MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

The Indian Textile Industry, one of the oldest industries of Indian economy has been growing and contributing significantly to the economy. Apart from satisfying consumers needs, the industry is also playing a crucial role by providing employment to more than 100 million people, contributing 5% to India's Gross Domestic Product (GDP), 14% to Industrial Production and 12% to export earnings.

The textile sector has witnessed a spurt in investments, including Foreign Direct Investment (FDI) during the last five years. Recently, Indian Government has also allowed 100 % FDI in textile sector under the automatic route. The Government of India is expected to soon announce a new National Textiles Policy to take steps to encourage FDI and enhance job creation in this sector.

The Government has approved Amended Technology Upgradation Fund Schemes (ATUFS) in December 2015 for giving subsidy in interest rate on loans to textile industry and also for clearing pending claims under current TUFS.

The man-made fibre (MMF) textiles account for about 16 percent of total exports of textile products from India. India produces most of the varieties of MMF. In view of requirements of manufacturers of readymade apparels, furnishing textiles and technical textiles, the need and consumption of manmade and synthetic fibre is likely to grow. A supportive government policy and tax structure is important to give a boost to man made fibre industry. The man made and synthetic textiles sector, being highly technology intensive can attract FDI.

OPPORTUNITY AND THREATS

Demand for textile products will be fueled by population growth, resilient long term demand due to rising middle classes in emerging markets, increased local sourcing by global brands and retailers in India.

India enjoys significant advantage in terms of labour cost per hour over developed countries. Changes announced by Government in duty drawback scheme will help boost exports. However, higher excise duty makes Indian MMF products costlier in world market.

Increase in power costs, lowering margins due to fierce competition and e-commerce, high cost of labour and volatile raw material prices may pose a threat to progress of textile industry.

SEGMENTAL REVIEW AND ANALYSIS

At present, the Company has only one reportable segment, and that is synthetic yarn. The financial performance of our Company is steadily improving. In the past year, we have focused on energy conservation measures and modernisation of our production processes. This has helped us improve quality and increase our production and has enabled us to meet our commitments to our customers more efficiently.

The problem of lack of skilled and unskilled labour is under control. Increased automation technologies in our production process have reduced dependence on labour to some extent.

Having in-house power generation has helped us to some extent to contain our power costs.

OUTLOOK

Manmade fibres have evolved and are more breathable. Also, being more durable and reasonably priced are gradually increasingly replacing cotton in many areas. The main growth drivers for MMF industry are increase in number of working women, increase in demand for sportswear, rising manufacture of automobiles, increasing demand for school and corporate uniforms and protective wear.

The global and domestic MMF market will continue to grow provided industry focuses on design and product development.

Our Company has competitive edge in terms of quality and ability to be flexible on the face of changing requirements of the market.

RISKS AND CONCERNS

The Trans Pacific Partnership (TPP), a duty free trade agreement signed in February 2016 between 12 countries, may impact Indian exports. The TPP member nations account for 40% of world trade and the deal gives them duty free access to each other and makes imports from other countries like India, uncompetitive. Two main textile exporting countries – Vietnam and Malaysia, also TPP members, are major competitors for Indian textile products.

Also, duty free entry of textile products from Bangladesh and Pakistan to European Union – 27 has impacted Indian exports to EU-27. Bangladesh textile exports to India also have duty free entry.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of its business. Internal Audit is conducted by independent Chartered Accountants, on a quarterly basis. Independence of the Internal Audit and compliance function is ensured by the direct reporting of the internal audits to the Audit Committee of the Board. The Audit Committee periodically reviews internal control systems with help of the internal and statutory auditors and reports to the Board on its adequacy.

FINANCIAL PERFORMANCE

The report of the Board of Directors may be referred to for financial performance.

HUMAN RESOURCES

The employees on roll in the Company as on 31st March 2016 were 2137.

During the year, there has been no material development in human resources and industrial relations. The Company has a favourable work environment that motivates performance and innovation while adhering to high degree of quality and integrity. The focus of the Company is that rewards and recognition should commensurate with performance and employees should have opportunity to develop and grow for future responsibilities in terms of professional skills as well as business skills.

Industrial relations remained normal at all levels. Customized training programs that enhance both personal as well as career growth are conducted on a continuing basis.

CAUTIONARY STATEMENT

Statements in this Management Discussions and Analysis Report describing the Company objectives, projections, estimates, expectations or predictions may be 'forward looking statements' within the meaning of applicable security laws or regulations. These statements are based on reasonable assumptions and expectations of future events. Actual results could however, differ materially from those expressed or implied. Factors that could make a difference to the Company's operations include market price both domestic and overseas availability and cost of raw materials, change in Government regulations and tax structure, economic conditions affecting demand / supplies and other factors over which the Company does not have any control. The Company takes no responsibility for any consequence of decisions made based on such statements and holds no obligation to update these in future.

SECRETARIAL AUDIT REPORT
 FOR THE FINANCIAL YEAR ENDED MARCH 31, 2016

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
 Deepak Spinners Limited
 #121, Industrial Area, Baddi
 Tehsil: Nalagarh, Dist: Solan
 Himachal Pradesh

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by DEEPAK SPINNERS LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the DEEPAK SPINNERS LIMITED'S books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

I have examined the books, papers, minute books, forms and returns filed and other records maintained by DEEPAK SPINNERS LIMITED ("the Company") for the financial year ended on March 31, 2016 according to the provisions of :

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF DEEPAK SPINNERS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **DEEPAK SPINNERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, the Cash Flow Statement, and a summary of the significant accounting policies and other explanatory information for the year then ended,

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Report on the Internal Financial controls under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Deepak Spinners Limited ('the Company') as of March 31, 2016 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over the financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors , the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the companies Act, 2013, to the extent applicable to as audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements of and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exist, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company ; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation

of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company ; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls Over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March31, 2016, based on the internal control over the financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

26 Summary of Significant Accounting Policies And Other Notes on Accounts :

26.1 Nature of Operations

The Company is a manufacturer of Synthetic Man Made Yarn. It has two spinning units at Baddi (H.P) and Guna (M.P). The company is generating electricity from its Solar Power Plant at Rajgarh (M.P)

26.2 Summary of Significant Accounting Policies

(A) Basis of Accounting

The financial statements have been prepared to comply in all material respects with the mandatory Accounting Standards prescribed under section 133 and other relevant provisions of the Companies Act ,2013. The financial statements have been prepared under the historical cost convention on accrual basis except in case of claims lodged with Insurance Companies but not settled, interest on overdue debts from customers due to uncertainty in the realisation and export and other benefits doubtful of recovery are accounted for on receipt/ settlement.

(B) Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/ materialised.

(C) Classification of Assets and Liabilities as Current and Non Current

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013 . Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12 months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities.

(D) Fixed Assets

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase any attributable cost of bringing the asset to its working condition for its intended use. The carrying price and amounts are reviewed at each Balance Sheet date, if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

(E) Expenditure on New Projects, Substantial Expansion And During Construction Period

Expenditure directly relating to construction activity is capitalised. Indirect expenditure incurred during construction period is capitalised as part of the indirect construction cost to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period, which is not related to the construction activity nor is incidental thereto is charged to the Statement of Profit & Loss. Income earned during construction period is deducted from the total of the indirect expenditure.

All direct capital expenditure on expansion is capitalised. As regards indirect expenditure on expansion, only that portion is capitalised which represents the marginal increase in such expenditure as a result of capital expansion. Both direct and indirect expenditure are capitalised only if they increase the value of the asset beyond its originally assessed standard of performance.

Expenditure during construction/installation period is included under capital work-in-progress and the same is allocated to respective fixed assets on the completion of its construction.

(F) Investments

Long term investments are stated at cost. The Company provides for diminution other than temporary, in the value of long term investments. Current investments are valued at lower of cost or fair value.

(G) Inventories

(i) Inventories are valued as follows :

Raw materials, stores and spares	Lower of cost and net realisable value. Cost is determined on FIFO basis. Materials and other items held for use in the production of inventories are not written down below costs, if finished goods in which they will be incorporated are expected to be sold at or above cost.
Work-in-progress and finished goods	Lower of cost and net realisable value. Cost includes direct materials, labour and a proportion of manufacturing overheads.
Waste	At net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

- (ii) Work-in-progress and finished goods have been valued as per the principles and basis consistently followed.
- (iii) Provision for obsolete/ old is made, wherever required.
- (iv) In view of substantially large number of items in work- in- progress, it is not feasible to maintain the status of movement of each item at shop floor on perpetual basis. The Company, however, physically verifies such stocks at the end of every month and valuation is made on the basis of such physical verification.

(H) Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made provisions except those disclosed elsewhere in the notes to the financial statements, are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

(I) Revenue Recognition

- (i) Revenue from sales is recognised when significant risks and rewards of ownership of the goods have passed to the buyer, which generally coincides with the delivery.
- (ii) Net Sales are exclusive of excise duty and net of sales return, discounts, claims and rebates.
- (iii) Revenue (other than sale) is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.
- (iv) Interest other than interest on overdue debts from customers, is recognised on time proportion basis.

(J) Government Grants and Subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that the grant/ subsidy will be received and all attaching conditions will be complied with. When the

grant or subsidy relates to an expense item, it is recognised as income or deducted from the relevant expense. Grant and Subsidy related to specific fixed asset is deducted from the gross value of the asset.

(K) Retirement and other employee benefits

- (i) Retirement benefits in the form of provident fund, which are defined contribution plans, are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due.
- (ii) Gratuity and leave encashment which are defined benefits, are accrued based on actuarial valuation at the Balance sheet date carried out by an independent actuary using the projected unit credit method.

(L) Foreign Currencies

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Monetary items related to foreign currencies transactions are restated at year end exchange rates. All exchange differences arising from such conversion including gain or loss on cancellation of foreign currency forward covers are included in the Statement of Profit and Loss. Premium/Discount on forward contracts covered by AS-11 is recognised over the length of the contract.

(M) Borrowing Costs

Borrowing costs attributable to the acquisition or construction of qualifying fixed assets, are capitalised as part of the cost of such assets upto the date of commencement of commercial production/put to use of plant. Other borrowing costs are charged to revenue.

(N) Depreciation

Depreciation on Building and Plant & Machinery have been charged on straight line method on the following economic useful life as determined by technical evaluation

Non Factory Buildings	60 years
Factory Buildings	30 years
Plant and Machinery	30 years (on single shift basis)
Power Plant	36 years
Solar Power Plant	10 years

In case of other assets, depreciation has been provided on straight line method on the economic useful life prescribed by Schedule II to the Companies Act, 2013. Depreciation on additions due to machinery spares is provided retrospectively from the date the related assets are put to use. Depreciation on additions to or on disposal of assets is calculated on pro-rata basis. Leasehold land is being amortised over the period of lease tenure. As per the assessment made by the management, fixed assets (other than building) does not comprises any significant components with different useful life.

(O) Carbon Credit and Renewable Energy Certificate

Sale of Certified Emission Reductions (CERs) and Renewable Energy Certificate is recognised as and when delivered to the buyer.

(P) Taxation

Current tax is measured at the amount expected to be paid to the revenue authorities, using the applicable tax rates and laws. Deferred tax for timing differences between the book and taxable Income for the year is accounted for using the tax rates and laws that have been enacted or substantively enacted as of the Balance Sheet date. Deferred tax assets arising from temporary timing differences are recognised to the extent there is reasonable certainty that the assets can be realised in future and the same is reviewed at each Balance Sheet date.

Minimum alternate tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the

year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and written down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.
