NOTES FORMING PART OF BALANCE SHEET AND PROFIT & LOSS ACCOUNT AND FOR THE YEAR ENDED 31ST MARCH, 2011

8. SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

I. SIGNIFICANT ACCOUNTING POLICIES

a) System of Accounting:

- i) The books of accounts are maintained on mercantile basis except where otherwise stated.
- ii) The financial statements are prepared under the historical cost convention in accordance with the applicable Accounting Standards issued by the Institute of Chartered Accountants of India and as per the relevant representational requirements of the Companies Act, 1956.
- iii) Accounting policies not specifically referred to are consistent with generally accepted accounting practices, except where otherwise stated.

b) Revenue Recognition:

- i) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can reliably measured.
- ii) Interest income is recognized on time proportion basis.
- iii) Dividend income is recognized on receipt.
- iv) Profit / Loss on sale of investments is accounted on the trade dates.

c) Valuation of Investment:

Investments are classified into long term investments and current investments. Long term investments are stated at cost and provision wherever required, made to recognize any decline, other than temporary, in the value of such investments. Current investments are carried at lower of cost and fair value and provision wherever required, made to recognize any decline in carrying value.

d) Valuation of Fixed Assets:

Fixed Assets are stated in books at historical cost inclusive of all incidental expenses. Cost comprises the purchase price and any attributable cost of bringing the assets to working condition for its intended use.

e) Depreciation:

Depreciation on assets has been charged on written down value method at the rates specified in schedule XIV of the Companies Act, 1956.

f) Retirement Benefits:

- i) Leave encashment benefits are charged to Profit & Loss Account in each year on the basis of actual payment made to employee. There are no rules for carried forward leave.
- ii) No provision has been made for the retirement benefits payable to the employees since no employee has yet put in the qualifying period of service & the liability for the same will be provided when it becomes due.

g) Inventories

Inventories are valued at cost (using FIFO method) or net releasable value, whichever is lower.

h) Impairment of Assets:

The carrying amounts of assets are reviewed at the balance sheet date to determine whether there are any indications of impairment. If the carrying amount of the fixed assets exceeds the recoverable amount at the reporting, the carrying amount is reduced to the recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use, the value in use determined by the present value estimated future cash flows. Here carrying amounts of fixed

assets are equal to recoverable amounts.

I) EARNING PER SHARE

- a) Earning per share is calculated by dividing the net profit or loss for the period attributable to equity share holders by the weighted average number of equity shares outstanding during the period.
- b) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all diluted potential equity shares.

j) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made. Contingent liability is disclosed for:

- Possible obligations which will be confirmed by future events not wholly within the control of the company, or
- ii) Present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation can not be made.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

k) Accounting for Taxes on Income

- i) Current tax is determined as the amount of tax payable in respect of taxable income for the year.
- **ii)** Deferred Tax is recognized subject to the consideration of prudence on timing difference, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods and measured using relevant enacted tax rates.

II. NOTES TO ACCOUNTS

1. Contingent Liability:

	a) Unpaid liability on partly paid up shares-	NIL	Previous Year (Nil)
