REPORT OF THE BOARD OF DIRECTORS

The Shareholders
Hindustan Copper Limited
Kolkata

Your Directors have pleasure in presenting the forty fifth annual report of the Company together with the audited statement of accounts and auditors' report thereon for the year ended 31 March, 2013.

1. Financial Review

i. Financial Performance

The comparative working results for the FY 2012-13 vis-à-vis FY 2011-12 are as under:

(₹ in crore)

		2012-13	2011-12
(a)	Turnover	1475	1638
(b)	Profit before depreciation, interest & tax	426	492
(c)	Less: Depreciation	18	18
(d)	Less: Interest & Finance Charges	4	1
(e)	Profit before tax	404	473
(f)	Less: Provision for Taxes(including deferred tax)	48	150
(g)	Profit after tax	356	323
(h)	Add:/(less) Statutory appropriation	0	0
(i)	Distributable Profit	356	323
(j)	Add: Balance brought forward from the previous year	682	491
(k)	Balance available for appropriation	1038	814
	i) Dividend	93	93
	ii) Corporate Dividend Tax	16	15
	iii) Amount transferred to General Reserve	26	24
(l)	Balance in P&L account to be carried forward	903	682
(m)	Earnings per Share(₹)	3.84	3.50

During FY 2012-13 HCL posted a Profit before tax (PBT) of ₹404 crore as against ₹473 crore clocked during the previous year registering a fall of around 14.66%. This has been mainly due to a fall in production of in-house Metal-In-Concentrate as well as lower sales volume of finished copper products partially offset by selling price gain and provisions written back. However the Profit after tax (PAT) during FY 2012-13 logged a growth of about 9.95% by achieving a number of ₹356 crore thereby registering the highest ever net profit in the history of the Company since inception due to the deferred tax liability amounting to ₹57.23 crore written back as pointed out by CAG auditors.

ii. Dividend

Your Company proposes to follow the dividend policy guidelines issued by the Department of Expenditure, Ministry of Finance which requires all profit making PSEs to declare a minimum dividend on equity of 20% or a minimum dividend pay out of 20% of post tax profits, whichever is higher. In conformity with this policy, the Board of Directors of your Company have recommended payment of dividend @ 20% on equity i.e. Re 1/- per share of ₹5/- face value for the year 2012-13, for approval of shareholders in the annual general meeting. The outgo on this account will be ₹92.52 crore for dividend and ₹15.72 crore towards tax on dividend, aggregating to a total outgo of ₹108.24 crore. Your Directors have proposed to transfer ₹26.71 crore to General Reserve account from the profits available for appropriation.

2. Physical Performance

The comparative physical performance of production and sales for the year 2012-13 vis-à-vis 2011-12 is as under:

Particulars	2012-13	2011-12
Ore ('000 tonnes)	3,657	3,479
Metal- in- concentrate (MIC) (tonnes)	29,285	31,377
Cathode (tonnes)	24,210	28,358
CC Wire Rod (tonnes)	20,368	26,310
Sales(tonnes):		
CC Rod	20,729	24,672
Cathode	3,783	2,719
MIC	1,330	4,122

Ore production of 36.57 lakh tonnes during the year is the highest in last 13 years and 105% of the corresponding production in the previous year.

Metal-in-Concentrate (MIC) production of 29,285 tonnes during the year is 93% compared to previous year.

Cathode production of 24,210 tonnes (including tolled cathode) is 86% compared to the previous year.

Wire rod production of 20,368 tonnes during the year is 77% compared to the previous year.

Factors Affecting Performance

Repeated breakdown of crushing and hoisting systems at Kolihan and Khetri underground mines of Khetri Copper Complex (KCC) and backlog of mine development restricted achievement of higher ore production. Ore production at Malanjkhand Copper Project (MCP) suffered due to shortfall in excavation work (over burden removal) on account of breakdown of loading equipment and low availability of hauling equipment. MIC production during the year suffered due to low grade of mined ore at MCP and low process recovery of Concentrator Plant at KCC. Also, delay in providing transport challan from District Mining Office caused less production of MIC at Indian Copper Complex (ICC).

Cathode production suffered due to collapse of flash furnace roof at ICC, for which the plant was under shutdown for about 35 days during the year.

Remedial Action

Since majority of KCC & MCP equipment are more than 30 years of age therefore they are prone to frequent breakdown, the Company has made a comprehensive Replacement & Renewal (R&R) plan during the year 2013-14 in order to improve the reliability and availability of the equipment deployed in both underground and open cast mines, for which an amount of ₹38.0 Crore has been allocated by the Company under R&R budget.

Necessary steps have been initiated to enhance excavation at MCP open pit to expose additional ore face. Also, 124 ML new level at Kolihan underground mine at KCC is scheduled to be commissioned for production during 2013-14. Besides, major overhauling of ICC smelter & refinery has been planned during 2013-14 to improve process efficiency and to get enhanced cathode production on a sustained basis.

3. Product wise sales Performance

The Company maintained innovative LME price linked multiple pricing options open to all customers for booking of material on HCL website. Item wise break up of sales is as follows:

(in MT)

Products	2012-13	2011-12
CC Rod	20,729	24,672
Cathode	3,783	2,719
Metal In Concentrate (MIC)	1,330	4,122
Total	25,842	31,513

4. Status of Disinvestment

During the year, the Government of India, pursuant to SEBI guidelines for 'Offer for Sale' through the Stock Exchange mechanism has sold 5,16,04,148 equity shares (5.58%) from out of its existing shareholding in the Company on 23 November, 2012 and mobilized an amount of ₹807.92 crores. Consequent to the above disinvestment of shares, the Government shareholding in the Company has come down from 99.59% to 94.01%. In order to comply with 10% Minimum Public Shareholding (MPS) for listed Public Sector Companies as per SEBI guidelines, at least 4.01% Government equity in the Company to be further divested before 8 August, 2013.

5. Mine Expansion Schemes

The Company has rolled out the mine expansion plan to increase mine production to 12.4 Million tonne from present 3.4 Million Tonne. The scheme envisages expansion of Malanjkhanda, Khetri, Kolihan and Surda mines, Banwas as an extension of Khetri Mine; re-opening of Rakha and Kendadih mines and development of new mines namely Chapri-Sidheswar. The mine wise scheme and status is given below:

i. Malanjkhanda Copper Project

It is proposed to expand the production of Malanjkhanda mine from 2 million tonne to 5 million tonne per annum by developing an underground mine below the existing open cast mine at an estimated cost of ₹1856.74 crore. CCEA has approved the investment proposal in September, 2011 and Letter of Intent (LoI) was already issued to the successful bidder. The work on the project will commence as soon as environmental clearance for the project is in place. Expert Appraisal Committee (EAC) of Ministry of Environment & Forests (MoEF) has recommended the Project for Environmental Clearance in its meeting held on 29.08.2012 and a formal letter from MoEF in this regard is awaited.

ii. Khetri, Kolihan and Banwas mine

The proposed expansion of Khetri & Kolihan mines and development of Banwas deposit will increase ore production from 1.0 million tonne to 3.1 million tonne per annum.

Banwas: Work for mine construction & development on Banwas mine has started in May, 2010. The work is expected to complete by 2014.

Khetri Mine: The EPC agency for executing the work has been appointed and the work at site has started from 16.9.2011. The cost of the project is ₹96.77 crore.

Kolihan Mine: Tender for Kolihan mine had to be discharged for technical reasons followed by litigation by the lowest bidder. The Court case has since been disposed off and fresh two stage bid process has been started. Request for Qualification (RFQ) was already issued to shortlist the prospective bidders. Awarding of jobs to prospecting Bidders is in progress

iii. Surda mine expansion

The plan envisages increase in the depth of the mine and enhancement of production capacity from 0.4 million tonne per annum to 0.9 million tonne per annum.

The project cost is Rs 206.34 crore and EPC contract for shaft sinking and allied mine development has been awarded to the successful bidder on 18.11.2011.

iv. Re-opening of closed mines at ICC

Company has initiated action to re-open closed mines at Singbhum Copper Belt of ICC namely, Rakha and Kendadih mines to produce 1.5 million tonnes and 0.21 million tonne of ore per annum respectively.

v. Kendadih Mine:

EPC contract for reopening and allied mine development for 4 years has been awarded to the successful bidder on 04.02.2012 at a cost of ₹73.84 crore.

vi. Rakha Mine:

Financial bids for the tender have been received. The L-1 bidder is not a qualified applicant but took part in the RFP on the basis of order of the Hon'ble Calcutta High Court. The L-1 bidder has gone to Calcutta High Court for award of the contract to him. As per the direction of the Hon'ble Calcutta High Court the process of awarding the contract to L-1 bidder is in progress.

vii. Chapri Sideshwar

It is proposed to develop an underground mine at Chapri-Sideshwar to produce 1.5 million tonnes of ore per annum.

The project cost is ₹256.50 crore and Letter of Intent (LoI) to the successful bidder has been issued on 08.11.2011. The work will start after the power facility has been restored at site.

6. Green Field Exploration

The Company has applied for prospecting (PL), mining (ML) and Reconnaissance Permit (RP) in the State of Rajasthan, Jharkhand, MP and Haryana. The status of the fresh lease applications is given below:

- i) Reconnaissance permit (RP) deed has been signed with Government of Madhya Pradesh on 04.03.2013 for reconnaissance survey for Copper and associated minerals over an area of 580.73 square kilometers in Balaghat District Madhya Pradesh. The Company plans to start the work during this fiscal.
- ii) Mining Lease application has been submitted for Dhobani Pathargora Intervening Block and has been already scrutinized in the district level.
- iii) The other areas applied for Mining Lease are in the state of Jharkhand at Dhatkidli Trildih Block in the adjoining district of Saraikala and Nandup-Talsa Block.

Regular follow up is being done with the concerned authorities for obtaining the permits and leases.

7. Safety

Safety remains high priority area, and the Company is always aiming to achieve “Zero Accident”.

The Company continues to maintain the tradition of attracting recognition for its safety performance and, like previous years, received a number of awards in mine safety.

During the year, Hon'ble President of India gave National Safety Award (Mines) to Khetri mine on the following categories:

- i. For the year 2008, Winners' Trophy for the lowest injury frequency rate.
- ii. For the year 2009, the Runners Up Trophy for the longest accident free period.
- iii. For the year 2010, the Runners Up trophy for the lowest injury frequency rate.

Also following awards were received during the Year at Regional level:

- i. KCC Group won 1st Prize on “First Aid Competition” on 26th Mine Safety Week, Ajmer Region in 2012-13
- ii. KCC Group won Six Shields & Seven individual prizes in All India Rescue Competition in 2012-13.
- iii. Nagpur Zone-II, under jurisdiction of DGMS, Malanjkhhand Mine won prizes in ten categories in Mine Safety Competition 2012 - 2013.

Besides the above, special training, regular refresher training programmes and on-the-job training are provided to all employees. Safety Campaigns like “Annual Mines Safety Week”, “Fire Services Day”, and “Industrial Safety Day” celebrations are being conducted regularly with active participation of employees in all the Units of HCL.

8. Management Discussion and Analysis

A report on Management discussion and analysis is placed at Annexure-I.

9. Corporate Social Responsibility

The CSR Plan for 2012-13 was firmed up, in accordance with the DPE guidelines - 2010, in association with M/s National Institute of Rural Development (NIRD) based on Participatory Rural Appraisal (PRA) exercises in the villages after focused discussion with the villagers to assess their felt needs. The plan was approved by the Board in its 339th Meeting, held on 29th May, 2012. The Company's CSR activities were implemented at selected villages (total nineteen) located in the periphery of each of its three major Units viz., Indian Copper Complex (ICC) at Ghatsila (Jharkhand), Khetri Copper Complex (KCC) at Khetri (Rajasthan) and Malanjkhand Copper Project (MCP) at Malanjkhand (Madhya Pradesh) through Non-Governmental Organizations (NGOs). A Third Party Assessment was conducted by Management Development Institute, Gurgaon in December 2012 to evaluate the impact of the CSR activities undertaken. An estimated expenditure of ₹5.13 Crore has been achieved for the planned activities till 31st March, 2013, against the approved budget of ₹7.11 Crores.

Brief details of the projects undertaken during 2012-13 are as under.

1. Livelihood promotion: Schemes included Vermi Compost production, System of Rice Intensification (SRI) method of Paddy cultivation, Dona Pattal Making, Handloom weaving unit, Tassar Spinning Unit, Jute Items, Mushroom cultivation.
2. Women Empowerment: Integrated Group activities like strengthening and capacity building of Community based organizations through Self Help Group, exposure visits of progressive farmers/women to different development institution etc.
3. Water (Conservation / Recharge of ground Water & Drinking Water): Program were pertaining to Water Harvesting, Deepening of existing Pond with inlet & outlets, Construction of Rain water harvesting Structure through Central Institute of Mining and Fuel Research(CIMFR) Dhanbad, Supply of water filter at Anganwari Centre for safe drinking water, construction of Prototype safe water drinking (Borewell with motor fitting), Construction of new Borewell with installation of hand pump were undertaken.
4. Health and Sanitation: Focal areas included Construction/Support for Household Sanitation (in collaboration with State Sanitation Program/Total Sanitation Program, provisioning for Individual Toilets, Health camp with use of existing Mobile unit, Eye/ Dental camps.
5. Plantation / Agriculture / Animal Husbandry: Maintenance of last year plantation at Surda Mines & River side area, turmeric, ginger cultivation and Organic farming, while special effort was made to organize Veterinary camp at KCC and MCP which also included immunization programmes for vets.
6. Skill / Vocational Training & Education: Reading Skill Improvement Program for girl child, Inter state skill training at National Academy of Construction, Hyderabad, Vocational Training on Plumbing and Sanitation including Skill certification.
7. Village Infrastructure & Construction / Rural Energy supply: Construction of Boundary wall of CSR Community Centre Building, Installation of Solar Streetlights at community place/Remote tola to name a few.

10. Corporate Communications

The Company continued to improve communication with the external environment as well as with the employees in various measures. Corporate image building exercises gained momentum through extensive news and media coverage. The Company has also made its presence felt in the national and international fora through quality participation.

Internal communication has been bolstered by publication of Tamralipi and C/o Conscience (Tamralipi supplement on Vigilance), circulation of the current news items on Copper and Mining Sector through Copper Commune and hosting them on the Company website.

Both the in-house journals viz. Tamralipi and C/o Conscience have received the In-house Communication Excellence (ICE) Certificate of Merit at the ICE Awards 2012 presented by the Shailaja Nair Foundation, Mumbai.

Tamralipi was awarded by Town Official Language Committee (PSUs), Kolkata “Rajbhasha Award Scheme-2011-12” on 30.08.2012. The journal also received the Griha Patrika Puraskar (Vishesh Prasansa Puraskar), from the Nagar Rajbhasha Karyanwayan Samity (Upkram), Delhi, for the year 2011-12.

The Company was awarded in recognition of Excellence in Design and Concept, National Category, at the 9th Minerals, Metals, Metallurgy and Materials International Exhibition 2012 held at New Delhi from 27.09.2012 to 30.09.2012.

11. Compliance with the RTI Act 2005

All the requirements / provisions of the Right to Information Act 2005 have been complied with during the year 2012-13.

Focus is on preventive vigilance and leveraging of information technology with a view to minimize scope for corruption and assisting the management in improving the systems and procedures supplemented with capacity building initiatives in collaboration with CVC

13. Official Language Implementation

During the year, HCL made constant endeavour to increase use of Hindi in its Units/Offices. Raj Bhasha Pakhwara and Hindi Diwas were celebrated in the Units/Offices from 14th to 28th September, 2012. The messages of Hon’ble Home Minister and CMD were circulated / read out in all Offices/Units on this occasion. Various competitions were organized with a view to enhance interest among employees towards Official Language. Prizes were distributed to the winners. Employees are constantly motivated to use Hindi in their day-to-day official work. Hindi Workshops are conducted in the Units/Offices at regular intervals. Regular review of progressive use of Hindi and difficulties faced were carried out in Quarterly meetings of Official Language Implementation Committee under the Chairmanship of CMD at Corporate Office and Unit Heads in Units.

The meeting of Hindi Salahakar Samiti, Ministry of Mines held on 11th July, 2012 at Vigyan Bhawan Annexe, New Delhi under the Chairmanship of Hon’ble Minister of Mines was attended by CMD, HCL. The Hindi translation of Annual Report, MoU and various other jobs of the Company were done. Official Language

Implementation Committee meeting was held on 12th September, 2012 under the Chairmanship of Joint Secretary, Ministry of Mines was attended by CMD. During the year 2012-13, the Company participated in both the half-yearly meeting of Town Official Language Committee (PSUs), Kolkata held on 30 August, 2012 and 30 January, 2013. The Corporate Office and House Journal “Tamralipi” of HCL was awarded by Town Official Language Committee (PSUs), Kolkata under “Rajbhasha Award Scheme-2011-12” on 30.08.2012.

The progressive use of Hindi is being reviewed regularly at the Board meetings. Hindi books have also been purchased during the year. The Company’s in-house journal “Tamralipi” is published in Hindi and English and distributed among employees regularly and also mailed to the members of the Hindi Advisory Committee. Effort is continuously made to ensure that the Company’s advertisements for recruitment/ tenders, etc. are also published bilingually. “One Hindi Word Every Day” scheme is operational for improving the Hindi vocabulary of employees. The use of Hindi in computers has been reinforced and advanced Unicode Software Hindi Open Office has been provided to all Units/Offices of the Company.

Earnings in foreign exchange

During the FY 2012-13, the Company earned foreign exchange of ₹ 80.79 crore through exports of anode slime and copper reverts as against ₹ 66.50 crore earned through export of anode slime during FY 2011-12.

2. Industry Structure and Business Scenario

Copper on London Metal Exchange, is most sensitive to macroeconomic development and seen as signaling changes in demand for the industrial metal. Copper is a crucial component of industry and technology and its price typically reflects the health of the underlying global economy. Copper has a multitude of applications in most sectors of the economy, from homes and factories, to electronics and power generation and transmission. Thus, it is indispensable for any highly industrialized society and is often viewed as a reliable leading indicator of economic health.

Global Business Scenario

Chile accounts for 34% of the total world copper mine production, Peru, U.S.A, China, Australia, & Indonesia, together produces around 32%. As per International Copper Study Group (ICSG) forecast, world mine production in 2012 has grown by 2.9% to 16.68 million tones. It is anticipated that the production will continue to grow and additional output will arise from new operations and expansions at existing facilities due to come on stream in 2013 and 2014. World mine production for 2013 and 2014 is anticipated to grow by around 5.5% each year to 17.6 Million tonnes (Mt) and 18.5 Mt respectively. Capacity utilization of mines are expected to improve from 79% in 2011 to an average of 81% in 2013.

Growth in refined copper usage has been especially strong in Asia, where demand has expanded more than five-fold in less than 30years. Major refined copper exporting countries are Chile, Zambia, Japan, Russia & Peru, while major refined copper importing countries are China, USA, Germany, Italy, & Taiwan.

World refined copper production in 2012 was 20.11 million tonne which is 1.5% higher than the previous year. Refined copper production in 2013 is expected to grow by 4.3% to 20.98 Mt. Further growth of 5.1% is anticipated for 2014, with refined production reaching 22.05 Mt.

Refined copper demand was 20.51 million tonne, registering a growth of 2.6% over 2011. ICSG expects world apparent refined demand in 2013 to grow by only 0.3% from that in 2012 to 20.6 Mt. Although underlying industrial demand for copper in China is expected to increase by about 5% in 2013, apparent demand in China is expected to decrease as a result of much lower net refined imports. Usage in the rest of the world is expected to increase by 1.9%. With better prospects for the world economy in 2014, world usage is expected to show higher growth rates.

According to ICSG projections for 2013, the copper market is expected to have a production surplus relative to demand. World production of refined copper is expected to exceed demand for refined copper by about 415,000t, as demand will lag behind the growth in production. For 2014, although a recovery in usage is anticipated, a higher surplus is expected with increased output from new and existing mines.

Global market balances could vary from those projected owing to numerous factors including a world economic slowdown, European Union sovereign debt issues, political transitions in the Middle East and North Africa, and production shortfalls due to labor unrest, utility and capital shortages, and technical factors.

Indian Copper Scenario

India has very limited known reserves of copper ore exploitable for copper production. As of 1.4.2010, as per IBM, total reserves are estimated (in metal terms) at 4.8 million tonnes and resources at 12.3 million tones. As of now, there is a high level of deficit in the mining capacity and surplus in the refining capacity. Domestic production of concentrate accounts for only 4% of the total domestic requirement.

All the operating mining leases are presently held by Hindustan Copper Limited (HCL). The Company has access to over two-thirds of the copper ore reserves in India. HCL has adequate opportunity to augment its mining capacity by increasing production from the existing mines and by developing new ore reserves, besides re-opening closed mines.

There are three major players in the Indian copper industry. Hindustan Copper Ltd. (HCL) is the only integrated primary refined copper producer, the other two are Custom Smelters and depend on imported mineral in the form of concentrate either from their own mines abroad or other overseas sources.

In addition there are a few installations to produce Electro-won Copper but their capacities are still very low, and production is inconsistent.

In fiscal 2012-13, the copper ore production in India for fiscal 2012 was 3.56 million tonnes. Refined copper production in FY 2012-13 was 6.93 lakh tonnes, as compared to 6.84 lakh tonne in FY 2011-12.

The consumption of refined copper in FY13 is estimated around 6.0 lakh tonnes, which as percentage of world copper market is only three percent. However, India's copper market is expected to remain positive with strong growth in key user segments such as power, construction and engineering. The consumption of refined copper in India is expected to grow by 7-8 % in coming years on the backdrop of increased allocation and thrust in power infrastructure and housing sector in 12th Plan by Govt. of India.

India's per capita copper consumption was less than 0.5 kg in 2010 compared to 4.6 kg in China and a world average of 2.4 kg. If India's per capita copper consumption moves towards the per capita copper consumption levels in the rest of the world, India's copper market has the potential for significant growth.

3. Risk and Concerns

The Company has laid down risk management framework keeping the Company's objectives, growth strategy and process complexities arising out of its business operations. Risk management in HCL is a continuous process of identifying, assessing and managing all the opportunities, threats and risks faced by the company to achieve its goals. The policy addresses Company's concerns in the following broad categories of risk:

- i) Operational Risk – resulting from production stoppages, outdated technology and business process failure
- ii) Market Related Risk – arising out of competition, fluctuation in copper metal prices, quality assurances, customer satisfaction
- iii) Financial Risk – pertaining to fluctuation in currencies, liquidity problems, capital availability
- iv) Legal & Regulatory Risk – relating to non-compliance of laws, legal liabilities and litigations
- v) Other Risks – relating to Human resources risks including succession planning, recruitment, compensation & retention issues, natural disasters, damage of property, acts of terrorism, information technology etc.

4. Power Supply Position:

Power supply position at KCC, MCP & TCP Units of the Company was satisfactory during the year.

At ICC, there were repeated power outages due to failure of the systems of Jharkhand State Electricity Board (JSEB). The Company is examining alternatives to overcome this bottleneck in future.

5. Environment and Pollution Control Measures

The ambient air quality is regularly monitored at mines, process plants and residential areas at all the units as per pollution control board guidelines/standards. To further improve the existing environmental

management plan, the environment cells at the Units have implemented/are in the process of implementing the recommendations arising out of the environmental audit earlier done through an external agency in a phased manner.

The range of air quality around the various mines of the Company is well within the standards and limits prescribed by the Pollution Control Boards as given below:

Sl. No.	Parameters	Unit	Values(Range)	Permissible Limits
1	Suspended Particulate Matter (SPM)	µg/m ³	110.5 – 395	500
2	Sulphur dioxide (SO ₂)	µg/m ³	3.8 – 8.6	120
3	Oxide of Nitrogen (NOX)	µg/m ³	21.9 – 24	120
4	Carbon Mono oxide	µg/m ³	< 1 ppm	4 ppm

Effluent treatment facilities installed at the Units of the Company have been working satisfactorily and meeting regulatory norms as prescribed by the Pollution Control Boards. Discharged process water is being recycled after treatment thus conserving the water. As water availability is scarce at KCC and operation of the plant is affected due to inadequate availability of water, total recycling of water is practiced. An HRT tailing thickener has been installed and commissioned at KCC concentrator plant for disposal of thickened slurry and also to have better recovery of water from tailings. Quality of water being recycled in various Units of HCL is in the range as given below:

Sl. no.	Parameters	Unit	Characteristics Range	Permissible Limits
1	pH	-	6.68 – 7.26	5.5 – 9.0
2	Total Suspended Solids	mg/lit	15 - 21	100
3	B.O.D	mg/lit	2.0 – 18	30
4	C.O.D	mg/lit	4.0 – 65.0	250
5	Oil Grease	mg/lit	Not traceable	10
6	Colour	Hazen	Colourless	-
7	Odour		Odourless	-

Solid waste from plants and hospitals are also safely disposed off or stored as per guidelines prescribed by the Pollution Control Boards.

Company promotes several environment friendly activities by planting trees, improving house-keeping, cleanliness, hygiene and safety through several programmes round the year. The company has planted different types of flora around the mining and township areas at the units to maintain the green environment. Total 925652 tree plantations have been carried out till March'2013.

“Mines Environment & Mineral Conservation week” and “World Environment Day” are celebrated every year for sustainable development and environmental awareness under the guidance of IBM and Madhya Pradesh Pollution Control Board.

6. Energy Conservation

Energy audit cells at the Units are constantly monitoring energy consumption at the mines, plants and townships to achieve overall reduction. Power Factor in all the four Units is currently being maintained above 0.95. Further installation of high tech CJD burner at ICC Smelter has significantly reduced energy

consumption. The achievements made in regard to reduction in specific energy consumption over previous year at the Units are indicated below:

Sl. No.	Specific Consumption	Unit	2012-13	2011-12
1	ICC Smelter Power	Kwh/T	943	990
2	ICC Smelter fuel	Lit/T	483	493
3	ICC Refinery Power	Kwh/T	297	294

7. Research & Development / Science & Technology / Technology Absorption

Dust suppression of mine haul road by DUST BLOC

Study conducted for suppression of haul road dust by DUST BLOC (synthetic liquid). Result obtained is satisfactory.

Stability of mine slope through monitoring

Monitoring carried out by M/s CIMFR, Dhanbad on quarterly basis to measure the degree of strata movement on the central foot wall area of MCP mine where fault/slip plane exists. The final report prescribing suggestive measures is expected shortly from M/s CIMFR.

Phytoremediation research work

It has been carried out for biological reclamation of tailing dam of MCP under the guidance of Madhya Pradesh Pollution Control Board for its stability. The growth of plant is satisfactory.

High Rate Thickner (HRT) for Concentrate at KCC

CERTIFICATE ON CORPORATE GOVERNANCE

**To the Members,
Hindustan Copper Limited,
Kolkata**

We have examined the compliance of conditions of corporate governance by Hindustan Copper Limited, for the year ended on 31.03.2013, as stipulated in clause 49 of the Listing Agreement of the said company with stock exchange(s).

The compliance of conditions of corporate governance is the responsibility of the management. Our examination is limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of the corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we hereby certify that the company has complied with the conditions of corporate governance as stipulated in the above mentioned Listing Agreement, except the following:

The Independent Directors did not comprise at least 50% of Board of Directors upto 25.02.2013. However, with the retirement of Sri Shakeel Ahmed on 31.08.2012 and the resignation of Sri K.K.Saberwal on 25.02.2013, both being executive directors and the appointment of Smt. Bulbul Sen, an Independent director on 19.03.2013, the composition as on 31.03.2013 satisfies the requirement of "atleast 50% of total Directors being Independent Directors, when an executive director is the chairman of the board" as required under Clause 49 of the Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

This is stated to have been done by them vide their Audit Report dated 23-05-2013.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under Section 619(3)(b) of the Companies Act, 1956 of the financial statements of Hindustan Copper Limited, Kolkata for the year ended 31 March 2013. This supplementary audit has been carried out independently and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records. On the basis of my audit, nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' Report under Section 619(4) of the Companies Act, 1956.

For and on behalf of the
Comptroller & Auditor General of India

Report on the Financial Statements

We have audited the accompanying financial statements of **Hindustan Copper Ltd** (“the Company”), which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 (“the Act”). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) In the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Sec 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956, and
 - e. in our opinion, reporting in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956 is not applicable to the company, being a government company, as per Notification No. GSR 829(E) dated October 21, 2003 issued by the Department of Company Affairs.

(Referred to in our report of even date attached)

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of Fixed Assets.
- (b) The fixed assets of the Company have not been physically verified by the management during the year under audit pursuant to company's Accounting Policy (Note no.2.c.5) and as such, major discrepancies, if any, could not be ascertained and not commented upon. Last physical verification of fixed asset was done in the Financial Year 2010-2011. In our opinion it should be done in a phased manner so as to cover entire fixed assets atleast once in every three years and the company's Accounting Policy should be suitably modified.
- (c) In our opinion, the disposals of fixed assets during the year are not of significant value and do not affect the going concern concept.
2. (a) As explained to us, the inventories of Finished Goods, Raw Materials and Stores and Spares except those lying with contractors / third parties have been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable.
- (b) According to information and explanations given to us, the procedures of physical verification of inventory followed by the management appear to be reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of the inventory records, in our opinion, the Company has maintained proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material considering the size of the company and the nature of its business and the same have been properly adjusted in the accounts.
3. (a) According to information and explanations given to us, the Company has not granted any loan, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Therefore, reporting under other related sub clauses is not applicable to the company.

- (b) According to information and explanations given to us, the Company has not taken any loan, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Therefore, reporting under other related sub clauses is not applicable to the company.
4. In our opinion and according to the information and explanations given to us, the internal control system needs to be strengthened in order to be commensurate with the size of the Company and the nature of its business for the purchase of inventory, fixed assets and for the sale of goods and services. We have not observed any major weakness continuing in the internal control system.
5. Based on the audit procedures applied by us and according to the information and explanations given to us, there was no transaction that needed to be entered in the Register required to be maintained under Section 301 of Companies Act, 1956, exceeding the value of ₹ five lacs in respect of any party in the financial year.
6. According to information and explanations given to us, the Company has not accepted any deposits from the public. Hence, the provisions of Sections 58A and 58AA of the Companies Act, 1956 and the Companies (Acceptance of Deposit) Rules, 1975 are not applicable to the Company.
7. The Company has its Internal Audit System commensurate with its size and nature of its business.
8. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of Cost Records under section 209 (1)(d) of the Companies Act, 1956 and we are of the opinion that, prima facie, the prescribed accounts and records have been maintained.
9. (a) According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Income Tax, Sales Tax/ Vat, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other statutory dues with the appropriate authorities, and there is no undisputed amount payable in respect of the aforesaid statutory dues as at 31st March, 2013 for a period of more than six months from the date they became payable, excepting ₹ 833.82 Lacs towards Water Cess.

- (b) According to the records of the Company and the information and explanations given to us, the following are the details of disputed dues in respect of Income Tax, Sales Tax, Entry Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty and Cess as on 31st March, 2013:

1. CORPORATE INFORMATION

Hindustan Copper Limited is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956. Its Shares are listed and traded on Stock Exchanges in India. The Company is engaged in exploration, exploitation, mining of copper and copper ore including beneficiation of minerals, smelting, refining of copper.

2. SIGNIFICANT ACCOUNTING POLICIES

a. BASIS OF ACCOUNTING:

The financial statements are prepared under historical cost convention from the books of account maintained on an accrual basis and in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India.

b. USE OF ESTIMATES:

Financial statements have been prepared based on in-house technical estimates in respect of the following:

- Allocation of service shaft expenses, underground mining expenditure between revenue and capital.
- Metal content in raw materials, WIP and finished goods.
- Credit of anode scrap generation in refinery plants.
- Mineable ore reserves in underground mines.
- Stripping ratio in open cast mines.

c. FIXED ASSETS:

- c.1. Fixed assets are recorded at cost net of CENVAT and VAT credit wherever applicable less accumulated depreciation and impairment loss, if any.
- c.2. Pending reconciliation/receipt of the final bills against capital items, capitalization is done on the basis of cost booked and depreciation is charged accordingly. Price differences, if any, are adjusted in the year of finalization of bills.
- c.3. In respect of expenditure during construction of a new unit in a new location, all direct capital expenditure as well as all indirect expenditure incidental to construction are capitalized allocating to various items of fixed assets on an appropriate basis. Expansion programme involving construction concurrently run with normal production activities in an existing unit, all direct capital expenditure in relation to such expansion are capitalized but indirect expenditure are charged to revenue.
- c.4. Expenses incurred for implementation of new projects are carried forward against respective projects till execution. Expenses rendered in fructuous on projects abandoned subsequently are provided in the Profit & Loss Account.
- c.5. Physical verification of fixed assets is carried out once in every three years. Shortage/excess, if any, is provided for in the year of identification.

d. DEPRECIATION:

Depreciation on fixed assets is provided on straight line method at the rates prescribed in schedule XIV to the Companies Act, 1956. Depreciation on assets acquired prior to 1.04.93 is charged on derived rates by allocating the unamortized value over the remaining life arrived at on the basis of rates prescribed under the Schedule XIV to the Companies Act, 1956. Depreciation in respect of plant & machinery and building of new project is charged from the date of commercial production.

e. INVESTMENTS:

- e.1 Current investments are individually valued at lower of cost or fair market value.
- e.2 Long term investments (Non-current) are valued at cost. Provision for diminution is made to recognize a decline, other than temporary nature, in the value of investments.

f. GRANTS-IN-AID:

Fixed assets acquired out of funds provided by the Government by way of grants-in-aid are stated in the books at cost less depreciation and special reserve created for the same is apportioned over the life of the assets by transfer to profit and loss account.

g. IMPAIRMENT OF ASSETS:

The Company reviews the carrying amount of its fixed assets, whenever circumstances indicate that the carrying amount of the asset is less than the realizable value. The Company assesses recoverability of the carrying value of the assets by grouping assets of entire one plant as Cash Generating Unit (CGU). The Company then estimates the discounted future cash flows expected to result from CGU. If the estimated discounted future cash flow expected to result from the use of the asset are less than its carrying amount, the asset is deemed to be impaired. The amount of impairment is measured as the difference between the carrying value and fair market value.

h. MINE DEVELOPMENT EXPENDITURE:

- h.1 **In case of underground mines:** The expenditure on development of a new mine in all cases and on subsequent development of a working mine is capitalized and amortized on the basis of ore raised during the year and the mineable ore reserves estimated from time to time. The ore obtained during development activity is adjusted against such expenditure at its derived realizable value.
- h.2 **In case of working mines, where development activities are going on simultaneously:** Expenses are apportioned between capital or revenue on the basis of in-house technical estimates.
- h.3 **In respect of open cast mines:** The expenditure on removal of waste and overburden, is capitalized and the same is amortized in relation to actual ore production during the year and the stripping ratio of the mine as determined by the company at the weighted average rate.
- h.4 Expenditure incurred on exploration of new deposits is included in mine development expenditure. If the exploration activities are found to be not fruitful, the expenditure on such exploratory work included in mine development expenditure is written off in the year in which it is decided to abandon the project.

i. MAJOR OVERHAULING EXPENSES:

The expenditure attributable to major overhaul of smelter/refinery is charged to the Accounts in the year of incurrence.

j. Mine Closure Expenditure:

Financial implications towards final mine closure plans under relevant Acts and Rules are technically estimated and the involvement, not being material, are charged off on actual incurrence.

k. INVENTORIES:

- k.1 Stocks of stores and spare parts, loose tools and materials-in-transit are valued at cost. The raw materials are valued at the lower of the net realizable value and weighted average cost to the unit if the finished goods in which they will be incorporated are expected to be sold below cost. Loose tools when issued are charged off to revenue.

- k.2 Finished goods and work-in-process are valued at the lower of the net realizable value and weighted average cost to the unit. The cost is exclusive of financing cost, such as, interest, bank charges etc. The value of slag under work in process is taken at equivalent value to the extent credited to the process, where the said products have been generated. The reverts under work- in-process are valued at lower of cost (equivalent value of concentrate) and net realizable value.
- k.3 The stock of anode slime arising from treatment and refining processes are stated at realizable value based on the year end London Metal Exchange price for gold and silver after making due adjustments of their physical recovery and the treatment and refining charges.
- k.4 Liability for excise duty on finished goods in stock lying at works or warehouses is provided in the accounts and also considered in stock valuation.
- k.5 The inventories out of inter-unit transfers at the close of the year are valued on the basis of cost or net realizable value whichever is lower to the transferor unit. No adjustment is made in respect of difference between the cost and transfer price for such transferred products in case of partly processed materials lying at various stages of production and finished stocks at the end of the year, since this is not practically ascertainable.
- k.6 Imported materials are valued at weighted average cost. In the event where final price is not determined valuation is made on provisional cost. Variations are accounted for in the year of finalization.
- k.7 Provision is made in the accounts every year, for non-moving stores and spares (other than insurance spares) which have not moved for more than five years.
- k.8 Scrap sales are accounted for on delivery of material.

l. REVENUE RECOGNITION

l.1 SALES:

l.1.1 Sales are net of discounts other than cash discounts.

l.1.2 In case of sale of Copper Concentrate, Copper Reverts, Anode Slime etc. and tolling of Copper Concentrate of Khetri and Malanjkhand origin, sales / tolling at the end of the accounting period are recorded on provisional basis as per standard parameters for want of actual specifications and differential sales value are recorded only on receipt of actual.

m.2 At each Balance Sheet date, foreign currency monetary items are translated using the mean exchange rates prevailing on the Balance Sheet date and non-monetary items are translated using the exchange rate prevailing on the date of transaction or on the date when the fair value of such item was determined.

m.3 The loss or gain thereon and also the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense and adjusted to the statement of Profit and Loss Account except where such liabilities and / or transactions related to fixed assets / projects and these were incurred / entered into before 1.4.2004, in which case, these are adjusted to the cost of respective fixed assets.

n. RETIREMENT BENEFITS:

n.1 Gratuity, Leave encashment and Leave Travel Concession:

Liabilities towards gratuity, leave encashment for all employees and leave travel concession for non-executive employees as at the end of the year are provided for on the basis of actuarial valuation.

The actuarial gains / losses in respect of “ Employee Benefit Plans” are recognized in the statement of Profit & Loss Account.

n.2 Deficit in Provident Fund:

Deficit, if any, on account of Provident Fund Trust is accounted for on the basis of accrued liability, as ascertainable on the basis of last accounts closed by the Provident Fund Trust.

n.3 Voluntary Retirement Expenses

n.3.1 Paid out of own fund:

Voluntary Retirement expenditure incurred by the company is charged to revenue in the year of incurrence in accordance with AS-15.

n.3.2 Paid out of Government Grant:

Voluntary Retirement Expenditure is adjusted against Government Grant received for this purpose.

o. BORROWING COST:

Interest/finance cost on loans specifically borrowed for new and expansion projects up to the start of commercial production is charged to the capital cost of the projects concerned. All other borrowing cost are charged to revenue.

p. ACCOUNTING FOR TAXES ON INCOME:

Income Tax Expense comprises current tax and deferred tax charge. Deferred Tax is recognized on timing differences, being the difference between Taxable Income and Accounting Income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred Tax assets are recognized only if there is virtual certainty that sufficient future taxable income will be available against which deferred tax assets will be realized. Such balances of Deferred Tax Assets are reviewed as at Balance Sheet Date every year to reassess the realisability thereof.

q. GENERAL:

q.1 Contingent Liability:

Contingent Liabilities are disclosed in the Notes forming part of the accounts.

q.2 Events occurring after the Balance Sheet date:

Assets and Liabilities are adjusted for significant events occurring after the Balance Sheet date that provide additional evidences to assist the estimation of accounts relating to conditions existing at the Balance Sheet date.

q.3 Prior Period & Extra Ordinary Items:

The nature and amount of prior period items and extra-ordinary items are separately disclosed in the Statement of Profit & Loss in a manner that their impact on the current Profit & Loss can be perceived.

q.4 Research and Development Expenditure:

Expenditure on research and development is charged off to Statement of Profit & Loss in the year it is incurred. Expenditure on fixed assets in this regard is capitalized.
