BRIEF DESCRIPTION OF THE COMPANY'S WORKING DURING THE YEAR / STATE OF COMPANY'S AFFAIR

PROSPECTS

The Tile industry is set to get boost from the Government initiative like Housing for all, reduced rate of interest for construction, Swatch Bharat and smart cities as well. Vitrified tiles as the product arm is growing rapidly in the terms of new capacities, sizes and technology. Vitrified tile sector, even in the slowdown of construction industry, promises slow and steady improvement in the overall demand. The product with its features has caught the eyes of developers and builders. Vitrified tiles can be manufactured in various designs like wooden, natural marble, granite and also metallic finish. The new Digital tiles Technology which gives a very rich look is slowly capturing the market. Now a days tiles are

DIRECTORS' REPORT (Contd.)

used as a decorating items in kitchen, bathroom or any other part of our home or for any exterior cladding of villas, bungalows, hotels, restaurants, hospitals etc. The Vitrified tiles double and multi charge tiles are also moving fast in the market. The Karaikal unit is functioning with improved gas allocation. The new unit at Sira Taluk, Tumkur District may fetch better market for quality products. The Company is expecting a better growth in the mere future.

MARKETING STRATEGY

In order to expand the marketing activity and also to display the large variety of products in both ceramic and vitrified segments, the company has planned to open more exclusive showroom during the current financial year. The Company has also introduced quality based incentives to the sales staff to boost sales. As a rationalization process in marketing, the management has reviewed the performance of each branch and such of those which are not performing to the expected level are given special support to review their efficiency, but those which are consistently under poor performance are closed. The Company has decided to create a brand image, accordingly Hoarding, Table Calendars, Newspapers advertisements are given on regular basis to increase sales. Your Directors are hopeful of achieving better results in the year 2016-17.

RESEARCH AND DEVELOPMENT

The R & D wing of the Company has successfully developed new varieties of tiles with improved body matrix, quality and cost effective product range. Efforts to upgrade variety, body matrix, shades and designs to suit market sentiments is being consistently pursued. R&D wing is also exploring ways and means to improve operating efficiency.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT FORMING PART OF THE DIRECTORS' REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The Ceramic and Vitrified industry is largely dependent on Indian Real estate Development. Ceramic and Vitrified is the major input only in building and construction, we can conclude that once the building and development increase there is a huge demand for Ceramic and Vitrified tiles. The Current scenarios in India of real estate is booming because of the Central Government new plans of establishing smart cities in India and also the relaxed interest rates for real estate development. Simultaneously a situation of cut throat competition, margin squeezing to capture market caused serious setback to the business of tiles manufacturers in the organized section. Added to this many small and unorganized sector have taken up production of tiles and the number of such small units are increasing day by day.

Murudeshwar Ceramics Limited started commercial production on 01.05.1988 with an installed capacity of 12,500 tons per annum (TPA) of Ceramic tiles at Hubli in Northern Karnataka. The Company undertook a major product diversification into manufacture of Vitrified tiles in the year 1993. The Vitrified tiles project was completed in a very short time and the production commenced on 01.03.1994. On considerations of quality, value addition, aesthetic looks and endurance, the said Vitrified tiles under the Brand Name of “NAVEEN DIAMONTILE” became very popular in domestic markets in a very short time. Encouraged by the response for Vitrified tiles in the Indian market, the company has established one more Vitrified tile manufacturing unit in Karaikal with an initial capacity of 6,000 Sq.mtrs. per day which commenced its commercial production on 1st day of October 2003. Simultaneously the capacity expansion also was carried on side by side. On cost considerations the Company stopped production of Ceramic tiles in August 2002. But later on, as a support product, manufacturing of Ceramic tiles was once again started with an initial capacity of 8,000 Sq.mtrs. per day at Hubli unit. The new Ceramic tile manufacturing unit became operational from January 2006 and the expansion project was undertaken simultaneously. New varieties of tiles in aesthetic colours, shades, body matrix and in different dimensions are being constantly added on in the product mix. On cost considerations, the Kilns in Hubli unit were modified to be fueled by Coal Gas. The Coal gasification was completed in the year 2009. From 2012-13 the Hubli Plant is under conversion process from Coal Gas to Natural Gas. The management has decided to start up a new plant at Sira, Tumkur. The construction work is under progress and the production may start in the financial year 2016-17. As at the end of the financial year the installed capacity of Ceramic and Vitrified tiles are as follows:

Annual Capacity	VITRIFIED TILES		CERAMIC TILES
	Hubli	Karaikal	Hubli
Installed Capacity (in Sq. Mtrs.) per annum	6,00,000	30,37,500	9,00,000

OPPORTUNITIES

The industry is expecting to benefit from the Housing for all project and smart city project of the Central Government by 2022. While there is a shortage of over 18 million housing units as of now. The push of the Central Government for smart cities will also have a great demand for tiles industry. The Swatch Bharat initiative too will lead to an increase in demand for tiles. The tiles market in the country is set to flourish. The demand from institutional customers is outpacing the retail demand in many regions of the country. The Company is at present producing only vitrified tiles. The multiple advantages of Vitrified tiles lies in its strength, endurance, elegance and variety in shades and designs. These qualities have made Vitrified tiles increase its popularity and customer base year after year. Booming real estate sector along with availability of housing loans on low interest rates has provided the much awaited thrust to Indian tiles market. During the last two years a phenomenal growth has been recorded in the field of ceramic tiles to meet the industry demand from every corner of the country. The industry has a positive outlook on the sidelines of governmental reforms in order to attract more foreign investment in real estate and retail section. All this opportunities increase the tile market in India. Taking advantage of the situation, we endeavor our best to achieve optimum production in our Karaikal plant, mainly concentrating on high value items and tiles of bigger size.

THREATS

Ceramic tiles industry in India is suffering from low margin and profitability. Non availability of skilled labour and increased rate of interest on borrowing is also major threat to the industries. Frequent increase in cost of power and fuel not only accounts for increase in direct cost but also result in increase of indirect costs like transportation and cost of other inputs. The demand for tiles has resulted in large number of smaller to medium size new industries mushrooming in various parts of the Country. Cheaper imported Vitrified tiles is flooding the Indian markets.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT FORMING PART OF THE DIRECTORS' REPORT (Contd.)

SEGMENT-WISE PERFORMANCE AND DISCUSSION ON FINANCIAL / OPERATIONAL PERFORMANCE :

The Segment-wise performance for the year ended on 31.03.2016 is furnished hereunder:

SEGMENT	PRODUCTION (in Sq. Mtrs.)	SALES	
		Volume (Sq.Mtrs.)	Value (₹ in lacs)
Vitrified Tiles	19,94,815 (24,79,752)	21,75,454 (27,47,899)	8,347.57 (10,568.89)
Ceramic Tiles	- (75)	2,00,360 (2,43,856)	640.24 (780.00)
Earth Work (Sales receipts)	- (-)	- (-)	3,274.22 (3,306.97)

(Figures in brackets indicate corresponding values for the previous year)

As may be seen from the above statement, that there was no production of Ceramic tiles, production of Vitrified tiles reduced by 22% and Granite Division has not produced any slabs during the year. Overall sales revenue has also been reduced. With the result the Company has incurred a profit of ₹157.03 lakhs for the year under report compared to profit of ₹ 171.90 lakhs for the previous year.

OUT-LOOK

The Company is in the process of starting a new plant at Sira Taluk, Tumkur. The civil construction work has been completed. As per the present phase of work the commercial production from the new plant may begin this financial year. The Company is planning to produce value added vitrified tiles from the new facility in Sira unit like Double charge, Glaze Vitrified tiles, Nano and Digital printing tiles. Action has been initiated to widen our distribution network, to absorb the additional production from the new unit. The industry has a positive outlook on the sidelines of governmental reforms in order to attract more foreign investment in real estate and retail section.

RISKS AND CONCERNS

The foreign brands are found to have managed to cross the barriers and gained entry into the domestic market at cheaper rates. Even though Vitrified tiles produced by the Company is of higher quality, still such low cost foreign tiles will impair the balance of pricing on consideration of price factor atleast for the section of society for which cost is the criteria. Major concerns of the Company is increase in transportation cost. Though there is marginal reduction in the diesel price, the said decrease will not affect the transportation cost. Cost of power at Karaikal unit is very high and also the Natural Gas allocation at Karaikal plat is very minimal.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

Day to day administration is looked after by the Managing Director under supervision, control and guidance of the Executive Committee of Directors headed by Dr. R N Shetty as Chairman. The Company has a separate internal audit department with experienced staff, placed under the supervision and control of the Vice President (Finance) and CFO. The Company has also appointed a practicing chartered accountant to conduct the Internal audit and to submit a report for the Board. The system control of the Company is functioning efficiently with most of the branches electronically connected with the Head Office. The organizational set up and the system control have been efficient. The internal control procedures are adequate and efficient.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance and operational performance has been morefully described in the Board of Directors report. Shareholder may refer point No.1 and 2 of the Board of Directors report for further reference.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

As at the end of the year the Company had 334 employees on the rolls. The Company continued to engage services of senior level personnel even at branches level to ensure better control and coordination. Management also continues to give due importance for Manpower training and motivation. Customer care and Customer satisfaction are being ensured with meticulous care. The understanding between the Management and workers continues to be cordial.

CAUTION

Opportunities, threats, outlook, forecasts in any form and manner, made in this section or any other sections of this Annual Report are purely based on management perceptions made on situations as could be reasonably foreseen under the existing conditions. But various factors viz., capacities elsewhere, technology related matters, inflationary trends, unexpected recession and changes in policies of the Government etc., may impair such perceptions and adversely impact on calculations of the management.

INDEPENDENT AUDITORS' REPORT

To,

**The Members of
MURUDESHWAR CERAMICS LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of **Murudeshwar Ceramics Limited** ('the Company') which comprise the Balance Sheet as at **31st March, 2016**, the Statement of Profit and Loss for the year, the Cash flow statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements :

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility :

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

- We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
- We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and **its profit** and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements :

As required by Section 143 (3) of the Act, we report that :

- 1) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- 2) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- 3) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

INDEPENDENT AUDITORS' REPORT (Contd.)

- 4) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- 5) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- 6) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- 7) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Murudeshwar Ceramics Limited** ("the Company") as of **31 March 2016** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT (Contd.)

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
