Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The information under section 134 (3) (m) of the Companies Act, 2013 read with Rule 8 (3) of the Companies (Accounts) Rules, 2014 for the year ended March 31, 2016 is given here below and forms part of the Directors Report.

A. CONSERVATION OF ENERGY

AVT Natural Products Limited is committed to conserve energy in all our activities. We have been doing energy conservation projects for many years. This year also we have taken steps to conserve energy.

- Provided variable frequency drive for all fans in decaffeinated tea drying plant to save power.
- Rainwater harvest system capacity increased 80% by adding catchment area of 5000 SQM and reservoir capacity increased to 18000 KL.
- Reduced usage of Diesel Generator (DG) for maintaining maximum demand with proper usage of automated Maximum Demand management system.

B. TECHNOLOGY ABSORPTION

Research and Development (R & D)

1. Specific areas in which R&D is carried out by the Company

Presently the Company is focusing on two areas of R & D:

- (a) Marigold Seed Development
- (b) New Product Lines

2. Benefits derived as result of above R&D

(a) Marigold Seed Development:

Marigold oleoresin (MGOR) has been the main product of the Company for more than 16 years. Today the Xanthophyll content in flowers has increased in meal and consistent, as a result of the continued seed breeding research program thrust undertaken by the Company. Superior hybrid seeds producing higher Yield and Xanthophylls in flowers are the key factors to remain competitive and sustain leadership in the marigold business. New hybrid seeds are tested and used to produce marigold flowers. Apart from higher Xanthophyll concentrations leading to lower production costs, superior seeds benefit the farmers through increased yields and returns.

b) New Product Lines:

New products are given focus to increase the product portfolio other than core competent products. Opportunities are explored in spice oleoresins, decaffeinated teas and tea extracts for nutraceutical application and soluble teas and speciality products to cater to Ready to Drink (RTD) business, which are significant product lines today and constitute about 35% of the overall business of the Company. DSIR approval obtained for another 3 years would enable increase of new product development through R&D program.

3. Future plan of action

The Company is strengthening its capabilities in seed development by moving from conventional breeding to modern techniques like Marker Assisted Molecular Breeding Program. We are in the process of a fast track in-house hybrid development program through which several new hybrids are developed. These hybrids will be field tested and after doing a scientific evaluation in the coming years, it will be released for commercial flower production in the future. Agro R&D team is also working on Mutation Breeding Techniques and using Molecular Marker techniques new parental lines are developed having high Xanthophyll. These high Xanthophyll parental lines will be utilized in new Hybrid development in the coming years. The hybrid seed improvement is a continuous program where efforts are made utilizing latest bio-technological tools to improve marigold hybrids constantly increasing Xanthophyll concentration, improvement in agronomic traits and developing disease resistant types.

Major thrust in new products will be in liquid seasonings, curry flavours, nutraceuticals, anti-oxidants and substitutes for anti-biotics in feed industry, pest and insect repellents based on natural extracts in Agriculture. Technology development for improved flavour delivery and ease in consumer application are the other thrust areas.

4. Expenditure on R&D (in Rupees)

Management Discussion and Analysis Report

Business Overview:

Your company is a 100% EOU involved in Agribusiness. Global Market conditions & the weather plays a major part in the company's performance. Global market conditions continue to be challenging during the year under review due to the low domestic growths recorded in the importing countries particularly USA, Europe & Japan. Prices for the major products of the company is under pressure due to the above conditions particularly our major product Marigold oleoresin due to the patent expiry in 2014. Weather played a negative role with absence of rainfall for almost 70 days during the peak crop stage during the year under review. Continued high level of Inflation in India also resulted in high wage costs leading to significant increase in employee costs.

However, your company's efforts in improving the Costs & efficiencies with special emphasis on Cost reduction programmes at every unit operations across the supply chain, product diversification & the depreciated Indian rupee, helped the company to maintain a healthy Profit levels.

Margin pressures in Marigold due to cost escalations, Chinese competition & substantial lower prices for post patent food grade made us to strategically move to higher

volumes in marigold to sustain the growth and market share. Your company is happy to confirm that we have made good inroads into feed market which is a stepping stone for further expansions in the years to come. The Spice Oleo business is also steadily improving at 10 – 15% year to year. In the value added beverages verticals, your company continue to do well in Decaffeinated tea segment with the support of your subsidiary company AVT Tea Services Ltd., getting higher volumes and the extraction plant improving the quality & costs. Instant Tea segment has made steady progress and have become very competitive in price for a better quality output, the result of which is seen the last half of the year with some traction. This is expected to bring in much larger volumes with better contribution in the near future.

Performance at a glance

Your Company recorded a turnover of Rs 268.47 crores for 2015-16 against Rs 259.88 crores of previous year. The company profit levels continue to be healthy by focusing on cost control & efficiency improvement measures implemented during the year.

Company has repaid all long term and short term borrowings and recorded "Zero Debt" status for the third consecutive year.

Future outlook

The Marigold Business continues to dominate the top line and bottom line of the company. The aim of your company is to bring this dependence on marigold down & spread the risk in future on one part while consolidating in the major product by becoming the least cost producer of the product. Your company is one of the fully integrated & most profitable companies in the Marigold oleoresin business. Given its scale of operations & continued focus on cost efficiencies, your company will soon become the least cost producer of Marigold oleoresin in the world. To achieve this end, your company has invested on most modern technology adaption for the Marigold Hybrid seed development on one hand & improve efficiencies through innovative process modifications on the other. On the Marigold growing areas, Company is going aggressive in getting more areas and reaching out to larger farmer base.

On the Spice oils & oleoresin segment, Your Company is looking for substantial increase on the top lines retaining the margin in the years to come. Company is tapping the possibilities of spice oleos being used for other purposes other than food which is a highly growing new market. Instant tea business is expected to take off in 2016 – 17 through customer focus & increasing the number of customers including the Multinationals & penetrating to the new geographies. On Decaff, Your Company plans to improve the capacity utilization of the plant from the current levels.

Development work is continuously on at AVT NPL's R & D for new products for the future. Substantial bench & pilot scale work is going on for adapting Innovative new technologies for improving the costs & efficiencies in the current verticals.

Risk Mitigation

The major risk factors envisaged are the ever increasing employee costs and the over dependence on one product/

customer Marigold oleoresin/Kemin (controllable apart from the key risks of monsoon failure & currency fluctuation (uncontrollable).

To address these concerns, your company has embarked on increasing the employee productivity, increasing the volume, attracting multiple new customers for feed grade marigold and enhancing the product portfolio. For addressing the uncontrollables, AVT Natural uses cultivation in different agro climatic zones / multi season growing and appropriate rupee hedging strategies.

To address the challenges of Post patent nutraceutical marigold, AVTNPL continues its thrust on efficiency improvement & cost reduction measures including adapting most modern technologies for their process.

Internal Controls

The Company has strong Internal controls systems commensurate with the nature of its business and the size and complexity of its operations. These are reviewed periodically by both Statutory as well as Internal Auditors and cover all offices, factories and key business areas. The Audit committee reviews adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations, including those relating to strengthening of the Company's risk management policies and systems.

Human resources

We continue to invest in our employees through various external and internal training programs. AVT NPL enjoys excellent employee relations which have been built over years by taking various initiatives to enhance the employee morale. Management believes and take actions to update the technical and Managerial skills of employees to achieve the much needed competitive advantage in the global market. As on 31st March 2016, the Company is having the strength of 226 employees.

Auditors Certificate on Compliance with the conditions of Corporate Governance under Schedule V (E) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

The Members of
AVT Natural Products Limited, Chennai.

We have examined the compliance of conditions of corporate governance by AVT Natural Products Limited ('the Company') for the year ended 31st March 2016, as stipulated in Clause 49 of the Listing Agreement ('Listing Agreement') of the Company with stock exchange(s) for the period 1st April 2015 to 30th November 2015 and as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to in Regulations 15(2) of the Listing Regulations for the period 1st December 2015 to 31st March 2016.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement/Listing Regulations, as applicable.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT

To the members of AVT Natural Products Limited, Chennai

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of AVT Natural Products Limited ('the Company') which comprise the Balance Sheet as at 31st March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on

the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2016, and its Profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2016 ('the Order'), issued by the Central Government of India in terms of sub-section 11 of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

- e. on the basis of the written representations received from the directors as on 31st March 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2016 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer our separate report in Annexure B; and
- g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in

its financial statements - Refer Note 27(d) to the financial statements;

- ii) The Company did not have any long term contracts for which there were any material foreseeable losses - Refer Note 28 to the financial statements;

ANNEXURE B TO THE REPORT OF THE AUDITORS

To the members of AVT Natural Products Limited, Chennai

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AVT NATURAL PRODUCTS LIMITED (“the Company”) as of 31st March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued

by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting

and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON ACCOUNTS

Forming part of Balance Sheet as at 31st March 2016

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES

1) ACCOUNTING CONVENTION:

The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis of accounting in accordance with the generally accepted accounting principles and Accounting Standards notified under section 133 of the companies Act 2013 read with rule 7 of the Companies (Accounts) Rules, 2014.

2) FIXED ASSETS :

- a) Fixed Assets are stated at historical cost less depreciation. Cost includes, taxes and duties (but does not include taxes and duties for which CENVAT / VAT credit is available), freight and other direct or allocated expenses during construction period, net of any income earned. Assets acquired on hire purchase are capitalised at principal value.
- b) Amount of provisional consideration paid on land acquired under registered lease-cum-sale agreement for twenty one years; with option to the Company to convert the lease into absolute sale at the expiry of the lease; subject to fulfilment of the terms and conditions specified and payment of additional consideration, if any, to be fixed at that time, is capitalised and included, without being amortised over the period of lease.
- c)
 - (i) Buildings and structures constructed on land acquired under lease-cum- sale agreement with option to convert the lease into absolute sale at the expiry of the lease are depreciated in the normal way and such assets on other lease-hold land are amortised over the period of lease.
 - (ii) Tangible Fixed Assets at Tiptur and Decaffeination / Instant Tea Plant at Vazhakulam are depreciated on Written Down Value Method by adopting the useful life specified in Schedule II of the Companies Act 2013. Other Assets are depreciated on Straight Line Method by adopting the useful life specified in Schedule II of the Companies Act 2013 except for continuous process plant of marigold and spices which has been charged over 15 years based on technical evaluation. Assets costing individually less than Rs.5000/- are depreciated at 100% in the year of purchase. Depreciation for assets purchased / sold during a period is proportionately charged.
 - (iii) Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, commencing from the date the asset is available to the Company for its use. Depreciation and amortization methods, useful lives and residual values are reviewed periodically, including at each financial year end.

3) IMPAIRMENT OF ASSETS:

The Company reviews the carrying amounts of its assets for any possible impairment at each balance sheet date.

An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount and the impairment loss, if any, is recognized in the Statement of Profit & Loss.

4) INVESTMENTS:

Long term Investments are stated at cost. Decline in value of long term investments, other than temporary, is provided for. Current Investments are stated at lower of cost and fair value.

5) INVENTORIES :

Inventories are valued at lower of cost on weighted average basis and net realisable value, after providing for obsolescence wherever considered necessary. Cost includes taxes and duties (other than duties and taxes for which CENVAT / VAT credit is available), freight and other direct expenses.

6) EMPLOYEE BENEFITS:

Gratuity liability, which is a defined benefit scheme and provision for leave encashment is accrued and provided for on the basis of independent actuarial valuation based on projected unit credit method made at the end of each financial year. Actuarial gains and losses are recognised in the Statement of profit and loss and are not deferred.

NOTES ON ACCOUNTS

Forming part of Balance Sheet as at 31st March 2016 (Contd.)

Retirement benefits in the form of Provident Fund, Family Pension Fund and Superannuation Schemes, which are defined contribution schemes, are charged to the Statement of profit and loss of the year when the contribution to the respective funds accrue.

7) REVENUE RECOGNITION:

Revenue is recognised on their accrual and when no significant uncertainty on measurability or collectability exists. Expenditure is accounted for on their accrual.

Sale of Goods:

Revenue is recognised when all the significant risks and rewards of ownership of the goods have been passed on to the buyer, usually on delivery of goods. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

Dividends:

Dividend income is recognized when the Company’s right to receive dividend is established by the reporting date.

8) FOREIGN CURRENCY TRANSACTION:

Transactions in foreign currency are recorded at the rates of exchange in force at the time the transactions are effected. Monetary items denominated in foreign currency and outstanding at the Balance Sheet date are converted at the year end exchange rates and the resultant loss or gain other than for acquisition of fixed assets, is dealt with in the Profit and Loss Account. The Company uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates and the resultant gain or loss is dealt with in the Profit and Loss Account. Premium or discount on forward contracts is amortised over the life of such contract and is recognized as income or expense in the Profit and Loss account. Exchange differences arising on settlement / translation of long term monetary items utilized for acquisition of Fixed Assets are adjusted to carrying cost of Fixed Assets.

9) BORROWING COSTS :

Borrowing costs attributable to the acquisition or construction of qualifying asset is capitalized as part of such assets. All other borrowing costs are charged to revenue. A qualifying assets is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

10) TAXES ON INCOME:

Provision for Income-tax is made for both current and deferred tax. Provision for current income tax is made on the assessable income at the tax rate applicable to the relevant assessment year. Deferred tax is accounted for by computing the tax effect of the timing difference which arise during the year and reverse out in the subsequent periods. Deferred tax is calculated at the tax rates substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only if there is a virtual certainty that they will be realized.

11) GOVERNMENT GRANTS:

Subsidies from government in respect of fixed assets are deducted from the cost of respective assets as and when they accrue.

Subsidies related to revenue are recognised in the profit and loss statement to match them with the related costs which they are intended to compensate.

NOTES ON ACCOUNTS

Forming part of Balance Sheet as at 31st March 2016 (Contd.)

12) RESEARCH & DEVELOPMENT:

Expenditure on research phase is recognised as an expense as and when it is incurred.

Expenditure on development phase is recognized as intangible assets if it is identifiable, capable of being controlled and from which future economic benefits are expected to flow to the enterprise. Intangible assets are stated at cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment.

13) EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting the preference dividends and attributable taxes) by the weighted average number of equity share holders outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

14) PROVISIONS & CONTINGENT LIABILITY:

Provision is recognised when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognise contingent liability but discloses its existence in financial statements.

Contingent Assets are neither recognised nor disclosed.

15) CASH FLOW STATEMENT:

Cash Flow Statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of

- a) Transactions of a non-cash nature.
- b) Any deferrals or accruals of past or future operating cash receipts or payments and
- c) Items of income or expense associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in Cash Flow Statement.

CONSOLIDATED STATEMENTS

INDEPENDENT AUDITORS' REPORT

To the members of AVT Natural Products Limited, Chennai

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of AVT Natural Products Limited (‘the Holding Company’) and its subsidiaries (collectively referred to as ‘the Group’), comprising of the Consolidated Balance Sheet as at 31st March 2016, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as ‘the consolidated financial statements’).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 (‘the Act’) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as ‘the Act’) read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the Company included in the group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March 2016, and its Consolidated Profit and their cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements of two subsidiaries, whose financial statements reflect total assets of Rs.16.4 crores as at, 31st March 2016, total revenues of Rs. 48.55 crores and net cash flows amounting to Rs. 1.74 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements have

been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section,(3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors ;

ANNEXURE A TO THE REPORT OF THE AUDITORS

To the members of AVT Natural Products Limited, Chennai

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31st March 2016 we have audited the internal financial controls over financial reporting of AVT NATURAL PRODUCTS LIMITED (hereinafter referred to as ‘The Holding Company’) which is incorporated in India as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the holding company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established

and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company which is the Company incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls

over financial reporting were operating effectively as at 31st March 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Sr. Vice President & CFO

CONSOLIDATED NOTES ON ACCOUNTS

Forming part of Balance Sheet as at 31st March 2016

NOTE 1. SIGNIFICANT ACCOUNTING POLICIES

1) ACCOUNTING CONVENTION:

The financial statements have been prepared on a going concern basis under the historical cost convention on accrual basis of accounting in accordance with the generally accepted accounting principles and Accounting Standards notified under section 133 of the companies Act 2013 read with rule 7 of the Companies (Accounts) Rules, 2014.

2) FIXED ASSETS :

- a) Fixed Assets are stated at historical cost less depreciation. Cost includes, taxes and duties (but does not include taxes and duties for which CENVAT / VAT credit is available), freight and other direct or allocated expenses during construction period, net of any income earned. Assets acquired on hire purchase are capitalised at principal value.
- b) Amount of provisional consideration paid on land acquired under registered lease-cum-sale agreement for twenty one years; with option to the Company to convert the lease into absolute sale at the expiry of the lease; subject to fulfilment of the terms and conditions specified and payment of additional consideration, if any, to be fixed at that time, is capitalised and included, without being amortised over the period of lease.
- c)
 - (i) Buildings and structures constructed on land acquired under lease-cum- sale agreement with option to convert the lease into absolute sale at the expiry of the lease are depreciated in the normal way and such assets on other lease-hold land are amortised over the period of lease.
 - (ii) Tangible Fixed Assets at Tiptur and Decaffeination / Instant Tea Plant at Vazhakulam are depreciated on Written Down Value Method by adopting the useful life specified in Schedule II of the Companies Act 2013. Other Assets are depreciated on Straight Line Method by adopting the useful life specified in Schedule II of the Companies Act 2013 except for continuous process plant of marigold and spices which has been charged over 15 years based on technical evaluation. Assets costing individually less than Rs.5000/- are depreciated at 100% in the year of purchase. Depreciation for assets purchased / sold during a period is proportionately charged.
 - (iii) Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, commencing from the date the asset is available to the Company for its use. Depreciation and amortization methods, useful lives and residual values are reviewed periodically, including at each financial year end.

3) IMPAIRMENT OF ASSETS:

The Company reviews the carrying amounts of its assets for any possible impairment at each balance sheet date.

An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount and the impairment loss, if any, is recognized in the Statement of Profit & Loss.

4) INVESTMENTS:

Long term Investments are stated at cost. Decline in value of long term investments, other than temporary, is provided for. Current Investments are stated at lower of cost and fair value.

5) INVENTORIES :

Inventories are valued at lower of cost on weighted average basis and net realisable value, after providing for obsolescence wherever considered necessary. Cost includes taxes and duties (other than duties and taxes for which CENVAT / VAT credit is available), freight and other direct expenses.

6) EMPLOYEE BENEFITS:

Gratuity liability, which is a defined benefit scheme and provision for leave encashment is accrued and provided for on the basis of independent actuarial valuation based on projected unit credit method made at the end of each financial year. Actuarial gains and losses are recognised in the Statement of profit and loss and are not deferred.

CONSOLIDATED NOTES ON ACCOUNTS

Forming part of Balance Sheet as at 31st March 2016 (Contd.)

Retirement benefits in the form of Provident Fund, Family Pension Fund and Superannuation Schemes, which are defined contribution schemes, are charged to the Statement of profit and loss of the year when the contribution to the respective funds accrue.

7) REVENUE RECOGNITION:

Revenue is recognised on their accrual and when no significant uncertainty on measurability or collectability exists. Expenditure is accounted for on their accrual.

Sale of Goods:

Revenue is recognised when all the significant risks and rewards of ownership of the goods have been passed on to the buyer, usually on delivery of goods. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

Dividends:

Dividend income is recognized when the Company’s right to receive dividend is established by the reporting date.

8) FOREIGN CURRENCY TRANSACTION:

Transactions in foreign currency are recorded at the rates of exchange in force at the time the transactions are effected. Monetary items denominated in foreign currency and outstanding at the Balance Sheet date are converted at the year end exchange rates and the resultant loss or gain other than for acquisition of fixed assets, is dealt with in the Profit and Loss Account. The Company uses foreign exchange forward contracts to hedge its exposure to movements in foreign exchange rates and the resultant gain or loss is dealt with in the Profit and Loss Account. Premium or discount on forward contracts is amortised over the life of such contract and is recognized as income or expense in the Profit and Loss account. Exchange differences arising on settlement / translation of long term monetary items utilized for acquisition of Fixed Assets are adjusted to carrying cost of Fixed Assets.

9) BORROWING COSTS :

Borrowing costs attributable to the acquisition or construction of qualifying asset is capitalized as part of such assets. All other borrowing costs are charged to revenue. A qualifying assets is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

10) TAXES ON INCOME:

Provision for Income-tax is made for both current and deferred tax. Provision for current income tax is made on the assessable income at the tax rate applicable to the relevant assessment year. Deferred tax is accounted for by computing the tax effect of the timing difference which arise during the year and reverse out in the subsequent periods. Deferred tax is calculated at the tax rates substantively enacted by the Balance Sheet date. Deferred tax assets are recognized only if there is a virtual certainty that they will be realized.

11) GOVERNMENT GRANTS:

Subsidies from government in respect of fixed assets are deducted from the cost of respective assets as and when they accrue.

Subsidies related to revenue are recognised in the profit and loss statement to match them with the related costs which they are intended to compensate.

CONSOLIDATED NOTES ON ACCOUNTS

Forming part of Balance Sheet as at 31st March 2016 (Contd.)

12) RESEARCH & DEVELOPMENT:

Expenditure on research phase is recognised as an expense as and when it is incurred.

Expenditure on development phase is recognized as intangible assets if it is identifiable, capable of being controlled and from which future economic benefits are expected to flow to the enterprise. Intangible assets are stated at cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment.

13) EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting the preference dividends and attributable taxes) by the weighted average number of equity share holders outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a right issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

14) PROVISIONS & CONTINGENT LIABILITY:

Provision is recognised when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognise contingent liability but discloses its existence in financial statements.

Contingent Assets are neither recognised nor disclosed.

15) CASH FLOW STATEMENT:

Cash Flow Statement is prepared segregating the cash flows from operating, investing and financing activities. Cash flow from operating activities is reported using indirect method. Under the indirect method, the net profit is adjusted for the effects of

- a) Transactions of a non-cash nature.
- b) Any deferrals or accruals of past or future operating cash receipts or payments and
- c) Items of income or expense associated with investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in Cash Flow Statement.
