Review of Operations:

The Company is engaged in the business of Hire Purchase and Lease finance and has completed 33 years of operation in this field. During the year 2015-2016, the Company has earned a net profit of Rs.85.17 Lakhs as against the net profit of Rs.13.75 Lakhs in the previous year 2014-2015.

Hire Purchase and Lease finance business is facing severe competition and margins are under great pressure. In the aftermath of stringent Prudential Norms promulgated by the RBI, the NBFCs all across the country suffered a severe set back. Their borrowing capacity is drastically curtailed. With no avenues for further growth, together with ever increasing defaulters in the list of corporate clients, triggered the downfall in the performance of the NBFCs. The situation that has arisen in your Company is in no way different. In spite of these hurdles, the Company has tried its best to salvage the situation by reducing its operational cost on all fronts.

The Company is putting in serious efforts to recover NPA accounts. Criminal complaints under Section 138 of Negotiable Instrument Act are also lodged simultaneously against such defaulters whose cheques were dishonoured. The Company is making good progress on the Recovery Front.

The Company has appointed M/s N P Pai & Co. Chartered Accountants, Udupi (Firm Regn. No. 115271W) as its internal Auditor.

The discussion on financial performance of the Company is covered in the Director's Report. There has been no material development on the human resource front during the year. The number of employees employed as on 31st March, 2016 was 3.

During the year ending 31st March, 2005 the Scheme of Compromise and Arrangement under Section 391 of the Companies Act, 1956 to effect the restructure of Company's debts particularly Debentures and subordinated debts of the Company was framed and presented before the Honorable High Court of Karnataka. Accordingly, the meeting of the Shareholders, Debenture Holders and Subordinated Debt holders were held on 20th April, 2005. The scheme as proposed had provided for payment of principal in a phased manner over 60 months from effective date and payment of interest accrued till 30th June, 2002 within 72 months from the effective date. The Scheme as proposed do not provide for accrual of interest after 30th June, 2002. (For the above purpose the effective date means the date on which the Order of High Court of Karnataka sanctioning the Scheme of Arrangement is filed with the Registrar of Companies in Karnataka.)

On 10th July 2009, Honorable High Court of Karnataka has directed the Company to submit the details of payments made to Non-Convertible Debenture holders and subordinated debt holders from 1st April, 2005. Accordingly the details were furnished to Honorable Court. It was submitted before the Honorable Court that the Company has settled substantial portion of Non-Convertible Debentures and Subordinated Debts and it was therefore felt that the scheme requires to be changed having regard to the settlements already made and quantum of non-convertible debentures and subordinated debts remaining to be settled. Therefore the Company had proposed to withdraw the scheme of arrangement from the Honorable High Court of Karnataka, with an option to present a new scheme of arrangement. The Honorable High Court of Karnataka has permitted the Company to withdraw the petition, with liberty to file a fresh petition, vide its order dated 28th October, 2009. Accordingly, the Company is exploring the possibility of proposing a fresh petition to be filed before the Honorable High Court of Karnataka.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Manipal Finance Corporation Limited, Manipal

Report on the Financial Statements

We have audited the accompanying financial statements of MANIPAL FINANCE CORPORATION LIMITED ("the company"), which comprises the Balance Sheet as at 31 March, 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Basis for the qualified opinion

- 1. We draw attention to Note No. 23.02 of the financial statements. The Company has incurred losses and its majority of funds are blocked in Non Performing Assets, raising a doubt about the Company to continue as a going concern. The Company has presented a scheme of arrangement for restructure of liabilities as detailed in Note No. 5.01 of the financial statements and subsequently withdrawn the same, for reasons given therein. The Company is exploring the possibility of presenting the new scheme of arrangement, as detailed in the aforesaid Notes. The account, however have been prepared on a "going concern basis" in view of management perception as detailed in Note No. 23.02 as aforesaid. However we are unable to comment on the ultimate realisability of Company's assets including the Fixed Assets under lease. Accordingly we are also unable to comment on the Company's ability to settle its debts/liabilities (including Deposits, Subordinated debts and Secured Redeemable Debentures.)*
- 2. We draw the attention to Note 5.01 of the Financial Statements. The Company has stopped (i) repayment of matured debentures & matured subordinated debts and (ii) payment of interest on debentures and subordinated debts from 1st day of July, 2002 and proposed a scheme of arrangement before the Hon'ble High Court of Karnataka, as referred to in the aforesaid Note (which is since withdrawn and we are informed that the Company is exploring the possibility presenting a new scheme of arrangement). Further the Company has also stopped repayment of deposits matured for repayment from the aforesaid date. All the debts of the Company i.e. debentures, subordinated debts and deposits are matured for repayment. The Company has provided for interest on deposits/debentures/debts up to 30th June, 2002 and not thereafter.*

There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial/full waiver of interest, which has been done with mutual consent. We are also informed that the remaining depositors/debenture holders/debt holders have approached the Company for settlement of the dues and the Company is in the process for the same.

As per the information given to us various consumer courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act) have passed the orders, for the repayment of certain deposits/debentures/debts with interest and other costs. The detailed information on these orders have not been made available to us. However we are informed that the Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial/full waiver of interest and many of the remaining such persons have approached the Company for settlement.

We draw the attention to the Statement made by the Management of the Company in Note No. 5.01 of the Financial Statement which is as follows: "Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company have reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date".

Considering all the facts as given above, we qualify our opinion that it is not feasible for us to ascertain accurately the liability of the Company as on the date of the Balance Sheet.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effect of the matter described in the Basis of Qualified Opinion paragraph*, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2016;
- (b) in the case of the Statement of Profit and Loss, of the Profit for the year ended on that date;
and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of matter

1. We draw the attention to Note 2.01 of the Financial Statements. The Company during the year with a view towards restructuring its liabilities has settled deposits/debentures/subordinated debts at discounted rates. The same has been done with due consent of the parties to deposits, debentures and debts. The interest write back arising out of such settlement is considered as Extraordinary Income in the Statement of Profit and Loss. Principal write back arising out of such settlement is considered as capital receipt and taken directly to Capital Reserve (viz: Capital Reserve 2) in the Balance Sheet. This has been done as per the accounting policy followed by the Company, as stated in note no. 23.01 (J). The Company had made similar settlements during the earlier years also, by giving the similar accounting treatment. Our opinion is not qualified on this matter.
2. We draw the attention to Note 23.11 of the Financial Statements. The Company has earned Profit during the year and also during immediate previous financial year i.e. year ending 31st March, 2015 due to exceptional Income as stated in Note 20 and Extraordinary Income as stated in Note 21.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. In terms of press release issued by Reserve Bank of India dated 27.06.2001, we state that:
 - a) The Certificate of Registration as issued by the Reserve Bank of India is not in force, since same was cancelled during December 2004.
 - b) The Company has not obtained credit rating.
 - c) The capital adequacy ratio is negative and accordingly the Company's Loans, advances and investments are above the credit exposure limits.
 - d) The Company has not filed the prudential returns and annual returns as per revised directives. However the Company has filed such returns as per the directives as prevailed till 31st March, 2011 i.e. prudential returns on half yearly basis and annual return once a year.
 - e) The public deposits are matured for repayment, but remained unpaid by the Company. However the company has settled some of the deposits at discounted rates without interest. The Company has not provided/paid interest on deposits after 30th June, 2002.
 - f) The Company has not created floating charge in favour of the depositors, on the statutory liquid assets invested.
 - g) The Company has not closed any of its branches during the year. Therefore the question of making any comments therein does not arise.
3. As required by section 143(3) of the Act, we report
 - a We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e Our Qualifications as given under paragraph titled "Basis for qualified opinion" may have adverse effect on the functioning of the Company, if the management perception as detailed in note 23.02 of financial statement does not materialize. However our observation as given under paragraph titled "Emphasis of matter" will not have adverse effect on the functioning of the Company.
 - f. The qualification/observations relating to the maintenance of accounts and other matters connected therewith are as stated in the "Basis for Qualified Opinion paragraph" and "Emphasis of Matter paragraph" above.

- g. We are of the opinion that the Directors of the Company are disqualified from being appointed as Directors of other public companies under 164(2) of the Companies Act, 2013, for the reason that the Company has not fully discharged its liability towards matured deposits/debentures/subordinated debts. However the management of the Company are of the opinion that its directors are not disqualified u/s 164(2) of the Companies Act, 2013 for the reasons as stated in note 23.06 of the financial statement.
- h. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and
- i. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014 in our opinion and to the best of our information and according to the explanations given to us:
- 1) The Company has stated vide 23.05 and 23.13 of the financial statement that the impact of pending litigations on its financial position is not ascertainable for the reasons as stated in the aforesaid notes.
 - 2) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses, which has been confirmed by the management vide note 23.14 of the financial statement.
 - 3) The Company has not transferred any amount to the credit of Investor Education and Protection Fund during the year under audit, for the reason as given by the management vide note 5.01 and 23.15 of financial statement. The detailed information on these are not made available to us. Therefore we are not in a position to comment on the compliance of aforesaid orders. **ANNEXURE "B" TO INDEPENDENT AUDITOR'S REPORT
(Issued to the Members of Manipal Finance Corporation Limited)
REFERRED TO IN PARAGRAPH 3(h) UNDER THE HEADING**

"REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF EVEN DATE

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Manipal Finance Corporation Limited ("the Company") as of 31 March, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention of timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for issue of qualified opinion

The Company has not verified the Fixed Assets under lease falling under the head "leased machineries and equipment" & "leased vehicles and furniture" of Note 6 of the Financial Statement.

Qualified Opinion

In our opinion except for the effect of the matter described in the Basis for issue of Qualified Opinion paragraph, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2016, based on the internal controls over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accordingly the details were furnished to Honorable Court. It was submitted before the Honorable Court that the Company has settled substantial portion of Non Convertible Debentures and Subordinated Debts

and it was therefore felt that the scheme requires to be changed having regard to the settlements already made and quantum of non convertible debentures and subordinated debts remaining to be settled. Therefore the Company had proposed to withdraw the scheme of arrangement from the Honorable High Court of Karnataka, with an option to present a new scheme of arrangement. The Honorable High Court of Karnataka has permitted the Company to withdraw the petition, with liberty to file a fresh petition, vide its order dated 28th October, 2009. Accordingly the Company is exploring the possibility of proposing a fresh petition to be filed before the Honorable High Court of Karnataka.

The total of the principal sum and interest due in respect of Public deposits/debentures/subordinated debts as on 31st March, 2002 (i.e. as on the last date of the financial year, immediately preceding the year in which the Company has stopped payment of its debts) was Rs.1,07,44,26 thousands. The Company has settled the major portion of the aforesaid dues from time to time, at the discounted rates (which includes settlement of principal at discounted rates and partial/full waiver of interest). Out of the aforesaid amount, a sum of Rs.25,36,79 thousands (P Y Rs.27,23,91 thousands) is remained unpaid as on the date of the Balance Sheet, thereby the liability of the Company reduced considerably over the period of time.

Further there are many instances, where the Company has received the orders from various Consumer Courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act), regarding the repayment or proceeds of debentures/debts/deposits with interest and other costs. However the many of such depositors/debentureholders/debt holders have approached the Company and Company has settled their dues at the mutually agreed rates, which also includes settlement at discounted rates. Many of the remaining such customers have approached the Company for settlement.

The Company is continuing to put more efforts on realisation of the dues, sale of assets etc., so that its debts can be settled at the earliest possible date. The remaining depositors/debenture holders/debt holders have approached the Company for settlement of their dues and the Company is in the process for the same.

Considering the above facts, the Company has not provided/recognised for interest after 30th June, 2002, on deposits/debentures/subordinated debts and interest on advances taken on such instruments. All the aforesaid deposits/debentures/subordinated debts are fully matured for repayment. Any interest paid over and above the provision made till 30th June, 2002, charged to statement of profit and loss as Finance cost under Note no.17.

Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date.

The Company has in view of the above and also considering the fact that there are no unclaimed liabilities, the matured debentures, matured deposits, matured subordinated debts and interest payable including unencashed interest cheques on such deposits/debentures/debts has been considered as "not due to be transferred to Investor Education and Protection Fund".

Other items include balance lying unpaid after adjusting deposits with loans borrowed against it. For the reasons as given above, the same has not been considered as amount due to Investor Education and Protection Fund.

- Note 5.02:** Unpaid Secured Non-convertible Debentures are secured by mortgage on Land & Buildings (Free hold and Lease Hold) situated at Udupi District of State of Karnataka, State of Goa, Nasik District & Mumbai in State of Maharashtra and floating charge on receivables and book debts. The debentures were redeemable at par. The whole of the debentures are matured for repayment. Further the Company has not provided any interest on such debentures after 1st day of July, 2002, as detailed in Note 5.01 above. Therefore the question of disclosure as to rate of interest etc. does not arise. In the opinion of the Management, the Market Value of the security after considering provisions made in the books and also the property agreed to be sold as detailed in note 3.01, offered to the holders of the aforesaid Debenture is sufficient to cover the liability.
- Note 5.03:** The balances held under "unpaid matured unsecured public deposits", "unpaid matured secured non-convertible debentures", "unpaid unsecured subordinated debts", interest accrued on the aforesaid deposit/debenture/subordinated debts and "Other Payables" are subject to confirmation.
- Note 5.04:** The Company has not received information from vendors regarding their status under Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosure relating to amounts unpaid as at the year end together with interest paid/payable etc. as required under the aforesaid act and Schedule III to Companies Act, 2013 under the aforesaid Act has not been given.
- Note 5.05:** Other item also includes balance lying unpaid after adjusting deposits with loans borrowed against it, tax deducted at source remitted subsequently, other amounts received in the ordinary course of business, which are not material in nature etc.

- J Capital Reserve:**
The principal write back pertaining to deposits, debentures and Subordinated debts as stated in Note No. 2.01, is in the nature of capital receipt. The stand taken by the Company is also duly supported by the decision of Jurisdictional High Court i.e. Honorable High Court of Karnataka, as reported in 285 ITR 310 (2006) (CIT Vs ICDS Limited) wherein it is held that surplus on purchase of own debentures is a Capital Receipt, not subject to tax and 249 CTR 214 (2011) (CIT Vs Compaq Electric Limited) wherein it was held that the waiver of the loan is a Capital receipt. In the case of the Company viz. CIT Vs Manipl Finance Corporation Limited (ITA No. 795 & 794/2008) the Hon. High Court of Karnataka has dismissed the appeal filed by the department on the similar grounds. Considering the above, the same has been directly taken to the credit of Capital Reserve in the Balance Sheet.
- K Borrowing Cost:**
Borrowing cost are recognized as an expense in the year in which they are incurred except those which are directly attributable to acquisition/construction of qualifying fixed assets, (as defined under Accounting Standard 16), till the time such assets are ready for use, in which case the borrowing costs are capitalized as part of the cost of the asset.
- L Earnings per share:**
Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year. Diluted earning per share, if any is computed using the weighted average number of equity shares and dilutive potential equity share outstanding during the period except when the results would be anti-dilutive.
- M Impairment of Assets:**
The Company has framed the policy of impairing the asset, when the carrying value of the assets exceeds its recoverable amount, under the circumstances when the Company is having the sources of information (whether internal or external) that an impairment loss may have occurred. Accordingly, impairment losses will be charged to profit and loss account in the year in which an asset is identified as impaired. The impairment losses recognised in prior accounting periods is reversed if there has been a change in the estimate of the recoverable amount.
- N Contingent Liabilities/Assets:**
Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Provisions not made in the account (which otherwise should have been made) are disclosed by way of appropriate note. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.
- O Cash Flow Statement:**
Cash flows are reported using the Indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.
- P Rent:**
Lease rent on cancellable operating lease is recognized as Income in the Statement of Profit and Loss.
- 23.02** The Company has been incurring substantial losses over the last few years and major portion of its funds are blocked in non-performing assets. In view of the same there is considerable uncertainty that the company will continue as a going concern and meet its commitments to its creditors. The accounts however have been prepared on the going concern basis in view of management's efforts to settle the liabilities with the debenture holders and subordinated debt holders by exploring the possibility of submitting a new scheme and or settlement at discounted rates etc. as detailed in Note No. 5.01 and the management is being hopeful of recovery of dues from borrowers so that dues of creditors can be settled. Accordingly the management is of the opinion that the losses as aforesaid and also the circumstances as stated in Note 5.01 of the financials statement will not have adverse effect on the functioning of the Company.
- 23.03** The Company has not recognised the net deferred tax asset which constitutes mainly of carry forward losses, excess depreciation claimed in Income Tax and Provisions for doubtful debts, as a matter of prudence.
- 23.04** Disclosures in respect of related parties with whom transactions have taken place during the year:

Sri T. Sanjay Pai, Chief Finance Officer

23.05 Contingent & other Liabilities :		
A. Liability on debentures assigned to Vedachala Electronics and Financial Services Private Limited inclusive of interest accrued is Rs. 14,87 thousand. (P.Y. Rs. 17,99 thousand), without considering interest due on or after 1 st day of July 2002.		
B. Liability in respect of damages and others in respect of suits against the Company before various Courts, Consumer Courts etc. (in respect of repayment of deposits/debentures/debts with interest & other costs) has not been quantified and provided, due to lack of information with the company and also considering the fact that many of such customers have approached the Company for settlement at discounted rates. The collection of information is under process.		
C. No provision made for disputed income tax liability for various years wherever department has preferred an appeal before the Honorable Tribunal, Honorable High Court and Honorable Supreme Court. The question of quantification of liability thereon, does not arise, for the reason that the cases were allowed in favour of the Company, by the lower appellate authorities.		
23.06 The Management of the Company is of the opinion that the directors of the Company are not disqualified u/s 164(2) of Companies Act, 2013, (in spite of the fact that the Company has stopped repaying matured Debentures/debts/deposits and interest thereon as detailed in Note No. 5.01), for the reason that the Company is exploring the possibility of presenting a new scheme of arrangement, as detailed in the aforesaid note.		
23.07 The assets of the Company are not valued, considering the cost involved therein. However the management is of the opinion that the carrying cost of the asset (including that of leased assets after considering the Lease equalization Charge) does not exceed its recoverable value. Further the Company does not have any information whether internal or external, that indicates that "impairment loss may have occurred". Accordingly the question of impairment of assets does not arise.		
23.08 The Company has not verified the Fixed Assets under lease falling under the head "leased machineries and equipment & leased vehicles and furniture, considering the fact that the present value of such assets are not material and also considering the cost involved in the aforesaid verification.		
23.09 Employee Benefits:		
Brief description of the Plans :		
a) The Company has two schemes for long-term benefits such as provident fund and gratuity. In case of funded schemes, the funds are recognized by the Income tax authorities and administered through trustees / appropriate authorities. The Company's defined contribution plan is employees' provident fund (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) wherein the Company has no further obligation beyond making the contributions. The Company is also contributing towards Employee State Insurance Plan, as per statutory requirements, wherein the Company has no further obligation beyond making the contributions. The Company is also providing employee benefit by way of encashment of earned leave. The provision for the same has been made on estimated basis. The amount involved therein is not material, considering the size of the Company. The Company has not opted for actuarial valuation, considering the cost involved and also the concept of materiality. The Company's defined benefit plan is gratuity.		
b) Charge to the Profit and Loss Account based on contributions: The Company's contribution to Provident Fund charged to Statement of Profit and Loss during the year is Rs.52 thousands. (P. Y.: Rs.58 thousands). The Company's Contribution to Employee State Insurance Plan charged to Statement Profit and Loss during the year is Rs. 7 thousands (P. Y. Rs.19 thousands). The Companies liability towards gratuity to employees covered by group gratuity policy with LIC of India. Premium paid on this account is Rs.51 thousands (P. Y. Rs. 80 thousands). The detail of provision for leave encashment is as under: Provision as on 1 st April, 2015 Rs.88 thousands (P. Y. Rs.88 thousands) Amount charged to the Statement profit & loss during the year Rs. Nil (P. Y. Rs. Nil). Actual payment during the year is Nil (P. Y. Rs.Nil). Provision as on 31 st March, 2016 Rs.88 thousands (P. Y. Rs.88 thousands).

Extract from Auditors Report to the Members of Manipal Finance Corporation Ltd.

Basis for the qualified opinion:

1. We draw attention to Note No.23.02 of the financial statements. The Company has incurred losses and its majority of funds are blocked in Non Performing Assets, raising a doubt about the Company to continue as a going concern. The Company has presented a scheme of arrangement for restructure of liabilities as detailed in Note No.5.01 of the financial statements and subsequently withdrawn the same, for reasons given therein. The Company is exploring the possibility of presenting the new scheme of arrangement, as detailed in the aforesaid Notes. The account, however have been prepared on a "going concern basis" in view of management perception as detailed in Note No.23.02 as aforesaid. However we are unable to comment on the ultimate reliability of Company's assets including the Fixed Assets under lease. Accordingly we are also unable to comment on the Company's ability to settle its debts/liabilities (including Deposits, Subordinated debts and Secured Redeemable Debentures.)

2. We draw the attention to Note 5.01 of the Financial Statements. The Company has stopped (i) repayment of matured debentures & matured subordinated debts and (ii) payment of interest on debentures and subordinated debts from 1st day of July 2002 and proposed a scheme of arrangement before the Hon'ble High Court of Karnataka, as referred to in the aforesaid Note (which is since withdrawn and we are informed that the Company is exploring the possibility of presenting a new scheme of arrangement) .Further the Company has also stopped repayment of deposits matured for repayment from the aforesaid date. All the debts of the Company i.e debentures, subordinated debts and deposits are matured for repayment. The Company has provided for interest on deposits/debentures/debts upto 30th June 2002 and not thereafter.

There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial/full waiver of interest, which has been done with mutual consent. We are also informed that the remaining depositors/ debenture holders / debt holders have approached the Company for settlement of the dues and the Company is in the process for the same.

As per the information given to us various consumer courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act) have passed the orders, for the repayment of certain deposits/debentures/debts with interest and other costs. The detailed information on these orders have not been made available to us. However we are informed that the Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial/full waiver of interest and many of the remaining such persons have approached the Company for settlement,

We draw the attention to the Statement made by the Management of the Company in note no. 5.01 of the Financial Statement which is as follows: "Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company have reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date".

Considering all the facts as given above, we qualify our opinion that it is not feasible for us to ascertain accurately the liability of the Company as on the date of the Balance Sheet.

Extract from Auditors Report to the Members of Manipal Finance Corporation Ltd.

Basis for the qualified opinion:

1. We draw attention to Note No.23.02 of the financial statements. The Company has incurred losses and its majority of funds are blocked in Non Performing Assets, raising a doubt about the Company to continue as a going concern. The Company has presented a scheme of arrangement for restructure of liabilities as detailed in Note No.5.01 of the financial statements and subsequently withdrawn the same, for reasons given therein. The Company is exploring the possibility of presenting the new scheme of arrangement, as detailed in the aforesaid Notes. The account, however have been prepared on a "going concern basis" in view of management perception as detailed in Note No.23.02 as aforesaid. However we are unable to comment on the ultimate reliability of Company's assets including the Fixed Assets under lease. Accordingly we are also unable to comment on the Company's ability to settle its debts/liabilities (including Deposits, Subordinated debts and Secured Redeemable Debentures.)

2. We draw the attention to Note 5.01 of the Financial Statements. The Company has stopped (i) repayment of matured debentures & matured subordinated debts and (ii) payment of interest on debentures and subordinated debts from 1st day of July 2002 and proposed a scheme of arrangement before the Hon'ble High Court of Karnataka, as referred to in the aforesaid Note (which is since withdrawn and we are informed that the Company is exploring the possibility of presenting a new scheme of arrangement). Further the Company has also stopped repayment of deposits matured for repayment from the aforesaid date. All the debts of the Company i.e debentures, subordinated debts and deposits are matured for repayment. The Company has provided for interest on deposits/debentures/debts upto 30th June 2002 and not thereafter.

There are also many instances of settlement of debentures, debts and public deposits at the discounted rates with partial/full waiver of interest, which has been done with mutual consent. We are also informed that the remaining depositors/ debenture holders / debt holders have approached the Company for settlement of the dues and the Company is in the process for the same.

As per the information given to us various consumer courts (including the Appellate Authorities/Courts acting under the Consumer Protection Act) have passed the orders, for the repayment of certain deposits/debentures/debts with interest and other costs. The detailed information on these orders have not been made available to us. However we are informed that the Company has settled the dues of such customers in many cases, which also includes settlement at discounted rates with partial/full waiver of interest and many of the remaining such persons have approached the Company for settlement.

We draw the attention to the Statement made by the Management of the Company in note no. 5.01 of the Financial Statement which is as follows: "Considering the facts that the Company has settled the dues of depositors/debenture holders/debt holders at the discounted rates as stated above, that the remaining customers have approached the Company for settlement of their dues, that the orders issued by the various consumer courts including the appellate authorities/courts therein, that the Company has settled the many of such consumer court cases, that the total debts of the Company have reduced considerably because of settlement as aforesaid and that the Company is exploring the possibility of framing the new scheme of arrangement, it is not feasible for the Company to ascertain accurately its liability on any given date".

Considering all the facts as given above, we qualify our opinion that it is not feasible for us to ascertain accurately the liability of the Company as on the date of the Balance Sheet.
