EXPLANATORY STATEMENT

(Pursuant to section 102 of the Companies Act, 2013)

As required by section 102 of the Companies Act, 2013 (The 'Act'), the following explanatory statement sets out all material facts relating to the business mentioned under Item No.4 TO 6 of the accompanying Notice

ITEM NO. 3

The Chairman informed to the Members that the company has entered into the transaction of leasing Immovable property Bearing Survey Number: 86, Total Land Area Admeasuring 53823 Sq. Mtrs. Situated At Khoda Village, Sanand, Ahmedabad Together With college Building & Workshop Building to M/s. ChampabenBhagat Education Trust, Related Party in which MR. GNANESH BHAGAT (DIN: 00115076) Managing Director of the company is Managing Trustee for Rent @ RS. 2,57,250/- P.M. for a period of four years.

Thereafter, chairman further narrated that the Clause (C) of Sub Section (1) of Section 188 of Companies Act, 2013 with rule 15 (3) of Companies (Meeting of Board and its Power) Rules, 2014, stipulates that, except prior approval from members, the company shall not enter into transaction of leasing of property of any kind amounting to ten percent or more of its Net-worth or ten percent or more of its turnover or rupees hundred crore whichever is lower with any of its related party. Therefore the Board of Directors of the company has decided to fix the limit of related party transactions in their meeting held on 13th August, 2018 with the approval of Members in General Meeting. The Board recommends the enabling Ordinary Resolution for shareholders' approval.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives except MR. GnaneshBhagat, (DIN: 00115076) and Mrs. AnganaBhagat (DIN: 02721337) are concerned or interested, financial or otherwise, in the resolution.

ITEM NO. 4& 5

Chairman informed that the company is engaged in the activities related to fire extinguisher services but has only carried out nominal amount of activity related to it. As recent trends show that the growth of the company is increasing in its business area. Now, the Company intends to carry on business in area of infrastructural, real estate and construction. There are ample of opportunities in this sector of the India. Hence, it is thought fit to add a new object of infrastructural, real estate venturing including the trading in goods, for which company may alter its object clause of Memorandum of Association and accordingly alter the ancillary objects to fulfill the main object of the company.

REDEX PROTECH LIMITED

Thereafter, the chairman further informed that change in the object clause of the company requires approval from shareholders. Hence, The Directors recommend the Resolution set out in the Notice for the approval of the Members.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives is concerned or interested, financial or otherwise, in the resolution.

ITEM NO. 6 & 7

The existing Memorandum of Association and Article of Association are in line with the erstwhile Companies Act 1956, which are thus no longer in full conformity with the Companies Act, 2013 ("New Act"). It is thus expedient to adopt new Clause (V) of Memorandum of Association, in place of the existing Clause (V) of the Memorandum of Association of the Company, pursuant to the provisions of the Companies Act, 2013 and to adopt the new set of Articles of Association in place of existing Articles of Association of the Company, to be consistent with the provisions of Section 5 of the Companies Act, 2013. Hence the Board of Directors proposed to adopt amended Memorandum of Association and Article of Association in place of existing Memorandum of Association and Article of Association of the Company and seeks shareholders' approval for the same.

The Directors recommend the Resolution set out in the Notice for the approval of the Members.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives is concerned or interested, financial or otherwise, in the resolution

INDEPENDENT AUDITOR'S REPORT

To,

The Members of RedexProtech Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **RedexProtech Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In

making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31stMarch, 2018, its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid Ind AS financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015.
 - (e) On the basis of the written representations received from the directors as on 31stMarch, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements (refer note no.29 to the Ind AS financial statements).
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure 'B' to Independent Auditors' Report

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date]

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **RedexProtech Limited** ("the Company") as of 31st March, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit, we conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting,

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31stMarch, 2018

1. Corporate information

RedexProtechLimited (the 'Company') is a public limited Company incorporated in India with its registered office at A/5, Jay Mangal House, Opp. Gandhigram Railway Station, Ashram Road, Ahmedabad, Gujarat - 380009. The equity shares of the Company are listed on recognised stock exchange in India. The Company is principally engaged in the trading of fire extinguisher equipments, smoke alarms and smoke detectors and related services.

2. Significant accounting policies

2.1 Basis of preparation of Financial Statement:

Statement of Compliance with Indian Accounting Standards (Ind AS) : The financial statements have been prepared in accordance with Ind AS notified under the Companies ('Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act and other accounting principles generally accepted in India. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is 01stApril, 2016.

Up to the financial year ended 31stMarch, 2017, the Company prepared its financial statements in accordance with the requirements of the previous applicable GAAP, which included the Standards notified under the Companies (Accounting Standards) Rules, 2006 notified under Section 133 of the Act and other relevant provisions of the Act.

First-time adoption: In accordance with Ind AS 101 on First-time adoption of Indian Accounting Standards, the Company's first Ind AS financial statements include, three balance sheets viz. the opening balance sheet as at 01stApril, 2016 and balance Sheets as at 31stMarch, 2017 and 2018 and two statements each of profit and loss, cash flows and Changes in equity for the years ended 31stMarch, 2017 and 2018 together with related notes. The same accounting policies have been used for all periods presented, [except where the Company has made use of exceptions or exemptions allowed under Ind AS 101 in the preparation of the opening Ind AS balance sheet which have been disclosed in note2.1.1]

2.1.1 Exceptions from full retrospective application:

➤ Estimates

Upon an assessment of the estimates made under Indian GAAP, the company has concluded that there was no necessity to revise such estimates under Ind AS, except where estimates were required by Ind AS and not required by Indian GAAP.

Exemptions from full retrospective application:

➤ Property, Plant and Equipment :

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

➤ Fair value measurement of financial assets or liabilities :

The Company has applied provision of Ind AS 109 for financial assets or liabilities measured at fair value prospectively to transactions occurring on or after date of transition to Ind AS.

2.2 Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates, and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates. The difference between the actual results and estimates are recognized in the period in which the results are known or materialised. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

2.3 Critical accounting estimates

A. Useful lives and residual values of property, plant and equipment

Property, plant and equipment represent a material portion of the Company's asset base. The periodic charge of depreciation is derived after estimating useful life of an asset and expected residual value at the end of its useful life. The useful lives and residual values of assets are estimated by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on various external and internal factors including historical experience, relative efficiency and operating costs and change in technology.

B. Income taxes

The Company's tax jurisdiction is India. Significant judgments are sometimes involved in determining the provision for income taxes including amounts to be recovered or paid for uncertain tax positions. Management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

C. Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised.

2.4 Summary of significant accounting policies

a) Current versus non-current classification

An asset is treated as current when it is :

- Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b) Revenue recognition

➤ **Service Income**

Service income is recognised as per the terms of the contract when the related services are rendered. It is stated net of service tax.

➤ **Interest income**

Interest income is recognized on time proportion basis.

➤ **Rent Income**

Rent income for assets given under operating lease are recognized on a straight line basis over the lease term, as per the rent agreement

➤ **Other Income**

Income from investment and other service income are accounted on accrual basis.

c) Retirement and Other employee benefits :

➤ **Other employee Benefits**

Short term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

d) Taxes

Income tax expense comprises current income tax and deferred income tax. Income tax expense is recognised in the Statement of Profit and Loss except to the extent it relates to items recognised directly in equity, in which case it is recognised in other comprehensive income or other equity as the case may be.

Current Income tax

Provision for current tax is made considering various allowances and benefits available to the Company under Income Tax Act. Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with as applicable tax rates and the provisions of the Income tax Act, 1961.

Deferred tax

In accordance with Indian Accounting Standard -12 "Income Taxes", Deferred taxes resulting from temporary difference between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is measured using tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period and are expected to apply when the related deferred income tax asset is realised or deferred tax liability is settled.

Minimum alternative tax

Minimum alternative tax (MAT) obligation in accordance with the tax laws, which give rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal tax during the specified period. Accordingly, it is recognized as an asset in the financial

statements when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

e) Property ,Plant and equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price (Net of Cenvat and VAT credit/GST input credit wherever applicable) and any attributable cost of bringing the assets to its working condition for its intended use. Such cost also includes the cost of replacing part of the Property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of Property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. All Other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Depreciation on Property, plant and equipment is calculated on a straight-line basis, from the month of addition, using the estimated useful lives, as specified in schedule II to the Companies Act, 2013:

Assets description	Estimated Useful Life (years)
Furniture	8
Electronic Installation	10
Office Building	60

Gain or loss arising from de-recognition of property, plant & equipment are measured as the difference between the net disposal proceeds and carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives, and methods of depreciation of Property plant and equipment are reviewed at the end of each reporting period and adjusted prospectively, if appropriate.

f) Investment Property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

The group depreciates building component of investment property over 60 years from the date of original purchase.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

g) Impairment of non-financial assets

The carrying amount of assets is reviewed for impairment at the end of each reporting date if there is any indication of impairment based on internal/external factor. An impairment loss is recognised in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's or cash generating unit's fair value less cost of disposal and value in use. In assessing value in use, the estimated future Cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining fair value, recent market transactions are taken into account.

The business plans which are approved on annual basis by senior management are the primary source of information for the determination of value in use. As an initial step in the preparation of these plans, various assumptions regarding market conditions, and cost inflation rates are set by senior management. These assumptions take account of existing prices and other macro-economic factors and historical trends and variability.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment. Such reversal is recognised in the statement of profit and loss.

h) Financial instruments

All financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting. Financial liabilities i.e. borrowing & trade payables are recognised net of directly attributable transactions cost.

i) Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits with banks other than deposits pledged with government authorities and margin money deposits.

j) Cash flow statement

Cash flows are reported using the indirect method, whereby profit/loss before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

k) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

l) Provisions, Contingent liabilities, Contingent Assets :

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be outflow of resources. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance sheet date. These are reviewed at each Balance sheet date and adjusted to reflect the current best estimate. A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements. Contingent Assets are neither recognised nor disclosed in the financial Statements.

m) Borrowing Cost:

Borrowing cost are recognised as an expense in the period in which they are incurred ,except to the extent where borrowing cost that are directly attributable to the qualifying asset till put for its intended use is capitalised as part of the cost of that asset.

b) Financial Instrument measured at Amortised Cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

23 Financial risk management

The Group's principal financial liabilities comprise loans, trade payables and other payables. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The management monitors and manages the Financial Risks by reviewing, from time to time, the Cash Flows, during the year. The management takes due care for the credit risk of any default in contractual obligations.
