### MANAGEMENT DISCUSSION, ANALYSIS AND OPERATIONS

### OPERATIONS OF 2009-10 AND FUTURE OUTLOOK

The competition from unorganized sector has been an Impediment in the growth of the company for quite some time now. This aspect has adversely effected the operations of the company, severely damaging the profitability and the operational results. In the earlier year the software division of the company was shut down and in the Figure 1909-10 with the approval of the members, the PVC Pipe undertaking was sold.

Considering the fact that the PVC pipe division has consistently been weakening, the management for some time now was contemplating a strategic merger with one of its associate concerns viz., Sri Venkateswara Pipes Limited.

Sri Venkateswara Pipes Limited is a company which started its operations with the technical know-how and expertise extended by Bhagyanagar Wood Plast Limited eversince the inception of the said company.

Initially Bhagyanagar Wodplast Limited also invested in the share capital of the company and for the provision of technical consultancy, royalty was also received. Over the period of last few years, the technical and advisory expertise extended by Bhagnagar Woodplast Limited to Sri Venkateswara Pipes Limited enabled the said company to become a leader in the field of asbestos cement pressure pipes.

Considering the long association, both as a investor as well as provider of technical support and considering the present market positioning of Sri Venkateswara Pipes Limited, the management has come to a firm conclusion that the strategic merger of Sri Venkateswara Pipes Limited with Bhagyanagar Wodplast Limited would be in the best interest of the share holders of both the companies. This would also fuel the future growth of the merged entity, particularly in view of the fact that Bhagyanagar Woodplast Limited has the technical expertise and also the cash reserves required for the growth. The management is confident that the operations of the coming year will be on a highly positive path in the post merged entity. The management will approach the share holders in due course of time with the necessary approvals for the merger.
