IMPORTANT NOTES:

Instructions for Shareholders attending the AGM through VC/OAVM are as under:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.mmforgings.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. **The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto.**
8. Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to the Company.
9. Date of Book closure for the purpose of Annual Closing : **Tuesday, 7 September 2021 to Monday, 13 September 2021.**
10. Under Section 124 of the Companies Act, 2013 and the Rules therein, the amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company had, accordingly, transferred ₹ 3,77,744/- on 29 June 2020 and transferred ₹ 2,42,811/- on 31 March 2021, pertaining to the interim dividend for the year

2013-14, to the Investor Education and Protection Fund of the Central Government. Those shareholders who have not claimed, can claim from the Government. THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) **The voting period begins Friday, 10 September 2021 at 9.00 A.M. to Sunday, 12 September 2021 at 5.00 P.M.**

During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, 06 September 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

Details of Scrutinizer : Shri. M. Damodaran, Practicing Company Secretary, Managing Partner of M Damodaran & Associates LLP (Membership No. 5837, C P No. 5081).

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

7. MANAGEMENT DISCUSSION AND ANALYSIS :

Economic Overview - Global

It is one year since COVID-19 was declared as a global pandemic, a year of tremendous loss of lives and livelihoods. Adaptation to life with pandemic induced restriction has enabled the global economy to do reasonably well despite overall subdued mobility, leading to a stronger-than-anticipated rebound, on average, across regions.

	2020	2021*	2022*
World output	-3.3	6.0	4.4
Advanced economies	-4.7	5.1	3.6
Emerging Markets	-2.2	6.7	5.0

*Projection || Source: World economic outlook || IMF

After an estimated contraction of 3.3% in 2020, the global economy is projected to grow 6% in 2021, moderating to 4.4% in 2022. The contraction for 2020 is 110 basis points lesser than the projected in October 2020 World Economic Outlook, reflecting higher than the expected growth outruns in the second half of 2020 for most regions after lockdowns were eased.

The projections for 2021 and 2022 are 0.8% points stronger than in the previous forecast, reflecting additional fiscal support in a few large economies and the anticipated vaccine-powered recovery in the second half of the year. This pace reflects continued adaptation of all sectors of the economy to the challenging health situation.

Beyond 2022, global growth is projected to moderate to 3.3% in the medium term. The near-term outlook for global manufacturing remains positive, as evidenced in the February global manufacturing purchasing managers' index indicators, which point to a continuing expansion, though at a slower pace. While the near term recovery could be tempered by the resurgence of COVID-19 cases in several major economies, evidenced from social distancing measures in the late 2020 and early 2021 in Europe and United Kingdom suggests a relatively limited impact on manufacturing activity.

After the near-term, widespread availability of vaccines and near-normalization of economic activity, together with continued policy support, should help fuel the manufacturing recovery. Further normalization of global capital expenditure will be an important source of demand for manufacturing.

Management Discussion and Analysis

Economic Overview – India

India is one of the few countries, which went into total lockdown when COVID-19 was declared as a pandemic in end March 2020. This affected the GDP of the nation as a whole from April through September 2020.

The phased un-locking of the economy, with government intervention eased manufacturing and supply chains. Though the growth is expected to be muted through the year, there are definite signs of the economy starting to revive.

The second wave of the pandemic has pulled down the momentum and the current outlook for the year is definitely better than the previous year. The recovery cycle is expected to pick up from the second of half of FY21-22 and reach stable levels in the year FY22-23 and may moderate from FY23-24 onwards. The IMF has upwardly revised the growth forecast to 9.5% for FY22 and 8.5% for FY23.

India's GDP, which shrink from \$2.87 trillion in FY20 to \$2.66 trillion in the following year, is estimated to reach around \$4 trillion in FY25.

The second half of the COVID-struck financial year FY21 saw an unprecedented rally in domestic steel prices which seems unstoppable even in the current fiscal FY22. Steel prices have increased 15% higher yoy.

Overall Outlook:

COVID-19 is expected to play a crucial role in the near term, with exports stabilizing at the same levels as in Q4 of FY21 and Domestic demand to pick up in Q3 and Q4 of FY22. Overall, the outlook is positive for FY22 with significant growth in domestic sales in FY2

Management Discussion and Analysis

Market segments outlook: Key segment analysis: Commercial Vehicles (CV)

The CV segment plays a significant role of MMF with sales of 75%. Passenger car segment constitutes 18% and others 7%.

CV segment is poised to witness a robust turnaround domestically as well as in North America and Europe. US class 8 truck sales recorded significant numbers in Calendar Year 2018 (325,000) and 2019 (345,000). This led to a dismal sales in 2020 with the onset of the pandemic. In 2021 the market is expected to be back to 250,000 levels.

European market has witnessed consistent demand through the years in excess of 300,000+ HCV for the last 3 calendar years. This is expected to perform at these levels till 2025 with overall growth forecast of the economies at European region at around 4.4% in 2021, moderating at 3.8% for 2022.

In India, MHCV production which peaked in FY19 at 444,000 vehicles has tapered to 234,000 vehicles in FY20 and 181,000 in FY21. The outlook going into FY22 is muted in the first quarter, with indications of demand pick up during the second half of FY22. The near-term outlook though is positive, due to the pent up demand which is due to lower sales in the previous 8 quarters. With forecast of economy growth near double digits, we expect demand to stabilize in 2nd half of FY22 with significant growth in FY23.

Currency movement: [USD vs INR]

INR currently at ₹ 74.50 vs USD is expected to remain consistent through 2022 at the same levels.

Management Discussion and Analysis

M M FORGINGS – Achievements in FY21

Management Discussion and Analysis

Human Resources and Industrial Relations

1. Our company continues to focus on the development of its human resources to improve its performance.
2. As on 31st Mar 2021, the company currently has approximately 3968 employees. It is their invaluable contribution that has primarily resulted in our company's position of strength in the industry.
3. Focus on a safe working atmosphere, constantly evolving systems for recognition and reward, consistent communication and imparting skills and training – all these focused on meeting customer needs, characterize the HR development of the Company.
4. Every year, each plant of the Company celebrates 'Founder's Day' in a family atmosphere with all employees and their household members. Fortunately these were completed well before the onset of Covid in end March 2020.

Health, Safety and Environment

1. The Company follows a policy of zero tolerance towards accidents. Wherever possible, visible controls and fail-safe systems are provided to ensure prevention of accidents. Regular communication, periodic reviews of practices and training play a vital role in maintaining safety standards.
2. The Company ensures compliance with all pollution control regulations. Adequate pollution control equipment's have been installed to treat effluents and to control air pollution.

Management Discussion and Analysis

Risk Management

1. The Company is a leading manufacturer of automotive components. Automotive industry is subjected to cyclical variations in performance and is very sensitive to policy changes. The market is very competitive. Prices of raw materials change based on supply and demand. Margins remain under constant pressure. Any steep reduction in off-take exposes the Company to high fixed costs.
2. A considerable portion of the customers of the Company are situated outside of India. Hence, demand for the Company's product is subject to the health of the global economy.
3. The Company has spread its risks by increasing the geographic spread of its customer base. The Company proposes to improve capacity utilization in its existing facilities. Working capital management will receive high priority.
4. Risk Management Committee (RMC) has been formed w.e.f 21Jun21.
5. RMC shall meet twice a year.
6. The responsibilities of RMC includes formulating risk management policy, implementation of the policy, monitor, evaluate risks, device appropriate methodology, processes and systems.

M M FORGINGS – forging ahead with Manufacturing Excellence

Our goals in the coming months:

- ❖ Focus on improving sales in keeping with market conditions.

- ❖ Utilizing the production capacity of 1,20,000 Tons.
- ❖ Focus on cost reduction continuously - particularly on reducing energy consumption and improving productivity.
- ❖ Enhance IT systems with the continued development of the ERP system in place.
- ❖ Continue the evolution into green sources of energy in the coming months.
- ❖ Reduce the impact on the environment.

- (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; requiring compliance thereof by the Company during the Financial Year under review.

I further report that, on examination of the relevant documents and records and based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of quarterly compliance reports by respective department heads / company secretary / CEO taken on record by the Board of Directors of the Company, in my opinion, there are adequate systems and processes commensurate with the size and operation of the company to monitor and ensure compliance with applicable laws, Rules, Regulations and guidelines.

I further report that, the compliance by the Company of applicable financial laws, like direct and indirect tax laws, have not been reviewed in this Audit since the same have been subject to review by statutory financial auditor and other designated professionals.

The Company had reappointed the Cost Auditor for the financial year 2021-22, for a period of one year.

I further report that:

The Board of Directors of the Company is constituted with a balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were delivered and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that during the audit period, no events have occurred during the year which have a major bearing on the Company's affairs.

INDEPENDENT AUDITORS' REPORT

To the Members of M M Forgings Limited

Report on the Audit of Standalone Financial Results

Opinion

1. We have audited the standalone annual financial results of M M Forgings Limited (hereinafter referred to as the "Company") for the year ended **March 31, 2021** and the standalone statement of assets and liabilities and the standalone statement of cash flows as at and for the year ended on that date (together referred to as the 'standalone financial results'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial results:
 - (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
 - (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of net profit and other comprehensive loss and other financial information of the Company for the year ended **March 31, 2021** and the standalone statement of assets and liabilities and the standalone statement of cash flows as at and for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Standalone Financial Results' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw your attention to the standalone financial results which explains the uncertainties and the management's assessment of the financial impact due to lock-downs and other restrictions and conditions related to the Second Wave of COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Board of Directors' Responsibilities for the Standalone Financial Results

5. These Standalone financial results have been prepared on the basis of the standalone annual Ind AS financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net profit and other comprehensive loss and other financial information of the Company and the standalone statement of assets and liabilities and the standalone statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone financial results by the Directors of the Company, as aforesaid.
6. In preparing the standalone financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

8. Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 12 below)
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

11. The Financial Results include the results for the quarter ended **March 31, 2021** being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year, which were reviewed by us.

ANNEXURE A TO THE AUDITOR'S REPORT

The Annexure referred to in Independent Auditor's Report to the members of the Company on the Financial Statements for the Year Ended **31.03.2021**:

We report that

1. a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- b) As explained to us, all the assets have not been physically verified by the management during the year but there is a regular program of verification to cover all the items of Fixed Assets in a phased manner, which, in our opinion, is reasonable, considering the size and the verification having regard to the size of the company and the nature of its assets. Pursuant to the program, certain Fixed Assets were physically verified by the Management during the year. No material discrepancies have been noticed on such physical verification.
- c) According to the information and explanations furnished to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that the Title Deeds, comprising of all the immoveable properties of the Land Buildings which are Freehold, are held in the name of the company as at the Balance Sheet date. Based on the above, we also report that all the assets of the Company are Freehold and the Company has not acquired any Asset on Lease. Also, all the assets are held for the use of the Company only and none of the assets are held for use by others.
2. a) The inventories have been physically verified by the management during the year at reasonable intervals, except materials lying with third parties, where confirmations are obtained. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.
3. According to the information and explanations furnished to us, apart from the Loan of **Rs. 8298.49 Lakhs** to M/S. DVS Industries Private Limited, subsidiary of the Company, the Company has neither granted nor taken any loans to and from companies, firms or other parties covered in the Register, maintained under Section 189 of the Companies Act, 2013. In respect of the loan to such subsidiary company:-
 - a) The Terms and conditions of the grant of such loan is, in our opinion, not prejudicial to the interest of the Company;
 - b) The repayment of the said loan is yet to commence as per the schedule stipulated for the repayment;
 - c) There is no overdue amount remaining outstanding as on the date of the Balance Sheet.
4. In our opinion and according to the information and explanations furnished to us, the Company has complied with the Provisions of Sections 185 and 186 of The Act in respect of Grant of Loans and making investments. The Company has not given any Guarantees and securities falling under section 185 / 186 of The Companies Act 2013.
5. During the year, the Company has not accepted any Deposits from the Public or from the members. The Company does not have any Deposits on the date of the Balance Sheet. The Company does not have any Unclaimed Deposits on the date of the Balance Sheet. Therefore, the provisions of Clause 3 (v) of the Order are not applicable to the Company.
6. The maintenance of Cost Records under section 148 (1) of The Act has not been specified by The Central Government for the Business activities carried on by the Company. Thus, reporting under Clause 3 (vi) of the Order is not applicable to the Company.
7. a) According to the records of the Company, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, GST, Sales Tax, Value Added Tax, Wealth Tax, Customs Duty, Excise Duty, Service Tax, Cess and other material statutory dues applicable to it.
- b) There were no undisputed amounts payable in respect of any of the above statutory dues..
8. Based on our audit procedure and on the information and explanation given by the management, we are of the opinion that the company has not defaulted in repayment of its dues to Financial Institutions, Banks and debenture holders.
9. The Company has not raised any money by way of initial public offer or other public offer. The Company has repaid / availed the following term loans / Working Capital facilities from Banks:

Net Long Term Borrowings Repaid	₹ 3737.97 Lakhs
Net Short Term Borrowings Availed	₹ 7838.23 Lakhs

Based on our audit, we report that the proceeds of the Term Loan / Working Capital have been utilized for the purpose for which they were borrowed – namely creation of Fixed Assets of the Company. The total investment in Fixed Assets / Current Assets for the year is at Rs. 3009.17 Lakhs as against reduction in Term Loan of Rs. 3737.97 Lakhs. Further, as against Working Capital Borrowings of Rs. 7838.23 Lakhs during the Year, the application for Short Term uses is at Rs. 10919.59 Lakhs.

10. To the best of our knowledge and based on the audit procedures performed and information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
11. Based on the audit procedures performed and information and explanations given by the management, we report that the Company has paid / provided for Managerial Remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to The Act.
12. The Company is Not a Nidhi Company. Accordingly, para 3 (xii) of The Order is not applicable to the Company.
13. Based on the audit procedures performed and information and explanations given by the management, all the transactions with the related parties are in compliance with Sections 177 / 188 of the Companies Act 2013 were applicable and details of such transactions are duly reported in the standalone Financial Statements as required by the applicable Accounting Standards.
14. During the Year, The Company has not made any preferential allotment or Private placement of shares or fully / partly convertible debentures during the year. Hence, reporting under Clause 3 (xiv) of the Order is not applicable to the Company.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of M.M Forgings Ltd ('the Company') as of **31st March 2021** in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the

audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely direction of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2021**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements
1 Corporate information

The Company is engaged in the manufacture of Steel Forgings. The plants for manufacture are located at Singampunari – Sivagangai District, Viralimalai -Pudukkottai District and Karainathangal Village-Kanchipuram District, all within the state of Tamil Nadu. The company has its machining plant in Kursi Road, Barabanki situated in the state of Uttar Pradesh.

2 Significant accounting policies followed by the company:-
2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Sales does not include GST.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Work-in-progress and finished goods include appropriate proportion of overheads .

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciation has been provided on straight-line method as per the rates prescribed in Schedule II to the Companies Act, 2013 and accelerated depreciation is provided, wherever necessary.

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and the residual value of the assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The expected life is based on historic experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology.

Property, Plant and Equipment are stated at Cost Less accumulated Depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the Property, Plant and Equipments are put to use. The Company depreciates Property, Plant and Equipment over their estimated useful life using Straight Line Method. The estimated useful life of assets are as follows:

Particulars	
Building	30 Years
Plant and Machinery	15 Years
Office Equipment	5 Years
Computer Equipments	5 Years
Furniture And Fittings	10 Years
Vehicles	5 Years

Note 2 Significant accounting policies (contd.)

Based on technical evaluation, the Management believes that the useful life as given above represents the period over which the Management expects to use these assets. Hence, the useful life for these assets is different from the useful life as prescribed under Part C of Schedule II to The Companies Act, 2013. Depreciation method, useful life and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each Balance Sheet Date is classified as Capital Advances under Other Non Current assets and the cost of assets not put to use before such date are disclosed under Capital Work in Progress. Subsequent expenditures relating to Property, Plant And Equipment are capitalised only when it is possible that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and Maintenance Costs are recognised in Net Profit in the Statement of Profit And Loss when incurred. The cost and related accumulated Depreciation are eliminated from the Financial Statements upon sale or retirement of the Asset and the resultant Gains or Losses are recognised in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

2.7 Revenue recognitionSale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer. Sales does not include GST.

2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.9 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes all expenses incurred in connection with the acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Foreign currency transactions and translationsInitial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

The Loss, if any, in the case of Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are considered / restated at the year-end rates. However, gains if any, are not considered.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss. The exchange differences arising on restatement / settlement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. The amount capitalised in the current year is ₹ 757.08 Lakhs (Last Year ₹ 853.33 Lakhs).

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts.

2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Note 2 Significant accounting policies (contd.)

2.12 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences,

Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.

Defined benefit plans

For defined benefit plans in the form of gratuity fund / Super Annuation fund, the same are covered under Group Gratuity Scheme of LIC and Super Annuation Fund with LIC.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

2.13 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.

2.14 Segment reporting

The Company is engaged in only one segment - Manufacture of Steel Forgings

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the statement of Profit and Loss.

2.17 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of

**Note 2 Significant accounting policies (contd.)**

products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.18 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.19 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.20 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

INDEPENDENT AUDITORS' REPORT

To the Members of M M Forgings Limited

Report on the Audit of Consolidated Financial Results

Opinion

1. We have audited the consolidated annual financial results of M M Forgings Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and the consolidated statement of assets and liabilities and the consolidated statement of cash flows as at and for the year ended on that date (together referred to as the 'consolidated financial results'), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate audited financial statements/financial information of the subsidiaries, the aforesaid consolidated financial results:
 - a) include the annual financial results of the following entities:
Subsidiaries:
 - i) DVS Industries Private Limited
 - b) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations as amended; and
 - c) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of net profit and other comprehensive income and other financial information of the Group for the year ended **March 31, 2021** and the consolidated statement of assets and liabilities and the consolidated statement of cash flows as at and for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Consolidated Financial Results' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw your attention to the consolidated financial results which explains the uncertainties and the management's assessment of the financial impact due to lock-downs and other restrictions and conditions related to the Second wave of COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Board of Directors' Responsibilities for the Consolidated Financial Results

5. These Consolidated financial results have been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group and the consolidated statement of assets and liabilities and the consolidated statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.
6. In preparing the consolidated financial results, the respective Board of Directors of the companies included in the

Group are responsible for assessing the ability of the Group continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or has no realistic alternative but to do so.

7. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for overseeing the financial reporting process of the Group and of its associates and joint ventures.

Auditors' Responsibilities for the Audit of the Consolidated Financial Results

8. Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 17 below)
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors.
10. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
11. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

12. The Consolidated financial results include the results for the quarter ended **March 31, 2021** being the balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year, which were reviewed by us.

ANNEXURE A TO THE AUDITOR'S REPORT

The Annexure referred to in Independent Auditor's Report to the members of the Company on the Financial Statements for the Year Ended **31.03.2021**:

We report that

- I
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - b) As explained to us, all the assets have not been physically verified by the management during the year but there is a regular program of verification to cover all the items of Fixed Assets in a phased manner, which, in our opinion, is reasonable, considering the size and the verification having regard to the size of the company and the nature of its assets. Pursuant to the program, certain Fixed Assets were physically verified by the Management during the year. No material discrepancies have been noticed on such physical verification.
 - c) According to the information and explanations furnished to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that the Title Deeds, comprising of all the immoveable properties of the Land Buildings which are Freehold, are held in the name of the company as at the Balance Sheet date. Based on the above, we also report that all the assets of the Company are Freehold and the Company has not acquired any Asset on Lease. Also, all the assets are held for the use of the Company only and none of the assets are held for use by others.
- II
 - a) The inventories have been physically verified by the management during the year at reasonable intervals, except materials lying with third parties, where confirmations are obtained. In our opinion, the frequency of verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- III) According to the information and explanations furnished to us, apart from the Loan of Rs. 8298.49 Lakhs to M/S. DVS Industries Private Limited, subsidiary of the Company, the Company has neither granted nor taken any loans to and from companies, firms or other parties covered in the Register, maintained under Section 189 of the Companies Act, 2013. In respect of the loan to such subsidiary company:-
 - a) The Terms and conditions of the grant of such loan is, in our opinion, not prejudicial to the interest of the Company;
 - b) The repayment of the said loan is yet to commence as per the schedule stipulated for the repayment;
 - c) There is no overdue amount remaining outstanding as on the date of the Balance Sheet.
- IV) In our opinion and according to the information and explanations furnished to us, the Company has complied with the Provisions of Sections 185 and 186 of The Act in respect of Grant of Loans and making investments. The Company has not given any Guarantees and securities falling under section 185 / 186 of The Companies Act 2013.
- V) During the year, the Company has not accepted any Deposits from the Public or from the members. The Company does not have any Deposits on the date of the Balance Sheet. The Company does not have any Unclaimed Deposits on the date of the Balance Sheet. Therefore, the provisions of Clause 3 (v) of the Order are not applicable to the Company.
- VI) The maintenance of Cost Records under section 148 (1) of The Act has not been specified by The Central Government for the Business activities carried on by the Company. Thus, reporting under Clause 3 (vi) of the Order is not applicable to the Company.
- VII
 - a) According to the records of the Company, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees State Insurance, Income Tax, GST, Sales Tax, Value Added Tax, Wealth Tax, Customs Duty, Excise Duty, Service Tax, Cess and other material statutory dues applicable to it.
 - b) There were no undisputed amounts payable in respect of any of the above statutory dues.
- VIII) Based on our audit procedure and on the information and explanation given by the management, we are of the opinion that the company has not defaulted in repayment of its dues to Financial Institutions, Banks and debenture holders.
- IX) The Company has not raised any money by way of initial public offer or other public offer. The Company has repaid / availed the following term loans / Working Capital facilities from Banks:

Net Long Term Borrowings Repaid	₹ 3737.97 Lakhs
Net Short Term Borrowings Availed	₹ 7838.23 Lakhs

Based on our audit, we report that the proceeds of the Term Loan / Working Capital have been utilized for the purpose for which they were borrowed – namely creation of Fixed Assets of the Company. The total investment in Fixed Assets / Current Assets for the year is at Rs. 3009.17 Lakhs as against reduction in Term Loan of Rs. 3737.97 Lakhs. Further, as against Working Capital Borrowings of Rs. 7838.23 Lakhs during the Year, the application for Short Term uses is at Rs. 10919.59 Lakhs.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of M.M Forgings Ltd ('the Company') as of **31st March 2021** in conjunction with our audit of the Consolidated Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the

audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely direction of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2021**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the consolidated financial statements
1 Corporate information

The Company is engaged in the manufacture of Steel Forgings. The plants for manufacture are located at Singampunari – Sivagangai District, Viralimalai -Pudukkottai District and Karainathangal Village-Kanchipuram District, all within the state of Tamil Nadu. The company has its machining plant in Kursi Road, Barabanki situated in the state of Uttar Pradesh. The 100% owned subsidiary Company DVS Industries Pvt Ltd located in the state of Uttarakhand.

2 Significant accounting policies followed by the company:-
2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Sales does not include GST.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Work-in-progress and finished goods include appropriate proportion of overheads .

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciation has been provided on straight-line method as per the rates prescribed in Schedule II to the Companies Act, 2013 and accelerated depreciation is provided, wherever necessary.

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and the residual value of the assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The expected life is based on historic experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology.

Property, Plant and Equipment are stated at Cost Less accumulated Depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the Property, Plant and Equipment are put to use. The Company depreciates Property, Plant and Equipment over their estimated useful life using Straight Line Method. The estimated useful life of assets are as follows:

Particulars	
Building	30 Years
Plant and Machinery	15 Years
Office Equipment	5 Years
Computer Equipments	5 Years
Furniture And Fittings	10 Years
Vehicles	5 Years

Notes forming part of the consolidated financial statements

Based on technical evaluation, the Management believes that the useful life as given above represents the period over which the Management expects to use these assets. Hence, the useful life for these assets is different from the useful life as prescribed under Part C of Schedule II to The Companies Act, 2013. Depreciation method, useful life and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each Balance Sheet Date is classified as Capital Advances under Other Non Current assets and the cost of assets not put to use before such date are disclosed under Capital Work in Progress. Subsequent expenditures relating to Property, Plant and Equipment are capitalised only when it is possible that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and Maintenance Costs are recognised in Net Profit in the Statement of Profit And Loss when incurred. The cost and related accumulated Depreciation are eliminated from the Financial Statements upon sale or retirement of the Asset and the resultant Gains or Losses are recognised in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

2.7 Revenue recognition

Sale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer. Sales does not include GST.

2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.9 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes all expenses incurred in connection with the acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Foreign currency transactions and translations

Initial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

The Loss, if any, in the case of Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are considered / restated at the year-end rates. However, gains if any, are not considered.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss. The exchange differences arising on restatement / settlement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. The amount capitalised in the current year is at ₹ 757.08 Lakhs (Last Year ₹ 853.33 Lakhs).

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts.

2.11 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Notes forming part of the consolidated financial statements

2.12 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences,

Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.

Defined benefit plans

For defined benefit plans in the form of gratuity fund / Super Annuation fund, the same are covered under Group Gratuity Scheme of LIC and Super Annuation Fund with LIC..

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

2.13 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. .

2.14 Segment reporting

The Company is engaged in only one segment - Manufacture of Steel Forgings

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the statement of Profit and Loss.

2.17 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of

**Notes forming part of the consolidated financial statements**

products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.18 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.19 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.20 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.
