# KEEPING INDIA'S PRODUCTION LINES RUNNING

Marking and coding continue to play a vital role in the overall consumption story.

Be it a consumer product that gets picked up off the shelves of modern retail or an industrial product that comes with the mark of brand authenticity and even a shipment that traverses the longer path from its manufacturing base to the point of consumption via the long logistical corridor, it's the final

mark of authenticity, statutory/consumer information and navigational aids that help the products move.

These products can't commence their journey to consumers, just like an international traveller who can't commence his without securing a valid visa. To this effect, production lines would come to a standstill if the coding and marking apparatus is not up and kicking.

**As the country's leading supplier of coding and marking solutions - equipment and consumables - with 13,000+ active installations at various factories and production units, we, at Control Print, have a vital role to play in the 'Make in India' story. Precisely why, when the Covid-19 pandemic struck the country's supply chains twice in a span of 18 months, one in the beginning and the other at the fag end of FY21, we went that extra mile to help restore and sustain the production lines of our customers. We, at Control Print, are committed to keep India's production lines running.**

printers  
across  
industries  
and locations

We, Control Print Limited, are a leading Indian player in the niche coding and marking segment with application across the manufacturing industry, in a market that has otherwise been dominated by multi-national foreign companies, we are the leading face of a 'Make in India' driven campaign of a self-reliant India.

Having mastered our value proposition of globally competitive products and services over the last decade, we are the only integrated player with capability to manufacture both printers (coding and marking equipment) as well as consumables in India. Our manufacturing facility for printers and consumables are located at Nalagarh (Himachal Pradesh) and Guwahati (Assam) respectively, which are strategically located state-of-the-art manufacturing facilities producing par excellence quality products.

Besides these two domestic manufacturing strengths, we deploy a strong national network of sales and services through 11 branch offices and a strong technical support team of 400+ engineers. The strong network enables us to serve the end customers at their plant locations, right from the installation stage to consumable supplies and maintenance related services through an average

product lifecycle of five to seven years. Staying focussed on prompt attendance of service requests post-installation, we ensure the maximum uptime of our customers coding and marking equipment, thereby ensuring uninterrupted production.

Having weaved in an optimal technology and digital quotient in the way we manufacture, sell, supply, service, pay and get paid, our business is digitally enabled with an end-to-end SAP ERP system. Catering to a range of industries such as Food and Beverages, FMCG, Pipes and Cables, Metals, Automotive, Pharma, etc., we offer a great deal of customisation in our products to address unique needs of each of the served industry segments and customers.

We have an entire range of products in our portfolio to meet the coding and marking requirement of most of the industries. We closed the financial year 2020-21 with an installed base of 13,000+ printers across industries and locations. With a strong business foundation and **five pillars namely man, machine, material, technology, and finance**, we are well equipped and rightly positioned to pursue our business agenda of sustained profitable growth and stakeholder value creation.

# CHAIRMAN'S SPEECH

**Dear Shareholders,**

FY2020-21 (FY21) was a mixed bag for our country as well as our company. FY21 began amid the first wave and closed in the first quartile of the second wave of the pandemic striking the country. Besides the severe health challenges, it disrupted our economic momentum and recovery throughout the year, though at a varying extent. At the same time, the Country demonstrated heightened resiliency to bounce back to a positive GDP growth by the third quarter of the year.

For our Company and our business, we effectively got two months lesser in this year - to manufacture, supply and serve our customers. In spite of the challenges, we crossed the benchmark

of ₹200 crore annual revenue in FY21. We also rose to the clarion call of our frontline workers to manufacture and supply high quality protective face masks and of our government to make India Atmanirbhar Bharat.. Yes, we forayed in the face mask manufacturing domain to secure our fellow citizens and support our country's fight with an invisible enemy.

Ushering in FY21 under the shadow of a complete lockdown, we ensured adequate protection of all our assets - people, goodwill, manufacturing, inventory, installed equipment base, cash - as our first priority. Subsequently, the focus shifted to reboot ourselves in work mode as the restrictions started being lifted by the mid of May 2020. The recovery started thereafter with sequential increase in demand.

We helped our customers in a smooth unlock, servicing the installed base with consumables and maintainance. We intensified our focus on foraying into few newer segments such as dairy, FMCG and building materials. Our strategic shift in sales from the traditional regional/ zonal orientation to the new sector/ product category wise targeting yielded good results. Our equipment sales witnessed good traction across industries and we ended FY21 with an impressive installed base of 13500+ printers.

Our new venture - The Mask Lab - commenced commercial production in July 2020, overcoming many a lockdown induced challenges on its way. With this, we added a new capability of manufacturing surgical face masks and N95\* / FFP2 / IS 9473 quality masks and thereby a new revenue

We helped our customers in a smooth unlock, servicing the installed base with consumables and maintenance.

segment. You would be happy to note that we distributed our face masks free of cost among frontline warriors and needy sections of the society. The act, besides supporting the country's fight against novel coronavirus, was widely appreciated and recognised by the concerned authorities and national/regional media. We also won 'Best CSR Award' for the year, conferred by World CSR Congress.

Looking at the financial performance of the Company, we closed FY 21 with our best ever revenue of ₹203.69 crore representing a 4.15% growth over FY20. Our Operating profit for the year was ₹35.30 Crore with a margin improvement of 6.78%. Our net profit grew by 10.33% to reach ₹29.39 crore for the year. Even in the pandemic year, we continued to reward our shareholders with 9<sup>th</sup> consecutive year of dividend. Post shareholders' approval in the ensuing AGM, total dividend payout for the year would be 85%.

Looking ahead into the future, we are confident that our expanded installed base, newly added user segments, new sales approach of industry and product segment wise go to market strategy and the mask segment will drive our march forward. With the share of consumables revenue poised to grow steadily, we shall see a sequential improvement in our profit margin. We are sure of our newly introduced products adding to our momentum while expecting replacement market, OEM and Key Accounts to be the leading drivers of growth in FY22. We are moving ahead with certain focused marketing plans to capture the last mile users and are confident of further strengthening our market share with increasing installed base of printers.

We take immense pride in our people, who have demonstrated extreme agility, resilience and commitment towards serving the customers amid these testing times while also ensuring safety and well-being of themselves and their families. On behalf of all shareholders, I place on record our sincere appreciation of their superb contributions. On behalf of our Board, I thank each one of you, our dear shareholders, for your continued trust and guidance in taking Control Print to greater heights.

Please join me in acknowledging the invaluable role of all our frontline warriors and praying for a speedy return to normalcy for our 1.35+ billion fellow Indians and everyone across the globe!

# OUR CSR IMPRINT

Our journey of value creation will become more meaningful when a share of created wealth is ploughed back towards upliftment and empowerment of the communities we operate within, especially the marginalised sections of the society. Our CSR policy is an embodiment of this firm belief of ours.

Financial year 2020-21 begun with an unprecedented significance and shortage of medical grade face masks in the light of Covid-19 pandemic outbreak.

We had taken care of our employees' concerns by announcing that not a single layoff would be happening on account of pandemic and consequential lockdown. We did ensure of our unflinching commitment to our esteemed customers to keep their production lines operational with requisite support and supplies.

Now was our time to raise our nobility quotient to help the country fight novel coronavirus. We quickly got our act together to identify the ways and means in which we would strengthen our collective fight.

The first and most immediate response was to provide sustenance support to the extremely vulnerable and marginalised communities. The relief mode was identified to be the ration kits and/or cooked meals, whichever met the purpose or was feasible to reach to the beneficiaries. In order to bolster our distribution capabilities and fast track the outreach, we joined force with NGOs with on-ground presence. These included Lions Club of New Bombay Vashi, The Hunger Project and Nirantar Trust.

Through The Hunger Project, we supplied ration kits to 603 marginalised families in Jhajha block of jamui district in Bihar. The campaign ran for a period of 3 months.

We extended financial support to Relieve The Hunger campaign of cooked meal distribution undertaken by Lions Club of New Bombay Vashi. The club distributed 9,800 meals (700 packets each day for a period of 14 days) under this campaign to the needy people at Labourer Camps and Railway Station in Vashi area of Navi Mumbai.

We also made financial contribution to a multi-location relief delivery campaign of Nirantar Trust. In the 21 days of the first phase of lockdown, the trust delivered cooked meals to 2000 beneficiaries, ration kits to 700 families and financial help to 200 families.

While above immediate relief measures added sustenance support in the early days of suddenly imposed lockdown, a more structured and relevant contribution paraphernalia of our own mask manufacturing commenced commercial manufacturing.

In June 2020, our venture The Mask Lab launched the “Spreading Masks” initiative- an effort to donate masks and spread awareness about safety measures during the pandemic. We targeted the two most vulnerable groups to help: people most in need of masks on account of their profession, and people in need of masks but with little to no access to them.

We tied up with NGOs and local bodies to make masks available to both our identified beneficiary segments nationally. We donated masks to various hospitals

and police forces across Mumbai including Tata Memorial Hospital, KEM Hospital and JJ Hospital and police teams at Byculla, Thane and Crawford Market headquarters.

We tied up with several local NGOs and public bodies to distribute masks and raise awareness in the remotest parts of the country - from Telangana in South to Manipur in North East and Jammu & Kashmir & Ladakh in the far North. Our awareness campaign centred around women and children championing mask wearing. Some of these campaigns garnered lots of interest and even featured on local and national news channels.

Spreading Masks initiative received tremendous appreciation by the people it impacted. Over the course of 7 months, we donated more than 800,000 medical-grade surgical masks and FFP2/N95 level masks to NGOs, healthcare bodies, and public officials.

Company has received BEST CORPORATE SOCIAL RESPONSIBILITY (CSR) PRACTICES award organised by World CSR Day.

# MANAGEMENT DISCUSSION AND ANALYSIS

## Global Economy

The year 2020-21 plunged the world into a health crisis and eventually transmuted the entire situation into an economic turmoil, not foreseen initially. It will go into the history of mankind as a pandemic year marked by world changing moments that brought about paradigm-shift in terms of new normal and unprecedented disruption in health, education, trade and economy.

The year tested human resilience in a formidable manner and worldwide it was fought through repeated lockdowns, closing international borders, stalling travel and public transport. The situation proved to be an eye-opener for the entire world in terms of available healthcare facilities which needed immediate intervention and build-up. The countries across the world faced the crisis with several policy interventions to fight COVID-19 pandemic, extending socio-economic support, strengthening their healthcare infrastructure, releasing guidelines on physical distancing, etc. An immediate scientific research and development associations was sought after and several vaccines were developed to combat the escalating situation.

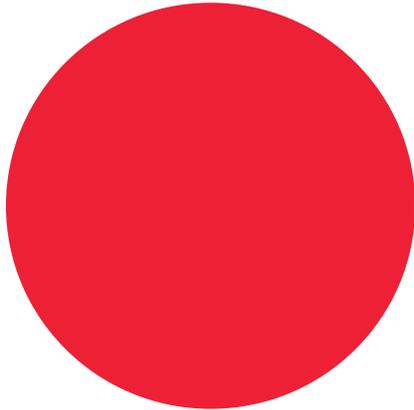

In terms of economy, the United States, China, Japan and Germany still stand

their ground and continue to be major economies. The US leads the bandwagon followed by China, Japan and Germany. One of the major reasons for upgrades in global growth for 2021 and 2022 is an elevation seen in advanced economies, especially for the US that is expected to grow at 6.4 percent this year. Such upgradation has led the United States to become the single large economy projected to surpass the GDP marker forecasted for 2022 in the absence of the pandemic.

As per the International Monetary Fund's economic forecasts. The pandemic has made countries like Brazil fall off from the top ten economy list. The other advanced economies, including the euro area, are slated to rebound this year. However, at a slower pace among emerging markets and developing economies.

It has been one year into the pandemic and the global prospects remain extremely indeterminate. Despite the expanding vaccine coverage across the world lifting sentiments, the new virus variants and mutations, and the rising fatality rate continues to raise concerns.

The future does not only depend on the victory of vaccines over the virus and its variants but also on the formulation and

implementation of effective economic policies by both developed and developing nations across the world, that would help mitigate the risk.

However, as put by IMF the recoveries are diverging across and within countries, as economies with slower vaccine rollout, more limited policy support, and more reliant on tourism.

### **Indian Economy**

With a focus on saving lives and livelihoods at the onset of the COVID-19 pandemic, India went into an intense early lockdown. Such response upheld India's principle of valuing human capital above economic gain and belief that GDP growth will recover from the temporary shock caused by the pandemic. As a consequence, India succeeded in saving lives and the intense lock-down provided a win-win strategy that helped preserve livelihoods via economic recovery in the medium to long-term. Such a deliberate effort and strategy helped India to flatten the curve and push the peak to Sep, 2020. Besides, the government also succeeded in refining its healthcare infrastructure and extended economic relief and graded relaxations to several sectors. India was the only country to

announce structural reforms to expand supply in the medium-long term and avoid long-term damage to productive capacities and it also regulated demand side policies. The public investment programme run by government and reduction in lending rates, moratorium of loans and giving cash to farmers and declaring agriculture and allied activities under essential services helped India sail the situation.

Agriculture continued to be the lifeline for the economy, whilst contact-based services, manufacturing, construction were hit hardest, and recovering were steadily. Right from lending cash to the farmers to food grain procurement by the government helped the rural economy to stay afloat, which in turn also sustained the Indian economy. Whilst agriculture is set to cushion the shock of the COVID-19 pandemic on the Indian economy in FY21 with a growth of 3.4%, Industry and services are estimated to contract by 9.6% and 8.8% respectively during FY21. India remained a preferred investment destination in FY 2020-21 with FDI pouring in amidst global asset shifts towards equities and prospects of quicker recovery in emerging economies.

India's four-pillar strategy of containment, fiscal, financial, and long term structural reforms helped it to stay the course. Its fiscal and monetary support to the vulnerable during the lockdown and boosting consumption and investment while unlocking ensured abundant liquidity and immediate relief to debtors while unblocking monetary policy transmission.

Before the second wave of the Covid-19 pandemic hit the country, India's gross domestic product (GDP) grew 1.6 per cent in the fourth quarter (January-March) of 2020-21. This comes on top of a 0.5 per cent growth in the previous October-December quarter. However, for the full financial year 2020-21, the GDP contracted 7.3 per cent – a record low. This is nevertheless a marginal improvement from the earlier estimate of 8 per cent contraction in the second advance estimates, largely because of a sharp rise in government expenditure.

## Industry Structure and Development

One of the most important parts of manufacturing and logistics process of industrial and consumer goods, Coding and Marking systems is a potent tool that is used to print the variable information of the product such as lot size, expiry date, manufacturing date and other related details on the product and on its packaging to provide authentic information to the consumer. One of the uniqueness of the coding and marking systems is that it also aids the manufacturers in differentiating their brand against cheap counterfeits

existing in the market. The given codes and marks on a particular product make it easy to track the goods from factory to the last mile user. Besides, having the coding and marking systems in place also indicates the manufacturer's seriousness towards brand building, product traceability, increased safety issues, adherence to regulations and focus on quality assurance of the product.

Coding and marking solutions have increasingly seen traction from more and more industries driven by (a) the increasing need for variable printing for product tracking and branding (b) the need to adhere to government regulations (c) increasing characters required to be printed with increasing regulatory compliances (4) shift from analogue to digital (5) Industry 4.0.

Overall the industry growth is closely correlated to packaging industry growth and the manufacturing sector growth as a whole. Indian Coding Industry is

estimated at Rs 12,000-15,000 Million as of FY2021 and estimated to grow in the range of 10% - 15% over the next few years. The Indian Coding & Marking industry has transformed into an essential requirement across multiple applications and is dominated by 4 players in an oligopolistic market, with our Company being the only “made in India” manufacturer.

Your Company is vertically integrated company, involved in the development, research, manufacturing, marketing, service and commercializing of printing machines, spare parts, consumables (fluids) and associated services. Your Company is one of India’s leading manufacturer of Coding and Marking Machines and consumable thereof for printing variable information such as batch numbers, manufacturing and expiry dates, maximum retail prices, serial numbers, special markings, logos, company names and barcodes. Our product line includes Continuous Inkjet Printer (CIJ), Large Character Drop on Demand Printer (LCP), Thermal Ink Coders, Thermal Transfer Over Printer (TTO), Laser Coders, Thermal Inkjet

Printer (TIJ), High Resolution Piezo Inkjet Printer, spare parts, consumables (fluids) and associated services. We provide our goods and services to a wide range of industries including Personal Care, Food & Beverages, Pharmaceuticals, Construction Materials, Cables, Wires & Pipes, Metals, Automotive & Electronics, Agro-chemicals, Chemicals & Petrochemicals amongst others.

## **OPPORTUNITY AND THREATS**

Your Company is working on providing a variety of best in class products coupled with marketing & distribution muscle to be successful across the Entire Coding Technology Spectrum.

Risk management is embedded in your Company’s operating framework. Your Company has ‘Risk Management Policy’, to identify, evaluate, categorize and prioritize the risks, right from its early stage and across the life cycle, develop and implement the risk mitigation plan to proactively reduce the potential impact of risk occurrence by providing adequate resources and monitoring continuously. Your Company believes that managing risks helps in maximizing returns. The Company’s approach to addressing business risks is comprehensive and includes periodic review of such risks and a framework for mitigating controls and reporting mechanism of such risks.

The ever-growing retail sector and an increasing demand for FMCG products due to contributory socio-economic and demographic factors such as increasing urbanization, the rising demand for food & beverages, growing population and the rise of living standard and aspirational living have together culminated into becoming the driving force of the growth of global coding and marking system market. Another factor that is fuelling the growth of the global coding and marking system market is the government regulatory mandates to meet the industry standards.

Another key factor driving the Indian coding and marking systems market growth is the expansion of the manufacturing and packaging sectors in the country. The Indian packaging industry is advancing due to the rising usage of innovative packaging, primarily flexible packaging. This is ascribed to the booming middle-class population and evolving rural markets. Moreover, the expansion of the e-commerce and food and beverage industries will propel the packaging industry. This will eventually drive the demand for coding and marking systems in the nation in the years to come.

The technology segment is classified into drop-on-demand (DoD), laser coding and marking, continuous inkjet, print and apply labeling, thermal inkjet, and thermal transfer overprinting (TTO). The continuous inkjet category held the largest share in the market owing to such systems' high-speed printing, efficiency on any surface, continue operations and low-cost printing. The TTO and TIJ category will display the fastest growth due to the increasing usage of these printers on the primary and secondary packages of dairy, distillery, food, bakery, pharmaceutical products.

## COMPANY'S BUSINESS OVERVIEW

The Control Print Limited started its operations in the early 1990s by marketing, distributing, and exclusively providing service for a few well-known foreign brands. It was during those years of working as a distributor that helped the company to better understand the Indian market and its unique challenges faced by Indian manufacturers.

As the company gathered experience in the coding and marking industry, it started contemplating launching its own coding machines customised to Indian requirements. In 2008, the company went on to establish the first

coding machine equipped with German technology customised to the robust work conditions in India.

With cutting-edge technology at their disposal, state-of-the-art infrastructure, good human resource, a dedicated service team, unrivalled operating costs, strong local infrastructure and service par excellence, three decades hence, Control Print Limited, has established itself as the lone and unparalleled "Make in India" player in the coding and marking vertical dominated by multi-national foreign companies. The Company provides its customers the ability to code, mark, address, decorate or personalize their products.

Currently, the Indian coding and marking systems market is observing the substitution of analogue coding and making technologies with digital variants. With the ongoing Industry 4.0 revolution, the automation of industrial practices is being done rapidly. Manufacturers need to mark, label, and code an array of products and shipments without compromising the production speed. Manufacturers go through these procedures to identify pallets, devices, parts, cartons, and shipments in an effective manner. Due to this reason, the availability of digital technologies is making analogue technology obsolete.

The implementation of stringent government regulations and an escalation in the demand for tracking will boost the Indian coding and marking systems. The pharmaceutical sector is creating a high demand for such systems due to the burgeoning usage of packaging to ensure safety, increasing proliferation of blister packaging, and increasing awareness about the mentioning of drug information on the package.

During the year, Indian economy witnessed significant slowdown impacting consumer demand. The global trade tensions and credit squeeze in domestic market played a major role in driving down demand and

robust, and has exceeded its revenue targets. This stability of Control Print has also been reaffirmed by credit rating agency Crisil with an A rating, after considering the short and medium-term impact of the Covid pandemic. The investors can maintain their belief in the Company's management for an optimistic future.

Even as the pandemic poses an uncertain future throwing unknown challenges across the spectrum, there has been an evident growth in the demand of printers with the ensuing positivity. This indicates a good sentiment and strong signal for an increase in momentum of industrial production wherein the increased installed base will drive the business in the coming quarters.

The flagship division CIJ witnessed traction as the production for the customers increased. The main propellant for the growth has been an increased production in some of the industries where Control Print has a stronghold such as Pipes, Cables, Steel, Food, FMCG, Beverages etc... The Company also witnessed growth in emerging sectors like Dairy, Pharma, Paints and Wood that has that has contributed to the Company's growth, increasing penetration and market share.

The Company has dedicated managers and devoted teams to drive the business verticals with a focus on Dairy, Beverages, Bakery (Biscuits), Frozen Food, Ready to Eat, Pharma, Packaging, Plywood, Lubricants, Carton Coding.

With the product technology being improvised for the laser printer and a focused, dynamic and targeted sales team in place, the laser printer business is growing steadily. **Performance across the segment:**

These are extraordinary situations when the strength of the Company is tested and Control Print is geared up for any challenge. It is financially stable and

## Product launch

The Company has launched new products over the last few years namely Thermal Inkjet (TIJ), Thermal Transfer Overprintin (TTO) and High Resolution (HiRES). All these products are exhibiting good traction and with cutting-edge installations in the past year, all the three divisions have documented independent highest revenue.

The Company is confident that TIJ, TTO and HiRES printers are state-of-the-art addition to its already rich range of products and will continue to add value to the Company's growth plan. The new products also went on to display resilience in terms of revenue generation and continued to grow during this challenging year. This has enhanced and built Company's confidence in the products to grow exponentially in the coming years.

## Face mask

Starting 24.07.2020, the Company ventured into commercial production of face masks and this has contributed to the Company's revenue. However, this venture was entered into during the pandemic primarily with a view to contribute to the country's fight against COVID-19. The advent of the second wave of COVID, could lead to demand for additional masks.

## BUSINESS OUTLOOK

Despite the pandemic and lockdown challenges the business environment across the Company's key business verticals remains favourable. With a good number of printer sales in the last couple of years and higher consumables sales expected in the coming years along with an improvement in industrial production, the company is heading towards a sustainable future. The launch of new products like TIJ Printer, High-Resolution Printer and TTO Printer has weaved a profitable scenario. All the new launches have received a good response from the market and are expected to exhibit exponential growth in the coming years from key sectors such as Dairy, Beverages, Bakery (Biscuits), Frozen Food, Ready to Eat, Pharma, Packaging, Plywood, Lubricants, Carton Coding. Even the replacement market

is expected to generate breakthrough opportunities among key clients and sectors. The special focus area would be OEM sales and Key Customer Accounts. The Company would give an added emphasis on increasing marketing efforts and increasing its visibility in the market. As a result, it would focus on using its workforce of sales engineers and field staff more efficiently. Another area of motivation for the Company would be participation in exhibitions in the Tier 2 cities for capturing the last mile user.

Pegging for increased market share with a higher Installed Base thereby driving long-term growth opportunities for consumables would also assure Company's growth.

However, if a Member is already registered with CDSL for e-voting then existing User ID and password can be used for casting vote.

- VI. CS Nilesh Shah or failing him CS Mahesh Darji or failing him CS Hetal Shah of M/s. Nilesh Shah and Associates, a Practicing Company Secretary firm, Mumbai has been appointed by the Company as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
- VII. The Scrutinizer, after scrutinizing the votes, will, not later than forty eight hours from the conclusion of the Meeting; make a consolidated scrutinizer's report which shall be placed on the website of the Company, i.e. [www.controlprint.com](http://www.controlprint.com) and on the website of CDSL. The results shall simultaneously be communicated to the Stock Exchanges.
- VIII. Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the Meeting, i.e. Monday, July 19, 2021.
- IX. Information and other instructions relating to e-voting are as under:
- (i) The remote e-voting facility will be available during the following period:
- Commencement of e-voting: From 9:00 a.m. (IST) on Friday, July 16, 2021. End of e-voting: Up to 5:00 p.m. (IST) on Sunday, July 18, 2021. The remote e-voting will not be allowed beyond the aforesaid date and time and the e-voting module shall be disabled by CDSL upon expiry of the aforesaid period.
- (ii) The Members who have cast their vote by remote e-voting prior to the Meeting may also attend/ participate in the Meeting through VC / OAVM but shall not be entitled to cast their vote again.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

# INDEPENDENT AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

[Pursuant to Clause E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To  
The Members of  
**Control Print Limited**

We have examined the compliance of the conditions of corporate governance by Control Print Limited, ("the Company") for the year ended March 31, 2021, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2), and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

The Compliance of the conditions of corporate governance is the responsibility of the Management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of corporate governance as stipulated in the Listing Regulations.

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the Guidance Note on Certificate of corporate governance (Revised) issued by the Institute of Chartered Accountants of India ('ICAI'), and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the code of ethics issued by the ICAI.

In our opinion and to the best of our information, based on the records, documents, books and other information furnished to us during the aforesaid audit by the Company, its officers and agents, we confirm that the Company has complied with the corporate governance as stipulated in the listing regulation to the extent applicable to the Company, during the aforesaid period under audit subject to the following.

1. As required by clause 17(1)(a) the Board of Directors of the Top 1000 listed entities shall have at least one-woman independent director by April 1, 2020. However, the company has complied this provision with effect from 30<sup>th</sup> June 2020.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS

TO THE MEMBERS OF **CONTROL PRINT LIMITED**

## Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying Standalone Financial Statements of Control Print Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2021, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (the 'Act'), in the manner so required and give a true and fair view in conformity with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, total comprehensive income (comprising of profit and other comprehensive income), the changes in equity and its cash flow for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Response to Key Audit Matter Trade Receivables

Receivables (net of provisioning) of ₹ 5,634.33 Lakhs part of the current assets of the company as at 31-Mar-21 Principal Audit Procedures Evaluating and testing the controls for managing trade receivables, including subsequent collection, unidentified credits and provisioning.

Validating the Aging of receivables, review of trend customer wise, reasons for long outstanding balances, evaluation of disputes and possibility of recovery and existence of the customers.

Assessing the appropriateness and completeness of the related disclosure in the company's Financial Statements.

### Conclusion

Our procedures did not identify any material exceptions

### Inventory

Inventories (net of provisions) of ₹ 6,686.96 Lakhs part of the current assets of the company as at 31-Mar-21. The Inventory is lying at various locations, including at 3<sup>rd</sup> party premises.

### Principal Audit Procedures

Testing the assumptions for inventory valuation basis

Review the policy of the management for physical verification and the documents related to management's physical count procedure actually followed at different locations.

Relied on physical verification report by internal auditors

Assess the appropriateness and completeness of the related disclosure in the company's Financial Statements.

### Conclusion

Our procedures did not identify any material exceptions.

### Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant

ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

1. We did not audit the financial statements of Colombo (Sri Lanka) Branch included in the standalone financial statements of the Company whose financial statements reflect total assets of ₹ 279.39 Lakhs as at 31st March 2021, total revenues of ₹ 128.30 Lakhs, total net profit after tax of ₹ 0.92 Lakhs and total comprehensive income of ₹ 0.92 Lakhs for the year ended 31<sup>st</sup> March 2021. The financial statement of above branch has been audited by another independent auditor in accordance with the regulations of that country, whose report has been furnished to us, and our opinion on the standalone financial statements, to the extent it has been derived from such audited financial statements is based solely on the report of such other auditor. Our opinion is not modified in respect of this matter.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure 'A' statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The reports on the accounts of the branch office of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
  - d. The Balance Sheet, Statement of Profit and Loss (including other comprehensive income),

the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- e. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
- f. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refers to our separate report in Annexure 'B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- ii. The Company has disclosed the impact of pending litigation as at March 31, 2021 on its financial position in its standalone financial statements - Refer Note 42 (C) to the standalone financial statements.
- iii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iv. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021.

## **ANNEXURE- 'A' TO THE INDEPENDENT AUDITOR'S REPORT** (Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- 1.(a) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
- (b) The Company has a program of verification to cover all the items of property, plant and equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. Pursuant to the program, certain property, plant and equipment were physically verified by the management during the year and whatever discrepancies noticed on such verification has been properly dealt in the books of accounts.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.
- 2) As per the information and explanations given to us, the inventories have been physically verified at reasonable intervals during the year by the management except materials lying with third parties and goods-in-transit. According to the information and explanations given to us, the procedures for physical verification of inventories followed by the management during the year are reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly adjusted in the books of account. During the year under review the Company has written off Inventory value of ₹ 395.20 Lakhs on account of technological obsolescence.
- 3) The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3 (iii) (a), (b) and (c) of the said Order are not applicable to the Company.
- There is a transfer of ₹ 25.14 Lakhs during the year along with the opening outstanding balance of ₹ 48.89 Lakhs, (outstanding as on year end ₹ 74.03 Lakhs) granted to the wholly owned subsidiary company viz. Liberty Chemicals Private Limited.
- 4) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act 2013, with respect to Loans and Advances made, guarantee given and investments made.
- 5) The Company has not accepted any deposits during the year from the public covered under Sections 73 to 76 of the Companies Act 2013.
- 6) As informed to us, the Central Government has prescribed maintenance of cost records under section 148(1) of the Act. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- 7) According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company is regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Goods and Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues applicable to it to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Goods and Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
- (c) Details of dues of Income-tax, Sales Tax, Service Tax, Goods and Service Tax, Customs Duty, Excise Duty, and Value Added Tax which have not been deposited as on March 31, 2021 on account of disputes are given below:

₹ in Lakhs

Name of Statute	Nature of Dues	Forum where dispute is pending	Amount (Involved)	Amount (Paid)	Amount (Unpaid)
Central Sales Tax Act, Local Sales Tax Act	Sales Tax for FY 2012-13	DCST (Appeals), Mumbai	151.42	56.33	95.09
	MVAT for FY 2015-t16	DCST (Appeals), Mumbai	39.99	2.00	37.99
	Sales Tax for FY 2015-16	Rectification filed with STO, Mumbai	222.97	-	222.97
	Sales Tax for FY 2016-17	Appeal to be filed with JCST	10.35	-	10.35

- 8) According to the records of the Company examined by us and the information and explanations provided to us, the Company has not defaulted in repayment of loans or borrowings to any Financial Institutions or Banks or dues to debenture holders as at the Balance Sheet date.
- 9) In our opinion, and according to the information and explanations given to us, the company has not raised any money by way of term loans or initial public offer or further public offer including debt instruments during the year.
- 10) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- 11) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- 12) The company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, accordingly, paragraph 3(xii) of the Order is not applicable.
- 13) The Company has entered into transactions with related parties in compliance with sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required by applicable Ind AS.
- 14) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- 15) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- 16) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.

## **ANNEXURE- 'B' TO THE INDEPENDENT AUDITOR'S REPORT**

**(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Control Print Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

### **Management's Responsibility for the Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of Financial Statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial

reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of

Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

**A) Company Information:** Control Print Limited is a public company domiciled and incorporated in India and its shares are listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). The registered office of the Company is situated at C-106, Hind Saurashtra Industrial Estate, Andheri Kurla Road, Marol Naka, Andheri (East), Mumbai Maharashtra 400059.

The Company is engaged in manufacturing and supplying of Coding & Marking Machines, its related consumables. and Surgical/ N95 Masks. It has country wide service network to cater its customers. It has manufacturing facilities in the State of Himachal Pradesh, Assam, apart from overseas Branch at Colombo, Sri Lanka.

The Financial Statements for the year ended March 31, 2021 were approved and adopted by the Board on April 23, 2021

### B) Significant Accounting Policies

#### (i) Statement of compliance with Ind AS

The financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard) Rules, 2015 and other relevant provisions of the Act.

#### (ii) Basis of Preparation and presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair values. All assets and liabilities have been classified as current or non-current based on normal operating cycle of business activities of the Company, which is 12 months.

#### (iii) Use of estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these

assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

#### (iv) Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Freehold land is not depreciated. The cost of an item of property, plant and equipment comprises its cost of purchase and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of the profit and loss.

#### (v) Capital work in progress

Property, plant and equipment under construction as well as Coding and Marking machines held exclusively for Rental prior to dispatch to Customers location are disclosed as capital work in progress.

#### (vi) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

## NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### Estimated useful lives of the Intangible assets are as follows:

Computer Software	6 Years
Technical Know How	6 Years

There are no intangible assets having indefinite useful life

An intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

### (vii) Leases

#### As a Lessee

The Company has adopted Ind AS 17, Leases effective for accounting periods beginning on or after April 01, 2019, and applied the modified retrospective method and recognized Lease Liability under the head Other Non-Current Liabilities with corresponding recognition of right-of-use assets under the head Property, plant and equipment and will not restate prior years.

The lease liability reflects the net present value of the remaining lease payments adjusted for payments made before the commencement date, lease incentives and other items related to the lease agreement, and the right-of-use asset corresponds to the lease liability.

Upon adoption of the new standard, a portion of the annual operating lease costs, which was previously fully recognised as a rental / lease expense, is recorded as interest expense. In addition, the portion of the lease payments which represents the reduction of the lease liability is recognised in the cash flow statement as an outflow from financing activities, which was previously fully recognised as an outflow from operating activities.

Consequently, the Company has recognised an amount of ₹ 125.02 lakhs in depreciation expense and ₹ 45.73 Lakhs in finance costs for the year ended 31 March 2021.

#### As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on

a straight-line basis over the lease term unless the receipts are structured in accordance with lease agreement. Adoption of the new standard had no impact upon leases for which the Company is a lessor.

### (viii) Depreciation and Amortisation

#### Property, plant and equipment

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

The useful lives have been taken as specified by Schedule II to the Companies Act, 2013 except for coding and marking machines where useful lives have been determined as seven years based on technical evaluation done by the management and for Plant & Machineries for masks where useful lives have been determined and duly certified by Chartered Engineer as three years.

Pro-rata depreciation is charged on property, plant and equipment from/up to the date on which such assets are ready to put to use/are deleted or discarded.

#### Intangible Assets

Intangible assets are amortised over their respective individual estimated useful life on straight line basis commencing from the date such asset is acquired for use in the Company.

Computer Software and Technical Know How are classified as intangible assets and amortised on straight line basis over a period of 6 years.

Pro-rata amortization is charged on intangible assets from/up to the date on which such assets are acquired for use/are deleted or discarded.

### (ix) Impairment of Assets

A tangible or intangible asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of tangible or intangible assets are reviewed at each balance sheet date to determine Indications of impairment, if any, of those assets. If any such Indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over

## NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

its recoverable value is recognised as an impairment loss and the same is charged to profit and loss account. The impairment loss, if any, recognised in prior accounting period is reversed if there is a change in estimate of recoverable amount.

### (x) Financial Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provision of the instrument. All the financial assets and financial liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

### (xi) Financial Assets

#### Classification and Measurement

All recognised financial assets are subsequently measured either at amortised cost or fair value [either through other comprehensive income (FVTOCI) or through profit or loss (FVTPL)] depending on the classification of the financial assets as follows:

#### (a) Financial Asset measured at Amortised Cost:

The Company's financial assets primarily consists of cash and cash equivalents, trade receivables, loans to employees, security deposits and other eligible current and non-current assets which are classified as financial assets carried at amortised cost.

#### (b) Financial Asset measured at Fair Value through Other Comprehensive Income (FVTOCI):

On initial recognition, the Company has made irrevocable election in respect of purchases/acquisition on/after 1st July, 2019 on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains

and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments as the same has been recognised in other comprehensive income.

**(c) Financial assets at fair value through profit or loss (FVTPL):** Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

**(d) Financial assets at Cost -** Contribution to venture funds in form of purchase of units with lock in period of more than 12 months is classified as Non- Current Investment.

#### Derecognition of financial assets

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired; the company has transferred the financial asset along with all the risks and rewards or has assumed an obligation to pay the received cash flows in full to a third party under a pass-through arrangement.

On derecognition of a financial asset in its entirety, the difference between the carrying amount measured at the date of derecognition and the consideration received is recognised in profit or loss.

#### Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

Expected Credit Loss (ECL) is the difference between all contractual cash flows that are due in accordance with the contract and the cash flows expected to receive (i.e. all cash shortfalls).

### (xii) Financial Liabilities

Financial liabilities of the Company are contractual obligation to deliver cash or another financial asset to another entity. The

## NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Company's financial liabilities include long-term and short-term borrowings, trade and other payables and other eligible current and non-current liabilities.

### Classification Measurement and De-recognition

All recognized financial liabilities are subsequently measured at amortised cost. The Company de-recognise financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. Gain and losses are recognized in profit or loss when the liabilities are derecognized.

#### (xiii) Offsetting of financial instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet only if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously

#### (xiv) Valuation of Inventories

Inventories are valued at lower of cost and net realisable value after providing for non moving material, obsolescence wherever necessary. The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Inventories are carried in the balance sheet as follows

Inventory	Basis of Valuation
Raw materials, Packing materials, Components	At lower of cost, on weighted average basis and net realisable Value
Work-in Progress	At lower of cost of material on weighted average basis, plus appropriate production overheads and net realizable value

Finished goods Manufacturing	- At lower of cost of material on weighted average basis plus appropriate share of overhead and net realizable value
------------------------------	--

Finished goods Trading	- At lower of cost, on weighted average basis and net realizable value
------------------------	--

#### (xv) Translation of Foreign Currency Transactions

The Company's financial statements are presented in Indian Rupees (INR) which is Company's functional and presentation currency. Transactions denominated in foreign currency are recognised at the rates of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at year end date. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise. Income and Expenses of foreign branch have been translated at the average rate for the year.

#### (xvi) Revenue Recognition

The Company derives revenues primarily from sale of manufactured goods, traded goods and related services.

Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the modified retrospective approach i.e. cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. April 1, 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to

the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Revenue from sales of manufactured goods, traded goods and related services are recognised when significant risks and rewards of ownership of the goods are transferred to the customer, recovery of the consideration is probable, the amount of revenue can be measured reliably and all performance obligation related to contract is satisfied. Sales are disclosed net of returns and claims.

Other operating revenue includes duty drawback, and is recognized when the right to receive is established

Other Income includes Interest Income, Dividend Income, gain on Foreign Exchange Fluctuations etc. Interest Income accrued on a time basis by reference to the principal outstanding and the effective interest rate. Dividend Income accounted in the period in which the right to receive the same is established.

### **(xvii) Government Grants**

Grants and subsidies from the Government are recognised when there is reasonable assurance that the grant/ subsidy will be received and all the prescribed conditions will

Grant or subsidy relating to an expense item is recognised as income in the statement of profit or loss over the periods necessary to match them on a systematic basis to the costs which is intended to compensate.

Grant or subsidy relating to an asset are included in non-current liabilities as deferred income and are credited to statement of profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

### **(xviii) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for their intended use. All other borrowing costs are recognized as expense in the period in which they are incurred.

### **(xix) Dividends**

Final dividend on shares are recorded as a liability on the date of approval by the shareholders at the annual general meeting and interim dividend are recorded as a liability on the date of declaration by the Company's Board of Directors.

### **(xx) Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss after tax for the period attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year adjusted for bonus elements in equity shares issued during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss after tax for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

### **(xxi) Employee Benefits**

#### **Short-term Employee Benefits:**

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

#### **Long-term Employee Benefits:**

##### **Defined Contribution Plans:**

Contributions to the employee's provident fund, Employee's Pension Scheme and Employee's State Insurance are recognized as defined contribution plan and charged as expenses during the period in which the employees perform the services.

##### **Defined Benefit Plans:**

Retirement benefits in the form of Gratuity is considered as defined benefit plan and determined on actuarial valuation using the Projected Unit Credit Method at the balance sheet date.

## **NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**

Interest Cost, Current Service Cost and Past Service Cost are recognized in profit and loss account immediately. Re-measurement gain and losses arising due to change in actuarial assumptions and estimates are recognized directly in Other Comprehensive Income. Such re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

### **Other Long -term Employee Benefit:**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date. Annual leaves can either be availed or encashed subject to restriction on the maximum accumulation of leaves.

### **Termination Benefits:**

Termination benefits are recognized as an expense in the period in which they are incurred.

The employee benefit with regards to both Leave encashment and Gratuity are unfunded.

### **(xxii) Exceptional Items**

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

### **(xxiii) Taxes on Income**

#### **Current Tax:**

Tax on income for the current period is determined on the basis of estimated taxable income and computed in accordance with the provisions of the relevant tax laws, outcome of past assessments / appeals and legal opinion sought by the Company.

The Company has recognized provision for Income Tax for the year ended March 31, 2021 as per the amended rates of Sec 115JB of the Income Tax Act, 1961 on the same basis as followed for the year ended 31st March 2020

#### **Deferred Tax:**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

#### **Minimum Alternate Tax (MAT) credit:**

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay income tax under the normal provisions during the specified period, resulting in utilization of MAT credit.

In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of Profit & Loss and shown as MAT Credit Entitlement.

### **(xxiv) Segment Reporting**

The Company is engaged predominantly into manufacturing of Coding & Marking Machines and consumables thereof. The Company has only One Reportable business segment identified by management namely Coding & Marking Machines and consumable thereof.

### **(xxv) Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes to financial statements. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable. Provisions,

## NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed as the possibility of outflow of resources is remote.

### **(xxvi) Cash Flow Statements**

Statement of Cash Flows is prepared segregating the cash flows into operating,

investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of changes during the period in inventories, operating receivables, payables, transactions of a non-cash nature such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates and all other items for which the cash effects are investing or financing cash flows.

For the purpose of presentation in the statement of cash flow, cash and cash equivalents includes cash on hand and balance held with banks and short term investments in liquid Mutual Funds.

Impact of 1% change in Employee turnover	1.72	1.59	(2.03)	(1.87)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

## NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

### (vii) Expected Future Cash Flows:

Projected benefits payable in future years from Date of Reporting	₹ in Lakhs	
	As at March 31, 2021	As at March 31, 2020

Sum of Years 6 to 10	88.77	80.00
Sum of Years 11 and above	407.12	368.04

### (viii) Characteristics of defined benefit plans and associated risks:

The Company has an unfunded Defined benefit gratuity plan. Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity.

Gratuity is a defined benefit plan and company is exposed to following Risks:

- **Salary Risk** - The Present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
- **Interest Rate Risk** - A falls in the discount rate which is linked to the Government securities. Rate will increase the present value of the liability requiring higher provision.
- **Asset Liability Matching Risk** - The plan faces the ALM risk as to the matching cash flow. Company has to manage payout based on pay as you go basis from own funds.
- **Mortality Risk** - Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

# INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

TO THE MEMBERS OF **CONTROL PRINT LIMITED**

## Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the accompanying consolidated financial statements of Control Print Limited (“the Holding Company”) and Liberty Chemicals Private Limited (“the Subsidiary Company”) together referred to as “the Group”, which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of changes in Equity and the Consolidated Cash Flow Statement for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the ‘Act’), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, consolidated total comprehensive income (comprising of consolidated profit and consolidated other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (‘ICAI’) together with ethical requirements that are relevant to our audit of consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence that we have obtained is sufficient

and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Response to Key Audit Matter Trade Receivables

Receivables (net of provisioning) of ₹ 5,634.33 Lakhs part of the current assets of the company as at 31-Mar-21

#### Principal Audit Procedures

Evaluating and testing the controls for managing trade receivables, including subsequent collection, unidentified credits and provisioning.

Validating the Aging of receivables, review of trend customer wise, reasons for long outstanding balances, evaluation of disputes and possibility of recovery and existence of the customers.

On sample basis requested to various customers for confirmations over email during the current COVID 19 Pandemic.

Assessing the appropriateness and completeness of the related disclosure in the company's Financial Statements.

### Conclusion

Our procedures did not identify any material exceptions.

### Inventory

Inventories (net of provisions) of ₹ 6,686.96 Lakhs part of the current assets of the company as at 31-Mar-21. The Inventory is lying at various locations, including at 3<sup>rd</sup> party premises.

#### Principal Audit Procedures

Testing the assumptions for inventory valuation basis.

Review the policy of the management for physical verification and the documents related to management's physical count procedure actually followed at different locations.

Relied on physical verification report by internal auditors.

Assess the appropriateness and completeness of the related disclosure in the company's Financial Statements.

### Conclusion

Our procedures did not identify any material exceptions.

### Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flow of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) as specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and

prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of companies included in the group is responsible for overseeing the financial reporting process of each company.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Group regarding, among other matters, the

planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

1. We did not audit the financial statements of Colombo (Sri Lanka) Branch included in the consolidated financial statements of the Company whose financial statements reflect total assets of ₹ 279.39 as at 31st March 2021, total revenues of ₹ 128.30 Lakhs, total net profit after tax of ₹ 0.92 Lakhs and total comprehensive income of ₹ 0.92 Lakhs for the year ended 31st March 2021. The financial statement of above branch has been audited by another independent auditor in accordance with the regulations of that country, whose report has been furnished to us, and our opinion on the consolidated financial statements, to the extent it has been derived from such audited financial statements is based solely on the report of such other auditor.

Our opinion is not modified in respect of this matter.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
  - b. In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

- c. The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refers to our separate report in Annexure 'A' which is based on the auditors' reports of the Company and its subsidiary companies incorporated in India.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, (as amended), in our opinion and to the best of our information and according to the explanations given to us;
- i. The Group has disclosed the impact of pending litigation as at March 31, 2021 on its consolidated financial position in its consolidated financial statements - Refer Note 42 (C) to the Consolidated Financial Statements;
- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021.

## **ANNEXURE- 'A' TO THE INDEPENDENT AUDITOR'S REPORT**

**(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls over financial reporting of the Group under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

In conjunction with our audit of the consolidated financial statements of Control Print Limited ("the Holding Company") and Liberty Chemicals Private Limited ("the Subsidiary Company") together referred to as "the Group" at and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of the Group, as at that date.

### **Management's Responsibility for the Internal Financial Controls**

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls over financial reporting of the group based on the criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the group based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting of the group. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance

about whether adequate internal financial controls with respect to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting of the group and their operating effectiveness. Our audit of internal financial controls over financial reporting of the group included obtaining an understanding of internal financial controls over financial reporting of the group, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting of the group.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting of the group is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting of the group includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of Financial Statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting of the group, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting of the group may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Group have, in all material aspects, an adequate internal financial control system over financial reporting of the group and such internal financial controls over financial reporting of the group were operating effectively as at March 31, 2021, based on the internal control over financial reporting of the group criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

**A) Company Information:** Control Print Limited is a public company domiciled and incorporated in India and its shares are listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). The registered office of the Company is situated at C-106, Hind Saurashtra Industrial Estate, Andheri Kurla Road, Marol Naka, Andheri (East), Mumbai Maharashtra 400059

The Company is engaged in manufacturing and supplying of Coding & Marking Machines, its related consumables, and Surgical/ N95 Masks. It has country wide service network to cater its customers. It has manufacturing facilities in the State of Himachal Pradesh, Assam, apart from overseas Branch at Colombo, Sri Lanka.

The Financial Statements for the year ended March 31, 2021 were approved and adopted by the Board on April 23, 2021

**B)** The Consolidated Financial Statements comprises of audited Financial Statements of Control Print Limited (Parent Company) and the Liberty Chemicals Private Limited (Subsidiary Company) as on March 31, 2021

**C)** The Financial Statements of the parent company and its subsidiary have been consolidated on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses, after eliminating Intra-group balances, Intra-group transactions and unrealised profits or losses in accordance with Ind AS 110 - "Consolidated Financial Statements". The deferred tax to be recognised for temporary differences arises from elimination of profits and losses resulting from intra group transactions.

The difference between the cost of investment and share of net assets at the time of acquisition of shares in the subsidiaries and associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.

#### **D) Significant Accounting Policies**

##### **(i) Statement of compliance with Ind AS**

The financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standard) Rules, 2015 and other relevant provisions of the Act.

##### **(ii) Basis of Preparation and presentation**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair values. All assets and liabilities have been classified as current or non-current based on normal operating cycle of business activities of the Company, which is 12 months.

##### **(iii) Use of estimates**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

##### **(iv) Property, Plant and Equipment**

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Freehold land is not depreciated. The cost of an item of property, plant and equipment comprises its cost of purchase and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of the profit and loss.

##### **(v) Capital work in progress-**

Property, plant and equipment under construction as well as Coding and Marking machines held exclusively for Rental prior to

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

dispatch to Customers location are disclosed as capital work in progress.

### (vi) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

#### Estimated useful lives of the Intangible assets are as follows:

Computer Software	6 Years
Technical Know How	6 Years

There are no intangible assets having indefinite useful life

An intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

### (vii) Leases

#### As a Lessee

The Company has adopted Ind AS 17, Leases effective for accounting periods beginning on or after April 01, 2019, and applied the modified retrospective method and recognized Lease Liability under the head Other Non-Current Liabilities with corresponding recognition of right-of-use assets under the head Property, plant and equipment and will not restate prior years.

The lease liability reflects the net present value of the remaining lease payments adjusted for payments made before the commencement date, lease incentives and other items related to the lease agreement, and the right-of-use asset corresponds to the lease liability.

Upon adoption of the new standard, a portion of the annual operating lease costs, which was previously fully recognised as a rental / lease expense, is recorded as interest expense. In addition, the portion of the lease payments which represents the reduction of the lease liability is recognised in the cash flow statement as an outflow from financing activities, which was previously fully recognised as an outflow from operating activities.

Consequently, the Company has recognised an amount of ₹ 125.02 lakhs in depreciation expense and ₹ 45.73 Lakhs in finance costs for the year ended 31 March 2021.

#### As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured in accordance with lease agreement. Adoption of the new standard had no impact upon leases for which the Company is a lessor.

### (viii) Depreciation and Amortisation

#### Property, plant and equipment

Depreciation is calculated using the straight line method to allocate their cost, net of their residual values, over their estimated useful lives.

The useful lives have been taken as specified by Schedule II to the Companies Act, 2013 except for coding and marking machines where useful lives have been determined as seven years based on technical evaluation done by the management and for Plant & Machineries for masks where useful lives have been determined and duly certified by Chartered Engineer as three years.

Pro-rata depreciation is charged on property, plant and equipment from/up to the date on which such assets are ready to put to use/are deleted or discarded.

#### Intangible Assets

Intangible assets are amortised over their respective individual estimated useful life on straight line basis commencing from the date such asset is acquired for use in the Company.

Computer Software and Technical Know How are classified as intangible assets and

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

amortised on straight line basis over a period of 6 years.

Pro-rata amortization is charged on intangible assets from/up to the date on which such assets are acquired for use/are deleted or discarded.

### (ix) Impairment of Assets

A tangible or intangible asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of tangible or intangible assets are reviewed at each balance sheet date to determine Indications of impairment, if any, of those assets. If any such Indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognised as an impairment loss and the same is charged to profit and loss account. The impairment loss, if any, recognised in prior accounting period is reversed if there is a change in estimate of recoverable amount.

### (x) Financial Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provision of the instrument. All the financial assets and financial liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

### (xi) Financial Assets

#### Classification and Measurement

All recognised financial assets are subsequently measured either at amortised cost or fair value [either through other comprehensive income (FVTOCI) or through profit or loss (FVTPL)] depending on the classification of the financial assets as follows:

#### (a) Financial Asset measured at Amortised Cost:

The Company's financial assets primarily consists of cash and cash equivalents, trade

receivables, loans to employees, security deposits and other eligible current and non-current assets which are classified as financial assets carried at amortised cost.

#### (b) Financial Asset measured at Fair Value through Other Comprehensive Income (FVTOCI):

On initial recognition, the Company has made irrevocable election in respect of purchases/acquisition on/after 1st July, 2019 on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments as the same has been recognised in other comprehensive income.

#### (c) Financial assets at fair value through profit or loss (FVTPL):

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

#### (d) Financial assets at Cost -

Contribution to venture funds in form of purchase of units with lock in period of more than 12 months is classified as Non- Current Investment.

#### Derecognition of financial assets

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired; the company has transferred the financial asset along with all the risks and rewards or has assumed an obligation to pay the received cash flows in full to a third party under a pass-through arrangement.

On derecognition of a financial asset in its entirety, the difference between the carrying amount measured at the date of derecognition and the consideration received is recognised in profit or loss.

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

Expected Credit Loss (ECL) is the difference between all contractual cash flows that are due in accordance with the contract and the cash flows expected to receive (i.e. all cash shortfalls).

### (xii) Financial Liabilities

Financial liabilities of the Company are contractual obligation to deliver cash or another financial asset to another entity. The Company's financial liabilities include long-term and short-term borrowings, trade and other payables and other eligible current and non-current liabilities.

### Classification Measurement and De-recognition

All recognized financial liabilities are subsequently measured at amortised cost. The Company de-recognise financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. Gain and losses are recognized in profit or loss when the liabilities are derecognized.

### (xiii) Offsetting of financial instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet only if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously

### (xiv) Valuation of Inventories

Inventories are valued at lower of cost and net realisable value after providing for non moving material, obsolescence wherever necessary. The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Inventories are carried in the balance sheet as follows

Inventory	Basis of Valuation
Raw materials, Packing materials, Components	At lower of cost, on weighted average basis and net realisable Value
Work-in Progress	At lower of cost of material on weighted average basis, plus appropriate production overheads and net realizable value
Finished goods - Manufacturing	At lower of cost of material on weighted average basis plus appropriate share of overhead and net realizable value
Finished goods - Trading	At lower of cost, on weighted average basis and net realizable value

### (xv) Translation of Foreign Currency Transactions

The Company's financial statements are presented in Indian Rupees (INR) which is Company's functional and presentation currency. Transactions denominated in foreign currency are recognised at the rates of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at year end date. Exchange differences on monetary items are recognised in profit or loss in the period in which they arise. Income and Expenses of foreign branch have been translated at the average rate for the year.

### (xvi) Revenue Recognition

The Company derives revenues primarily from sale of manufactured goods, traded goods and related services.

The Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the modified retrospective approach i.e. cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. April 1, 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

Revenue from sales of manufactured goods, traded goods and related services are recognised when significant risks and rewards of ownership of the goods are transferred to the customer, recovery of the consideration is probable, the amount of revenue can be measured reliably and all performance obligation related to contract is satisfied. Sales are disclosed net of returns and claims.

Other operating revenue includes duty drawback, and is recognized when the right to receive is established.

Other Income includes Interest Income, Dividend Income, gain on Foreign Exchange Fluctuations etc. Interest Income accrued on a time basis by reference to the principal outstanding and the effective interest rate. Dividend Income accounted in the period in which the right to receive the same is established.

### (xvii) Government Grants

Grants and subsidies from the Government are recognised when there is reasonable assurance that the grant/ subsidy will be received and all the prescribed conditions will be complied with.

Grant or subsidy relating to an expense item is recognised as income in the statement of profit or loss over the periods necessary to match them on a systematic basis to the costs which is intended to compensate.

Grant or subsidy relating to an asset are included in non-current liabilities as deferred income and are credited to statement of profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

### (xviii) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for their intended use. All other borrowing costs are recognized as expense in the period in which they are incurred.

### (xix) Dividends

Final dividend on shares are recorded as a liability on the date of approval by the shareholders at the annual general meeting and interim dividend are recorded as a liability on the date of declaration by the Company's Board of Directors.

### (xx) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss after tax for the period attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year adjusted for bonus elements in equity shares issued during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss after tax for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

### (xxi) Employee Benefits

#### Short-term Employee Benefits:

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

## **NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**

### **Long-term Employee Benefits:**

#### **Defined Contribution Plans:**

Contributions to the employee's provident fund, Employee's Pension Scheme and Employee's State Insurance are recognized as defined contribution plan and charged as expenses during the period in which the employees perform the services.

#### **Defined Benefit Plans:**

Retirement benefits in the form of Gratuity is considered as defined benefit plan and determined on actuarial valuation using the Projected Unit Credit Method at the balance sheet date.

Interest Cost, Current Service Cost and Past Service Cost are recognized in profit and loss account immediately. Re-measurement gain and losses arising due to change in actuarial assumptions and estimates are recognized directly in Other Comprehensive Income. Such re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

#### **Other Long -term Employee Benefit:**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date. Annual leaves can either be availed or encashed subject to restriction on the maximum accumulation of leaves.

#### **Termination Benefits:**

Termination benefits are recognized as an expense in the period in which they are incurred.

The employee benefit with regards to both Leave encashment and Gratuity are unfunded.

### **(xxii) Exceptional Items**

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

### **(xxiii) Taxes on Income**

#### **Current Tax:**

Tax on income for the current period is determined on the basis of estimated taxable income and computed in accordance with the provisions of the relevant tax laws, outcome of past assessments / appeals and legal opinion sought by the Company.

The Company has recognized provision for Income Tax for the year ended March 31, 2021 as per the amended rates of Sec 115JB of the Income Tax Act, 1961 on the same basis as followed for the year ended 31st March 2020

#### **Deferred Tax:**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

#### **Minimum Alternate Tax (MAT) credit:**

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay income tax under the normal provisions during the specified period, resulting in utilization of MAT credit.

In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of Profit & Loss and shown as MAT Credit Entitlement.

### **(xxiv) Segment Reporting**

The Company is engaged predominantly into manufacturing of Coding & Marking Machines and consumables thereof. The Company has only One Reportable business segment identified by management namely Coding & Marking Machines and consumable thereof.

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### (xxv) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes to financial statements. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable. Provisions, contingent liabilities are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed as the possibility of outflow of resources is remote.

### (xxvi) Cash Flow Statements

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of changes during the period in inventories, operating receivables, payables, transactions of a non-cash nature such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates and all other items for which the cash effects are investing or financing cash flows.

For the purpose of presentation in the statement of cash flow, cash and cash equivalents includes cash on hand and balance held with banks and short term investments in liquid Mutual Funds.

### (xxvii) Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS. Goodwill arising on an acquisition of business is initially recognized at cost at the date of acquisition. After initial recognition, goodwill is measured at cost less accumulated impairment losses, if any.

### (xxviii) Business Combination

Business Combinations are accounted for using the acquisition method. The cost of acquisition is measured at the aggregate of the fair values at the date of exchange of assets given, liabilities incurred or assumed and equity instruments issued by the Company in exchange for control of the acquiree. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the recognition criteria are stated at their fair values at the acquisition date except certain assets and liabilities required to be measured as per the applicable standard.

### 47 EMPLOYEE BENEFIT OBLIGATIONS

#### (A) Defined benefit plans:

##### Gratuity Plan

In accordance with the provisions of the Payment of Gratuity Act, 1972, the Company has a defined benefit plan which provides for gratuity, covering eligible employees. The Plan provided a lump sum gratuity amount to eligible employees at retirement, termination or death. Liabilities with regard to Gratuity plan are determined by actuarial valuation, performed by an independent actuary, at each Balance Sheet date using the projected unit credit method.

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### (VI) Sensitivity Analysis:

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

₹ in Lakhs

Particulars	Effect of 1% increase		Effect of 1% decrease	
	As at March 31, 2021	As at March 31, 2020	As at March 31, 2021	As at March 31, 2020
Impact of 1% change in Discount rate	(22.22)	(20.04)	26.21	23.69
Impact of 1% change in Salary Growth rate	25.30	22.81	(21.80)	(19.62)
Impact of 1% change in Employee turnover	1.72	1.59	(2.03)	(1.87)

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

## NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

### (VIII) Characteristics of defined benefit plans and associated risks:

The Company has an unfunded Defined benefit gratuity plan. Gratuity is paid from company as and when it becomes due and is paid as per company scheme for Gratuity.

Gratuity is a defined benefit plan and company is exposed to following Risks:

- **Salary Risk** - The Present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
- **Interest Rate Risk** - A falls in the discount rate which is linked to the Government securities. Rate will increase the present value of the liability requiring higher provision.
- **Asset Liability Matching Risk** - The plan faces the ALM risk as to the matching cash flow. Company has to manage payout based on pay as you go basis from own funds.
- **Mortality Risk** - Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.
