ANNEXURE TO THE NOTICE

Explanatory Statement pursuant to section 102 of the Companies Act, 2013:

In respect of Item No. 4: Appointment of an Independent Director for second term:

Mr. Ramnik D. Sojitra, aged 58 years, (DIN – 350946), is non-executive independent director of the company. He is chairman of Audit committee and member of Nomination & Remuneration committee. Mr. Ramnik D. Sojitra is B.Com as well as passed intermediate examination held by The Institute of Chartered Accountant of India (ICAI). He has professional expertise in the field of finance, account and taxation.

Mr. Ramnik D. Sojitra was appointed as an Independent director under the provisions of Companies Act, 2013 with effect from 1st April, 2014 for a term up to five consecutive years on the Board of a Company. The said term of Appointment ceases with effect from 31st March, 2019. The Act, by way of an explanation to sub-sections (10) and (11) of section 149, clearly states that any tenure of an independent director as on the date of commencement of the Act (Commencement date of the act was 1st April, 2014) shall not be counted as term under the abovementioned sub-sections. He shall, therefore, be eligible for Re-appointment of second tenure by passing of a Special Resolution by the Company. Pursuant to provision of section 149(13) of the Companies Act, 2013, the provisions of sub sections (6) and (7) of section 152 in respect of Retirement of Directors by Rotation shall not be applicable to Independent Directors. In terms of section 149, 150 and 152 and other applicable provisions of the Companies Act, 2013, Mr. Ramnik D. Sojitra (DIN: 350946), who has submitted a declaration that he meets the criteria for independence as provided in Section 149(6) of the Act, being eligible for appointment. He is hereby re appointed as an Independent Director of the Company to hold office on conclusion of initial appointment as an Independent Director with effect from. 1st April, 2019 till the conclusion of 29th Annual General Meeting of the Company to be held in the year 2023.

In the opinion of the Board, Mr. Ramnik D. Sojitra fulfils the conditions specified in the Companies Act, 2013 and rules made there under, SEBI (LODR), 2015 and other Laws as may be applicable to the Company for his re-appointment as an Independent Director of the Company and is independent of the management. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Ramnik D. Sojitra as an Independent Director.

Accordingly, the Board recommends the resolution in relation to re-appointment of Mr. Ramnik D. Sojitra as an Independent Director, for the approval by the shareholders of the Company.

Except Mr. Ramnik D. Sojitra, none other Directors and their relatives are in any way concerned or interested in the said resolution.

In respect of Item No. 5: Appointment of an Independent Director for second term:

In respect of item no. 6: Loans to Directors/Interested Parties

The Companies (Amendment) Bill, 2017 has been passed by Rajya Sabha on December 19, 2017 and by Lok Sabha on July 27, 2017, which came into force on getting the President's assent on the 3rd January, 2018. Section 185 of the Companies Act, 2013 as amended by The Companies (Amendment) Bill, 2017 was made effective vide notification dated 7th May, 2018.

The amendments under the Companies (Amendment) Act, 2017, are broadly aimed at:

- addressing difficulties in implementation owing to stringent compliance requirements;
- facilitating ease of doing business in order to promote growth with employment;
- harmonization with accounting standards, the Securities and Exchange Board of India Act, 1992 and the regulations made there under, and the Reserve Bank of India Act, 1934 and the regulations made there under;
- rectifying omissions and inconsistencies in the Act

The various provisions of The Companies (Amendment) Act, 2017 had been made effective from 26th January, 2018 and 9th February, 2018 by way of Notifications issued by the Central Government on 23rd January, 2018 and 9th February, 2018 respectively.

The provisions of section 185 of the Companies Act, 2013 regarding Loans to Directors, etc as amended by The Companies (Amendment) Act, 2017 are not yet made effective by commencement Notification. The Special Resolution is proposed by the Board of Directors to be made effective from the date as may be notified by the Commencement notification as issued by Central Government.

Granting of loan, guarantee or security (referred as assistance) under amended act are categorized as prohibited, conditional and exempted pursuant to sub section (1),(2) and (3) of section 185 of the said act respectively. The prohibition is proposed to be made applicable for assistance to director or his partner or relative or a firm in which such director or relative is a partner or to holding company of the company. The conditional assistance is possible to any person in whom the director is interested (other than prohibited categories) that is explained by way of explanation to section 185(2) of the said act subject to passing a special resolution in compliance with proviso to section 185(2)(a) of the said act. In order to conduct business and align with various legislations, policies, guidelines laid down by various statutory authorities the company in the ordinary course of business is required to advance loan to its directors, relatives and associates directly or indirectly as per section 185 of Companies Act, 2013 which requires approval of members by a Special Resolution. The Board of Directors Recommend the Special Resolution for approval by the members. All the Directors are concerned or interested in the aforesaid resolution.

In respect of Item No. 7: Related Party Transactions:

The Provision of Section 188(1) of the Companies Act, 2013 that govern Related Party Transactions require a company to obtain prior approval of the Board of Directors and where the value of transactions entered or to be entered into exceeds the threshold limits as mentioned in the said section, prior approval of Shareholders by way of Resolution is required.

Further third proviso of Section 188(1) provides that nothing in this sub-section shall apply to any transactions entered into by the company in its ordinary course of business other than transactions which are not on an arm's length basis.

The provisions of Section 188(3) also provide that any contract or arrangement entered into u/s 188(1) may be ratified by the Board or as the case may be, by the shareholders at a meeting within three months from the date on which such contract or arrangement was entered into. Non ratification of such transactions, if any shall make such transactions voidable at the option of the board.

The resolution at item number-7 is proposed to the shareholders authorising the board of directors to enter into related party transactions exceeding the limits as prescribed under the provisions of section 188 and other applicable provisions of the Companies Act, 2013 read with rules thereto and under the listing requirements and any other laws as may be applicable to the company for the financial year 2018-19 and thereafter.

All the prescribed disclosure as required to be given under the provisions of the Companies Act, 2013 and the Companies (Meetings of Board and its Powers) Rules, 2014 are given here in below in tabular format for kind perusal of members:

Members are hereby informed that pursuant to second proviso to Section 188(1) of the Companies Act, 2013 as well as under SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015, as amended and applicable to the company from time to time, no members of the Company shall vote on such resolution, to approve any contract or arrangements which may be entered into by the Company, if such member is related party.

All of the Directors, Promoters, Key Managerial Personnel and their relatives as mentioned above are deemed to be concerned or interested or otherwise in the proposed resolution to the extent of their shareholding and interest mentioned herein above, in the Company.

In respect of Item No. 8: Borrowing Limits of the Company.

Under the provisions of Section 180 (1)(a),(c),(d) of the Companies Act, 2013, the Board of Directors of a Company could, with the consent of the shareholders obtained by a Special Resolution, borrow moneys, apart from temporary loans obtained from the Company's Bankers in the ordinary course of business, in excess of the aggregate of paid-up capital, free reserves of the Company, that is to say, reserves not set apart for any specific purpose and Securities Premium and the above powers can be exercised by the Board only with the consent of the shareholders obtained by a Special Resolution.

Under the provisions of Section 180 (1)(a) of the Companies Act, 2013, the Board of Directors of a Company could, with the consent of the shareholders obtained by a Special Resolution, create charge/mortgage/hypothecation on the Company's assets, both present and future, in favor of the lenders/trustees for the holders of debentures/bonds, to secure the repayment of moneys borrowed by the Company (including temporary loans obtained from the Company's Bankers in the ordinary course of business). As such, it is necessary to obtain approval of the shareholders by means of a Special Resolution, to enable the Board of Directors of the Company to create charge/mortgage/hypothecation on the Company's assets, both present and future, in favor of the lenders/trustees for the holders of debentures/bonds, to secure the repayment of moneys borrowed by the Company (including temporary loans obtained from the Company's Bankers in the ordinary course of business). As the documents to be executed between the Company and the lenders/trustees for the holders of debentures/bonds may contain the power to take over the management of the Company in certain events, it is necessary to obtain Members approval under Section 180 (1)(a) of the Companies Act, 2013, by way of a Special Resolution.

The Board recommends the Resolution at Item No.8 of the Notice for approval of the shareholders by a Special Resolution.

None of the Directors and key managerial personnel of the Company except transactions with associates, interested parties or their respective relatives are concerned or interested in the Resolution mentioned at Item No.6 of the Notice.

In respect of Item No. 9: Private Placement of Non-Convertible Debenture (NCD):

As per the provisions of Section 71, read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014, a Company offering or making an invitation to subscribe to Non-Convertible Debentures ("NCDs") on a private placement basis, is required to obtain the prior approval of the Members by way of a Special Resolution, which can be obtained once a year for all the offers and invitations for such NCDs during the year. The approval of the members is being sought by way of a Special Resolution under Section 71 and other applicable provisions, if any, of the Act read with the Rules made there under, to enable the Company to offer or invite subscriptions for NCDs on a private placement basis, in one or more tranches, whether secured or unsecured during the period of one year from the date of passing of the Resolution, up to an amount not exceeding overall borrowing limits of the Company, as approved by the Members from time to time, with authority to the Board to determine the terms and conditions, including the issue price of the NCDs.

None of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested in the said resolution except transaction with associates, interested Directors and their relatives. The Board of Directors recommends the Special Resolutions for the approval of the Members of the Company.

In respect of Item No. 10: Advance Loans, Provide Guarantee/Security And Make Investment In Excess Of The Prescribed Limit:

As on date the Company deals in the core business of making investments and Advisory, therefore the need arises to make investments which may exceed the prescribed limit u/s 186 of Companies Act, 2013 including the limits in accordance with amended section 186 of the Companies (Amendment) Act, 2017 which may be made effective by way of Notification by Central Government. Since the Company wants to utilize its full potential of growth and development by investing its funds in excess of prescribed limit specified in section 186 of the Act, approval of the shareholders of the Company is required by way of Special Resolution to give loans, provide guarantee/security and/or invest in the Shares/Debentures/Bonds of other Body Corporate which shall exceed the limits prescribed under specified section.

The Board of Directors Recommend the Special Resolution for approval by the members.

None of the Directors except Mrs. Bhavna D. Mehta and Chirag D. Mehta are concerned or interested in this Resolution.

In respect of Item No.11: Contribution to Bona Fide and Charitable Funds

Pursuant to the provisions of Section 181 of the Companies Act, 2013, the Board of Directors of the Company, may contribute to Bona fide Charitable and other funds provided that prior permission of the Company in a general meeting shall be required for such contribution in case any amount the aggregate of which, in any financial year, exceeds five per cent of its average net profits for the three immediately preceding financial years.

This resolution is proposed before the general meeting to authorize the Board of Directors to contribute to Bona fide charitable and other funds in excess of the 5% of its average net profits for the three immediately preceding financial years or such other percentage as may be prescribed from time to time under the law for the time being in force.

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2018

*[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,
The Members,
Mehta Securities Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mehta Securities Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, registers, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March, 2018** complied with the statutory provisions listed hereunder *except deviations as mentioned below* and also that the Company has Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, registers, forms and returns filed and other records maintained by **Mehta Securities Limited** for the financial year ended on **31st March, 2018** according to the provisions of:

- i. The Companies Act, 2013(the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The Following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.:-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers)Regulations, 2011;

“The Management has informed that as the Company’s size as well as operations are very small, therefore there is organizationally and functionally no need to appoint Company secretary and CFO but to comply the provision of the Companies Act, the company is in process of employing whole time Company Secretary and CFO as KMP in the Company. However, currently these functions are taken care of by professional directors who are Chartered Accountants and Company Secretaries. The Company has employed qualified company secretary as its staff and has appointed internal auditor. The Company has also appointed a Practicing Company Secretary as Secretarial Auditor to look after the regulatory compliances of the Company And Company is regular in all the Compliances till date.”
- *The Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement), Regulation, 2015:*
 - *It has been noted a deviation in complying with the Regulation 47 of the said Regulation;*

“The Company gives prior intimation to stock exchange about the meeting of the board of directors in which financial results viz. quarterly, half yearly, or annual is to be considered in Compliance with Listing Requirements.”

“The Company also discloses the outcome of the meeting of the Board of Directors held to consider the Financial Results to the Stock Exchange in Compliance with Listing Requirements.”

“Looking to the size and operations of the company, the above compliances take care of sufficient disclosure to Investors of the company.”

We further report that:

The Board of Directors of the Company is constituted with Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

As explained by the Company notices are given to all directors to schedule the Board Meetings, agenda and detailed notes on agendas were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority of the decisions at the Board Meetings and Committee meetings are carried out unanimously as recorded in the minutes of the respective meetings.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This report is to be read with our letter of even date which is annexed as **Annexure A** and forms an integral part of this report.

MANAGEMENT DISCUSSION AND ANALYSIS

To,
The Members,

• **ECONOMIC REVIEW:**

Over the past two fiscal years, the Indian stock market has soared, outperforming many other major markets. Over the coming year, the government will need to ensure that the process of resolving the major indebted cases and recapitalizing the public sector banks is carried to a successful conclusion. The Market had come off from record high in January 2018 due to several factors such as rise in US Bond yields, Political uncertainty, escalating geopolitical tensions, rising crude oil prices and scams in the Banking sectors. Few of these concerns still persist and would continue to weigh on the Market. Besides, a weak march quarter earnings outlook for the Banking sector and a drop in Equity Mutual fund inflows are other woes. Equity market may be expected to remain range bound and the stocks with fundamental traits are likely to outperform.

Concerns over geopolitical tensions and ongoing trade spat between China and US may adversely affect dollar but hawkish sounding Federal Reserve policy on US interest rates shall negate the fall. US Economy is believed to continue to firm and inflation will touch expected target in coming months. The said global situation shall have significant positive impact on Indian Capital Market.

A series of major reforms undertaken in India over the past year will allow real GDP growth to reach 6.75 percent this fiscal and will rise to 7.0 to 7.5 percent in 2018-19, thereby re-instating India as the world's fastest-growing major economy. The reform measures undertaken in 2017-18 can be strengthened further in 2018-19.

• **INDUSTRY STRUCTURE AND DEVELOPMENT:**

The development of Indian security markets began with launch of Bombay Stock Exchange (BSE), Mumbai in July 1875 and Ahmedabad Stock exchange in 1894 and 22 other exchange in various cities over the years.

The year 2017-18 witnessed the highest ever fund raising by public shares sales. The fund raising from the primary market this year is expected to see a drop due to market volatility and political uncertainty. Globally things are very volatile. Interest rates are going up in US. The flattening of the yield curve is signaling a recession two years from now. The trigger for recession could be anything. There is US-China trade war or the possibility of war between US and Russia.

The Indian currency is weakening steadily and the outlook isn't rosy. The rupee has lost nearly 3% of its value since start of 2018 and it is second biggest loser in the BRICS Group: Brazil, Russia, India, China, and South Africa. The Russian ruble is the only currency that has lost more value than the rupee in 2018 so far. The fall in Indian rupee can be attributed to higher crude oil prices, widening the trade deficit and higher capital out flows. The vicious circle of the dollar deficit and weakening rupee can be offset if other

sections of the economy earn additional dollars. For instance, the capital market. Unfortunately, foreign investment in Indian equities and bonds has slowed down too. However, the Reserve Bank of India (RBI) can utilize its dollar reserves to support the rupee in order to take care of situation.

- **OPPORTUNITIES AND THREATS:**

The recovery proceedings against past dues of the company are in progress. There is huge delay in recovering the dues from them due to slow and pro-defendant legal system. However the company has implemented the action plan for speedy recovery of dues from its defaulters. The company does not have powers like Bank under various legislations. The Indian financial markets are stable and the company is sure to get benefits of the overall economic growth environment. The company is exploiting opportunities in the capital market and investment banking. The present government is also supportive of business growth and for the purpose amended many Acts and introduced new laws like The Insolvency and Bankruptcy Code, 2016, amendments in Companies Act, 2013, Income Tax Act, 1961, making effective Goods and Service Tax for making the business easy in India. On the whole foreign investors are very positive on India and its policies. Ease of doing business, however, still needs to improve. Some of reforms have been initiated which shall continue irrespective of Government in power. And thereby attract foreign investment, relaxing FDI in many sectors and other steps to grow the economy by the government creates optimistic business environment. It shall also be helpful to your Company for resolving its pending issues related to past dues from various business transactions carried out.

- **SEGMENT WISE PERFORMANCE:**

The company operated in two major segments of consulting and investments. The capital raising activity is rising as the market is under recovery stage of business cycle. The new measures adopted by government in power are positive to the growth of capital market. The capital market has already gained momentum and it will definitely improve the performance of company under its two major segment i.e. consulting and investment. The World Bank had forecast a growth rate of 7.3% for India this year and 7.5% for 2019-20 and noted that country's economy has recovered from the effect of demonetization and Goods and Service Tax (GST). India is a large market with vast infrastructural gaps that needs to be plugged in its quest for next phase of industrial growth.

- **OUTLOOK:**

The Indian economy is growing strongly and remains a bright spot in the global landscape. India's overall outlook remains positive, although growth was slow temporarily as a result of disruptions to consumption and business activity from the recent withdrawal of high-denomination banknotes from circulation. The country's economy has recovered from effect of demonetization and GST. The nation's expansion will pick up as economic reforms accelerate. The government has made significant progress on important economic reforms, which will support strong and sustainable growth going forward. Therefore, the company is optimistic about the recovery of Indian economy and the capital market. India is relatively less impacted from global protectionist measures as domestic consumption is around 65% of GDP.

- **RISKS AND CONCERNS:**

The capital market industry is mainly dependent on economic growth of country and capital market is also further affected by number of issues arising out of International policies of foreign government as well any change in international business environment. The industrial growth is very sensitive which is dependent on many factors which may be social, financial, economical or political and also natural climatic conditions in the country. However, with the positive attitude of country which can mitigate the avoidable risks. Geopolitical tensions, raising crude oil prices, rising US bond yields, scams in the banking sector are some of the affecting factors that the country witnessed during the year under review. The country faced the said concerns with positive measures by way of making amendments or introducing new laws that can assist to grow the economy. Foreign investors are very positive for India and trust its policies which are very much investor friendly. It is expected that the said efforts shall continue during the coming years irrespective of the Government which is in power.

- **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The company has implemented proper system for safeguarding the operations/business of the company, through which the assets are verified and frauds, errors are reduced and accounts, information connected to it are maintained such, so as to timely completion of the statements.

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information. The company has internal audit and verification at regular intervals.

The requirement of having internal auditor compulsory by statute in case of listed and other classes of companies as prescribed shall further strengthen the internal control measures of company.

- **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The financial performance of the Company for the financial year 2017-18 is described in the Directors' Report under the head "Financial Performance".

- **MATERIAL DEVELOPMENTS IN HUMAN RESOURCES:**

The cordial employer- employee relationship also continued during the year under the review. The company has continued to give special attention to human resources.

- **CAUTIONARY STATEMENT:**

Statement in this management discussion and analysis report, describing the company's objectives, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws or regulations. Actual results may differ materially from those either expressed or implied. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.

- **DISCLOSURE OF ACCOUNTING TREATMENT**

In preparation of financial statements, a treatment as prescribed in an Indian accounting standard has been followed.

**To,
The members of
Mehta Securities limited**

We have examined all the relevant records of **Mehta Securities limited** for the purpose of certifying compliance of the conditions of the Corporate Governance under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR)

The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015(LODR) came into effect with effect from December 01, 2015 replacing the earlier Listing Agreement which was applicable to the Company.

The said Listing Regulations has provided exemption under regulation 15(2)(a) from applicability of Corporate Governance provisions as specified in regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clause (b) to (i) of sub-regulation (2) of regulation 46 and para C,D and E of Schedule V in respect of listed entities having paid-up Equity share Capital not exceeding rupees ten crores and net worth not exceeding rupees twenty five crores as on the last day of the previous financial year.

The Company falls under the exemption criteria as laid down under Regulation 15(2) (a) and therefore, not required mandatorily to comply with the said regulations.

We are, therefore, not required to give compliance certificate in requirement with Part E of schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding compliance of conditions of corporate governance.

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of certification.

The compliance of conditions of corporate governance is the responsibility of the Management. Our examination was limited to the procedure and implementation process adopted by the Company for ensuring the compliance of the conditions of the corporate governance.

This certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

In our opinion and to the best of our information and according to the explanations and information furnished to us, we certify that the Company has complied with all the mandatory conditions of Corporate Governance as stipulated in the said Listing Agreement

We have audited the accompanying Ind AS financial statements of MEHTA SECURITIES LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act., read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements.

- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company

Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 prepared in accordance with Ind AS, included in these Ind AS financial statements, have been audited by the predecessor auditor who had audited the financial statements for the relevant periods. The report of the predecessor auditor on the comparative financial information and the opening balance sheet dated April 1, 2016 expressed an unmodified opinion.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Mehta Securities Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Mehta Securities Limited (“the Company”) as of **March 31, 2018** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

NOTES FORMING PART OF THE ACCOUNTS

SIGNIFICANT ACCOUNTING POLICIES:

1. Corporate information:

The company is incorporated under the Indian Companies Act, 1956/2013, having its registered office situated at 002, Law Garden Apartment, Scheme-I, Opp. Law Garden, Ellisbridge, Ahmedabad-380006. The company is a member of the Cash & FO segment of the NSE and is investing its surplus funds for long term gains. The company invests in equity market and other markets to optimize return on funds. The Company's equity share is listed on the Bombay Stock Exchange

The financial statements are approved for issue by the Company's Board of Directors on May 30, 2018.

2. Statement of compliance:

The standalone financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

Up to the year ended March 31, 2017, the Company prepared its standalone financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with rules there under ('Indian GAAP' or 'previous GAAP'). These are the Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. These standalone financial statements comprising of Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows as at March 31, 2018 have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Previous period numbers in the standalone financial statements have been restated to Ind AS. Refer Note for the details of first-time adoption exemptions availed by the Company.

Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires changes in the accounting policy there to in use.

3. Basis of preparation and presentation of standalone financial statements:

The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below:

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics in to account when pricing the asset or liability at them measurement date. Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

4. The principal accounting policies are set out below:

a. Use of estimates:

The preparation of these standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the standalone financial statements and the reported amount so far come and expense for the periods presented. The estimates and assumptions used in the accompanying standalone financial statements are based upon management's evaluation of relevant facts and circumstances as at the date of the financial statements. Actual results could differ from estimates.

Estimates and underlying assumptions are reviewed on an on going basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment and provisions and contingent liabilities.

Critical accounting judgments and key sources of estimation uncertainty

(i) Impairment of Non-financial assets

Impairment exists when the carrying value of assets exceeds its recoverable amount, which is higher of its fair value less cost of disposal and its value in use. The value in use is determined based upon discounted cash flow model which is derived from the budget determined by the Company. There coverable amount is sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash inflows and the growth rate used.

(ii) Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event and it is probable than an out flow of resources will be required to settle the obligation, in respect of which there liable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. A contingent asset is neither recognized nor disclosed in the financial statements.

(iii) Other estimates:

The preparation of standalone financial statements involves estimates, classification and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of standalone financial statements and there ported amount of revenues and expenses for there porting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit- worthiness and current conomic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

b. Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

Sale of Goods

Revenue from the sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
 - the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
 - the amount of revenue can be measured reliably;
 - it is probable that the economic benefits associated with the transaction will flow to the Company ;and
 - the costs incurred or to be incurred in respect of the transaction can be measured reliably.
- Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is accounted for when the right to receive it is established.

Insurance claims are accounted at the time when there is a certainty with regard to the receipt of claim.

c. Tangible Fixed Assets:

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the Written down Value Method (WDV). The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is

recognized in profit or loss.

d. Depreciation on tangible fixed assets:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on plant and machineries is provided using the Written Down Value Method (WDV) and for tangible assets other than plant and machineries is provided using the Company's equity share is listed on the Bombay Stock Exchange over the useful lives of the assets mentioned under Companies Act, 2013.

e. Impairment of tangible assets:

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest Company of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss.

f. Non-current assets held for sale

Non-current assets and disposal Group of assets are classified as held for sale if the in carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal group) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

g. Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

h. Inventories:

Inventories are stated at the lower of cost and net realizable value. Cost is determined on actual cost determined on First-In-First-Out (FIFO) basis. Net realizable value represents the estimated selling price for inventories less all costs necessary to make the sale.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

i. Financial instruments:

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

The company classifies its financial assets as per Ind AS 109 those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those to be measured at amortised cost. The company has made an irrevocable election not to present the other comprehensive income and subsequent changes in the fair value of equity instruments not held for trading.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable of financial assets and liabilities at fair value through profit or loss are immediately recognised profit or loss.

Financial assets at amortised cost

Financial assets subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and contractual terms of the financial assets give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Impairment of financial assets

The Company assesses at each of Balance Sheet date whether a financial assets or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company recognises lifetime expected credit losses for all contracts and/or all trade receivables that does not constitute financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

De recognition of financial assets

The Company de recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor

retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises collateral is borrowing for the proceeds received.

On de recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

On de recognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received, net of direct issue costs.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debt or fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by a Company entity are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 18.

De recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability de recognized and the consideration paid and payable is recognized in profit or loss.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset there cognized amounts and there is an intention to settle on a net basis or real is the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

j. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, others short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

k. Foreign currency:

The functional currency of the Company is Indian rupee (INR).

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss.

l. Retirement and other employee benefits:

(i) Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance sheet date. Actuarial gains and losses are recognised in full in the other comprehensive income for the period in which they occur. Past service cost both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

(ii) Defined contribution plans

Contribution to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

(iii) Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the

Balance sheet date.

m. Income Taxes:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

n. Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

o. Provisions and contingencies:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

p. Earnings per equity share:

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the standalone financial statements by the Board of Directors.

q. Operating Cycle:

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and the irrealisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Note 19 - Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

The Company's financial risk management policy is set by the management. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company manages market risk which evaluates and exercises independent control over the entire process of market risk management. The activities include investment in mutual fund (debt and equity), Equity Shares, Debentures, Alternative Investments plans, Real Estate Exposure through non-convertible debentures/as capital contributions in subsidiaries and other strategies investments. The market value and future yield on debt fund will fluctuate because of changes in bank rate, RBI Policy and market interest rates while market value of the equity instruments changes on account of performance of various industries/ investee in which the Company has made an investments. In order to optimize the Company's position with regards to appreciation in value of mutual fund and to manage the interest rate risk, it performs a comprehensive corporate interest rate risk management by balancing the proportion of floating rate and accruals financial instruments in its total portfolio.

a. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investments, inter-corporate deposits and financial guarantees. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counter party credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

(i) Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. An impairment analysis is performed at each reporting date on an individual basis. The Company does not hold collateral as security for outstanding trade receivables. The history of trade receivables shows an eligible provision for bad and doubtful debts.

(ii) Investments and other financial assets

The Company limits its exposure to credit risk by generally investing in liquid securities, equity shares, mutual funds and other investments and only with counter parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors. For derivative and financial instruments, the Company attempts to

limit the credit risk by only dealing with reputable banks and financial institutions having high credit-ratings assigned. The Company does not expect any material credit risk on account of non-performance by counter parties to whom the financial assets receivables.

(iii) Financial assets that are past due but not impaired

Credit risk from balances with banks and financial institutions is managed by the management in such a manner that it is exposed to the lowest possible risk. None of the Company's cash equivalents, including term deposits (i.e., certificates of deposit) with banks, were past due or impaired as at March 31, 2018.

b. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company invests its surplus funds in various marketable securities to ensure that the sufficient liquidity is available. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Company also has access to a sufficient variety of sources of funding with the banks. Considering surplus funds invested in liquid investments, the Company does not perceive any liquidity risk.

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities.

Note : 20 First-time adoption of Ind AS – mandatory exceptions, optional exemptions:

These financial statements for the year ended March 31, 2018, are the Company's first Ind AS financial statements which has been prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with relevant rules of the Companies (Accounts) Rules, 2014 (Indian GAAP or IGAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2016 (the transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognized assets and liabilities.

Anex planation of how the transition from Previous GAAP to Ind AS has affected the Company's Balance sheet, Statement of Profit and Loss, is set out here-in-after.

(i) Employee Benefits:

Under the previous GAAP, actuarial gains and losses on defined benefit liabilities were recognized in the statement of profit and loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability which is recognized in other comprehensive income.

(ii) Deferred Tax:

The impact of transition adjustments for computation of deferred tax has resulted in change to the Reserves, on the date of transition, with consequential impact to the Statement of Profit and Loss/Other Comprehensive Income for the subsequent periods. Unused Tax Credit is being reclassified as Deferred Tax which was considered as Loans and Advances.

This is to inform you that the company is in process of updation of records of the shareholders in order to reduce the physical documentation as far as possible.

With new BSE listing agreement, it is mandatory for all the investors including transferors to complete their KYC information. Hence, we have to update your PAN No., phone no. and e-mail id in our records. We would also like to update your current signature records in our system.

To achieve this we solicit your co-operation in providing the following details to us:

1. If you are holding the shares in dematerialized form you may update all your records with your Depository Participant (DP).
2. If you are holding shares in physical form, you may provide the following :

Folio No. :

Pan No. :

E-mail ID :

Telephone No:

Name and Signatures:
