MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Indian economic overview

India has emerged as the fastest growing major economy in the world as per the CSO and IMF. According to the Economic Survey 2015-16, the Indian economy will continue to grow more than 7% in 2016-17.

How ever, owing to the challenges post the demonetization drive, Independent sectors mostly witnessed moderate growth with only the industrial sector growing at 5.2% as compared to 7.4% last year. Agriculture and allied sectors grew at 4.1% rate and the services sector witnessed an 8.8% growth. The corporate sector grew at 1.9% in Q2 of FY17 as compared to near-stagnant growth of 0.1% in the same period of FY16. The government is positive that the GST rollout and other structural reforms will counter the effects of demonetization, leading the economy to grow at around 7.6% in FY-2018.

Tile Industry

India was once again the world's third largest tile producer and consumer country. National production rose from 825 to 850 million sq. m. (+10%). Domestic consumption also increased by just 7 million sq. m. to 763 million sq m. (+0.9%). Exports from the country witnessed a growth from 92million sq.m. to 122 million sq.m. (+32.6%) corresponding to fourfold growth in just 3 years, positioning India fourth in the rankings of top world exporters. Going forward, the anti-dumping duty imposed in March 2016 is helping provide a level playing field for domestic players, creating sustained demand. The implementation of GST is expected to positively impact the organized sector.

Future out Look

a. Consistent interest rate:

Despite repo rates not remaining constant at 6.25%, adequate liquidity in the banking system and a withdrawal of the Cash Reserve Ratio (CRR) is expected to keep lending rates low, encouraging home loans and brightening the prospects of the ceramic industry.

b. Low per capita consumption:

Despite being the third largest consumer in the world, per capita consumption of ceramic tiles in India is only 0.59 Sq. m. India lags behind Brazil, China and Vietnam which have per capita consumption of 4.12, 3.33 and 2.80 Sq. m. respectively, indicating potential for enormous growth.

c. Implementation of Goods and Service Tax:

GST will create a seamless national market resulting in removal of interstate barriers and an improvement in supply chain. It may also result into higher tax compliance by the unorganized sector, increasing the competitiveness of the organized sector.

d. Growing urbanization:

It is estimated that by 2025, India will have 18 megacities and 38% of the country's population will be urban, as compared to 32.8% in 2017. As an estimate for demand, predictions indicate Mumbai's GDP rising from \$80 billion currently to \$380 billion by 2025. The growth in demand will be propelled by the increase in urban households from 150 million presently to 350 million.

e. Rising middle-class:

Consumer spending hitched a massive jump from \$0.22 trillion in the year 2000 to \$1.3 trillion in 2015. Growth trends expect it to increase seven-fold to \$7.3 trillion till 2030. It is estimated that by 2025, 70% of households in India will be classified as middle income, as compared to 54% presently.

f. Favorable demographic profile:

The median age in India is 26.9 years and approximately 70% of the population is under 45 years. By 2027, India will have the lowest average population age among the BRICS countries. This presents a huge opportunity in terms of increased consumption aided by higher disposable income over the years to come.

g. The demand for tiles is expected to grow in India in the coming years. Factors such as rising real estate demands, increasing disposable incomes and rising middle class will drive growth. Government initiatives such as "Housing for All by 2022" will also drive the growth of tiles in the years to come.

Company Outlook:

The violent incident occurred on 27.01.2012 impacted the whole town of Yanam with several people depending on the Company being deprived of the fruits they were enjoying before. INDEPENDENT AUDITORS' REPORT

To the Members of

REGENCY CERAMICS LIMITED, HYDERABAD.

Report on the Financial Statements:

We have audited the accompanying financial statements of REGENCY CERAMICS LIMITED, ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility:

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Basis for qualified opinion:

1. *Manufacturing operations of the company were stopped due to riots, strike and malicious damage at factory since 27.01.2012. The company declared lock out of the plant on 31.01.2012 and the condition of the fixed assets and its realizable value could not be estimated. The machinery and building were not insured during the year and disclosed at book value after providing depreciation on account of efflux of time.*
2. *The condition of the raw materials, stores and spares and its realizable value could not be estimated by the company. The stocks were not insured during the year and disclosed at book value.*
3. *During the year, the company has not provided the provisional liability towards salary, wages and other benefits to its factory employees pending orders/judgment of the industrial Tribunal. Further, the company has not provided for its liability towards Gratuity and leave encashment in accordance to AS-15 "Employee Benefits". Since the company could not compute the liability in the absence of complete records, we are unable to comment upon the impact of non-provision of additional loss of the company for the year and on the current liabilities as at 31.03.2017.*
4. *Confirmation of balances was not obtained from Debtors, Creditors, loan and advances and other current assets.*
5. *The company requested the lenders for sanction of revised OTS and paid Rs.12.43 Crores against the sanctions received till date. State Bank of Bikaner & Jaipur assigned and transferred the facilities sanctioned by them together with all underlying securities and interests thereto to Phoenix ARC Private Limited (Trustee of Phoenix Trust-FY15-5). The lenders initiated recovery action against the company and took symbolic Possession under Rule 8(1) of Security Interest (Enforcement) Rules, 2002 in exercise of powers conferred on them under section 13(4) of the SARFAESI Act. The lenders also filed an application under section 19 of the Recovery of Debts due to Banks and Financial Institutions Act, 1993 in the Debts Recovery Tribunal, Hyderabad for recovery of their dues. In view of the above, the Long Term Borrowings are considered as current maturities of long term borrowings and shown under Other Current Liabilities. Hypothecation / Hire purchase loans are repayable within one year and shown under Other Current Liabilities.*
5. *The company did not provide the interest on secured loans amounting to Rs.1026.61 Lakhs for the year and Rs.5274.77 Lakhs up to 31st March 2017 which is subject to confirmation from the banks.*
6. *The company has not provided the liability towards interest and penalties payable on account of statutory dues. The Company is of opinion that the statutory authorities shall waive the same in view of the unprecedented incident.*
7. *The reference filed by the company under section 15(1) of Sick Industrial Companies (Special Provisions) Act, 1985 with the Board for Industrial and Financial Reconstruction (BIFR) has been abated and the company preferred an appeal before AAIFR. The company lost the case in AAIFR also due to lack of support from the lenders.*

Consequent to the above, the Net loss would increase and Shareholders funds would reduce to this extent.
