MANAGEMENT DISCUSSION AND ANALYSIS

1. BUSINESS OVERVIEW & TRENDS

The micro trend continues to be good, even as rising oil prices and global trade pressures exert their influence on the Indian economy. Coupled with elections being due next year, this year doesn't hold the promise of the Indian Capital Markets having a runaway rally, while the continuing reforms continue to protect the downside. Even as we remain cautious on the economy, we continue to believe in the long term strength of the Indian Capital Markets.

2. NATURE OF INDUSTRY

Volatility is inherent in the financial services industry, but the high volatility also holds the promise of high returns. Despite the ups and downs, the last year has been good. Given the influence of various external factors, the volatility will be even more pronounced next year. Notwithstanding the risks, the long term holds great promise.

3. BUSINESS PERFORMANCE

Aided by the strong surge in capital markets, the company significantly improved on its performance of last year. We continue to be optimistic about our future prospects.

4. RISK FACTORS

We face risk factors at two levels. The first is the depreciation of the value of our investments, which could lead to losses. The second is the challenges from our borrowers, who may be extremely well-intentioned, but may still face short term headwinds in payment of interest and repayment of loans.

5. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

We believe that our internal control systems are adequate for the scale of our operations. Excessive controls lead to stifling of work, while inadequate controls lead to mismanagement at all levels. We believe we are fairly balanced on that front.

6. LIMITATIONS OF FINANCIAL STATEMENTS

Numbers merely reflect one part of the work undertaken by any company. The bigger work is in the quality of the people and the quality of the investment. These tend to play out only over a longer period of time. While we present our Balance Sheet for the year gone by, it is important to keep in mind the progress made by the company over the years, which has brought it to its current level. This is what is most important when trying to understand its future prospects.

7. FUTURE OUTLOOK

We continue to maintain and believe that the future of this country remains extremely bright, particularly under the dynamic leadership we see at the Centre. The changes being effected during the past four years will have a profound impact on the running of our country over the years and make it a much more attractive destination for all types of people.

8. SEGMENT WISE PERFORMANCE

Your Company has only single segment i.e. Investment. Revenue and expenses have been identified on the basis of accounting standard and guidance note issued by Institute of Chartered Accountant of India.

9. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

We continue to maintain cordial relations with all our employees and have not had any problems with them.

10. CAUTIONARY STATEMENT

Financial markets implicitly mean great volatility, and while we expect to do well in the long run, it is important to note that in the short term we may see significant upheavals.

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities includes the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors. The adequacy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

3. Our responsibility is to express opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. These standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. - 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial control over financial reporting, including the possibility of conclusion or improper management overrides of controls, material misstatements due to fraud or error may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company is in the process of defining internal control procedure and operational system hence we are not in a position to comment on adequacy on internal financial controls system over financial reporting as at 31st March, 2018.
