Explanatory Statement

The following Explanatory Statement in terms of Section 102 of the Companies Act, 2013 is annexed to and forms part of the Notice convening the 32nd Annual General Meeting:

Item No. 3 - Appointment of Mr. Balakumar Vethagiri Giri (DIN 01735497) as a Director of the Company
The Board has appointed Mr. Balakumar Vethagiri Giri (DIN 01735497), as an Additional Director in the capacity of Professional and Non-Executive Director of the Company with effect from July 07, 2021 pursuant to section 161 of the Companies Act, 2013 ("Act"). Mr. Balakumar Vethagiri Giri holds the office up to the date of the ensuing Annual General Meeting of the Company.

The Board recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval of the members for the appointment of Mr. Balakumar Vethagiri Giri as a Director of the Company, being liable to retire by rotation.

Mr. Balakumar Vethagiri Giri is interested in the Ordinary Resolution set out at Item No. 3 with respect to his appointment. Same and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item No. 3 of the Notice except to the extent of their shareholdings.

Copy of letter of appointment of Mr. Balakumar Vethagiri Giri as a Director of the Company would be available for electronic inspection without any fee by the members on the basis of the request being sent on cs.gvfilms@gmail.com.

Additional information in respect of Mr. Balakumar Vethagiri Giri pursuant to Regulation 36 of the Listing Regulations and Secretarial Standard 2 is annexed to this Notice.

Item No. 4 - Shifting of Registered Office of the Company from Mumbai in the State of Maharashtra to Chennai in the State of Tamil Nadu

Presently the Registered Office of the Company is situated in Mumbai, Maharashtra and the Corporate Office overseeing the day to day operations of the Company is situated at Chennai in the State of Tamil Nadu. To exercise better administrative and economic control and enable the Company to rationalize and streamline its operations as well as the management of affairs. The approval of the Shareholders was obtained at Annual General meeting of the Company held on 28th September, 2020 to shift the Registered Office of the Company from Mumbai in the State of Maharashtra to Chennai in the State of Tamil

Nadu. However due to certain unavoidable and exceptional circumstances, the Company couldn't initiate the procedure for shifting of Registered office of the Company. As the validity of Shareholders approval going to expire soon, hence the board seeking approval of shareholders again.

The shifting of Registered Office from the Mumbai in the State of Maharashtra to Chennai in the State of Tamil Nadu is in the best interest of the Company, shareholders and all concerned parties and will not be detrimental to the interest of members of the public shareholders, creditors or employees, in any manner whatsoever.

Pursuant to the provisions of Section 12, 13, 110 and all other applicable provisions, if any of the Act read with applicable Rules and Regulations made there under (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), shifting of the Registered Office from one State to another and alteration of Clause II of the Memorandum of Association (the "MOA") of the Company requires the approval of the members of the Company by means of a Special Resolution through e-voting and approval of the Central Government (power delegated to Regional Director).

In light of the above facts, the approval of the members is sought through e-voting for shifting of the Registered Office of the Company from the Mumbai in the State of Maharashtra to Chennai in the State of Tamil Nadu and consequently for altering Clause II of the MOA and AOA.

Copy of the existing MOA, copy indicating the proposed amendments and other allied documents, if any, being referred in this resolution would be available for inspection by the members, free of cost, at the Registered Office of the Company during 11.00 a.m. to 1.00 p.m. on all working days (Monday to Friday), up to and including the last date of voting through e-voting.

The Board recommends the resolution under Item No. 4 for approval of the members as a Special Resolution.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,

The Members,

M/S. G.V.FILMS LIMITED

408, SAGAR AVENUE, 54B,

S.V. ROAD, ANDHERI-WEST

MUMBAI – 400058

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/S. G.V. FILMS LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March 2021** complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March 2021**, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment,

- Overseas Direct Investment and External Commercial Borrowings;(FEMA);
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (SAST)
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; (PIT)
 - c. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements Regulations, 2015 ('LODR');
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - e. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018; **(Not relevant / applicable during the year under review)**
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not relevant / applicable during the year under review)**
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not relevant / applicable during the year under review)** and
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not relevant / applicable during the year under review)**
- vi. and there was no other law that was specifically applicable to the Company, considering the nature of its business. Hence, the requirement to report on compliance with specific laws does not arise. I have also examined compliance with the applicable clauses of the following:
- i. Secretarial Standards issued by the Institute of Company Secretaries of India.
 - ii. The Listing Agreements entered into by the Company with Bombay Stock Exchange(s).
 - iii. Codes and Policies adopted by the Company.
- I have relied on the representation made by the Company and its officers for systems and mechanism formed by the Company for

compliance under other applicable acts, laws and regulations to the Company.

During the financial year under review, the Company has complied with the provisions of the Act, rules, regulations, guidelines, standards etc. as mentioned above except to the extent as mentioned below:

The Company has received the Show Cause Notice(SCN) in SCN No SEBI/HO/IVD/ID19/VA/OW/P/2020/0000013285/2 dated August 17th 2020 alleged, based on the interim order passed by SEBI on the 1st of September 2017. The Company filed a settlement application with SEBI which was rejected by SEBI on account of the Company not having paid the penalty of Rs. 25 lakhs + interest that was levied in respect of the GDR transaction from 2007 by the Securities Appellate Tribunal. Afterwards, the Company has paid the penalty of Rs. 25 Lakhs as imposed by the SEBI and the freeze was lifted and the Company has refilled the settlement application and the same is being processed by the Settlement Division of SEBI.

Further note that the Company has received an order u/s 37 of FEMA from the Enforcement Directorate on 08.02.2021 requesting details and documents with respect to the GDR transaction which took place in 2007. The Company has submitted whatever information was available from the existing records.

Further note that SEBI passed the order against the Company vide Adjudication Order No. ORDER/PM/RR/2019-20/6630-6635 dated 29th January 2020 and imposed penalty of Rs. 25,00,000/- (Rupees Twenty Five Lakhs Only) u/s. 15 HA of the SEBI Act, 1992, and Section 23E of SCRA, 1956 for violation of provisions of Section 12A(a), (b) and (c) of SEBI Act, 1992 read with Regulations 3(a), (b), (c) & (d), 4(1), 4(2) (f), (k) and (r) of SEBI PFUTP Regulations, 2003, Section 21 of SCRA, 1956 read with Clause 36(7) of the Listing Agreement.

Further note that BSE Ltd under Regulation 29(2)/29(3) - Delay in furnishing prior intimation about the meeting of the board of directors, Fine was imposed. And the Company has clarified about non-compliance and requested for waiver of fine imposed. The same was considered by the BSE and subsequently the fine was waived off

Further note that BSE Ltd under Regulation 23 (9) - Non-compliance with disclosure of related party transactions on consolidated basis, Fine was imposed. And the Company has clarified about non-compliance and requested for waiver of fine imposed. The same was considered by the BSE and subsequently the fine was waived off.

I have not examined compliance with applicable Financial Laws, like Direct and Indirect Tax Laws, since the same have been subject to review by statutory financial audit and other designated professionals.

I further report that

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting for meaningful participation at the meeting.
- Decisions at the meetings of Board of Directors of the Company were carried out with requisite majority.
- Based on the information provided and representation made by the Company and also on the review of compliance reports of the respective department duly signed by the department head and Compliance Certificate(s) of the Managing Director/ Company Secretary/CFO taken on record by the Board of Directors of the Company, in my opinion adequate system and process exists in the company commensurate with the size and operations of the Company to monitor and ensure compliance with the applicable laws, rules, regulations and guidelines.
- During the financial year under review, no specific events/actions having a major bearing on the affairs of the Company in pursuance of any of the above referred laws, rules, regulations, guidelines standards etc.

This report is to be read with our letter of even date which is annexed as Annexure I and forms an integral part of this report.

The Deputy General Manger (DGM) of the Investigations Department-19 wing of the Securities and Exchange Board of India (SEBI) vide Show Cause Notice (SCN) in SCN No SEBI/HO/IVD/ID19/VA/OW/P/2020/0000013285/2 dated August 17th 2020 alleged, based on the interim order passed by SEBI on the 1st of September 2017 and the findings of the Forensic Audit Report that the Company has violated Provisions of Section 12(A)(a),(b) and (c) and Section 11(2)(i) and 11(2)(ia) of the SEBI Act 1992, Regulations 3(b), (c) and (d) and Regulations 4(1) and 4(2) (f) and (r) of the Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (PFUTP), Regulations 4(1)(a),(b),(c),(e),(g), 4(2)(f)(ii)(6)&(7), 4(2)(f)(iii)(3), (6) and (12), Regulation 17(8) read with Part B of Schedule II, Regulation 33(2)(a) and Regulation 48 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) Regulations read with Section 21 of SCRA, 1956.

The Company filed a settlement application with SEBI in respect of Show cause notice dated August 17, 2020 and we also filed a compounding application for the same offenses with the ROC Mumbai. However, the settlement application was rejected by SEBI on account of the Company not having paid the penalty in respect of the GDR transaction from 2007 by the Securities Appellate Tribunal. Therefore SEBI initiated recovery proceedings and froze the bank account of the Company. Soon after, the penalty of Rs. 25 Lakhs was paid as imposed by SEBI and the freeze was lifted. Following this, the Company has refilled the settlement application and the same is being processed by the Settlement Division of SEBI.

Further The Company received on 08.02.2021 an order u/s 37 of FEMA from the Enforcement Directorate requesting details and documents with respect to the GDR transaction which took place in 2007. The Company has submitted whatever information was available from the existing records.

MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report is as under:

INDUSTRY STRUCTURE AND DEVELOPMENTS

Last year was a challenging year for the world economy as well as the Indian economy. While the world was already reeling from the lower output and slow GDP growth, a global health crisis further dampened world economic activity towards the end of the financial year.

The year 2020 was a challenging year. The world economy was hit by a great disruption unleashed by the Covid'19 pandemic. The pandemic spread every corner of the world, infecting more than 90 million and killing more than 2.8 million people worldwide. For several months, uncertainties and panic paralyzed most economic activities in both developed and developing economies. World GDP contracted by approximately 3.5 percent in 2020.

Indian Economy During the financial year 2020-21 Indian economy contracted by 7.3% which was a snowballing result of nationwide lock down imposed by the Central and State Governments to control spread of COVID 19 pandemic, which halted most of the economic activities and caused huge number of job losses with unemployment level rising to almost 14%. Lower disposable income in hands of people meant decline in consumption and lower demand for consumption led products. Much against the expectations the second wave of the pandemic also turned out to be severe, however the economic impact of the second wave is not likely to be very large. The outlook though remains highly uncertain. It is expected that once the second wave wanes there will be a V shaped recovery with prospects for robust growth in consumption and investments on the back of massive vaccination drive undertaken by the government

The Government of India has started lifting the lockdown from the beginning of June 2020 in phases. However, the decision on re-starting of Cinemas will be taken in the third phase after assessing the situation in the initial phases. Production of new content for Cinemas had also stopped on account for the lockdown. Once Cinemas are allowed to re-open, there will be short term challenges and the road to recovery will be slow but it is expected that the Exhibition industry will bounce back to full strength over time.

MARKET DYNAMICS

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making significant strides. Proving its resilience to the world, Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenue. According to a FICCI-EY report, the advertising to GDP ratio is expected to reach 0.4% by 2025 from 0.38% in 2019.

Indian Media & Entertainment (M & E) has de grown by almost 24% to INR 1.38 trillion in the year 2020. The M & E sector was one of the worst impacted sector by the global pandemic COVID 19 on account of discretionary nature of spend on this sector. While India’s GDP fell by about 8% in the year 2020 M & E sector fell 3 times the GDP by 24%.

On the positive side the M & E industry is expected to grow by 25% in the year 2021 reaching aggregate revenue of INR 1.73 trillion. The sector is expected to achieve a CAGR of 17% to reach INR 2.23 trillion by the year 2023

GOVERNMENT INITIATIVES

The Telecom Regulatory Authority of India (TRAI) is set to approach the Ministry of Information and Broadcasting, Government of India, with a request to Fastrack the recommendations on broad casting, in an attempt to boost reforms in the broadcasting sector. The Government of India has agreed to set up National Centre of Excellence for Animation, Gaming, Visual Effects and Comics industry in Mumbai.

The Indian and Canadian Government have signed an audio-visual co-production deal to enable producers from both the countries exchange and explore their culture and creativity, respectively.

In June 2021, the Union Ministry of Information and Broadcasting notified the Cable Television Network (Amendment) Rules, 2021, which aims to establish a three-layer statutory mechanism for citizens to raise grievances with respect to broadcasted content.

As part of the expansion to include all digital platforms and digital (OTT) players under a single roof, in May 2021, the Indian Broadcasting Foundation (IBF) announced the move to be renamed as the Indian Broadcasting and Digital Foundation (IBDF).

FDI in all film-related activities such as film financing, production, distribution, exhibition, marketing etc. is permitted up to 100% for all companies under the automatic route

OPPORTUNITES, THREATS

The opportunities observed are based on the trends noticed in the past couple of years, which continues to be relevant: some of the key ones are:

Some of the risks and treats the company exposed to are:

Opportunities	Threats
Digitisation	Piracy risk
Regional Market	Production risk
Overseas Theatricals	Spiralling Cost
Growth in demand for films	Competition in films

Availability of all kinds of entertainment content on smartphone apps, rising data consumption due to cheap data cost, faster networks, more subscriptions for internet, OTT Platforms and digital content platforms have thrown up huge opportunities of growth for the industry.

SEGMENT-WISE OR PRODUCT WISE PERFORMANCE:

The Company has a single operating segment, namely, ‘Production, processing and editing of films’, and the information reported to the Chief Operating Decision Maker (CODM) for the purposes of resource allocation and assessment of performance focuses on this operating segment.

OUTLOOK, RISKS AND CONCERNS

During the year under review is going to be a very challenging year for the Company as Cinemas across the country have temporarily shut down due to the COVID-19 pandemic. The Government of India has ordered a phase-wise re-opening of economic activities outside COVID-19 containment zones from the beginning of June 2020. However, the decision to reopen Cinemas will be taken by the Central Government and respective State Governments depending on how the situation develops after reopening in the initial phases. Even when Cinemas are re-opened, it will take time for the viewers to return to cinemas due to fear in mind about pandemic. Availability of new content will be another factor as the production of movies has also been suspended during this lockdown. We hope revival in production of movies and Theatrical business.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has regular internal audit system covering all key processes and has in place adequate internal control.

Independent Auditor's Report

To

The Members
GV Films Limited, Mumbai

Report on the Audit of the Standalone Financial Statements Qualified Opinion

We have audited the accompanying standalone financial statements of GV Films Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, *except for the effect of matters described in the Basis for Qualified Opinion section of our report*, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs of the Company as at 31st March 2021, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

Indian Accounting Standards (IND AS 19) on Employee Benefit:

The Company has gratuity liability which are in the form of defined benefits obligations. The Company has not made any contributions to Pension and Gratuity Trusts or any other fund based on the percentage of salary towards Gratuity and Pension Liabilities. The Company has not recognized its defined benefit obligations based on the actuarial valuation as stated under IND AS 19. On account of this, we are unable to comment on the correctness and the impact of the cost of employee benefits charged to the Statement of Profit and Loss (including the Other Comprehensive Income) and the disclosures as required by IND AS 19 in the financial statements.

Balance Confirmations:

We have not received confirmation of balances in respect of trade payables, trade receivables, loans and advances received by the Company, loans and advances made by the Company, stock-in trade, and capital work in progress. The management represented that these balances are realizable/ settled in the ordinary course of business. In the absence of confirmation of balances, we were unable to determine whether any adjustments by way of provision for doubtful debts etc. were necessary at the year end.

Further attention is drawn to the presence of several inoperative bank accounts held by the Company. In the absence of the confirmation of the balances of these account balances and the other bank account balances, we are unable to form an opinion on the correctness of the balances.

Foreign Currency Convertible Bonds:

Further, attention is drawn to the non-furnishing of, during our audit, the underlying Agreement to the Foreign Currency Convertible Bonds (FCCBs) issued by the Company. The Management has furnished us USD \$65,250/-, the INR equivalent being Rs.47,96,182/- as the interest payable on the FCCBs during the year under audit. In the absence of the production of the Original documents of the FCCBs, we are unable to form an opinion on the correctness of the outstanding balance of the FCCBs and the interest payable thereon.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the following to be the key audit matters to be communicated in our report.

S.No	Key Audit Matter	How was the matter addressed in our Audit
1.	<p>Accuracy of recognition, measurement, Presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 “Revenue from Contracts with Customers” (revenue accounting standard) The application of the revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company’s process to identify the impact of adoption of the revenue accounting standard.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> ➤ Evaluated the design of internal controls relating to implementation of the revenue accounting standard. ➤ Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls. ➤ Tested the relevant information technology systems’ access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the revenue accounting standard.
2.	<p>Impact of Covid-19 pandemic on the Company’s operations.</p>	<p>We assessed the Company’s process to identify, assess, and respond to risks of material misstatement considering the uncertainties and the impact of Covid-19 pandemic on the Company’s operations and results for the year under consideration. We have designed, performed procedures and modified previously planned audit procedures as a result of the necessity for carrying out part of the audit procedures remotely, including verification of the source and completeness of data provided for audit. This includes performing alternative audit procedures to obtain audit comfort in respect of significant account balances for recognition, measurement and disclosures. We specifically discussed the impact of COVID-19 with the management and critically challenged the key assumptions and their reasonableness in making such key accounting estimates. We have considered management’s adjustments or disclosures which includes the impact of the changes in the environment on the recognition and measurement of account balances and transactions in the financial statements or other specific disclosures.</p>

Other Matters

Reference is drawn to Note No.28 of the Financial Statement detailing the events culminating in the Order of the Adjudicating Officer of SEBI in Order No:ORDERI/PM/RR/2019-20/6630-6635 dated 29th January 2020 and the further events and remedial actions initiated by the company. Further reference is drawn to Note No. 28 detailing the receipt of Order u/s 37 of FEMA dated 08.02.2021 from the Enforcement Directorate and response initiated by the company.

Our opinion is not modified in respect to the above matter.

Information other than the financial statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone financial statements and our Auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's board of directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- The Balance Sheet, the Statement of Profit and Loss, including other comprehensive income, statement of changes in equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
 - On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act;
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses a modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations, if any, on its financial position in its financial statements.
 - The Company has made provision, as required under the applicable law or Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021.
2. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure "A"

To The Independent Auditors' Report on the Standalone Financial Statements of GV Films Limited for the year ended 31 March 2021

Report on the internal financial controls over Financial Reporting under section 143(3)(i) of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GV Films Limited ("the Company")** as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements,

whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following weakness has been identified as at 31st March 2021. "The Company's internal control system for obtaining confirmation of balances from outside parties for trade receivable, trade payable and loans and advances, stock -in trade and capital work-in progress, bank confirmations, which could potentially result in existence of uncertainty that may cast significant doubt about the recoverability/settlement of these items."

GV Films Ltd

A material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial control system over financial reporting and such internal financial controls over financial reporting criteria established by the Company

considering the essential components of the internal control stated in the Guidance Note issued by the ICAI.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31st, 2021 financial statements of the Company and the material weaknesses does affect our opinion on the financial statements of the Company.

Notes forming part of the standalone financial statements for the year ended 31 March 2021

(All amounts are in Rs. In lakhs unless otherwise stated)

Note 1: Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently adopted to all years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS), notified under section 133 of the Companies Act, 2013 ('the Act') [Companies (Indian Accounting Standards Rules, 2015)] and other relevant provisions of the Act.

(ii) Historical cost convention

These financial statements have been prepared on the historical cost basis, except for defined benefit plans, where the plan assets are measured at fair value and Investments in equity instruments which also measured on a fair value basis.

(iii) Amended standards adopted by the Company

The Company has adopted the following standards and amendments for the annual reporting period commencing 1 April 2020

- Ind AS 116, Leases (as amended)
- Amendment to Ind AS 20, Accounting for Government grants and disclosure of Government assistance
- Uncertainty over Income-tax treatments - Appendix C to Ind AS 12, Income taxes
- Plan amendment, curtailment or settlement - Amendments to Ind AS 19, Employee benefits
- Amendment to Ind AS 103, Business Combinations and Ind AS 111, Joint Arrangements
- Amendment to Ind AS 12, Income-taxes
- Amendment to Ind AS 23, Borrowing costs

The Company had to change its accounting policies after the adoption of Ind AS 116 in the financial year 2019-20. The other amendments listed above did not have any impact on the amounts recognised in the prior period and are not expected to significantly affect the current or future periods

(b) Segment reporting : Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. Refer Note 26 for segment information presented.

(c) Foreign currency translation

(i) Functional and presentation currency

The functional and presentation currency of the Company is Indian Rupee.

(ii) Transactions and balance

Foreign currency transactions are translated to functional currency using the exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and translation of monetary assets and liabilities denominated at foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign gains and losses are presented in the statement of profit and loss on a net basis with other gains/ (losses).

Non-monetary items that are measured at fair value in foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary asset such as equity instruments classified as at FVOCI are recognised in other comprehensive income.

(d) Revenue recognition

(i) Sale of Goods

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The Company has adopted Ind AS 115 using the Full Retrospective Method. The impact of adoption of the standard on the financial statements of the Company is insignificant.

- Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

- Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which coincides with the performance obligation under the contract with the customer.

GV FILMS LIMITED

Notes forming part of the standalone financial statements for the year ended 31 March 2021

(All amounts are in Rs. In lakhs unless otherwise stated)

- Revenue from services is recognized in accordance with the terms of contract when the services are rendered and the related costs are incurred.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from Customers.

Revenues are recognised when collectability of resulting receivables is reasonably assured.

(ii) Other Operating revenue - Export benefits

'Export benefits are accounted for in the year of export based on eligibility/expected eligibility and when there is no uncertainty in receiving the same.

Financing components

The Company does not expect any contracts where the period between the transfer of promised goods or services to the customer and the payment by the customer exceeds one year. As a consequence, the Company does not adjust the transaction prices for the time value of money.

(e) Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the group will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to the profit and loss on a straight line basis over the expected lives of the related assets and presented within other income.

(f) Income tax

Income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate and adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax expense for the year is ascertained on the basis of assessable profits computed in accordance with the provisions of the Income-tax Act, 1961

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(g) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2016, the Company has determined whether the arrangements contain lease on the basis of facts and circumstances existing on the date of transition.

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other

GV FILMS LIMITED**Notes forming part of the standalone financial statements for the year ended 31 March 2021**

(All amounts are in Rs. In lakhs unless otherwise stated)

financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Operating Lease: Rental expense from operating leases is generally recognised on a straight-line basis over the term of relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the periods in which they are incurred. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(i) Impairment of assets

Goodwill and intangible assets that have indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they may be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of impairment at the end of each reporting period.

(j) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly-liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within current liabilities in the balance sheet.

(k) Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components in which case they are recognised at fair value. The Company holds the trade receivables with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest rate method, less loss allowance.

(l) Inventories

Inventories represent films under production and other film rights.

Films under production represent the cumulative cost incurred till the year end.

Films rights represent value of unexploited technology rights of old Hollywood films. Films acquired during the year are fully charged to revenue.

(m) Investments and other financial assets*Classification of financial assets*

On initial recognition, a financial asset is classified to be measured at amortised cost, fair value through other comprehensive income (FVTOCI) or Fair value through Profit & Loss ('FVTPL'). The classification depends upon the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the group has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The group reclassifies debt investments when and only when the business model for managing those assets changes.

(i) Recognition : Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sale the financial asset.

(ii) Measurement : At initial recognition, the Company measures a financial asset at its fair value plus, in case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction cost of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

GV FILMS LIMITED

Notes forming part of the standalone financial statements for the year ended 31 March 2021

(All amounts are in Rs. In lakhs unless otherwise stated)

Debt instruments : Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments: The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iii) **Impairment of financial assets** The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 25 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach required by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(iv) **Derecognition of financial asset**

A financial asset is derecognised only when:

- i) The Company has transferred the rights to receive cash flows from the financial asset or
- ii) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) **Income recognition** :

Interest income : Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

GV FILMS LIMITED

Notes forming part of the standalone financial statements for the year ended 31 March 2021

(All amounts are in Rs. In lakhs unless otherwise stated)

Dividends : Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

(n) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(o) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Property, plant and equipment are depreciated on a straight-line basis over the useful life of the assets as prescribed under the Schedule II of the Companies Act, 2013.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

(p) Intangible assets

Intangible assets are recognised at acquisition cost net of accumulated amortisation and impairment losses.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(q) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(r) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable] that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

The fair value of the liability portion of a mandatorily convertible bonds is determined using a market interest rate for an equivalent non-convertible bonds. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently remeasured. Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

GV FILMS LIMITED**Notes forming part of the standalone financial statements for the year ended 31 March 2021***(All amounts are in Rs. In lakhs unless otherwise stated)*

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(s) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

(t) Provisions, contingent liabilities and contingent assets : Provisions for legal claims, service warranties, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

(u) Employee Benefits : (i) Short-term obligations: Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations : The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

Company has not determined the gratuity liability and leave encashment in accordance with Indian Accounting Standard (Ind AS 19) "Employee Benefits"

(v) Contributed equity : Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(w) Dividends : Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(x) Earnings per share : Basic earnings per share is calculated by dividing:

i) the profit attributable to owners of the group

ii) by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares (note 27).

Diluted earnings per share :

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

GV FILMS LIMITED**Notes forming part of the standalone financial statements for the year ended 31 March 2021***(All amounts are in Rs. In lakhs unless otherwise stated)*

i) the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
 ii) the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(y) Rounding off amounts : All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(z) Regrouping of previous year's figures : Previous Year's figures have been re-grouped wherever necessary to conform to the Current Year's classification / disclosure

Note 2: Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

i) Estimation of current tax expense and payable – Note 22

ii) Estimated useful life of tangible asset – Note 3

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

G V Films Ltd

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes equity instruments, traded bonds and mutual funds that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, trade bonds, Over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in Level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in Level 3.

Note 25 (a) : Financial Risk Management

Financial Risk Management Framework

The Company's corporate treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risks (including currency risk), credit risk and liquidity risk. The Company does not use any derivative instruments to hedge these risks exposures. The Board of directors reviews and agrees policies for managing each of these risks, which are summarized below:

A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company result in material concentration of credit risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

The carrying amount of the financial assets recorded in these financial statements, represents the maximum exposures to credit risk.

Impairment of financial assets: Trade receivables are subject to the expected credit loss model. Though, Other Financial assets including security deposits, cash and cash equivalents, other bank balances are also subject to impairment requirement of Ind AS 109, the impairment loss was immaterial. Further, trade receivables from other than related parties are only subject to the expected credit loss model for the Company. Based on past trends, impairment loss on related party trade receivables was immaterial.

B) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching maturing profiles of financial assets and financial liabilities in accordance with the approved risk management policy of the Company.

C) Market risk

(i) Foreign currency risk

The Company undertakes transactions denominated in foreign currencies and consequently, exposures to exchange rate fluctuation arises. The Company does not enter into trade financial instruments including derivative financial instruments for hedging its foreign currency risk. The appropriateness of the risk policy is reviewed periodically with reference to the approved foreign currency risk management policy followed by the Company.

Foreign currency risk exposure

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR are as follows

Particulars	31-Mar-21	31-Mar-20
	USD	USD
Financial assets		
Trade receivables	84.26	29.92
Net exposure to foreign currency risks (assets)	84.26	29.92

Sensitivity

The following table details the Company's sensitivity to a 5% increase and decrease in INR against the relevant foreign currencies. 5% is the rate used in order to determine the sensitivity analysis considering the past trends and expectation of the management for changes in the foreign currency exchange rate. The sensitivity analysis includes the outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. A positive number below indicates a increase in profit / decrease in loss and increase in equity where the INR strengthens 5% against the relevant currency. For a 5% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or loss and equity and balance below would be negative.

1 SEBI Investigations:

The Securities and Exchange Board of India (SEBI) commenced an investigation into the matters of the Company vide an Order dated June 23rd, 2017 in respect of the Global Depository Receipt (GDRs) Issue transaction during the period 1st of March 2007 and 30th of April 2007 (hereinafter referred to as "investigation period"). The Adjudicating Officer (AO) was appointed vide the Order dated 23rd June, 2017 to inquire into and adjudge under Section 15HA of the SEBI Act and Section 23E of Securities Contract Regulation Act (SCRA), 1956, the alleged violation of the provisions of Section 12A(a), (b) and (c) of SEBI Act, 1992 read with Regulations 3(a), (b), (c) & (d), 4(1), 4(2) (f), (k) and (r) of SEBI (Prohibition of Fraudulent and Unfair Trade Practices Relating to FUTP) Regulations, 2003 (hereinafter referred to as "SEBI PFUTP Regulations, 2003"), Section 21 of SCRA, 1956 read with Clause 36(7) of the listing agreement by the Company. Further, inquiry was conducted under Section 15HA of the SEBI Act for the alleged violation of the provisions of Section 12A(a), (b) and (c) of SEBI Act, 1992 read with Regulations 3(a), (b), (c) & (d), 4(1) of SEBI PFUTP Regulations by certain Directors and employee(s) of the Company during the investigation period (hereinafter referred to as "Other Parties").

A common Show Cause Notice (SCN) was issued to the Company and Other Parties during the investigation period under the provisions of Rule 4 (1) of the Adjudication Rules and Rule 4 of SCR Adjudication Rules, to show cause as to why an inquiry should not be held against them and the Company and why penalty should not be imposed on Company under the provisions of Sections 15HA of the SEBI Act and Section 23E of SCRA, 1956 and on the Other Parties under the provisions of Section 15HA of SEBI Act, for the aforesaid alleged violations.

The Company, vide letter dated July 17th, 2018, made its submissions through its legal representatives, and refuted all the allegations levelled against it and the Other Parties in the SCN.

On consideration of the Issues, evidences and findings, the AO passed an Adjudication Order against the Company in Order No: ORDER/PM/RR/2019-20/6630-6635 dated January 29th, 2020 issuing a Direction and imposing a penalty as under:

Direction - In exercise of powers conferred under Sections 11, 11B read with Section 19 of the Securities and Exchange Board of India Act, 1992, the Company is restrained from accessing the Securities Market including by issuing prospectus, offer document or advertisement soliciting money from the public and is further prohibited from buying, selling or otherwise dealing in securities, directly or indirectly in any manner, for a period of five years from the date of the order.

Penalty - A penalty of Rs.25,00,000/- (Rupees Twenty-Five Lakhs only) levied on the Company under Section 15HA of the SEBI Act, 1992 and Section 23E of the SCRA, 1956.

Similarly, Directions and Penalties were given/levied on the Other Parties by the AO vide the Order in Order No: ORDER/PM/RR/2019-20/6630-6635.

The Company is in the course of filing an appeal against the above Order of the AO before the Honourable Securities Appellate Tribunal (SAT) under Section 15T of the SEBI Act. The Company is extremely confident of winning the Appeal. In respect of the queries raised by the Securities and Exchange Board of India (SEBI) in relation to the preferential allotment of 54,60,00,000 equity shares of Rs.1/- each equally to Mr. Ishari Kadhrivelan Ganesh, Mr. Mahadevan Ganesh and Mr. Balakumar Vethagiri Giri respectively during the Financial Year 2017-18, the Company is giving its submissions from time to time and hopes to resolve the issues within a short span of time.

The Deputy General Manager (DGM) of the Investigations Department-19 wing of the Securities and Exchange Board of India (SEBI) vide Show Cause Notice (SCN) in SCN No SEBI/HO/IVD/ID19/VA/OW/P/2020/0000013285/2 dated August 17th 2020 alleged, based on the interim order passed by SEBI on the 1st of September 2017 and the findings of the Forensic Audit Report that the Company has violated Provisions of Section 12(A)(a), (b) and (c) and Section 11(2)(i) and 11(2)(ia) of the SEBI Act 1992, Regulations 3(b), (c) and (d) and Regulations 4(1) and 4(2) (f) and (r) of the Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (PFUTP), Regulations 4(1)(a), (b), (c), (e), (g), 4(2)(f)(ii)(6)&(7), 4(2)(f)(iii)(3), (6) and (12), Regulation 17(8) read with Part B of Schedule II, Regulation 33(2)(a) and Regulation 48 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) Regulations read with Section 21 of SCRA, 1956.

Similar allegations were directed at the Directors and employees (collectively called as 'Noticees' other than Noticee 1 which is the Company).

On the basis of the allegations, the SCN called upon the Company and other Noticees to show cause as to why suitable directions as deemed fit under Section 11(1), 11(4), 11(4A), 11A and 11B(1) and 11B(2) read with Section 15(a), 15HA and 15HB of the SEBI Act 1992, Section 12A(1) and 12A(2) of the SCRA, 1956 read with Section 23E and Section 23H of SCRA 1956 should not be issued against them for the alleged violations listed in the aforementioned SCN based on the interim order passed by SEBI on the 1st of September 2017 and the findings of the Forensic Audit for the period April 1st 2015 – March 31st 2017.

The Company filed a settlement application with SEBI in respect of the violations of accounting standards which formed part of the Show cause notice dated August 17, 2020 and we also filed a compounding application for the same offenses with the ROC Mumbai. However, the settlement application was rejected by SEBI on account of the Company not having paid the penalty of 25 lakhs + interest that was levied in respect of the GDR transaction from 2007 by the Securities Appellate Tribunal. Therefore SEBI initiated recovery proceedings and froze the bank account of the Company. Soon after, the penalty was paid and the freeze was lifted. Following this, the Company has refiled the settlement application and the same is being processed by the Settlement Division of SEBI.

G V Films Ltd

The Company received on 08.02.2021 an order u/s 37 of FEMA from the Enforcement Directorate requesting details and documents with respect to the GDR transaction which took place in 2007. The Company has submitted whatever information was available from the existing records.

Note 30 : Impact of Covid 19 Pandemic

After COVID-19 was declared as a pandemic in March 2020, and a nationwide lockdown was announced, the film exhibition industry was the first to be impacted as all cinemas across India were temporarily shut down. Cinemas were allowed to re-open only post 15th October 2020 to operate with up to 50% of their seating capacity, in areas outside the containment zones. Further, despite the restrictions being eased, many cinemas opted to remain shut for lack of new content. However, the second wave of COVID-19 towards the end of FY21, and the reimposition of lockdown restrictions, has once again led to widespread cinema closures. Since the Company is primarily in the business of Film Production and Distribution, the operations of the Company continue to remain impacted severely. The management believes that COVID-19 will impact the Company's business in the medium-term, but it does not anticipate material risk to its business prospects over the long term. The management of the Company has carried out an assessment of the appropriateness of the going concern assumption, impairment of assets and other related aspects and as on the date of approval of these financial statements, it believes that there is no significant impact. Further, despite various uncertainties, the management and the Board of Directors believe that the Company would be able to meet its obligations in the foreseeable future based on the continued support from various stakeholders. Accordingly, the management and the Board of Directors believe that the operations of the Company can be sustained on a going concern basis.

Independent Auditor's Report

To the Members

GV Films Limited, Mumbai

Report on the Audit of the Consolidated Financial Results Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of GV Films Limited (the 'Company') and its subsidiary listed below (the "Company" and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31 March 2021, the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, *except for the effect of matters described in the Basis for Qualified Opinion section of our report*, and on the consideration of the reports of the other auditors on separate financial statements/ financial information of the subsidiary referred to in the Other Matters Section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2021, its consolidated loss including other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

Indian Accounting Standards (IND AS 19) on Employee Benefits:

The Group has gratuity liability which are in the form of defined benefits obligations. The Group has not made any contributions to Pension and Gratuity Trusts or any other fund based on the percentage of salary towards Gratuity and Pension Liabilities. The Group has not recognized its defined benefit obligations based on the actuarial valuation as stated under IND AS 19. On account of this, we are unable to comment on the correctness and the impact of the cost of employee benefits charged to the Statement of Profit and Loss (including the Other Comprehensive Income) and the disclosures as required by IND AS 19 in the financial statements.

Balance Confirmations:

We have not received confirmation of balances in respect of trade payables, trade receivables, loans and advances received by the Company, loans and advances made by the Company, stock-in trade and capital work-in progress. The management represented that these balances are realizable/ settled in the ordinary course of business. In the absence of confirmation of balances, we were unable to determine whether any adjustments by way of provision for doubtful debts etc. were necessary at the year end.

Further attention is drawn to the presence of several inoperative bank accounts held by the Company. In the absence of the confirmation of the balances of these

account balances and the other bank account balances, we are unable to form an opinion on the correctness of the balances.

Foreign Currency Convertible Bonds:

Further, attention is drawn to the non-furnishing of the underlying Agreement to the Foreign Currency Convertible Bonds (FCCBs) issued by the Company during the course of our audit. The Management has furnished us \$ 65,250/-, the Indian Rupee equivalent being Rs.47,96,182/- as the interest payable on the FCCBs. In the absence of production of the Original documents of the FCCBs, we are unable to form an opinion on the correctness of the outstanding balance of the FCCBs and the interest payable thereon.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the 'Act'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the consolidated financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements. The results of audit procedures performed by us and by the other auditor of the component not audited by us, as reported by them in their audit report furnished to us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

We have determined the following to be the key audit matters to be communicated in our report.

S.No	Key Audit Matter	How was the matter addressed in our Audit
1.	<p><i>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 “Revenue from Contracts with Customers “(revenue accounting standard)</i></p> <p>The application of the revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p><i>Principal Audit Procedures</i></p> <p>We assessed the Group’s process to identify the impact of adoption of the revenue accounting standard.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> ➤ Evaluated the design of internal controls relating to implementation of the revenue accounting standard. ➤ Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls. ➤ Tested the relevant information technology systems’ access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the revenue accounting standard.
2.	<p><i>Impact of Covid-19 pandemic on the operations of the Group</i></p>	<p>We assessed the Group’s process to identify, assess, and respond to risks of material misstatement considering the uncertainties and the impact of Covid-19 pandemic on the Group’s operations and results for the year under consideration. We have designed, performed procedures and modified previously planned audit procedures as a result of the necessity for carrying out part of the audit procedures remotely, including verification of the source and completeness of data provided for audit. This includes performing alternative audit procedures to obtain audit comfort in respect of significant account balances for recognition, measurement and disclosures. We specifically discussed the impact of COVID-19 with the management and critically challenged the key assumptions and their reasonableness in making such key accounting estimates. We have considered management’s adjustments or disclosures which includes the impact of the changes in the environment on the recognition and measurement of account balances and transactions in the financial statements or other specific disclosures.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements, Standalone financial statements and our Auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. The respective Board of Directors / management of the companies included in the Group, are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Group to cease to continue as a going concern; and

- Evaluate the overall presentation, structure, and content of the Consolidated financial results, including the disclosures, and whether the Consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

Reference is drawn to Note No.28 of the Consolidated Financial Statement detailing the events culminating in the Order of the Adjudicating Officer of SEBI in Order No:ORDERI/PM/RR/2019-20/6630-6635 dated 29th January 2020 and the further events and remedial actions initiated by the company. Further reference is drawn to Note No. 28 detailing the receipt of Order u/s 37 of FEMA dated 08.02.2021 from the Enforcement Directorate and response initiated by the company.

Our audit opinion is not modified in respect of the above.

Further, The consolidated annual financial results include the audited financial results of a subsidiary whose financial statements reflect total assets (before consolidation adjustments) of Rs.1,096.48 lakhs as at 31 March 2021, total

revenue (before consolidation adjustments) of Rs.26.93 lakhs and total net loss after tax (before consolidation adjustments) of Rs.100.55 lakhs, as considered in the consolidated annual financial results, which has been audited by its respective independent auditor. The independent auditors' report on financial statements of the entity has been furnished to us by the management and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial results certified by the Board of Directors.

Our audit opinion is not modified in respect of the above.

Report on other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate financial statements of subsidiary and associate companies incorporated in India, referred in the Other Matters paragraph above we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Act;
- e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year, if any, is in accordance with the provisions of section 197 of the Act;
- h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2021 on the consolidated financial position of the Group.
- ii. The Group has made provision, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021.

To The Independent Auditors' Report of even date To The Members of GV Films Limited, on the consolidated Ind AS financial statements as of and for the year ended 31st March 2021

Report on the internal financial Control with reference to financial statements under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 (the "Act")

In conjunction with our audit of the Consolidated financial statements of **GV Films Limited** (hereinafter referred to as "the Company") as of and for the year ended 31 March 2021, we have audited the internal financial controls with reference to consolidated financial statements of the Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies as of that date.

Management's Responsibility for Internal financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal financial Controls over Financial Reporting

A Company's internal financial controls with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following weakness has been identified as at 31st March 2021. " The Company's internal control system for *obtaining confirmation of balances from outside parties for trade receivable, trade payable and loans and advances, stock -in trade and capital work-in progress, bank confirmations, which could potentially result in existence of uncertainty that may cast significant doubt*

about the recoverability/settlement of these items."

A material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria of the Company, the Company and its subsidiary which is incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal controls with reference to the consolidated financial statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the 31st March 2021 financial statements of the Group and the material weaknesses does affect our opinion on the financial statements of the Company.

Other matters:

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to of its subsidiary companies is based on the corresponding reports of the auditors of such companies incorporated in India.

Notes forming part of the consolidated financial statements for the year ended 31 March 2021

(All Amounts are in Rs. in Lakhs unless otherwise stated)

Note 1: Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently adopted to all years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS), notified under section 133 of the Companies Act, 2013 ('the Act') [Companies (Indian Accounting Standards Rules, 2015)] and other relevant provisions of the Act.

(ii) Historical cost convention

These financial statements have been prepared on the historical cost basis, except for defined benefit plans, where the plan assets are measured at fair value and Investments in equity instruments which also measured on a fair value basis.

(iii) Amended standards adopted by the Company

The Company has adopted the following standards and amendments for the annual reporting period commencing 1 April 2020

- Ind AS 116, Leases (as amended)
- Amendment to Ind AS 20, Accounting for Government grants and disclosure of Government assistance
- Uncertainty over Income-tax treatments - Appendix C to Ind AS 12, Income taxes
- Plan amendment, curtailment or settlement
- Amendments to Ind AS 19, Employee benefits
- Amendment to Ind AS 103, Business Combinations and Ind AS 111, Joint Arrangements
- Amendment to Ind AS 12, Income-taxes
- Amendment to Ind AS 23, Borrowing costs

The Company had to change its accounting policies after the adoption of Ind AS 116 in the financial year 2019-20. The other amendments listed above did not have any impact on the amounts recognised in the prior period and are not expected to significantly affect the current or future periods.

(b) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. Refer Note 26 for segment information presented.

(c) Foreign currency translation

(i) Functional and presentation currency

The functional and presentation currency of the Company is Indian Rupee.

(ii) Transactions and balance

Foreign currency transactions are translated to functional currency using the exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and translation of monetary assets and liabilities denominated at foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign gains and losses are presented in the statement of profit and loss on a net basis with other gains/ (losses).

Non-monetary items that are measured at fair value in foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary asset such as equity instruments classified as at FVOCI are recognised in other comprehensive income.

(d) Revenue recognition

(i) Sale of Goods

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The Company has adopted Ind AS 115 using the Full Retrospective Method. The impact of adoption of the standard on the financial statements of the Company is insignificant.

- Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

GV FILMS LIMITED

Notes forming part of the consolidated financial statements for the year ended 31 March 2021

(All Amounts are in Rs. in Lakhs unless otherwise stated)

- Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which coincides with the performance obligation under the contract with the customer.

- Revenue from services is recognized in accordance with the terms of contract when the services are rendered and the related costs are incurred. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

Revenues are recognised when collectability of resulting receivables is reasonably assured.

(e) Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the group will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to the profit and loss on a straight line basis over the expected lives of the related assets and presented within other income.

(f) Income tax

Income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate and adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax expense for the year is ascertained on the basis of assessable profits computed in accordance with the provisions of the Income-tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally

recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(g) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. For arrangements entered into prior to 1 April 2016, the Company has determined whether the arrangements contain lease on the basis of facts and circumstances existing on the date of transition.

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)*

as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Operating Lease: Rental expense from operating leases is generally recognised on a straight-line basis over the term of relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the periods in which they are incurred.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(i) Impairment of assets

Goodwill and intangible assets that have indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they may be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of impairment at the end of each reporting period.

(j) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial

institutions, other short-term, highly-liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within current liabilities in the balance sheet.

(k) Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components in which case they are recognised at fair value. The Company holds the trade receivables with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest rate method, less loss allowance.

(l) Inventories

Inventories represent films under production and other film rights. Films under production represent the cumulative cost incurred till the year end. Films rights represent value of unexploited technology rights of old Hollywood films. Films acquired during the year are fully charged to revenue.

(m) Investments and other financial assets

Classification of financial assets : On initial recognition, a financial asset is classified to be measured at amortised cost, fair value through other comprehensive income (FVTOCI) or Fair value through Profit & Loss ('FVTPL'). The classification depends upon the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income. For investments in equity instruments that are not held for trading, this will depend on whether the group has made an irrevocable election at the time of initial recognition to account for the equity investment at FVOCI.

The group reclassifies debt investments when and only when the business model for managing those assets changes.

(i) **Recognition :** Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sale the financial asset.

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)*

(ii) *Measurement* : At initial recognition, the Company measures a financial asset at its fair value plus, in case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transactions cost of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments: Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses.

Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are

measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments: The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iii) *Impairment of financial assets* : The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 25 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach required by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(iv) *Derecognition of financial asset*

A financial asset is derecognised only when:

- i) The Company has transferred the rights to receive cash flows from the financial asset or
- ii) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. Where the Company has transferred an asset, the Company evaluates

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)*

whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) Income recognition :

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.

(n) Offsetting financial instruments : Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(o) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to

the acquisition of the items. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Property, plant and equipment are depreciated on a straight-line basis over the useful life of the assets as prescribed under the Schedule II of the Companies Act, 2013.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

(p) Intangible assets

Intangible assets are recognised at acquisition cost net of accumulated amortisation and impairment losses.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

(q) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured. Trade and other payables are

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)*

presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(r) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable] that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

The fair value of the liability portion of a mandatorily convertible bonds is determined using a market interest rate for an equivalent non-convertible bonds. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently remeasured. Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the

approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(s) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

(t) Provisions, contingent liabilities and contingent assets

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

(u) Employee Benefits (i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)*

presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations :

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

Company has not determined the gratuity liability and leave encashment in accordance with Indian Accounting Standard (Ind AS 19) "Employee Benefits"

(v) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(w) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

(x) Earnings per share*Basic earnings per share*

Basic earnings per share is calculated by dividing:

- i) the profit attributable to owners of the group
- ii) by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares (note 27).

Diluted earnings per share: Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

i) the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

ii) the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(y) Rounding off amounts All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

(z) Regrouping of previous year's figures : Previous Year's figures have been re-grouped wherever necessary to conform to the Current Year's classification / disclosure

Note 2: Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

i) Estimation of current tax expense and payable – **Note 22**

ii) Estimated useful life of tangible asset – Note 3
Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

Total financial liabilities	4,454.88	4,454.88	4,427.12	4,427.12

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes equity instruments, traded bonds and mutual funds that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, trade bonds, Over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in Level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in Level 3.

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)***Note 25 (a) : Financial Risk Management****Financial Risk Management Framework**

The Company's corporate treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risks (including currency risk), credit risk and liquidity risk. The Company does not use any derivative instruments to hedge these risks exposures.

The Board of directors reviews and agrees policies for managing each of these risks, which are summarized below:

A) Credit risk : Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company result in material concentration of credit risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

The carrying amount of the financial assets recorded in these financial statements, represents the maximum exposures to credit risk.

Impairment of financial assets: Trade receivables are subject to the expected credit loss model. Though, Other Financial assets including security deposits, cash and cash equivalents, other bank balances are also subject to impairment requirement of Ind AS 109, the impairment loss was immaterial. Further, trade receivables from other than related parties are only subject to the expected credit loss model for the Company. Based on past trends, impairment loss on related party trade receivables was immaterial.

B) Liquidity risk : Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching maturing profiles of financial assets and financial liabilities in accordance with the approved risk management policy of the Company

C) Market risk

(i) Foreign currency risk : The Company undertakes transactions denominated in foreign currencies and consequently, exposures to exchange rate fluctuation arises. The Company does not enter into trade financial instruments including derivative financial instruments for hedging its foreign currency risk. The appropriateness of the risk policy is reviewed periodically with reference to the approved foreign currency risk management policy followed by the Company.

Foreign currency risk exposure

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR are as follows

Particulars	31-Mar-21	31-Mar-20
	USD	USD
Financial assets		
Trade receivables	-	-

Sensitivity

The following table details the Company's sensitivity to a 5% increase and decrease in INR against the relevant foreign currencies. 5% is the rate used in order to determine the sensitivity analysis considering the past trends and expectation of the management for changes in the foreign currency exchange rate. The sensitivity analysis includes the outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. A positive number below indicates a increase in profit / decrease in loss and increase in equity where the INR strengthens 5% against the relevant currency. For a 5% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or loss and equity and balance below would be negative.

The Company is in the course of filing an appeal against the above Order of the AO before the Honourable Securities Appellate Tribunal (SAT) under Section 15T of the SEBI Act. The Company is extremely confident of winning the Appeal.

In respect of the queries raised by the Securities and Exchange Board of India (SEBI) in relation to the preferential allotment of 54,60,00,000 equity shares of Rs.1/- each equally to Mr. Ishari Kadhrivelan Ganesh, Mr. Mahadevan Ganesh and Mr. Balakumar Vethagiri Giri respectively during the Financial Year 2017-18, the Company is giving its submissions from time to time and hopes to resolve the issues within a short span of time.

The Deputy General Manager (DGM) of the Investigations Department-19 wing of the Securities and Exchange Board of India (SEBI) vide Show Cause Notice (SCN) in SCN No SEBI/HO/IVD/ID19/VA/OW/P/2020/0000013285/2 dated August 17th 2020 alleged, based on the interim order passed by SEBI on the 1st of September 2017 and the findings of the Forensic Audit Report that the Company has violated Provisions of Section 12(A)(a), (b) and (c) and Section 11(2)(i) and 11(2)(ia) of the SEBI Act 1992, Regulations 3(b), (c) and (d) and Regulations 4(1) and 4(2) (f) and (r) of the Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices Relating to Securities Market) Regulations, 2003 (PFUTP), Regulations 4(1)(a), (b), (c), (e), (g), 4(2) (f) (ii) (6) & (7), 4(2) (f) (iii) (3), (6) and (12), Regulation 17(8) read with Part B of Schedule II, Regulation 33(2)(a) and Regulation 48 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) Regulations read with Section 21 of SCRA, 1956.

Similar allegations were directed at the Directors and employees (collectively called as 'Noticees' other than Noticee 1 which is the Company).

On the basis of the allegations, the SCN called upon the Company and other Noticees to show cause as to why suitable directions as deemed fit under Section 11(1), 11(4), 11(4A), 11A and 11B(1) and 11B(2) read with Section 15(a), 15HA and 15HB of the SEBI Act 1992, Section 12A(1) and 12A(2) of the SCRA, 1956 read with Section 23E and Section 23H of SCRA 1956 should not be issued against them for the alleged violations listed in the aforementioned SCN based on the

interim order passed by SEBI on the 1st of September 2017 and the findings of the Forensic Audit for the period April 1st 2015 – March 31st 2017.

The Company filed a settlement application with SEBI in respect of the violations of accounting standards which formed part of the Show cause notice dated August 17, 2020 and we also filed a compounding application for the same offenses with the ROC Mumbai. However, the settlement application was rejected by SEBI on account of the Company not having paid the penalty of 25 lakhs + interest that was levied in respect of the GDR transaction from 2007 by the Securities Appellate Tribunal. Therefore SEBI initiated recovery proceedings and froze the bank account of the Company. Soon after, the penalty was paid and the freeze was lifted. Following this, the Company has refiled the settlement application and the same is being processed by the Settlement Division of SEBI.

2. The Company received on 08.02.2021 an order u/s 37 of FEMA from the Enforcement Directorate requesting details and documents with respect to the GDR transaction which took place in 2007. The Company has submitted whatever information was available from the existing records.

GV FILMS LIMITED**Notes forming part of the consolidated financial statements for the year ended 31 March 2021***(All Amounts are in Rs. in Lakhs unless otherwise stated)***Note 30 : Impact of Covid 19 Pandemic**

After COVID-19 was declared as a pandemic in March 2020, and a nationwide lockdown was announced, the film exhibition industry was the first to be impacted as all cinemas across India were temporarily shut down. Cinemas were allowed to re-open only post 15th October 2020 to operate with up to 50% of their seating capacity, in areas outside the containment zones. Further, despite the restrictions being eased, many cinemas opted to remain shut for lack of new content. However, the second wave of COVID-19 towards the end of FY21, and the reimposition of lockdown restrictions, has once again led to widespread cinema closures. Since the Company is primarily in the business of Film Production and Distribution, the operations of the Company continue to remain impacted severely. The management believes that COVID-19 will impact the Company's business in the medium-term, but it does not anticipate material risk to its business prospects over the long term. The management of the Company has carried out an assessment of the appropriateness of the going concern assumption, impairment of assets and other related aspects and as on the date of approval of these financial statements, it believes that there is no significant impact. Further, despite various uncertainties, the management and the Board of Directors believe that the Company would be able to meet its obligations in the foreseeable future based on the continued support from various stakeholders. Accordingly, the management and the Board of Directors believe that the operations of the Company can be sustained on a going concern basis.
