**Policy on Directors Appointment and Remuneration of Directors,
Key Managerial Personnel and other employees**

Introduction

In accordance with Section 178 of the Companies Act, 2013 the Nomination and Remuneration Committee has formulated Appointments and Remuneration Policy (“the policy”).

The objective of the policy is to ensure that right persons are appointed and they are sufficiently compensated for their performance. The Policy seeks to provide criteria for determining qualifications, positive attributes and independence of a director.

Remuneration Policy

Directors

Considering the current financial situation, no remuneration is considered for the office of Directors, other than sitting fees.

However, as and when the situation improves and considered appropriate, the company may adopt the following policy for the office of the Directors.

Nomination and Remuneration Committee shall recommend the remuneration, including the commission based on the net profits of the Company for the Non-Executive Directors and Whole-time Director and other Executive Directors. This will be then be presented for approval to the Board and shareholders. Prior approval of shareholders by way of Special Resolution will be obtained wherever applicable in case of remuneration to non-executive directors.

The Company may pay remuneration by way of salary, perquisites and allowances (fixed component) and variable pay to Whole-time Director. Salary may be paid within the range approved by the Shareholders. Annual increments may be offered, effective 1st April each year, as recommended by the Nomination and Remuneration Committee, and as approved by the Board, within the prescribed ceiling specified under the Companies Act, 2013.

The remuneration to Executive Directors should be determined keeping in view the industry benchmark and the relative performance of the Company to the industry performance. Perquisites and retirement benefits should be paid according to the Company policy as applicable to all employees.

Independent Non-Executive Directors are appointed for their professional expertise in their individual capacity as independent professionals / Business Executives. Independent Non- Executive Directors receive sitting fees for attending the meeting of the Board. No sitting fees is payable for attending Board Committees. No commission is payable to such Independent Directors.

The remuneration by way of commission paid to the Independent Non-Executive directors is determined periodically & reviewed based on the industry benchmarks.

Key Managerial Personnel and Other Employees

The remuneration of employees largely consists of basic salary, perquisites, allowances and performance incentives. Perquisites and retirement benefits are paid according to the Company policy, subject to prescribed statutory ceiling.

The components of the total remuneration vary for different grades and are governed by the industry pattern, qualification & experience / merits, performance of each employee. The Company while deciding the remuneration package takes into consideration current employment scenario and remuneration package of the industry.

The annual variable pay of managers is linked to the performance of the Company in general and their individual performance for the relevant year measured against Company’s objectives fixed in the beginning of the year.

Criteria for Board Membership

Directors

The Company shall take into account following points:

- Director must have relevant experience in Finance/ Law/ Management/ Sales/ Marketing/ Administration/ Research/ Corporate Governance/ Technical Operations or the other disciplines related to company's business.
- Director should possess the highest personal and professional ethics, integrity and values.
- Director must be willing to devote sufficient time and energy in carrying out their duties and responsibilities.

Independent Director

Independent Director is a director who has no direct or indirect material relationship with the Company or any of its officers, other than as a director or shareholder of the Company.

Independent Director shall meet all criteria specified in Section 149(6) of the Companies Act, 2013 and rules made thereunder and the Listing Agreement entered into with BSE Limited.

MANAGEMENT DISCUSSION AND ANALYSIS

During the year, the trading activities of the Company have increased marginally. However, due to cancellation of lease of its premises with effect from August, 2015 the gross income has gone down which resulted in marginal reduction in networth of the Company. As the Management has given the company premises on lease w.e.f. 9th March, 2017, the Company should turnaround in 2017-18.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF OMNITEX INDUSTRIES (INDIA) LIMITED

Report on Financial Statements

We have audited the accompanying financial statements of OMNITEX INDUSTRIES (INDIA) LIMITED ("the company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, of its loss and its cash flows for the year ended on that date.

ANNEXURE B

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF OMNITEX INDUSTRIES (INDIA) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of "OMNITEX INDUSTRIES (INDIA) LIMITED ("the company"), as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an

understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017.

NOTE – “3.1”

FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2017

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting:

The financial statements have been prepared on the basis of historical costs under the accrual system of accounting and applicable Accounting Standards notified by the Companies (Accounts) Rules 2014 and the relevant provisions of the Companies Act, 2013

2. Valuation of Inventories:

Inventories are valued at Lower of Cost and Net Realisable Value. Cost comprises all cost of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition. The cost is arrived at on First In First Out (FIFO) basis. Due allowance is estimated and made for defective and obsolete items, wherever considered necessary.

3. Investments:

Long Term Investments are stated at cost; where there is a decline, other than temporary, the resultant reduction in carrying amount is charged to the Profit and Loss Statement.

4. Fixed Assets:

- a. Fixed Assets are capitalised at cost (Net of refundable duties) inclusive of all expenses relating to the acquisition and installation of fixed assets and include borrowing costs attributable to such assets, upto the date the asset is put to use.
- b. Fixed Assets except Freehold Land are valued at cost less depreciation. Freehold Land is shown at its Original Cost.
- c. Impairment Loss is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal.

5. Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Profit and Loss Account in the year in which they are incurred.

6. Depreciation:

- a. Except for items on which 100% depreciation rates are applicable, depreciation is provided on Straight Line Method on **pro-rata** basis as under:
 - i. In respect of Fixed Assets existing as at 1st April 2014 hereinafter referred to as “effective date” being date on which Schedule II of the Companies Act 2013 came into force:

The useful life of the asset is considered as provided in Schedule II to the Companies Act 2013. From the life of the asset as computed above, the number of years (part of the year is considered full for this purpose) for which the asset was in existence prior to the effective date was reduced and balance life in years ascertained. The net asset value as on the effective date after adjusting for residual value was divided by the balance useful life in years of the asset and depreciation per year is arrived at.

In respect of office unit, the useful life is considered from the year in which the occupation certificate was issued by the relevant authorities and not from the year of purchase.

- ii. In respect of Fixed Assets acquired/constructed after 1st April 2014:

Depreciation is provided after taking into account useful lives of such assets in accordance with Schedule II of the Companies Act 2013

7. Foreign Currency Transactions:

- a. Foreign currency transactions are recorded at the conversion rates prevailing on the date of transactions.
- b. The exchange differences arising on the settlement of transactions are recognised as the gains or losses in the period in which they arise.
- c. Monetary assets and liabilities in foreign currency, which are outstanding at the year end, are translated at the year end closing exchange rate and the resultant exchange differences are recognized in the Profit and Loss Statement.

8. Revenue Recognition:

Revenue from sale of goods is recognized when the significant risks and rewards of ownership of goods are passed to the buyer. Dividends are recorded when the right to receive payment is established. Interest Income is recognized on time proportion basis. Rent and service receipts are accounted for on accrual basis in term of agreement with parties except in cases where ultimate collection is considered doubtful.

9. Employee Benefits:

- a. The Company's Contribution in respect of Provident Fund is charged to the Profit and Loss Statement;
- b. Provision for Gratuity to employees and Leave Encashment are charged to the Profit and Loss Statement on the basis of actuarial valuation.

10. Leases:

- a. Assets Leased out are charged to depreciation as per Accounting Standard 6 issued by the Institute of Chartered Accountants of India.
- b. Lease Income is recognized in Profit and Loss Statement on accrual basis.

11. Taxation:

- a. In accordance with Accounting Standard 22 – Accounting for Taxes on Income (AS-22), notified by the Companies (Accounts) Rules, 2014, the deferred tax for timing differences is accounted for using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
- b. Deferred tax assets arising from timing differences are recognised only on consideration of prudence.

12. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits would be required to settle the obligation, and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimates. A contingent liability is disclosed if the possibility of an outflow of resources embodying the economic benefits is remote or a reliable estimate of the amount of obligation cannot be made. Contingent Assets are neither recognized nor disclosed in the financial statements.
