Letter by Chairman

September 3, 2014

It gives me great pleasure in communicating with you for the Annual General Meeting and forwarding the Annual Report of your company for the year ended 31st March, 2014.

During the year under review, the Company's gross sales have increased by a substantial 76.94% over the last year. A big contributor to the increase in sales is the Rate Contract from the Government of Haryana for the supply of Dual Desks. In the current year too, the supplies for the Dual Desks are continuing and would put the company on a strong footing. Besides this Rate Contract, as you be aware, the Company has signed an agreement with Ashok Leyland Limited, for supply of roto moulded Plastic Fuel Tanks for LCV, ICV and HCV automotive segments plastic components requirement of Ashok Leyland Ltd and its joint venture companies. Apart from this, the Company has tied up with several other OEM's which would result in further increase in sales of the Company.

A big component of the loss during the year is due to the provisions of notional loss on exchange fluctuation on FCCB and ECB, as required by the Accounting Standards.

I acknowledge and appreciate the efforts of all employees in realising the goals of the company.

I would like to express my gratitude to the Board, Customers, Suppliers, Bankers, Employees and our Shareholders for their confidence and support.

With best wishes,

Sincerely

Justice (Retd.) T.R. Handa

ITEM NO. 11 OF THE NOTICE

The Articles of Association ("AoA") of the Company as presently in force were when the Company was incorporated in 1988. The existing AoA are based on the Companies Act, 1956 and several Regulations in the existing AoA contain references to specific sections of the Companies Act, 1956 and some regulations in the existing AoA are no longer in conformity with the Act.

OK PLAY INDIA LIMITED

The Act is now largely in force. On September 12, 2013, the Ministry of Corporate Affairs (“MCA”) had notified 98 Sections for implementation. Subsequently, on March 26, 2014, MCA notified most of the remaining Sections (barring those provisions which require sanction / confirmation of the National Company Law Tribunal (“Tribunal”) such as variation of rights of holders of different classes of shares (Section 48), reduction of share capital (Section 66), compromises, arrangements and amalgamations (Chapter XV), prevention of oppression and mismanagements (XVI), revival and rehabilitation of sick companies (Chapter XIX), winding up (Chapter XX) and certain other provisions including, inter alia, relating to investor Education and Protection Fund (Section 125) and valuation by registered valuers (Section 247). However, substantive sections of the Act which deal with the general working of companies stand notified.

With the coming into force of the Act several regulations of the existing AoA of the Company require alteration or deletions in several articles. Given this position, it is considered expedient to wholly replace the existing AoA by a new set of Articles.

The new AoA to be substituted in place of the existing AoA are based on Table ‘F’ of the Act which sets out the model articles of association for a company limited by shares. Shareholder’s attention is invited to certain salient provisions in the new draft AoA of the Company viz:

- (a) Company’s lien now extends also to bonuses declared from time to time in respect of shares over which lien exists;
- (b) the nominee(s) of a deceased sole member are recognized as having title to the deceased’s interest in the shares;
- (c) new provisions regarding application of funds from reserve accounts when amounts in reserve accounts are to be capitalized;
- (d) new provisions relating to appointment of chief executive officer and the chief financial officer, in addition to manager and company secretary;
- (e) existing articles have been streamlined and aligned with the Act;
- (f) the statutory provisions of the Act which permit a company to do some acts “If so authorized by its articles” or provisions which require a company to do acts in a prescribed manner “unless the articles otherwise provide” have been specifically included; and
- (g) provisions of the existing AoA which are already part of statute in the Act have not been reproduced in the new draft AoA as they would only lead to duplication – their non-inclusion makes the new AoA crisp, concise and clear and aids ease of reading and understanding.

The proposed new draft AOA is being uploaded on the Company’s website for perusal by the shareholders.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in the Special Resolution set out at item no. 11 of the Notice.

HR Department achieve this by aligning the supply of skilled and qualified individuals and the capabilities of the current workforce, with the organization's ongoing and future business plans and requirements to maximize return on investment and secure future survival and success.

Key functions

Human Resources may set strategies and develop policies, standards, systems, and processes that implement these strategies in a whole range of areas. The following are typical of a wide range of organizations:

Recruitment, selection, and on-boarding (resourcing)

Organizational design and development

Business transformation and change management

Performance, conduct and behaviour management

Industrial and employee relations

HRM Strategy

An HRM strategy pertains to the means as to how to implement the specific functions of HRM. An organization's HR function may possess recruitment and selection policies, disciplinary procedures, reward/recognition policies, an HR plan, or learning and development policies; however all of these functional areas of HRM need to be aligned and correlated, in order to correspond with the overall business strategy. An HRM strategy thus is an overall plan, concerning the implementation of specific HRM functional areas. An HRM strategy typically consists of the following factors:

"Best fit" and "best practice" - meaning that there is correlation between the HRM strategy and the overall corporate strategy. As HRM in OK Play as a field seeks to manage human resources in order to achieve properly organizational goals, an organization's HRM strategy seeks to accomplish such management by applying a firm's personnel needs with the goals/objectives of the organization. As an example, a firm selling toys and plastic components could have a corporate strategy of increasing the sales by 10% over a one year period. Accordingly, the HRM strategy would seek to facilitate how exactly to manage personnel in order to achieve the 10% figure. Specific HRM functions, such as recruitment and selection, reward/recognition, an HR plan, or learning and development policies, would be tailored to achieve the corporate objectives.

Close co-operation is always there between HR and the top/senior management, in the development of the corporate strategy. Theoretically, a senior HR representative always present when an organization's corporate objectives are devised. The personnel's proper management is vital in the firm being successful, or even existing as a going concern. Thus, HR can be seen as one of the critical departments within the functional area of OK play.

Continual monitoring of the strategy, via employee feedback, surveys, etc. The implementation of an HR strategy is not always required, and may depend on a number of factors, namely the size of the firm, the organizational culture within the firm or the industry that the firm operates in and also the people in the firm. An HRM strategy is divided, in general, into two facets - the people strategy and the HR functional strategy. The people strategy pertains to the point listed in the first paragraph, namely the careful correlation of HRM policies/actions to attain the goals laid down in the corporate strategy. The HR functional strategy relates to the policies employed within the HR functional area itself, regarding the management of persons internal to it, to ensure its own departmental goals are met.

Human resource management in OK Play involves in several processes. These processes can be performed in an HR department, but some tasks can also be outsourced or performed by line-managers or other departments. When effectively integrated they provide significant economic benefit to the company.

The Employee Strength of the company is 135.

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the consolidated financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

6. We report that the consolidated financial statements have been prepared by the Company's Management in accordance with the requirements of Accounting Standard (AS) 21 – Consolidated Financial Statements notified under Section 211(3C) of the Companies Act, 1956.
7. Based on our audit and to the best of our information and according to the explanations given to us, in our opinion, the accompanying consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (a) in the case of the consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2014;
 - (b) in the case of the consolidated Statement of Profit and Loss, of the loss of the Group for the year ended on that date; and
