**Important information:**

- I. Pursuant to SEBI circular SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20th April, 2018, shareholders holding shares in physical form whose folio do not have / have incomplete details with respect to PAN and bank particulars are mandatorily required to furnish the PAN and bank details to the Company / Registrar & Share Transfer Agent (RTA)
 - II. SEBI Gazette Notification dated June 08, 2018, shares in physical form will not be transferred after December 05, 2018. Hence, in your interest, it is advised to get your shares dematerialized at the earliest.
 - III. In accordance with the provision to Regulation 40(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, effective from April 1, 2019, transfers of securities of the Company shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them and participate in corporate actions.
8. Shareholders are requested to intimate immediately any change in their addresses registered with the Company, their PAN, KYC details to the RTA [as above in note no.7]
 9. The Register of Members and Share Transfer books will remain closed from Friday, September 18, 2020 to Friday, September 25, 2020 (both days inclusive).
 10. The Company has appointed Mr. Raghavendar Rao Depuru, M/s. Ahalada Rao.V & Associates, Practicing Company Secretary, to act as the Scrutinizer, to scrutinize the e-voting process in a fair and transparent manner.
 11. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, shall be available for inspection by the Members through e-mail. The members are requested to send an e-mail to hflshareholders@gmail.com for the same.
 12. In compliance with Section 108 of the Act, read with the corresponding rules, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), the Company has provided a facility to its members to exercise their votes electronically through the electronic voting ("e-voting") facility provided by the Central Depository Services Limited (CDSL). Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again. The manner of voting remotely by members holding shares in dematerialized mode, physical mode and for members who have not registered their email addresses is provided in the instructions for e-voting section which forms part of this Notice.

13. The e-voting period commences on 22nd September, 2020 (9.00 A.M. IST) and ends on 24th September, 2020 (5.00 P.M. IST). During this period, members holding shares either in physical or dematerialized form, as on cut-off date, i.e. as on 17th September, 2020 may cast their votes electronically. The e-voting module will be disabled by CDSL for voting thereafter. A member will not be allowed to vote again on any resolution on which vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date, i.e. as on 17th September, 2020 (Cut-Off Date).
14. The facility for voting during the AGM will also be made available. Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.
15. Any person who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at www.cdslindia.com. However, if he / she is already registered with CDSL for remote e-voting then he / she can use his / her existing user ID and password for casting the vote.
16. Further pursuant to Rule 18(1) of the Companies (Management and Administration) Rules, 2014, the Company needs to send the Notice, Annual Report electronically on the e-mail addresses as obtained from the Company/ Depositories/

Registrar and Share Transfer Agent to the members.

In compliance with the aforesaid MCA Circulars and SEBI Circular dated 12th May, 2020, Notice of the e-AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice calling the AGM and the Annual Report 2019-20 will also be available on the Company's website www.hfl.co.in, websites of the Stock Exchange i.e. BSE at www.bseindia.com and on the website of CDSL at www.evotingindia.com.

If you are holding the shares of the Company in dematerialized form and already registered your email address, you would be receiving the Notices of General Meeting/Postal Ballot, Annual Report and other Shareholders communication by electronic mode.

The Members who hold shares in physical mode and have not registered their e-mail address may request the Company to receive Notices of General Meeting/Postal Ballot, Annual Report and other shareholders communication by electronic mode by registering their valid e-mail address with the Company / Registrar and Share Transfer Agents.

Members are requested to support this Green Initiative by registering/updating their e-mail addresses, with the Depository Participant (in case of Shares held in dematerialised form) or with KFin Technologies Private Ltd., (in case of Shares held in physical form).

17. SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the RTA i.e. KFin Technologies Private Limited

Report on the Audit of Ind AS Financial Statements:**Opinion**

1. We have audited the accompanying financial statements of **M/s Hindustan Fluorocarbons Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss, Cash Flow Statement and Statement of changes in Equity for the year ended on that date and notes to financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, and read with our comments below under the para 'Material Uncertainty relating to Going Concern' and para 'Report on Other Legal and Regulatory Requirements', the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the said Company as at 31st March, 2020, the Loss for the year ended on that date including other Comprehensive Income, change in Equity and its Cash Flow for the year ended on that date.

Basis of Opinion

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the Ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material Uncertainty related to Going Concern

4. Attention is drawn to Note No. 37 to the Notes to Accounts, wherein there is disclosure regarding the decision of the Cabinet Committee on Economic Affairs to close the operations of the Company

which has been communicated to them through letter dated 29th Jan, 2020 from Ministry of Chemicals & Fertilizers, Department of Chemicals & Petrochemicals, Govt. of India vide File No.51015/06/2019 together with timelines for implementation of the said directions, the process of which is being initiated by the Board. Accordingly, there is an existence of a material uncertainty which had impacted the Going Concern.

Emphasis of Matter

5. We draw attention to Note No.38 to the Notes to Accounts wherein the Management had initiated process on getting valuations of various assets to be disposed off in order to determine various elements specified for compliance in accordance with Ind-AS 105 'Non Current Assets held for Sale and Discontinued Operations' and accordingly the effects on financial statements of the compliance in progress have not been determined. Our opinion is not modified in this regard.
6. We draw attention to Note No.39 to the Notes to Accounts as regards Management's evaluation of COVID-19 impact on the future performance of the Company in the light of decision to close the operations of the Company as per the decision of the Govt. Our opinion is not modified in this regard.

Key Audit Matters

7. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are separate no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

8. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report such as Director's Report and Chairman's statement etc., but does not include the standalone financial statements and our auditor's report thereon. Those said reports are expected to be made available to us after the date of this Auditors' Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the said reports if we conclude that there is a material mis-statement therein, we are required to communicate the matter to those charged with governance.

Management Responsibilities for the Ind AS Financial Statements

9. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013, with respect to the preparation of these financial statements that give a true

and fair view of the financial position and financial performance, including other comprehensive income, cash flows and Statement of changes in Equity of the Company in accordance with the Accounting Principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.
13. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosure are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
14. Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
 15. We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.
 16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

18. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, while drawing attention to amounts not determinable under Ind-AS 105 'Non Current Assets held for Sale and Discontinued Operations' which has been highlighted under 'Emphasis of Matter' segment for the reasons mentioned therein and our comments in Other Matters paragraph.
- e) On the basis of the written representations received from the directors as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company, and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company had disclosed the impact of pending litigations as on 31st March, 2020 on its financial position in its Ind AS financial statements;
 - ii. The Company had made provision, as required under the applicable law or accounting standards for material foreseeable losses, if any, on long term contract. The Company neither entered into any derivative contracts during the year nor have any outstanding derivative contract at the end of the year;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- h) **Other Matters**
Attention is drawn to Note No.40 to the Notes on Accounts wherein the Company could not complete corrective measures in implementing the directions issued u/s 143(6)(b) of the Companies Act during the year under review for the reasons mentioned therein. There is no specific financial impact on its loss or Assets/Liabilities during the current financial year 2019-20 on this account. However, since 2017-18 onwards, Property, Plant & Equipment continues to be overstated and the negative balance of 'Other Equity' continues to be understated by Rs.29.96 crore, as commented upon u/s 143(6)(b).
- i) As required under section 143(5) of the Companies Act, we report that:
- i. As per the information, explanations and records produced for our verification, the Company has a system in place to process all the accounting transactions through IT system and there are no instances of processing of accounting transactions outside the IT system;

- ii. There are no instances of any restructuring of existing loan availed by the Company or cases of waiver/write off of debts/loans/interest made by a Lender to the Company on account of company's inability to repay the loan;
 - iii. As per the information, explanations and records produced for our verification, during the year under review, no funds were received/receivable for any specific scheme from central/state agencies.
19. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**“Annexure – A” to the Independent Auditor’s Report of even date on the Ind AS Financial Statements of M/s Hindustan Fluorocarbons Limited****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

1. We have audited the internal financial controls over financial reporting of **M/s Hindustan Fluorocarbons Limited** (“the Company”) as of 31st March, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.
3. The Company’s Management has in present financial year amongst other areas has specifically identified the following areas (i) Property Plant & Equipment (ii) Loans (iii) Trade Receivables (iv) Other Financial Liabilities (v) Trade Payables; and (vi) Provisions, as a benchmark criteria for establishing Internal Financial Controls over financial reporting.

Auditors’ Responsibility:

4. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.
6. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

8. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

9. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

10. In our opinion, the Company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

(referred to in paragraph 19 under the heading ‘Report on Other Legal & Regulatory Requirements’ of our report of even date to the financial statements of the M/s Hindustan Fluorocarbons Limited for the year ended 31st March, 2020)

As per the books and records produced before us and as per the information and explanations given to us and based on such audit checks that we considered necessary and appropriate, we confirm that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The fixed assets have been physically verified by the management at reasonable intervals in accordance with its phased programme designed to cover all the assets by physical verification over a period of one to five years, which in our opinion, is reasonable having regard to the size of the Company and nature of assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties are held in the name of the Company
- (ii) (a) The management has conducted the physical verification of inventories at reasonable intervals.
- (b) The discrepancies noticed on physical verification of the inventory as compared to book records, which has been properly dealt in the books of account were not material.
- iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 during the period under review. Accordingly, the provisions of Clause 3(iii)(a) to Clause 3 (iii)(c) of the said Order are not applicable for the Company during the year under review.
- (iv) In our opinion and according to the information and explanations given to us, the company has not given any loans, made any investments, provided any guarantees, and given any security to which the provisions of section 185 and 186 of the Companies Act, 2013 are applicable.
- (v) According to information and explanation given to us, the Company has not accepted any deposits from the public. Therefore, the provisions of Clause (v) of Paragraph 3 of the Order are not applicable to the Company
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Govt. of India relating to maintenance of Cost Records specified under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company has been generally regular in depositing undisputed statutory dues including provident fund, employees’ state insurance, GST , income-tax, sales-tax, service tax, duty of

customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2020

- (b) There are no dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax or GST have not been deposited on account of any dispute.
- (viii) In our opinion and according to the information and explanations given to us, the Company has defaulted in repayment of dues to Govt. of India, Ministry of Chemicals & Fertilizers (Dept. of Chemicals and Petrochemicals). The Company had not paid Govt. plan Loan of Rs.15.80 Crores (5 instalments) in the current Financial Year.
- (ix) The company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company for the Current Year
- (x) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- (xi) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration which has been paid or provided during the current year is in accordance with the requisite approvals as per the provisions of Sec 197 of the Act.
- (xii) As the Company is neither carrying on business of Nidhi nor reported as a Nidhi company, paragraph 3(Xii) of the order is not applicable.
- (xiii) The transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Ind AS Financial Statements etc., as required by the applicable accounting standards.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the paragraph 3(XV) of the order is not applicable.
- (xvi) The Company is not carrying on the business of Non- Banking Finance, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

The Company's Provident Fund is exempted under section 17 of Employees' Provident Fund and Miscellaneous Provisions Act, 1952. Conditions for grant of exemption stipulate that the employer shall make good deficiency, if any, in the interest rate declared by the trust vis-à-vis statutory rate.

The employees' gratuity fund scheme managed by a trust (Life Insurance Corporation of India) is a defined benefit plan. The present Value of obligation is determined based on actuarial valuation using the Projected unit credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner as gratuity.

c) Financial Risk Management Objectives

The company's business activities exposed to a variety of financial risk viz., market risk, credit risk and liquidity risk. The company's focus is to estimate a vulnerability of financial risk and to address the issue to minimize the potential adverse effects of its financial performance.

d) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

i) Interest rate risk

Out of total borrowings, large portion represents short term borrowings and the interest rate primarily basing on the company's credit rating and also the changes in the financial market. Company continuously monitoring over all factors influence rating and also factors which influential the determination of the interest rates by the banks to minimize the interest rate risks.

ii) Foreign currency risk

The company has no balances in foreign currency and consequently the company is not exposed to foreign exchange risk.

Equity Risks

The company does not have any financial instruments which are exposed to listed and non listed equity investments.

e) Credit risk management

Credit Risk refers to the risk for a counter party default on its contractual obligation resulting a financial loss to the company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies. Credit risk on trade receivables, work in progress is limited as the customers of the company mainly consist of the Government promoted entities having strong credit worthiness. For doubtful receivables the company uses a provision matrix to compute the expected credit loss allowances for trade receivables. The provision matrix takes into account ageing of accounts receivables and the company's historical experience of the customers and financial conditions of the customers. The company has not made any provision towards amounts doubtful to receive during the year ended March 31, 2020 and March 31, 2019 respectively.

f) Liquidity risk management

The Company has access to financing facilities of which INR 9.75 Lakhs (31.03.2019: INR 106.20 Lakhs) were unused at the end of the reporting period. The Company expects to meet its other obligations from operating cash flows and proceeds of maturing financial assets.

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Note on borrowing assets out details of additional undrawn facilities that the Company has at its disposal to reduce liquidity risk.

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Note on HOCL Interest Free Loan of Rs.2744 Lakhs

HOCL Loan was shown as per discounted cash flow and present value computation assuming loan will be repaid within 4 years based on effective cost of capital till FY 2017-18. Later during FY 2018-19 there was decision of repayment of HOCL loan by 2019-20; however, this was changed due to present developments since Ministry had given instructions to dispose off the surplus land of 66.13 acres and settle Employee dues and give VRS / VSS to employees as part of Disinvestment process of HFL.

Earlier, as part of disposal of land HFL approached MSTC and company had appointed registered valuers who submitted the valuation reports during February, 2019 and as per the valuation reports one acre of land valued around Rs.1.10 Cr to Rs.1.40 Cr. The E-bidding was conducted by MSTC on 23-Apr-2019 and no bids were received. Subsequently based on the feedback from MSTC certain terms were modified to make the bid attractive and once NOC is received from TSII/TSG Government, the company was to approach MSTC for 2nd E-bidding as directed by the Ministry vide their letter dated 07-Jun-2019. That also could not be done. In the meantime, as per the directions of the Ministry to close the unit together with payment of VRS to employees, payments to Suppliers and other dues including various loans, disposal of assets, the Company had initiated this process.

Further as per IND AS 105 Non-current Assets Held for Sale and Discontinued Operations, an entity shall classify a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use.

The land identified admeasuring 66.13 acres for sale has to be carried out after completing other closure process such as VRS payments, receipt of fresh loan from Govt for settling the employees/ statutory dues/supplier payments etc. Accordingly, as of 31st March, 2020, this was not categorized as Non Current (or disposal group)

In light of this development HOCL Loan will continue in the books at book value as against fair value as per discounted cash flows and present value computation based on the effective cost of capital.

35. Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company is currently evaluating the requirements of the amendment and has not yet determined the impact on the financial statements.

Reconciliation Statement of Liabilities arising from financing activities (Rs in Lacs)

36. During the year under review, the Company had revisited its status on the reporting of Financial Instruments through OCI at amortized cost based on updated developments. Accordingly, based on realistic assessment of the underlying transactions, the Company is of view that there are no Financial Instruments which are receivable/payable in future at discounted values and hence these are shown at actual values. Accordingly, the corresponding effect between previous year and current year is passed through OCI.
37. As per the letter dated 29.01.2020 from the Ministry of Chemicals and Fertilizers, Department of Chemicals & Petrochemicals, under which the Company functions, Cabinet Committee on Economic Affairs (CCEA) in its meeting held on 22nd Jan, 2020 had approved.
- Shutting down the operations of the plant/unit of HFL & closure of the Company
 - Separating the employees (regular and non-regular/adhoc) rendered surplus due to closure of plant through VRS/VSS, after payment of all their outstanding salary/wages and statutory dues, except for skeletal staff required to implement the full and final closure of the company. Employees not opting for VRS/VSS will be retrenched as per the provisions of Industrial Disputes Act, 1947.
 - Grant of interest free loan of Rs.77.20 crore by Govt. of India to HFL to be utilized exclusively for closure related expenditure including (a) implementation of VRS/VSS for HFL employees, their dues, statutory dues, payment to suppliers/contractors/utilities dues and repayment of SBI working capital loan (b) salary/wages and administrative expenses of HFL's skeletal staff to be temporarily retained for completing the closure of HFL for two years.
 - Above interest free loan of Rs.77.20 crore will be repaid by HFL to Govt. of India from the sale proceeds of land and other assets of the company, as and when disposed off and after settling all the liabilities related to closure of the company.

- e) after settlement of all liabilities related to closure of HFL and repayment of interest free loan of Rs.77.20 crores, surplus proceeds from disposal of land and other assets, if any, will be used for repayment of HFL's outstanding Govt of India (Rs.15.80 crore) and interest thereon, with freezing of interest upto 31.3.2019. Full or part of the principal loan amount (Rs.15.80 crore) and interest thereon upto 31.3.2019 remaining unpaid due to insufficient sale proceeds is to be written off/waived
- f) for facilitating disposal of HFL's land, M/s NBCC (India) Ltd be appointed as Land Management Agency (LMA) to manage and assist in the land disposal subject to outcome of the decision of Telangana Govt/TSIIC on purchasing land of HFL.
- g) Disposal of plant/machinery and movable assets will be done by HFL through e-auction by MSTC Ltd.

In pursuance of the said decision, HFL had received an amount of Rs.73.70 Crores on 26.05.2020 (subsequent to the year end) as per the above CCEA Order.

- 38.** As per the letter issued by the Ministry, the Board had initiated the process mentioned above, which includes several components/steps to be taken, which got delayed due to Covid-19 pandemic. Management had initiated the process on getting valuations of various assets to be disposed off in order to determine various elements specified for compliance in accordance with Ind-AS 105 'Non Current Assets held for sale and discontinued operations' Due to above reason, the Company is yet to determine the financial impact due to compliance in progress.
- 39.** Considering the overall operations of the Company during the year under review and the decision of the Govt to close the operations, there is no significant impact on the functioning of the Company due to Covid-19 pandemic
- 40.** MoEFCC was communicated vide their letter No. DO No.42/1/2015/PMU-OC dated 01-Jul-2020 and wherein it was informed that the Ministry had requested MoEFCC to expedite the securing the Multi Lateral Fund (MLF). As per the existing procedure for securing MLF funding for preparation of project proposal is approved in the first instance for which verification by local consultant is scheduled during August, 2020 and same would be followed by technical audit of the facility commissioned by MLF Secretariat, which is scheduled during March, 2021. For this purpose, CFM-22 plant and plant and machinery to be in running condition till the completion of technical audit. As the original timelines of CCEA given during January, 2020 for closure will expire by July, 2020, a revised timelines request was put up by the Ministry with CCEA as requested by HFL vide request letter dated 03-Aug-2020 from MD, HFL.
- 41.** The Company received (26th May, 2020) interest free loan of Rs.73.70 Crore from the Government. The company paid Rs. 13.26 crore towards VRS compensation for the 30 employees on 30th May, 2020 and further VRS compensation of 34 (25+9) employees were paid an amount of Rs. 14.15 Crores with cut-off date of 30th June, 2020 and 20th July, 2020 respectively.
- 42.** The Company had, during the Financial Year 2017-18 adopted the carrying value of all the assets as deemed cost of Property, Plant and Equipment on the date of transition to Ind AS, except for the

Freehold land, where fair value was considered as deemed cost. C&AG during their supplementary audit u/s 143(6)(a) of the Companies Act, 2013 had observed that as per para D7AA of Ind AS-101 on 'First time adoption of Indian Accounting Standards', where there is no change in its functional currency on the date of transition to Ind AS, a first-time adopter to Ind AS may elect to continue with the carrying value of 'all' of its Property, Plant and Equipment as at the date of transition measured as per the previous GAAP and use that as its deemed cost at the date of transition. Thus, the option of applying the carrying value on selective basis to some of the items of Property, Plant and Equipment and using fair value for others is not available under the provisions of Ind-AS 101. They further observed that the Company had selectively applied fair valuation to Freehold only, which resulted in overstatement of Property, Plant and Equipment and understatement of negative balance of Other Equity by Rs.29.96 Crores. This was issued as Comment u/s 143(6)(b) during the year 2017-18 as well as in 2018-19 since no corrective action was taken by the Company during that year.

The Company had initiated the process of taking corrective action in the Current Year. Since Circle Rate of land was taken as basis for earlier revaluation as on Ind-AS transition date, which is same during the current year also if done in accordance with Ind AS 16, there would be no new financial impact on the financials. However, the Company's plan to complete these corrective measures during the year 2019-20 got delayed due to Covid 19 pandemic coupled with decision of Cabinet Committee on Economic Affairs (CCEA) described in detail above, to shut down the operations of the plant & closure of the Company. The Company is in the process of completing the corrective measures as well as implementing the said closure decision as per the timelines.

- 43.** Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

Notes to the Financial Statements as at and for the year ended March 31, 2020

1. General Information

Hindustan Fluorocarbons Limited (HFL) was incorporated in 1983 as a subsidiary of Hindustan Organic Chemicals Limited (HOCL). A Government of India Enterprise under the Ministry of Chemicals & Fertilizers with a shareholding of 56.43%. HFL is engaged in manufacture of Polytetrafluoroethylene (PTFE) with annual capacity of 500 MT and intermediate product of Chlorodifluoromethane (CFM-22) with annual capacity of 1265 MT. The company also manufactures Modified Polytetrafluoroethylene (MPTFE). Shares of the company are listed in Bombay Stock Exchange.

2. Significant Accounting Policies

a) Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The Cabinet Committee on Economic Affairs (CCEA) Govt. of India at its meeting held on 22.01.2020 had approved shutting down of operations of the plant/unit of HFL and closure of the Company. Ministry of Chemicals and Fertilizers, Department of Chemicals & Petrochemicals, under which the Company functions had given a detailed roadmap in this regard. The Board had initiated the said process this regard including application of Ind-AS 105 'Non Current Assets held for Sale and Discontinued Operations',

which got delayed due to Covid-19 pandemic. Refer Note 37.

Considering the above factors, Management has concluded that the Company will not continue as a going concern in the future.

b) Basis of Accounting and Preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to

fair value but are not fair value, such as a net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- ♦ Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- ♦ Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ♦ Level 3 inputs are unobservable inputs for the asset or liability.

c) Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and Assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the

reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and is recognised when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of income can be measured reliably. Revenue is net of returns and is reduced for rebates, trade discounts, refunds and other similar allowances. Revenue is net of GST.

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining

whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018).

The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

i) Sale of goods

Revenue is recognized when it is probable that economic benefits associated with a transaction flows to the Company in the ordinary course of its activities and the amount of revenue can be measured reliably. Revenue is recognised, when the significant risks and rewards of the ownership have been transferred to the buyers and there is no continuing effective control over the goods or managerial involvement with the goods. Revenue from sale of chemical products is generally recognised at the time of dispatch.

ii) Other Income

Dividend income from investments is recognized when the right to receive payment is established. Interest income from a financial asset is recognised on time basis, by reference to the principal

outstanding at the effective interest rate applicable, which is the rate which exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Insurance claims are recognised to the extent there is a reasonable certainty of the realizability of the claim amount.

e) Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises of purchase price, applicable duties and taxes, any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets, upto the date the asset is ready for its intended use. "The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is required to be included in the cost of the respective item of property plant and equipment" and "Cost of major inspections is recognized in the carrying amount of property, plant and equipment as a replacement, if recognition criteria are satisfied and any remaining carrying amount of the cost of previous inspection is derecognized.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in profit or loss.

**f) Investment Property**

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS16's requirement for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

g) Intangible Assets

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. At initial recognition, the separately acquired intangible assets are recognised at cost. Following initial recognition, the intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. The estimated useful life and amortization method reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

h) Depreciation and Amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value. Depreciation

on Property, Plant and equipment has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 taking into account the nature of asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, maintenance, etc.

Intangible Assets are amortised, on straight line method based on the useful life as assessed by the Management. The amortisation period and the amortisation method for an intangible asset is reviewed at least at each financial year end.

i) Impairment of Assets

Intangible assets and property, plant and equipment: Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount

of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

j) Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received net of direct issue cost.

k) Employee Benefits

The estimated liability for employee benefits for present and past services which are due as per terms of employment are determined in accordance with the requirements of Ind

AS 19 "Employee Benefits". A brief description of the employee benefits are as follows:

Gratuity:

The Company has an obligation towards gratuity, a defined benefit plan covering all eligible employees. The plan provides for lump sum payment in accordance with the Payment of Gratuity Act, 1972 to vested employees on retirement, death while in employment or on separation. Vesting occurs on completion of five years of service. The liability, which is determined by means of an independent actuarial valuation, is partly funded under Group Gratuity Plan Scheme managed by the Life Insurance Corporation of India.

Provident Fund:

Provident Fund is a defined contribution plan of the Government of India under which both the employer and employee contribute on a monthly basis at a pre-determined rate (currently upto 10% of employee salary) and the Company has no further obligation.

Compensated Absences

- a. In respect of the employees at Head Office, the Company measures the expected cost of compensated absence based on actuarial valuation made by an independent actuary as at the balance sheet date on projected unit credit method.
- b. In respect of the employees at the locations, the undiscounted amount of short term employee benefits which include the compensated absences such as paid leave expected to be paid in exchange for the services rendered by employees is recognised during the year when the employee renders the service and is calculated on an actual basis.

l) Inventories

- i) The closing stock of raw materials, packing material, stores and spares are valued at cost by adopting weighted average method. Stock in process (intermediate product) and finished goods are valued at cost or net realisable value whichever is lower.

Cost of stock-in-process includes costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

- ii) By-products are valued at NIL value.

m) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Company as one segment of "Engineering and Construction". Thus, as defined in Ind AS 108 "Operating Segments", the Company's entire business falls under this one operational segment and hence the necessary information has already been disclosed in the Balance Sheet and the Statement of Profit and Loss.

n) Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be

put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

o) Foreign Exchange Translation of Foreign Projects and Accounting of Foreign Exchange Transactions

The functional currency of the Company is the Indian rupee.

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Gains and losses resulting from settlement of such transactions are recognized in the Statement of Profit and Loss. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of Profit and Loss.

The exchange difference on restatement of long term receivables / payables from / to foreign operations that are considered as net investments in such operation are recognised in the statement of profit or loss in the separate financial statements of the reporting entity or the individual financial statements of the foreign operation, as appropriate.

Foreign branches functional currency is other than reporting currency of its parent and foreign branch financial statements are translated into reporting currency of its parent using the following procedures.

Assets and Liabilities (both monetary and non-monetary) are translated at the closing rate at the year end. Income and expenses are translated at the monthly average rate at

the end of the respective month. All resulting exchange differences are recognised in other comprehensive income till the disposal of the net investment.

p) Income Tax

1) Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

2) Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

3) MAT

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

q) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where the lease payments are structured to increase in line with expected general inflation. Assets acquired on finance lease are capitalised at fair value or present value of minimum lease payment at the inception of the lease, whichever is lower.

r) Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity

shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, which have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

s) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation.

Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is

used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

t) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

u) Operational Cycle

The Company adopts operating cycle based on the project period and accordingly all project related assets and liabilities are classified into current and noncurrent. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

v) Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of

cash and which are subject to insignificant risk of changes in value.

w) Recent Accounting Pronouncement

Ministry of Corporate Affairs (“MCA”), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS.

Ind AS 109 – Prepayment Features with Negative Compensation

The amendments relate to the existing requirements in Ind AS 109 regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. The company does not expect this amendment to have any impact on its financial statements.

Ind AS 23 – Borrowing Costs

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings. The company does not expect any impact from this amendment.

Ind-AS 116 – Leases

The new Ind-AS 116 ‘Lease’ had replaced Ind AS 17 ‘Leases’. Here, Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. Under Ind AS 116, lessees have to recognize a lease liability reflecting future lease payments and a ‘right of use asset’ for almost all lease contracts. The Company does not expect any impact from this amendment on its financial statements.

**REPORT OF THE C&AG SUPPLEMENTARY AUDIT 2019-20****COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF HINDUSTAN FLUOROCARBONS LIMITED FOR THE YEAR ENDED 31 MARCH, 2020.**

The preparation of financial statement of Hindustan Fluorocarbons Limited for the year ended on 31 March, 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of Act are responsible for expressing opinion on these financial statements under Section 143 of the Act based on the independent audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 15th June, 2020.

I, on the behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of Hindustan Fluorocarbons Limited for the year ended 31 March 2020 Under Section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditor and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit, nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors' report under Section 143(6)(b) of the Act.
