In terms of Section 149 and any other applicable provisions of the Companies Act, 2013, Mr. Mahanty being eligible and seeking re-appointment is proposed to be appointed as an Independent Director for a term of 5 years.

The Company has received a notice from a member under the provisions of Section 160 of the Companies Act, 2013 proposing Mr. Mahanty as a candidate for the office of Director.

The Company has received from Mr. Mahanty:

- (a) Consent in writing in Form DIR-2
- (b) Intimation in Form DIR-8
- (c) A declaration to the effect that he meets the criteria of independence in terms of Section 149(6) of the Act.

The proposal for the appointment of Mr. Mahanty as an Independent Director on the Board, is therefore, placed before the members for approval as set out under item no. 6 of the accompanying Notice. In the opinion of the Board of Directors, Mr. Mahanty proposed to be appointed as the Independent Director fulfills the conditions specified in the Act and the rules made thereunder and he is independent of the management. A copy of the draft letter for the appointment of Mr. Mahanty as an Independent Director setting out the terms and conditions is available for inspection without fees by the members at the Registered office of the Company on any working day between the hours of 10.00 am and 12.00 noon and shall also be available for inspection from 9.00 am at the venue on the date of the meeting. The Board considers that his continued association with the Company would be of immense benefit to the Company and recommends the Resolution set out under item no. 6 for approval of members.

Memorandum of Interest

Except Mr. Mahanty, no other Director, Key Managerial Personnel or their relatives are concerned or interested in the resolution.

Item No. 7

Mr. P. S. Dasgupta ('Mr. Dasgupta') is a non-executive (independent) Director of the Company. He first joined the Board on 1 January 2006. In terms of Section 149 and any other applicable provisions of the Companies Act, 2013, Mr. Dasgupta being eligible is proposed to be appointed as an Independent Director for a term of 5 years.

The Company has received a notice from a member under the provisions of Section 160 of the Companies Act, 2013 proposing Mr. Dasgupta as a candidate for the office of Director.

The Company has received from Mr. Dasgupta:

- (a) Consent in writing in Form DIR-2
- (b) Intimation in Form DIR-8
- (c) A declaration to the effect that he meets the criteria of independence in terms of Section 149(6) of the Act.

The proposal for the appointment of Mr. Dasgupta as an Independent Director on the Board, is therefore, placed before the members for approval as set out under item no. 7 of the accompanying Notice. In the opinion of the Board of Directors, Mr. Dasgupta proposed to be appointed as the Independent Director fulfills the conditions specified in the Act and the rules made thereunder and he is independent of the management. A copy of the draft letter for the appointment of Mr. Dasgupta as an Independent Director setting out the terms and conditions is available for inspection without fees by the members at the Registered office of the Company on any working day between 10.00 am and 12.00 noon and shall also be available for inspection from 9.00 am at the venue on the date of the meeting. The Board considers that his continued association would be of immense benefit to the Company and recommends the Resolution set out under item no. 7 for approval of members.

Memorandum of Interest

Except Mr. Dasgupta, no other Director, Key Managerial Personnel or their relatives are concerned or interested in the resolution.

Item No. 8

Chairman's Statement

Dear Shareholders,

I am pleased to report yet another year of progress for Timken India Limited. This year we reported a sales of Rs. 720 crores which is 4.8% over last year. We have achieved this against tough market conditions and economic downturn. The projected India GDP for the current fiscal year stands between 5% and 5.5% which is even lower than the 6.7% recorded in the global financial crisis year of 2009. The drop in industry growth rates have been even steeper as compared to the services and agricultural sector.

While many believe the Indian economy has bottomed out, the India growth story is yet to gain full momentum. Despite this tough economic environment, Timken India Limited continues to maintain a healthy profit margin.

The need of the hour now is to focus on accelerating, innovating and motivating ourselves in this challenging business environment. We would continue to be focused on Customer engagement with an objective to nurture our customers with utmost quality, understanding and excellence and strive to deliver results that go well beyond our budgeted expectations and thought process.

Our strength comes from the ways in which we operate - both what we make and what we know. Our people around the globe help create an organization that is celebrated for our innovative customer solutions. To serve our stakeholders, we unite - solving problems and serving communities worldwide. It is reflected in the number of markets we serve, the reliability of our products and services, the geographies where we conduct business and in the accomplishments of our people.

Our full portfolio of products - bearings, gears, chains, and related products - can be found in a broad array of industrial machinery, wherever gears and shafts turn. Our service offerings are designed to increase uptime and lower total cost of ownership. In line with our strategy of growing both in the industrial and automotive segment we have introduced various new products in the market to cater to these segments. Effective channel and market expansion represent the foundation of an aggressive growth strategy that continues to strengthen our composition and our services.

In the changing political scenario, robust changes in sectors like transportation and communication, technology and industry are expected, thereby helping the growth of manufacturing industries like Timken. Resolution of issues in the mining sector is also expected so that responsible mining can be resumed in a sustainable manner.

We strive to continually strengthen the performance of our customers, shareholders and the communities where we do business - and we do that through our daily commitment to our many stakeholders. Our commitment to our customers comes throughout our service and trying to achieve greater satisfaction levels.

On behalf of the Board of Directors, I would like to express my sincere thanks to all our stakeholders. To our shareholders, thank you for your continued support and confidence. To my fellow board members, management team and employees, thank you for your hard work and commitment. To our customers, suppliers and business partners, we gratefully appreciate your trust and confidence in us and look forward to many more years of support.

Sincerely,

James R Menning
Chairman

l) Balance carried forward	2289	2,403

During the financial year under review, total Revenue grew by 5% due to increase in both revenue from operations and other income. The increase in revenue from operations can be attributed to a 32% increase in export sales though domestic sales registered a decline by 4%. Expenditures on the other hand registered an increase of 5% due to volume increase and inflationary pressures. Increase in depreciation was due to capitalization of new plant and machinery for the expansion project. Profit before taxes registered an increase of 3% to Rs.657M.

Dividends

The Company paid an interim dividend on the equity shares of the Company @ Rs.6.50 per share of Rs.10 each fully paid amounting to Rs. 441,921,571 on 29 November 2013 as against a total dividend of Rs. 2/- per equity share of Rs. 10/- each fully-paid (20%) for the year ended 31 March 2013. Payment of such interim dividend is to be considered as final dividend on the equity shares of the Company for the financial year ended 31 March 2014. Your Directors are not recommending any further dividend on the equity shares of the Company for the financial year 2013-14.

Expansion Projects

Industrial services - The Company has partially commenced operations of the Industrial Service plant in Raipur, Chattisgarh during the last quarter of 2013-14. Established at a cost of Rs.13.50 Crores, this facility aims to cater to combined Gear and Bearings services. Work on enhancing the capabilities to make this facility fully operational is currently underway and is expected to be completed during the current year.

The Raipur Service plant is the first such Timken plant outside the United States that expands the Service capabilities to new growing markets offering gear service capabilities.

Roller line expansion- Work is progressing satisfactorily and the first line is expected to be commissioned in the second quarter of the year.

Finance

Your Company continues to remain debt free and generated adequate cash flow to meet its working capital needs. Pending investment of such fund in growth opportunities it was temporarily parked in debt based schemes offered by various mutual funds.

Listing of Equity Shares on Stock Exchanges

Listing of the Company's Equity Shares on BSE Limited and National Stock Exchange of India Limited continued during 2013-14 and the listing fees for the year 2014-15 have already been paid to the Stock Exchanges.

The Directors express their appreciation for the wholehearted support received from all sections of the Associates of the Company.

Social Responsibility

The Company and its associates have been actively participating in the promotion of social welfare activities of the communities where Timken facilities are located in India.

Particulars of Employees

Information required under Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (corresponding to Section 217(2A) of the Companies Act, 1956 read with the Companies (Particulars of Employees) Rules, 1975) is given in the Annexure forming part of the Report. However as per the provisions of said Rules, the Report and Accounts are being sent to all Shareholders of the Company excluding the Statement of Particulars of Employees. Such particulars shall be made available to any shareholder on a specific request made by him in writing before the date of the Annual General Meeting.

Conservation of Energy, Technology Absorption & Foreign Exchange

All the new machineries installed during the year are energy efficient. Significant cost saving on cutting fluids and consumption of electricity have been achieved by machine modifications, energy audit and efficient coolant management. Regarding absorption of foreign technology, the process is ongoing in the areas of machining, heat treatment and finishing. The Company has now achieved full indigenisation of all components for Standard Bearings and substantial indigenization for AP Bearings. It is the intention of the Company to proceed with the process of indigenisation further.

Other details are given in the Annexure, which also forms part of this report.

Directors' Responsibility Statement

As per Section 134(5) of the Companies Act, 2013, the Board of Directors report that:

Directors' Report – Management Discussion and Analysis

Bearing Industry Structure and Development

Bearing business depends on the economic environment, Industry sector growth and performance of Mobile sector which includes automotive and rail. Year of 2013-14 is likely to be the third consecutive year of growth below 5%. Riding mostly over growth in Agriculture and Services, the government set revised GDP target of 4.9% whereas Asian Development Bank estimates 4.7% based on recent data.

For the quarters ending Jun'13, Sep'13 and Dec'13, the Indian economy posted a GDP growth rate of 4.4%, 4.8% and 4.7% respectively.

The Index of Industrial Production (IIP) recorded decline for six out of eleven months until Feb'2014. IIP contracted at 1.9% in February, plunging to a nine-month low which was well below expectations of about 0.5% growth.

Core sector (8 infrastructure industries) cumulative growth during the April – February period stood at 2.6% as against 6.4% same period a year ago. This was mostly driven by output of Electricity generation (5.7% cumulative), Steel (4.2% cumulative) and Cement (3.3% cumulative) industries.

The Medium and Heavy Commercial Vehicle production, one of the largest consumers of bearings, is going through downward curve of the business cycle. As per Society of Indian Automobile Manufacturers (SIAM), production fell by 21% over 2012-13. The previous year it had fallen by 28% over 2011-12. Weak consumer demand and lack of investment shows the recovery may be more difficult than generally believed but it may have bottomed out.

Due to monetary tightening policies of RBI, the interest rates stayed high. The average inflation (Wholesale Price Index) throughout the year was little lower compared to previous fiscal year.

In terms of exchange rates, Indian Rupee depreciated significantly from Jun'13 throughout the year. It touched the lowest of last 5 decades at 63.75 against USD (Sep'13), 85.12 against EUR (Sep'13) and 102.97 against GBP (Feb'14).

The current size of anti-friction bearings market is approximately INR 75 billion. It is estimated that around 40% of demand is catered through imports. The automotive sector accounts for approximately 45-48% of the bearing demand while the rest is consumed by the industrial sector. During the year 2013-14, domestic sale of bearings produced in India, as reported by Ball and Roller Bearing Manufacturers Association (BRBMA), grew at 1.7% over 2012-13, while production value increased by 2.6% during the same period.

Business Review

The Company is one of the leading manufacturers of tapered roller bearings and certain components of tapered roller bearings in India with manufacturing facility at Jamshedpur. The bearings produced by the Company largely cater to medium and heavy trucks, off-highway equipments, Railways and Timken Company's global requirements. The Company meets the demand for other types of bearings viz., large size tapered roller bearings, spherical roller bearings, cylindrical roller bearings and specialty ball bearings by sourcing these from other Timken Company plants globally.

Even in challenging environment, your company believes investing for future. Moving beyond bearings in Power Transmission portfolio,

TIMKEN INDIA LIMITED

your company has made another footprint in India and expanded our scope of services for gearbox repair. The facility at Raipur, Chattisgarh commenced operation during the year focusing aftermarket customer in steel, cement, power plants and marine industries. Backed up by Philadelphia Gears knowhow, your company has started gathering the requirements and customer interests.

Apart from new product launches in the bearing portfolio, your company is continuously looking at promoting other adjacent products like coupling, housed units, high performance grease to help customer improve performance and efficiency. At the same time, Company continues to expand the channel footprint in India.

Your company bagged a new MILLTEC® site at Jamshedpur. The MILLTEC® program provides around-the-clock management of a mill's roll shop to minimize operational problems and downtime. Customers can concentrate on other important issues while Timken manages its roll shop operations.

Following are some key achievements at company's Jamshedpur facility

- 1st runner up for 2 categories in the 2013 Lean awards. This competition was held across Timken plants globally.
- Capacity enhancement in 0-4.5" TS & Roller line from 1,50,000 to 1,65,000. This was achieved through lean tool deployment.
- Indigenous design of missing roller detector and one cup line connectivity.
- Produced 100,000th set of RA109 Pinion Bearings for TML Drivelines.
- Zero LTA, OSHA Recordable during financial year 2013-14.

During the financial year under review, total Revenue grew by 5% due to increase in both revenue from operations and other income. The increase in revenue from operations can be attributed to a 32% increase in export sales though domestic sales registered a decline by 4%. Expenditures on the other hand registered an increase of 5% due to volume increase and inflationary pressures. Increase in depreciation was due to capitalization of new plant and machinery for the expansion project. Profit before taxes registered an increase of 3% to Rs.657M.

Opportunities, Threats and Outlook

2014-15 will be a critical juncture as one of the largest democracies in the world will be witnessing the 16th Loksabha elections. The exiting government made efforts to pass certain key pending bills in 2013-14 like Companies Act 2013, Land Acquisition Bill, Lokpal Bill and ordinances like opening up of Retail FDI amongst other measures. Development being one of the key agenda, the new government will have to demonstrate decisive policy making, commitment towards growth and infrastructural spend. However, this may start showing effect only in H2 of 2014-15. We expect revival of Industry sector and the Heavy Commercial Vehicles production seem to have bottomed out. Asian Development Bank estimates GDP growth of 5.5% next year.

Customers are moving towards systems and solutions from products or components. Timken globally has transformed from a tapered roller bearing manufacturing company to a Power Transmission solutions company. Your company endeavors to gather and apply such application specific knowledge and value added product & services to achieve better performance & efficiency for customers.

Innovation has become the key word and experts are already working on new possibilities. It is felt that conventional systems have evolved to the point where further refinements can only result in modest performance and capacity gains. As a result, it is felt that the future will witness technologies which help in efficient ways to create, transfer and control power. These technologies can have endless societal impacts, from improved energy efficiency that saves businesses and consumers' money to reduced emissions that help sustain our environment.

There is an increasing trend of designing and manufacturing of heavy industrial equipments in India which has resulted in customers asking for design and application engineering knowledge and assistance. In many applications, bearings can be the limiting factor in increasing the power density of the equipment and also one of the first components to get damaged. Hence working with customers, to help them make optimum design choices is becoming an important customer expectation now. Customers are asking for more competitiveness and responsiveness from bearing industry, which would require companies to regionalize production bases closer to customers.

With development in infrastructure sector in India, the bearings industry is expected to witness a significant increase in demand, especially in large sized bearings. Further, consumers are becoming more demanding and with product liability and safety issues getting more stringent, there will be a need for a qualitative improvement in the performance of the bearings. Meeting these two requirements in a competitive fashion is the key challenge for the bearings industry.

Any adverse changes in the industrial environment within which any of our customers operate could lead to reduction in demand for their finished products, which in turn will have a direct adverse impact on the demand of our products.

Counterfeit products also pose a threat to the industry. Low quality duplicate bearings not only lead to crucial downtime for customers but also tarnish the quality and brand value of superior manufacturers. Efforts have to be taken by manufactures to educate customers on the importance of using genuine high quality bearings.

The principal raw materials for our products are alloy steel bars, tubes and wire rods, which are purchased by our vendors from our approved list of global suppliers, in order to leverage the Timken Company's economies of scale. The prices and supply of raw materials may depend on factors beyond our control, including economic conditions, exchange rates, competition, consumer demand, production levels, transportation costs and import duties.

Internal Control Systems

The various internal control systems operating in the Company are working satisfactorily. The adequacy and effectiveness of these systems is continuously examined by Pricewaterhouse Coopers India Private Limited - Internal Auditors and the findings of these audits are reported to the Audit Committee of the Board and also to the Board of Directors. The adequacy of the internal control system has also been examined by the Statutory Auditors and the Audit Department of The Timken Company, USA and the Company has not received any major adverse comments from them on the adequacy of the internal control systems.

HR Front

During the financial year under review, the Company did not witness any adverse development on the HR/IR front. The relationship between the Associates of the Company and the Management remains congenial all through-out the year. The Company employed 626 Associates (including 361 Officers) as on 31 March 2014.

Cautionary Statement

Certain statements made in this report describing the industry structure and development, business outlook and opportunities may be "forward looking statement" within the meaning of applicable Securities laws and regulations. Actual results could materially differ from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statues and incidental factors.

Independent Auditor's Report

To the Members of Timken India Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Timken India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards notified under the Companies Act, 1956, read with General Circular 8/2014 dated 4 April 2014 issued by the Ministry of Corporate Affairs. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to Fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Companies Act, 1956 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards notified under the Companies Act, 1956, read with General Circular 8/2014 dated 4 April 2014 issued by the Ministry of Corporate Affairs;
 - (e) On the basis of written representations received from the directors as on March 31, 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

Annexure to the Auditors' Report to the Members of Timken India Limited [Referred to in our Report of even date]

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) Fixed assets have been physically verified by the management during the year based on a phased programme of verifying all the assets over a period of three years, which in our opinion is reasonable having regard to the size of the Company and the nature of its fixed assets. No material discrepancies were noticed on such verification of fixed assets.
- (c) There was no disposal of a substantial part of fixed assets during the year.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company maintains proper records of inventory and no material discrepancies were noticed on physical verification.
- (iii) (a) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly, the provisions of clause 4(iii) (a) to (d) of the Order are not applicable to the Company and hence not commented upon.
- (b) According to information and explanations given to us, the Company has not taken any loans, secured or unsecured from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly, the provisions of clause 4(iii) (e) to (g) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, and read with our comments in clause (v) below, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, no major weakness has been noticed in the internal control system in respect of these areas. During the course of our audit, we have not observed any continuing failure to correct any major weakness in the internal control system of the Company in respect of these areas.
- (v) According to the information and explanations provided by the management, we are of the opinion that the particulars of contracts or arrangements referred to in section 301 of the Companies Act, 1956 that need to be entered into the register maintained under section 301 have been so entered. The company inter alia, undertakes transactions of purchase of certain fixed assets, purchase and sale of goods, materials and components, and services with associate and group companies, in pursuance of contracts or arrangements entered in the register maintained under section 301 of the Companies Act, 1956. As these transactions, exceeding value of rupees five lakhs entered into during the year, relate to proprietary items manufactured by the Timken Group and fixed assets and raw materials and components in connection thereto, and / or specialized services rendered, comparative rates thereof are not always available; however as informed, considering the selling prices of such goods in the market, and margins earned by the company on purchases from associate and group companies on an overall basis in accordance with the group's internal transfer pricing guidelines, prima facie these transactions have been done at reasonable prices. For services received, there are no comparatives since as per the management's explanation such services are highly specialized in nature.
- (vi) The Company has not accepted any deposits from the public.
- (vii) In our opinion, the Company has an internal audit system commensurate with the size of the Company and nature of its business.
- (viii) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central government for the maintenance of cost records under section 209 (1) (d) of the Companies Act, 1956 and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (ix) a) The Company is regular in depositing undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Income tax, Sales tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues with the appropriate authorities. As informed, the provisions of Employees' State Insurance Act are not applicable to the Company.
 - i. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Wealth-tax, Service tax, Sales-tax, Customs duty, Excise Duty, Cess and other material undisputed statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (x) The Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current and immediately preceding financial year.
- (xi) Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to a bank. The Company did not have any outstanding dues in respect of a financial institution or debenture holders during the year.
- (xii) According to the information and explanations given to us and based on the documents and records produced to us, the Company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.

- (xiii) In our opinion, the Company is not a chit fund or a nidhi / mutual benefit fund / society. Therefore, the provisions of clause 4(xiii) of the Order are not applicable to the Company.
- (xiv) In our opinion, the Company is not dealing or trading in shares, securities, debentures and other investments. Accordingly, the provisions of clause 4(xiv) of the Order are not applicable to the Company.
- (xv) According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions.
- (xvi) The Company did not have any term loans outstanding during the year.
- (xvii) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term investment.
- (xviii) The Company has not made any preferential allotment of shares during the year to parties or companies covered in the register maintained under section 301 of the Companies Act, 1956.
- (xix) The Company did not have any outstanding debentures during the year.
- (xx) We have verified that the end use of money raised by public issue is as disclosed in the notes to the financial statements.
- (xxi) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the Company has been noticed or reported during the year.

Notes to financial statements as at and for the year ended March 31, 2014

1. CORPORATE INFORMATION

Timken India Limited ('the Company') was incorporated on 15th June 1987. The Company is primarily into manufacture and distribution of tapered roller bearings, components and accessories for the automotive sector and the railway industry. It also provides maintenance contract services and refurbishment services. The Company has also commissioned a new gear box repairing facility at Raipur where it provides repair and maintenance of industrial gear boxes.

2. SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of Preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under the Companies Act, 1956, read with General Circular 8/2014 dated 4 April 2014 issued by the Ministry of Corporate Affairs. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year.

(ii) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(iii) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have passed to the buyer, which generally coincides with delivery to the customers. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise Duty deducted from turnover (gross) is the amount that is included in the amount of turnover (gross) and not the entire amount of liability arisen during the year.

Income from Services

Revenue from agency commission and maintenance and service contracts are recognized as and when services are rendered. The company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.

Export incentives are recognized when the right to receive such incentives as per the applicable terms is established, in respect of the exports made and when there is no significant uncertainty regarding the ultimate realization / utilization of such incentives.

Revenue for dividend income is recognized when the right to receive payment is established by the balance sheet date.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.

(iv) Tangible and Intangible Assets

Tangible Assets are stated at cost of acquisition less accumulated depreciation and impairment loss (if any). Cost of acquisition includes the purchase price, duties (net of Cenvat), taxes, incidental expenses and erection / commissioning expenses which are directly attributable in bringing the asset to its working condition for the intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Notes to financial statements as at and for the year ended March 31, 2014

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the Statement of Profit and Loss in the year in which the expenditure is incurred.

(v) Cash & Cash Equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank, in hand, cheques in hand, remittances in transit and short-term investments with an original maturity of three months or less.

(vi) Depreciation/ Amortization

Depreciation / amortization is provided under straight line method as per the useful life of the assets estimated by the management, or at the rates prescribed under Schedule XIV of the Companies Act, 1956, whichever is higher.

	Rates (SLM)	Schedule XIV Rates (SLM)
Building	3.34%	3.34%
Furniture & Fixtures	10%	6.33%
Plant & Machineries (Including Tools)	5%,10%,20%	4.75%
	20%	10.34%
	20%	11.31%
Computers	20%, 33.33%	16.21%
Vehicles	20%	9.5%
Office Equipment	20%	4.75%

Additions / deletions during the year are depreciated pro-rata from the date of such addition / deletion except assets costing below Rs.5,000 which are fully depreciated in the year they are put to use. Extra shift depreciation is calculated on actual shift basis in respect of each operating department.

Computer software is amortized in a straight line basis over a period of three years. The amortization period and the amortization method are reviewed at least at each financial year end.

(vii) Foreign Currency Translations

(a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(c) Exchange differences

All other exchange differences are recognized as income or as expenses in the period in which they arise.

Notes to financial statements as at and for the year ended March 31, 2014

(viii) Inventories

Inventories are valued as follows :

Raw materials, components, stores and spares	Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a weighted average basis.
Work-in-progress and finished goods	Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on a weighted average basis.
Trading goods	Lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Excise Duty is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods stock lying at the manufacturing locations as on the balance sheet date.

(ix) Retirement Benefits

- Gratuity is administered through an approved benefit fund. Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.
- The liability on account of long term compensated absences and death benefit scheme due to the employees are provided for on the basis of an actuarial valuation on projected unit credit method at the end of each financial year.
- Retirement benefits in the form of Provident Fund and Superannuation / Pension Schemes are charged to the statement of profit & loss of the year when an employee renders the related service. Interest shortfall, if any, on Provident Fund, which is managed through a private trust, are provided for based on year-end actuarial valuation on projected unit credit method.
- Actuarial gains/ losses are immediately taken to the Statement of Profit and Loss and are not deferred.
- The long-term and short term classification of gratuity, death benefit scheme, provident fund and compensated absence liabilities is based on the actuarial valuations.

(x) Leases

Assets taken on lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Assets given on lease

Leases in which the company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognized as an expense in the Statement of Profit and Loss. An initial direct cost such as legal and professional cost is recognized immediately in the Statement of Profit and Loss.

(xi) Income Taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Notes to financial statements as at and for the year ended March 31, 2014

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

(xii) Investments

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made, are classified as current Investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

(xiii) Borrowing Costs

- a) Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.
- b) Borrowing costs that are directly attributable to the acquisition / construction of a qualifying asset are capitalized as part of the cost of that asset till the time it is ready to put to use.
- c) All other borrowing costs are recognized as expenditure during the period in which these are incurred.

(xiv) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(xv) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(xvi) Impairment

- a) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.
- b) After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
- c) A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

(xvii) Earnings Per Share

Basic Earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Notes to financial statements as at and for the year ended March 31, 2014

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(xviii) Segment Reporting Policies

Identification of segments:

The Company's business includes manufacture and sale of bearings and related components and providing services in connection with or incidental to such sales. This is the only reportable business segment which is also the primary reportable segment. The Company has also commissioned a new gear box repairing facility at Raipur where it provides repair and maintenance services of industrial gear boxes.

Secondary reportable segments are based on geographical location of customers. The geographical segments have been disclosed based on revenues within India and outside India.

Allocation of common costs:

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Segment Policies:

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

- (xix) As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present earnings before interest, tax, depreciation and amortisation (EBITDA) as a separate line item on the face of the Statement of Profit and Loss. In its measurement, the Company does not include depreciation and amortisation expense, finance costs and tax expense.

NOTE 28 - DISCLOSURES AS PER REVISED ACCOUNTING STANDARD - 15

Gratuity and other post-employment benefit plans:

The Company has a defined benefit gratuity plan (funded). Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service.

The Company also has a Death Benefit Scheme (unfunded) for its employees where the immediate beneficiaries are entitled to a monthly fixed sum till the date of superannuation, for death in harness.

The Company has a separate Provident Fund Trust (funded) whereby, all the employees are entitled to benefits as per Provident Fund Act / Trust Deed. Any shortfall for the Trust is borne by the Company, hence the same is treated as a defined benefit scheme. The actuary has provided a valuation and determined the fund assets and obligations as at March 31, 2014. The corresponding disclosures mentioned below are to the extent of the shortfall in the interest guaranteed on the provident fund vis-a-vis the interest rate notified by the Government.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and the funded status and amounts recognised in the balance sheet for the respective plans.

Auditor's Certificate

To

The Members of Timken India Limited

We have examined the compliance of conditions of corporate governance by Timken India Limited, for the year ended on March 31, 2014, as stipulated in clause 49 of the Listing Agreement of the said Company with stock exchange(s).

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanation given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
