NOTES:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT ONE OR MORE PROXIES TO ATTEND AND VOTE, IN CASE OF POLL ONLY, ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. THE PROXIES, IN ORDER TO BE VALID, SHOULD BE DULY COMPLETED, STAMPED AND SIGNED AND MUST BE LODGED AT THE REGISTERED OFFICE OF THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE COMMENCEMENT OF THE MEETING.** Further a person can act as Proxy on behalf of members not exceeding fifty

and holding in the aggregate not more than ten percent of the total share capital of the company carrying voting rights provided that a member holding more than ten percent of the total share capital of the company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other member.

2. The Statement pursuant to Section 102 of the Companies Act, 2013 in respect of special business is annexed hereto and forms part of this notice.
3. Members are requested to bring their Attendance slip along with their copy of Annual Report to the Meeting.
4. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
5. Corporate members are requested to send duly certified copy of the Board Resolution pursuant to Section 113 of the Companies Act, 2013 authorizing their representative to attend and vote at the Annual General Meeting (including through e-voting).
6. Relevant documents referred to in the accompanying Notice and the Statement are open for inspection by the members at the Registered Office of the Company on all working days, except Saturdays, during business hours up to the date of the Meeting.
7. Brief resume of Directors proposed to be appointed/re-appointed at the ensuing Annual General Meeting in terms of Regulations 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed to the Notice.
8. The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, 6th September, 2017 to Tuesday, 12th September, 2017 (both days inclusive) for determining the name of members eligible for dividend on Equity Shares, if approved by the members at the ensuing Annual General Meeting.
9. The shares of the Company are listed on BSE Limited and National Stock Exchange of India Limited. Listing fees for the financial year 2017-18 has been paid to both the stock exchanges.
10. Members who hold shares in dematerialized form are requested to bring their client ID and DP-ID for easier identification of attendance at the meeting.
11. Members holding shares in identical order of names in more than one folio are requested to write to the Company / Registrar and Share Transfer Agent (RTA) enclosing their

Share Certificates to enable the Company to consolidate their holdings in one folio for better services.

12. Members holding shares in physical form are requested to notify immediately any change in their address or bank mandates to the Company / RTA quoting their Folio Number. Members holding shares in the Demat form may update such details with their respective Depository Participants.
13. The Company has transferred the unpaid or unclaimed dividend declared up to financial years 2008-09, from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government. The unclaimed dividend in respect of the financial year ended on 31st March, 2010 is due for transfer to the IEPF in month of October, 2017. The shareholders whose dividend remained unclaimed for the financial year 2009-10 and for subsequent financial years are requested to claim it immediately from the Company. The Company has uploaded the details of unpaid and unclaimed dividend amounts lying with the Company as on 8th September, 2016 (date of the previous Annual General Meeting) under "Investor Relations" section on the website of the Company. The said details have also been uploaded on the website of the Ministry of Corporate Affairs and the same can be accessed through the link: www.mca.gov.in and on the website of IEPF viz. www.iepf.gov.in.

Attention of the members is drawn to the provisions of Section 124(6) of the Act which require a company to transfer in the name of IEPF Authority all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more.

In accordance with the aforesaid provisions of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has already initiated necessary action for transfer of all shares in respect of which dividend declared for the financial year 2009-10 or earlier financial years has not been paid or claimed by the members for 7 (seven) consecutive years or more.

14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company / (RTA).
15. Queries on accounts and operations of the Company, if any, may please be sent to the Company, seven days in advance

of the meeting so that the answers can be made available at the Meeting.

16. Members are requested to forward all Share Transfers and other communications to the RTA of the Company and are further requested to always quote their Folio Number / DPID-Client ID in all correspondences with the Company.
17. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company.
18. The dividend on Equity shares as recommended by the Board of Directors for the year ended 31st March, 2017, if approved by the members at the Annual General Meeting, will be paid to those members whose names stand registered in the Register of Members as on Tuesday, 12th September, 2017 and in respect of the shares held in dematerialized form, the dividend will be paid to members whose names are furnished by National Securities Depository Limited and Central Depository Services (India) Limited as beneficial owners as on that date.
19. To comply with the provisions of Section 88 of the Companies Act, 2013 read with Rule 3 of the Companies (Management and Administration) Rules 2014, the Company is required to update its database by incorporating some additional details of its members.

You are thus requested to submit your e-mail ID and other details vide the e-mail updation form attached in this Annual Report. The same could be done by filling up and signing at the appropriate place in the said form and by returning the same by post.

The e-mail ID provided shall be updated subject to successful verification of your signatures as per record available with the RTA of the Company.

20. The Register of Directors' and Key Managerial Personnel's Shareholding maintained under Section 170 and Register of Contracts or Arrangements in which Directors are interested under Section 189 of the Companies Act, 2013 are open for inspection at the Registered Office of the Company during the office hours on all working days, between 11.00 a.m. and 1.00 p.m. upto the date of the Annual General Meeting and will be open for inspection during the Annual General Meeting also.
21. The Notice of the 53rd Annual General Meeting and instructions for e-voting, Attendance Slip and Proxy Form are being sent by electronic mode to all members whose email address are registered with the Company/Depository Participant(s) unless member has requested for hard copy of

the same. For members who have not registered their email addresses, physical copies of the aforesaid documents are being sent by courier.

22. Information and other instructions relating to the e-voting:

- (a) In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be passed in the 53rd Annual General Meeting (AGM) by electronic means. The members may cast their votes using an electronic voting system from a place other than the venue of the meeting ('remote e-voting').
- (b) The Company has engaged the services of Central Depository Services (India) Limited (CDSL) as agency to provide e-voting facility.
- (c) The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to vote at the Meeting through ballot paper.

Except Mr. P. K. Choudhary, Managing Director, none of the other Directors and / or Key Managerial Personnel of the Company or their relatives are concerned or interested in the said resolution.

Item No. 8

Mr. Chakrapani Misra, being eligible, was appointed as an Additional Independent Director for a period of five years with effect from 23rd May, 2017, subject to approval of shareholders at the ensuing Annual General Meeting. Mr. Chakrapani Misra, aged 46 years, is a B.A., LL.B. from Government Law College, Mumbai and LL.M. - Bombay University. He is a Solicitor and

Advocate with over two decades legal experience in the field of dispute resolution including complex corporate commercial litigation before various courts and tribunals across India, International commercial arbitrations under the rules of ICC, LCIA, SIAC and other international dispute resolution bodies, domestic arbitration in India, Securities laws related disputes, Intellectual property rights and related matters, contract drafting and negotiations.

In accordance with the provisions of Section 149 read with Schedule IV to the Act, appointment of an Independent Director requires approval of shareholders. Mr. Chakrapani Misra has given the requisite declaration pursuant to Section 149(7) of the Companies Act, 2013, to the effect that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has also received a notice along with requisite deposit from a member under section 160 of the Companies Act, 2013 proposing his candidature for the office of Independent Director. Further, he is not disqualified from being appointed as director in terms of Section 164 of the Act and has given his consent to act as a director of the Company. The Nomination and Remuneration Committee has also approved his appointment as Independent Director for a term of five years.

In the opinion of the Board, Mr. Chakrapani Misra fulfills the conditions as specified in the Act and the Rules made thereunder for appointment as an Independent Director and he is independent of the management.

The letter of appointment is available for inspection by members at the registered office of the Company between 11 a.m. to 1 p.m. on any working day of the Company.

Total Comprehensive Income	58.85	31.45	57.18	29.40

2. ADOPTION OF INDAS

The Company has adopted the Indian Accounting Standard ("Ind AS") w.e.f. 1st April 2016 with a transition date of 1st April, 2015. The above Financial Statements have been prepared in accordance with the recognition and measurement principles stated therein and as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.

3. SHARE CAPITAL OF THE COMPANY

As at 31st March, 2017, the paid up equity share capital of your Company stood Rs. 4,92,30,000 (Rupees Four Crore Ninety Two Lakhs Thirty Thousand only) divided into 49,23,000 Equity shares of the face value of Rs. 10 (Rupee Ten) each.

The Company has obtained its shareholders' approval for the following matters through postal ballot process, the results of which were declared on the 13th May, 2017:

- 1) Sub-division of existing 1 equity share having face value of Rs. 10 each fully paid-up into 2 equity shares having face value of Rs. 5 each;
- 2) Increase in Authorized Share Capital of the Company from Rs. 6 crore to Rs. 8 crore divided into 1.6 crore

equity shares of Rs. 5 each and subsequent alteration of Capital Clause of Memorandum of Association to give effect to the sub-division of shares and increase in the authorized share capital;

- 3) Issue of 49,23,000 bonus equity shares in proportion of 1:2 (i.e. 1 new bonus equity share of Rs. 5 each for every 2 equity shares of Rs. 5 each held) (Post split face value per equity share);

After giving effect to the above, the issued, subscribed and paid up share capital of the company would be at Rs. 7,38,45,000 divide into 1,47,69,000 equity share of Rs. 5 each.

4. DIVIDEND

Your Directors have recommended a dividend of Rs. 0.50 per share, being 10% on the Company's enhanced equity share capital after considering bonus issue, i.e. on 1,47,69,000 Equity Shares of Rs. 5 each fully paid up of the Company for the year ended 31st March, 2017. The Corporate Dividend Tax of Rs. 0.15 crore will be payable on the total dividend amount of Rs. 0.74 crore. The Dividend, if approved, will be paid to those members whose names appear on the Register of Members / List of Beneficiaries as on 12th September, 2017.

5. RESERVES

During the year under review Rs. 15 Crores were transferred to the General Reserve.

6. OVERVIEW OF ECONOMY AND PERFORMANCE OPERATIONS

The Company reported total revenue of Rs. 181.62 Crores, representing a growth of 8% over the previous year. The manufacturing turnover increased by 11% from Rs. 124.81 Crores to Rs. 139.38 Crores. This was achieved despite challenging market conditions both in the domestic and export segments.

Investment Income during the year was marginally lower at Rs. 41.19 Crores, as against Rs. 42.23 Crores in the previous year. This was mainly due to lower dividend income during the year.

The gross profit of the Company was substantially higher at Rs. 39.91 Crores from Rs. 30.69 Crores. After considering interest of Rs. 0.20 Crores and depreciation of Rs. 7.71 Crores, Profit Before Tax was Rs. 32 Crores and net profit after provision for tax of Rs. 7.11 Crores, was Rs. 24.89 Crores.

Other Comprehensive Income (OCI) (net of Tax) was Rs. 33.96 Crores, as against Rs. 10.73 Crores in the previous year. The total Comprehensive Income after tax during the year was Rs. 58.85 Crores, as against Rs. 31.45 Crores in the previous year.

The Indian economy performed well during 2016-17 with a GDP growth of about 6.8%, despite a temporary slow-down due to the demonetisation of high value currency notes by the Indian Government in November 2016.

The Indian Automobile Industry produced a total of 25,316,044 vehicles including passenger vehicles, commercial vehicles, three wheelers, two wheelers and quadricycle in FY 2016-17, as against 24,016,599 in the previous year, registering a growth of 5.41% over the last year. The sale of Passenger vehicles grew by 9.23%, while the growth of Commercial vehicle was 4.16%.

With the Government's decisive policy towards economic reforms and a thrust on infrastructure development, the Indian economy is poised for a decent growth in the coming years.

Based on the above positive scenario, the Company remains optimistic for a good demand outlook for its products even though there may be some immediate slow-

down in the truck segment due to a switch-over from the BS-III to BS-IV emission norms and the implementation of proposed GST.

Our Company is geared-up to meet the expected increase in demand through continued investment in capacity expansion, introduction of new products and improvement in quality.

In the Investment segment, challenges will remain with declining interest rates and a volatile stock market. However, the Company will continue to deploy its funds judiciously, keeping capital protection in mind.

The Company participated at the Automechanika Fair at Frankfurt, Germany in September, 2016. This is the largest Exhibition for Aftermarket Auto Components in the world. The Company also participated in i-Auto Connect 2016, an International reverse Buyers / Sellers Meet organised by ACMA and the Ministry of Commerce, in Gurgaon on 6th September, 2016. The response of both the exhibitions was positive.

There was some improvement in the working of the Company's joint venture 'Compo-Advics (India) Pvt. Ltd.'. However, in view of highly competitive market conditions, the company was not able to reach the desired utilisation of plant capacity.

There were no changes in the nature of business of the Company during the year under review. Similarly, there have been no material changes and commitments affecting the financial position of the Company between the end of the Company's financial year to which the financial statements relate and upto the date of this report.

7. PRODUCTION RANGE

Your Company is engaged in the manufacture and marketing of fiber based Friction Materials, consisting of Brake Liners, Roll Linings, Clutch Facings, Disc Brake Pads used in Heavy and Light Trucks, Passenger Cars, 2 / 3 wheelers, off-road-vehicles and construction and mining equipment. Composition Brake Blocks for the Railways are also an important part of the Company's product portfolio.

8. MANAGEMENT DISCUSSION AND ANALYSIS

8.1 OPPORTUNITIES, THREATS AND BUSINESS OUTLOOK

The Global economy continued to stagnate following slow trades, low investments and policy uncertainties in advanced economies. Major global events during the year included the United Kingdom's decision to leave the

European Union and the outcome of presidential elections in United States of America. Both the events are expected to have a long-term impact on the global economy.

India emerged as a 'bright spot' in an otherwise subdued world economy, when it overtook China in 2015-16 as the fastest-growing major economy in the world. Though, India's fundamentals continue to remain strong, the recent demonetisation initiative undertaken by the Indian Government is expected to lower India's GDP growth from 7.6% in FY 16 to 6.8% in FY 17.

Looking ahead the Indian economy presents positive picture both in the short-term and long-term. The introduction of GST in this financial year will have a positive impact on the economy and also for the business environment in general. The Government has demonstrated its willingness to take forward the reform process, both with significant investments for improvement in infrastructure and also to bring-in financial discipline with a determined drive to eliminate the parallel economy. This will help to improve the business outlook in the current year. As a consequence, a positive effect by way of low inflation rates are already beginning to be visible.

With the above positives for the Indian economy, we foresee a significant growth potential for the Automobile Industry, which is good for Company's manufacturing and investment business.

This should improve the order-book of both OEM and After market customers particularly in Commercial vehicle and Farm Tractor segment, where the Company is a dominant player. The Company is geared-up to meet this additional demand by upgrading its technology and improvement in its manufacturing segment. The Company has also planned to install additional capacity to meet the increased business.

The Company is optimistic in its outlook for its current financial year barring challenges because of increase in commodity prices which increased sharply during 2016-17.

The scenario of falling interest rate may pose some challenge in generating a higher investment income. However, the Company will continue to adopt a prudent and pragmatic approach to increase its revenue by way of judicious investments in all asset class.

8.2 RISKS AND AREAS OF CONCERN

The Company has laid down a well-defined Risk Management Policy covering the risk mapping, trend

analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is being carried out to identify, evaluate, manage and monitoring of both business and non-business risk. The Board periodically reviews the risks and suggests steps to be taken to control and mitigate the same through a properly defined framework.

8.3 HRD / INDUSTRIAL RELATIONS

The thrust of the Company's human resource development is to create a responsive and market-driven organization with emphasis on performance. Continuous appraisal of personnel competence in line with job requirements, are carried out to provide for necessary training to personnel thereby facilitating higher levels of output and productivity. The industrial relations at Paithan and Bhandara remain satisfactory.

9. SUBIDIARY, JOINT VENTURES AND ASSOCIATE COMPANIES

Your Company has a Joint Venture Company namely "Compo Advics (India) Private Limited". The company had no subsidiary or associate company during the year under review.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Hindustan Composites Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Hindustan Composites Limited** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluation of the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 ('Audit Period') generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company during the Audit Period);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (ii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (iii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not applicable to the Company during the Audit Period);
 - (iv) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (v) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the Audit Period);
 - (vi) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (vii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the Audit Period); and
 - (viii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the Audit Period); and
 - (ix) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (vi) As informed and certified by the management, there are no laws that are specifically applicable to the business activities carried on by the Company based on its sector / industry.

I have also examined compliance with the applicable clause/regulations of the following:

- (i) Secretarial Standards (SS – 1 and SS – 2) issued by The Institute of Company Secretaries of India; and
- (ii) Listing Agreements entered into with the stock exchanges, where shares of the Company are listed.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above, subject to the following observations:

(i) the annual audited consolidated financial results for the year ended 31.03.2016 were approved and submitted to Stock exchanges on 22nd July, 2016 which is beyond the stipulated time limit of 30th May, 2016; and

(ii) delay in filling of some e-forms with the Registrar of Companies.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice are given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there was no major corporate event having a major bearing on the company's affairs.

1. PREFACE

This Remuneration policy of the Hindustan Composites Ltd. is formulated to determine the appointment of and remuneration payable to Directors, Key Managerial Personnel ('KMPs') and the Senior Management Personnel ('SMPs') of the Company.

The Board of Directors of the Company has adopted this Remuneration Policy, on the recommendation of the Remuneration Committee, in its meeting held on 29th May 2014.

2. COMMENCEMENT

This remuneration policy governs Policy relating to directors' appointment and remuneration including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under sub-section (3) of section 178 of the Companies Act, 2013.

3. DEFINITIONS

For the purpose of this policy all terms shall have same meaning as defined under Companies Act, 2013.

4. PURPOSE

This policy is framed to attain following objectives:

- a. Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration of the directors, key managerial personnel and other employees;
- b. Formulation of criteria for evaluation of Independent Directors and the Board;
- c. Devising a policy on Board diversity;
- d. Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal. The company shall disclose the remuneration policy and the evaluation criteria in its Annual Report.

5. PRINCIPLES OF REMUNERATION

The objective of the remuneration policy is to enable the Company to attract, motivate, and retain qualified industry professionals for the Board of Management and other executive level in order to achieve the Company strategic

goals. The remuneration policy acknowledges the internal and external context as well as the business needs and long term strategy. The policy is designed to encourage behavior that is focused on long-term value creation, while adopting the highest standards of good corporate governance. The policy is built on the following principles:

- i. **Vision And Strategy** - Remuneration and reward frameworks and decisions shall be developed in a manner that is consistent with, supports and reinforces the achievement of the Company's vision and strategy.
- ii. **Transparent** - The policy and its execution are clear and practical.
- iii. **Aligned within the company's objectives** – The remuneration policy is aligned with the company's short term and long term objectives, compatible with those of management and other employees.
- iv. **Long-term orientated** – The incentives focus on long-term value creation.

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2017, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements- Refer Note No. 31 to standalone Ind AS financial statements.

"ANNEXURE A"**ANNEXURE REFERRED TO IN PARAGRAPH "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT TO THE MEMBERS OF HINDUSTAN COMPOSITES LIMITED FOR THE YEAR ENDED 31ST MARCH, 2017**

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

1. a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) All the fixed assets have been physically verified by the management in a phased manner over a period of three years which is reasonable considering the size of the Company and nature of its fixed assets. No material discrepancies were noticed on such verification.

- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. The inventory has been physically verified by the management at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
 3. During the year, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, Para 3 (iii) of the Companies (Auditor's Report) Order 2016 is not applicable to the Company.
 4. In our opinion and according to the information and explanations given to us, the Company has not entered into any transactions referred in section 185 of the Act. The Company has complied with the provisions of 186 of the Act with respect to the loans and investments made.
 5. No deposits within the meaning of directives issued by RBI (Reserve Bank of India) and Sections 73 to 76 or any other relevant provisions of the Act and rules framed there under have been accepted by the Company. Therefore, Para 3 (v) of the Companies (Auditor's Report) Order 2016 is not applicable to the Company.
 6. We have broadly reviewed the cost records maintained by the Company pursuant to the order of the Central Government under sub section (1) of Section 148 of the Act and are of the opinion that, prima facie, the prescribed records have been made and maintained. We are, however, not required to make a detailed examination of the records with a view to determine whether they are accurate or complete.
 7. a) The Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to the Company with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

b) According to the records of the Company, there are no dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited on account of any dispute except the following:

Assessment Year	Nature of Dues	Amount in Rs.	Forum where the dispute is pending
2010-11	Sales Tax	6,98,863	Sales Tax Tribunal, Mumbai

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of any loan or borrowing to a financial institution and banks.
9. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year or in the recent past and has taken term loans which were applied for the purpose for which the loans were obtained.
10. According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
12. In our opinion, the Company is not Nidhi Company. Therefore, Para 3 (xii) of the Companies (Auditor's Report) Order 2016 is not applicable to the Company.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements (Refer Note No. 46) as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him in terms of Section 192 of the Act. Accordingly, paragraph 3(xv) of the Order is not applicable.

“ANNEXURE B”

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Hindustan Composites Limited (“the Company”) as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

a) Basis of Preparation of Financial Statements:

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 and other related provisions of the Act. The figures for the previous year ended March 31, 2016 and opening balance sheet as on April 01, 2015 have also been reinstated by the management as per the requirements of Ind AS.

These financial statements are the first financial statements of the Company under Ind AS. Refer note 41 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2015 being the date of transition to Ind AS.

The financial statements of the Company are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- i) Certain financial assets and liabilities are measured at Fair value (refer note no. 42 financial instruments)
- ii) Defined benefit employee plan (refer note no. 40)

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the

purpose of current or non-current classification of assets and liabilities.

b) Uses of estimates and judgments:

The preparation of the financial statements requires the Management to make, judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(a) Depreciation / amortisation and useful lives of property, plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

(b) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events

that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(c) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(d) Measurement of defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis. The assumptions used in determining the net interest cost/(income) for defined benefit plans include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

c) Property, plant and equipment and Intangible assets

Property, plant and equipment

Freehold land is carried at cost. All other items of property, plant and equipment are measured at historical cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Intangible assets:

Technical Know How and Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Depreciation/ amortisation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method, over the estimated useful lives of assets. Leasehold land is amortised over period of lease. Leasehold improvements are amortised over the period of lease or estimated useful lives which ever is lower.

The company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013 and management believe that useful lives of assets are same as those prescribed in Schedule II of the Companies Act, 2013.

The Company amortizes computer software with a useful life using the straight-line method over the period of 3 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

d) As a lessee

Operating Lease

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

e) Cash and Cash Equivalents:

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less, including money market deposits, commercial paper and investments. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

f) Inventories:

Inventories of Raw Materials, Work-in-Progress, Stores and spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower'.

Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The excise duty in respect of closing inventory of finished goods is included as part of finished goods. Cost formula used is 'Weighted Average cost'. Due allowance is estimated and made for defective

and obsolete items, wherever necessary, based on the past experience of the Company.

g) Financial Instruments

Financial assets - Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business module whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

The company subsequently measures all equity investments at fair value. Where the Company's

management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payments is established.

Impairment

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognised in Statement of Profit and Loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss. "

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised

in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

h) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest."

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- ✓ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

- ✓ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

i) Borrowings:

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

j) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

k) Provisions and contingent liabilities:

Provisions for legal claims, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. The carrying amounts of provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

l) Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duties and net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Sale of goods -

Timing of recognition: Sales are recognised when substantial risk and rewards of ownership are transferred to customer. In case of domestic sales take place when goods are dispatched or delivery is handed over to customer's logistics. In case of export sales take place when goods are shipped on-board, based on bill of lading.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

Dividend income:

Dividend income is recognised when the Company's right to receive the payment has been established.

m) Employee Benefits:

The Company provides following post-employment plans:

- (i) Defined benefit plans such as gratuity and pension and
- (ii) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of the plan

assets. The defined benefit obligations is calculated annually by actuaries using the projected unit credit method.

The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

"The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of the plan assets. This cost is included in employee benefit expenses in the statement of the profit and loss.

Re-measurement comprising of actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions, the effect of asset, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date based on an actuarial valuation.

n) Foreign Currency Transaction:

The financial statements are presented in Indian rupee (INR), which is company's functional and presentation currency.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains

and losses are presented in the statement of profit and loss as other income / miscellaneous expenses.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.”

o) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

p) Segment Reporting:

The Company has identified its Managing Director as the Chief Operating Decision Maker. Operating segments are reported in a manner consistent with the internal reporting provided to managing director of the Company. The Managing Director evaluates the Company's performance and allocates resources as a whole.

q) Research and Development:

Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, further economic benefits are probable, the Company has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

r) Earnings Per Share:

Basic EPS is arrived at based on net profit or (loss) after taxation available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

Sensitivity analysis			
The sensitivity of the overall plan liabilities to changes in the weighted key assumptions are:			
Discount rate			
a) Discount rate - 100 basis points	27.63	18.83	
b) Discount rate + 100 basis points	(23.25)	(21.45)	
Salary escalation rate			
a) Rate - 100 basis points	(22.37)	(20.90)	
a) Rate + 100 basis points	23.66	16.36	

The sensitivity analysis above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the same method used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

The major categories of plan asset are as follows:

	31 st March, 2017	31 st March, 2016	100%
Equities	0%	0%	0%
Bonds	0%	0%	0%
Gilts	0%	0%	0%
Pooled assets with an insurance company	100%	100%	100%
Other	0%	0%	0%
	100%	100%	100%

The defined benefit obligations shall mature after year end 31st March, 2017 as follows: **(Rs. in lacs)**

	31 st March, 2017	31 st March, 2016
Year 1	20.60	2.90
Year 2	33.87	3.73
Year 3	18.73	6.08
Year 4	13.50	5.32
Year 5	14.13	6.23
Year 6-10	244.49	48.81

The weighted average duration of the defined benefit obligation is 8.56 years (2016: 9.70 years, 2015: 9.10 years).

Risk exposure:

Through its defined benefit plans, Company is exposed to a number of risks, the most significant of which are detailed below:

Investment risk: The present value of the defined benefit plan liability is calculated using discount rate determined by reference to market yields at the end of reporting period on government bond yields.

Interest risk:- A decrease in the bond interest will increase in plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to best estimate of the mortality of plan participants both during and at the end of employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such an increase in salary of the plan participants will increase the plan liability.

NOTES OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**41 First-time adoption of Ind AS**

The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2016, with a transition date of 1st April, 2015. The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements for the year ended 31st March, 2017, be applied retrospectively and consistently for all financial years presented. However, in preparing these Ind AS financial statements, the Company has availed of certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity).

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A. Optional Exemptions**(i) Deemed Cost**

The Company has elected to continue with the carrying value of all of its plant and equipment and intangible assets recognised as of 1st April, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

(ii) Designation of previously recognised financial instruments

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

(iii) De-recognition of financial assets and financial liabilities

The Company has applied the de-recognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after 1st April, 2015 (the transition date).

B. Mandatory Exceptions**(a) Estimates**

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies).

Ind AS estimates as at 1st April 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company make estimates for following items in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

- Investment in equity instruments carried at FVPL or FVOCI;
- Impairment of financial assets based on expected credit loss model.

(b) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

C. Transition to Ind AS - Reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS in accordance with Ind AS 101:

- (i) Reconciliation of Balance sheet as at April 1, 2015 (Transition Date)
- (ii) A. Reconciliation of Balance sheet as at March 31, 2016
B. Reconciliation of Statement of total Comprehensive Income for the year ended March 31, 2016
- (iii) A. Reconciliation of Equity as at April 1, 2015 and March 31, 2016
B. Reconciliation of Income Statement March 31, 2016
- (iv) Adjustments to Statement of Cash Flows

The presentation requirements under Previous GAAP differs from Ind AS and hence Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.

NOTES OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017**41 First-time adoption of Ind AS (Continue...)****Notes to first time adoption:****A Fair valuation of Financial Assets - Investments**

In previous GAAP, current investments were measured at lower of cost or fair value and long term investments were measured at cost less diminution in value. Under Ind AS, the Company has valued financial assets - Investments at cost or at fair value i.e. either through Profit and loss or Other Comprehensive Income. Impact of fair value changes as on the date of transition, is recognised in opening reserves/ separate component of other equity and changes thereafter are recognised in Statement of Profit and Loss or Other Comprehensive Income, as the case may be.

B Fair valuation of Financial Assets - Interest free loan to employee welfare trust

Under the previous GAAP, interest free loan to employee welfare trust are recorded at their transaction value. Under INDAS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued the interest free loan given to employee welfare trust.

C Defined benefit liabilities:

Under IND AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit and loss in previous GAAP.

D Excise Duty

Under previous GAAP, revenue from sale of goods was presented net of excise duty whereas under IND AS the revenue from sale of goods is presented inclusive of excise duty. The excise duty is presented on the face of the Statement of Profit and Loss as part of expenses.

E Proposed Dividend

Under previous GAAP, dividends proposed by the board of directors after balance sheet date but before the approval of the financial statements were considered as adjusting events. However under IND AS, such dividends are recognized when the same is approved by the shareholders in the general meeting. Accordingly the liability for proposed dividend recognized as on transition date has been reversed with corresponding adjustment to opening retained earnings and dividend in the subsequent period has been recognized in the year of approval in the general meeting.

F Discounts and Incentives

Under previous GAAP, the Company accounted for revenue net of trade discounts, sales taxes and excise duties. Under Ind AS, the Company will recognise revenue at fair value of consideration received or receivable. Any sales incentive, cash discounts or rebates in any form given to customers will be considered as reductions from revenue.

G Deferred tax

Under previous GAAP, deferred tax was accounted using the income statement approach, on the timing differences between the taxable profit and accounting profits for the period. Under IND AS, deferred tax is recognized following balance sheet approach on the temporary differences between the carrying amount of asset or liability in the balance sheet and its tax base.

42 Financial instruments

The details of significant accounting policies, including criteria for recognition, the basis of measurement and the basis on which income and expenditure are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note A (k) for accounting policy.

c. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The categories used are as follows:

- Level 1: quoted prices for identical instruments in active market.
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

44 Risk Management

Financial risk management objective and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board of the Company. The risk management policies aims to mitigate the following risk arising from the financial instruments: (a) Market risk; (b) Liquidity risk and (c) Credit risk.

A. Financial risk factors

The Company's principal financial liabilities comprise borrowings, deposits and trade and other payables. The purpose of these financial liabilities is to finance the Company's operations and to provide to support its operations. The Company's principal financial assets include Investments, loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to the following risk arising from the financial instruments: (a) Market risk; (b) Liquidity risk and (c) Credit risk.

Risk	Exposure arising from	Measurement	Management
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities; working capital management
Credit risk	Cash and cash equivalents, trade receivables, Investments, loans and other financial assets measured at fair /amortised cost.	Ageing analysis/ Credit ratings	Diversification in various class of assets, credit limits and letters of credit
Market Risk - Foreign exchange	Financial assets and liabilities denominated in INR	Cash flow forecasting Sensitivity analysis	Hedging Forex planning
Market Risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
Market Risk - Price risk	Investments in Equities, Bonds, debentures, funds	Sensitivity analysis; market fluctuations; credit rating	Continuous monitoring, Diversification

(a) Liquidity risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintain sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. Anticipated future cash flows, undrawn committed credit facilities are expected to be sufficient to meet the liquidity requirements of the Company.

(i) Financing arrangements

The Company has access to the following undrawn borrowing facilities as at the end of the reporting period:

Particulars	(Rs. in lacs)		
	As at 31 st March, 2017	As at 31 st March, 2016	As at 1 st April, 2015

Other financial liabilities	882.78	882.78	-	882.78	-	-

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk includes investment, deposits, foreign currency receivables and payables. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company's treasury team manages the Market risk, which evaluates and exercises independent control over the entire process of market risk management.

(i) Foreign currency risk

Foreign currency risk can only arise on financial instruments that are denominated in a currency other than the functional currency in which they are measured. The Company's functional and presentation currency is INR. The Company does have transactions in currency other than functional currency i.e. in US Dollar (USD) for purchase of raw materia from overseas supplier. However, those are not very significant considering the nature and size of the operations of the Company.

Foreign Currency Exposure
(Rs. in lacs)

Particulars	As at 31 st March, 2017		As at 31 st March, 2016		As at 1 st April, 2015
	USD	EURO	USD	EURO	USD

Net Exposure - [Receivable/(Payable)]	67,481	(4,500)	19,144	(3,590)	120,241

The company's exposure to the foreign currency risk is not significant considering the nature and size of the operations.

NOTES OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

(ii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's Long term borrowings have fixed rate of interest and carried at amortized costs and short term borrowings have variable rate of interest. The Company also has significant investments in Bonds i.e. Government securities; Debentures; Preference shares and Debt funds. These investments are subject to the Market risk - Interest rate risk.

Exposure to Interest rate risk - Financial liabilities

Particulars	As at 31 st March, 2017	As at 31 st March, 2016	As at 1 st April, 2015
Total borrowings	136.18	111.10	108.78
% of borrowings out of above bearing variable rate of interest and short term in nature	76.80%	97.71%	92.06%

Hence, the Company is not significantly exposed to the interest rate risk as working capital facility are, as per contractual terms, primarily of short term in nature.

Exposure to Interest rate risk - Financial assets - Investments in Government Bonds, Bonds, Debentures, Debt funds and Preference Shares

Market price risk for government bonds, debentures, preference shares and other bonds is movement in the interest rate and impact thereof on the yield. The Company's major part of investments is in Bonds/Debentures, which exposes Company to a price risk and consequently impact on the profitability and value of instruments.

Sensitivity

The table below summarises the impact of increase/decrease in the interest rate over the value of bonds/debentures. The analysis is based on the assumption that the Interest rate has increased by 100 bps or decrease by 100bps with all other variables held constant.

Decrease of 100 bps-Gain/(loss)	1,658.71	1,810.90

(iii) Investment Price Risk

The Company's exposure to price risk arises from investments held by the Company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss. To manage its price risk arising from its investments, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company in accordance with the guidelines provided by the Board of directors of the Company.

NOTES OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

Investments in Equity Instruments and Equity mutual funds (including investment through Private Equity funds)

The Company's quoted equity instruments are subject to the market price risk arising from the fluctuation in the market price of those instruments. This risk arises from instruments which are classified as Fair value through P&L or Fair value through OCI. The Company's investment in equity instruments mainly consists of Investments in certain of its group companies wherein the price fluctuations, based on the historical trends, are not very significant.

Sensitivity

The table below summarises the impact of Increase/decrease of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decrease by 5% with all other variables held constant and that all the Company's equity instruments moved in line with the index.

BSE Sensex - Decrease 5% -Gain/(loss)	(1,046.84)	(555.47)

(c) Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assess financial reliability of counter party, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an ongoing basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- (iv) Significant increase in credit risk on other financial instruments of same counterparty.

INDEPENDENT AUDITOR'S REPORT

To The Members of
Hindustan Composites Limited

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of "Hindustan Composites Limited" (Hereinafter referred to as "the Parent Company"), and its joint venture (the Parent Company, and its joint venture together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31st, 2017, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Parent Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position and consolidated financial performance including Other comprehensive income, consolidated cash flows statement and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Parent Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Parent Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Parent Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the consolidated state of affairs of the Group as at 31st March,

2017, and its consolidated financial performance (including other comprehensive income), consolidated statement of cash flows and consolidated statement of changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act with respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, we give in "Annexure A" a separate report on the same.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Parent Company as on March 31, 2017 taken on record by the Board of Directors of the Parent Company and the jointly controlled company incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act
 - f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group— Refer Note no. 31 to the consolidated Ind AS financial statements.

**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
CONSOLIDATED IND AS FINANCIAL STATEMENTS OF HINDUSTAN COMPOSITES LIMITED****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company for the year ended March 31st, 2017, we have audited the internal financial controls over financial reporting of Hindustan Composites Limited ("the Parent Company") and a jointly controlled.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent Company and a joint venture incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2017, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2017**
**SIGNIFICANT ACCOUNTING POLICIES AND NOTES
FORMING PART OF THE FINANCIAL STATEMENTS FOR
THE YEAR ENDED 31ST MARCH, 2017**
CORPORATE OVERVIEW:

The consolidated financial statements comprise financial statements of Hindustan Composites Limited (the Group) and its joint venture, namely Compo Advics (India) Pvt. Ltd., (collectively referred to as "the Group") for the year ended 31 March 2017. The groups share in the Joint Venture is 49%.

Hindustan Composites Limited ("the Group") is a public Group domiciled in India and is incorporated under the provision of the Companies Act applicable in India. Its shares are listed on Bombay Stock Exchange (BSE) and National Stock Exchange (NSE) of India.

The registered office of the Group is located at Peninsula Business Park, A Tower, 8th Floor, Senapati Bapat Marg, Lower Parel, Mumbai 400 013.

The Group is engaged in the business of manufacturing and marketing of fibre based friction material, consisting of Brake Liners, Roll Lining, Brake Block, Clutch Facing, Disc Brakes Pads etc and investment of its surplus fund.

SIGNIFICANT ACCOUNTING POLICIES:
a) Basis Of Preparation of Financial Statements:

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 and other related provisions of the Act. The figures for the previous year ended March 31, 2016 and opening balance sheet as on April 01, 2015 have also been reinstated by the management as per the requirements of Ind AS.

These consolidated financial statements are the first financial statements of the Group under Ind AS. Refer note 41 for an explanation of how the transition from previous GAAP to Ind AS has affected the Group's financial position, financial performance and cash flows.

The accounting policies are applied consistently to all the periods presented in the consolidated financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2015 being the date of transition to Ind AS.

The consolidated financial statements of the Group are prepared on the accrual basis of accounting and Historical cost convention except for the following material items that have been measured at fair value as required by the relevant Ind AS:

- i) Certain financial assets and liabilities are measured at Fair value (refer note no. 42 financial instruments)
- ii) Defined benefit employee plan (refer note no. 40)

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b) Uses of estimates and judgments:

The preparation of the financial statements requires the Management to make, judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Group believes to be reasonable under the existing circumstances. Actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Critical accounting judgements and key source of estimation uncertainty

The Group is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives

and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

(b) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(c) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(d) Measurement of defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis. The assumptions used in determining the net interest cost/(income) for defined benefit plans include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

c) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Group and its joint venture as at 31 March 2017.

Investment in joint venture:

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting.

Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other

comprehensive income of the associate or joint venture. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group's investment in an associate or a joint venture.

Distributions received from an associate or a joint venture reduce the carrying amount of the investment. Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transactions provides evidence of an impairment of the assets transferred.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

**d) Property, plant and equipment and Intangible assets
Property, plant and equipment**

Freehold land is carried at cost. All other items of property, plant and equipment are measured at historical cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to

the acquisition of the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Intangible assets:

Technical Know How and Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Depreciation/ amortisation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method, over the estimated useful lives of assets. Leasehold land is amortised over period of lease. Leasehold improvements are amortised over the period of lease or estimated useful lives which ever is lower.

The Group depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act, 2013 and management believe that useful lives of assets are same as those prescribed in Schedule II of the Companies Act, 2013.

The Group amortizes computer software with a useful life using the straight-line method over the period of 3 years from the date of acquisition.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

e) As a lessee

Operating Lease

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

f) Cash and Cash Equivalents:

Cash and cash equivalents comprise cash in hand and deposits which are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value and have an original maturity of three months or less, including money market deposits, commercial paper and investments. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

g) Inventories:

Inventories of Raw Materials, Work-in-Progress, Stores and spares and Finished Goods are stated 'at cost or net realisable value, whichever is lower'.

Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The excise duty in respect of closing inventory of finished goods is included as part of finished goods. Cost formula used is 'Weighted Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Group.

h) Financial Instruments

Financial assets - Initial recognition

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the statement of profit and loss.

Subsequent measurement

Financial assets are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial asset.

(i) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

(iii) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity instruments:

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Group's right to receive payments is established.

Impairment

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The impairment losses and reversals are recognised in Statement of Profit and Loss.

De-recognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Financial Liabilities

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

i) Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ✓ In the principal market for the asset or liability, or
- ✓ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest."

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ✓ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ✓ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ✓ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

j) Borrowings:

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Consolidated Statement of Profit and Loss over the period of the borrowings using the effective interest method.

k) Borrowing costs:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

l) Provisions and contingent liabilities:

Provisions for legal claims, volume discounts and returns are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. The carrying amounts of provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

m) Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duties and net of returns, trade allowances, rebates, value added taxes and amounts collected on behalf of third parties. The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.

Sale of goods -

Timing of recognition: Sales are recognised when substantial risk and rewards of ownership are transferred to customer. In case of domestic sales take place when goods are dispatched or delivery is handed over to customer's logistics. In case of export sales take place when goods are shipped on-board, based on bill of lading.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

Dividend income:

Dividend income is recognised when the Group's right to receive the payment has been established.

n) Employee Benefits:

The Group provides following post-employment plans:

- (i) Defined benefit plans such as gratuity and pension &
- (ii) Defined contribution plans such as Provident fund

a) Defined-benefit plan:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of the plan assets. The defined benefit obligations is calculated annually by actuaries using the projected unit credit method.

The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

- (a) Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements; and
- (b) Net interest expense or income

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of the plan assets. This cost is included in employee benefit expenses in the

consolidated statement of the profit & loss.

Re-measurement comprising of actuarial gains and losses arising from experience adjustment and changes in actuarial assumptions, the effect of asset, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) ceiling are recognised in the period in which they occur directly in Other comprehensive income. Re-measurement are not reclassified to profit or loss in subsequent periods.

b) Defined-contribution plan:

Under defined contribution plans, provident fund, the Group pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contributions to the employees' provident fund with the government, superannuation fund and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Group's payments to the defined contribution plans are recognised as expenses during the period in which the employees perform the services that the payment covers.

c) Other employee benefit

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date based on an actuarial valuation.

o) Foreign Currency Transaction:

The consolidated financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.

p) Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or

directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Group will pay normal income-tax during the specified period.

q) Segment Reporting:

The Group has identified its Managing Director as the Chief Operating Decision Maker. Operating segments are reported in a manner consistent with the internal reporting provided to managing director of the Group. The Managing Director evaluates the Group's performance and allocates resources as a whole.

r) Research and Development:

Research costs are expensed as incurred. Product development costs are expensed as incurred unless technical and commercial feasibility of the project is demonstrated, further economic benefits are probable, the Group has an intention and ability to complete and use or sell the product and the costs can be measured reliably.

s) Earnings Per Share:

Basic EPS is arrived at based on net profit or (loss) after taxation available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.
