In terms of Rule 18 of the Companies (Management and Administration) Rules, 2014, a Company may give notice through electronic mode addressing to the person entitled to receive such e-mail as per the records of the Company or as provided by the depository, provided that the Company shall provide an advance opportunity atleast once in a financial year, to the member

to register his e-mail address and changes therein and such request may be made by only those members who have not got their email id recorded or to update a fresh email id and not from the members whose e-mail ids are already registered. In view of the above, the Company hereby requests members who have not updated their email IDs to update the same with their respective Depository Participant(s) or the CIL Securities Limited, Registrar and Transfer Agent (R&T) of the Company. Further, Members holding shares in electronic mode are also requested to ensure to keep their email addresses updated with the Depository Participants. Members holding shares in physical mode are also requested to update their email addresses by writing to the R & T of the Company quoting their folio number(s).

- 15) Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS) and Electronic Clearing Service (ECS) mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's record which will help the Company and the Company's Registrars and Transfer Agents, CIL Securities Limited (RTA) to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes either to the Company or to RTA.
- 16) The Securities and Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to CIL Securities Limited, Registrar and Share Transfer Agent of the Company.
- 17) Members desiring any information relating to the financial statements are requested to write to the Company well in advance so as to enable the management to keep the information ready.
- 18) Members holding shares of the Company as on Thursday, 17th August, 2017, shall be entitled to vote at the Annual General Meeting of the Company. A person who is not a member as on the cut-off date should treat this notice for information purpose only.
- 19) The Company is providing facility for voting by electronic means (E-voting) through an electronic voting system which will include remote E-voting as prescribed by the Companies (Management and Administration) Rules, 2014 as presently in force and the business set out in the Notice will be transacted through such voting. Information and instructions including details of User ID and password relating to such e-voting are provided in the Notice under Note No. 22.

20) Information and instructions relating to E-voting are as under:-

- 1) In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members a facility to exercise their right to vote on business proposed to be transacted at the Annual General Meeting (AGM) by electronic means and the business may be transacted through E-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM, ("remote E-voting") will be provided by Central Depository Services (India) Limited (CDSL).
- 2) The facility for voting through ballot paper shall be made available at the AGM premises and the members attending the meeting who have not cast their vote by remote E-voting shall be able to exercise their right at the AGM through ballot paper.
- 3) The members who have cast their vote by remote E-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- 4) The remote E-voting period commences on Sunday, 20th August, 2017 (9:00 am) and ends on Tuesday, 22nd August, 2017 (5:00 pm). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Thursday, 17th August, 2017, may cast their vote by remote E-voting. The remote e-voting module shall be forthwith blocked by CDSL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- 5) You can also update your mobile number and e-mail id in the user profile details of the folio which may be used for sending future communication(s).
- 6) The voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date i.e. Thursday, 17th August, 2017.

SANATHNAGAR ENTERPRISES LIMITED

- 7) Any person, who acquires shares of the Company and becomes member of the Company after dispatch of the notice and holding shares as on the cut-off date i.e. Thursday, 17th August, 2017, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com. However, if you are already registered with CDSL for remote E-voting than you can use your existing user ID and password for casting your vote.
- 8) A member can opt for only one mode of voting i.e. either through remote e-voting or by Ballot process to be done at the AGM. If a member casts vote by both modes, then voting done through remote E-voting shall prevail and the Ballot form shall be treated as invalid.
- 9) A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date i.e. Thursday, 17th August, 2017 only shall be entitled to avail the facility of remote E-voting as well as voting at the AGM through ballot paper.
- 10) The Company has appointed Mr. Sharatkumar Shetty, Practising Company Secretary, as scrutinizer (the 'Scrutinizer') for scrutinizing the Remote E-voting process as well as voting at the AGM in a fair and transparent manner.
- 11) The Chairman shall, at the Annual General Meeting, at the end of discussion on the business matters on which voting is to be held, allow voting with the assistance of scrutinizer, by use of "Ballot Paper" for all those members who are present at the AGM but have not cast their votes by availing the remote e-voting facility.
- 12) The Scrutinizer shall after the conclusion of voting at the Annual General Meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of atleast two witnesses not in the employment of the Company and shall make, not later than three days of the conclusion of the AGM, a consolidated scrutinizer's report on the total votes cast in favour or against, if any, to the Chairman/ Director or a person authorized by him in writing, who shall counter sign the same and declare the result of the voting forthwith.
- 13) The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.sanathnagar.in and on the website of the CDSL immediately after the declaration of result by the Chairman/ Director or a person authorized by him in writing. The results shall also be immediately forwarded to the stock exchange (BSE Limited).
- 14) This notice has been updated with the instructions for voting through electronic means as per the Amended Companies (Management and Administration) Rules, 2015.

THE PROCESS AND MANNER FOR REMOTE E-VOTING ARE AS UNDER:

- 15) The voting period begins on Sunday, 20th August, 2017 (9:00 am) and ends on Tuesday, 22nd August, 2017 (5:00 pm). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, 17th August, 2017 may cast their vote electronically. The E-voting module shall be disabled by CDSL for voting thereafter.

2. Dividend

With a view to plough back the profits of the Company into the business operations, the Board of Directors do not recommend any dividend for the financial year under review.

3. Business & Industry Review

Macro Economic overview

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation and International Monetary Fund. With an annual growth of 7.1% during the year 2017, the Indian economy is one of the most resilient and among the fastest growing economies in the world. As per the Economic Survey 2016-17, the Indian economy is expected to grow between 6.75 and 7.5% in FY 2017-18. Moody's has affirmed the Government of India's Baa3 rating with a positive outlook stating that the reforms by the government will enable the country perform better compared to its peers over the medium term.

Sector review

The real estate sector is one of the most globally recognized sectors. In India, real estate is the second largest employer after agriculture and is slated to grow at 30% over the next decade. The construction industry ranks 3rd amongst the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

The Indian real estate market is expected to touch US\$ 180 billion by 2020. The housing sector alone contributes 5-6% to the country's GDP. In the period FY 2008-2020, the market size of this sector is expected to increase at a CAGR of 11.2%. Retail, hospitality and commercial real estate are also growing significantly, providing much-needed infrastructure for India's growing needs. Private equity investments in real estate increased 26% to a nine-year high of nearly ₹ 40,000 crore in calendar year 2016.

Mumbai is the best city in India for commercial real estate investment, with likely returns of 12-19% in the next five years, followed by Bengaluru and Delhi-NCR.

Government Initiatives

The Government of India along with the governments of the respective states has taken several initiatives to encourage development in the sector. The Smart City Project, where there is a plan to build 100 smart cities, is a prime opportunity for the real estate companies.

The recently notified Real Estate (Regulation and Development) Act, 2016 is expected to have a huge transformational impact on the real estate sector. Goods and Service Tax is another significant reform which will subsume all indirect taxes and pave the way for a single market cross India. Demonetization in the third quarter of FY 2017, had a profound impact on the economy, especially in the real estate sector.

The Union Budget has put special emphasis on the affordable housing segment. Infrastructure status for this segment will help real estate entities to raise funds at substantially better interest rates. The credit linked subsidy scheme for first-time homebuyers under the Pradhan Mantri Awas Yojana is expected to push real estate demand in the mid-income group.

Hyderabad real estate

Sales in Hyderabad remained steady in H2 2017, despite demonetisation bringing sales to a halt in other major markets. New launches were down by nearly 56% in H2 of 2017 as compared to H1 2017. Lack of clarity on the implementation of the RERA 2016 emerged as major factor dampening new launches in Hyderabad. West Hyderabad remained the preferred market, largely because buyers' preference for ready to move in properties closer to the office hubs. While the relative shares of other residential zones went down in H2 2017 compared to H1 2017, West Hyderabad recorded an uptick in sales.

The Committee shall ensure that a person shall not occupy position as a Managing Director/Whole-time Director beyond the age of seventy years, unless his appointment is approved by a special resolution passed by the Company in general meeting. No re-appointment shall be made earlier than one year before the expiry of term.
- No person shall be eligible to be appointed as a Director, if he/she is subject to any disqualifications as stipulated under the Companies Act, 2013 or any other law(s) for the time being in force.

Removal:

Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations there under, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel, subject to the provisions and compliance of the said Act, rules and regulations.

Retirement:

The Director, KMP or Senior Management Personnel, shall retire as per the applicable provisions of the Act and the prevailing Policy of the Company, if any. The Board will have the discretion to retain the Director in the same position/ remuneration or otherwise, even after attaining the retirement age, for the benefit of the Company.

Evaluation:**A) Independent Directors/Non-Executive Directors**

The Committee shall carry out evaluation of performance of Independent Directors/Non-Executive Directors every year ending

31st March. In case, if a Director is a member of the Committee, he/she shall abstain himself/herself from participation, when he/she is being evaluated.

As a part of evaluation, the Committee shall determine the following criteria:

- Membership & attendance - Committee and Board Meetings
- Contribution during such meetings
- Willingness to spend time and effort learning about the Company and its business
- Active participation in strategic decision making
- Inputs to executive management on matters of strategic importance
- Individual Performance and Contribution
- Such other matters, as the Committee/Board may determine from time to time.

B) Executive Directors

The Committee shall carry out evaluation of performance of Executive Directors every year ending 31st March. In case, if a Director is a member of the Committee, he/she shall abstain himself/herself from participation, when he/she is being evaluated. The evaluation shall be on the basis of Key Performance Indicators (KPI), which would be identified based on a) their commitment to achieve Company's goals and alignment with the strategic direction, b) their decision making ability, and c) their ability and actions to safeguard the interest of shareholders of the Company and weights assigned for each measure of performance keeping in view the distinct roles of each Executive Director. The identified KPI for Executive Directors shall be approved by the Board, pursuant to recommendation of the Committee, if required.

C) Key Managerial Personnel /Senior Management/ Employees

The HR Department shall assign the responsibility of carrying out the evaluation of the aforementioned persons every year ending March 31st, to the concerned department heads. KPI are identified well in advance at the commencement of the financial year. Performance benchmarks shall be set and evaluation of employees would be done by the respective reporting manager(s)/ Management to determine whether the performance benchmarks are achieved. The payment of remuneration/annual increment to the aforementioned persons shall be determined after the satisfactory completion of Evaluation process.

The objective of carrying out the evaluation by the Company is to identify and reward those with exceptional performances during any financial year. Additional Training and Development Orientation programs on need basis shall be provided to employees, whose performance during any financial year do not meet the benchmark criteria.

INDEPENDENT AUDITOR'S REPORT**To The Members of Sanathnagar Enterprises Limited****Report on the Ind AS Financial Statements**

We have audited the accompanying Ind AS financial statements of Sanathnagar Enterprises Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended and significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended 31st March, 2016 and the transition date opening balance sheet as at 1st April, 2015 included in these Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended 31st March, 2016 and 31st March, 2015 dated May 13, 2016 and April 30, 2015 respectively

SANATHNAGAR ENTERPRISES LIMITED

expressed an unmodified audit opinion on those financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us.

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 29 to the Ind AS financial statements.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sanathnagar Enterprises Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date]

- i. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
(b) All the fixed assets have been physically verified by the management during the year and no material discrepancies were identified on such verification.
(c) The Company does not hold any immovable properties (in the nature of fixed assets). Accordingly, the provisions stated in paragraph 3 (i)(c) of the Order are not applicable to the Company.
- ii. The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on verification between the physical stock and the book records.
- iii. The Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships (LLP) or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Accordingly, the provisions stated in paragraph 3 (iii) (a) to (c) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Act and the rules framed there under. Accordingly, provisions stated in paragraph 3(v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it.

(b) According to the information and explanation given to us and examination of records of the Company, the outstanding dues of income-tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess and any other statutory dues on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount Rs.	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Finance Act, 1994	Service tax	887,532	2013-14 & 2014-15	Assistant Commissioner Service Tax	

- viii. The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, the provision stated in paragraph 3(viii) of the Order is not applicable to the Company.
- ix. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions stated in paragraph 3 (ix) of the Order are not applicable to the Company.
- x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- xi. The Company has not paid / provided for managerial remuneration during the year. Accordingly, the provisions of section 197 of the Act will not be applicable. Accordingly, the provisions stated in paragraph 3(xi) of the Order are not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the provisions stated in paragraph 3(xii) of the Order are not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Ind AS.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions stated in paragraph 3 (xiv) of the Order are not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions stated in paragraph 3(xv) of the Order are not applicable to the Company.
- xvi. In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph clause 3 (xvi) of the Order are not applicable to the Company.

NOTES TO FINANCIAL STATEMENTS AS AT 31ST MARCH, 2017

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A Company's Background

Sanathnagar Enterprises Limited (the Company) is a public limited Company domiciled and incorporated in India under the Companies Act, 1956. The Company's registered office is located at 412 , Floor - 4, 17 G Vardhaman Chamber, Cawasji Patel Road, Horniman Circle, Fort, Mumbai - 400001. The Company is primarily engaged in the business of real estate development.

B Significant Accounting Policies

I Basis of preparation

These financial statements are the financial statements of the Company (also called financial statements) prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015.

For all periods up to and including the year ended 31-March-16, the Company had prepared its financial statements in accordance with Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP').

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakhs except when otherwise indicated.

II Summary of Significant Accounting Policies

1 Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The operating cycle of the Company's realty operations varies from project to project depending on the size of the project, type of development, project complexities and related approvals. Assets and Liabilities are classified into current and non-current based on the operating cycle.

2 Property, Plant and Equipment

i. Recognition and Measurement

All property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisitions of the items. Cost includes freight, duties, taxes, borrowing cost and incidental expenses related to the acquisition and installation of the asset.

ii. Subsequent costs

Subsequent expenditure is capitalised only when it is probable that the future economic benefits of the expenditure will flow to the Company. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

iii. Depreciation

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as specified in Schedule II of Companies Act, 2013.

Sr. No.	Property, Plant and Equipment	Useful life (Years)
i)	Furniture and Fixtures	10
ii)	Computers	
	(a) Servers and networks	6
	(b) End user devices, such as, desktops, laptops, etc.	3
iii)	Office Equipment	5
iv)	Plant and Equipment	15

Depreciation on assets sold during the year is charged to the Statement of Profit and Loss up to the month preceding the month of sale.

3 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each item of inventory to its present condition are accounted for as follows:

- i) Stock of Building Materials is valued at lower of cost and net realizable value. Cost is generally ascertained on weighted average basis.
- ii) Work-in-progress is stated at Cost and Net Realizable Value, whichever is lower. Work-in-progress includes cost of incomplete projects for which the Company has not entered into contracts and the costs incurred on the projects where the revenue is yet to be recognized.
- iii) Completed unsold inventory is valued at lower of Cost and Net Realizable Value.
- iv) Cost for this purpose includes cost of land, borrowing costs, construction / development cost and other overheads incidental to the projects undertaken.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and the estimated cost necessary to make the sale.

4 Provisions and Contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure of contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

5 Impairment of Non-Financial Assets (excluding Inventories and Deferred Tax Assets)

Non-financial assets are subject to impairment tests whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. Where the carrying value of an asset exceeds its recoverable amount (i.e. the higher of value in use and fair value less costs to sell), the asset is written down accordingly.

Where it is not possible to estimate the recoverable amount of an individual asset, the impairment test is carried out on the smallest group of assets to which it belongs for which there are separately identifiable cash flows; its cash generating units ('CGUs').

6 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial AssetsInitial recognition and measurement

The Company classifies its financial assets in the following measurement categories.

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those measured at amortised cost

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- i) Debt instruments at amortised cost
- ii) Debt instruments at fair value through other comprehensive income (FVTOCI)
- iii) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- iv) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Debt instruments at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent Solely payments of principal and interest.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company does not have any debt instruments which meets the criteria for measuring the debt instrument at FVTOCI.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. The Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- i) The rights to receive cash flows from the asset have expired, or
- ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of Financial Assets

The Company assess on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debts instruments. The impairment methodology applied depends on whether there has been significant increase in credit risk. For trade receivables, the Company is not exposed to any credit risk as the legal ownership of residential and commercial units are transferred to the buyer only after all the installments are recovered.

For financial assets carried at amortised cost, the carrying amount is reduced and the amount of the loss is recognised in the statement of profit and loss. Interest income on such financial assets continues to be accrued on the reduced carrying amount and is accrued using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. The interest income is recorded as part of finance income. Financial asset together with the associated allowance are written off when there is no realistic prospect of future recovery and all collateral has been realised or has been transferred to the Company. If, in a subsequent year, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or decreased. If a write-off is later recovered, the recovery is credited to finance costs.

Financial LiabilitiesInitial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to Statement of Profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of Financial Assets and Financial Liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

7 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability, or-
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

8 Cash and Cash Equivalents

Cash and cash equivalent comprises of balances with banks, cash on hand and fixed deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

9 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria are described below:

i) Income from Property Development:

Property development involves such activities of real estate development which has the same economic substance as construction contracts. Therefore, percentage completion method is applied for recognising revenue, costs and profits from transactions in real estate developments.

Income from property development and value of shares representing occupancy rights of units of immovable property is recognized upon transfer of all significant risks and rewards of ownership to the buyers and no significant uncertainty exists regarding the amount of consideration and ultimate collection. The point of time at which all significant risks and rewards of ownership can be considered as transferred, is determined on the basis of the terms and conditions of the agreement for sale.

The Guidance Note on Accounting under Ind AS for Real Estate Transactions requires recognition of revenue under percentage of completion method only when, all critical approvals for project commencement have been obtained, on incurring at least 25% of estimated construction and development cost (excluding land and borrowing cost), at least 25% of the total saleable area is secured by agreement or letter of allotment (containing salient terms of agreement to sell)with buyers and receipt of 10% of the sales consideration per contract. The percentage of completion is worked out based on the total project cost incurred to the total estimated project cost including land and borrowing cost.

As the projects necessarily extend beyond one year, revision in costs and revenues estimated during the course of the contract are reflected in the accounting period in which the said estimates are revised.

Determination of revenue under the percentage of completion method necessarily involves making estimates by the Company, some of which are technical in nature, concerning, where relevant, the percentage of completion, costs to completion, the expected revenues from the project and the foreseeable losses to completion. Provision for foreseeable losses, determination of profit from real estate projects and valuation of construction work in progress is based on such estimates.

ii) Interest Income

For all debt instruments measured either at amortised cost .Interest income is recorded using the effective interest rate (EIR).

10 Taxes**Current Income Tax**

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profit for the period. The tax rates and tax laws used to compute the amount are those that are enacted by the reporting date and applicable for the period

Deferred Tax

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible and taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of transaction.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax asset in respect of carry forward of unused tax credits and unused tax losses are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

The Company recognizes deferred tax liabilities for all taxable temporary differences except those associated with the investments in subsidiaries where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal tax during the specified period.

Presentation of Current and Deferred Tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

11 Borrowing Costs

Borrowing costs that are directly attributable to long term project development activities are inventorised / capitalized as part of project cost.

Borrowing costs are inventorised / capitalised as part of project cost when the activities that are necessary to prepare the inventory / asset for its intended use or sale are in progress. Borrowing costs are suspended from inventorisation / capitalisation when development work on the project is interrupted for extended periods and there is no imminent certainty of recommencement of work.

All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

12 Retirement and Other Employee Benefits

Retirement and other Employee benefits are accounted in accordance with Ind AS 19 – Employee Benefits.

a) Defined Contribution Plan

The Company contributes to a recognised provident fund for all its employees. Contributions are recognised as an expense when employees have rendered services entitling them to such benefits.

b) Gratuity (Defined Benefit Scheme)

The Company provides for its gratuity liability based on actuarial valuation as at the balance sheet date which is carried out by an independent actuary using the Projected Unit Credit Method. Actuarial gains and losses are recognised in full in the other comprehensive income for the period in which they occur.

c) Compensated absences (Defined Benefit Scheme)

Liability in respect of earned leave expected to become due or expected to be availed within one year from the balance sheet date is recognized on the basis of undiscounted value of benefit expected to be availed by the employees. Liability in respect of earned leave expected to become due or expected to be availed beyond one year after the balance sheet date is estimated on the basis of actuarial valuation performed by an independent actuary using the projected unit credit method.

27 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and judgements are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

Judgements, Estimates and Assumptions

The Company makes certain judgement, estimates and assumptions regarding the future. Actual experience may differ from these judgements, estimates and assumptions. The estimates and assumptions that have significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

(i) Useful Life of Property, Plant and Equipments

The Company determines the estimated useful life of its Property, Plant and Equipments for calculating depreciation. The estimate is determined after considering the expected usage of the assets or physical wear and tear. The Company periodically reviews the estimated useful life and the depreciation method to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from these assets.

(ii) Income Taxes

Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(iii) Defined Benefit Plans (Gratuity And Leave Obligation Benefits)

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

(iv) Fair Value Measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

28 Gratuity and Leave Obligation

	As at 31-March-17 ₹ in Lakhs	As at 31-March-16 ₹ in Lakhs	As at 01-April-15 ₹ in Lakhs
Gratuity	0.86	6.38	11.81
Leave Obligation	1.31	6.83	9.28
Total	2.17	13.21	21.09

The Company has a funded defined benefit gratuity plan and is governed by the Payment of Gratuity Act, 1972. Under the Act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the employee's length of service and salary at retirement age.

The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for the respective plans:

34 Financial risk management objectives and policies

The Company's principal financial liabilities comprise mainly of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans and advances, trade and other receivables, cash and cash equivalents and Other balances with Bank.

The Company is exposed through its operations to the following financial risks:

- Market risk
- Credit risk, and
- Liquidity risk.

The Company has evolved a risk mitigation framework to identify, assess and mitigate financial risk in order to minimize potential adverse effects on the company's financial performance. There have been no substantive changes in the company's exposure to financial instrument risks, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated herein.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables, loans and derivative financial instruments.

(i) Interest rate risk

The Company is exposed to cash flow interest rate risk from long-term borrowings at variable rate. Currently the company has external borrowings (excluding short-term overdraft facilities) which are fixed and floating rate borrowings. The Company achieves the optimum interest rate profile by refinancing when the interest rates go down. However this does not protect Company entirely from the risk of paying rates in excess of current market rates nor eliminates fully cash flow risk associated with variability in interest payments, it considers that it achieves an appropriate balance of exposure to these risks.

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the Company's customer base, including the default risk of the industry and country, in which customers operate, has less influence on the credit risk.

The Company has entered into contracts for the sale of residential and commercial units on an installment basis. The installments are specified in the contracts. The Company is exposed to credit risk in respect of installments due. However, the legal ownership of residential and commercial units are transferred to the buyer only after all the installments are recovered. In addition, installment dues are monitored on an ongoing basis with the result that the Company's exposure to credit risk is not significant. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Credit risk from balances with banks and financial institutions is managed by Company's treasury in accordance with the company's policy. The company limits its exposure to credit risk by only placing balances with local banks and international banks of good repute. Given the profile of its bankers, management does not expect any counterparty to fail in meeting its obligations.

c) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The Company also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

35 Capital Management

For the purpose of the Company's capital management, capital includes issued equity share capital and other equity reserves attributable to the Shareholders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and cash equivalents Bank Balances other than Cash and Cash Equivalents.

Gearing ratio	141.61%	119.34%	136.10%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31-March-17 and 31-March-16.

42 Standard issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards)(Amendments) Rules, 2017, notifying amendment to Ind AS 7, 'Statement of cash flows'. This amendment is in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows'. The amendment is applicable to the Company from April 1, 2017.

Amendments to Ind AS 7

The amendments to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.”

43 First-time adoption of Ind AS

For all periods upto and including the year ended 31-March-16, The Group had prepared its financials statements in accordance with the accounting standards notified under Section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP'). This note explains the principal adjustments made by the Group in restating its financial statements prepared under Indian GAAP for the following:

- a) Balance Sheet as at 01-April-15 (Transition date)
- b) Balance Sheet as at 31-March-16
- c) Statement of Profit and Loss for the year ended 31-March-16

Footnotes to the reconciliation of equity as at 1-April-15 and 31-March-16 and profit or loss for the year ended 31-March-16

1 Other Financial Liability

In the financial statements prepared under Indian GAAP, the carrying value of non-interest bearing financial liabilities having maturity date beyond twelve months from the year end were recognised at the nominal amounts payable by the Company. Under Ind AS, such financial liabilities are required to be recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

The above transition has resulted in increase in equity by ₹ 8.11 lakhs as at the date of transition to Ind AS and by ₹16.72 lakhs as at 31-March-16.

2 Remeasurement of defined benefit plan

In the financial statements prepared under Indian GAAP, remeasurement costs of defined benefit plans, arising primarily due to change in actuarial assumptions was recognised as Employee benefits expense in the Statement of Profit and Loss. Under Ind AS, such remeasurement costs relating to defined benefit plans is recognised in Other Comprehensive Income as per the requirements of Ind AS 19, Employee benefits. Consequently, the related tax effect of the same has also been recognised in Other Comprehensive Income.

The above changes do not affect Equity as at date of transition to Ind AS and profit for the year decrease by ₹ 2.36 lakhs as at 31-March-16.

3 Deferred tax

The above transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or as a separate component of equity.

This has resulted in increase in equity by ₹ 2.82 lakhs as at the date of transition to Ind AS and decrease by ₹ 0.17 lakhs as at 31-March-16.

4 Other Comprehensive Income

Under Indian GAAP, there was no concept of Other comprehensive income. Under IND AS, specified item of Income, expenses, gains or losses are required to be presented in Other Comprehensive Income.

5 Statement of Cash Flows

The transition from Indian GAAP to Ind AS has not had a material impact on the Statement of Cash Flows.
