CHAIRMAN'S LETTER

Dear Shareholder,

I am pleased to be connecting with you in the matter of your Company's performance and prospects relating to yet another year.

Overall, Year 2016-17 was reasonably good, an improvement on the previous year. Its last quarter, in particular, showed encouraging signs of recovery in demand for Calcined Petroleum Coke (CPC) in India. As you are surely aware, the demand for CPC mainly depends on growth in the aluminium and steel industries. Both sectors are expected to grow as a result of Government's increased emphasis on planned infrastructure spending in coming times. These signs and developments, marked by a growing demand for metals, bode well for your Company, given that our product is certain to be correspondingly in demand as well.

You will have observed that during the year that we are reviewing, the Company sold 1,59,579 MT of CPC, from which a spurt in demand was witnessed in the year's last quarter. This rise came via the aluminium sector, along with, of course, judicious foreign exchange management by Company officials.

Considering the pace of industrial growth in the country, I am sanguine about Fiscal Year 2017-18 closing on a positive note across the economy. This positivity is expected to set a robust growth path for your Company in this, as in coming years.

The Company's plants, located at St. Jose de Areal in Goa, Bilaspur in Chhattisgarh, and Paradeep in Odisha are fully operational, and each reported a high level of capacity utilization. This stands us in good stead as we gear up to meet the increased demand for CPC from manufacturers of aluminium, graphite electrodes and titanium dioxide.

The positive outlook we hold for CPC demand is mainly based on measures towards rapid capacity enhancement being undertaken by aluminium smelters in India, which is expected to go up from 2.8 million tonnes in Year 2016 to 4 million tonnes by Year 2020. Increased capacity utilization in aluminium ought to boost power and construction projects besides the automobile sector, resulting in higher demand for CPC with consequential effects, beneficial in nature, on your Company's profit margins.

All the same, I would wish to introduce a word of caution here. The two major factors on which the growth and profitability of CPC manufacture depend are the Rupee-Dollar exchange rate and the availability of the right source of raw material at a price that is commercially viable. As you know the Company sources its major requirement of raw material from the People's Republic of China. Any unfavourable exchange rate fluctuation or disturbance in raw material supply can alter an otherwise steady course of operations and results.

Scrupulous corporate governance and ethicality in management are integral to business at Goa Carbon Limited, values which we see as essential for the growth of the company. Like all responsible corporates, we wear two hats: On the one hand, we constantly strive towards efficiency in systems and operations aimed at being globally competitive, and on the other, we continually seek to fulfill our social responsibility through ethical and value-based management aimed at sustainable development. As part of our CSR, we

conduct programmes and activities in the education domain and the healthcare space, thereby doing our bit for nation-building. We aim to be a profitable corporate denizen as much as a good corporate citizen.

The Union Budget for Year 2017-18, coming as it did in the aftermath of demonetization, lived up to the expectations of India Inc. as Government seeks to revive industrial and infrastructural growth in the next 12 months. The worthy plan to establish India as an electronics-manufacturing hub is good news for the domestic metals industry, particularly those engaged in the manufacture of aluminium, copper, lithium and nickel. The other plan to enable high-speed broadband connectivity via optical fibre in more than 150,000 village panchayats by the end of FY 2018 is equally likely to see higher demand for aluminium and copper alloys. Both proposals, once operational, are likely to have a knock-on effect on your Company's operations.

I have no doubt that, on the whole, the Union Budget is sound in its aims to revive investment, boost manufacturing in sectors such as aluminium and steel, and create new jobs in a time frame that is medium to long.

I take this opportunity sincerely to thank all our stakeholders as well as Government of India, Governments of Goa, Chhattisgarh and Odisha, Mormugao Port Trust and Paradeep Port Trust, various regulatory authorities, and our bankers, associates and suppliers variously for their faith, guidance, support and continued association.

I also express my gratitude to all the Members of our Board and to our valuable customers whose trust and confidence in Goa Carbon Limited both inspires and encourages us to overcome challenges and scale greater heights of performance and excellence year after year.

Thank you,

EXPLANATORY STATEMENT AS REQUIRED UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013 ANNEXED TO AND FORMING PART OF THE NOTICE DATED 11th APRIL, 2017

ITEM 4

Though not mandatory, this statement is provided for reference.

Prior to appointment of M/s. Deloitte Haskins & Sells in FY 2009-10, Fraser & Ross, was the audit firm for the Company for 9 years. Since M/s. Deloitte Haskins & Sells and Fraser & Ross are members of the Deloitte Touche Tohmatsu, M/s. Deloitte Haskins & Sells were considered to have been the auditors of the Company for more than 10 years in accordance with Section 139(2) of the Companies Act, 2013 ('the Act') read with the Companies (Audit and Auditors) Rules, 2014 and hence, at the 46th AGM held on 6th September, 2014, M/s. Deloitte Haskins & Sells were appointed as auditors for the transition period of three years.

In terms of the said appointment M/s. Deloitte Haskins & Sells are holding office of the auditors up to the conclusion of the 49th AGM and as such, would retire at the conclusion of the forthcoming 49th AGM.

Accordingly, as per the requirements of Section 139(2) of the Act, M/s. BSR & Co. LLP, Chartered Accountants are proposed to be appointed as auditors for a period of 5 years, commencing from the conclusion of 49th AGM till the conclusion of the 54th AGM, subject to ratification by members every year, as may be applicable.

M/s. BSR & Co. LLP, Chartered Accountants, have consented to the said appointment and confirmed that their appointment, if made, would be within the limits specified under Section 141(3)(g) of the Act. They have further confirmed that they are not disqualified to be appointed as statutory auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out at Item No. 4 of the notice.

The Board recommends the resolution set forth in Item No. 4 of the notice for approval of the members.

ITEM 5

In the 48th Annual General Meeting of the Company held on 6th July, 2016, Mr. Jagmohan J. Chhabra was re-appointed as Whole-time Director of the Company designated "Executive Director" for a period of three years w.e.f. 1st April, 2016 till 31st March, 2019.

The Board, in view of his contributions to the Company's business and the qualification and experience he holds and on recommendation of Nomination and Remuneration Committee, recommends the increase in remuneration of Mr. Jagmohan J. Chhabra as set out in the resolution at Item No. 5 of the notice.

In order to ensure continuity in payment of remuneration to the Whole-time Director irrespective of unforeseen volatility in operations/profitability, as per the provisions of Section – II of Part – II of Schedule V of the Companies Act, 2013, a Special Resolution is required to be passed for payment of managerial remuneration, therefore consent of members by way of a Special Resolution is sought for increase in payment of remuneration to Mr. Jagmohan J. Chhabra with effect from 1st April, 2017.

As required by proviso (iv) of Section – II of Part – II of Schedule – V of the Companies Act, 2013, a statement of information required under the said clause is given in the Annexure to the AGM Notice dated 11th April, 2017.

Save and except for Mr. Jagmohan J. Chhabra who is concerned/interested in the resolution at Item No. 5, none of the other Directors and/or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in this resolution.

ITEM 6

In terms of Section 197 of the Companies Act, 2013, in case the Company has Managing or Whole-time Director, the Company can pay commission to the Non-Executive Directors (i.e. Directors other than Executive Chairman, Managing Director and other Whole-time Directors) for a sum upto 1% (one per cent) of the net profits of the Company, with the approval of shareholders by way of Special Resolution.

The Non-Executive Directors are spending considerable time and efforts in discharging their responsibilities and also contributing to the overall performance and progress made by the Company. In recognition of their contribution, it is now proposed to authorize the Board of Directors to determine the amount, manner and basis for payment of commission to Non-Executive Directors commencing from financial year ending on 31st March, 2018.

Approval of the shareholders is sought to enable the Company to make payment of remuneration in the form of commission to the Non-Executive Directors, commensurate with their role and involvement, in any case not exceeding the limit of 1% per annum of the net profits of the Company in the aggregate as specified in the second proviso to Section 197(1) of the Companies Act, 2013. The quantum of remuneration payable to each of the Non-Executive Directors will vary from year to year.

The Directors recommend the resolution for approval of shareholders.

Save and except for Non-Executive Directors of the Company who are interested no other Director and/or Key Managerial Personnel of the Company or their relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 above.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013 and regulation 17(10) of the Listing Regulations, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Statutory Committees.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgement, safeguarding the interest of the minority shareholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non Independent Directors was carried out by the Independent Directors. Based on these criteria, the performance of the Board, various Board Committees, Chairman and Individual Directors (including Independent Directors) was found to be satisfactory.

Internal Control System

The Board has laid down Internal Financial Controls within the meaning of the explanation to Section 134 (5) (e) ("IFC") of the Companies Act, 2013. The Board believes the Company has sound IFC commensurate with the nature and size of its business. Business is however dynamic. The Board is seized of the fact that IFC are not static and are in fact a fluid set of tools which evolve over time as the business, technology and fraud environment changes in response to competition, industry practices, legislation, regulation and current economic conditions. There will therefore be gaps in the IFC as Business evolves. The Company has a process in place to continuously identify such gaps and implement newer and or improved controls wherever the effect of such gaps would have a material effect on the Company's operations.

ANNEXURE – III TO THE DIRECTORS' REPORT

Particulars with respect to conservation of energy etc. as per Companies (Accounts) Rules, 2014

(A)	Conservation of Energy			
		<u>Goa Plant</u>	<u>Bilaspur Plant</u>	<u>Paradeep Plant</u>
	(i) the steps taken or impact on conservation of energy	<p>Total electrical units consumed during the year was 7,15,268 kwh units as against 8,70,900 kwh units of the previous year. Consumption of electrical energy per metric ton of Calcined Petroleum Coke (CPC) produced during the year was 18.64 kwh/MT of CPC as against 17.16 kwh/MT of previous year. This is due to decrease in production run days from 250 days to 190 days for the full year as compared to the previous year. A strict control on routinely maintaining power factor enabled the Company to get maximum rebate of ₹ 1,91,268/-.</p> <p>Furnace Oil consumption during the year was 58,890 litres (including heating & cooling of Kiln) as against 1,39,085 litres of previous year. Furnace Oil consumption per ton of CPC during the year was 1.53 litres/MT as against 2.74 litres/MT in the previous year due to better process control. In addition, 34,610 litres of Furnace Oil was used for dedusting of CPC, to suppress dust emissions during sieving & packing</p>	<p>Electrical Energy consumption during the year has decreased to 16.80 kwh/MT as compared to 19.58 Kwh/MT of previous year. This has decreased due to higher production running days. A vigilant control on periodically maintained power factor enabled the Company to minimize power consumption.</p> <p>Furnace Oil consumption per MT of CPC has decreased from 2.32 litres/MT to 1.45 litres/MT for heating & cooling of the Kiln and also Furnace Oil used for processing has decreased from 2.87 litres/MT to 1.97 litres/MT due to increase in CPC production during the year.</p>	<p>The specific Electrical Energy consumption for the financial year 2016-17 was 31.82 Kwh/MT. In comparison with the previous financial year 2015-16, the specific energy consumption is more by 1.67 Kwh/MT of CPC produced. The reason for this increase in specific energy consumption is that for the entire Financial Year 2016-17, average kiln operation was higher compared to the financial year 2015-16 and average production per day was less as we were forced to operate the kiln to meet the customers demand without taking shut-down.</p> <p>The average production per day was 331.25 MT during the year as compared to 358.5 MT of the previous year. The power cost per MT of CPC has decreased by ₹ 0.71/MT compared to previous year.</p> <p>The consumption of Furnace oil for production was nil as in the previous year.</p>
	(ii) the steps taken by the company for utilising alternate sources of energy.	<ol style="list-style-type: none"> 1) Replaced 20% HPSV Light Fittings to reduce Lighting unit consumption. 2) Conditioned monitoring of equipments & strict monitoring for efficient usage of equipment is being continued in all sections. 3) Energy efficient 15 HP Wessman Blower was used in place of 25 HP Blower during low furnace oil consumption for kiln burner. 4) RPC unloading crusher was bypassed during less coarser material, thereby saving of 40 HP electrical load. 	<ol style="list-style-type: none"> 1) Installed energy efficient luminaries. 2) Initiation to install energy efficient motors. 	

<p>(iii) the capital investment on energy conservation equipments</p>	
<p>(B) Technology Absorption</p> <p>(i) the efforts made towards technology absorption.</p> <p>(ii) the benefits derived like product improvement, cost reduction, product development or import substitution.</p> <p>(iii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year)-</p> <p>(a) the details of technology imported;</p> <p>(b) the year of import;</p> <p>(c) whether the technology has been fully absorbed;</p> <p>(d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof; and</p> <p>(iv) the expenditure incurred on Research and Development.</p>	<p>The Company has been continuously making efforts to achieve reduction in energy consumption and higher product recovery with consistent reviews of all processes and operations and consequent improvement actions like recently installed bag filters. The Company is also making all round efforts to improve on the efficiency of the production of CPC quality by experimenting various specifications of raw materials and its blends.</p> <p>Not Applicable</p>
<p>(C) Foreign Exchange Earnings and Outgo</p> <p>The Foreign Exchange earned in terms of actual inflows during the year and the Foreign Exchange outgo during the year in terms of actual outflows.</p>	<p>Foreign Exchange used for importing raw material, interest on foreign currency loans and travel expenses of employees for official work etc. were equivalent to ₹ 18,792.17 lakhs.</p> <p>Foreign Exchange earned during the year 2016-17 was Nil.</p>

MANAGEMENT DISCUSSION AND ANALYSIS

Overview:

The financial year 2016-17 was one of the most challenging and a difficult period for all industries and more particularly industries in the business of commodities. Global economy which was at lower trajectory of growth has started to slowly improve. Global economy growth was 3.1% in 2016 and is expected to grow to 3.4% in 2017 and 3.6% in 2018 as per IMF forecast. First half of 2016 witnessed depressed commodity prices and the second half witnessed sharp upward movements in the prices. The Indian Rupee also strengthened during the last quarter of FY16-17.

The Demonetization of Indian Currency in November 16 had an impact in the market and created slump in GDP but the situation has started reversing. The GDP of India is expected to be 7.2% and India is the fastest growing economy in the world. The likely implementation of GST reform from July 2017 will also boost the market sentiments in 2017-18. The Inflation is also under control and industrial manufacturing is also improving.

Goa Carbon Limited is one of the leading Company's engaged in the business of Calcined Petroleum Coke (CPC). CPC is used as a primary source of Carbon by Aluminum, Steel and Titanium dioxide industries. Therefore, there is a direct relationship between the progress and growth of CPC industries with the progress and growth of Aluminium and Steel industries. Aluminium industry is the main user of CPC which consumes almost 75% of production. The domestic demand is improving and new capacities have started commissioning.

Outlook:

As stated above, the growth of CPC industry is directly linked with the growth of Aluminium industry. It is expected that globally, Aluminium industry will grow from 58.8 Mn MT in 2016 to 61.8 Mn MT in 2017 at a growth rate of 5.1% due to its increasing use in packaging, transportation and construction as a result of its inherent quality of light weight, superior electric conductivity, non corrosive and high strength.

Most of this growth will come from Middle East and Asia including India and China. Therefore, with the growth of Aluminium industry, it is expected that CPC industry will grow in the same proportion. Indian smelting capacity

is likely to increase from 2.7 Mn MT this year to 3.7 Mn MT in 2017-18.

All this will have a direct impact on increase in demand for CPC. In spite of China having a lower GDP growth rate, the Aluminium capacity is growing between 5 to 6% per annum. China's share in world Aluminium production has gone up from 51% in 2014 to 53% in 2016. Due to environmental restrictions on Coal mining in China and Sulphur emissions, there is a disruption in the market as Pet coke is being used as fuel. Due to this, the demand for Pet coke has gone up and prices of Raw Pet Coke have started to move upwards in the last few weeks due to lack of availability. This will impact the Calcined Petcoke prices in the coming quarters too.

Goa Carbon with its long presence and strong relationships with the raw material suppliers has been able to secure the raw materials and also tie up with the customers to supply CPC of right quality on time.

Risk and Concerns:

As the commodity prices are increasing, it will result in drastic capacity enhancement by the industries including Aluminium and thereby improve the capacity utilization by Aluminium smelters affecting positively the demand for CPC. As Goa Carbon mainly imports its raw material, it remains vulnerable to US Dollars. The Company has a prudent foreign exchange management policy and does not speculate on foreign currency.

The Company has another challenge to source right type of raw material which is also known as Green Petroleum Coke on a continuous basis as the demand for right quality of material is ever increasing. However, the Company tries to overcome this difficulty by closely working on regular basis with the Aluminium smelters to blend different type of material thereby to optimize available raw material to make it more competitive and profitable to meet the requirements of the smelters.

Research and Development:

Research and development is an ongoing process at Goa Carbon. The Company is continuously innovating and discovering methods and concepts to improve the quality of its product and achieve operational efficiency. The company is awarded with quality certification of

ISO 9001 and ISO 14001 which also demonstrates the ability of the Company to achieve higher level of customer satisfaction.

Financial Review:

STANDALONE FINANCIAL STATEMENTS INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GOA CARBON LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **GOA CARBON LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the

Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 26 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in the financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016; and such disclosures are in accordance with the books of accounts maintained by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GOA CARBON LIMITED** (“the Company”) as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the

risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the

Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2017

1. Corporate information

The Company is in the business of manufacture and sale of Calcined Petroleum Coke in its manufacturing facilities at Goa, Paradeep and Bilaspur.

2. Significant accounting policies

a Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and estimates are recognized in the periods in which the results are known/materialized.

c Inventories

Inventories are valued at the lower of cost (net of CENVAT where applicable) and the net realisable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

In respect of raw materials, cost is determined on specific identification method, while cost of stores and spares is determined on First-in First-out basis.

Finished goods include all direct costs, apportionment of production overheads and excise duty.

d Cash flow statement

Cash flows are reported using the indirect method,

whereby profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

e Fixed assets (Tangible/Intangible)

Fixed assets are stated at historical cost (net of CENVAT wherever applicable) less accumulated depreciation/amortisation and impairment losses, if any. Cost comprises of direct cost, related taxes, duties, freight and attributable finance costs till such assets are ready for its intended use.

Capital work-in-progress:

Projects under which assets are not ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

f Depreciation and amortisation

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of following categories of assets, in whose case the useful life of the assets has been assessed by the Management as under.

Mobile phones - One year.

Leasehold land is amortised over the period of the lease. Cost of plot development on leasehold land is amortised over the estimated period of utility.

Assets costing less than ₹ 5,000 each are fully depreciated in the year of acquisition. Depreciation on additions and deletions during the year are charged on pro-rata basis.

Intangible assets are amortised over their estimated useful life on straight line basis.

g Revenue recognition

Revenue from sale of goods, net of trade discounts and sales returns, is recognised on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods as per the terms of contracts. Sales include excise duty but exclude sales tax and value added tax.

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

h Foreign currency transactions

Foreign currency transactions entered into by the Company are accounted at the exchange rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities outstanding at the balance sheet date are restated at the year end rates. Exchange differences arising on settlement/restatement are charged to the Statement of Profit and Loss.

Transactions in foreign currencies entered into by the Company's integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Foreign currency monetary items of the Company's integral foreign operations outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company's integral foreign operations are carried at historical cost. Exchange differences arising on settlement/restatement of short-term foreign currency monetary assets and liabilities of the Company's integral foreign operations are recognised as income or expenses in the Statement of Profit and Loss.

Premium or discount arising at the inception of forward exchange contracts are amortised over the period of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rate changes.

i Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

j Employee Benefits

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

(a) in case of accumulated compensated absences,

when employees render the services that increase their entitlement of future compensated absences; and

(b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

i) Defined contribution plans

Superannuation:

Fixed contributions to the superannuation fund, which is administered by Life Insurance Corporation of India and ICICI Prudential Life Insurance Company Limited, are charged to the Statement of Profit and Loss as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Provident Fund:

The Company contributes to a government administered provident/pension fund. The fixed contributions to these funds are charged to the Statement of Profit and Loss.

ii) Defined benefit plans

Gratuity:

The Company offers its employees defined benefit plans in the form of gratuity scheme. The gratuity scheme provides a lump sum payment to vested employees, at retirement or termination of employment. The plan covers all employees as statutorily required under Payment of Gratuity Act, 1972. The Company contributes funds to Life Insurance Corporation of India and ICICI Prudential Life Insurance Company Limited, which is irrevocable. Commitments are actuarially determined at each balance sheet date. The actuarial valuation is done based on the "Projected Unit Credit" method. Actuarial gains and losses are charged to the Statement of Profit and Loss under the head "Contribution to provident and other funds".

iii) Compensated absences

The employees of the Company are entitled to encashment of unavailed leave. The employees can carry forward a portion of the unutilized leave and receive cash compensation at retirement or termination of employment. The Company contributes fund to Life Insurance Corporation of India, which is irrevocable. The Company records an obligation for encashment of unavailed leave in the period in which the employee renders the services, based on an actuarial valuation at the balance sheet date carried out by an independent actuary less the fair value of the plan assets. Actuarial gain or loss is recognized in the Statement of Profit and Loss.

k Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

l Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. The number of equity shares are adjusted for share splits and bonus shares, as appropriate.

m Taxes on income

Tax expense comprises current and deferred taxes

Current Tax:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961. Current tax is net of credit for entitlement of Minimum Alternate Tax.

Minimum Alternate Tax:

Minimum Alternate Tax ("MAT") paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is recognised as an asset if there is convincing evidence that the Company will pay normal income tax during the specified period. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred Tax:

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the Balance Sheet date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of

items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

n Impairment of assets

The carrying values of assets/cash generating units are reviewed at each balance sheet date for any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and book value of the assets. In assessing the impairment, the recoverable amount of each cash generating unit is ascertained from the valuation carried out by the independent Government approved valuer and compared with the book value of the assets at the year end.

o Provision, contingent liabilities and contingent assets

Provisions are recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reasonable estimate can be made.

Contingent liability is disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements.

p Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

	ii) Income tax demands under appeal	350.19	610.87
	iii) The Company's appeal to the High Court of Bombay at Goa against the order of the Income Tax Appellate Tribunal which had confirmed the disallowance of the deduction under Section 80HHC of the Income Tax Act, 1961 for Assessment Years 1993-94 to 2004-05 was allowed by the High Court vide its order dated 21.10.2010. The disputed amount of tax and interest paid amounting to ₹ 901.01 lacs (after adjusting the refund of ₹ 454.66 lacs received) is included under Other Non Current Assets. The income tax department has filed a Special Leave petition before the Hon: Supreme Court praying for ex-parte stay of the aforementioned Order of the High Court. The petition is admitted and pending for hearing.	-	-
<p>The amounts mentioned against (ii) above are based on the notice of demand or the assessment orders issued by the relevant authorities, as the case may be. The Company is contesting these demands with the relevant appellate authorities. Outflows, if any, arising out of these demands would depend on the outcome of the decisions of the appellate authorities and the Company's rights for future appeals before the Judiciary. However, the Company is hopeful of successful outcome in the appellate proceedings.</p>

CONSOLIDATED FINANCIAL STATEMENTS INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GOA CARBON LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **GOA CARBON LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement,

whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their report referred to in sub-paragraph (a)

of the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the considerations of the report of the other auditors on separate financial statements/information of the subsidiary referred to in the Other Matter paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matter

a) We did not audit the financial statements/information of the subsidiary, GCL Global Resources SGP Pte. Limited, whose financial statements/information reflect total assets of ₹ 1,296.68 lacs as at 31st March, 2017, total revenues of ₹ Nil and net cash inflows amounting to ₹ 55.99 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements/information has been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other

auditors on separate financial statements referred in the Other Matter paragraph above, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' report of the Holding company, and does not include the subsidiary, since it is incorporated outside India and is not considered as Company as defined in the Companies Act, 2013. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules,

2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 26 to the consolidated financial statements.
- i. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- ii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company incorporated in India.
- iii. The Holding Company has provided requisite disclosures in the consolidated financial statements as regards the holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016; and such disclosures are in accordance with the relevant books of accounts maintained by the Holding Company.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GOA CARBON LIMITED** (hereinafter referred to as “the Holding Company”) as of 31st March, 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial

Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and

that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2017

1. Corporate information

The Group is in the business of manufacture and sale of Calcined Petroleum Coke in its manufacturing facilities at Goa, Paradeep and Bilaspur.

2. Significant accounting policies

a Basis of accounting and preparation of consolidated financial statements

The consolidated financial statements of Goa Carbon Limited (the 'Company') and its subsidiary (the 'Group') have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

b Use of estimates

The preparation of consolidated financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and estimates are recognized in the periods in which the results are known/materialized.

c Principles of consolidation

The consolidated financial statements have been prepared on the following basis:

- i) The financial statements of the Parent and its subsidiary have been combined on a line

by line basis by adding together like items of assets, liabilities, income and expenses. All intercompany balances and transactions, including unrealised profits arising from intra-group transactions, have been eliminated in full. Unrealised losses are eliminated unless costs cannot be recovered.

- ii) The financial statements of the subsidiary are prepared for the same reporting year as the Parent, using consistent accounting policies to the extent practicable, except as indicated below. Adjustments are made to align any dissimilar accounting policies that may exist where practicable.

During the year, the management has expressed its intention to voluntarily wind up GCL Global Resources SGP Pte. Limited, Singapore ("the Subsidiary") within next 12 months subsequent to the financial year end. As a result, the Subsidiary changed its basis of accounting from the going concern basis to the realisation basis for the financial year ended 31st March, 2017. Accordingly, the carrying value of the assets as at 31st March, 2017 are measured at the lower of carrying amount and fair value less cost to sell and all liabilities are measured at the estimated settlement amounts. Also, Refer Note 39 of the financial statements.

- iii) Particulars of subsidiary are given below:

Name of the Subsidiary	Country of Incorporation	% of holding As at	
		31.03.2017	31.03.2016
GCL Global Resources SGP Pte. Ltd.	Singapore	100%	100%

d Inventories

Inventories are valued at the lower of cost (net of CENVAT where applicable) and the net realisable value. Cost includes cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

In respect of raw materials, cost is determined on specific identification method, while cost of stores and spares is determined on First-in First-out basis.

Finished goods include all direct costs, apportionment of production overheads and excise duty.

e Cash flow statement

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

f Fixed assets (Tangible/Intangible)

Fixed assets are stated at historical cost (net of CENVAT wherever applicable) less accumulated depreciation/amortisation and impairment losses, if any. Cost comprises of direct cost, related taxes, duties, freight and attributable finance costs till such assets are ready for its intended use.

Capital work-in-progress:

Projects under which assets are not ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

g Depreciation and amortisation

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of following categories of assets, in whose case the useful life of the assets has been assessed by the Management as under.

Mobile phones - One year

Leasehold land is amortised over the period of the lease. Cost of plot development on leasehold land is amortised over the estimated period of utility.

Assets costing less than ₹ 5,000 each are fully depreciated in the year of acquisition. Depreciation on additions and deletions during the year are charged on pro-rata basis.

Intangible assets are amortised over their estimated useful life on straight-line basis.

h Revenue recognition

Revenue from sale of goods, net of trade discounts and sales returns, is recognised on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods as per the terms of contracts. Sales include excise duty but exclude sales tax and value added tax.

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

i Foreign currency transactions

Foreign currency transactions entered into by the Group are accounted at the exchange rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities outstanding at the balance sheet date are restated at the year end rates. Exchange differences arising on settlement/restatement are charged to the Statement of Profit and Loss.

Transactions in foreign currencies entered into by the Group's integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction. Foreign currency monetary items of the Company's integral foreign operations outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Group's integral foreign operations are carried at historical cost. Exchange differences arising on settlement/restatement of short-term foreign currency monetary assets and liabilities of the Group's integral foreign operations are recognised as income or expenses in the Statement of Profit and Loss.

Premium or discount arising at the inception of forward exchange contracts are amortised over the period of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rate changes.

j Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

k Employee Benefits

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

i) Defined contribution plans

Superannuation:

Fixed contributions to the superannuation fund, which is administered by Life Insurance Corporation of India and ICICI Prudential Life Insurance Company Limited, are charged to the Statement of Profit and Loss as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Provident Fund:

The Group contributes to a government administered provident/pension fund. The fixed contributions to these funds are charged to the Statement of Profit and Loss.

ii) Defined benefit plans

Gratuity:

The Group offers its employees defined benefit plans in the form of gratuity scheme. The gratuity scheme provides a lump sum payment to vested employees, at retirement or termination of employment. The plan covers

all employees as statutorily required under Payment of Gratuity Act, 1972. The Group contributes funds to Life Insurance Corporation of India and ICICI Prudential Life Insurance Company Limited, which is irrevocable. Commitments are actuarially determined at the year end. The actuarial valuation is done based on the "Projected Unit Credit" method. Actuarial gains and losses are charged to the Statement of Profit and Loss under the head "Contribution to provident and other funds".

iii) Compensated absences

The employees of the Group are entitled to encashment of unavailed leave. The employees can carry forward a portion of the unutilized leave and receive cash compensation at retirement or termination of employment. The Group contributes fund to Life Insurance Corporation of India, which is irrevocable. The Company records an obligation for encashment of unavailed leave in the period in which the employee renders the services, based on an actuarial valuation at the balance sheet date carried out by an independent actuary less the fair value of the plan assets. Actuarial gain or loss is recognized in the Statement of Profit and Loss.

I Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

m Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. The number of equity shares are adjusted for share splits and bonus shares, as appropriate.

n Taxes on income

Tax expense comprises current and deferred taxes

Current Tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961. Current tax is net of credit for entitlement of Minimum Alternate Tax.

Minimum Alternate Tax

Minimum Alternate Tax ("MAT") paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is recognised as an asset if there is convincing evidence that the Group will pay normal income tax during the specified period. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Group.

Deferred Tax

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the Balance Sheet date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by

convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Group has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

o Impairment of assets

The carrying values of assets/cash generating units are reviewed at each balance sheet date for any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and book value of the assets. In assessing the impairment, the recoverable amount of each cash generating unit is ascertained from the valuation carried out by the independent Government approved valuer and compared with the book value of the assets at the year end.

p Provision, contingent liabilities and contingent assets

Provisions are recognized when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reasonable estimate can be made.

Contingent liability is disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Group or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements.

q Operating Cycle

Based on the nature of products/activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

26. Contingent Liabilities: (Claims against the Company not acknowledged as debts)	As at 31 March, 2017	As at 31 March, 2016
i) Disallowance of Cenvat Credit and Educational Cess on purchase of raw materials	-	90.19
ii) Income tax demands under appeal	350.19	610.87
iii) The Group's appeal to the High Court of Bombay at Goa against the order of the Income Tax Appellate Tribunal which had confirmed the disallowance of the deduction under Section 80HHC of the Income Tax Act, 1961 for Assessment Years 1993-94 to 2004-05 was allowed by the High Court vide its order dated 21.10.2010. The disputed amount of tax and interest paid amounting to ₹ 901.01 lacs (after adjusting the refund of ₹ 454.66 lacs received) is included under Other Non Current Assets. The income tax department has filed a Special Leave petition before the Hon: Supreme Court praying for ex-parte stay of the aforementioned Order of the High Court. The petition is admitted and pending for hearing.	-	-
The amounts mentioned against (i) and (ii) above are based on the notice of demand or the assessment orders issued by the relevant authorities, as the case may be. The Group is contesting these demands with the relevant appellate authorities. Outflows, if any, arising out of these demands would depend on the outcome of the decisions of the appellate authorities and the Groups' rights for future appeals before the Judiciary. However, the Group is hopeful of successful outcome in the appellate proceedings.
