[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Pasari Spinning Mills Limited,

No. 18, III Floor, Anjaneya Temple Road,

Yediyur, Jayanagar 6th Block,

Bangalore-560082

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Pasari Spinning Mills Limited (hereinafter called 'the Company') CIN- L85110KA1991PLC012537. Secretarial Audit was conducted in accordance with the Guidance Note issued by the Institute of Company Secretaries of India (a statutory body constituted under the Company Secretaries Act, 1980) and in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books papers, minutes books, forms and returns filed and other records maintained by the Company and read with the Statutory Auditors Report on Financial Statements and their certificate on compliance with the conditions of relevant provisions of the SEBI (Listing Obligations and Disclosure Requirement) and also the information provided by the Company its officers, agents and authorised representatives during the conduct of secretarial audit, I hereby report that in my opinion and to the best of my information, knowledge and belief and according to the explanations given to me, the Company has during the audit period covering the financial year ended on 31.03.2021 complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board-process and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Pasari Spinning Mills Limited for the financial year ended on 31.03.2021 according to the applicable provisions of:

1. The Companies Act, 2013(the Act) and the rules made thereunder;
2. The Securities Contract (Regulation) Act, 1956 and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-Laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable to the Company;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 to the extent applicable to the Company:
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not applicable to the Company during the audit period)
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

Management discussion and Analysis

Industry structure and developments:

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. Textile Industry is providing one of the most basic needs of people and holds importance; maintaining sustained growth for improving quality of life.

The unprecedented COVID 19 health care crisis has caught the entire world off-guard. To say the least, it has devastated manufacturing operations, supply chains and has sent shocks to the global economy. Governments worldwide had imposed indefinite lockdowns, restrictions on movement, and thus any sort of economic activity. The national lockdown in India was one of the most severe and longest in duration. As the world tries to vaccinate itself out of this pandemic, the mutations and pathways of the disease evolution are very much unknown, and will continue to cast shadow of uncertainty on the outlook. It is extremely difficult to provide an industry outlook, given the context that this is a constantly evolving and still unfolding situation.

Opportunities and threats:

The promoters of your company are planning for entering into retail industries, currently the retail market is lucrative when compared with manufacturing industries and thereby have the hope of recovering from the present financial crisis.

Segment wise performance and Company outlook:

Due to

- Increase in cost of raw material.
- No substantial increase in the selling price of finished product (Cotton Yarn)
- Regular absenteeism of the workmen
- Frequent interruption in the power supply
- Increase in the cost of electricity
- Higher Indirect Taxes, Power and Interest Rates
- Non favorable market conditions to the textile industry.

Company was unable to run the factory, and the production was stopped from the end of July 2011, and the promoters, requested the Hon'ble Labour Department to grant the permission for closure of the factory. The Hon'ble labour department has granted the permission to close the factory located at Nanjangud vide its order No Ka.Ee 114 LMW 2007 dated 29th November 2011.

PASARI SPINNING MILLS LIMITED was undertaking manufacture of Cotton Yarn at its Unit located at KIADB Industrial Area, Nanjangud, Mysore District with spindle capacity of 17,472.

Outlook:

The promoters of your company are planning for entering into retail industries, currently the retail market is lucrative when compared with manufacturing industries and thereby have the hope of recovering from the present financial crisis.

Risk and Concerns:**Risks:**

General Economic conditions:

Presence in a highly competitive market and dependence on government & policy support and any slowdown in the global and/or Indian economy could adversely affect our business. Textile business in general is sensitive to fluctuations in the economy. Since Worldwide spread of Novel Corona Virus (Covid-19) and elimination of Quota system will lead to fluctuations in Export demand and Continuous Quality Improvement is need of the hour as there are different demand patterns all over the world, could lead to a downturn in the Textile Industry.

Socio-political risks:

In addition to economic risks, the Company faces risks from the socio-political environment, internationally as well as within the country and is affected by events like political instability, extreme weather conditions, Unfavourable labour Laws and natural calamities etc.,

Concerns:

The Promoters of your Company, taken the permission for closure of the Factory from the Hon'ble labour department, Government of Karnataka, which stopped the further losses of the Company

Internal control systems and their adequacy:

Company has reviewed internal controls and its effectiveness through the internal audit process. Internal audits were undertaken for every operational unit and all major corporate functions under the direction of the Audit committee.

The focus of these reviews are as follows:

- Identify weakness and areas of improvement
- Safeguarding of tangible and intangible assets
- Management of business and operational risks
- Compliance with applicable statutes
- Compliance with the Pasari "Code Of Conduct"

The Audit Committee of the Board oversees the adequacy of the internal control environment through regular reviews of the audit findings and monitoring implementations of internal audit recommendations through the compliance reports submitted to them.

Discussion on financial performance with respect to operational performance:

The Company could not achieve the targeted results because of Closure of the factory.

Material developments in Human Resources / Industrial Relations front, including number of people employed:

Your Company had not employed workers and staff including the factory and head office.

INDEPENDENT AUDITORS' REPORT

To,

The Members of Pasari Spinning Mills Limited
Report on the Audit of the Financial Statements
Opinion

We have audited the accompanying financial statements of Pasari Spinning Mills Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss and Statement of Changes in Equity and Cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 21 of the financial statements, which describes the status of pending litigations and its impact on the financial statements.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We don't have any key audit matters to be addressed.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to

evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of

the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Indian accounting standards specified under section 133 of the Act, read with rule 7 of the **Companies (Accounts) Rules, 2014**;
- e) On the basis of the written representations received from the Directors as on March 31, 2021 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
 - a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements in accordance with the generally accepted accounting practice.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of Pasari Spinning Mills Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Pasari Spinning Mills Limited (“the Company”) as at March 31, 2021, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and Directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management or override of controls, material misstatements due to

error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2021

Note 1: General Information

The Company was incorporated on 25th November 1991, vide CIN: L85110KA1991PLC012537, to carry on the business of Textile , Spinning, Weaving, Dying and Printing factories, conventional or modern using cotton, silk, wool, polyester fiber.

The Company has discontinued its production operations from the financial year 2010-11. The Company has no intention to continue the production operations henceforth and has decided to lease out the Factory premises. The Company has not made any sales during the current year.

Note 2: Summary of Significant Accounting Policies

(i) Basis of preparation:

(a) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2021 which were prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

(b) Historical cost convention

The financial statement has been prepared on a historical cost basis, except for:

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value

(c) The assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

(ii) Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that the future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as mentioned below:

(a) Sale of products is recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer which is based on the agreed terms. Revenue is based on price agreed with the customers. Amounts disclosed as revenue are net of returns, trade discounts, cash discounts, sales incentives,

(b) Rental income arising from operating lease of investment properties is accounted on accrual basis based on contractual terms with the lessee and is disclosed under other operating revenue in statement of profit and loss.

(iii) Investments and other financial assets:

(a) Classification

The Company classifies its financial assets under the following measurement categories:

- those to be measured subsequently at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(b) Initial recognition and measurement

All financial assets are recognised initially at its fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit

(c) Subsequent measurement

Financial assets that are held for collection of contractual cash flows, where those cash flows represent solely payments of principal and interest, are measured at amortised cost.

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at FVOCI. All equity investments are measured at fair value through other comprehensive income, except for investments in subsidiary/ associate which is measured at cost. Changes in the fair value of financial assets are recognised in statement of other comprehensive income. In those cases, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss.

Financial assets that do not meet the criteria for amortised cost or FVOCI are measured at FVTPL. A gain or loss on such financial assets that are subsequently measured at FVTPL and is recognised and presented in the statement of profit and loss.

(d) Impairment of financial assets

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value. The Company assesses the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. The losses arising from impairment are recognised in the

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(e) Derecognition of financial assets

The Company derecognises a financial asset when the contractual right to the cash flows from the financial asset expire or it transfers substantially all risk and rewards of ownership of the financial asset. A gain or loss on such financial assets that are subsequently measured at amortised cost is recognised in statement of profit and loss when the asset is derecognised.

(f) Income recognition**Interest income**

Interest income from financial assets measured at amortised cost is recognised using the effective interest rate method and are disclosed in statement of profit and loss.

Dividends

Dividends from equity instruments are recognised as other income in statement of profit and loss only when the right to receive payment is established.

(iv) Property, plant and equipment:

Freehold land is carried at historical cost and other items of property, plant and equipment including capital spares are stated at cost of acquisition or construction less accumulated depreciation when, it is probable that future economic benefits associated with the item will flow to the Company and it can be used for more than one year and the cost can be measured reliably.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it meets the recognition criteria as mentioned above. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Gains and losses on disposal are determined by comparing proceeds with carrying amount.

Depreciation on property, plant and equipments is provided using the straight line method. As required under Schedule II to the Companies Act 2013, the Company periodically assesses the estimated useful life of its tangible assets based on the technical evaluation considering anticipated technological changes and actual

The estimated useful life is either equal to or lower than those prescribed under Part C of Schedule II to the Companies Act, 2013.

PASARI SPINNING MILLS LIMITED

The estimated useful life for various property, plant and equipments is given below:

Assets	Useful life (Yrs)	Depreciation Rate
Buildings	30	3.17%
Furniture and Fixtures	10	9.50%
Vehicles	8	11.88%
Office equipment	5	19.00%
Computer	3	31.67%

Low value assets not exceeding INR 5,000/- per unit are depreciated at 100%

(v) Investment properties:

Property that is held for rental income and that is not occupied by the Company, is classified as investment property. Investment properties are measured initially at cost, including related transaction cost. It is carried at cost less accumulated depreciation. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Land is carried at historical cost, however, buildings are depreciated using the written down value method over their estimated useful lives as mentioned in 2(iv) above.

(vi) Inventories:

Raw Materials, Consumable stores and spares are valued at lower of cost or market value after providing for obsolescence and depletion in value wherever applicable.

(vii) Retirement benefits:

- (a) Contributions to PF/EPF are accounted on accrual basis.
- (b) Gratuity and leave encashment are accounted on cash basis.

(viii) Foreign currency transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Foreign currency monetary Assets and Liabilities are translated at year end exchange rates. The exchange difference arising on settlement of transactions and translation of monetary items are recognized as income or expense in the year in which they arise, except in case of the liabilities for the acquisition of fixed assets, where such exchange difference is adjusted in the carrying cost of fixed assets. This is not applicable to the Company.

(ix) Leases:

As a lessee

Leases in which the Company has substantial portion of the risks and rewards of ownership are classified as finance leases. Assets acquired under finance leases are capitalised at the lower of the fair value of the leased assets at the inception of the lease term and the present value of minimum lease payments. Lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the

Cost of leasehold land (other than those which will be converted to freehold after a certain period upon satisfying prescribed conditions) is amortised over the lease term.

Leases in which the Company doesn't have substantial portion of the risks and rewards of ownership are classified as operating leases. Payment made under operating leases are charged to statement of profit and loss on a straight line basis.

As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return of the net investment outstanding in respect of the leases.

Lease income from operating leases, where the Company is a lessor, is recognised as income on a straight line basis. The respective leased assets are disclosed as investment properties.

(x) Taxes on income:

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961.

Deferred tax expense or benefit is recognized on timing differences being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax asset in respect of unabsorbed depreciation and carry forward of losses are recognized only to the extent that there is virtual certainty that sufficient taxable income will be available to realize these assets. All other deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.

(xi) Impairment of assets:

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset exceeds its estimated recoverable amount, an impairment loss is recognised in the Statement of Profit and Loss to the extent the carrying amount exceeds recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest level of which that are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each

(xii) Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per payment terms. They are recognised initially at their fair value and subsequently measured at amortised cost.

(xiii) Borrowings:

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost using effective interest method.

(xiv) Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be

(xv) Cash and cash equivalents:

Cash and cash equivalents includes cash and cheques on hand, current accounts and fixed deposit accounts with banks with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(xvi) Earning per share (basic and diluted):

Earning per share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.
