ANNEXURE -6

VIGILMECHANISM CUM WHISLTE BLOWER POLICY

1. PREAMBLE

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, Legality, integrity and ethical behavior. Any actual or potential violation of the same, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations cannot be undermined. Accordingly, this Vigil Mechanism has been formulated with a view to provide a mechanism for employees of the Company to raise concerns of any violations of legal or regulatory requirements, incorrect or misrepresentation of any financial statements and reports, etc.

Corporate Governance of SEBI Listing Regulation, 2015 between the Company and Bombay Stock Exchange, inter alia, provides for a nonmandatory requirement to establish a mechanism called 'Whistle Blower Policy' for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the company's code of conduct or ethics policy.

Section 177 of the Companies Act, 2013 also provides that the Company shall establish a Vigil Mechanism for

Directors and Employees to report genuine concerns. This Vigil Mechanism is meant to serve the purpose of Section 177 of the Companies Act, 2013 as well as 'Whistle Blower Policy' under Listing Agreement.

2. OBJECTIVE

The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. This policy aims to provide an avenue for employees & Directors to raise concerns of any violations of legal or regulatory requirements, unethical behavior, fraud, violation of Company's code of conduct, incorrect or misrepresentation of any financial statements and reports, etc.

3. POLICY

The Vigil Mechanism intends to cover serious concerns that could have grave impact on the operations and performance of the business of the Company. The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation. No adverse personnel action shall be taken or recommended against an employee or Director in retaliation to his disclosure in good faith of any unethical and improper practices or alleged wrongful conduct. This protects such employees or Director from unfair termination and unfair prejudicial employment practices.

However, this policy does not protect an employee from an adverse action which occurs independent of his disclosure of unethical and improper practice or alleged wrongful conduct, poor job performance, any other disciplinary action, etc. unrelated to a disclosure made pursuant to this policy.

4. SCOPE

Various stakeholders of the Company are eligible to make Protected Disclosures under the Policy. These stakeholders may fall into any of the following broad categories:

- a. Employees of the Company
- b. Directors of the Company
- c. Employees of other agencies deployed for the Company's activities, whether working from any of the Company's offices or any other location
- d. Contractors, vendors, suppliers or agencies (or any of their employees) providing any material or service to the Company.
- e. Customers of the Company
- f. Any other person having an association with the Company.

A person belonging to any of the above mentioned categories can avail of the channel provided by this Policy for raising an issue covered under this Policy.

NOTE: Policy should not be used to be a route for raising malicious or unfounded allegations against colleagues.

5. GUIDING PRINCIPLES

To ensure that this Policy is adhered to, and to assure that the concern will be acted upon seriously, the Company will

- i. Ensure that the Whistleblower and/or the person processing the Protected Disclosure is not victimized for doing so
- ii. Treat victimization as a serious matter, including initiating disciplinary action on such person/(s)
- iii. Ensure complete confidentiality

**“Annexure II” to the Independent Auditor’s Report of even date on the Standalone
Financial Statements of AXIS RAIL INDIA LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AXIS RAIL INDIA LIMITED (“the Company”) as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the

accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
