## **INDEPENDENT AUDITOR'S REPORT**

To the Members of Pacheli Industrial Finance Limited

### **REPORT ON THE AUDIT OF CONSOLIDATED IND AS FINANCIAL STATEMENTS**

We have audited the accompanying Ind AS financial statements of Pacheli Industrial Finance limited ("the Holding company") and its Subsidiaries (the Holding company and its subsidiaries together referred as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and summary of the significant accounting policies and other explanatory information (herein after referred to as "Ind AS financial statements").

### **MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS**

The Holding company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the Consolidated state of affairs, Consolidated profit/ loss and other comprehensive income, Consolidated changes in equity and Consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding company's Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

## **OPINION**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i. in the case of Consolidated Balance Sheet, of the state of affairs of the Company as at 31 March 2019,
- ii. in the case of the Consolidated Statement of Profit and Loss (comprising of other comprehensive income) of the profit for the year ended on that date; and
- iii. in the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date and
- iv. changes in equity for the year ended on that date.

## **OTHER MATTERS**

Without qualifying the report we state that balances of Loans and Advances and Long term borrowings are subject to confirmation and the same are relied based on Management Representation Letter.

## **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government in terms of Section 143 (11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Holding company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Co2mpany considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**AUDITORS’ RESPONSIBILITY**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes forming part of Financial Statements****1. Corporate Information and Significant Accounting Policies****A. Corporate Information**

Pacheli Industrial Finance Limited is engaged in Business to lend or advance money either with or without securities and to arrange or negotiate loans and to carry on the business of financiers, broker money lender and to draw, accept, endorse, discount, buy, sell and deal in Bills of exchange, promissory notes, bonds, debentures, hundies and other negotiable instrument and securities. To issue on commission, subscribe for purchase, take acquire and hold, sell, exchange and deal in shares, stock, bond, debentures, obligations or securities, of any Government, local authority or other interest on any other company, and sell or sel on hire purchase system or advance and loan money on or arrange loans on mortgage on buildings, plant and machinery, land, farms or other kind of asset, estate or property, movable or immovable rights and things in action.

The Company is a Public Limited Company incorporated in India, under the provisions of the Companies Act, 1956, having its registered office at Mumbai, Maharashtra, India.

The financial statements for the year ended March 31, 2019 are approved for issue by the Company's Board of Directors on 14/08/2019.

**B. Significant Accounting Policies****1.1 Basis of Preparation**

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind ASs) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act 2013 (the 'Act') and other relevant provisions of the Act.

For all periods upto and including for the financial year ended March 31, 2017, the Company prepared its financial statements in accordance with Accounting Standards specified under Section 133 of the Act read with applicable rules and the relevant provisions of the Act ("Previous GAAP"). The figures as at March 31, 2017, as at April 1, 2016 and for the year ended March 31, 2017 have now been restated as per Ind AS to provide comparability.

These financial statements for the year ended March 31, 2019 are the Company's first Ind AS financial statements. The Company has adopted all the Ind ASs and the adoption was carried out in accordance with Ind AS 101, "First-time Adoption of Indian Accounting Standards", the date of transition to Ind AS being April 1, 2016. Refer Note 27 for disclosures required by Ind AS 101.

These financial Statements are prepared on an accrual basis under the historical cost convention or amortised cost.

Since the income from financial assets does not constitute more than 50 percent of the gross total income, the financial statements are prepared on other than Non Banking Financial Company and other than Investment Company basis.

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency and all amounts are rounded off to the nearest lacs (INR '00,000) upto two decimals, except when otherwise indicated.

Classification of Assets and Liabilities into Current/Non-current:

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-current classification.

**1.2 Statement of Cash Flows:**

Cash flows are reported using the indirect method, whereby net profit / (loss) for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**1.3 Revenue Recognition**

- i. Revenue is recognised to the extent that it is probable that the economic benefits of a transaction will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.
- ii. Sale of Goods: Revenue from sale of goods is recognised upon transfer of significant risks and rewards of ownership of the goods to the buyer, which is on dispatch of goods to buyer.
- iii. Interest Income: Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.
- iv. Dividends : Dividend income from investments is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

#### 1.4 Taxes on Income

- Income tax expense represents the sum of the tax currently payable and deferred tax.
- i. Current tax: The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.
  - ii. Deferred tax: Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis.

#### 1.5 Provisions, Contingent Liabilities and Contingent Assets

- i. Provision is recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.
- ii. A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.
- iii. Contingent assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.
- iv. Provisions, Contingent liabilities and Contingent assets are reviewed at each reporting date and are adjusted to reflect the current best estimate.

#### 1.6 Financial Instruments

- i. Financial assets and Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

- ii. Classification of financial assets: The classification depends on the company's business model for managing the financial assets and the contractual terms of the cash flows. The Company classifies its financial assets to be measured subsequently at amortised cost.
  
- iii. Measurement of financial assets: At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed in the Statement of Profit and Loss.  
 Equity instruments: Equity investments in subsidiaries are measured at cost. Other equity investments are measured at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in Other Comprehensive Income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payments is established.
  
- iv. Impairment of financial assets: The company assesses on a forward looking basis the expected credit losses associated with its assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk.
  
- v. Derecognition of financial assets: The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.
  
- vi. Classification and Subsequent Measurement: Financial liabilities: Financial liabilities are classified as either financial liabilities at FVTPL or Other Financial Liabilities.  
 Financial Liabilities at FVTPL: Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.  
 Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.  
  
 Other Financial Liabilities: Other financial liabilities (including borrowings, trade and other payables) are subsequently measured at amortised cost.
  
- vii. Derecognition of financial liabilities: The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

### 1.7 Earnings Per Share

The basic earnings per share is computed by dividing the net profit / (loss) attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit / (loss) attributable to the equity shareholders for the year, as adjusted for the effects of potential dilution of equity shares, by the weighted average number of equity and dilutive equity equivalent shares outstanding during the reporting period.

### 1.8 Use of Estimates

The preparation of the financial statements requires the management to make judgements, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, incomes and expenses and accompanying disclosures and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

### 1.9 First-time Adoption of Ind AS

#### Overall Principle

The Company has prepared the Opening Balance Sheet as per Ind AS as at April 1, 2016 (the date of transition) by recognising all assets and liabilities whose recognition is required by Ind ASs, not recognising items of assets or liabilities which are not permitted by Ind ASs, by reclassifying items from previous GAAP to Ind AS as required under Ind ASs and applying Ind ASs in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain optional exemptions availed or not so availed by the Company. Details of exemptions availed are as under:

- i. Business Combination: The Company has elected not to apply Ind AS 103 - Business Combinations retrospectively to past business combinations that occurred before the date of transition and therefore, has kept the same classification for the past business combinations as in its previous GAAP financial statements.
- ii. Investments: The Company has elected to carry its investment in subsidiary company at deemed cost, which is its previous GAAP carrying amount at the date of transition.
- iii. Borrowings: Considering the Objective of Ind AS 101, items of liabilities which are no longer outstanding as at March 31, 2017 and the high quality information relating to which cannot be generated at a cost lower than the benefits are disclosed at previous GAAP carrying amounts. Also refer Note 27(G)(1)(ii) & (iii).

The primary objective of Company's Capital Management is to maximise the shareholder's value without having any adverse impact on interests of other stakeholders. At the same time, the Company strives to maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's Capital Management, debt includes both current and non-current borrowings and equity includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company.

The Company monitors capital using Debt to Equity ratio, which is total debt divided by total equity. Gross Debt to Equity ratio are as follows:

**Notes:**

- i. Statement of Cash Flows has been prepared under the indirect method as set out in Ind AS 7 specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.
- ii. **Disclosure pursuant to Ind AS 7 on "Statement of Cash Flows"**  
The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities and financial assets arising from financial activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities and financial assets arising from financing activities, to meet the disclosure requirement. This amendment has become effective from April 1, 2017. The adoption of the amendment did not have any material impact on the financial statements.
- iii. Figures in bracket indicate Cash Outflow.

**F. Notes to the reconciliation of Balance Sheet and Total Equity as at April 1, 2016 and March 31, 2017 and Statement of Profit and Loss and Total Comprehensive Income for the year ended March 31, 2017**

**1. Borrowings:** Under IGAAP, the Company had accounted for interest-free loan received at the undiscounted amount whereas under Ind AS, such financial liabilities are recognised at fair value on initial recognition and thereafter at amortised cost.

**2. Deferred Tax :** IGAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax liability on temporary difference arising due to fair valuation of financial liabilities. However impact of same has been offset due to recognition of deferred tax asset on unused tax losses to the extent of deferred tax liability.

**Notes forming part of Financial Statements****1. Corporate Information and Significant Accounting Policies****A. Corporate Information**

Pacheli Industrial Finance Limited is engaged in Business to lend or advance money either with or without securities and to arrange or negotiate loans and to carry on the business of financiers, broker money lender and to draw, accept, endorse, discount, buy, sell and deal in Bills of exchange, promissory notes, bonds, debentures, hundies and other negotiable instrument and securities. To issue on commission, subscribe for purchase, take acquire and hold, sell, exchange and deal in shares, stock, bond, debentures, obligations or securities, of any Government, local authority or other interest on any other company, and sell or sel on hire purchase system or advance and loan money on or arrange loans on mortgage on buildings, plant and machinery, land, farms or other kind of asset, estate or property, movable or immovable rights and things in action.

The Company is a Public Limited Company incorporated in India, under the provisions of the Companies Act, 1956, having its registered office at Mumbai, Maharashtra, India.

The financial statements for the year ended March 31, 2019 are approved for issue by the Company's Board of Directors on 14/08/2019.

**B. Significant Accounting Policies****1.1 Basis of Preparation**

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind ASs) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act 2013 (the 'Act') and other relevant provisions of the Act.

For all periods upto and including for the financial year ended March 31, 2017, the Company prepared its financial statements in accordance with Accounting Standards specified under Section 133 of the Act read with applicable rules and the relevant provisions of the Act ("Previous GAAP"). The figures as at March 31, 2017, as at April 1, 2016 and for the year ended March 31, 2017 have now been restated as per Ind AS to provide comparability.

These financial statements for the year ended March 31, 2019 are the Company's first Ind AS financial statements. The Company has adopted all the Ind ASs and the adoption was carried out in accordance with Ind AS 101, "First-time Adoption of Indian Accounting Standards", the date of transition to Ind AS being April 1, 2016. Refer Note 27 for disclosures required by Ind AS 101.

These financial Statements are prepared on an accrual basis under the historical cost convention or amortised cost.

Since the income from financial assets does not constitute more than 50 percent of the gross total income, the financial statements are prepared on other than Non Banking Financial Company and other than Investment Company basis.

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency and all amounts are rounded off to the nearest lacs (INR '00,000) upto two decimals, except when otherwise indicated.

Classification of Assets and Liabilities into Current/Non-current:

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-current classification.

**1.2 Statement of Cash Flows:**

Cash flows are reported using the indirect method, whereby net profit / (loss) for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**1.3 Revenue Recognition**

- i. Revenue is recognised to the extent that it is probable that the economic benefits of a transaction will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.
- ii. Sale of Goods: Revenue from sale of goods is recognised upon transfer of significant risks and rewards of ownership of the goods to the buyer, which is on dispatch of goods to buyer.
- iii. Interest Income: Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.
- iv. Dividends : Dividend income from investments is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

**1.4 Taxes on Income**

Income tax expense represents the sum of the tax currently payable and deferred tax.

- i. Current tax: The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.
- ii. Deferred tax: Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis.

**1.5 Provisions, Contingent Liabilities and Contingent Assets**

- i. Provision is recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.
- ii. A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.
- iii. Contingent assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.
- iv. Provisions, Contingent liabilities and Contingent assets are reviewed at each reporting date and are adjusted to reflect the current best estimate.

## 1.6 Financial Instruments

- i. Financial assets and Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.
- ii. Classification of financial assets: The classification depends on the company's business model for managing the financial assets and the contractual terms of the cash flows. The Company classifies its financial assets to be measured subsequently at amortised cost.
- iii. Measurement of financial assets: At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Statement of Profit and Loss are expensed in the Statement of Profit and Loss.  
Equity instruments: Equity investments in subsidiaries are measured at cost. Other equity investments are measured at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in Other Comprehensive Income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments are recognised in the Statement of Profit and Loss as other income when the Company's right to receive payments is established.
- iv. Impairment of financial assets: The company assesses on a forward looking basis the expected credit losses associated with its assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk.
- v. Derecognition of financial assets: The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.
- vi. Classification and Subsequent Measurement: Financial liabilities: Financial liabilities are classified as either financial liabilities at FVTPL or Other Financial Liabilities.  
Financial Liabilities at FVTPL: Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.  
Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.  
  
Other Financial Liabilities: Other financial liabilities (including borrowings, trade and other payables) are subsequently measured at amortised cost.
- vii. Derecognition of financial liabilities: The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

## 1.7 Earnings Per Share

The basic earnings per share is computed by dividing the net profit / (loss) attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit / (loss) attributable to the equity shareholders for the year, as adjusted for the effects of potential dilution of equity shares, by the weighted average

number of equity and dilutive equity equivalent shares outstanding during the reporting period.

### **1.8 Use of Estimates**

The preparation of the financial statements requires the management to make judgements, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, incomes and expenses and accompanying disclosures and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

### **1.9 First-time Adoption of Ind AS**

#### **Overall Principle**

The Company has prepared the Opening Balance Sheet as per Ind AS as at April 1, 2016 (the date of transition) by recognising all assets and liabilities whose recognition is required by Ind ASs, not recognising items of assets or liabilities which are not permitted by Ind ASs, by reclassifying items from previous GAAP to Ind AS as required under Ind ASs and applying Ind ASs in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain optional exemptions availed or not so availed by the Company. Details of exemptions availed are as under:

- i. **Business Combination:**The Company has elected not to apply Ind AS 103 - Business Combinations retrospectively to past business combinations that occurred before the date of transition and therefore, has kept the same classification for the past business combinations as in its previous GAAP financial statements.
- ii. **Investments:**The Company has elected to carry its investment in subsidiary company at deemed cost, which is its previous GAAP carrying amount at the date of transition.
- iii. **Borrowings:**Considering the Objective of Ind AS 101, items of liabilities which are no longer outstanding as at March 31, 2017 and the high quality information relating to which cannot be generated at a cost lower than the benefits are disclosed at previous GAAP carrying amounts. Also refer Note 27(G)(1)(ii) & (iii).

**9.2 Rights, Preferences and Restrictions****Equity Shares**

- v. The Company has only one class of equity shares referred to as equity shares having a par value of Rs. 10. Each holder of equity shares is entitled to one vote per share.
- vi. The Company declares and pays dividend in Indian rupees. Final dividend, if any, proposed by the Board of Directors is recorded as a liability on the date of the approval of the shareholders in the ensuing Annual General Meeting; in case of interim dividend, it is recorded as a liability on the date of declaration by the Board of Directors of the Company.
- vii. In the event of liquidation, the equity shareholders are eligible to receive the residual assets of the Company after distribution of all preferential amounts, in proportion to their shareholding. However, no such preferential amounts exist currently.
- viii. Without the prior written approval of the CCD Holder, the Company shall not declare any dividend on its Equity Shares as long as it is in default in meeting its obligation to pay interest or any money related to the Compulsorily Convertible Debentures (CCDs) as detailed in Note 4 below.

The primary objective of Company's Capital Management is to maximise the shareholder's value without having any adverse impact on interests of other stakeholders. At the same time, the Company strives to maintain an optimal capital structure to reduce the cost of capital.

For the purpose of the Company's Capital Management, debt includes both current and non-current borrowings and equity includes issued equity capital, securities premium and all other equity reserves attributable to the equity shareholders of the Company.

The Company monitors capital using Debt to Equity ratio, which is total debt divided by total equity. Gross Debt to Equity ratio are as follows:

**Notes:**

- i. Statement of Cash Flows has been prepared under the indirect method as set out in Ind AS 7 specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.
- ii. **Disclosure pursuant to Ind AS 7 on "Statement of Cash Flows"**  
The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities and financial assets arising from financial activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities and financial assets arising from financing activities, to meet the disclosure requirement. This amendment has become effective from April 1, 2017. The adoption of the amendment did not have any material impact on the financial statements.

For the year ended March 31, 2019	Opening Balance	Cash Flows	Non-cash Changes	Closing Balance

**F. Notes to the reconciliation of Balance Sheet and Total Equity as at March 31, 2017 and March 31, 2018 and Statement of Profit and Loss and Total Comprehensive Income for the year ended March 31, 2018**

**1. Borrowings:**

Under IGAAP, the Company had accounted for interest-free loan received at the undiscounted amount whereas under Ind AS, such financial liabilities are recognised at fair value on initial recognition and thereafter at amortised cost.

**2. Deferred Tax:**

IGAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax liability on temporary difference arising due to fair valuation of financial liabilities. However impact of same has been offset due to recognition of deferred tax asset on unused tax losses to the extent of deferred tax liability.
