FORM A

Format of covering letter of the annual audit report to be filled with the Stock Exchange.

PARTICULARS	DATA / REMARKS
1. Name of the company	Shree Steel Wire Ropes Ltd.
2. Annual financial statements for the year ended	31 st March 2018.
3. Type of Audit observation <u>Unqualified</u> / <u>Matter of Emphasis</u>	<p>The Board of Directors in pursuance of powers granted under Section 179 (3) (e) and Section 179 (3) (f) of the Companies Act 2013, undertook following investments. (1) During the year Company has invested total Rs. 2,43,73,120/- in immovable property (residential flat) which is acquired from related party Bholenath Developers Ltd. (2) Company has also outstanding "non-current advances receivable" from unrelated party Rs. 2,35,00,000/- and interest receivable on such advances Rs. 48,21,905/- out of which Interest Rs. 26,76,206/- receivable for the period 16-17. (3) Total Investment and advances are Rs.5,26,95,025/- which is 159.73 % of share capital (5,26,95,025/3,29,88,400*100), 92.57% of Free Reserves (5,26,95,025/5,69,20,321 x 100) and 58.61% of Share capital and free reserves (5,26,95,025/8,99,08,721 x 100).</p> <p>In our opinion though the Board of Directors have acted under their powers, but an opinion can be formed that Company is diversifying its fund in investment business and it can be considered as separate business segment. Further the interest on advances for 16-17 is still not received as on date of finalisation of balance sheet. As per the explanation received from management, the amount advanced including interest are good debts and immovable property will fetch more value in future than its acquisition cost.</p>

The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs, profits and cash flows for the year.

Growth Review

The Company is one of the major suppliers for products such as "Stainless Steel Wire Ropes", "Regulating Equipment", "Traction Bond" and "Anticreep Wire Rope" to the Indian Railways. These items are required by the Indian Railways for Electrification of various railway routes throughout India. The demand for such items is expected to increase as these items are required for new installations and also for replacement of the old installations.

Opportunities

The Company envisages huge and continuous demand for its products viz "Stainless Steel Wires Ropes", "Traction Bond", "Traction Mast", "Anticreep Wire Rope" and "Regulating Equipments" as the same are required for new installations and also for replacement of the old installations by the Indian Railways.

Threats and Risks

The competition for the products manufactured by the Company has increased due to new entrants in the market for similar products and also the prices of raw materials have substantially increased in recent past. This may reduce the market share of the Company and also result into lower margins than the current level due to competition and higher input costs.

Cautionary Statement

Actual result may differ materially from those expressed herein. Important factors that could influence the Company's operations include global and domestic economic conditions affecting demand, supply, price conditions, change in Government's regulations, tax regimes, other statutes and other factors such as litigation and industrial relations.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit/loss and its cash flows for the year ended on that date.

Emphasis of Matter

The Board of Directors in pursuance of powers granted under Section 179 (3)(e) and Section 179 (3)(f) of the Companies Act 2013, undertook following investments. (1) During the year Company has invested total Rs. 2,43,73,120/- in immovable property (residential flat) which is acquired from related party Bholenath Developers Ltd. (2) Company has also outstanding "non-current advances receivable" from unrelated party Rs. 2,35,00,000/- and interest receivable on such advances Rs. 48,21,905/- out of which Interest Rs. 26,76,206/- receivable for the period 16-17. (3) Total Investment and advances are Rs.5,26,95,025/- which is 159.73 % of share capital (5,26,95,025 / 3,29,88,400 x 100) 92.57% of Free Reserves (5,26,95,025 / 5,69,20,321 x 100) and 58.61% of Share capital and free reserves (5,26,95,025 / 8,99,08,721 x 100).

In our opinion though the Board of Directors have acted under their powers, but an opinion can be formed that Company is diversifying its fund in investment business and it can be considered as separate business segment. Further the

interest on advances for 16-17 is still not received as on date of finalisation of balance sheet. As per the explanation received from management, the amount advanced including interest are good debts and immovable property will fetch more value in future than its acquisition cost.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SHREE STEEL WIRE ROPES LIMITED** (“the Company”) as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate material financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on

our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other notes to Accounts

The Board of Directors in pursuance of powers granted under Section 179 (3) (e) and Section 179 (3) (f) of the Companies Act 2013, undertook following investments.

- (1) During the year Company has invested total Rs. 2,43,73,120/- in immovable property (residential flat) which is acquired from related party Bholenath Developers Ltd.
- (2) Company has also outstanding "non current advances receivable" from unrelated party Rs. 2,35,00,000/- and interest receivable on such advances Rs. 48,21,905/- out of which Interest Rs. 26,76,206/- receivable for the period 16-17.
- (3) Total Investment and advances are Rs.5,26,95,025/- which is 159.73 % of share capital (5,26,95,025 / 3,29,88,400 x 100), 92.57% of Free Reserves (5,26,95,025 / 5,69,20,321 x 100) and 58.61% of Share capital and free reserves (5,26,95,025 / 8,99,08,721 x 100).

In our opinion though the Board of Directors have acted under their powers, but an opinion can be formed that Company is diversifying its fund in investment business and it can be considered as separate business segment. Further the interest on advances for 16-17 is still not received as on date of finalisation of balance sheet. As per the explanation received from management, the amount advanced including interest are good debts and immovable property will fetch more value in future than its acquisition cost.
