**MANAGEMENT DISCUSSION AND ANALYSIS**

a) **INDUSTRY STRUCTURE AND DEVELOPMENTS:**

Our Company is engaged in the business of manufacturing Bright Steel Bars and wires and is in the market to sell domestically and in exports since 1974. The Quality control and manufacturing process consist of in-house treatment and has standard quality name for more than 2 decades. Due to financial constraints, the company is been depending on business of processing steel on job work basis to maintain better economics and has successfully been able to achieve job work production. The Company also has indulged in the special heat treatment job in order to establish future market of Hardened & Tempered steel for exports as well as domestic, which will pave the path of revival and re-instating the strength of the company.

**DOMESTIC MARKET: -**

There has been a substantial change of steel requirement in the domestic as well as international market for the consumption of Bright Steel Bars and wires. Majority of Bright Steel Bars and wires are used for making the various kinds of components for Automotive industry, Machinery manufacturing industry, Dairy & food processing industry, chemical and fertilizer industry, electronics and electrical appliances industry along with computer industry. Due to global interaction and industrial change in domestic market, various companies have invested especially in automobile industry and electrical appliances industry along with computer industry.

As your company has been well versed with international business, quality specifications, end market trends, which will be convenient and easy for the company to capture such trends. Various trial orders and sample approvals and certain bulk supplies have been established during the year to continue the pace with domestic market.

**INTERNATIONAL MARKET: -**

The Company is well established for selling and marketing Stainless Steel Bright Bars internationally in most of the developing countries and has maintained their market share. In the international scenario for Stainless Steel Bright Bars business has been on the greater recessionary trend for few years due to which the company has to go through the constant survival problems. But, at the same time, due to long term standing in the market, the company has been able to maintain its market outside India for Stainless Bright Bars and capturing orders and executing the same with the various financial arrangements. Short term spurts of improved demand has been affecting the company to regain its position from time to time in the international market, but the consistent improvement has been lacking in the international market since long time. The company has still been able to remain in the market even with these trends as well recessionary trends. As known worldwide, Indian steel has faced a lot of anti-dumping suits for Bright Steel Bars from European Community, U.S.A., Canada, the company has successfully being able to fight such anti-dumping petition and retain reasonable supplies to these countries and struggle to retain its position even at low profitability.

**b) OPPORTUNITIES AND THREATS**

**OPPORTUNITIES**

- The Company is engaged in the business since more than thirty one years and has expertise for marketing and quality maintenance of international quality standards for more than 2 decades and enjoys the market share in developed countries like United States and European market.
  
- The Company is continuously sourcing economical raw materials from China & to compete the international market for exports. These efforts & expertise is been used for earning income by means of conducting Business for M/s D.H. Exports Private

Limited for last few year.

**THREATS**

- As the major product of the company is made of Stainless Steel carrying high nickel (metal) which is a sensitive item quoted in LME (London Metal Exchange), the fluctuation may affect the business opportunities and its profitability.
- As company's major business is depending on exports the fluctuation in foreign currency may also affect the profitability.

c) **SEGMENT- WISE PERFORMANCE**

The Company has in the last few years developed various heat treatment processes and successfully supplied commercial lots of heat-treated bars to specific standards in the international market in American, German standards. The scope of business is huge and normal, as this product is utilized and acceptable for various applications in the Engineering industries including Petro Chemical, Oil & Natural gas and Automotive industries worldwide. The company is looking for better profitability business and this kind of supplies keeping the edge over the other competitors. Stringent quality standards and method of processing has been introduced to achieve better reliability and traceability for these kind of products which is mandatory for extending marketing. The international players and competitors for such products are from Italy, Spain and Korea, but with such renowned and established competitors, the company has been able to stand in the international market, establishing its product range internationally.

d) **OUTLOOK**

The manufacturing facility of the company has been now fully in operation. The Company is currently earning income from outsourcing, manufacturing & marketing exports and earning commission income from the same & doing dedicated job processing for M/s Sunflag Iron & Steel Ltd well known Manufacturer of Alloy & Special Steel.

e) **INTERNAL CONTROL SYSTEMS**

The Company has adequate Internal Control systems, which provide, inter-alia, reasonable assurance of recording the transactions of its operations in all material respects and providing protection against misuse or loss of Company assets.

f) **FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

During the previous year the major source of income consisted of exports /sales whereas in the current year commission has been derived from the exports/sales passed onto fellow industries to maintain the marketing strength of the company.

Further with the latest update available, as per the order passed by the Hon'ble BIFR dated 7<sup>th</sup> September, 2015 paid up share capital of the Company of Rs. 104300000 consisting of 10430000 equity shares of Rs. 10/- each fully paid up has been reduced to Rs. 41720000 consisting of 10430000 equity shares of Rs. 4/- each.

**ANNEXURE I TO THE INDEPENDENT AUDITOR'S REPORT – MARCH 31, 2016**  
**(Referred to in our report of even date)**

**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE ACT:**

We have audited the internal financial controls over financial reporting of GRAND FOUNDRY LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS:**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013 ("the Act").

**AUDITORS' RESPONSIBILITY:**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit

of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

**MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING:**

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**OPINION:**

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.
