These financial statements were approved for issue by the Board of Directors on June 30, 2021.
- (iii) Transactions in currencies other than the Company’s functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the relevant dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at the end of that date. Exchange differences on monetary items are recognized in the Statement of Profit and Loss in the period in which they arise.

Non- monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

2.2 Current versus non-current classification

All assets and Liabilities have been classified as current or non current considering the operating cycle of 12 months.

Deferred tax assets and liabilities are classified as non –current assets and liabilities respectively.

2.3 Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using deemed cost convention and on an accrual method of accounting, except for defined benefit plans which have been measured at actuarial valuation as required by relevant Ind ASs.

2.4 Fair value measurement

Fair value is the price that would be received to sell an assets or paid to transfer a liabilities in an orderly transaction between market participants at the measurement date. Fair value for measurement and / or disclosed in these financial statement is determined on such a basis.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, which are described as follows ; level I - III

Level I input

Level I input are quoted price in active market for identical assets or liabilities that the entity can access at the measurement date, A quoted market in an active market provided the most reliable evidence of fair value and is used without adjustment to measure fair value whenever available , with limited exception . If an entity hold a position in a single assets or liabilities and the assets or liabilities is traded in an active market, the fair value of assets or liabilities held by the entity, even if the market normal daily trading volume is not sufficient to absorb the quantity held and placing orders to sell the position in a single transaction might affect the quoted price.

Level II input

Level II input are input other than quoted market prices included within level I that are observable for the assets or liabilities either directly or indirectly.

Level II inputs include:

- quoted price for similarly assets or liabilities in active market.
- quoted price for identical or similar assets or liabilities in market that are not active.

- input other than quoted prices that are observable for the assets or liabilities , for example –interest rate and yield curve observable at commonly quoted interval.
- implied volatilisise.
- credit spreads.
- input that are derived principally from or corroborated market data correlation or other means ('market corroborated inputs').

Level III input

Level III inputs are unobservable inputs for the asset or liability. Unobservable inputs are used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date. An entity develops unobservable inputs using the best information available in the circumstances, which might include the entity's own data, taking into account all information about market participant assumptions that is reasonably available.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.5 Functional and presentation currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakh.

2.6 Property, Plant and Equipment

(i) Property, plant and equipment

The Company had applied Ind AS 16 with retrospective effect for all of its property, plant and equipment as at the transition date, viz., 1 April 2016.

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

When an item of property, plant and equipment is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit & Loss.

(ii) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Cost includes financing cost relating to borrowed funds attributable to construction.

(iii) Depreciation

The Company depreciates property, plant and equipment over the useful life as prescribed in schedule II of the Companies Act 2013 on the straight-line method from the date the assets are ready for intended use as described in para (ii) above. Assets in the course of construction and freehold land are not depreciated.

The estimated useful lives of assets are as follows:

- Buildings 30-60 years
- Plant and equipments 20 years*
- Furniture and fixtures 8 -10 years
- Vehicles 6 - 10 years (Instead of 8 – 10 years as prescribed under schedule II)
- Office equipments 3 - 6 years

(Including computer software)

*The management has reassessed the remaining useful life of Plant & Machinery with effect from 1st April 2014 in respect of Plant & Machinery, the company is consistently following the policy of charging depreciation over 20 years, notwithstanding certification by the Govt. approved valuer (Chartered Engineer) of the useful life of Plant & Machinery of more than 35 years. This is in pursuance of proviso to sub clause (c) of clause 3 of schedule II of the Companies Act 2013.

Similarly for addition of Plant & Machinery during the year company has estimated the useful life of 20 years (15 years specified in Schedule II) based upon the certificate of suppliers / manufacturers of Plant & Machinery obtained in earlier years.

2.7 Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

2.8 Impairment of Assets

At the end of each reporting period, the Company assesses whether there is any indication that an assets or a group of assets (cash generating unit) may be impaired. If any such indication exists, the recoverable amount of the asset or cash generating unit is estimated in order to determine the extent of impairment loss (if any). If it is not possible to estimate the recoverable amount of an individual asset, the entity should determine the recoverable amount of the Cash Generated Unit (CGU) to which the asset belongs.

It is not possible to estimate the recoverable amount of the individual asset if:

- The asset's Value in use (VIU) cannot be estimated to be close to its fair value less cost to sell (FLVCS).
- The asset does not generate cash inflows that are largely independent of those from other assets.

Recoverable amount is the higher of fair value less cost of disposal and value in use. In assessing the value in use, the estimated future cash flow are discounted at their present value using the pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the assets for which the estimates of future cash flow have not been adjusted .

If the recoverable amount of an assets (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the assets (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit & Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss recognized immediately in the statement of Profit & Loss.

2.9 Cash and Cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity

instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

(i) **Initial recognition and measurement:**

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the statement of profit and Loss.

(ii) **Subsequent measurement of financial assets:**

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(iii) **Derecognition of financial assets :**

The Company derecognises a financial asset when and only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in the Statement of Profit and Loss if such gain or loss would have otherwise been recognized in the Statement of Profit and loss on disposal of that financial asset.

(iv) **Impairment of financial assets:**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

(v) **Subsequent measurement of financial liabilities:**

All the financial liabilities are subsequently measured at amortized cost using the effective interest rate method or at fair value through profit and loss. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

(vi) **Derecognition of financial liabilities**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such on exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.11 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.12 Inventories

Inventories are valued at the lower of cost and net realisable value except scrap and by products which are valued at net realisable value. Costs comprises as follow:

- (i) Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- (ii) Finished goods and work in progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on weighted average basis. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.
- (iii) Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.
- (iv) Obsolete inventories are identified and written down to net realisable value. Slow moving and defective inventories are identified and provided to net realisable value. Inventories (including whey powder - by product) are valued on lower of cost or net realizable value. In pursuance of IND AS-2 indirect production overheads (estimated by the Management) have been allocated for ascertainment of cost.

2.13 Retirement Benefits

Company follows IND AS-19 as detailed below:-

- (a) Short-term benefits are recognized as expense at the undiscounted amount in the Statement of Profit & Loss of the year in which the related service is rendered.
- (b) Company provides bonus to eligible employees as per Bonus Act 2016 and accordingly liability is provided on actual cost at the end of the year.
- (c) Provident Fund:
The eligible employees of the company are entitled to receive benefits under the Provident Fund, a defined contribution plan in which both employees and the company make monthly contributions at a specified percentage of the covered employee's salary. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner and the Central Provident Fund under the State Pension Scheme.
- (d) The Company has an obligation towards gratuity a defined benefit retirement plan covering all employees. The plan provides for a lumpsum payment to employees at retirement/determination of service on the basis of 15 days terminal salary for each completed year of service subject to maximum amount of Rs. 20 Lacs.

Company's liability towards gratuity and compensated absences is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income (OCI) in the period in which they occur. Remeasurement recognized in the other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the defined benefit liability or asset.

Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

2.14 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable taking in to account contractually defined terms of payment excluding others taxes or duties collected on behalf of the government. Specific recognition criteria described below must also be met before revenue is recognized.

- (a) Export sales are recognized on the basis of date of bill of lading.
- (b) Export entitlements i.e. duty free scrip and duty draw back are accounted for on the basis of export of goods on FOB value determined for custom purpose.
- (c) Conversion charges are recognized on completion of jobs.

- (d) Interest Income is recorded on time proportion basis using the effective rate of Interest (EIR).
- (e) Carbon Credits are recognized on realization basis.

2.15 Manufacturing policy

The main raw material of the company is milk, which is used to produce Pure Ghee and various types of Milk Powders. For the last few years, the company has changed its policy to produce Pure Ghee and Milk Powders which conforms to the quality standards adopted by the company consistent with its brand image. Quantities of Pure Ghee and Milk Powders are purchased and processed in the plant to give effect to the manufacturing policy and produce a product of high quality on consistent basis. Company has utilized its facilities for conversion of Milk to Ghee / Butter & Milk Powder on job works basis.

2.16 Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales/ value added taxes paid on acquisition of assets or on incurring expenses.

Expenses and assets are recognised net of the amount of sales/ value added taxes paid, except:

When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

When receivables and payables are stated with the amount of tax included, the net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

2.17 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and

other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.18 Foreign Currency Transactions

Foreign Currency Transactions involving export sales are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the customs rate on the date of dispatch of goods. The difference between the rates recorded and the rates on the date of actual realization is transferred to difference in exchange fluctuation account. At the year end, the balances are converted at the year end rate and difference if any between the book balance and converted amount are transferred to the exchange fluctuation account. The premium or discount arising at the inception of a forward exchange contract is amortized as expenses / income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward contract is recognized as income / expenses for the period. Non-monetary items that are measured in historical cost in a foreign currency are not retranslated.

2.19 Earning per shares

The Company presents basic and diluted earnings per share (“EPS”) data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.20 Segment Reporting

The company is operating under a single segment i.e., “Dairy Products- comprising Ghee, Milk Powder, Casein, Whey powder and Dairy whitener” and therefore there are no reportable segments as per IND AS-108 “Segment Reporting” issued under section 133 of Companies Act 2013 read with rules 4A of Companies (Indian Accounting Standards) rules 2015.

2.21 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 “Statement of Cash Flows”, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.22 Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone Ind AS financial statements.

2.23 Leases

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

2.24 Use of estimates and judgments

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which is known/materialised.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (i) Property, Plant and Equipments –
- (ii) Intangible assets -
- (iii) Taxes on income -
- (iv) Retirement and other employee benefits -

Consolidated Notes to financial statements for the year ended March 31, 2021

As at 31 March 2020	8,131	2,804	76	81	605	6,394	18,091

(B) Capital work in progress:

As at 31 March, 2021	156
As at 31 March, 2020	163

(C) Right of use

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Balance as at beginning of the year	-	-
Recognised on account of adoption of IND AS 116 (Leases) in respect of building.	166	279
Additions	41	-
Deletion (on account of vacancy)	27	-
Depreciation	114	113
Balance as at end of the year	66	166

Footnotes:

- (i) For details of Property, plant and equipment charged as security of borrowings. Refer Note 16.
- (ii) Estimated amount of capital contracts remaining to be executed is Rs. 15 Lakhs (PY Rs. 56 Lakhs).
- (iii) * includes office equipment.
- (iv) Wages of Rs.21 Lakhs related to Capex have been capitalized in Plant & Machinery and Building at Moradabad Plant.
- (v) During the year Rs 41 lacs has been added on account of new and Rs 27 lacs has been deleted on account of vacating the old lease premises.
- (vi) Refer Note 39.

Note 4 Biological assets

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Trees & Plantation	239	230
Total	239	230

Footnotes:

Trees and plants are considered biological Assets as per Ind AS 41. Expenditure amounting to Rs 9 lakhs incurred during the year are capitalised, company has obtained the certificate of Agricultural Scientist regarding the fact that the trees have attained sufficient growth for sale and its net realisable value is not less than the carrying amount. The management is of the view that revenue will be generated from the next financial year.

Note 5. Financial assets - Investment

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Investment in equity shares - unquoted			
National saving certificates / Deposits	(i)	2	2
Total		2	2

Footnotes:

(i) Pledged with government authorities towards fulfillment of statutory obligations.

Note 6. Trade receivable

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Trade receivables			
Unsecured, considered good	(i)	5,420	3,304
Doubtful		28	28
		5,448	3,332
Less: Allowance for expected credit loss		28	28
		5,420	3,304
Net Trade receivables			
Unsecured, considered good	(i)	5,420	3,304
Doubtful		-	-
		5,420	3,304
Current		5,327	3,286
Non-current	(ii)	93	18

Footnotes:

- (i) In view of insignificant amount of bad debts and timely recovery in earlier years, allowance for expected credit loss is made on the simplified approach of provision based in earlier years.
- (ii) Includes dues from Canteen Stores Department of Rs 17 Lacs outstanding for more than two year that management hopes to recover in the next Financial Year and Rs 76 Lacs outstanding for more than 1 year regarding which the Management is of the view that this amount is good for recovery as the relevant party is under the process of take over by a large Industrial Group.
- (iii) No trade receivables are due from directors and other officers of the company either severally or jointly with any other person, or from firms or private companies in which any director is a partner, a director or a member.

Note 7. Deposits, loan & advances

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Security deposits Unsecured, considered good	(i)	89	92
(b) Loans and advances to employees Unsecured, considered good	(ii)	25	14
Total		114	106

Footnotes:

- (i) Includes Rs 71 Lakhs with Govt departments and are shown at carrying amount. In respect of security deposits with non Govt. departments of Rs 18 Lakhs given to various parties, Rs 17 lacs pertains to Ispace Developers Private Limited which the management considers good for recovery.
- (ii) Includes Rs 11 lacs outstanding for more than 1 year which the management hopes to recover in the next Financial year.

Note 8. Other non current assets

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Prepaid expenses		10	14
(b) Capital Advances		4	21
(c) Deposit with sales tax and other Authorities	(i)	72	84
(d) MAT credit receivable	(ii)	853	837
(e) Others receivable	(iii)	138	136
Total		1,077	1,092

Footnotes:

- (i) Deposits with Sales Tax Authorities amounting to Rs. 71 Lakhs represent the amount deposited as a pre-condition for preferring appeal. Management, based upon the legal advice, is of the view that appeals will be decided in favour of company and hence are recoverable.
- (ii) MAT credit of Rs. 47 Lakhs (PY: NIL) pertaining to earlier years has been written off during the year and MAT Credit of Rs 63 lacs (PY Rs 213 lacs) has been recognised during the year.
- (iii) Includes amount of Rs. 114 Lakhs (P.Y. Rs. 114 Lakhs) advance to supplier recoverable from earlier years. The same will be received/adjusted in the financial year 2021-22, The management is of the view that amount is good for recovery and hence no provision is made. It also includes Rs.17 Lakhs (P.Y. Rs. 16 Lakhs) from Ispace Developers Private Limited. No interest is charged as the property of Ispace Developers Private Ltd is kept as security with the bank.

Note 9. Inventories

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Raw materials		-	32
(b) Work-in-progress		699	599
(c) Finished goods		2,111	4,679
(d) Stores and spares		288	355
(e) Packing materials	(i)	183	192
Total		3,281	5,857

Footnotes:

- (i) Includes non moving / slow moving stock of packing material and general store items of Rs 18 Lakhs (P.Y. Rs.10 Lakhs) net of provision of Rs 5 lacs. Management is of the view that the same will be utilised / disposed off in the financial year 2021-22. Adjustment if any shall be made in the subsequent year.
- (ii) For details of inventories provided as security for borrowings. Refer Note 19.
- (iii) The mode of valuation of inventories has been described in Note 2.12.

Note 10. Loan

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Loan to employees / others (Unsecured, considered good)	(i)	16	33
Total		16	33

Footnotes:

- (i) Loan to employees/others are considered good for recovery within 12 months of reporting date as certified by the management.

Note 11. Cash and cash equivalents

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Cash on hand		9	6
(b) Balances with banks			
(i) In current accounts		-	2
(ii) Margin accounts	(i)	83	250
Total		92	258

Footnotes:

- (i) Towards bank guarantee given to govt. departments/corporations for performance of contractual obligations. Management is of view that amount is recoverable within three months of reporting date.

Note 12. Financial Assets - others

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Interest receivable		15	11
(b) Others receivable		3	3
(c) Milk processing receivable	(i)	4	91
(d) Margin Money	(ii)	68	97
Total		90	202

Footnotes:

- (i) Represent job work executed pending dispatch.
(ii) Towards bank guarantee given to govt. departments/corporations for performance of contractual obligations.

Note 13. Other current assets

Particulars	Footnote	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
(a) Prepaid expenses - unsecured, considered good		84	81
(b) Advance to suppliers - unsecured, considered good		15	17
(c) Balances with statutory / government authorities	(i)	427	295
(d) Income tax refund	(ii)	109	17
(e) Goods & Service Tax Receivable	(iii)	1,627	-
(f) Earnest money deposit with Govt. Department		30	60
Total		2,292	470

Footnotes:

- (i) Represent GST input credit (net).

- (ii) Includes Rs 92 lacs Income Tax Refund of AY 2020-21. Refund of Rs.16.29 Lakhs for the AY 2017-18 is adjusted by the department against demand of AY 2007-08 which has not been cancelled due to non credit of Appeal effect of CIT(A) order. It is being followed up with IT Department for refund.
- (iii) Represents the Partial amount deposited voluntarily under protest on account of verification carried out by the Department as to Input Credit availed by the company with respect to Four Dealers. The company has been cooperating in the investigating proceedings and legally the company has been advised of its success as the entire payment to the dealers is made through banking channels for purchases. Company has not received any show cause notice in this regard.

Note 14. Share capital

Particulars	As at 31 March, 2021		As at 31 March, 2020	
	Number of shares	(Rs. in Lakhs)	Number of shares	(Rs. in Lakhs)
(a) Authorised				
Equity shares of Rs.10 each	7,500,000	750	7,500,000	750
Cumulative redeemable preference shares of Rs. 100 each	50,000	50	50,000	50
Total	7,550,000	800	7,550,000	800
(b) Issued				
Equity shares of Rs. 10 each fully paid up	4,887,890	489	4,887,890	489
(c) Subscribed and Paid up				
Equity shares of Rs.10 each	4,886,440	489	4,886,440	489
Less: Calls in arrears		-		-
(Rs.0.19 lakhs on 2875 partly paid shares)	4,886,440	489	4,886,440	489
Add :Amount paid on forfeited shares (Rs.0.07 lakhs on 1450 shares)		-		-
Total	4,886,440	489	4,886,440	489
(d) Reconciliation of the number of shares and amount outstanding at the beginning and at the end of the year :				
At the beginning of the year	4,886,440	489	4,886,440	489
Issued during the year	-	-	-	-
Outstanding at the end of the year	4,886,440	489	4,886,440	489

Footnotes:

- (i) The Company has only one class of equity shares having a par value of Re. 10 per share. Each holder of equity share is eligible for one vote per share.
- (ii) In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.
- (iii) Details of shares held by each shareholder holding more than 5% shares:

Class of shares / Name of shareholder	As at 31 March, 2021		As at 31 March, 2020

(B) Defined benefit plans

The company operates on one defined benefit plan i.e., gratuity for its employees including Key managerial personnel except Mr Karamjit Singh Jaiswal , Ms Roshini Sanah Jaiswal , Mr. Deepankar Barat , Mr. Amarbaljeet Singh & Mr. H M Sood . Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service subject to maximum of Rs. 20 lakhs.

Particulars	For the Year ended 31 March, 2021 (Rs. in Lakhs)	For the Year ended 31 March, 2020 (Rs. in Lakhs)
(a) Expense recognised in the statement of profit and loss:		
Under profit and loss section		
Current service cost	27	26
Net interest cost	18	19
Past service cost	-	-
	45	45
Under other comprehensive income section		
Acturial (gains)/losses		
Due to experience adjustments	13	(11)
Due to change in assumption	(1)	9
	12	(2)
(b) Net liabilities recognised in the balance sheet		
Present value of obligation	309	293
Fair value of plant assets	-	
Funded status (deficit)	309	293
Net liabilities recognised in the balance sheet accounted for as below:		
Provision non current (refer note 18 A)	158	184
Provision current (refer note 18 B)	151	109

Particulars	For the Year ended 31 March, 2021 (Rs. in Lakhs)	For the Year ended 31 March, 2020 (Rs. in Lakhs)
(c) Present value of defined benefit obligation		
Present value of obligation at the beginning of year	293	258
Current cost	27	26
Interest cost	18	19
Remeasurement due to		
Actuarial loss/(gain) arising on account of experience changes	13	(11)
Actuarial loss/(gain) arising from change in financial assumptions	(1)	9
Past service cost	-	-
Benefits paid	(42)	(9)
Present value of defined obligation at the end of the year	309	293
(d) The principal assumptions used in determining defined benefit obligations:		
Discount rate	6.65%	7.60%
Salary increase rate	3.5% to 5%	3.5% to 5%
Attrition rate	5%	5%
Mortality Table	IAL 2012-14 Ultimate	IAL 2012-14 Ultimate

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

(e) Sensitivity analysis:

	For the year ended 31 March, 2021	
	1% increase	1% decrease
Discount rate	(9)	10
Salary increase rate	10	(9)
Employee attrition rate	1	(1)

	For the year ended 31 March, 2020	
	1% increase	1% decrease
Discount rate	(10)	(11)
Salary increase rate	11	10
Employee turnover	1	1

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable change in key assumptions occurring at the end of the reporting period.

Note: 36. Financial risk management objectives and policies

The company's principal financial liabilities comprise borrowings, Security Deposits Received trade and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include , trade and other receivables, cash and cash equivalents and security deposits that are out of regular business operations.

The company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument that will fluctuate be-cause of changes in market prices. Market risk comprises three types of risk i.e. interest rate risk, currency risk and other price risk, such as commodity risk. Financial instruments affected by market risk include borrowings, trade payables.

i. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the company's borrowings with floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings affected. With all other variables held constant, the company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Rs. in Lakhs)

	31 March, 2021		31 March, 2020	
	1% increase	1% decrease	1% increase	1% decrease
Impact on profit before tax	(77)	77	(64)	64

ii. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. There does not seem to be any significant risk as transaction in foreign currency are very few.

As there is no significant foreign currency risk, sensitivity analysis showing impact on profit is not calculated.

iii. Commodity price risk

The Prices of the raw material keep fluctuating frequently and the company passes the same to the customers through appropriate adjustment to selling prices.

(b) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments if a counterparty default on its obligations. The company's exposure to credit risk arises majorly from trade and other receivables. Other financial assets like security deposits and bank deposits are mostly with government authorities and nationalised banks and hence, the company does not expect any credit risk with respect to these financial assets. In majority of cases of Trade receivables are collected in time. However, the collection period from the trade receivables during the year has extended due to COVID 19 Pandemic. Expected Credit Loss is too low considering the past record and management does not foresee any significant change in the same due to COVID 19 Pandemic.

(c) Liquidity risk

The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank borrowings and security from vendors. The table below summarises the maturity profile of the company's financial liabilities:

(Rs. in Lakhs)

	Maturities			Total
	Upto 1 year	1-2 years	2-4 years	
31-Mar-21				
Non-current borrowings	-	1,045	532	1,577
Current borrowings*	4,666	-	-	4,666
Trade payables	2,798	-	-	2,798
Other financial liabilities**	1,260	7,316	-	8,576
Total	8,724	8,361	532	17,617
31-Mar-20				
Non-current borrowings	-	951	212	1,163
Current borrowings*	4,888	-	-	4,888
Trade payables	3,144	-	-	3,144
Other financial liabilities**	1,615	6,170	-	7,785
Total	9,647	7,121	212	16,980

* Current borrowings represent working capital loan (Cash credit).

** Includes security deposit & lease liabilities taken from supplier and consignment agent which is payable on demand but beyond 12 months from the reporting date as certified by the management and confirmed by the suppliers and consignees.

Note: 37. Capital management

For the purpose of the company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders. The primary objective of the company's capital management is to ensure that it maintains a good credit rating and capital ratios in order to support its business and maximise shareholder value. The company monitors capital using a gearing ratio, which is net debt divided by total capital. The company includes within net debt, all non-current and current borrowings reduced by cash and cash equivalents and other bank balances.

Particulars	As at 31 March, 2021 (Rs. in Lakhs)	As at 31 March, 2020 (Rs. in Lakhs)
Non-current borrowings	1,577	1,162
Current maturities of non-current borrowings	1,044	1,356
Current borrowings	4,666	4,888
Less: Cash and cash equivalents	92	258
Net debt	7,195	7,148
Equity share capital	489	489
Other equity	11,413	11,180
Total capital	11,902	11,669
Gearing ratio	60%	61%

In order to achieve this overall objective, the company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing borrowings that define capital structure requirements. The breaches in meeting the financial covenants would permit the bank to immediately call borrowings. There have been no breaches in the financial covenants of any interest-bearing borrowings in the current year.

No significant changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2021 and March 31, 2020.

Note 38. Fair value

Fair value measurement:

- (i) All the financial assets and financial liabilities of the company are carried at amortised cost.
- (ii) The management assessed that the carrying values of trade and other receivables, deposit, cash and short term deposits, other assets, borrowings, trade and other payables reasonably approximate their fair values because these instruments have short-term maturities.
- (iii) It is view of the management that fair value impact of long term security deposits/loan paid or payable would not be material.

Note 39

The outbreak of Covid-19 pandemic has caused significant disturbance and slowdown of economic activities globally . The lockdowns ordered by most of the State Government have resulted in slow down in economic activities and also the business operations of the Company in terms of sales and production. The total turnover of the company has fallen by Rs 18350 Lacs resulting in decline in the Profits before tax by Rs 551Lacs. The management has considered the effects that has resulted from the pandemic on the generation of revenue, stocks, recoverability of Trade Receivables and carrying value of the assets . Based on the current indicators of future economic conditions and company engaged in dairy business (essential services), the management expects to generate sufficient revenue, recover the receivables and dispose of stocks. However, the situation with Covid 19 is still evolving and various preventive measures taken by the Government of India will help the industry to come out of its after effects. The management is closely monitoring the situation regarding any material changes in future economic conditions. Given the uncertainties, the final impact on Company's ability to recover assets in future may differ from that estimated as at the date of approval of these financial results. The Production Capacity of one plant remained under utilized due to lower demand of Bulk Pack - Ghee on account of Covid 19 pandemic. Management is of the view that this is the temporary phase and the plant will be substantially utilized for generating revenue when the demand of Bulk Pack - Ghee increases in the subsequent financial year as the pandemic situation improves.

Note 40.

Previous year figures have been reclassified/regrouped wherever necessary to make them comparable with those of current year.
