- (i) The voting period begins on 26th September, 2021 at 9:00 am and ends on 28th September, 2021 at 5:00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Annexure 1MANAGEMENT DISCUSSION AND ANALYSIS REPORT**A. OVERALL REVIEW:**

The global economy began its modest recovery in FY 2020-2021. While the trend is expected to accelerate in the current year, emerging markets like India faced multiple challenges capital outflows, intense exchange rate pressures and volatile current account movement. A combination of persistent inflation, fiscal imbalances, external sector vulnerabilities and low investments resulted in sluggish domestic demand growth. Fiscal and monetary initiatives taken by the Indian government and the Reserve Bank of India (RBI) helped stabilize financial market conditions, but the domestic macro-economic environment still remains challenging.

The overall performance of textile industry is badly affected due to lower realization both in export and domestic market. Disturbed power supply and skilled labor shortage in the region has worsened the position.

B. INDUSTRY STRUCTURE AND DEVELOPMENT:

Raw material costs have been increasing globally, coupled with a shortage of skilled workers. While a shift is taking place of textiles industries from China and Bangladesh to India, the industrial climate in India has also become adverse due to regular increases in input costs. Any further appreciation of the Rupee will adversely affect exports from India.

The major sub-sectors that comprise the textiles sector include the following:

- Cotton/Man-Made Fibre Textiles Mill Industry
- The Man-Made Fibre/Filament Yarn Industry
- The Wool and Woolen Textiles Industry
- The Sericulture and Silk Textiles Industry
- The Handlooms Textiles Industry
- The Handicrafts Textiles Industry
- The Jute and Jute Textiles Industry
- The Textiles Exports

India's textiles and clothing industry is one of the mainstays of the national economy. It is also one of the largest contributing sectors of India's exports worldwide.

C. OPPORTUNITIES AND THREATS:

There is good scope for growth for the textile industry as India's share in the global trade in textiles is weak compared to other countries. The free trade environment is a great opportunity for the Indian textile industry to increase its share in the global market. Chinese exports are slowing down on

account of various factors inclusive of increase in domestic demand and rising costs. This is a good opportunity of which our textile industry should make use but smaller countries like Bangladesh, Sri Lanka, Pakistan, Turkey and Vietnam etc. are becoming formidable challengers.

Lack of uninterrupted power, increased power costs, higher transaction costs, high cost of labor are hindering the progress. However, we are making all out efforts to cope with all these challenges by continuous efforts at cost reduction, process improvements, diversification of products and improving productivity by improving efficiencies.

D. RISKS AND CONCERNS:

The fluctuation in the currency especially against the dollar is becoming problematic for long term booking of orders. Cotton prices are increasing regularly as are other input costs including power and logistics. Natural Gas has become so much costlier that its use as a source of power has become prohibitive.

E. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The Company has a well-established framework of internal controls in all areas of its operations, including suitable monitoring procedures and competent and qualified personnel. In addition to statutory audit, the financial controls of the Company at various locations are reviewed by the Internal Auditors, who report their findings to the Audit Committee of the Board. The Audit Committee is headed by an Independent Director and this ensures independence of function and transparency of the process of supervision and oversight. The Committee meets to review the progress of the internal audit initiatives, significant audit observations and planning and implementation of follow up action required. The Company conducts its business with integrity and high standard of ethical behavior and in compliance with the laws and regulations that govern its business.

F. HUMAN RESOURCES POLICIES:

Your Company considers its human resources as its most valuable assets, among all other assets of the Company. It has been the policy of the Company to actuate the talent by providing opportunities to develop themselves within the organization. The Company continued to have maintained very cordial & harmonious relations with its employees.

G. CAUTIONARY STATEMENT:

Statements in this report on Management Discussion and Analysis, describing the Company's objectives, projections, estimates, expectations or predictions may be forward looking, considering the applicable laws and regulations. These statements are based on certain assumptions and expectation of future events. Actual results could, however, differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and domestic demand-supply conditions, finished goods prices, raw materials costs and availability,

INDEPENDENT AUDITOR'S REPORT

To the members of Blue Pearl Texspin Limited

Opinion

We have audited the standalone financial statements of **Blue Pearl Texspin Limited** ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit, (changes in equity) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity)ⁱ and cash flows of the Company in accordance with¹ the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis

of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on financial Statements.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Controlling(the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls-both applicable to an audit o Internal Financial Controls and both issued by the Institute of Chartered Accountants of India .Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the Audit to obtain responsible assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting , assessing the risk that a material weakness exists, testing and evaluating and design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting ,including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion ,the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
