Management Discussion and Analysis Report:

(A) Industry Structure :

The Company does not have any aluminium manufacturing operations as the production is closed since July 2013. The Company had obtained the shareholders' approval for sale of substantially the whole of assets by passing a special resolution through postal ballot on 17th March, 2016 as per the provisions of Section 180(1)(a) read with Section 110 and other applicable provisions, if any, of the Companies Act, 2013. Thereafter, the Company entered into an Asset Purchase Agreement (APA) with Sagar Asia Private Limited for the sale of Land & Building and other substantially whole of assets lying in the factory at Survey No. 379 to 382, Kallakal Village, ToopranMandal, Medak District, Telangana – 502336. Due to this event which has occurred after the balance sheet date, the Company ceases to have going concern assumption and, therefore, all assets and liabilities of the Company have been revalued at Net Realisable Value on 31st March, 2016. Depending on the future business plans of the company, the structure will be analysed. Currently, it does not apply.

(B) Risk, Concerns, Opportunities and Threats

Same as above, and company is re-evaluating its business options.

(C) Internal Control Systems and Their Adequacy

The Company has internal control system commensurate with its size and nature of business to ensure that all assets are safeguarded and protected against unauthorised use and that all transactions are authorised, recorded and correctly reported. The audit observations and corrective action taken thereon are periodically reviewed by the independent audit committee to ensure effectiveness of the internal control system.

(D) Financial and operational results

As the Alumeco Group, Denmark took a commercial decision to stop extending the facility

of supplying raw material on credit to the Company, as was being done in the past. This decision, coupled with the accumulated losses in the company and the prevailing adverse business conditions further strained the financial position of the Company. The Company had stopped production in July 2013.

(E) Human Resource/Industrial Relations:

As the production of the Company is discontinued with effect from July, 2013 there are no workmen. A closure application was filed before the Government of Andhra Pradesh for removal of workmen which got rejected and the Company has gone in appeal against it before the Hon'ble High Court of Andhra Pradesh. During the year, the Company has settled all the pending issues with the workmen by entering into mutual agreements with them. The Company has also paid all the amounts payable to workmen and, as on date of signing this report, there are no pending issues with any workmen nor are any dues payable to any workmen. Accordingly, the Company is in the process of filing an application before Hon'ble High Court of Andhra Pradesh for withdrawal of case filed by it in connection with closure of unit.

(F) Outlook :

The Board of Directors and the Management of the Company are pursuing various available options to rehabilitate the Company and considering future business plans for the Company.

(G) Cautionary Statement :

The statements in this section describe the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other incidental factors.

INDEPENDENT AUDITORS' REPORT

To

The Members of

Golkonda Aluminium Extrusions Limited
(Formerly known as Alumeco India Extrusion Limited)

We have audited the accompanying financial statements of **Golkonda Aluminium Extrusions Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on

Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2016 ;
- (b) in the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and

Annexure A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2016, we report that :

- (i) a. The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed assets.
- b. All the assets have not been physically verified by the Management during the year but there is a phased programme of verification, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. However since the production is closed since July 2013 and it is unlikely to do the physical verification on a regular interval. Further company has entered into an agreement for sale substantially whole of its assets.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of

section 185 and 186 of the Act, with respect to the loans and investments made.

- (v) In our opinion and according to the information and explanations given to us, the company has not accepted any deposits from the public within the meaning of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- (vi) According to the information and explanation given by the company, the Central government has not specified maintenance of cost records under sub-section (1) of section 148 of Companies act 2013. Further production is closed since July 2013. Therefore clause (vi) of Paragraph 3 of the order is not applicable
- (vii) a. According to the information and explanations given to us and the records of the company examined by us, the company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income tax, Sales tax, Wealth tax, Service tax, Customs duty, Excise duty, Value added tax, Cess and any other statutory dues applicable to it as on 31 March 2016.
- According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, duty of customs, service tax, cess and other material statutory dues were in arrears as at 31 March 2016 for a period of more than six months from the date they became payable.
- b. According to the information and explanations given to us, there are no dues of Income tax, Sales tax, Wealth Tax, Service tax, Customs duty, Excise duty, Value added tax and Cess which have not been deposited with the appropriate authorities on account of any dispute except as under:

Nature of Statute	Nature of Dues	Period	As at 31.03.2016	Forum where dispute is pending

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Golkonda Aluminium Extrusions Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a

basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

Company overview

Golkonda Aluminium Extrusions Limited (Formerly known as Alumeco India Extrusion Limited) ("the Company") manufactures aluminum extrusion in India. The Company is a public limited company and is listed on Bombay Stock Exchange (BSE).

Note 1: Significant accounting policies

1. Basis of preparation

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles in India and comply with the Accounting Standards ('AS') prescribed by the Companies (Accounting Standards) Rules, 2014 and the relevant provisions of the Companies Act, 2013, to the extent applicable. The financial statements are presented in Indian rupees

2. Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

3. Current-non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of following criteria:

- i. it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- ii. it is held primarily for the purpose of being traded;
- iii. it is expected to be realised within 12 months after the reporting date; or
- iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of following criteria:

- i. it is expected to be settled in the company's normal operating cycle;
- ii. it is held primarily for the purpose of being trade;
- iii. it is due to be settled within 12 months after the reporting date; or
- iv. the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle: Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

Significant accounting policies

4. Inventories

Inventories are carried at the lower of cost and net realisable value.

Cost of inventories comprises purchase price and all incidental expenses incurred in bringing the inventory to its present location and condition. The method of determination of cost is as follows:

- Raw materials and components – on a first in first out method.
- Stores and spares – at cost.
- Work-in-progress and finished goods (manufactured) – on a first in first out method and includes costs of conversion.
- Traded goods – at landed cost on a first in first out method.

Fixed production overheads are allocated on the basis of normal capacity of production facilities.

The comparison of cost and net realisable value is made on an item-by-item basis.

The net realisable value of work-in-progress is determined with reference to the net realisable value of finished goods. Raw materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

The provision for inventory obsolescence is assessed on a quarterly basis and is provided as considered necessary.

5. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from revenue generating, investing and financing activities of the company are segregated.

6. Cash and cash equivalents

Cash and cash equivalents in the cash flow statement comprise cash in hand and balance in bank in current accounts and in exchange earner's foreign currency accounts.

7. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from job work is recognised as per the terms of contract with the customer. The amount recognised as sale is exclusive of sales tax and trade and quantity discounts. Revenue from sale of goods has been presented both gross and net of excise duty.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

8. Fixed assets

Fixed assets are carried at the cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes non-refundable taxes, duties, freight, and other incidental expenses related to the acquisition and installation of respective assets. Acquired intangible assets are recorded at the consideration paid for acquisition. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Cost of fixed assets not ready for their intended use before such date is disclosed under capital work-in-progress.

Significant accounting policies

9. Depreciation

Depreciation on fixed assets is provided based on the useful life as prescribed under Schedule II to the Companies Act, 2013. Rates of depreciation used that are higher than Schedule II rates are as follows:

	Rates (SLM)
Dies	20.00%
Computer software	20.00%

Land is not depreciated. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Individual assets costing less than Rs.5,000 are depreciated in full in the year of acquisition, if any.

10. Retirement and other employee benefits

- (i) Retirement benefit in the form of provident fund is a defined contribution scheme and the contributions are charged to the Statement of profit and loss of the year when the contributions to the respective fund is due. There are no other obligations other than the contribution payable to the provident fund.
- (ii) Gratuity liability and compensated absences are defined benefit obligations and are provided for on actual basis and no actuarial valuation has been made at the end of financial year as there is no employee on which liability is to be accrued.
- (iii) Termination benefits for retrenched workers are recognized as contingent liability based on the previous settlements.

11. Foreign currency translation

Foreign exchange transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of profit and loss for the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date; the resultant exchange differences are recognised in the Statement of profit and loss. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

12. Investments

Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of the long term investments which is expected to be realised within 12 months after the reporting date is also presented under 'current assets' as "current portion of long term investments" in consonance with the current/ non-current classification scheme of Revised Schedule VI.

Long-term investments (including current portion thereof) are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment i.e. equity shares, preference shares, convertible debentures, etc.

Any reductions in the carrying amount and any reversal of such reductions are charged or credited to the Statement of profit and loss.

Profit/ (loss) on sale of investments is determined separately for each investment.

13. Export benefits and incentives

Benefits on account of advance license for imports are accounted for on purchase of imported material. Other export benefits/incentives are accounted on an accrual basis when the amount become due and receivable.

Significant accounting policies

14. Leases

Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense on a straight line basis over the lease term.

15. Taxes on income

Tax expense comprises of current and deferred tax. Current income-tax is calculated in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is measured based on the tax rates and the tax laws that have been enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. If the company has unabsorbed depreciation or carried forwards losses deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become virtually certain that future taxable income will be available against which such deferred tax assets can be realised.

16. Earnings per share

Basic earnings per share are calculated by dividing the net profit after tax or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit after tax for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

17. Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

18. Provisions and contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possibility of an obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

7. Terms and rights attached to the 10% cumulative redeemable optionally convertible preference shares: 10% Cumulative Redeemable Optionally Convertible Preference Shares (CRCPS) of Rs 10 each had been allotted by the Company in the year 2005. As per the terms of the arrangement these preference shares including unpaid dividend could be converted into ordinary equity shares of the Company of Rs 10 each at any time after 3 years from date of allotment or could be redeemed by the Company at par in three equal installments commencing from the end of 5th, 6th and 7th year from the date of allotment. During the year 2009-10, the Company had obtained extension of redemption period by 3 years from the preference shareholders (i.e. redemption at end of 8th, 9th and 10th year from the date of allotment). Further extension of redemption period by 3 years has been obtained with all other terms remaining unaltered. Accordingly, these preference shares shall now be redeemed by the Company at par in three equal installments commencing from the end of 11th, 12th and 13th year from the date of allotment. No conversion option has been exercised so far.
