MANAGEMENT DISCUSSION ANALYSIS REPORT

INFRASTRUCTURE OVERVIEW:

A strong infrastructure sector is vital to the development of a country's economy. Here, the Indian government has played an important role. Just recently, it allowed 100 per cent foreign direct investment (FDI) under the automatic route for port development projects. The government has also, this year, decided to convert roads into national highways, and has sought collaboration with Sudan in the field of renewable energy.

India's Planning Commission has projected an investment of US\$ 1 trillion for the infrastructure sector during the 12th Five-Year Plan (2012-17), with 40 per cent of the funds coming from the country's private sector. India's focus on infrastructure since the turn of the millennium has helped make it the second fastest growing economy in the world. The country's constant growth gives investors, domestic and foreign tremendous opportunity for investment in its infrastructure sector.

GOVERNMENT INITIATIVES:

Some of the Indian government's recent initiatives in the infrastructure sector are summarised below:

The Union Cabinet in February 2014 gave its approval for declaration of around 7,200 km of State Roads as new national highways. Other road development projects in the pipeline include existing national highways network totaling 21,271 km, which are not covered under any programmes/schemes as of now.

Also, in a move to enhance energy efficiency of the Indian Railways, a web-based Electrical Energy Management System, RAILSAYER, was inaugurated by Mr Kul Bhushan, Member Electrical, Railway Board, in April 2014. The portal will be used for tackling the challenges of global warming and sustainability of the environment.

In another development, the Indian government has facilitated 100 per cent FDI under the automatic route for port development projects. A 10-year tax holiday has been accorded to enterprises that are engaged in the business of developing, maintaining and operating ports, inland waterways and inland ports.

The country is also looking to collaborate with foreign partners. India and Sudan have good potential for enhancing cooperation in promoting renewable energy, as per Dr Farooq Abdullah, Union Minister of New and Renewable Energy, Government of India. The Minister has also offered Indian assistance for developing renewable energy resources in Sudan.

INDUSTRY OUTLOOK:

India Ratings & Research (Ind-Ra) has maintained an overall negative outlook for the infrastructure sector for FY16. While several availability-based road projects and the rated airports are likely to display stable credit characteristics through FY15, the outlook remains negative for toll roads under construction as well as those in early stages of operations along with minor seaports. Thermal power projects will continue to face stress on account of unresolved off-take and fuel supply issues and hence carry a negative outlook; on the other hand, the agency expects renewable power projects (wind and solar in particular) to be largely stable.

OPPORTUNITIES & THREATS:

Opportunities:

1. The growth in population and economy leading demand for infrastructure and its opportunity to provide better infrastructure
2. The government estimates that \$1 trillion of investments will be required for developing India's infrastructure in the 12th plan period.
3. Drawing up medium- and long-term strategies, based on expected growth in the sector

Source Industries (India) Limited

4. Benchmarking current and expected IRRs with those projected by industry
5. Understanding the impact of the regulatory environment on business

Threats:

1. Uncertainty, especially Mining sector due to delay in resolving environmental and social issues.
2. Demand for higher capacity equipment, in line with the global market trend.
3. High expectations of contractor segment.
4. Increasing pressure on reducing ownership costs.
5. Improved technology for operational cost to stay ahead in business.
6. Innovative marketing strategies to counter competition from MNCs by
7. Uncertainty in Defense business.
8. Attrition in skilled manpower.
9. Project imports at nil duty.
10. Opening up of Defense purchases to private sector increasing further competition.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an internal control system designed to provide high degree of assurance regarding optimization and safeguarding of resources, quality and reliability of financial and operational information, compliance with applicable statutes and corporate policies. It is the Company's Endeavour to align all its processes and controls with global best practices

The internal audit process is designed to review the adequacy of internal control checks in the system and covers all significant areas of the company's operations. The internal audit department performs risk based audits, based on an internal audit plan, which is reviewed each year in consultation with the statutory auditors and the audit committee. The Audit Committee reviews audit reports submitted by the internal auditors and follow up on the implementation of corrective actions periodically.

FUTURE OUTLOOK

All the Independent Directors were present at the Meeting.

FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS:

During the year, the Independent Directors were regularly apprised with the Company's overview and its operations by the Senior Management team. Further, the business unit heads make presentation to the Board during the Board meeting on a quarterly basis pertaining to the performance and future strategy of their respective business units. The Board was also regularly apprised of all regulatory and policy changes. Our Familiarization Programme may be accessed on our Website.

PERFORMANCE EVALUATION:

Pursuant to the provisions of the Companies Act, 2013 and SEBI (LODR) 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination and Remuneration and Compliance Committees.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgment, safeguarding the interest of the Company and its minority shareholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non Independent Directors was carried out by the Independent Directors who also reviewed the performance of the Secretarial Department. The Directors expressed their satisfaction with the evaluation process.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Source Industries (India) Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying financial statements of Source Industries (India) Limited ("the Company"), which comprise the Balance Sheet as on 31st March, 2020 and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its Loss, its total comprehensive Loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Source Industries (India) Limited

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197 of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

Source Industries (India) Limited

- i. The Company does not have any pending litigations to which would have an impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF SOURCE INDUSTRIES (INDIA) LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of **Source Industries (India) Limited**

We have audited the internal financial controls over financial reporting of Source Industries (India) Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

Source Industries (India) Limited

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Corporate information

Source Industries (India) Limited ('the company') is having the business of Textile. The Company was incorporated on 12th June, 1984 in Hyderabad and listed on BSE dated 22nd January, 2001.

The Financial statements for the year ended March 31, 2020 were approved by the Board of Directors and authorised for issue on 25th June, 2020.

1 Significant Accounting Policies

1.1 Basis of preparation of financial statements

These Financial statements have been prepared in accordance Indian Accounting Standards (Ind As) according to the notification issued by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('the act') read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

1.2 Use of Accounting Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial Statements, the reported amount of revenues and expenses during the reported period and disclosure of contingent liabilities. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

1.3 Revenue recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection.

Interest Income is recognised on an accrual basis.

1.4 Property, plant and equipment & Capital work-in-progress

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset.

Capital work-in-progress comprises the cost of the fixed assets that are not yet ready for their intended use at the balance sheet date.

1.5 Depreciation and Goodwill

Depreciation is provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The useful lives of assets are periodically reviewed and re-determined and the unamortised depreciable amount is charged over the remaining useful life of such assets. Assets costing Rs. 5,000/-and below are depreciated over a period of one year.

Source Industries (India) Limited

1.6 Foreign Currency Transactions

The company translates all foreign currency transactions at Exchange Rates prevailing on the date of transactions. Exchange rate differences resulting from foreign exchange transactions settled during the year are recognized as income or expenses in the period in which they arise.

Monetary current assets and monetary current liabilities that are denominated in foreign currency are translated at the exchange rate prevalent at the date of the balance sheet. The resulting difference is also recorded in the income or expenses.

1.7 Taxes on Income

Income tax comprises current income tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

a) Current income tax: Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company off sets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

b) Deferred tax: Deferred tax asset and liabilities are measured at the tax rates that are expected to apply to the period when the asset / liability is realized, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date. Deferred Tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

1.8 Earning Per Share (EPS)

In determining earnings per share, the company considers the net profit after tax expense. The number of shares used in computing basic earnings per share is the weighted average shares used in outstanding during the period.

1.9 Investments

Long term unquoted investments are stated at cost & all other investments are carried at lower of cost or fair value.

1.10 Impairment of non-financial assets

The Company assess at each reporting date whether there is any indication that the carrying amount from non financial assets may not be recoverable. If any such indication exists, then the asset's recoverable amount is estimated and an impairment loss is recognised if the carrying amount of an asset or Cash generating unit (CGU) exceeds its estimated recoverable amount in the statement of profit and loss.

Goodwill is tested annually for impairment. For the purpose of impairment testing, goodwill arising from a business combination is allocated to CGUs or groups of CGUs that are expected to benefit from the synergies of the combination.

1.11 Provisions and Contingent Liabilities

A Provision is recognized if, as a result of past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the present obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.12 Financial Instruments

A financial instrument is any contract that give rise to a financial asset of one entity and a financial liability or equity of another entity.

Initial Recognition

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Subsequent Measurement

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved both by collection contractual cash flows on specified dates to cash flows that are solely payments of principal and interest on the amount outstanding and selling financial assets.

Financial assets at fair value through Profit and Loss

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs that are directly attributable to the acquisition of financial assets and liabilities at fair value through profit and loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are classified as measured at amortised cost or Fair Value Through Profit and Loss Account (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in statement of profit and loss. Any gain or loss on DE recognition is also recognised in statement of profit and loss.

Source Industries (India) Limited

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for DE recognition as per Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above are considered an integral part of the Company's cash management.

1.13 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.
