[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
GALAXY BEARINGS LIMITED
T - 18, Vikram Chambers,
Ashram Road, Ahmedabad - 380 009.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Galaxy Bearings Limited** having CIN: **L29120GJ1990PLC014385** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 Complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;

- The Director, KMP and SMP shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

POLICY REVIEW

- The Board of Directors on its own and /or as per recommendations of Nomination and Remuneration Committee can amend this policy, as when deemed fit.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC OVERVIEW

The Indian economy was deemed to be having parallel economy due to large volume of income generation outside the taxation framework. The present central government has been toiling hard to extinguish all such routes and methods which are adopted by tax evaders. Bold steps of demonetization was taken by the central Government/RBI which created widespread political turbulence but with the solid support of public at large, RBI could carry this programme without affecting much short term growth however in the long run, the effect is bound to be positive as indirect tax evasion will get eliminated. The central government, despite different political dispensation, has amended the constitution of India to introduce single indirect tax regime. The stupendous efforts of the present government led to the passing of GST bill in the parliament and it has been implemented w.e.f 1st July, 2017. It is being anticipated that upon implementation of GST, growth rate of GDP will go up by 1 to 2% and inflationary pressure on the economy is likely to ease substantially. Multiplicity of indirect taxation and its cascading effect on the price of final product will get rationalized, hence many products will get cheaper and to that extent, CPI will come down. The Union Government have been initiated several new programs viz. improving upon ease of doing business, Digital India, Make in India & Skill India among others. The government's direction and action focus is on controlling inflation through reduction of fiscal and revenue deficits. It will not be out of place to expect that by next union budget in February 2018, for the fiscal 2018-19, fiscal and revenue deficits are likely to be pegged at 3% and 0.9% respectively. Several actions on the part of the Government reflect that tax to GDP ratio will improve substantially and regardless of the sluggish private investments, substantial investment for the infrastructure development by the Union Government has been planned in railways, highways, waterways and airways. Such investment by the Union Government will bolster the economic growth.

OVERVIEW/ INDUSTRY STRUCTURE

The Indian auto components industry is ancillary to the automobile industry. Demand swings in any of the auto segments (Commercial vehicles, cars, two-wheelers) have an impact on the auto ancillary demand. Indian Auto Component Industry is transforming itself from a low-volume, highly fragmented one into a competitive industry backed by strengths like technology, efficiency and evolving value chain. Bearing is the backbone of the automobile, automotive and other sectors and largely used by the OEM and replacement markets. The higher budgetary investments in agriculture, rural and social sector in the union budget will also provide impetus to Commercial vehicles, two-wheelers, tractors and construction equipment, is expected to result in increasing demand for personal transportation and also increase of demand for other automotive and engineering products.

FUTURE OUTLOOK

The Government of India is taking various steps to boost the infrastructure development in the country. Looking at the huge potential for growth in the infrastructure sector, your company sees a good outlook for the coming years and the Company will benefit from the same.

RISK & CONCERN

The Company is exposed to external business risk, internal risk and financial risk. External business risks arise out of highly competitive industry, Variations in prices of raw-material etc. Internal risks basically cover operational efficiency and ability to withstand competition. Financial risks are basically in the nature of interest rate variations.

OPPORTUNITIES AND THREATS

Opportunities:

There is a high degree of correlation between the automotive vehicle and the automotive component industry sales. The fast growth in the auto industry will increase the demand for auto components. The old vehicle population in india is very high which will contribute to demand for auto components. The entry of global players such as Ford, General Motors, Toyota etc. into the Indian market will allow the Indian manufacturers to work with these players on global production, quality and delivery systems.

Threats:

The Indian automotive component industry is highly fragmented. There are nearly 10,000 players in the sector, of which about 6 per cent are organised and the remaining 94 per cent are small-scale. With global demand weakening, dumping of cheap bearings by Chinese and other South East Asian countries has intensified.

SEGMENT-WISE-PERFORMANCE

During the year under review, the Company has only one segment of activity namely 'ball and roller bearings'.

INTERNAL CONTROL SYSTEMS

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

FINANCIAL PERFORMANCE**Net Worth:**

The total net worth of the Company as on 31st March, 2016 was Rs. 1879.84 Lacs which is Rs. 2173.80 Lacs as on 31st March, 2017 indicating increase of 15.64 % in the net worth.

Earnings per Share:

Basic and Diluted EPS of the Company as on 31st March, 2016 was Rs. 5.02 both of which stands to Rs. 9.24 as on 31st March, 2017.

EBITDA and PBT:

During the year 2016-17 the Company has earnings before interest, depreciation and tax amounting to Rs. 707.55 Lacs after providing for interest of Rs. 126.68 Lacs and depreciation of Rs. 137.19 Lacs, Profit before tax comes to Rs. 443.72 Lacs which was Rs. 256.73 Lacs during the year 2015-16.

HUMAN RESOURCES

Employees are our vital and most valuable assets. Company's HR philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity; to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. The relations between the employees and the Management have remained cordial.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
GALAXY BEARINGS LIMITED
Ahmedabad

1. Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **GALAXY BEARINGS LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March, 2017**, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

2. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

4. Opinion

ANNEXURE "B" TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 5(ii)(f) of our Report of even date to the Members of GALAXY BEARING LIMITED for the year ended **31st March, 2017**.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GALAXY BEARING LIMITED** as of **31st March 2017**, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31ST MARCH 2017:

a) **Basis of preparation**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") as applicable. The financial statements have been prepared as a going concern on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) **Use of estimates**

In preparing the Company's financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

c) **Property, Plant & Equipment**

Fixed Assets:

Fixed Assets is stated at Carrying Cost. (Cost of acquisition (net of CENVAT, wherever applicable) as reduced by accumulated depreciation) i.e. All costs including financial cost till commencement of commercial production are capitalized for qualifying assets.

When assets are disposed or retired, their cost is removed from the financial statements. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss for the relevant financial year.

Depreciation:

Depreciation is provided on Straight Line Method except on Plant & Machinery which is on Written Down Value Method on the basis of useful life of assets as specified under Schedule II of the Companies Act, 2013.

The Useful life of the Assets is as under.

Buildings	30
Electric installation	10
Plant & machinery	15
Furniture & fixture	10
Vehicles	8
Computer section	3

When assets are disposed or retired, their accumulated depreciation is removed from the financial statements. The gain or loss arising on the disposal or retirement of an asset is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss for the relevant financial year.

d) **Intangible Assets**

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization. All costs, including financing costs in respect of qualifying assets till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalized.

A rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use is considered by the management. The amortization period and the amortization method are reviewed at least at each reporting date. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

The gain or loss arising on the disposal or retirement of an intangible asset is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognised as income or expenses in the Statement of Profit and Loss in the year or disposal.

Amortization:

Intangible assets are amortized on a straight – line basis over a period of five years.

e) Inventories:

Inventories are valued at "Lower of cost or net realizable value". Cost in respect of Raw Materials is computed on FIFO basis. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make sale.

Cost in respect of process and finished goods are computed on weighted average basis method. Finished goods and process stock includes cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition.

f) Revenue Recognition:

i) Sales of goods are net off trade discounts, return and inclusive of Excise Duty but excluded sales tax and state value added tax. Revenue is recognised when practically all risk and rights connected with ownership have been transferred to the buyer. This usually occurs upon dispatch, after the price has been determined and collection of the sales proceeds is reasonable certain.

Expenses are accounted on accrual basis with necessary provisions for all known liabilities and losses.

ii) Interest Income

Interest Income is recognized on accrual basis.

iii) Export Incentives

Export entitlements under Duty Drawback Scheme are recognized in the Statement of Profit & Loss when the right to receive credit as per the terms of the scheme is established in respect of the exports made.

g) Foreign Currency Transactions/ Exchange Fluctuation

i) Transactions in foreign currencies are recorded in Indian rupees using the rates of exchange prevailing on the date of the transactions. At each balance sheet date, monetary balances are reported in Indian Rupees at the rates of exchange prevailing at the Balance Sheet date. All realized or unrealized exchange adjustment gains or losses are dealt with in the Statement of Profit and Loss.

ii) Exchange difference is calculated as the difference between the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the report period and the corresponding foreign currency amount translated at the later of the dates of inception of the forward exchange contract and the last reporting date. Such exchange difference rate recognised in the Statement of profit and loss in the reporting period in which the exchange rates change.

iii) Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

h) Employee Benefits

i) The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the Covered employee's salary, Provision for the same is made in the year in which services are rendered by the employee.

ii) The Liability for Gratuity to employees, which is a defined benefit plan. The Company's Scheme is administered by LIC. The liability is determined by based on Projected Unit Credit method. Actuarial gain / loss in respect of the same are charged to the Statement of profit and loss.

iii) The Company does not allow carry forward of unavailed leave and hence unavailed leaves are encashed in the current year itself.

iv) Short Term benefits are recognised as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

i) Provision for Current and Deferred Tax

Provision for current tax is made after taking into consideration benefits admissible under the provision of the Income Tax Act, 1961.

Deferred Tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or subsequently enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent that there is virtual certainty that the assets will be realized in future.

j) Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost such assets, whenever applicable. Till the assets are ready for their intended use. A qualifying asset is one which necessary takes substantial period to get ready for intended use. All other borrowing costs are charged to revenue accounts. Capitalization of borrowing cost is suspended when active development is interrupted.

k) Impairment

The management periodically assesses, using external and internal sources whether there is an indication that an asset may be impaired. If an asset is impaired, the company recognizes an impairment loss as the excess of the carrying amount of the asset over the recoverable amount. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amounts.

l) Earning per Share

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to Equity Shareholders of the company by the weighted average number of Equity Shares outstanding during the year. For the purpose of calculating Diluted Equity per share, the net profit or loss for the period attributable to Equity Shareholders (after adjustment for Diluted earnings) and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential Equity.

m) Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

A disclosure for a contingent liability is made when there is a possible or present obligation that may, but probably will not require an outflow of resources.

Contingent Assets are neither recognized nor disclosed in the financial statements.

n) Excise Duty, VAT & CENVAT:

CENVAT / VAT credit on materials purchased for production / service availed for production / input service are taken into account at the time of purchase and CENVAT / VAT credit on purchase of capital items wherever applicable are taken into account as and when the assets are acquired.

The CENVAT credits so taken are utilized for payment of excise duty on goods manufactured. The unutilized CENVAT credit is carried forward in the books. The VAT credits so taken are utilized for payment of sales tax on goods sold. The unutilized VAT credit is carried forward in the books.

o) Accounting policies not specifically referred to otherwise are consistent with generally accepted accounting principles.
