MANAGEMENT'S DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

India is the Second largest producer of Shrimp in the world after China. There are about three Lakh farmers engaged in Shrimp Farming in India. Against the potential of 11.91 lakhs Hectares, only 1.5 lakhs of Hectares of land has been brought under Aqua Culture. Andhra Pradesh has Nine Coastal Districts with a coast line of 974 kms. having an estimated potential brackish water area of 1,50,000 Hectares for shrimp farming out of which an area of about 75,000 Hectares is under Aqua Culture cultivation. This constitutes about 47% of total area under Aqua Culture in India. Due to persistent viral attacks most of the corporate aquaculture companies had discontinued their operations and shut their processing plants due to heavy losses.

2. OPPORTUNITIES AND STRENGTHS

At present the corporate aquaculture industry is in dire straits due to mounting losses and your company is not an exception to this trend. As the entire net worth of the Company has been eroded, NCC Bluewater Products Limited was referred to BIFR and was registered as a Sick Company. However, in order to satisfy the liabilities of the consortium of banks the company has entered into a One Time Settlement with the consortium and with the assistance extended by its parent company i.e. Nagarjuna Construction Co. Ltd., has paid off the entire dues under One Time Settlement.

3. RISKS AND CONCERNS

The aquaculture structure in the country has become highly risky and hence your company is planning to curtail the level of operations and has disposed off the processing plant. The company is also seriously considering other avenues of business.

4. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Management has formulated Internal Control Systems to ensure safeguarding of the assets and interests of the company. The Internal Control Systems are devised to promote operational efficiencies at the work place.

The Internal Controls are reviewed by the Audit Committee of the Board.

We have audited the attached Balance Sheet of M/s NCC BLUEWATER PRODUCTS LIMITED as at 31st March 2010 and also the Profit and Loss account for the year ended on that date annexed thereto and the cash flow statement for the year ended on that date. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India.
